Item 7.01. Regulation FD Disclosure.

On April 11, 2008, the Registrant announced the appointment of Ivan Gergel, M.D., as Executive Vice President, Research and Development. Dr. Gergel, 47, will have full responsibility for all of the Registrant's research and development activities, including direct supervision of clinical research, pre-clinical R&D, medical affairs, marketed product development support, regulatory affairs, project management and drug safety and surveillance.

From May 19, 2005 until March 31, 2008, Dr. Gergel had been Senior Vice President of Scientific Affairs and President of the Forest Research Institute of Forest Laboratories Inc., managing over 900 physicians, scientists and staff at the Research Institute. Prior to that, Dr. Gergel served as Vice President and Chief Medical Officer at Forest and Executive Vice President of the Forest Research Institute. He joined Forest in 1998 as Executive Director of Clinical Research following nine years at SmithKline Beecham and was named Vice President of Clinical Development and Clinical Affairs in 1999.

Dr. Gergel received his MD from The Royal Free Medical School of The University of London and an MBA from the Wharton School.

In connection with Dr. Gergel's appointment as Executive Vice President, Research and Development, he has entered into an executive employment agreement (the "Agreement") with the Registrant effective as of April 29, 2008 (the "Effective Date"). The initial term of the Agreement is three years and renews automatically for one-year periods unless 120 days' notice of non-renewal is given. Under the Agreement, Dr. Gergel is entitled to a base salary of \$575,000 and an annual cash performance bonus with a target of 55% of salary and a maximum bonus of 200% of salary. Upon the commencement of Dr. Gergel's employment with the Company, he will (i) be granted 50,000 stock options with an exercise price equal to the closing market price on his commencement date vesting ratably over 4 years and (ii) receive a \$50,000 one-time cash bonus. The Company will provide Dr. Gergel with a relocation allowance of up to \$300,000 to cover documented and reasonable moving expenses that are incurred within twelve (12) months of the Effective Date, in connection with his relocation to the Chadds Ford, Pennsylvania area. Dr. Gergel shall also be eligible for temporary living expense reimbursement, to be pre-approved by the Registrant, for up to twelve (12) months after the Effective Date. The cash bonus and all relocation amounts will include a tax gross-up allowance to assist in payment of federal and state income tax liabilities. The cash bonus, any relocation amounts paid and any tax gross-up allowances must be repaid to the Company in the event Dr. Gergel voluntarily terminates his employment within eighteen (18) months of the Effective Date.

Dr. Gergel is entitled to employee benefits, executive benefits, perquisites, reimbursement of expenses and vacation on the same basis as other senior executives.

The Agreement provides that on termination by the Registrant without cause or by Dr. Gergel for good reason, Dr. Gergel will be entitled to any accrued compensation as of the termination date, a prorated bonus for the year of termination (based on actual results), severance in an amount equal to two times the sum of his base salary and target bonus and continuation of medical and life insurance benefits for the same period. Receipt of this severance is conditioned on Dr. Gergel's release of claims against the Registrant. Dr. Gergel is entitled to a gross-up to cover any excise tax that he may owe as a result of any change in control payments that would constitute "excess parachute payments" under Sections 280G and 4999 of the Internal Revenue Code. Payments upon death or disability include a prorated bonus for the year of termination (based on actual results), and, in the event of disability, 24 months of salary continuation offset by disability benefits.

The Agreement also contains covenants not to solicit for 24 months, not to compete for 24 months, nondisparagement, and cooperation in any investigation and litigation.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the full text of the Agreement, a copy of which will be filed with exhibits to the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2008.
