PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors of SupportSoft, Inc. (which we will refer to as the Company or SupportSoft throughout this Proxy Statement) for use at the Annual Meeting of Stockholders to be held at the Company s headquarters located at 575 Broadway, Redwood City, California, 94063, on Tuesday, May 24, 2005, at 4:00 p.m., local time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Company s principal executive offices are located at the address listed at the top of the page and the telephone number is (650) 556-9440.

The Company s 2004 Annual Report on Form 10-K, containing financial statements and financial statement schedules required to be filed for the year ended December 31, 2004, is being mailed together with these proxy solicitation materials to all stockholders entitled to vote. This Proxy Statement, the accompanying Proxy and the Company s Annual Report will first be mailed on or about April 27, 2005 to all stockholders entitled to vote at the meeting.

The Company will provide copies of exhibits to the Annual Report on Form 10-K to any requesting stockholder upon the payment of a reasonable fee and upon the request of the stockholder made in writing to SupportSoft, Inc., 575 Broadway, Redwood City, California, 94063, Attention: Investor Relations. The request must include a representation by the stockholder that, as of March 31, 2005, the stockholder was entitled to vote at the Annual Meeting.

Record Date and Share Ownership

Stockholders of record at the close of business on March 31, 2005 (which we will refer to as the Record Date throughout this Proxy Statement) are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. The Company has one series of Common Stock issued and outstanding, designated as Common Stock, \$0.0001 par value per share. As of the Record Date, approximately 42,956,007 shares of the Company s Common Stock were issued and outstanding and entitled to vote.

How You Can Vote

Stockholders of record may vote their shares at the Annual Meeting either in person or by proxy. To vote by proxy, stockholders should mark, date, sign and mail the enclosed proxy form in the prepaid envelope. Returning a proxy form will not affect a stockholder s right to vote if the stockholder attends the Annual Meeting and wants to vote in person.

Stockholders holding shares through a bank or broker should follow the voting instructions on the proxy form received.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use at the meeting by (a) delivering to the Company at its principal offices (Attention: Investor Relations) (i) a written notice of revocation or (ii) a duly executed proxy bearing a later date or (b) attending the meeting and voting in person.

Voting

On all matters, each share has one vote. Directors are elected by a plurality vote. The nominees for the six director seats who receive the most affirmative votes of shares present in person or represented by proxy and entitled to vote on this proposal at the meeting will be elected to serve as directors. Each of the other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the meeting entitled to vote on such proposal.

Quorum; Abstentions; Broker Non-Votes

Votes cast by proxy or in person at the Annual Meeting (Votes Cast) will be tabulated by the Inspector of Elections (the Inspector), with the assistance of the Company s transfer agent. The Inspector will also determine whether or not a quorum is present. Except in certain specific circumstances, the affirmative vote of a majority of shares present in person or represented by proxy at a duly held meeting at which a quorum is present is required under Delaware law for approval of proposals presented to stockholders. In general, Delaware law provides that a quorum consists of a majority of shares entitled to vote and present or represented by proxy at the meeting.

The Inspector will treat shares that are voted WITHHELD or ABSTAIN as being present and entitled to vote for purposes of determining the presence of a quorum but will not treat these votes as votes in favor of approving any matter submitted to the stockholders for a vote. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted (i) for the election of the nominees for directors set forth herein; (ii) for the ratification of Ernst &Young LLP as the Company s independent registered public accounting firm for the fiscal year ending December 31, 2005; and (iii) upon such other business as may properly come before the Annual Meeting or any adjournment thereof in accordance with the discretion of the proxyholder. Proxies that are not returned will not be counted in determining the presence of a quorum and will not be counted toward any vote.

If a broker indicates on the enclosed proxy or its substitute that such broker does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

Solicitation of Proxies

The cost of soliciting proxies will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company s directors, officers and regular employees, without additional compensation, personally or by email, telephone or facsimile.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company s 2006 Annual Meeting must be received by the Secretary of the Company no later than January 1, 2006 in order that they may be included in the Company s proxy statement

and form of proxy relating to that meeting.

A stockholder proposal not included in the Company s proxy statement for the 2006 Annual Meeting will be ineligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to the Secretary of the Company at the principal executive offices of the Company and otherwise complies with the provisions of the Company s Bylaws. To be timely, the Company s Bylaws provide that the Company must have

received the stockholder s notice not less than 50 days nor more than 75 days prior to the scheduled date of such meeting. However, if notice or prior public disclosure of the date of the annual meeting is given or made to stockholders less than 65 days prior to the meeting date, the Company must receive the stockholder s notice by the earlier of (i) the close of business on the 1th day after the earlier of the day the Company mailed notice of the annual meeting date or provided such public disclosure of the meeting date and (ii) two days prior to the scheduled date of the annual meeting.

IMPORTANT

PLEASE MARK, SIGN AND DATE THE ENCLOSED PROXY CARD AND RETURN IT AT YOUR EARLIEST CONVENIENCE IN THE ENCLOSED POSTAGE-PREPAID RETURN ENVELOPE SO THAT, WHETHER YOU INTEND TO BE PRESENT AT THE ANNUAL MEETING OR NOT, YOUR SHARES CAN BE VOTED. THIS WILL NOT LIMIT YOUR RIGHTS TO ATTEND OR VOTE AT THE ANNUAL MEETING.

Compensation Committee

At the beginning of 2004, the members of the Compensation Committee were Dick Williams, Jim Thanos and Claude Leglise. In February 2004, Manuel Diaz was added to the Compensation Committee. Mr. Williams is the current Chairman of the Compensation Committee. The Compensation Committee intends to appoint a new chairman of the committee upon Mr. Williams departure from the Board. The Compensation Committee held four meetings during 2004. The Compensation Committee s primary functions are to carry out the Board s overall responsibility relating to remuneration of the executive officers of the Company, assist the Board in establishing the appropriate incentive compensation and equity-based plans for the Company s executive officers, to review and ensure fairness in the administration of remuneration for equitable wealth distribution and the well being of the Company s employees, and appraise the annual performance of the Chief Executive Officer and provide guidance to the Chief Executive Officer for the annual performance appraisals of other executive officers. Director Qualifications

The Nominating and Corporate Governance Committee periodically reviews with the Board the appropriate skills and characteristics required of Board members given the current Board composition. The Nominating and Corporate Governance Committee believes that the Board should be comprised of individuals who have distinguished records of leadership and success in their arena of activity and who can make substantial contributions to Board operations. The assessment of Board candidates includes, but is not limited to,

consideration of relevant industry experience, general business experience, relevant financial experience, and compliance with independence and other qualifications necessary to comply with any applicable tax and securities laws and the rules and regulations thereunder, and the rules of the Nasdaq Stock Market. Specific consideration shall also be given to: (i) roles and contributions valuable to the business community, (ii) personal qualities of leadership, character, judgment and whether the candidate possesses and maintains throughout service on the Board a reputation in the community at large of integrity, trust, respect, competence and adherence to the highest ethical standards, (iii) relevant knowledge and diversity of background and experience in such things as business, manufacturing, technology, finance and accounting, marketing, international business, government and the like, and (iv) whether the candidate is free of conflicts and has the time required for preparation, participation and attendance at all meetings. Other than the foregoing, there are no stated minimum criteria for director nominees. The Nominating and Corporate Governance Committee does, however, believe it is appropriate for at least one, and preferably, multiple, members of the Board to meet the criteria for an audit committee financial expert as defined by the rules of the Securities and Exchange Commission, and that a majority of the members of the Board meet the definition of independent director under the rules of the Nasdaq Stock Market. The Nominating and Corporate Governance Committee also believes it is appropriate for certain members of management to serve on the Board. When evaluating a candidate for the Board, the Nominating and Corporate Governance Committee does not assign specific weight to any of these factors nor does it believe that all of the criteria necessarily apply to every candidate. At minimum, a director s qualifications, in light of the above-mentioned criteria, is considered each time the director is nomin

Identifying and Evaluating Director Nominees

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by Board members and management of the Company. The Committee has, on occasion, retained a third-party executive search firm to identify independent director candidates from time to time. The Nominating and Corporate Governance Committee will consider persons recommended by the Company s stockholders in the same manner as a nominee recommended by Board members, management, or a third-party executive search firm. A stockholder who wishes to suggest a prospective nominee for the Board should notify SupportSoft s Secretary or any member of the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the person who should be nominated to the Board, and the Board determines and approves the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

In addition, our Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to SupportSoft s Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder s notice not less than 120 days nor more than 90 days prior to the scheduled date of the meeting. However, if notice or prior public disclosure of the date of the Annual Meeting is given or made to stockholders less than 100 days prior to the meeting date, such nomination shall have been mailed or delivered to SupportSoft s Secretary not later than the close of business on the seventh ($^{(†)}$) day following the day on which the notice of meeting was mailed. Such notice shall set forth as to each proposed nominee who is not an incumbent director (a) the name, age, business address and, if known, residence address of each nominee proposed in such notice, (b) the principal occupation or employment of each such nominee, (c) the number of shares of stock of the Company which are beneficially owned be each such nominee and by the nominating stockholder, and (d) any other information concerning the nominee that must be disclosed in proxy solicitations under Section 14A of the Securities Exchange Act of 1934, as amended.

Each director candidate recommended for election at this year s Annual Meeting is an existing director seeking re-election to the Board.

Compensation of Non-Employee Directors

The Nominating and Corporate Governance Committee recently reviewed the compensation paid to non-employee directors and recommended certain adjustments. These adjustments were recommended to the full Board of Directors and approved at a meeting of the Board of Directors on March 15, 2005, effective immediately. Compensation for non-employee directors includes three components: equity, cash and reimbursement of out-of-pocket expenses.

Equity. Prior to March 15, 2005, in the discretion of the Board of Directors under our 2000 Omnibus Equity Incentive Plan (Incentive Plan), non-employee directors were granted, upon joining the Board of Directors, an option to purchase a number of shares of our common stock, typically 60,000 shares. Thereafter, following the conclusion of each regular annual meeting of our stockholders, each non-employee director received an automatic grant of an option to purchase 8,000 shares of our common stock as provided for in the Incentive Plan, if, on such date, he or she would continue to serve on our Board of Directors.

As of March 15, 2005, on the date that a non-employee director first becomes a non-employee director, he or she will be granted an option to purchase 40,000 shares of our common stock under the Incentive Plan. These options will become exercisable over a four-year period, at a rate of 1/48th per month. Thereafter, following the conclusion of each regular annual meeting of our stockholders, each non-employee director will receive a grant of options to purchase 2,000 shares of our common stock, in addition to and along with, the automatic grant of an option to purchase 8,000 shares of our common stock as provided for in the Incentive Plan, if, on such date, he or she will continue to serve on our Board of Directors. Each option granted to non-employee directors other than the initial 40,000 share grant shall be immediately exercisable on the date of grant. Options granted under the Incentive Plan have an exercise price equal to the fair market value of our common stock on the date of grant and a term of ten (10) years. In addition, all options to purchase shares of our common stock previously granted to non-employee directors will be amended as of March 15, 2005 to provide for immediate and full acceleration of vesting upon the occurrence of a change of control. All future option grants to the non-employee directors that are not otherwise immediately vested at the time of grant will also immediately and fully vest upon a change of control.

Cash Retainer. Prior to March 15, 2005, our directors did not receive any cash retainer for service on the Board of Directors. Effective March 15, 2005, the non-employee directors will receive an annual retainer of \$20,000 for serving as a director and an additional annual retainer of \$10,000 for serving as a lead independent director or chair of the Audit Committee, Compensation Committee, or Nominating and Corporate Governance Committee. The retainers will be paid quarterly beginning April 1, 2005.

Reimbursement of Expenses. Non-employee directors are reimbursed for out-of-pocket expenses incurred in connection with attending meetings, consistent with our current policies.

Stockholder Communications with the Board

The Board believes it is in the best interest of the Company and its stockholders to maintain a policy of open communication between the Company s stockholders and the Board. Accordingly, the Board has adopted the following procedures for stockholders who wish to communicate with the Board:

Stockholders who wish to communicate with the Board or with specified directors should do so by sending any communication to The Board of Directors, c/o Investor Relations, SupportSoft, Inc., 575 Broadway, Redwood City, California 94063, or by sending an email to IR@supportSoft.com.

The Investor Relations department will forward such communication to the full Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Investor Relations department (after consultation with the Company s legal department, if appropriate) shall have the authority to discard the communication or take appropriate legal action regarding the communication.

The following tables set forth certain information as of December 31, 2004 and for the fiscal year then ended with respect to stock options granted to and exercised by the named executive officers. The options granted to the named executive officers in 2004 were granted under the Company s 2000 Omnibus Equity Incentive Plan. The options granted in 2004 to Radha Basu, John Van Siclen, Brian Beattie, Chris Grejtak and Cadir Lee are exercisable as to 1/48th each month over four years from the date of grant. The percent of the total options set forth below is based on an aggregate of 3,628,850 options granted to employees during 2004. All options were granted at the then fair market value as determined by the Company s Board of Directors on the date of grant.

Potential realizable value represents hypothetical gains that could be achieved for the options if exercised at the end of the option term assuming that the fair market value of the common stock on the date of grant appreciates at 5% and 10% per year over the option term (ten years) and that the option is exercised and sold on the last day of its option term for the appreciated stock price. The assumed 5% and 10% rates of stock price appreciation are provided in accordance with rules of the Securities and Exchange Commission and do not represent the Company s estimate or projection of the Company s future common stock price. We used the grant-date price (the closing price on the Nasdaq National Market on the date of grant) in determining the value of the options granted to named executive officers in 2004. The calculation includes the difference, if any, between the fair market value on the date of grant and the exercise price for such options. The hypothetical gains shown are net of the option exercises prices price but do not include deductions for taxes and other expenses payable upon exercise of the option or for sale of the underlying shares of common stock. Actual gains, if any, on stock option exercises will depend on the future performance of the Company s common stock, the officer s continued employment through applicable vesting periods and the date on which the options are exercised.
