The enclosed proxy is being solicited by the Board of Directors of the Corporation for use at the Annual Meeting of Shareholders to be held April 20, 2004. The cost of preparing, assembling and mailing the notice of annual meeting, proxy statement and form of proxy is to be borne by the Corporation. In addition to the solicitation of proxies by use of the mails, directors, officers or other employees of the Corporation may solicit proxies personally or by telephone and the Corporation may request certain persons holding stock in their names or in the names of their nominees to obtain proxies from and send proxy material to the principals and will reimburse such persons for their expenses in so doing. The date on which this proxy statement and the accompanying form of proxy was mailed to shareholders was March 15, 2004.

A quorum for the transaction of business at the annual meeting will require the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the total number of votes entitled to be cast on a particular matter to be acted upon at the meeting. Abstentions and broker non-votes are counted as shares present for determination of a quorum but are not counted as affirmative or negative votes and are not counted in determining the number of votes cast on any matter.

The enclosed proxy is revocable at any time prior to the actual voting of such proxy by the filing of an instrument revoking it, or a duly executed proxy bearing a later date, with the Secretary of the Corporation. In the event your proxy is mailed and you attend the meeting, you have the right to revoke your proxy and cast your vote personally. All properly executed proxies delivered to us pursuant to this solicitation will be voted at the meeting in accordance with your instructions, if any. Unless otherwise directed, proxies will be voted FOR the election as directors of the three nominees named under the caption Election of Directors herein. The Board of Directors is not aware of any other matters which will be presented for action at the meeting, but the persons named in the proxies intend to vote or act according to their discretion with respect to any other proposal which may be presented for action.

The three nominees with the highest number of votes will be elected. There is no cumulative voting in the election of directors.

The affirmative vote of a majority of the shares voted on the matter is required for the approval of all other matters, and the shareholders will have one vote for each share held.

Edgar Filing: CNB FINANCIAL CORP/PA - Form DEF 14A

To the knowledge of the Corporation, no single shareholder beneficially owned on the Record Date more than five percent (5%) of the outstanding common stock of the Corporation. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held eighteen meetings during 2003. Eleven of the twelve Directors attended the 2003 annual meeting of shareholders.

The Board of Directors of the Corporation and the Board of Directors of the Bank have a number of joint committees that serve both the Corporation and the Bank. These include an Audit Committee, a Personnel Committee, an Executive Compensation Committee and a Nominating Committee.

Audit Committee

The Audit Committee met four times in 2003. The Audit Committee appoints the Corporation's independent accountants, reviews and approves the audit plan and fee estimate of the independent public accountants, appraises the effectiveness of the internal and external audit efforts, evaluates the adequacy

and effectiveness of accounting policies and financial and accounting management, supervises the internal auditor, pre-approves all audit and any non-audit services, and reviews and approves the annual financial statements. Members of the Audit Committee are Jeffrey S. Powell, Chairman, Dennis L. Merrey, Robert C. Penoyer, Deborah Dick Pontzer, and James B. Ryan. The Corporation's board adopted a written charter for the Audit Committee on May 3, 2001. It was subsequently reassessed and readopted by the board on August 7, 2003. The current charter is appended to this Proxy Statement as Appendix A.

Audit Committee Independence. In the opinion of the Corporation's board, the members of the Audit Committee do not have a relationship with the Corporation or any of its affiliates that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them is or has for the past three years been an employee of the Corporation or any of its affiliates; no immediate family members of any of them is or has for the past three years been an executive officer of the Corporation or any of its affiliates; and they otherwise meet the standards for independence required by NASDAQ.

Audit Committee Financial Expert. The Corporation's board of directors has determined that the audit committee does not have a financial expert serving on the committee, as defined by applicable law. While there are attributes present regarding an understanding of financial statements as well as the ability to assess the proper application of accounting estimates, accruals and reserves, there is no indepth knowledge of generally accepted accounting principles. The committee has the authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities, at the Corporation's expense.

Non-Audit Services. The Audit Committee must pre-approve all permitted non-audit services performed by the Corporation's external audit firm. The Audit Committee may delegate such authority to a subcommittee, provided any decisions of the subcommittee are presented to the full Audit Committee at its next scheduled meeting.

Audit Committee Report. The Audit Committee has submitted the following report for inclusion in this proxy statement:

The Audit Committee has reviewed the audited financial statements for the year ended December 31, 2003 and has discussed the audited financial statements with management. The Audit Committee has also discussed with Crowe, Chizek and Company LLP, independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from Crowe, Chizek and Company LLP required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence), and has discussed with Crowe, Chizek and Company LLP the independent accountants independence. Based on this, the Audit Committee recommended to the board that the audited financial statements be included in CNB Financial Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee:

Jeffrey S. Powell, Chairman Dennis L. Merrey Robert C. Penoyer Deborah Dick Pontzer, James B. Ryan

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Exchange Act of 1934 and shall not be deemed filed under that act.

Executive Compensation Committee

The Executive Compensation Committee consists of Dennis L. Merrey, Chairman; Robert E. Brown; Jeffrey S. Powell and James B. Ryan. The Committee met nine times during 2003. See EXECUTIVE COMPENSATION Report of the Executive Compensation Committee.

Nominating Committee

The Nominating Committee met four times during 2003. The Committee consists of William R. Owens, Chairman; Robert E. Brown; Dennis L. Merrey; James B. Ryan; and Jeffrey S. Powell. The Nominating Committee was established by resolution at the Board of Directors. Its function is to recommend candidates for nomination for election to the Board of Directors. Any shareholder who wishes to have the Committee consider a candidate should submit the name of the candidate, along with any biographical or other relevant information that the shareholder wishes the Committee to consider and the consent of such candidate evidencing his or her willingness to serve as a director, to the President of the Corporation at the address appearing on the first page of this Proxy Statement. All recommendations are subject to the process described below.

Description of Nominating Committee Selection Process

The Committee has the responsibility of reviewing and evaluating candidates for election or appointment to the Board of Directors. The process utilized by the Committee to recommend a candidate consists of first reviewing formal expressions of interest by interested individuals which have been communicated to the Committee. In addition, the Committee obtains input from shareholders, other directors and management regarding other potential candidates who have not indicated interest in a board position.

Utilizing the selection criteria set forth below, the Committee selects a candidate and then conducts an interview in order to further evaluate the individual. Subsequent to the interview the Committee meets to take formal action on the candidate which consists of a recommendation to the Board of Directors for election or appointment. The Board of Directors, exclusive of non-independent directors, either accepts or rejects the Committee recommendation.

Nominating Committee Candidate Selection Criteria

The Nominating Committee utilizes various selection criteria to evaluate a candidate for election or appointment to the Board of Directors. The criteria include but are not limited to the following minimum criteria:

1. Residency within the primary market area of County National Bank.
2. Ability and willingness to commit time necessary to fulfill board duties.
3. Strong interest in or familiarity with the financial services industry.
4. Successful background in a business or profession representing a constituency within the Bank's market area.
5. Character and reputation.
6. Under the By-Laws: (i) no shareholder is eligible to serve as a director who does not own at least 350 unencumbered shares of the Corporation's common stock; (ii) no incumbent director may be proposed for nomination to the Board of Directors without approval of 25% of the Board; and (iii) no shareholder, not an incumbent director, may be proposed for nomination to the Board of Directors without approval of two-thirds of the Board.

Directors William R. Owens and William F. Falger are ex officio members of all committees if not otherwise named, except the Audit, Nominating and Executive Compensation Committees as to Mr. Falger.

Communications With Directors

Any shareholder who wishes to communicate with the directors (or with any individual director) should send a letter to the directors as follows: ATTN: Corporate Secretary - Communication to Directors, CNB Financial Corp., PO Box 42, Clearfield, PA 16830. The Corporate Secretary will regularly forward all such correspondence to the directors.

EXECUTIVE COMPENSATION

Report of the Executive Compensation Committee

The Executive Compensation Committee is composed of four non-employee, independent directors selected from the Board of Directors of the Corporation.

The Committee has the overall responsibility for reviewing, establishing, and administering policies which govern executive compensation programs. It determines the compensation of the chief executive officer and recommends to the Board the compensation of all other officers. In discharging these responsibilities, the Committee seeks to maintain a position of equity with respect to the balancing of interests of the shareholders with those of the executive officers.

At the request of the Committee, executive officers of the Corporation or Bank may be present at Committee meetings for discussion purposes. However, they have no involvement in the decisions made by the Committee, nor do they have a vote on any matters brought before the group. Independent, outside advisors and consultants may also be used from time to time by the Committee in a similar manner.

Executive Compensation Philosophy & Policy

The written executive compensation philosophy is an integral part of the Executive Compensation Program since it reflects the attitudes of the Board(s) of Directors toward program participation; peer group comparisons, plan design, etc. Within the overall objectives of equity and regulatory compliance, the philosophy serves to guide the deliberations of the Committee and acts as a standard against which plan performance may be measured.

Executive compensation programs are designed to encourage executive decisions and actions that have a positive impact on the Corporation's overall performance. For that reason, program participation is limited to those individuals who have the greatest opportunity to influence the achievement of strategic corporate objectives.

The pay philosophy defines what the organization will pay for, e.g., performance, job worth, etc. The Committee has established the following parameters for the pay philosophy under the current program:

1. Base compensation levels for the Corporation's executive officers that are competitively set relative to companies in the banking industry of comparable size within a multi-state region including Pennsylvania. The Committee also takes into account individual experience and performance of executive officers relative to the specific needs of the Corporation.
2. Compensation adjustments that are subjective and discretionary on the part of the Committee and the Board(s) of Directors. However, these discretionary adjustments will be made taking into account the overall performance of the Corporation and the individual performance appraisals of the executive officers.

3. Incentive compensation that is based on overall bank and individual performance. This form of compensation is in addition to base salary and is intended to focus management on the achievement of certain financial goals on a yearly basis. It is also designed to have a portion of the executive officers' total compensation at risk relative to the performance of the Corporation.
4. The utilization of non-qualified programs, as defined by the Internal Revenue Code, where these programs are appropriate in meeting shareholder, Corporation, and executive officer interests.
5. Stock incentive plan designed to provide long term incentives with awards that are discretionary by the Board of Directors of the Corporation.

This executive compensation philosophy and policy has been developed to help the Executive Compensation Committee meet the objective of the executive compensation program. To the extent necessary, it will be regularly evaluated and revised in order to meet this objective on an ongoing basis.

Executive Compensation Programs

The primary components of the executive compensation program are base salaries and base benefits. Base salaries are defined by taking into account the job responsibilities of the positions, characteristics of the organization, and comparative salary information compiled and reviewed on an annual basis. The Committee regularly reviews the job assignments of the executive officers and analyzes a variety of annually-developed compensation salary survey information in order to maintain executive officer salaries that are equitable and competitive.

Executive officers participate in the normal benefits programs available to employees of the Bank, e.g., pension plan, savings plan, group life, disability, hospitalization, major medical plans, etc. which do not discriminate in favor of officers and are available to all employees.

Beginning in 1995, the Committee established an Executive Incentive Compensation Plan for executive officers. The purpose of this plan is to provide a direct financial incentive in the form of an annual cash bonus to executives to achieve the Corporation's annual goals set at the beginning of the fiscal year. The primary measure utilized in the plan is return on average assets with additional measures for loan growth and quality and trust asset growth and profitability. The Plan is reviewed and updated annually.

Beyond the payment of dues to certain service and social organizations, executive officers do not receive any additional perquisites with the exception of a vehicle provided to Mr. Falger at the expense of the Corporation.

Chief Executive Officer Compensation

During 2003, William F. Falger served as President and Chief Executive Officer of CNB Financial Corporation and County National Bank. In determining Mr. Falger's base salary the Executive Compensation Committee reviewed Mr. Falger's performance relative to attainment of corporate goals and objectives such as earnings per share, return on assets and return on equity. Also in determining Mr. Falger's base salary, the Committee took into consideration a comparison of base salaries of chief executive officers of a peer group of financial institutions.

Edgar Filing: CNB FINANCIAL CORP/PA - Form DEF 14A

In addition to base salary, Mr. Falger received a cash bonus for 2003 performance equal to 30% of base salary. This bonus was paid based upon the level of earnings of the Corporation in excess of the median level of earnings achieved by all bank holding companies in the United States with assets in excess of \$500 million but less than \$1.0 billion in accordance with the 2003 Executive Incentive Plan approved in December, 2002.

Mr. Falger was granted an option to purchase 5,000 shares of the Corporation's common stock under the 1999 Stock Incentive Plan. The option price of these shares is \$43.84 per share and the option agreement expires in ten years from the date of the option grant.

The Corporation also provides to Mr. Falger the use of a vehicle as well as the payment of club dues.

2003 Executive Compensation Actions

The Committee reviewed the performance of the Chief Executive Officer and other executive officers and established their base salaries for the ensuing year. The Committee also set the performance targets utilized in the Executive Incentive Compensation Plan. In addition, the Committee reviews the non-qualified benefit plans of the executives. The executive officers of the Corporation and/or the Bank are Joseph B. Bower, Jr. Executive Vice President, Chief Operating Officer and Chief Financial Officer, Mark D. Breakey, Senior Vice President and Credit Risk Manager, Donald E. Shawley, Senior Vice President and Senior Trust Officer and Richard L. Sloppy, Senior Vice President and Senior Loan Officer.

When evaluating the salaries, incentive compensation and benefits of the executive officers for 2003, the Committee utilized a comprehensive survey of financial institutions with total assets between \$500 million and \$1.0 billion in a multi-state region including Pennsylvania. The Committee used the Bank Holding Company Performance Report prepared by the Federal Reserve Board in establishing performance targets under the 2003 Executive Incentive Compensation Plan. Incentive awards under the Plan were determined using year end 2003 data for the Corporation and data as of September 30, 2003 for the peer group. Incentives were paid in the first quarter of 2004. In addition, the Committee measures and evaluates the

total cost of executive compensation as a percentage of the Corporation's net income. The Committee reviewed the following comparison for the years shown:

Executive Salaries and bonuses as a % of Net Income	2003 - 11.6%
	2002 - 12.2%
	2001 - 12.8%
	2000 - 13.5%

Employment Contracts

The Corporation has entered into Executive Employment Contracts with Messrs. Falger and Bower that extend to December 31, 2005. Each contract provides for a base salary to be established annually and for increases, stock options and bonuses as may be awarded from time to time by the Board of Directors. Each contract contains a covenant not to compete with the Corporation for three years following termination of employment and a covenant to protect the Corporation's confidential information. The contracts provide for severance pay in the event of termination without cause, whether or not a change in control has occurred or for voluntary termination under certain specified circumstances following a change in control. The executive officer will be entitled to receive a lump sum cash payment equal to 2.99 times his base salary for the year in which employment ends. An additional 1.5 times the average incentive bonus paid over the last three years would be paid to Messrs. Falger.

Code of Ethics

The Board of Directors of the Corporation has approved a Code of Ethics for Officers and the Directors. The Code of Ethics can be found at the Bank's website, www.bankcnb.com, under the "About Us" heading.

Stock Incentive Plan

In 1999, the Corporation's Board of Directors adopted and the stockholders approved the CNB Financial Corporation Stock Incentive Plan. The purpose of the Plan is to advance the development, growth and financial condition of the Corporation by providing incentives through participation in the appreciation of the capital stock in order to secure, retain and motivate personnel responsible for the operation and management of the Corporation and its subsidiaries. On December 9, 2003, the Board of Directors granted to key officers of the Bank qualified options to purchase shares of the Corporation Common Stock at a price of \$43.84 per share. The period of the options is ten (10) years, commencing from the date of the grant. The options are not exercisable until one year from the date of the grant. Shares optioned in 2003 totaled 22,500. The Stock Incentive Plan does not authorize the grant of stock appreciation rights.

Supplemental Executive Retirement Plan

The Bank has adopted a non-qualified supplemental executive retirement plan (SERP) for certain executives of the Bank to compensate those executive participants in the Bank's Retirement Plan whose benefits are limited by Section 415 of the Code (which places a limitation on annual benefits at \$160,000 in 2003) or Section 401 (a) (17) of the Code (which places a limitation on compensation at \$200,000). The SERP provides the designated executives with retirement benefits generally equal to the difference between the benefit that would be available under the Retirement Plan but for the limitations imposed by Code Sections 401 (a) (17) and 415 and that which is actually funded as a result of the limitations.

Pre-retirement survivor benefits are provided for designated beneficiaries of participants who do not survive until retirement in an amount equal to the lump sum actuarial equivalent of the participant's accrued benefit under the SERP. Pre-retirement benefits are payable in 10 equal annual installments. The SERP is considered an unfunded plan for tax and ERISA purposes. All obligations arising under the SERP are payable from the general assets of the Bank.

COMPENSATION OF DIRECTORS

Members of the Corporation's Board of Directors who are not employees of the Corporation or the Bank are paid a monthly retainer fee of \$500 and also \$200 for attendance at each board meeting and \$300 for attendance at each committee meeting. Non-Executive Corporate Board Chairperson is also paid a \$500 monthly retainer fee. Members of the Bank's Board of Directors who are not employees of the Corporation or the Bank are paid \$425 for attendance at each Board meeting and \$300 for attendance at each committee meeting. Committee Chairpersons were

paid \$350 for each meeting attended. All Bank Board of Director members are paid a \$500 monthly retainer.

CERTAIN TRANSACTIONS

Peter F. Smith is general counsel for the Corporation and the Bank. During the last fiscal year, the Corporation paid Mr. Smith \$46,986 for legal services. Directors and officers of the Corporation and certain business organizations and individuals associated with them have been customers of and have had normal banking transactions with County National Bank. All such transactions have been made in the ordinary course of business, on terms substantially equivalent, including interest rates and collateral, to those which prevailed in similar transactions with unrelated persons and do not involve more than the normal risk of collectability or present other unfavorable features.

From time to time, the Corporation and the Bank purchase materials or services from directors or from companies with which directors are associated. Such transactions have been at prices and terms not less favorable to the Corporation than could have been obtained from other suppliers or service providers.

DIRECTORS AND EXECUTIVES DEFERRED COMPENSATION PLAN

The Directors approved a Directors and Executive Deferred Compensation Plan. Annually, outside directors can elect the level of participation of their director compensation to be deferred. Executive deferrals can be elected throughout the year up to 10% of base compensation and 100% of all bonuses. All deferred compensation will be a general liability of this Corporation and Bank, respectively. This is a phantom stock plan whereby any appreciation or depreciation in each participants account value will reflect precisely CNB

Financial Corporation common stock performance including cash dividends. Deferred compensation will serve as a funding source for a trust. Investments are expected to closely match the appreciated or depreciated liability. Any variance will be adjusted by an expense or gain to the Corporation or Bank. In addition to the tax advantages to the participants, they are each additionally incented toward the general performance of the Corporation's common stock. Accounting treatment for this plan is subject to the Financial Accounting Standards Board Statement #123.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on our records and other information, we believe that all of our directors and executive officers complied during 2003 with the reporting requirements of section 16(a) of the Securities Exchange Act of 1934.

PERFORMANCE GRAPH

The following graph illustrates the performance pattern of the common stock of CNB Financial Corporation as compared to the NASDAQ bank stock index and all NASDAQ U.S. stocks. The index values are market weighted, dividend reinvestment numbers which measure the total return for investing \$100 five years ago. This index meets all SEC requirements for showing dividend reinvestment share performance over a five year period. The bank index values qualify as industry specific peer groups for reporting purposes and measure the return to an investor for placing \$100 into a basket of stocks and letting that money set with all dividends being reinvested into the stock paying the dividend.

CONCERNING THE INDEPENDENT PUBLIC ACCOUNTANTS

Independent Auditors for the Year Ending December 31, 2004. The Corporation's independent auditor for the fiscal year ended December 31, 2003 was Crowe Chizek and Company LLP (Crowe Chizek). The board has selected Crowe Chizek to be the independent auditor for the fiscal year ending December 31, 2004. Representatives of Crowe Chizek are expected to be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

All Other Fees. The Corporation did not engage Crowe Chizek for any other services during 2002 and 2003.

Auditor Independence. The audit committee of the board believes that the non-audit services provided by Crowe Chizek are compatible with maintaining the auditor's independence. None of the time devoted by Crowe Chizek on its engagement to audit the financial statements for the year ended December 31, 2003 is attributable to work performed by persons other than full-time, permanent employees of Crowe Chizek. The audit committee is responsible for approving any service provided by Crowe Chizek. The audit service represented 88% of total fees approved for Crowe Chizek.

The committee may delegate authority to subcommittees, including the authority to pre-approve all auditing and permitted non-audit services, providing that such decisions are presented to the full committee at its next scheduled meeting.

COMPOSITION

The audit committee will consist of at least three and no more than six members of the board of directors. The board nominating committee will appoint committee members and the committee chair.
