Item 1.01. Entry into a Material Definitive Agreement

On September 18, 2006, Genesis Microchip Inc. (the Registrant or Company) entered into a Lease Agreement and Lease Rider Agreement effective as of August 28, 2006 (collectively, the Lease) with Transamerica Occidental Life Insurance Company, an Iowa corporation (the Landlord) to lease approximately 91,008 square feet of office space, consisting of an entire building located at 2525 Augustine Drive, Santa Clara, California (the Site) from the Landlord.

The scheduled commencement date of the Lease, subject to the early occupancy provisions in the Lease, is January 1, 2007. The initial term of the Lease is sixty months from the date of commencement, plus the partial month following the date of commencement if such date is not on the first day of a month. The initial base monthly rent under the Lease is \$86,457.60. The base monthly rent will be increased to \$91,008.00 commencing January 1, 2008, \$95,558.40 commencing January 1, 2009, \$100,108.80 commencing January 1, 2010 and \$104,659.20 commencing January 1, 2011. The Lease required the Registrant to provide the Landlord with a security deposit of \$104,659.20 and to prepay \$86,457.60 which will be credited toward the initial base monthly rent. The Landlord has agreed to provide the Registrant with an allowance of \$1,092,096 for the installation of tenant improvements at the Site and will make available to the Registrant an additional \$455,040 for such improvements which, if used, would be amortized and paid by the Registrant as an addition to the base monthly rent.

Subject to the terms and conditions of the Lease, the Registrant or other permitted assignees may renew the Lease for an additional five year term, if the Registrant provides notice to the Landlord of its election to renew the Lease no earlier than 365 days prior to the end of the initial term and no later than 270 days before the end of the initial term.

The Registrant is leasing the Site for its corporate headquarters. The Registrant expects to move its operations located at its current corporate headquarters to the Site during the Company s fiscal fourth quarter. The Registrant believes that the Site will provide sufficient executive office space for its anticipated needs during the term of the Lease.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Lease and the exhibits thereto, which are attached as Exhibit 10.1 hereto and incorporated by reference in their entirety herein.
