Item 1.01 Entry into a Material Definitive Agreement.

As explained in Item 5.02 below, on December 21, 2004, CSG Systems International, Inc. (CSG) announced that John Hank Bonde was named President and Chief Operating Officer of CSG and CSG Systems, Inc. (a subsidiary of CSG). In conjunction with Mr. Bonde's appointment, CSG and Mr. Bonde entered into an Employment Agreement dated December 18, 2004 (the Agreement). A brief description of the material terms and conditions of the Agreement is as follows:

The term of Mr. Bonde's Agreement is from January 1, 2005 through December 31, 2006. Thereafter, the Agreement will automatically renew on a month-to-month basis unless either party gives thirty days prior written notice to the other party.

Mr. Bonde will receive a base salary of \$550,000 per year. The Board of Directors will establish an incentive bonus program for Mr. Bonde in 2005 and 2006 in which Mr. Bonde shall have the opportunity to earn an incentive bonus of not less than one hundred percent of his base salary if agreed upon objectives are fully achieved. The incentive bonus program is expected to be established in the first quarter of 2005.

Mr. Bonde, under CSG's 1996 Stock Incentive Plan, will be granted restricted shares of CSG common stock with a zero exercise price as follows: (i) 75,000 shares promptly after commencing employment; (ii) 75,000 shares on July 1, 2005; and (iii) 50,000 shares on December 31, 2005. Mr. Bonde must be employed by CSG at the date of grant in order to receive these restricted stock awards. The restricted stock awards will vest (contingent upon Mr. Bonde's continued employment with CSG) ratably over four years from the date of grant, and will vest immediately upon a change of control.

Key termination benefits under the Agreement are summarized as follows:

If the Agreement is terminated due to death or disability, Mr. Bonde (or his estate as the case may be) will be entitled to receive his base salary accrued through the date of his termination and a pro rata portion of his annual incentive bonus for the calendar year in which the termination occurs.

If the Agreement is terminated for cause (as defined), Mr. Bonde will be entitled to receive his base salary accrued through the effective date of such termination.

If the Agreement is terminated without cause (as defined) prior to a change in control of CSG, Mr. Bonde will be entitled to receive his base salary through December 31, 2006 if the termination occurs during 2005, plus a pro rata portion of his annual incentive bonus for the calendar year in which such termination occurs. If the effective termination date is during or after 2006, Mr. Bonde will be entitled to receive his base salary through the date that is one year from the effective termination date, plus a pro rata portion of his annual incentive bonus for the calendar year in which such termination occurs.

If the agreement is terminated without cause (as defined) after a change in control of CSG, Mr. Bonde will be entitled to the same benefits he would have received if the termination without cause occurred prior to a change in control, except that he will be entitled to receive 100% of his annual incentive bonus for the year in which the termination occurs (i.e., such incentive bonus will not be pro rated).

Mr. Bonde will be precluded from soliciting CSG employees for employment outside of CSG, and competing against CSG for a period of one year from the effective date of his termination of employment with CSG.
