The proxies may also be voted at any adjournments or postponements of the meeting.

The mailing address of our principal executive offices is Suite 303, 60 Cutter Mill Road, Great Neck, NY 11021. We are first sending the proxy materials on or about April 29, 2005 to persons who were stockholders at the close of business on April 20, 2005, the record date for the meeting.

All properly executed proxy cards, and all properly completed proxies submitted by telephone or by the internet, that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given on the proxy, unless the proxy is revoked before the meeting.

Our fiscal year begins on January 1st and ends on December 31st. Reference in this proxy statement to the year 2004 or fiscal 2004 refers to the twelve month period from January 1, 2004 through December 31, 2004.

ABOUT THE MEETING AND VOTING

Q: What is the purpose of the Annual Meeting?

A: At our annual meeting, stockholders will vote on the following matters:

election of four directors (Charles Biederman, Patrick J. Callan, Jr., Jeffrey Fishman and Marshall Rose to hold office until the 2008 annual meeting);

to approve an amendment to our Restated Articles of Incorporation to increase the aggregate number of authorized shares of capital stock by authorizing the issuance of 12,500,000 shares of preferred stock, par value \$1.00 per share;

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form DEF 14A

to approve an amendment to our Restated Articles of Incorporation to prohibit (a) any existing stockholder who beneficially owns a total amount or value in excess of 9.9% of our stock from beneficially owning in excess of a total amount or value of our stock that may cause the company to violate certain provisions of the Internal Revenue Code of 1986, as amended, relating to real estate investment trusts and (b) any other person from beneficially owning a total amount or value of 9.9% or more of any class or series of common stock and preferred stock of the company;

ratification of the appointment of our independent registered public accounting firm (Ernst & Young LLP) for 2005; and

such other matters as may properly come before the meeting.

Q: Who is entitled to vote?

A: We are mailing this proxy statement on or about April 29, 2005 to our stockholders of record on April 20, 2005. The record date was established by our board of directors. Common stockholders as of the close of business on the record date of April 20, 2005 are entitled to vote their shares at the meeting. Each outstanding share of common stock is entitled to one vote. As of the record date there were outstanding and entitled to vote at the meeting 9,847,212 shares of our common stock.

Q: How do I vote?

A: If your shares are held by a bank, broker or other nominee, please follow the instructions provided to you by such nominee. If you wish to vote at the Annual Meeting and your shares are held by a nominee, you must

contact the nominee to obtain evidence of your ownership of our common stock as of the record date. If you hold your shares directly and complete, sign and date the accompanying proxy card and return it in the prepaid envelope, your shares will be voted confidentially and according to your instructions. If you do not mark any selections but return the signed proxy card, your shares will be voted by the proxies named on the proxy card in favor of the nominees for election as directors, in favor of an amendment to the Restated Articles of Incorporation to increase the aggregate number of shares of authorized capital stock by authorizing the issuance of 12,500,000 shares of preferred stock, in favor of an amendment to the Restated Articles of Incorporation to prohibit (a) any existing stockholder who beneficially owns a total amount or value in excess of 9.9% of our stock from beneficially owning in excess of a total amount or value of our stock that may cause the company to violate certain provisions of the Internal Revenue Code of 1986, as amendment, relating to real estate investment trusts and (b) any other person from beneficially owning a total amount or value of 9.9% or more of any class or series of common stock and preferred stock, in favor of the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2005, and as the proxy holders may determine in their discretion with respect to other matters that properly come before the meeting. The proxy of a stockholder who is a participant in our Cash Distribution Reinvestment Plan will also serve as an instruction to vote the shares held for the account of the participant in the manner indicated on the proxy card. Registered holders (those who hold shares directly rather than through a bank or broker) can simplify their voting by calling 1-800-PROXIES (776-9437) or by accessing the internet website www.voteproxy.com. Telephone voting information and internet voting information is provided on the proxy card. The internet and telephone voting facilities for stockholders of record will close at 12:01 a.m., local time on June 14, 2005. You should be aware that if you vote over the internet you may incur costs, such as telephone and internet access charges, for which you will be responsible. If you vote by telephone or via the internet, it is not necessary to return your proxy card. If you attend the meeting, you may deliver your completed proxy or vote in person.

If you wish to name as a proxy someone other than the proxies named on the proxy card, you may do so by crossing out the name of the designated proxies and inserting the name of another person. In that case it will be necessary to sign the proxy card and deliver it to the person so named and for the person so named to be present at and vote at the meeting. Proxy cards so marked should not be mailed to us or to American Stock Transfer and Trust Company.

Q: Who will count the vote?

A: Representatives of American Stock Transfer and Trust Company will tabulate the votes and act as inspector of elections.

Q: Can I revoke my proxy before it is exercised?

A: If you hold stock directly in your name, you may revoke a proxy with a later dated, properly executed proxy (including an internet or telephone vote), or a written revocation delivered to our Secretary at any time before the polls for the meeting are closed. The proxy holders powers may also be suspended if you attend the meeting and notify our Secretary at the meeting that you would like to change your vote or vote in person. If your stock is held in the name of a broker, bank or other nominee, you must contact such nominee and comply with the nominee's procedures if you want to revoke or change the instructions that you previously provided to the nominee. Attendance at the meeting will not automatically revoke a previously granted proxy.

Q: What constitutes a quorum?

A: A quorum must be present at the meeting for business to be conducted. A quorum is the presence in person or by proxy of stockholders holding a majority of the outstanding shares of common stock. Abstentions and withhold-authority votes will be included for purposes of determining a quorum and for purposes of calculating the vote, but will have the same effect as a vote against a proposal. Broker non-votes will be included for purposes of determining a quorum, and have the same effect as a vote against the two proposals relating to the amendments to the Restated Articles of Incorporation and against ratification of the selection of the independent registered public accounting firm, but will have

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form DEF 14A

no effect on the outcome of the election of directors. If you hold your shares through a bank, broker or other nominee, your shares may be voted even if you do not attend the annual meeting.

Q: How many votes does it take to approve the items to be voted upon?

A: Directors are elected by the affirmative vote of a plurality of the votes cast at the meeting in person or by proxy. This means that assuming a quorum is present at the meeting, the four director nominees will be elected if each receives a plurality of the votes cast for directors. The affirmative vote of a majority of our outstanding shares is required to approve each amendment to the Restated Articles of Incorporation. The affirmative vote of a majority of our outstanding shares present at the meeting is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2005.

Q: Who is soliciting my vote and who pays the cost?

A: Our board of directors is soliciting votes for the meeting and we will pay the entire cost of the solicitation, including preparing and mailing this proxy statement. We will reimburse banks, brokerage firms, custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to the beneficial owners of shares of our common stock. Proxies may also be solicited personally, by mail, telephone, e-mail, facsimile or other electronic means, by our directors, officers or other employees, without remuneration, other than regular compensation.

Q: When are stockholder proposals due for the year 2006 Annual Meeting?

A: If a stockholder wants a proposal to be included in our proxy statement for the 2006 annual meeting of stockholders, the proposal, in writing and addressed to our Secretary, must be received by us no later than December 29, 2005. Upon timely receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement in accordance with applicable regulations governing the solicitation of proxies.

For any proposal that is not submitted for inclusion in next year's proxy statement, but is instead intended to be presented directly at the 2006 annual meeting, rules and regulations promulgated by the United States Securities and Exchange Commission permit us to exercise discretionary voting authority to the extent conferred by proxy if we:

receive notice of the proposal before March 15, 2006 and advise stockholders in the 2006 proxy statement of the nature of the proposal and how management intends to vote on such matter; or

do not receive notice of the proposal before March 15, 2006.

Notices of intention to present proposals at our 2006 annual meeting should be submitted in writing and addressed to our Secretary.

Q: What other information about One Liberty is available?

A: Stockholders can call (516) 466-3100 or write us at 60 Cutter Mill Road, Suite 303, Great Neck, NY 11021, Attention: Secretary, to request a copy of our Annual Report on Form 10-K. This and other important information about us is also available on our web site which is located at

GOVERNANCE OF THE COMPANY

Pursuant to the Maryland General Corporation Law and the company's By-Laws, the business, property and affairs of our company are managed by or under the direction of the board of directors. Members of the board are kept informed of the company's business through discussions with the chief executive officer and other officers, by reviewing materials provided to them and by participating in meetings of the board and its committees.

The board has three standing committees:

The Audit Committee, the members of which are Charles Biederman, James J. Burns and Joseph A. DeLuca;

The Compensation Committee, the members of which are Charles Biederman, Patrick J. Callan, Jr., and J. Robert Lovejoy; and

The Nominating and Corporate Governance Committee, the members of which are Joseph A. Amato, James J. Burns and Patrick J. Callan, Jr.

The board has affirmatively determined that a majority of its members are independent and all of the members of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, specifically, each of Joseph A. Amato, Charles Biederman, James J. Burns, Patrick J. Callan, Jr., Joseph A. DeLuca and J. Robert Lovejoy, are independent for the purposes of Section 303A of the Listed Company Manual of the New York Stock Exchange; that the members of our Audit Committee are independent for the purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended, and Section 303.01 of the Listed Company Manual; and that the members of our Compensation and Nominating and Corporate Governance Committees are independent under Section 303A of the Listed Company Manual. The board based these determinations primarily on a review of the responses of the directors to questions regarding employment and compensation history, affiliations, family, other relationships and discussions with the directors. In determining the independence of each of the foregoing, the board considered (i) a passive investment by an affiliate of the company in a real estate project managed by an entity affiliated with Mr. Biederman, which investment was liquidated in February, 2005, and concluded that such investment did not adversely effect Mr. Biederman's independence; and (ii) Mr. DeLuca's rental of a room in a suite of offices from an affiliate of the company for \$800 per month, on a month to month basis, and concluded such rental did not adversely effect Mr. DeLuca's independence.

The board has adopted a charter for each of the three standing committees and corporate governance guidelines that address the make-up and function of the board. The board has also adopted a code of business conduct and ethics that applies to all employees, officers and directors, including the company's principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. You can find these materials by accessing the corporate governance section of our website at: www.onelibertyproperties.com. You may also obtain a copy of each charter, the corporate governance guidelines and the code of business conduct and ethics by writing to us at 60 Cutter Mill Road, Great Neck, New York 11021, Attention: Secretary.

During fiscal 2004, the board held four meetings, conducted board business on two occasions by unanimous consent, and the committees held a total of nine meetings. None of the directors attended fewer than 75% of the total number of meetings of the board of directors and the board committees of which such director was a member during fiscal 2004, except for Joseph A. Amato who was absent from two Board meetings and four of the seven meetings of Board committees on which he served.

Audit Committee

The Audit Committee met four times during 2004. The Audit Committee is responsible for assisting the Board in overseeing (i) the integrity of the company's financial statements, (ii) the company's compliance with legal and regulatory requirements, (iii) the independent registered public accounting firm's qualifications and independence, (iv) the performance of the independent registered public accounting firm and the company's internal control audit function and (v) the preparation of the audit committee report required by the Securities and Exchange Commission for inclusion in this proxy statement. The board has determined that each member of the Audit Committee satisfies the financial literacy and expertise requirements of the New York Stock Exchange.

Audit Committee Financial Expert

The board has determined that James J. Burns, a member of the Audit Committee, is an audit committee financial expert, as that term is defined in Item 401(h) of Regulation S-K promulgated pursuant to the Securities and Exchange Act of 1934, as amended, and independent for purposes of New York Stock Exchange listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended.

Compensation Committee

The Compensation Committee met two times in 2004. The Compensation Committee recommends the base salary, bonus, stock incentive awards and other compensation of the company's Chief Executive Officer to the board of directors, and assists management in making recommendations to the board of directors with respect to the salaries, bonuses and stock incentive awards of the company's other officers and key employees. The Compensation Committee also administers the company's stock option plan and equity incentive plan.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee held three meetings in 2004. The responsibilities of the committee include recommending a slate of directors for election to the board of directors at the annual stockholders' meeting, identification and recommendation of candidates to fill vacancies on the board of directors between annual stockholder meetings, proposing, monitoring and recommending changes to the company's corporate governance guidelines and overseeing the evaluation of the board of directors and its effectiveness.

The board believes that it should be comprised of directors with varied, complementary backgrounds, and that directors should, at a minimum, have expertise that may be useful to the company. Directors should also possess the highest personal and professional ethics in order to perform their duties properly, and should be willing and able to devote the required amount of time to company business.

When considering candidates for director, the committee will take into account a number of factors, including the following:

Independence from management;

Whether the candidate has relevant business experience;

Judgment, skill, integrity and reputation;

Financial and accounting background, to enable the committee to determine whether the candidate would be suitable for Audit Committee membership;

Executive compensation background, to enable the committee to determine whether the candidate would be suitable for Compensation Committee membership; and

The size and composition of the existing board.

The committee will consider candidates for director suggested by stockholders applying the criteria for candidates described above and considering the additional information referred to below. Stockholders wishing to suggest a candidate for director should write to our Secretary and include:

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form DEF 14A

A statement that the writer is a stockholder and is proposing a candidate for consideration by the committee;

The name of and contact information of the candidate;

A statement of the candidate's business and educational experience;

Information regarding each of the factors listed above sufficient to enable the committee to evaluate the candidate;

A statement detailing any relationship between the candidate and any competitor of the company;

Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

A statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

Before nominating a sitting director for re-election at an annual meeting, the committee will consider:

The director's performance on the board; and

Whether the director's re-election would be consistent with the company's governance guidelines.

When seeking candidates for director, the Nominating and Corporate Governance Committee may solicit suggestions from management, incumbent directors or others. The committee will interview a candidate if it believes the candidate might be suitable to be a director. The committee may also ask the candidate to meet with management. If the committee believes a candidate would be a valuable addition to the board, it will recommend the candidate's election to the full board.

Compensation of Directors

Members of our board of directors, who are not employees of the company, are paid an annual retainer of \$15,000. In addition to regular board fees, each member of the Audit Committee (other than the Chairman) is paid an annual retainer of \$5,000, the Chairman of the Audit Committee is paid an annual retainer of \$7,000, each member of the Compensation Committee is paid an annual retainer of \$3,000 and each member of the Nominating and Corporate Governance Committee is paid an annual retainer of \$3,000. In addition, each member of the Audit Committee is paid \$1,000 for each Audit Committee meeting such member attends, whether in person or via telephone conference. Additionally, in 2004 each non-employee director was awarded 1,000 shares of restricted common stock under the One Liberty Properties, Inc. 2003 Incentive Plan. The restricted shares granted to the directors have a five year vesting period during which period the registered owner is entitled to vote and receive cash distributions on such shares. Non-employee directors who reside outside of the local area also receive reimbursement for travel expenses incurred in attending board and committee meetings.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee through the 2004 annual meeting of the board of directors were Charles Biederman, James J. Burns and Patrick J. Callan, Jr., and subsequent to such meeting, were Charles Biederman, Patrick J. Callan, Jr. and J. Robert Lovejoy. None of the members of the Committee in 2004 has ever been an officer or employee of the company or any of its subsidiaries and no compensation committee interlocks existed during 2004.

Non-Management Directors Executive Session

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form DEF 14A

In accordance with New York Stock Exchange listing standards, the company's non-management directors meet at regularly scheduled executive sessions without management. Non-management directors are all those directors who are not officers or employees of the company. The board of directors does not designate a Lead Director or a single director to preside at executive sessions. The person who presides over executive sessions of non-management directors is a committee chairman and the presiding director rotates among the chairs of the board's committees.

Stockholder Communications with Directors

Stockholders of the company who want to communicate with the board or any individual director can write to:

One Liberty Properties, Inc.

Suite 303

60 Cutter Mill Road

Great Neck, New York 11021

Attention: Secretary

Your letter should indicate that you are a One Liberty stockholder. Depending on the subject matter, the Secretary will:

Forward the communication to the director or directors to whom it is addressed;

Attempt to handle the inquiry directly; for example where it is a request for information about the company or it is a stock-related matter; or

Not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

At each board meeting, the Secretary will present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the directors on request.

Director Attendance at Annual Meetings

We typically schedule a board meeting in conjunction with our annual meeting and expect that our directors will attend, absent a valid reason, such as a schedule conflict. Last year, nine of the ten individuals then serving as directors attended our annual meeting.

ELECTION OF DIRECTORS
(Proposal 1)

Pursuant to our By-laws, the number of directors was fixed at eleven by our board of directors. The board is divided into three classes. Each class is elected to serve a three year term and is to be as equal in size as is possible, and the classes are elected on a staggered basis. The terms of Charles Biederman, Patrick J. Callan, Jr., Jeffrey Fishman and Marshall Rose expire at the 2005 annual meeting. Each of them has been recommended to the board of directors by the Nominating and Corporate Governance Committee for election at the annual meeting and nominated by the board of directors to stand for election at the annual meeting to hold office until our 2008 annual meeting and until his successor is elected and qualified. Seven other individuals serve as directors but are not standing for election because their terms extend past the date of the annual meeting. Proxies will not be voted for a greater number of persons than the number of nominees named in the proxy statement.

It is not contemplated that any of the nominees will be unable to stand for election. Should any nominee become unavailable for election, all proxies (except proxies marked to the contrary) will be voted for the election of a substitute nominee nominated by the board of directors.

If any director is unable to serve his full term, the board, by majority vote of the directors then in office, may designate a substitute. The director chosen by the board shall hold office for a term expiring at the 2008 annual meeting of stockholders until his successor is elected and qualifies.

The affirmative vote of a plurality of the voting power of stockholders present in person or represented by proxy at the meeting is required for the election of each nominee for director.

ADOPTION OF AMENDMENT TO THE COMPANY S
RESTATED ARTICLES OF INCORPORATION
AUTHORIZING AN INCREASE IN CAPITAL STOCK BY
AUTHORIZING THE ISSUANCE OF PREFERRED STOCK

(PROPOSAL 2)

The company's board of directors proposes to amend the company's Restated Articles of Incorporation (i) to increase the number of shares of capital stock authorized to be issued and (ii) to authorize the issuance of 12,500,000 shares of preferred stock, par value \$1.00 per share. The board of directors proposes to reflect such amendments in an amendment to its Restated Articles of Incorporation. The complete text of the proposed amendment to the Restated Articles of Incorporation as it would read if the amendment is approved by the stockholders of the company is attached to this proxy statement as *Appendix A* and the discussion below is qualified in its entirety by reference to the proposed amendment to the Restated Articles of Incorporation.

Pursuant to the company's Restated Articles of Incorporation, the company's authorized capital stock consists of 25,000,000 shares of common stock, \$1.00 par value per share. The board of directors believes it is in the company's best interests for it to have the ability to issue shares of preferred stock for general corporate purposes, including raising capital and future acquisitions. However, in order to be permitted to issue shares of preferred stock, the company's Restated Articles of Incorporation need to be amended to (i) increase the number of shares of capital stock authorized to be issued from 25,000,000 to 37,500,000 shares and (ii) authorize the issuance of 12,500,000 shares of preferred stock, par value \$1.00 per share, with such designations, preferences, rights and limitations as are approved, from time to time, by the board of directors (commonly referred to as "blank check" preferred stock).

Authorizing the issuance of preferred stock would give the board of directors the express authority, without further action of our stockholders, to issue preferred stock from time to time as the board deems necessary. Because the board will determine the rights, powers, designations, preferences and qualifications of any preferred stock we may issue without additional stockholder approval the board can negotiate terms with investors on an expedited basis. We believe that this will also help to reduce costs because we will not have to seek stockholder approval to issue the preferred stock unless we are otherwise required to obtain stockholder approval for the transaction under applicable law or the rules of any stock exchange or similar system on which our securities may then be listed.

Pursuant to the terms of this amendment, the board will have the authority, among other things, to determine the following with respect to one or more series of the preferred stock:

the designation of the series, which may be by distinguishing number, letter or title;

the number of shares of the series, which number the board may thereafter (except where otherwise provided in the preferred stock designation) increase or decrease, but not below the number of shares thereof then outstanding;

the amounts payable on, and the preferences, if any, of shares of the series in respect of dividends, and whether such dividends, if any, shall be cumulative or noncumulative;

dates at which dividends, if any, shall be payable;

the redemption rights and price or prices, if any, for shares of the series;

the terms and amount of any sinking fund provided for the purchase or redemption of shares of the series;

the amounts payable on, and the preferences, if any, of shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the company;

whether the shares of the series shall be convertible into or exchangeable for shares of any other class or series, or any other security, of the company or any other corporation, and, if so, the specification of such other class or series or such other security, the conversion or exchange price or prices or rate or rates, any adjustments thereof, the date or dates at which the shares shall be convertible or exchangeable and all other terms and conditions upon which such conversion or exchange may be made;

restrictions on the issuance of shares of the same series or of any other class or series; and

the voting rights, if any, of the holders of shares of the series.

Although it is not possible to state the effects of the proposed amendment upon the rights of the stockholders until the board determines the respective rights of the holders of one or more series of the preferred stock, the issuance of the shares of preferred stock could have a number of adverse consequences on our common stockholders depending upon the exact nature and circumstances of any actual designation and issuance of preferred stock.

When designating and issuing the preferred stock, the board of directors may issue shares with voting, dividend, redemption, conversion or other rights that could adversely affect the voting power and other rights of our common stockholders. The effects of such issuances could include, among others things, (i) a reduction of the amount of cash otherwise available for payment of dividends on the shares of common stock, (ii) restrictions on dividends on shares of common stock, (iii) dilution of the voting power of our common stockholders, and (iv) restrictions on our common stockholders to share in the company's assets upon liquidation. Additionally, if we issue preferred stock, the market price of shares of our common stock may decline.

Moreover, the issuance of preferred stock could have an anti-takeover effect, in that the additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the company more difficult. For example, additional shares could be issued by us so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the company. In some instances, each share of the preferred stock may be convertible into multiple shares of our common stock. Likewise, shares of our preferred stock could have voting rights equal to their converted status as common stock, with the effect being that the stockholders of the preferred stock would have the ability to control the vote of our stockholders, even though they may own less than a majority of our issued and outstanding common stock.

Although we presently contemplate no particular transaction involving the issuance of preferred stock, we believe the preferred stock could be a likely component in raising capital in the future. We may file with the Securities and Exchange Commission a registration statement that will permit us to sell, from time to time, shares of preferred stock, in one or more offerings, with specific terms and conditions that will be determined at a later date.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock on the record date will be required to approve this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ADOPTION OF THE AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION. THE PERSONS NAMED IN THE PROXY CARD INTEND TO VOTE SUCH PROXY FOR THE AMENDMENT OF OUR RESTATED ARTICLES OF INCORPORATION UNLESS YOU INDICATE THAT YOUR SHARES SHOULD BE VOTED OTHERWISE.

ADOPTION OF AMENDMENT TO THE COMPANY S

RESTATED ARTICLES OF INCORPORATION

AUTHORIZING RESTRICTION ON SHARES BENEFICIALLY OWNED

(PROPOSAL 3)

The company's board of directors proposes to amend the company's Restated Articles of Incorporation to prohibit (i) any existing stockholder who beneficially owns a total amount or value in excess of 9.9% of our stock from beneficially owning in excess of a total amount or value of our stock that may cause the company to violate certain provisions of the Internal Revenue Code of 1986, as amended (the Code), relating to real estate investment trusts and (ii) any other person from beneficially owning a total amount or value of 9.9% or more of any class or series of common stock and preferred stock of the company. The board of directors proposes to reflect such prohibition in an amendment to its Restated Articles of Incorporation. The complete text of the proposed amendment to the Restated Articles of Incorporation as it would read if the amendment is approved by the stockholders of the company is attached to this proxy statement as *Appendix B* and the discussion below is qualified in its entirety by reference to the proposed amendment to the Restated Articles of Incorporation.

In order for our company to continue to qualify as a real estate investment trust (a REIT) under the Code, its stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of the outstanding shares of stock may be owned, directly or indirectly, by five or fewer individuals during the last half of a taxable year.

The board of directors believes that to ensure the company's continuing compliance with the requirements described above and in the Code and therefore to maintain its status as a REIT, our Restated Articles of Incorporation should be amended to prohibit (i) any existing stockholder who beneficially owns a total amount or value in excess of 9.9% of our stock from beneficially owning in excess of a total amount or value of our stock that may cause the company to violate such provisions of the Code relating to REITs and (ii) any other person from beneficially owning a total amount or value of 9.9% or more of any class or series of common stock and preferred stock of the company.

Pursuant to the attribution rules under the Code, Fredric H. Gould is our only stockholder that beneficially owns in excess of 9.9% of our capital stock. Therefore, except as limited by the Code and the rules and regulations promulgated thereunder, or as our board of directors may otherwise require, if the proposed amendment is adopted, Mr. Gould will be the only person permitted to own and acquire shares of our capital stock in excess of 9.9% of a total amount or value.

The stock ownership rules under the Code are complex and may cause the outstanding shares of stock owned by a group of related individuals or entities to be deemed to be beneficially owned by one individual or entity. Specific attribution rules apply in determining whether an individual or entity owns any class or series of common stock or preferred stock of the company. Under these rules, any shares owned by a corporation, partnership, estate or trust are deemed to be owned proportionately by such entities' stockholders, partners, or beneficiaries. Furthermore, an individual stockholder is deemed to own any shares that are owned, directly or indirectly, by that stockholder's brothers and sisters, spouse, parents or other ancestors, and children or other descendants. In addition, a stockholder is deemed to own any shares that he can acquire by exercising options.

As a result of these attribution rules, even though a stockholder may own less than 9.9% of a class of outstanding shares, that individual or entity may be deemed to beneficially own 9.9% or more of the class of outstanding stock, which would subject the individual or entity to the proposed ownership limitation. The proposed amendment provides that any attempt to acquire or transfer shares of common stock or preferred stock and

any resulting transfer thereof which would result in a stockholder owning an amount that equals or exceeds the ownership limit without the consent of the board of directors shall be null and void.

In the event that the board of directors or its designees determines in good faith that a prohibited transfer has taken place or is intended, the board or its designee is authorized to take any action it deems advisable to void or to prevent the transfer. These actions include, among other things, refusing to give effect to the transfer on the books of the company, instituting legal proceedings to enjoin the transfer, redeeming the shares purported to be transferred for an amount which may be less than the price the stockholder paid for such shares, and transferring the shares by operation of law to a charitable trust. In the event the shares are transferred to a charitable trust, any dividends on such shares shall inure to such charitable trust and the trustee of such charitable trust shall be entitled to all voting rights with respect to such shares.

The ownership restrictions that would result from the adoption of the proposed amendment might inhibit market activity and opportunities for our stockholders to receive a premium for their shares if any person were to attempt to assemble a block of shares of our stock, which although in violation of these proposed ownership restrictions, might be in the best interests of our stockholders.

Moreover, the proposed amendment may have an anti-takeover effect. The ownership limitations establish a maximum percentage of shares of a class of stock that may be beneficially owned by an individual or entity. By limiting the percentage of shares that may be beneficially owned by an individual or entity, the company may effectively delay, defer or prevent a change in control since these restrictions limit the ability of (i) any existing stockholder who beneficially owns a total amount or value in excess of 9.9% of our stock from beneficially owning in excess of a total amount or value of our stock that may cause the company to violate certain provisions of the Code relating to REITs and (ii) any other person from beneficially owning a total amount or value of 9.9% or more of any class or series of common stock and preferred stock of the company. Moreover, due to the attribution rules described above, these restrictions may also restrict an individual or entity from accumulating less than 9.9% in total amount or value of any class or series of common stock and preferred stock of the company. These provisions may also deter tender offers for our shares that may be in the best interests of our stockholders, or limit our stockholders' opportunity to receive a premium for their shares that might otherwise exist if a third party were attempting to effect a change in control transaction.

If this amendment is approved and effected, we will conspicuously note the restrictions on our new form of stock certificate that will evidence the shares, and a legend will be provided. We will also instruct our transfer agent not to recognize attempts to transfer our capital stock in excess of the threshold established in the transfer restrictions. The transfer agent also will have the right, before recognizing a proposed transfer, to request an affidavit from a proposed transferee regarding the transferee's ownership, giving effect to, among other things, the attribution rules referred to above.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock on the record date will be required to approve this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ADOPTION OF THE AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION. THE PERSONS NAMED IN THE PROXY CARD INTEND TO VOTE SUCH PROXY FOR THE AMENDMENT OF OUR RESTATED ARTICLES OF INCORPORATION UNLESS YOU INDICATE THAT YOUR SHARES SHOULD BE VOTED OTHERWISE.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**(PROPOSAL 4)****General**

The Audit Committee and the board of directors is seeking the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005. A representative of Ernst & Young LLP is expected to be present at the annual meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

We are not required to have our stockholders ratify the selection of Ernst & Young LLP, as our independent registered public accounting firm. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but may retain such independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the company and its stockholders.

The affirmative vote of the holders of a majority of outstanding shares of common stock present at the meeting, in person or by proxy, is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2005. THE PERSONS NAMED IN THE PROXY CARD INTEND TO VOTE SUCH PROXY FOR THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM UNLESS YOU INDICATE THAT YOUR SHARES SHOULD BE VOTED OTHERWISE.

Pre-Approval Policy for Audit and Non-Audit Services

The Audit Committee must pre-approve all audit and non-audit services involving the company's independent registered public accounting firm.

In addition to the audit work necessary for the company to file required reports under the Securities Exchange Act of 1934, as amended (i.e., quarterly reports on Form 10-Q and annual reports on Form 10-K), our independent registered public accounting firm may perform non-audit services, other than those prohibited by the Sarbanes-Oxley Act of 2002, provided they are pre-approved by the Audit Committee. The Audit Committee approved all non-audit services performed by our independent registered public accounting firm in 2004.

Approval Process

Annually, the Audit Committee reviews and approves the audit scope concerning the audit of the company's consolidated financial statements for that year, including the proposed audit fee associated with the audit and services in connection with our compliance with Section 404 of the Sarbanes-Oxley Act of 2002. The Committee may, at that time or subsequently thereafter, approve the provision of tax related non-audit services and the maximum expenditure which may be incurred for such tax services for such year. Any fees for the audit in excess of those approved and any fees for tax related services in excess of the maximum established by the Audit Committee must receive the prior approval of the Audit Committee.

Proposals for any other non-audit services to be performed by the independent registered public accounting firm must be approved by the Audit Committee in advance at a regularly scheduled meeting, at a meeting held by telephone conference or by unanimous consent.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the board of directors is comprised of three independent directors and operates under a written charter adopted by the board of directors. The Audit Committee reviews the charter on an annual basis. The board of directors has reviewed Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended, and the New York Stock Exchange listing standards definition of independence for Audit Committee members and has determined that each member of the Audit Committee is independent.

The Audit Committee is appointed by the board of directors to oversee and monitor, among other things, the financial reporting process, the independence and performance of the independent registered public accounting firm and the functioning of the company's internal controls. It is the responsibility of executive management to prepare financial statements in accordance with generally accepted accounting principles and of the independent registered public accounting firm to perform an independent audit of the financial statements and to express an opinion on the conformity of those financial statements with generally accepted accounting principles.

In this context, the Audit Committee met on four occasions in 2004. The Audit Committee met and held discussions with management, the independent registered public accounting firm and the accounting firm performing the internal control audit function on behalf of the company. The Audit Committee discussed with the independent registered public accounting firm and the accounting firm performing the internal control audit function on behalf of the company the overall scope and plans for their respective audits.

Management represented to the Audit Committee that the year end consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee also reviewed and discussed the company's internal control procedures and their evaluation of the company's internal controls with management, the independent registered public accounting firm and the accounting firm performing the internal control audit function. The Audit Committee also reviewed with the company's management the process used for the certifications under the Sarbanes-Oxley Act of 2002 of the company's filings with the Securities and Exchange Commission. In 2004, the Audit Committee met to review the unaudited quarterly financial statements prior to filing each Form 10-Q with the Securities and Exchange Commission. In 2004, the Audit Committee also reviewed each quarterly earnings press release prior to public release. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committee).

The Audit Committee discussed with the independent registered public accounting firm, the registered public accounting firm's independence from the company and its management, and has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). Further, the Audit Committee reviewed and approved the independent registered public accounting firm's fees, both for performing audit and non-audit services, and considered whether the provision of non-audit services by the independent registered public accounting firm was compatible with maintaining the independent registered public accounting firm's independence and concluded that it was compatible.

The Audit Committee meets with the independent registered public accounting firm and the accounting firm performing the internal control audit function, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, and the overall quality of the company's financial reporting. In 2004, the Audit Committee reviewed and discussed the company's progress in complying with Section 404 of the Sarbanes-Oxley Act of 2002 regarding the audit of internal control over financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended that the audited financial statements for the year ended December 31, 2004 be included in Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

The Audit Committee approved the retention of Ernst & Young LLP as independent registered public accounting firm for the fiscal year ended December 31, 2005 after reviewing the firm's performance, estimated fees for 2005 and independence from the company and its management.

One Liberty Pension Plan

We have adopted a non-contributory defined contribution pension plan covering employees. The pension plan is administered by Fredric H. Gould, Simeon Brinberg and David W. Kalish (Messrs. Brinberg and Kalish are non-director officers). Annual contributions are based on 15% of an employee's annual earnings, not to exceed \$30,750 per employee. Partial vesting commences one year after employment, increasing annually until full vesting is achieved at the completion of six years of employment. The method of payment of benefits to participants upon retirement is determined solely by the participant, who may elect a lump sum payment or the purchase of an annuity, the amount of which is determined by the amount of contributions and the results of the Plan's investments. For the year ended December 31, 2004, \$30,750 was contributed for the benefit of Mr. Fishman with five years of credited service. The aggregate amount accumulated to date for Mr. Fishman is approximately \$165,000. For the year ended December 31, 2004, \$20,048 was contributed for the benefit of Mr. Ricketts, Jr. with six years of credited service. REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is composed of three independent directors. The Compensation Committee is responsible for determining the compensation of the company's chief executive officer and for advising management and the board of directors on matters pertaining to compensation arrangements for other executive employees. The Compensation Committee is also responsible for administering the company's stock option plan and the One Liberty Properties, Inc. 2003 Incentive Plan. The compensation determinations made by the Compensation Committee are approved by the board of directors prior to their implementation.

In 2004, the only officers who were compensated directly by us were Fredric H. Gould, chairman of the board, Jeffrey Fishman, president and chief executive officer, and Lawrence G. Ricketts, Jr., vice president, acquisitions. The other officers, including Simon Brinberg, a senior vice president, and David W. Kalish, a senior vice president and chief financial officer, received compensation from Gould Investors L.P. (or other affiliated entities) and, pursuant to a shared services agreement between the company, Gould Investors L.P. and other affiliated entities, payroll expenses were allocated to the company based on the estimated time devoted by the executive to the company's affairs in comparison to the estimated time devoted by the executive to the affairs of the other entities which participate in the sharing arrangement. The allocation for payroll expenses of all executive officers of the company (six in number) pursuant to the shared services agreement was \$425,000 in the aggregate in 2004 and except for Simeon Brinberg and David W. Kalish, did not exceed \$100,000 as to any executive officer. A portion of the allocated expenses in 2004 was attributable to time expended by executive officers in connection with legal and accounting activities, including property acquisitions, mortgage financings, banking matters, joint venture activities and corporate governance matters, including compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

Compensation Overview

The Compensation Committee has determined that the annual compensation of executive officers compensated by the company will be composed of three elements: (i) an annual base salary; (ii) an annual bonus; and (iii) a long term component realized through the grant of stock options and/or the award of restricted shares under the 2003 Incentive Plan.

Base Salary and Bonus

Base salaries are targeted to be competitive with salaries paid to senior executives at other REITs of similar market capitalization and involved in similar business activities. In determining base salaries, the Compensation Committee takes into account an individual's achievements and performance, the operating performance of the company in the most recently concluded fiscal year and the performance of the company's stock. The determination by the Compensation Committee of base compensation is subjective and is not based on any structured formula. In determining compensation for the 2004 and 2005 fiscal years, the Compensation Committee took into account the expertise which the executive officers demonstrated in operating the company's business. Among other things, the Compensation Committee gave consideration to the company's property acquisition activities resulting in a considerable increase in rental income, the company's operating results, management of the real estate portfolio, and activities of the company in joint venture investments.

The company does not have a bonus plan in existence. Bonuses are granted on a case by case basis, with the amount thereof being subjective. In determining bonus amounts, if any, the Compensation Committee takes into consideration, among other things, the base compensation of each officer, total compensation paid to senior executives at other REITs with similar market capitalization and involved in similar business activities, the performance of each officer during the most recently concluded fiscal year, the company's results of operations for such year, the performance of the company's stock and the recommendations of management.

Long Term Compensation Stock Options and Restricted Stock Awards

In 2003, the board of directors authorized, and the company's stockholders approved, the adoption of the One Liberty Properties, Inc. 2003 Incentive Plan, which authorizes the grant of incentive and non-statutory stock

options and the award of restricted shares. The granting of options and the awarding of restricted shares under the 2003 Incentive Plan is authorized by the Compensation Committee, approved by the board of directors and is not based on any formula. No stock options were granted in 2004 under the 2003 Incentive Plan. In 2004, the Compensation Committee approved the awarding of 35,700 restricted shares to a total of 24 persons, including employees, officers, directors and consultants. The awards granted in 2004 provide for a five year vesting period and, therefore, the shares awarded can not be transferred until the five year vesting period has been satisfied. Accordingly, an award of restricted shares under the 2003 Incentive Plan cannot be realized unless the awardee remains with the company for a period of five years during which five year period the awardee realizes the benefits of any cash distributions paid on the shares awarded to such person. The Compensation Committee believes that awarding restricted shares under the 2003 Incentive Plan provides the recipients with an incentive to devote their best efforts in pursuing the success of the company by providing awardees with an opportunity to share in the growth and prosperity of the company through the ownership of shares of the company.

CEO Compensation

The Compensation Committee authorized an increase in Mr. Fishman's base annual salary from \$300,000 to \$350,000 effective January 1, 2005. In setting Mr. Fishman's base salary, the Compensation Committee sought to provide a base salary comparable with REITs of similar market capitalization and engaged in similar business activities as the company. Accordingly, the Compensation Committee reviewed the data for chief executive officers contained in the NAREIT 2004 Compensation Survey sponsored by the National Association of Real Estate Investment Trusts and conducted by FPL Associates, which reported on the compensation paid to chief executive officers of REITs in the geographic area in which the company is located and by REITs having a similar market capitalization as the company. The Compensation Committee also took into account the responsibilities of Mr. Fishman and the activities, performance and growth of the company in 2004. Among other things, the Compensation Committee considered the 34% growth in the company's revenues and the 46.6% increase in net income applicable to common stockholders of the company in 2004 as compared to 2003, and the significant increase in acquisition and financing activities of the company in 2004, evidenced by eight company and joint venture property acquisitions in 2004, with an aggregate value of \$70,480,000, and the \$14,000,000 in mortgage financings concluded in 2004. The Compensation Committee was advised of and considered compensation of \$459,000 paid to Mr. Fishman by certain service entities wholly owned by Fredric H. Gould, the company's chairman, for the 2004 fiscal year. Based on these factors, the Compensation Committee approved the increase in Mr. Fishman's base salary and the payment of a \$175,000 bonus which will be paid over four quarters in 2005.

Respectfully submitted,

Compensation Committee
