ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On July 22, 2007, QuadraMed Corporation (the Company) entered into an asset purchase agreement (the Agreement) by and among Misys Hospital Systems, Inc., a Pennsylvania corporation and indirect wholly-owned subsidiary of Misys plc (Seller), Misys plc, a company organized under the laws of the United Kingdom (Seller Parent), QuadCopper, LLC, a Delaware limited liability company and wholly-owned subsidiary of the Company (the Acquisition Subsidiary) and the Company for the Acquisition Subsidiary's purchase of the Misys Computerized Patient Record (CPR) assets and related business in the United States, Canada, United Kingdom and Saudi Arabia (the CPR Business).

At closing, which is subject to customary conditions, Seller will transfer all right, title and interest in the CPR Business, excluding certain scheduled assets, to the Acquisition Subsidiary in exchange for the purchase price of \$33 million in cash, plus the assumption of specified obligations, subject to certain adjustments.

The parties have agreed to customary representations and warranties, covenants, noncompetition provisions, no shop provisions, termination fees and indemnification obligations. Seller Parent and the Company have guaranteed Seller's and Buyer's obligations, respectively, under the Agreement.

The description of the Agreement and the transactions contemplated thereby is qualified in its entirety by reference to the Agreement filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference hereto in response to this Item 1.01. Further, on July 22, 2007, the Company issued a press release announcing the Company's entry into the Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 99.1 and is hereby incorporated by reference in response to this Item 1.01.

The Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about any of the parties thereto. The Agreement contains representations and warranties that each of the parties made to the others. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.
