Ryanair, Europe's only ultra-low cost carrier (ULCC) today (24 Apr) launched its first flights to/from Montenegro, Ryanair's 29th country of operation, with four weekly flights between Podgorica and Brussels beginning this June. Ryanair also announced plans for further expansion in Montenegro, including new routes to/from Tivat in summer 2014, as Ryanair continues to grow across Southeast Europe.

From June, Ryanair will grow at Podgorica to:

- One route (to Brussels Charleroi)
- 4 weekly flights
- Over 10,000 passengers p.a.

Ryanair's new Podgorica flights will commence on 20th June 2013 and will go on sale on [www.ryanair.com](http://www.ryanair.com) tomorrow.

To celebrate its first Montenegrin operations and new Podgorica flights, Ryanair is launching a 100,000 seat sale across its entire European network with fares starting from just £15.99 for travel across Europe in May and June, which must be booked on [www.ryanair.com](http://www.ryanair.com) before midnight (24:00hrs) Thur (25 Apr).

Ryanair's Robin Kiely said:

"Ryanair is delighted to launch its first flights to and from Montenegro at Podgorica, with one new route to and from Brussels Charleroi, commencing on 20th June, as Ryanair expands its route network to 29 countries across Europe and North Africa.

Montenegrin visitors and consumers can now beat the recession and travel on Ryanair's ultra-low fares with no fuel surcharge guaranteed and Ryanair's new Podgorica route will deliver over 10,000 passengers per annum with further growth planned, including new routes to and from Tivat in summer 2014.

To celebrate the launch of our first Montenegrin flights, Ryanair is launching a seat sale across our entire European route network with 100,000 seats on sale at prices starting from just £15.99, for travel on Monday,

Tuesday, Wednesday and Thursday in May and June, which are available for booking until midnight Thursday (25 Apr). Since seats at these crazy low prices will be snapped up quickly, we urge passengers to book them immediately on [www.ryanair.com](http://www.ryanair.com)."
