Item 2.03 Creation of a Direct Financial Obligation

On April 19, 2006, the Registrant entered into a financing transaction in which the Registrant issued a \$1,000,000 convertible, secured note (the Note) to EMTUCK, LLC (EMTUCK), in which the managing member is a management company wholly owned and controlled by the Registrant's CEO. The Note is subject to increase up to \$1,500,000 if EMTUCK makes available such increased amount. The Note bears interest of 10.75% per annum, with interest payments due quarterly, beginning July 19, 2006. The Note's principal becomes due on January 19, 2007 (the Maturity Date). The Registrant can draw on the note, in increments of up to \$200,000, and interest is calculated on the outstanding principal drawn. The Note is secured by a first lien and security interest in all of the Registrant's accounts receivable and inventory now or hereafter acquired, and a second lien and security interest in all other collateral, subordinate to the existing lien and security interest in favor of Pali Capital Corporation as representative of the holders of promissory notes of the Registrant in the aggregated principal amount of \$1,464,806 due October 26, 2006, and \$125,000 due February 24, 2007 (the Pali Notes). In the event of default (as defined in the note), EMTUCK may upon written notice to the Registrant elect to declare the entire principal amount of the Note then outstanding together with accrued and unpaid interest thereon due and payable. Upon receipt of such notice, the Registrant shall have seven (7) business days to cure the event of default and if uncured on the eighth (8) business day, all principal and accrued interest shall become immediately due and payable.

Item 3.02 Unregistered Sale of Equity Securities

The members of EMTUCK will promptly be issued 2,083,334 warrants in conjunction with the Note, with an exercise price of \$0.24 per share. 1,458,334 warrants will vest immediately, with the remaining 625,000 warrants vesting equally over nine (9) months. The warrants will have a cashless exercise provision and will have a 5 year term. If after the date of issuance of the warrants, the Registrant files a registration statement under the Securities Act of 1933, or amends an existing registration statement, in either case, the Registrant will use its best efforts to include the shares issuable on exercise of the warrants in such registration statement or amended registration statement.
