British Sky Broadcasting Group plc  
AGM Statement

### BRITISH SKY BROADCASTING GROUP PLC (the "Company")

Annual General Meeting - Shareholders approve all resolutions

At the Annual General Meeting of the Company held today at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 11.30 a.m., polls were held in respect of resolutions 14 and 15 (the later being a poll of independent shareholders as stated in the Notice convening the meeting). The results as certified by Lloyds TSB Registrars are detailed below.

The poll results were as follows:

Resolution 14 (The authority to make market purchases of the Company's ordinary shares)

For:	1,185,881,174
Against:	234,889,426

Resolution 15 (To approve the waiving of the compulsory bid obligation in respect of market purchases under Rule 9 of the City Code on Takeovers & Mergers)

For:	409,974,096
Against:	346,448,825

The poll resolutions were duly passed. The other fifteen resolutions put to the meeting, which did not require a poll, were also duly passed.

The voting results for all resolutions will shortly be available on our website [www.sky.com/corporate](http://www.sky.com/corporate)

The Deputy Chairman and Senior Independent Non-Executive Director Jacob Rothschild made the following statement prior to the vote on resolution 14:

"A share buy back is an accretive way of returning capital and one that affords the Company significantly more flexibility than other ways of returning cash to shareholders. Such flexibility increases the Company's ability to take advantage of opportunities in the dynamic environment in which the Company operates.

The Independent Directors recognise there are a range of views held by shareholders on this subject and have tried to strike the right balance by following a process of listening, consultation and thinking for ourselves. The Independent Directors put forward the proposal only after having consulted with, and having received expressions of support from, a number of shareholders. We decided to seek an undertaking from News Corporation to limit the exercise of its voting rights in the form of a legally binding contract drawn up at the instruction of the Independent Directors by the leading law firm Herbert Smith.

However, the Board is not immutably wedded to buy backs. I and some of the other Independent Directors have met with many institutions in the run up to this year's General Meeting. We have reflected on their concerns and whilst we do

continue to believe that it is appropriate to seek the authority this year, we will not be proposing to renew the buy back authority next year."
