**Item 5. Other Events.**

The information set forth in the Registrant's press release regarding its proposed private placement (the "Transaction") of \$300.0 million aggregate principal amount of senior subordinated notes due 2014 (the "Notes"), dated March 26, 2004, which is filed as exhibit 99.1 hereto, is incorporated herein by reference.

The information contained in this Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any of the Notes. The Notes to be offered will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

In connection with the Transaction, the Registrant indicated that it expects to receive approximately \$294.5 million in net proceeds, after deducting selling and offering expenses. The Registrant is required to apply gross proceeds in excess of \$200.0 million to reduce the outstanding loans and commitments under its bank credit facility. The Registrant intends to apply any net proceeds from the Transaction in the following manner:

\$100.0 million of the net proceeds would be used to permanently reduce a portion of the term loans outstanding under the Registrant's bank credit facility;

a portion of the remaining net proceeds would be used to repay the outstanding balance on the revolving portion of the Registrant's bank credit facility, which amounts may be reborrowed; and

any remaining net proceeds would be held in highly liquid investments, pending the use of such proceeds to fund a portion of the purchase price of the partnership units of Harrah's Shreveport Hotel Casino (the "Shreveport Partnership").

As of March 25, 2004, approximately \$110.0 million was outstanding under the revolving portion of the Registrant's bank credit facility, which has a revolving commitment of \$400 million. In addition, as of March 25, 2004, the Registrant had \$198.5 million outstanding in term loans under its bank credit facility.

The Registrant intends to use any remaining net proceeds from the Transaction, and expects to use amounts available under its bank credit facility, to finance the acquisition of the Shreveport Partnership.

Subject to market conditions and receipt of required governmental and other approvals, the Registrant currently intends to finance the cash consideration and related costs of its pending merger with Coast Casinos, Inc., as well as refinance the debt assumed in the merger, by (i) replacing its existing bank credit facility with a new bank credit facility that is currently expected to contain a \$1.0 billion 5-year revolving credit facility and a \$500.0 million 7-year term loan, and (ii) issuing additional senior subordinated debt in an amount up to \$200.0 million, subsequent to the Transaction. As of March 25, 2004, the Registrant has received commitments for the full amount of the revolving portion of the new bank credit facility, subject to final documentation and other customary conditions. Terms and specific dollar amounts are subject to change based on market and other conditions and the Registrant can provide no assurances that such anticipated financings will be available on terms favorable to it, or at all.

The Registrant also indicated that in March 2004, the Illinois Gaming Board renewed its license to operate the Par-A-Dice Riverboat Casino for a term of four years.
