Prudential plc - Jackson National Life Site Visit

Prudential plc is hosting a two day analyst and investor site visit to its US
operations starting today.

The visit will be hosted by Clark Manning, President and Chief Executive
Officer, Jackson National Life (Jackson) and will consist of a series of
presentations and a site visit to Jackson's operations in Lansing, Michigan.

The presentations will focus on the significant opportunities in the US
retirement market and Jackson's positioning and strengths to capitalise on
these.

Edgar Filing: PRUDENTIAL PLC - Form 6-K

Clark Manning said:

"As the "Baby boomer" generation approach retirement they will transition from asset accumulation to a requirement for retirement income. Annual retirement distributions from pension plans are set to double to over \$1 trillion per annum by 2012 and there will be considerable outflows from mutual funds. Critically, Jackson has both a leading variable annuity offering and the advice based distribution skills to be very successful as these changes in the market take place."

Forward-Looking Statements

This statement may contain certain "forward-looking statements" with respect to certain of Prudential's plans and its current goals and expectations relating to its future financial condition, performance, results, strategy and objectives. Statements containing the words "believes", "intends", "expects", "plans", "seeks" and "anticipates", and words of similar meaning, are forward-looking. By their nature, all forward-looking statements involve risk and uncertainty because they relate to future events and circumstances which are beyond Prudential's control including among other things, UK domestic and global economic and business conditions, market related risks such as fluctuations in interest rates and exchange rates, and the performance of financial markets
