RECENT EVENTS: DEREGISTRATION

The Registration Statement on Form S-8 (Registration No. 333-62106) (the Registration Statement) of Serena Software, Inc., a Delaware Corporation (Serena), pertaining to the registration of 2,562,500 shares of Serena Common Stock, par value \$0.001 per share (as such amounts may have increased for any stock splits, stock dividends, or similar transactions occurring subsequent to the original filing date), to which this Post-Effective Amendment No. 1 relates, was originally filed with the Securities and Exchange Commission on June 1, 2001.

Spyglass Merger Corp., a Delaware Corporation (Spyglass), and Serena entered into an Agreement and Plan of Merger dated as of November 11, 2005 (the Merger Agreement), pursuant to which, among other things, Spyglass would be merged with and into Serena (the Merger), Serena would be the surviving corporation in the Merger, and all shares of Serena Common Stock, \$0.001 par value per share, outstanding at the effective time of the Merger would be converted into the right to receive \$24.00 per share, without interest.

On March 9, 2006, Serena held a special meeting of stockholders at which Serena stockholders approved the adoption of the Merger Agreement. The Merger became effective on March 10, 2006 upon the filing of a Certificate of Merger with the Secretary of State of the State of Delaware.

As a result of the Merger, Serena has terminated all offerings of Serena Common Stock pursuant to its existing registration statements, including the Registration Statement. In accordance with an undertaking made by Serena in the Registration Statement to remove from registration, by means of a post-effective amendment, any shares of Serena Common Stock which remain unsold at the termination of the offering, Serena hereby removes from registration all shares of Serena Common Stock registered under the Registration Statement which remained unsold as of the Effective Date.
