**Item 1.01 Entry Into a Material Definitive Agreement**

On January 12, 2005, BioMarin Pharmaceutical Inc. (the Company) and Medicis Pharmaceutical Corporation (Medicis) entered into amendments to the Securities Purchase Agreement and License Agreement entered into on May 18, 2004, a Convertible Promissory Note (Convertible Note) and a Settlement and Mutual Release Agreement (collectively the Agreements).

Under the terms of the Agreements, remaining payments from BioMarin to Medicis totaling \$150 million will be reduced by \$21 million to \$129 million. Starting in July 2005, payments related to the license of Orapred totaling \$93 million will be reduced pro rata to \$88.4 million. Consideration to be received by Medicis from BioMarin in 2009 for the purchase of all outstanding shares of Ascent Pediatrics will be reduced by \$11.4 million from \$82 million to \$70.6 million. Additionally, BioMarin will not be obligated to make \$5 million of offset payments that would have been paid by BioMarin to Medicis in the second half of 2005 related to Medicis obligations to former Ascent Pediatric shareholders. Medicis will also pay BioMarin up to \$6.0 million for ORAPRED® returns received by BioMarin between October 1, 2004 and June 30, 2005.

Additionally, Medicis will make available to BioMarin a Convertible Note of up to \$25 million beginning July 1, 2005 based on certain terms and conditions including a change of control provision. Money advanced under the Convertible Note is convertible into BioMarin shares at a strike price equal to BioMarin average closing price for the 20 trading days prior to such advance. The Convertible Note matures on the option purchase date in 2009, as defined in the Security Purchase Agreement, but may be repaid by BioMarin at any time prior to the option purchase date.

In conjunction with the Agreements, BioMarin and Medicis have entered into a settlement and Mutual Release Agreement to forever discharge each other from any and all claims, demands, damages, debts, liabilities, actions and causes of action relating to the transaction consummated by the parties, other than certain continuing obligations, in accordance with the terms of the parties' agreements.
