PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

To Be Held April 5, 2006

General

The accompanying proxy is solicited on behalf of the Board of Directors of Multimedia Games, Inc., a Texas corporation, for use at our annual meeting of shareholders. The annual meeting will be held on Wednesday, April 5, 2006, at 9:30 a.m. local time, at the offices of our outside legal counsel, DLA Piper Rudnick Gray Cary US LLP, located at 1221 South Mopac Expressway, Suite 400, Austin, Texas, 78746.

This Proxy Statement and the enclosed proxy are being mailed on or about March 17, 2006 to all shareholders entitled to vote at the annual meeting.

Voting by proxy

You may vote at the annual meeting by completing, signing and returning the enclosed proxy card, or by properly following the instructions for telephone or Internet voting set forth on the proxy card. If not revoked, your proxy will be voted at the annual meeting in accordance with your instructions marked on the proxy card or properly provided by telephone or Internet. If you fail to mark your proxy with instructions, your proxy will be voted as follows:

FOR the election of the five nominees for Director listed in this Proxy Statement; and

FOR the ratification of the appointment of BDO Seidman, LLP, as our independent auditors.

As to any other matter that may be properly brought before the annual meeting, your proxy will be voted as the Board of Directors may recommend. If the Board of Directors makes no recommendation, your proxy will be voted as the proxy holders named in your proxy card deem advisable. As of the date of this Proxy Statement, the Board of Directors does not know of any other matter that is expected to be presented for consideration at the annual meeting.

Broker non-votes

A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on nonroutine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes, and ratification of auditors. Nonroutine matters include approvals of and amendments to stock plans.

You may revoke your proxy and give a new proxy or vote in person

You may revoke your proxy at any time prior to the voting of that proxy. To revoke a prior proxy, you must do one of the following:

Edgar Filing: MULTIMEDIA GAMES INC - Form DEF 14A

Execute and return a subsequently dated revised proxy,

Deliver an executed written notice of revocation to the Company addressed to Craig S. Nouis, Inspector of Elections, at our principal executive offices, 206 Wild Basin, Building B, Fourth Floor, Austin, Texas 78746, or

Attend the annual meeting and vote in person at the meeting.

Voting and quorum requirements at the meeting

The specific proposals to be considered and acted upon at the annual meeting are summarized in the accompanying notice and are described in more detail in this Proxy Statement. Only holders of record of shares of our common stock at the close of business on February 9, 2006 (the record date) are entitled to notice of and to vote at the annual meeting. On the record date, there were 26,971,012 shares of common stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of the record date will have one vote for each share of common stock held by such stockholder.

In order to have a meeting, it is necessary that a quorum be present. A quorum will be present if a majority of the shares of common stock are represented at the annual meeting in person or by proxy. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will not be counted as having voted either for or against a proposal. If a quorum is present, the affirmative vote of the holders of a majority of the shares present or represented at the meeting and that actually vote for or against the matter is required to approve proposal two. Directors are elected by a plurality vote, meaning that the five nominees receiving the highest number of votes FOR will be elected as Directors.

All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., a Proxy submitted by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter). Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for the transaction of business, but will not be counted for purposes of determining whether each proposal has been approved. If your shares are held in the name of a broker, trust bank or other nominee, you will need to bring a proxy or letter from that broker, trust company or nominee that confirms that you are the beneficial owner of those shares, and that such broker, trust company or nominee has not voted those shares in any proxy submitted by it in connection with the annual meeting.

Solicitation of proxies

We are paying for all our costs incurred with soliciting proxies for the annual meeting. In addition to solicitation by mail, we may use our directors, officers and regular employees to solicit proxies by telephone or otherwise. Our directors, officers and regular employees will not be specifically compensated for these services. We will pay persons holding shares of common stock for the benefit of others, such as nominees, brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to such beneficial owners. In addition, we may retain the services of a proxy solicitation firm for assistance in connection with the annual meeting. We estimate that the cost of retaining a proxy solicitation firm in such capacity will not exceed \$30,000.

PROPOSAL ONE
ELECTION OF DIRECTORS**Nominees and Vote Required to Elect Nominees**

A board of five directors is to be elected at the annual meeting. The five nominees for Director who receive the highest number of affirmative votes of the shares voting shall be elected as directors. You may vote the number of shares of common stock you own for up to five persons. Unless you otherwise instruct by marking your proxy card, the proxy holders will vote the proxies received by them FOR the election of each of the five nominees named below. If any of the nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee designated by our present Board of Directors to fill the vacancy. We have no reason to believe that any of the nominees will be unable or unwilling to serve if elected. The term of office of each person elected as a Director will continue until the next annual meeting of shareholders or until his successor has been elected and qualified.

Our bylaws set the size of our Board of Directors at seven members, or such other number as set from time to time by resolution of our Board of Directors. The Board of Directors is currently set at five directors. Following the annual meeting, the Board of Directors may increase the size of the Board and fill any resulting vacancy or vacancies. If our Board of Directors increases the size of the Board and elects a new director to fill the resulting vacancy, the new director must stand for election at the next year's annual meeting.

The following table sets forth the nominees, their ages, their principal positions and the year in which each became a director. Each of the nominees was recommended for selection by our Nominating and Corporate Governance Committee and approved by the unanimous vote of our independent directors.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote FOR the nominees named above.

CORPORATE GOVERNANCE

Determination of Independence

Our Board of Directors has determined that Messrs. Maples, Repass, Sarnoff and Winkelman each qualify as independent directors under Nasdaq Marketplace Rules as currently in effect. Therefore, a majority of the members of our Board of Directors are independent as such term is defined by the Nasdaq. In addition, our Board of Directors has reviewed and considered facts and circumstances relevant to the independence of such members, and has determined that such members are independent.

The independent directors have committed to hold formal meetings, separate from management, which they intend to hold at least four times a year.

Meetings of our Board of Directors

During the fiscal year ended September 30, 2005, our Board of Directors held 15 meetings. During that period, no director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he was a director and (ii) the total number of meetings held by all committees of our Board of Directors during the period that he served on such committees.

Committees of our Board of Directors

Our Board of Directors has three standing committees, which are the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. Currently, all of the members of each of our committees are independent, as determined by our Board of Directors and in accordance with Nasdaq Marketplace Rules. In addition, each member of the Audit Committee also satisfies the independence requirements of Rule 10A-3(b)(1) of the SEC rules promulgated under the Securities Exchange Act of 1934, as amended (the 1934 Act).

Audit Committee. Our Board of Directors has appointed Messrs. Maples, Repass, and Winkelman as members of the Audit Committee. Mr. Repass serves as the Chairman of the Audit Committee. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A to the proxy statement for our 2004 annual meeting of shareholders. A copy of the charter will also be made available free of charge upon written request made to our Director of Corporate Publications, at 206 Wild Basin Road, Building B, Fourth Floor, Austin, Texas 78746. The primary purpose of the Audit Committee is to assist our Board of Directors in monitoring:

The integrity of our financial statements;

The independent auditor's qualifications and independence; and

The performance of our independent auditors.

The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditor, BDO Seidman, LLP, and the preparation of the Audit Committee report, which is included elsewhere in this Proxy Statement. Our independent auditors report directly to the Audit Committee.

The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the auditors prior to the filing of all periodic reports under the 1934 Act, and prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies, if any, in the design or operation of our internal controls.

All Audit Committee members are independent as defined and required under the Nasdaq listing standards and the rules and regulations of the SEC. All Audit Committee members also possess the level of financial literacy required by all applicable laws and regulations. The Board has determined that at least one member of the Audit Committee, Mr. Robert D. Repass, is a financial expert, and that Mr. Repass is independent as defined by the rules and regulations of the SEC. Our Audit Committee Charter has been amended to specifically state all of the Audit Committee responsibilities set forth in Rule 10A-3(b)(2), (3), (4) and (5) of the rules and regulations of the SEC under the 1934 Act. The Audit Committee met 23 times during fiscal 2005.

Compensation Committee. The Compensation Committee currently comprises Messrs. Sarnoff and Winkelman. Mr. Sarnoff serves as the Chairman of the Compensation Committee. The Compensation Committee is charged with the responsibility of determining (or recommending to the independent members of our Board of Directors to determine) the compensation of all executive officers, including our Chief Executive Officer, and directors.

In June 2004, our Board of Directors approved a Charter of the Compensation Committee, a copy of which is attached as Appendix A to the proxy statement for our 2005 annual meeting of shareholders. A copy of the charter will also be made available free of charge upon written request made to our Director of Corporate Publications, at 206 Wild Basin Road, Building B, Fourth Floor, Austin, Texas 78746. The Compensation Committee met four times during fiscal 2005.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the Governance Committee) comprises Messrs. Maples, Repass, Sarnoff and Winkelman. Mr. Winkelman serves as Chairman of the Governance Committee. The primary purpose of the Governance Committee is to identify and recommend to our Board of Directors individuals who are qualified to become members of our Board of Directors and the committees of our Board of Directors. The Governance Committee is also responsible for recommending to the Board of Directors corporate governance principles, providing oversight of the annual performance review process of our Board of Directors and the committees of our Board of Directors and for facilitating interaction between our management and our Board of Directors and committees of our Board of Directors.

All members of the Governance Committee meet the test for independence set forth in the Nasdaq Marketplace Rules. In June 2004, our Board of Directors approved a Charter of the Governance Committee, a copy of which is attached as Appendix B to the proxy statement for our 2005 annual meeting of shareholders. A copy of the charter will also be made available free of charge upon written request made to our Director of Corporate Publications, at 206 Wild Basin Road, Building B, Fourth Floor, Austin, Texas 78746. The Governance Committee met three times during fiscal 2005.

Director Nominations

Pursuant to the Governance Committee Charter, the Governance Committee will consider nominees recommended by shareholders, but has not established procedures for shareholders to submit such recommendations.

Our directors play a critical role in guiding our strategic direction and overseeing the management of our business. The Governance Committee's goal is to assemble a Board of Directors that brings to us a variety of perspectives and skills derived from high quality business and professional experience. Board candidates are considered based upon various criteria, such as their business and professional skills and experiences, personal and professional ethics, integrity and values, long-term commitment to representing the best interests of our shareholders and inquisitive and objective perspective and mature judgment. Additionally, director candidates must have sufficient time available to perform all board and committee responsibilities. When reviewing potential director candidates, the Governance Committee considers the following factors:

The appropriate size of our Board of Directors and its committees;

The perceived needs of our Board of Directors for particular skills, background and business experience;

The skills, background, reputation, and business experience of nominees in relation to the skills, background, reputation, and business experience already possessed by other members of our Board of Directors;

Nominees' independence from management;

Nominees' experience with accounting rules and practices;

Nominees' background with regard to executive compensation;

Applicable regulatory and listing requirements, including independence requirements and legal considerations, such as antitrust compliance;

The benefits of a constructive working relationship among directors; and

The desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Governance Committee may also consider from time to time, such other factors as it may deem to be in the best interests of our business and shareholders. Other than considering the factors listed above, we have no stated minimum criteria for director nominees. The Governance Committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an Audit Committee financial expert as defined by SEC rules, and that a majority of the members of the Board meet the definition of independent director under Nasdaq Marketplace Rules.

Edgar Filing: MULTIMEDIA GAMES INC - Form DEF 14A

The Governance Committee will review the qualifications and backgrounds of the current directors, as well as the overall composition of the Board, and recommend to the full Board the slate of directors to be nominated for election at the annual meeting of shareholders. In the case of incumbent directors whose terms of office are set to expire, the Governance Committee reviews such directors to determine whether to recommend these directors for re-election. In the case of new director candidates, the questions of independence and financial expertise are important to determine what roles can be performed by the candidate, and the Governance Committee determines whether the candidate meets the independence standards set forth in the Sarbanes-Oxley Act of 2002, and SEC and Nasdaq rules, and the level of the candidate's financial expertise. Candidates for nomination as director come to the attention of the Governance Committee from time to time through incumbent directors, management, shareholders or third parties. These candidates may be considered at meetings of the Governance Committee at any point during the year. The evaluation process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Governance Committee.

Director Attendance at Annual Meetings

Our policy is that all directors attend our annual meetings of shareholders. We take great care in scheduling meetings at times when all of our directors are available to attend such meetings. At our last annual meeting, which was held on March 2, 2005, all of our then-current directors were in attendance.

All Other Fees		

Audit Fees. Audit Fees represent fees for professional services provided in connection with the audit of our annual financial statements and of management's assessment and the operating effectiveness of internal control over financial reporting included in our Form 10-K, the quarterly reviews of financial statements included in our Form 10-Q filings and other statutory or regulatory filings.

Audit-Related Fees. Audit-Related Fees are fees for assurance and related services that are reasonably related to the attendance at our Audit Committee meetings and our Annual Shareholders Meeting. This category includes fees related to assistance in employee benefit and compensation plan audits, and consulting on financial accounting/reporting standards.

Tax Fees. Tax Fees primarily include professional services performed with respect to review of our original and amended tax returns and those of our consolidated subsidiaries, and for state, local and international tax consultation.

All Other Fees. All Other Fees are fees for other permissible work performed that does not meet the above category descriptions.

The Audit Committee has adopted procedures for pre-approving all audit and non-audit services provided by BDO Seidman, LLP. These procedures include reviewing a budget for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of non-audit services that are recurring in nature, and therefore anticipated at the time the budget is submitted. Audit Committee approval is required to exceed the budget amount for a particular category of non-audit services, and to engage the independent auditor for any non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence.

The Audit Committee of our Board of Directors has considered whether the provision by BDO Seidman, LLP of non-audit services included in the fees set forth in the table above is compatible with maintaining the independence of BDO Seidman, LLP, and has concluded that that such services are compatible with BDO Seidman, LLP's independence as our auditors.

Recommendation of the Board of Directors

Upon the recommendation of our Audit Committee, our Board of Directors recommends that the shareholders vote FOR the ratification of BDO Seidman, LLP, as our independent public accountants for the fiscal year ended September 30, 2006.

OTHER MATTERS

We know of no other matters to be submitted to the shareholders at the annual meeting. If any other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote the shares they represent as our Board of Directors may recommend, or, in the absence of a recommendation, as such persons deem advisable.

Employment and Change of Control Agreements

In general, we do not have employment agreements with our executive officers.

Employment Agreement with Clifton E. Lind. On September 9, 2004, we entered into an Executive Employment Agreement with Clifton E. Lind to provide for Mr. Lind to continue as the Company's President and Chief Executive Officer, and setting forth certain terms of Mr. Lind's employment. The agreement provides that Mr. Lind will receive an annual base salary of \$450,000 and will be eligible to receive incentive compensation on an annual basis as determined by the Compensation Committee of our Board of Directors, based upon a performance review of Mr. Lind performed by the Compensation Committee. The agreement also specifies that Mr. Lind will be eligible to receive all customary and usual fringe and other benefits generally available to our executive officers, in accordance with the terms and conditions of any applicable benefit plans, including group health, life and disability insurance and participation in Multimedia's 401(k) plan.

In the event that Mr. Lind's employment is terminated without cause or Mr. Lind terminates his employment for good reason (as defined in the agreement), subject to Mr. Lind's observance of the surviving terms of the agreement and Mr. Lind's execution of a full general release, Mr. Lind will receive (i) his base salary for 18 months, in equal monthly installments, following the date of termination, (ii) one year of his projected incentive compensation, and (iii) full acceleration of the vesting of any unexercised or unvested stock options that he holds. In the event that Mr. Lind voluntarily resigns as President and Chief Executive Officer, for any reason, Mr. Lind will receive his base salary for 18 months, in equal monthly installments, following the date of termination and one year of his projected incentive compensation. Upon the termination of Mr. Lind's employment for any reason, Mr. Lind will be prohibited from (i) working for, providing assistance to, or investing in (subject to certain exceptions) any business that is competitive with that of the Company for a period of 18 months, (ii) soliciting any of our customers, prospective customers or disparaging the Company for a period of 12 months, (iii) soliciting any of our employees for a period of 18 months, and (iv) disclosing any of our confidential information.

Stock Option Agreements. Almost all of the stock option agreements with each of our named executive officers and other executive officers and key employees provide for full vesting of all unvested shares in the event of a change of control of the Company. Change of control, as defined in the agreements, means any merger or consolidation, sale of assets, dissolution or the acquisition by any person of at least 51% of our voting stock.

Stock Option Agreements with Clifton E. Lind. In addition to the change of control vesting described above, our stock option agreements with Clifton E. Lind provide for full vesting of all unvested shares subject to his option upon the termination by Mr. Lind of his employment for good reason. Good reason, as defined in the agreement, relates to a diminution of Mr. Lind's salary, position or responsibilities within our company. Our agreements with Mr. Lind also provide for acceleration of vesting as to all unvested shares that would otherwise vest through the second anniversary of our termination of Mr. Lind without cause, or Mr. Lind's termination of his employment without good reason.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Indemnification, Insurance and Limitation of Liability. Our bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Texas law. We have entered into indemnification agreements with all of our directors, and have purchased directors' and officers' liability insurance. In addition, our articles of incorporation limit the personal liability of the members of our Board of Directors for breaches by the directors of their fiduciary duties.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview and Philosophy. The Compensation Committee of our Board of Directors regularly reviews compensation packages for all executive officers. These include the following major compensation elements: base salaries, annual cash incentives, stock options and various benefit plans. Our Compensation Committee currently comprises Messrs. Maples, Repass, Sarnoff and Winkelman, who are all independent directors, as required by Nasdaq Marketplace Rules.

It is the Compensation Committee's objective that executive compensation be directly related to the achievement of our planned goals, and to enhancement of corporate and shareholder values. The Compensation Committee recognizes that the industry sector in which we operate is both highly competitive and is challenged by significant legal and regulatory uncertainty. In addition, the technology-related skills of most of our technology team have applications to many other industry sectors besides our own. As a result, there is substantial demand for qualified, experienced executive personnel of the type we need to achieve our objectives. The Compensation Committee considers it crucial that we be assured of retaining and rewarding our top caliber executives, who are essential to the attainment of our ambitious long-term goals.

For these reasons, the Compensation Committee believes our executive compensation arrangements must remain competitive with those offered by other companies of similar size, scope, performance levels and complexity of operations.

Stock Options. The Compensation Committee believes that:

The grant of stock options to executive employees has been an essential ingredient to enabling us to achieve our growth and attain our business objectives;

We regularly face significant legal, regulatory and competitive challenges to our business that require extraordinary commitments of time and expertise by our employees; and

Our employees have met these challenges and made these extraordinary commitments, primarily because of the reward and incentive provided by the historical and prospective grant of stock options.

When recommending the grant of stock options, the Compensation Committee considers the number and terms of options previously granted, industry practices, the optionee's level of responsibility, and assumed potential stock value in the future. The exercise prices of stock options granted to executive officers are equal to the market value of the stock on the date of grant. Therefore, stock options are intended to align the long-term interests of our executive officers with those of our shareholders, as our executive officers will receive no benefit from the grant of stock options, which represent a significant part of each executive officer's total compensation, unless there occurs an increase in the value of the common shares held by our shareholders.

Cash Compensation. The Compensation Committee believes that annual cash compensation should be paid commensurate with attained performance. Accordingly, our executive cash compensation consists of a fixed base compensation (salary) and variable incentive compensation (annual bonus), where the annual bonus can potentially be the largest component of cash compensation only if the executive and the company are able to meet or exceed performance related goals that, if attained, are expected to result in an increase in overall company and shareholder value. Base salaries for executive officers are established considering a number of factors, including the executive's individual performance and measurable contribution to our success, and pay levels of similar positions with comparable companies in the industry. The Compensation Committee supports management's compensation philosophy of moderate fixed compensation for elements such as base salary with the potential for significant bonuses for achieving performance related goals. Base salary and bonus award decisions are made as part of our structured annual review process.

Benefits. We provide benefits to the named executive officers that are generally available to all of our employees. For fiscal year 2005, the amount of executive level benefits and prerequisites, as determined in accordance with the rules of the SEC relating to executive compensation, did not exceed 10% of total salary and bonus of the applicable executive officer.

Chief Executive Officer Compensation. The base salary for the 2005 fiscal year of Mr. Lind, our President and Chief Executive Officer, was determined in accordance with the terms of Mr. Lind's Executive Employment Agreement, a summary of which is set forth in this Proxy Statement under the heading "Employment and Change of Control Agreements - Employment Agreement with Clifton E. Lind." In addition to his base salary, the Committee awarded Mr. Lind a modest bonus of \$17,000 during fiscal year 2005. The Committee balanced Mr. Lind's success with the Company's ongoing efforts to diversify its business and enter new markets with consideration of the Company's stock price performance and earnings results during the year.

The other components of Mr. Lind's compensation for the 2005 fiscal year were based on the same criteria described above with respect to executive officers generally.

Mr. Lind participated to a limited extent in the Committee's deliberations on his compensation. His participation generally consisted of answering questions from the Committee regarding his goals and objectives for the year, and his observations on the peer group to which his compensation is compared. Mr. Lind, however, was not present during those portions of the Compensation Committee's meetings where his performance was evaluated and compensation determined.

It is the opinion of the Compensation Committee that these compensation policies and structures provide the necessary discipline to properly align our corporate economic performance and the interest of our shareholders with progressive and competitive executive compensation practices in an equitable manner.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to our chief executive officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under our equity compensation plans generally qualifies for an exemption from these restrictions imposed by Section 162(m). In the future, the Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.
