EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

OVERVIEW OF COMPENSATION PROGRAM

The Compensation Committee of the Company's Board of Directors is responsible for establishing and evaluating the Company's policies governing the compensation of its executive officers and the Named Executive Officers. The Compensation Committee's goal is to ensure that the total compensation paid to each of the Company's Named Executive Officers is fair, reasonable and competitive. The Compensation Committee does not operate under a written charter.

COMPENSATION OBJECTIVE

The objectives of the Company's executive compensation programs are to:

- o attract and retain talented and experienced management personnel;
- o motivate and reward members of management whose knowledge, skills, performance and business relationships are critical to the Company's success; and
- o align the interests of the Company's management and stockholders by motivating management to increase stockholder value and rewarding management when stockholder value increases.

The Company's executive compensation programs are designed to compensate individual management personnel based on a number of factors, including the:

- o individual's position and responsibilities within the Company;
- o overall importance of the individual's responsibilities in helping the Company achieve success;
- o specific tasks that the individual may be required to perform during a particular time period;
- o individual's skill set and experience;
- o the Company's performance in areas for which the individual has responsibility; and

Edgar Filing: ISRAMCO INC - Form DEF 14A

- o Company's overall performance.

ROLE OF EXECUTIVE OFFICERS AND OTHERS IN COMPENSATION DECISIONS

The Compensation Committee makes all final decisions with respect to the compensation received by the Company's Named Executive Officers.

2006 EXECUTIVE COMPENSATION COMPONENTS

For the fiscal year ended December 31, 2006, the principal components of compensation for the Named Executive Officers were:

- o annual base salary;
- o cash bonuses paid upon the completion of fiscal year 2006; and
- o other benefits.

BASE SALARY

Base salary is designed to attract and retain experienced executive officers who can drive the achievement of the Company's goals. Base salary is intended to provide Named Executive Officers with a predictable amount of cash flow that allows them to cover their day-to-day living expenses. Initial base salaries are primarily determined by arm's length negotiation with a prospective employee. Increases to base salary are determined based on a variety of factors, including individual performance, changes in role and/or responsibility and changes in the competitive market environment (including other potential opportunities available to existing employees). Base salaries for Mr. Tsuff, the Chief Executive Officer and Mr. Tsuff, the President, were renegotiated in 2005 and the base salaries, as negotiated, continue for the three year duration of the Named Executive Officers' employment agreements.

CASH BONUSES

The Company's annual cash bonus program is a discretionary program designed to reward Named Executive Officers after consideration of the Company's overall financial results considering economic and business conditions affecting the Company, the employee's performance and contribution to the Company's overall business objectives and the prior year's bonus payment. In determining the discretionary bonuses for the Named Executive Officers, the Company took into account growth in net revenues and gross margins. Annual cash bonuses are intended to provide Named Executive Officers with immediate and liquid compensation at least once per year for performance during the previous fiscal year. In March 2007, annual cash bonuses were paid to Mr. Jakob Maimon, the President and Mr. Doron Avraham, the Company Vice President (who resigned as of April 18, 2007) for the fiscal year ended December 31, 2006, as further described in the footnotes to the Summary Compensation Table below.

OTHER BENEFITS

Health and Welfare Benefits. All full-time employees, including the Named Executive Officers, may participate in the Company's health and welfare benefit programs, including medical, dental and vision care coverage and disability insurance.

Perquisites. The Compensation Committee's policy is to provide limited perquisites, and it does not believe these perquisites and other personal benefits constitute a material component of a Named Executive Officer's compensation package.

POLICY WITH RESPECT TO EMPLOYMENT AGREEMENTS

Edgar Filing: ISRAMCO INC - Form DEF 14A

The Compensation Committee's policy is for the Company to enter into employment or other service agreements with each of its Named Executive Officers for a number of reasons, including the following:

- o the need to provide severance benefits that are competitive with those offered by other, similarly situated companies;
- o the belief that severance benefits help to ensure that management is not financially motivated to frustrate the execution of a change-in-control transaction for fear that their personal compensation will be negatively impacted as a result thereof;
- o the ability to include non-competition and non-solicitation covenants in such agreements in order to reduce the risk that a key member of management is recruited by a competitor;
- o the increased certainty resulting from negotiated agreements reduces that distraction caused by ongoing negotiations over compensation matters.

The Company currently has employment and or other service agreements with each of the Named Executive Officers, which are described further under the caption "Employment/Consulting Agreements" below.

BOARD COMMITTEES

The Board of Directors has established three standing committees: the audit committee (the "Audit Committee"); the compensation committee (the "Compensation Committee"); and the nominating committee (the "Nominating Committee").

AUDIT COMMITTEE

The members of the Audit Committee are Max Pridgeon, Donald D. Lovell and, as of December 12, 2006, Frans Sluiter. Until December 12, 2006, Mr. Amir Mireskandari served on the audit committee until his resignation on such date from the Board of Directors. The Board of Directors has determined that each of Messrs. Dealers ("NASD"). Mr. Lovell is the chairman of the Audit Committee. The Board has determined that Mr. Lovell is an "audit committee financial expert" as defined by the rules of the SEC. The Audit Committee met five times in 2005.

The Board has adopted a charter governing the duties and responsibilities of the Audit Committee. A copy of the Audit Committee charter was attached as an exhibit to the Company's definitive Proxy Statement that it filed in connection with the 2004 annual meeting of stockholders. The principal function of the Audit Committee is to assist the Board in its oversight responsibilities relating to the financial accounting, reporting and controls. The Audit Committee monitors and evaluates periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by senior management and the independent auditors, is directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditors, reviews and evaluates the qualifications, independence and performance of the independent auditors, monitors the Company's compliance with legal and regulatory requirements, monitors the performance of internal audit function and facilitates communication among independent auditors, senior management and the Board.

The Nominating Committee will consider candidates that are nominated by its stockholders. The name, together with the business experience and other relevant background information of a candidate, should be sent to the Chairman of the Board who will then forward such information to the Nominating Committee for its review and consideration. The process for determining whether to nominate a director candidate put forth by a stockholder is the same as that used for reviewing candidates submitted by directors. Other than candidates submitted by its directors and executive officers, the Company has never received a proposed candidate for nomination from any security holder that beneficially owned more than 5% of the Common Stock.

COMPENSATION COMMITTEE

In April 2004, the Board of Directors formed the Compensation Committee, which is responsible for reviewing the compensation arrangements in effect for the Company's executive officers. The Compensation Committee currently consists of Donald D. Lovell and Max Pridgeon. The Board of Directors has determined that Messrs. BOARD RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF ALL OF THE NOMINEES TO THE BOARD OF DIRECTORS.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF MALONE & BAILEY, PC
AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTING FIRM
FOR THE YEAR ENDING DECEMBER 31, 2006

The Audit Committee has selected Malone & Bailey, PC ("M&B") as the Company's independent public accounting firm for the year ending December 31, 2007. The Board has directed that such appointment be submitted for ratification by the shareholders at the Annual Meeting.

On January 20, 2005, the Audit Committee accepted the resignation of UHY - Mann Frankfort Stein & Lipp CPAS, LLP ("UHY LLP") (formerly Mann Frankfort Stein & Lipp CPAS, L.L.P.) as the Company's independent accountants. Concurrent with UHY LLP's resignation, the Audit Committee appointed M&B as the independent accounting firm to audit the financial statements of the Company for the year ended December 31, 2004.

The reports by UHY LLP with respect to the Company's financial statements for each of the years ended December 31, 2002 and 2003 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended

Edgar Filing: ISRAMCO INC - Form DEF 14A

December 31, 2002 and 2003 and during the subsequent interim period, there were no disagreements between the Company and UHY LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of UHY LLP, would have caused it to make reference to the subject matter thereof in connection with its reports.

During the fiscal years ended December 31, 2002 and 2003 and through the date of their resignation, UHY LLP did not advise the Company with respect to any matters described in paragraphs (a) (1) (v) (A) through (D) of Item 304 of Regulation S-K.

During the fiscal years ended December 31, 2002 and 2003 and through the date of their appointment, the Company did not consult with M&B regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements; (iii) any matter that was either the subject of disagreement (as defined in Item 304(a) (1) (iv) of Regulation S-K) or a reportable event (as defined in Item 304(a) (1) (v) of Regulation S-K).

It is anticipated that a member of M&B will be present at the Annual Meeting and will be available to respond to questions.

If the Stockholders do not ratify the selection of M&B as the Company's independent public accounting firm for the year ending December 31, 2007, the Audit Committee will reconsider the appointment. However, even if the Stockholders do ratify the selection, the Audit Committee may still appoint a new independent public accounting firm at any time during the year if it believes that such a change would be in the best interests of Company and its stockholders.

FEES

The following table presents fees for professional audit services rendered by M&B for the audit of the Company's annual financial statements for fiscal years 2006 and 2005 and fees billed for other services rendered during 2006 and 2005.

Audit Related Fees (2)	--	--
Tax Fees (3)	\$25,000	\$22,000
All Other Fees (4)	--	--

(1) Audit Fees consist of fees for professional services rendered for the audit of the Company's consolidated financial statements included in its Annual Report on Form 10-K and the review of the interim financial statements included in its Quarterly Reports on Form 10-Q, and for the services that are normally provided in connection with regulatory filings or engagements.

(2) Includes fees associated with assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. This category includes fees related to consultation regarding generally accepted accounting principles.

(3) Tax Fees consist of fees for tax compliance, tax advice and tax planning.

Edgar Filing: ISRAMCO INC - Form DEF 14A

(4) All Other Fees consist of fees for products and services not included in the above categories.

The Audit Committee reviewed the non-audit services rendered for fiscal 2006 and fiscal 2005 as set forth in the above table and concluded that such services were compatible with maintaining the public accounting firm's independence. The Audit Committee's policy is to pre-approve all audit services and all non-audit services that Company's independent public accounting firm is permitted to perform for Company under applicable federal securities regulations. As permitted by the applicable regulations, the Audit Committee's policy utilizes a combination of specific pre-approval on a case-by-case basis of individual engagements of the independent public accounting firm and general pre-approval of certain categories of engagements up to predetermined dollar thresholds that are reviewed annually by the Audit Committee. Specific pre-approval is mandatory for the annual financial statement audit engagement, among others.
