SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry Into A Material Definitive Agreement.

On November 14, 2006, Gastar Exploration Ltd. (the Company) announced that it had priced a private placement of 25,000,000 of its common shares at \$2.00 per share. Pursuant to subscription agreements dated on or about November 14, 2006 with each of the investors (the Subscription Agreements), the common shares are to be sold to accredited investors in the United States, including Chesapeake Energy Corporation. The private placement is expected to close on or about November 17, 2006, subject to receipt of applicable regulatory approvals.

The common shares to be offered are not registered under the Securities Act of 1933, as amended (the Securities Act) and may not be resold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act. The common shares to be offered will be sold directly from the Company to the investors pursuant to Regulation D of the Securities Act.

The aggregate purchase price for the common shares to be sold in the private placement is estimated to be \$50.0 million, before deducting legal and miscellaneous fees of approximately \$100,000 and a placement fee of \$2.0 million. Net proceeds from this private placement, estimated to be \$47.9 million, will be used to fund the Company's drilling programs in East Texas, Wyoming and Southeastern Australia and for general corporate purposes.

Chesapeake Energy Corporation subscribed for its shares pursuant to its preferential contractual right to acquire additional common shares offered by the Company following its initial investment in November 2005. After the private placement, Chesapeake Energy Corporation is expected to own approximately 16.6% of the Company's outstanding common shares.

Pursuant to the Subscription Agreements, the Company has granted the investors registration rights requiring that, among other things, the Company register the common shares for resale under the Securities Act. If the Company does not meet certain deadlines with respect to filing a registration statement and causing the registration statement to be declared effective, then the Company will be required to pay the investors damages in the amount equal to 1.5% of the aggregate subscription price per month until the Company files the registration statement and an additional amount equal to 1.5% of the aggregate subscription price per month until the registration statement is declared effective or the common shares become freely tradable pursuant to Rule 144(k), subject to a cap equal to 8% of the purchase price for the common shares in the private placement.

The foregoing is a summary of the terms of the Subscription Agreements and does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Subscription Agreements, a copy of which is filed as Exhibit 4.1, and is incorporated by reference into this Current Report on Form 8-K.
