On February 9, 2007, K2 Inc. ( K2 ) announced that it expects Adjusted diluted earnings per share to exceed the previous guidance range, and it provided a new estimated earnings range. Further to that announcement, K2 expects net sales for fiscal year 2006 to be in the range of \$1.390 billion to \$1.395 billion, exceeding the previous range of \$1.36 billion to \$1.38 billion.

**Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

On February 16, 2007, K2 issued a press release announcing that the Board of Directors (the Board ) appointed J. Wayne Merck, formerly President and Chief Operating Officer, as President and Chief Executive Officer and as a member of the Board. Mr. Richard J. Heckmann, who has been Chairman of the Board since April 2000 and Chief Executive Officer since October 2002, will remain as Chairman of the Board and has been appointed Executive Chairman. The effective date of these appointments is February 12, 2007. A copy of K2 s press release is attached hereto as Exhibit 99.1 and is incorporated into this Item 5.02 by reference.

Mr. Heckmann, 63, served as a director of MPS Group, Inc. from April 2003 through March 2004, Philadelphia Suburban Corporation from August 2000 through February 2002, United Rentals, Inc. from October 1997 through May 2002, Waste Management Inc. from January 1994 through January 1999 and Station Casinos, Inc. from April 1999 through March 2001. Mr. Heckmann retired as Chairman of Vivendi Water, an international water products group of Vivendi S.A., a worldwide utility and communications company with headquarters in France, in June 2001. Mr. Heckmann was Chairman, President and Chief Executive Officer of U.S. Filter Corporation, a worldwide provider of water and wastewater treatment systems and services, from 1990 to 1999. Vivendi acquired US Filter on April 29, 1999. He has served as the associate administrator for finance and investment of the Small Business Administration in Washington, DC and was the founder and Chairman of the Board of Tower Scientific Corporation.

Mr. Merck, 46, has been President and Chief Operating Officer of K2 since November 2003. Prior to that, he was Executive Vice President and Chief Operating Officer of K2 from October 2002. He served as Executive Vice President of Operations of K2 from July 2000, Vice President of K2 from January 1996 and President of Shakespeare Composites, a division of Shakespeare, a wholly-owned subsidiary of K2, from 1996. Mr. Merck served as President of K2 s former business, Anthony Pools, from February 1994 to June 1996.

In connection with the above appointments, K2 entered into an employment agreement with each of Mr. Heckmann and Mr. Merck, on terms that are substantially similar to the employment agreements in place with such executives prior to such appointments. These agreements supersede in their entirety the previous employment agreements with Messrs. Heckmann and Merck, each of which was dated February 14, 2005. K2 also has in place a severance benefit plan in favor of Mr. Heckmann and Mr. Merck, which remains in place.

The employment agreements, together with the severance benefit plan, provide for, among other things, the following compensation and benefits:

- (1) Mr. Heckmann will receive an annual salary of \$755,000, and Mr. Merck will receive an annual salary of \$725,000.
- (2) Each executive will continue to be eligible to receive a bonus based on achievement of K2 and individual milestones.

- (3) The Compensation Committee of the Board of Directors, at its discretion, will consider future equity grants beginning with 2007 annual equity awards.
- (4) An entitlement to be eligible to participate in benefits under any benefit plan or arrangement which may be in effect from time to time and made available to K2's employees.
- (5) At will employment that may be terminated by the executive or K2 at any time for any reason or no reason at all.
- (6) Termination of the employment agreement at any time (a) upon the death of the executive, (b) upon the Complete Disability (as defined in the employment agreement) of the executive, (c) for Cause (as defined in the employment agreement) of executive or (d) for any reason, subject to the change in control or severance payments described in item (8) or (9) below.
- (7) Termination of the employment agreement by the executive if (a) the Company materially breaches the employment agreement; (b) there is a significant reduction in the executive's duties, position, authority or responsibilities as set forth in the employment agreement; (c) there is a reduction in executive's base salary, bonus or other cash incentive compensation opportunity as in effect immediately prior to such reduction for any reason other than in connection with, and proportionate to, a company-wide pay reduction; (d) a substantial reduction in executive's long-term non-cash incentive opportunities; (e) the failure of the Company to timely pay executive any portion of executive's compensation then due to executive or the failure to pay or reimburse executive for any business expenses incurred by executive in accordance with the K2 policy in a reasonably timely manner; (f) a material reduction in executive's benefits for any reason other than in connection with any change to K2's benefit programs applicable to all employees; (g) a relocation of executive's principal workplace by more than fifty miles; and (h) in connection with a change in control and only for Mr. Heckmann, if he resigns his employment within ninety days following such change in control.
- (8) If K2 becomes subject to a change in control transaction, and if, during the period four months prior or 12 months after such transaction, either Mr. Heckmann or Mr. Merck is terminated by K2 without Cause or resigns for reasons described above in items (7) (a) through 7(g) (and in the case only of Mr. Heckmann, item 7(h)), K2 will be obligated to continue to pay salary and bonus (which is the greater of (a) the average of the three annual bonuses paid prior to the date of termination or change of control or (b) the last annual bonus paid prior to such date) for 2.99 years as well as continue health insurance benefits for 2.99 years (unless covered by a subsequent employer) and accelerate the vesting of equity awards and extend the stock option exercise periods for the lesser of 36 months and the remaining term of the option. In addition, K2 will gross up payments under the agreement to compensate each executive for specified taxes.
- (9) If Mr. Heckmann is terminated by K2 without Cause not in connection with a change in control transaction, K2 will pay him 2.5 times his annual salary and

bonus amount (as defined in the severance benefit plan), continue his health insurance coverage for 30 months from the date of termination, fully vest his equity awards and extend his stock option exercise period for the lesser of 30 months and the remaining term of the option.

- (10) If Mr. Merck is terminated by K2 without Cause not in connection with a change in control transaction, K2 will pay him two times his annual salary and bonus amount (as defined in the severance benefit plan), continue his health insurance coverage for 24 months from the date of termination, fully vest his stock options and extend his equity awards exercise period for the lesser of 24 months and the remaining term of the option.

There are no family relationships between Mr. Heckmann and any of K2's other directors, executive officers or persons nominated or chosen by K2 to become directors or executive officers.
