MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The Board of Directors of Greater Community Bancorp has approved the merger of Greater Community into Valley National Bancorp.

If the merger is completed, you will be entitled to receive (i) 0.9975 of a share of Valley common stock and (ii) 0.105 of a warrant to purchase Valley common stock for each share of Greater Community common stock you own. The warrant exercise price will be equal to the average market price of Valley common stock during a period shortly before completion of the merger, plus \$2.00. The warrant will be exercisable for the period beginning two years following the closing of the merger until seven years following the closing of the merger.

Based on the closing price of Valley common stock of \$18.31 on May 16, 2008, 0.9975 of a share of Valley common stock would equal \$18.26 and the value of 0.105 of a warrant is estimated, using the Black-Scholes-Merton method and based on certain assumptions, to equal \$0.21. Accordingly, the estimated total value of the consideration that you will receive for each share of Greater Community common stock you own is \$18.47. Cash will be paid instead of fractional shares and fractional warrants.

Valley common stock is listed on the New York Stock Exchange under the symbol `VLY`. Valley intends to use its reasonable efforts to list the warrants on the Nasdaq Global Market.

We expect the merger to be generally tax-free with respect to Valley common stock and warrants you receive and generally taxable with respect to the cash you receive.

When the merger is completed, Greater Community shareholders will own about 8.7 million shares, or 6.5%, of Valley's common stock, along with warrants to purchase approximately 918,000 shares of Valley common stock.

The merger cannot be completed unless Greater Community's shareholders approve it. We have scheduled a special meeting so you can vote on the merger. **The Greater Community Board of Directors recommends that you vote to approve the merger.**

The date, time and place of the meeting are as follows:

June 19, 2008

8:00 a.m. local time

The Brownstone

351 West Broadway

Paterson, New Jersey 07522

Only shareholders of record as of May 12, 2008 are entitled to attend and vote at the meeting.

Your vote is very important. Whether or not you plan to attend the meeting, please take the time to vote by completing and mailing the enclosed proxy card to us. Approval of the merger by Greater Community shareholders is based on approval by holders of a majority of the shares voted at the meeting. If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote in favor of the merger and the merger agreement.

This document describes the special meeting, the merger, the documents related to the merger and other related matters. **Please carefully read this entire document, including the Risk Factors beginning on page 14 for a discussion of the risks related to the proposed merger.** You can also obtain information about both Greater Community and Valley from documents that each of us has filed with the Securities and Exchange Commission.

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: WHAT IS THE PURPOSE OF THIS DOCUMENT?

A: This document serves as both a proxy statement of Greater Community and a prospectus of Valley. As a proxy statement, it is being provided to you because the Greater Community board of directors is soliciting your proxy for use at the Greater Community special meeting of shareholders at which the Greater Community shareholders will consider and vote on the merger agreement between Greater Community and Valley and the merger. As a prospectus, it is being provided to you because Valley is offering to exchange shares of its common stock and warrants to purchase its common stock for your shares of Greater Community common stock upon completion of the merger.

Q: WHY ARE GREATER COMMUNITY AND VALLEY PROPOSING TO MERGE?

A: We are proposing to merge Greater Community with and into Valley because we believe that combining the strengths of two companies with similar cultures is in the best interests of the shareholders, employees and customers of both Greater Community and Valley. Please see The Proposed Merger Recommendation of the Greater Community's Board of Directors and Reasons for the Merger at page 32 for the various factors considered by the Greater Community board of directors in recommending that Greater Community's shareholders vote **FOR** the proposal to approve the merger agreement and the merger.

Q: WHAT WILL I RECEIVE IN THE MERGER?

A: Upon completion of the merger, you will receive (i) 0.9975 of a share of Valley common stock and (ii) 0.105 of a warrant to purchase Valley common stock, for each share of Greater Community common stock you own. The warrant exercise price will be equal to the average market price of Valley common stock during a period shortly before completion of the merger, plus \$2.00. The warrant will be exercisable for the period beginning two years following the closing of the merger until seven years following the closing of the merger. The merger agreement originally provided for you to receive (i) 0.95 of a share of Valley common stock and (ii) 0.10 of a warrant to purchase Valley common stock, for each share of Greater Community common stock you own. However, in accordance with the terms of the merger agreement, the number of shares of Valley common stock and the number of warrants to purchase Valley common stock that you are to receive for each of your Greater Community shares upon completion of the merger was adjusted to account for a 5% stock dividend declared by Valley on April 7, 2008.

Based on the closing price of Valley common stock on May 16, 2008 of \$18.31, 0.9975 of a share of Valley common stock would equal \$18.26. Because the value of the warrants is not readily ascertainable, we have estimated the value of the warrants using the Black-Scholes-Merton method based on certain assumptions. Using this method of valuation, the value of 0.105 of a warrant is estimated to be \$0.21. Accordingly, the estimated total value of the consideration that you will receive for each share of Greater Community common stock you own is \$18.47. Cash will be paid instead of fractional shares and fractional warrants.

Q: WHAT ARE THE TAX CONSEQUENCES OF THE MERGER TO ME?

A: We expect that for federal income tax purposes, the merger will not be a taxable event to Greater Community shareholders, except to the extent that such shareholders receive cash in lieu of fractional shares and fractional warrants.

Greater Community will have no obligation to complete the merger unless tax counsel for Valley provides a legal opinion that the merger will qualify as a transaction that is generally tax-free for federal income tax purposes. The legal opinion will not bind the Internal Revenue Service, however, and the Internal Revenue Service could take a different view of the transaction.

Table of Contents

We urge you to consult with your tax advisor to gain a full understanding of the tax consequences of the merger to you. Tax matters are very complicated, and in many cases, the tax consequences of the merger will depend on your particular facts and circumstances. See *The Proposed Merger Material Federal Income Tax Consequences of the Merger*, beginning at page 51.

Q: DO I HAVE THE RIGHT TO DISSENT FROM THE MERGER?

A: No.

Q: ARE THERE ANY REGULATORY OR OTHER CONDITIONS TO THE MERGER REQUIRED?

A: Yes. The merger must be approved by the Office of the Comptroller of the Currency and a waiver or approval must be received from the Board of Governors of the Federal Reserve System. Valley applied for and received a waiver from the Federal Reserve. Valley has also applied for approval from the OCC and has been notified that the application is eligible for expedited review. Valley anticipates receiving OCC approval on or about May 23, 2008. In addition, the merger must be approved by the Greater Community shareholders. Valley shareholders do not have to approve the merger; accordingly, Valley shareholders will not vote on this proposal.

Completion of the merger is also subject to certain other conditions, including there being no material adverse change in the financial condition of Greater Community. See *The Proposed Merger Conditions to the Merger*, beginning at page 47.

Q: WHAT DOES THE GREATER COMMUNITY BOARD OF DIRECTORS RECOMMEND?

A: **The Greater Community board of directors has unanimously approved the merger and the merger agreement and believes that the proposed merger is in the best interests of Greater Community and its shareholders. Accordingly, the Greater Community board of directors unanimously recommends that you vote FOR approval of the merger agreement and the merger.**

Q: WHAT DO I NEED TO DO NOW?

A: **After you have carefully read this proxy statement-prospectus, you should indicate on your proxy card how you want your shares to be voted, then sign, date and mail the proxy card in the enclosed postage-paid envelope as soon as possible so that your shares may be represented and voted at the Greater Community special meeting. In addition, you may attend the Greater Community special meeting in person and vote, whether or not you have signed and mailed your proxy card. If you sign, date and return your proxy card but do not indicate how you want to vote, your proxy will be counted as a vote in favor of the merger agreement and the merger. Approval of the merger by Greater Community shareholders is based on approval by holders of a majority of the shares voted at the meeting.**

Q: CAN I CHANGE MY VOTE AFTER I HAVE DELIVERED MY PROXY?

A: Yes. There are two ways for you to revoke your proxy and change your vote. First, you may send a later-dated, signed proxy card before our special meeting. Second, you may revoke your proxy either by written notice (which you could personally deliver at the special meeting) to the Secretary of Greater Community at any time prior to the vote on the merger or by voting the shares subject to the proxy by written ballot at the special meeting. If you have instructed a broker to vote your shares, you must follow directions received from your

Edgar Filing: VALLEY NATIONAL BANCORP - Form S-4/A

broker to change your vote. If you deliver such a notice or if you do not submit a proxy, you may vote your shares at the special meeting.

Table of Contents

Q: SHOULD I SEND IN MY STOCK CERTIFICATES NOW?

A: No. Following the merger you will receive a letter of transmittal from the exchange agent which will provide you with instructions as to how you will exchange your Greater Community common stock for Valley common stock and warrants.

Q: IS THERE OTHER INFORMATION I SHOULD CONSIDER?

A: Yes. Much of the business and financial information about Valley and Greater Community that may be important to you is not included in this document. Instead, that information is incorporated by reference to documents separately filed by Valley and Greater Community with the Securities and Exchange Commission. This means that each of Valley and Greater Community, respectively, may satisfy its disclosure obligations to you by referring you to one or more documents separately filed by it with the SEC. See **Information Incorporated by Reference** beginning at page 60 for a list of documents that each of Valley and Greater Community, respectively, has incorporated by reference into this proxy statement-prospectus and for instructions on how to obtain copies of those documents. The documents are available to you without charge.

Q: WHAT IF THERE IS A CONFLICT BETWEEN DOCUMENTS?

A: You should rely on the **LATER FILED DOCUMENT**. Information in this proxy statement-prospectus may update information contained in one or more of the Valley documents incorporated by reference. Similarly, information in documents that Valley may file after the date of this proxy statement-prospectus may update information contained in this proxy statement-prospectus or information contained in previously filed documents.

Q: WHEN DO YOU EXPECT TO MERGE?

A: We are working toward completing the merger as quickly as possible and have set a tentative closing date of July 1, 2008, although this could change. We cannot close the merger until after Greater Community shareholders approve the merger and all regulatory approvals have been obtained.

Q: WHOM SHOULD I CALL WITH QUESTIONS OR TO OBTAIN ADDITIONAL COPIES OF THIS PROXY STATEMENT-PROSPECTUS?

A: If you have questions about the special meeting or if you need additional copies of this proxy statement-prospectus, you should contact:

SUMMARY

This is a summary of certain information regarding the proposed merger and the shareholder meeting to vote on the merger. We urge you to carefully read the entire proxy statement-prospectus, including the appendices, before deciding how to vote.

What this Document is About

The board of directors of Greater Community Bancorp has approved the merger of Greater Community into Valley National Bancorp. In order to complete the merger, the shareholders of Greater Community must approve it. The Greater Community board has called a special meeting of Greater Community shareholders to vote on the merger. This document is the proxy statement used by the Greater Community board to solicit proxies for the meeting. It is also the prospectus of Valley regarding the Valley common stock and warrants to be issued if the merger is completed.

Voting on the Merger

Shares Entitled to Vote

The Greater Community Board has selected May 12, 2008 as the record date for the meeting. Each of the 8,743,740 shares of Greater Community common stock outstanding on the record date are entitled to vote at the meeting.

On the record date, directors and executive officers of Greater Community and their affiliates owned or had the right to vote 894,958 shares or 10.19% of Greater Community common stock. On the record date, Valley's directors or executive officers, and their affiliates, owned or had the right to vote 14,851 shares of Greater Community common stock.

Vote Required to Approve the Merger

Approval by Greater Community shareholders is based on approval by the holders of a majority of the shares of Greater Community common stock voted at the meeting. Under applicable law, Valley shareholders are not required to approve the merger or the merger agreement.

Valley

The Merger

General Description

Greater Community will merge with Valley, with Valley as the surviving entity. The merger will occur after all material conditions to closing have been met. The terms of the proposed merger are set forth in a merger agreement signed by Greater Community and Valley. A copy of the merger agreement is attached as *Appendix A* to this document and is incorporated herein by reference.

Consideration to Greater Community Shareholders

In the merger, you will receive 0.9975 shares of Valley common stock and 0.105 of a warrant to purchase Valley common stock for each share of Greater Community common stock that you own. The merger agreement originally provided for consideration of 0.95 of a share of common stock and 0.10 of a warrant; however, Valley declared a 5% stock dividend on April 7, 2008 and, according to the terms of the merger agreement, the consideration was adjusted to 0.9975 of a share and 0.105 of a warrant. On March 19, 2008, the last trading day before the merger was publicly announced, the closing price of Valley common stock was \$19.96, which would imply a value of approximately \$18.96, based on the original 0.95 exchange ratio, exclusive of the value of the warrants. Because the value of the warrants is not readily ascertainable, we have estimated the value of the warrants using the Black-Scholes-Merton method based on certain assumptions. Using this method of valuation, based on the \$19.96 closing price on March 19, 2008, the value of 0.10 of a warrant is estimated to be \$0.18. Accordingly, the total consideration for each Greater Community share you own, based on the March 19, 2008 closing price, is estimated to equal \$19.14, using the original exchange ratios.

Based on the closing price of Valley's common stock on May 16, 2008, a date which is shortly before the date of this proxy statement-prospectus, the value of 0.9975 of a share of Valley common stock is \$18.26 and the value of 0.105 of a warrant is estimated to be \$0.21, for a total of \$18.47.

The amount of cash you will receive in lieu of fractional shares and fractional warrants will be determined based on the average closing price of Valley common stock over a period shortly before the completion of the merger.

The parties currently estimate that Valley will issue approximately 8.7 million shares of its common stock and warrants to purchase approximately 918,000 shares of Valley common stock, together with cash in lieu of fractional shares and fractional warrants.

Warrants

You will receive 0.105 warrants for each share of Greater Community common stock you own. The warrant exercise price will be equal to the average market price of Valley common stock over a period

Table of Contents

shortly before completion of the merger, plus \$2.00. The warrant will be exercisable for the period beginning two years following the closing of the merger until seven years following the closing of the merger. The warrants you receive will be terminable by Valley under certain circumstances as set forth in the Warrant Agreement between Valley and American Stock Transfer & Trust Company, as warrant agent. The full terms of the warrants are described in the Warrant Agreement attached hereto as *Appendix B* to this document and is incorporated herein by reference.

Listing of Valley Common Stock and Warrants

The shares of Valley common stock to be issued in the merger will be listed on the New York Stock Exchange under the symbol VLY. Valley will use reasonable efforts to have the warrants to purchase Valley common stock to be issued in the merger listed on the Nasdaq Global Market.

Tax-Free Nature of the Merger

Valley's counsel, Day Pitney LLP, anticipates that it will deliver its opinion that the merger will qualify as a tax-free reorganization pursuant to Section 368(a) of the Internal Revenue Code of 1986, as amended. The opinion of Day Pitney LLP will further provide that, as a tax-free reorganization, shareholders of Greater Community will recognize no gain or loss upon their receipt of Valley common stock and warrants to acquire Valley common stock, except with respect to cash received by them instead of fractional shares of Valley common stock or fractional warrants to acquire Valley common stock. A Greater Community shareholder who receives cash in lieu of fractional shares of Valley common stock or fractional warrants will generally recognize capital gain or capital loss on the receipt of the cash.

Tax matters are very complicated, and the tax consequences of the merger to each Greater Community shareholder will depend on the facts of that shareholder's particular situation. We urge you to read the more complete description of the merger's tax consequences beginning on page 51 and to consult with your own tax advisors regarding the specific tax consequences of the merger to you under applicable tax laws.

Exchanging Your Stock Certificates

Shortly following the closing you will receive a letter of transmittal and instructions for exchanging your Greater Community stock certificates. In order to receive your Valley common stock and warrants, you must send your stock certificates to American Stock Transfer & Trust Company, the exchange agent. You will need to carefully review and complete these materials and return them as instructed along with your stock certificates for Greater Community common stock.

If you do not have stock certificates but hold shares of Greater Community common stock with your broker in street name, you will need to follow your broker's instructions as to how to exchange your stock certificates.

Table of Contents

Dividends	Greater Community's board of directors intends to declare a dividend for the second quarter of 2008 of up to \$0.15 per share and may declare further dividends of up to \$0.15 per share in any future quarter under the terms of the merger agreement.
Reselling the Stock You Receive in the Merger	The shares of Valley common stock and the warrants to be issued in the merger will be registered under the Securities Act of 1933. Except as noted in this paragraph, and in more detail in the section "Resale Considerations Regarding Valley Common Stock" on page 47, you may freely transfer those shares and warrants after you receive them. The stock issuable upon the exercise of your warrants will also be registered under the Securities Act and will be freely transferable thereafter.
Reasons for the Merger	As part of Greater Community's strategic review, which included working with financial advisors, Greater Community's Board determined that the interests of Greater Community's shareholders, and specifically the return on Greater Community shareholders' investment going forward would be best served by a merger with a larger institution at this time. Valley entered into the merger agreement as part of Valley's ongoing strategy of growth through acquisitions.
Risk Factors	An investment in Valley common stock includes substantial risks. See the section entitled "Risk Factors" beginning on page 14 for a discussion of risks associated with the merger and an investment in Valley common stock.
Opinion of Greater Community's Financial Advisor	In deciding to approve the merger, the Greater Community board considered the opinion of one of its financial advisors, Sandler O'Neill & Partners, L.P. that the exchange ratio in the merger was fair to Greater Community shareholders from a financial point of view as of March 19, 2008. This opinion was reaffirmed as of the date of this proxy statement-prospectus, and is attached to this proxy statement-prospectus as <i>Appendix C</i> . We encourage you to read this opinion. This opinion does not constitute a recommendation as to how any shareholder should vote on the merger. For information on how Sandler O'Neill arrived at its opinion, see pages 38-47.
Share Information and Market Prices	Valley common stock is listed on the New York Stock Exchange under the symbol "VLY" and Greater Community common stock is traded on the Nasdaq Global Select Market under the symbol "GFLS". The following table lists the closing prices of Valley common stock and Greater Community common stock on March 19, 2008, the last day before the announcement of the merger, and on May 16, 2008, a date shortly before the date of this proxy statement-prospectus. The table presents the implied value of one share of Greater Community common stock on March 19, 2008,

computed by multiplying the Valley closing price on that date by the 0.95 exchange ratio and by adding the estimated value of 0.10 of a warrant. The table also presents the implied value of one share of Greater Community common stock on May 16, 2008 by multiplying the adjusted 0.9975 exchange ratio by the May 16, 2008 closing price and by adding the estimated value of 0.105 of a warrant. The estimated values of the warrants were calculated using the Black-Scholes-Merton method based on certain assumptions. The estimated values would change if Valley used different assumptions. You should obtain current market quotations for Valley and Greater Community common stock. Because the exchange ratio is fixed and trading prices fluctuate, and the value of the warrants is not readily ascertainable, Greater Community shareholders are not assured of receiving any specific market value of Valley common stock and warrants.

May 16, 2008	\$18.31	\$18.25	\$18.47

Conversion of Greater Community Stock Options

In the merger, holders of options to acquire Greater Community common stock will receive cash in an amount equal to the product of (A) the number of shares of Greater Community common stock into which such stock options are convertible and (B) the excess, if any, of (x) the sum of (i) the value of Valley common stock based upon the average closing price of Valley common stock over a period shortly before the completion of the merger times 0.9975, plus (ii) the fair market value of 0.105 of a warrant, based on all relevant factors, including the Black-Scholes-Merton method of valuation, over (y) the exercise price per share for each stock option.

Terminating the Merger Agreement; Termination Fees

Either Greater Community or Valley can terminate the merger agreement if the merger has not been completed by November 30, 2008, or if certain conditions to the merger, including regulatory approvals, have not been satisfied. Under certain circumstances, if the merger agreement is terminated and Greater Community is acquired or executes a definitive agreement to be acquired by another entity within 12 months after the termination, Valley is entitled to receive a termination fee from Greater Community of \$6 million plus an amount equal to its reasonable out-of-pocket expenses. Greater Community may also be entitled to receive a termination fee from Valley equal to \$700,000 if Valley breaches the merger agreement.

Table of Contents

willfully and without reasonable justification and Greater Community terminates the merger agreement. For a more complete description of these and other termination rights available to Greater Community and Valley, see page 50.

Greater Community has Agreed Not to Solicit Alternative Transactions

In the merger agreement, Greater Community has agreed not to encourage, negotiate with, or provide any information to any person other than Valley concerning an acquisition transaction involving Greater Community or Greater Community Bank. However, Greater Community may take certain of these actions if its board of directors determines that it should do so. This determination by the board must be made after the Board consults with counsel and its financial advisors, and must be based in accordance with the board's fiduciary duties. This restriction may deter other potential acquirors of control of Greater Community.

Financial Interests of Greater Community's Directors and Executive Officers in the Merger

On the record date, directors and executive officers of Greater Community and their affiliates owned or had the right to vote 894,958 shares or 10.19% of the Greater Community common stock.

Greater Community directors and executive officers have interests in the merger as individuals in addition to, or different from, their interests as shareholders, such as receiving salaries or other benefits. For example, Valley has agreed to appoint one non-management director of Greater Community to the Valley board of directors when the merger occurs, subject to Valley's director approval process.

Pursuant to the merger agreement, Valley will honor the existing change of control, employment and retirement benefit agreements between Greater Community and its officers and employees.

Valley has agreed to indemnify the directors and officers of Greater Community against certain liabilities for a six-year period following the merger.

For additional information on the benefits of the merger to Greater Community management, see page 34.

INTRODUCTION

The board of directors of Greater Community Bancorp and Valley National Bancorp have approved an Agreement and Plan of Merger, dated as of March 19, 2008 between Valley and Greater Community. The merger agreement provides for Greater Community to be merged with Valley, with Valley as the surviving corporation. The merger cannot be completed unless the shareholders of Greater Community approve the merger of Greater Community and Valley. Under a separate merger agreement, Greater Community Bank will be merged with and into Valley National Bank immediately following the merger of the holding companies.

This document serves two purposes. It is the proxy statement being used by the Greater Community Board to solicit proxies for use at a special Greater Community shareholders meeting called by the Board to seek approval of the merger agreement. It is also the prospectus of Valley regarding the Valley common stock to be issued if the merger is completed. Thus, we sometimes refer to this document as the proxy statement-prospectus.

This document describes the merger agreement in detail. A copy of the merger agreement is attached as *Appendix A* to this document and is incorporated herein by reference. We urge you to read this entire document and the appendices carefully.

All information and statements contained or incorporated by reference in this document about Greater Community were supplied by Greater Community and all information and statements about Valley were supplied by Valley.

No person has been authorized to give any information or to make any representation other than what is included in this document, including filings on Form 425 or Schedule 14A, which are superseded by this document. If any information or representation is given or made, it must not be relied upon as having been authorized.

These forward-looking statements involve certain risks and uncertainties. Actual results may differ materially from the results the forward-looking statements contemplate because of, among others, the following possibilities:

RISK FACTORS

An investment in Valley's common stock is subject to risks. The material risks and uncertainties that management believes affect Valley, and the offering of Valley common stock in the merger, are described below. Before making an investment decision, you should carefully consider the risks and uncertainties described below together with all of the other information included or incorporated by reference in this proxy statement-prospectus. The risks and uncertainties described below are not the only ones facing Valley. Additional risks and uncertainties that management is not aware of or that management currently believes are immaterial may also impair Valley's business operations. This proxy statement-prospectus is qualified in its entirety by these risk factors.

Risks Related to the Merger

The Exchange Ratio is Fixed.

Greater Community shareholders will receive 0.9975 shares of Valley common stock and 0.105 of a warrant to purchase Valley common stock. As provided in the merger agreement, these ratios are fixed. Accordingly, if the per share market price of Valley common stock decreases, the value of the consideration which you receive in the merger will also decrease proportionally. The merger agreement does not adjust the merger consideration if the market value of Valley's common stock decreases, even if such decrease is significant.

The Warrants May Not Have Any Value.

The warrants will have an exercise price equal to the value of Valley common stock at the closing based upon an average of the closing price of Valley common stock during a period immediately prior to the closing plus \$2.00. If Valley's common stock remains below this value during the period when the warrants may be exercised, the warrants will not have any value. In addition, if Valley's common stock does not rise materially above the exercise price, the warrants may have very little value.

The Merger Will Result in Reduced Ownership and Control by Greater Community Shareholders.

Because all of the outstanding shares of Greater Community common stock will be exchanged for Valley common stock and warrants, and assuming that no holders of options to purchase Greater Community common stock exercise their options prior to the merger, Greater Community shareholders will own approximately 6.5% of the outstanding shares of Valley common stock following the merger. As a result, Greater Community shareholders will have less control over the affairs of Valley after the merger than they had with respect to Greater Community prior to the merger.

If the Merger Does Not Occur by November 30, 2008, Valley and Greater Community May Choose Not to Proceed With the Merger.

Either Valley or Greater Community may terminate the merger agreement if the merger has not been completed by November 30, 2008, unless failure to complete the merger is caused by Valley's or Greater Community's breach of the merger agreement, in which event the breaching party may not terminate the merger agreement for such failure to close prior to November 30, 2008.

Failure to Complete the Merger Could Severely Disadvantage Greater Community.

If for any reason the merger does not occur, that failure could adversely affect Greater Community's business and make it difficult for Greater Community to attract other acquisition partners. Additionally, if the merger should fail to occur in certain circumstances that relate to a possible combination of Greater Community with another acquiror, Greater Community could be obligated to pay Valley a \$6 million termination fee.

Risks Related to an Investment in Valley National Bancorp Common Stock

Changes in Interest Rates Can Have an Adverse Effect on Profitability.

Valley's earnings and cash flows are largely dependent upon its net interest income. Net interest income is the difference between interest income earned on interest-earning assets, such as loans and investment securities, and interest expense paid on interest-bearing liabilities, such as deposits and borrowed funds. Interest rates are sensitive to many factors that are beyond Valley's control, including general economic conditions, competition, and policies of various governmental and regulatory agencies and, in particular, the policies of the Board of Governors of the Federal Reserve. Changes in monetary policy, including changes in interest rates, could influence not only the interest Valley receives on loans and investment securities and the amount of interest it pays on deposits and borrowings, but such changes could also affect (i) Valley's ability to originate loans and obtain deposits, (ii) the fair value of Valley's financial assets and liabilities, including the held to maturity, available for sale, and trading securities portfolios, and (iii) the average duration of Valley's interest-earning assets. This also includes the risk that interest-earning assets may be more responsive to changes in interest rates than interest-bearing liabilities, or vice versa (repricing risk), the risk that the individual interest rates or rate indices underlying various interest-earning assets and interest-bearing liabilities may not change in the same degree over a given time period (basis risk), and the risk of changing interest rate relationships across the spectrum of interest-earning asset and interest-bearing liability maturities (yield curve risk), including a prolonged flat or inverted yield curve environment.

Although management believes it has implemented effective asset and liability management strategies to reduce the potential effects of changes in interest rates on Valley's results of operations, any substantial, unexpected, prolonged change in market interest rates could have a material adverse effect on Valley's financial condition and results of operations. See *Net Interest Income* and *Interest Rate Sensitivity* sections in Valley's Form 10-K for the year ended December 31, 2007, Item 7, *Management's Discussion and Analysis of Financial Condition and Results of Operations* for further discussion related to Valley's management of interest rate risk.

Competition in the Financial Services Industry.

Valley faces substantial competition in all areas of its operations from a variety of different competitors, many of which are larger and may have more financial resources than Valley. Valley competes with other providers of financial services such as commercial and savings banks, savings and loan associations, credit unions, money market and mutual funds, mortgage companies, title agencies, asset managers, insurance companies and a growing list of other local, regional and national institutions which offer financial services. Mergers between financial institutions within New Jersey and in neighboring states have added competitive pressure. If Valley is unable to compete effectively, it will lose market share and its income generated from loans, deposits, and other financial products will decline.

Liquidity Risk.

Liquidity risk is the potential that Valley will be unable to meet its obligations as they come due, capitalize on growth opportunities as they arise, or pay regular dividends because of an inability to liquidate assets or obtain adequate funding in a timely basis, at a reasonable cost and within acceptable risk tolerances.

Liquidity is required to fund various obligations, including credit obligations to borrowers, mortgage originations, withdrawals by depositors, repayment of debt, dividends to shareholders, operating expenses and capital expenditures.

Liquidity is derived primarily from retail deposit growth and retention; principal and interest payments on loans; principal and interest payments; sale, maturity and prepayment of investment securities; net cash provided from operations and access to other funding sources.

Table of Contents

Valley's liquidity can be affected by a variety of factors, including general economic conditions, market disruption, operational problems affecting third parties or Valley, unfavorable pricing, competition, Valley's credit rating and regulatory restrictions.

Loss of Lower-Cost Funding Sources.

Checking and savings, NOW, and money market deposit account balances and other forms of customer deposits can decrease when customers perceive alternative investments, such as the stock market, as providing a better risk/return tradeoff. If customers move money out of bank deposits and into other investments, Valley could lose a relatively low cost source of funds, increasing its funding costs and reducing Valley's net interest income and net income.

Changes in Primary Market Areas Could Adversely Impact Results of Operations and Financial Condition.

Much of Valley's lending is in northern and central New Jersey and New York City. As a result of this geographic concentration, a significant broad-based deterioration in economic conditions in New Jersey and the New York City metropolitan area could have a material adverse impact on the quality of Valley's loan portfolio, and accordingly, Valley's results of operations. Such a decline in economic conditions could restrict borrowers' ability to pay outstanding principal and interest on loans when due, and, consequently, adversely affect the cash flows of Valley's business.

Valley's loan portfolio is largely secured by real estate collateral. A substantial portion of the real and personal property securing the loans in Valley's portfolio is located in New Jersey and New York City. Conditions in the real estate markets in which the collateral for Valley's loans are located strongly influence the level of Valley's non-performing loans and results of operations. A decline in the New Jersey and New York City metropolitan area real estate markets, as well as other external factors, could adversely affect Valley's loan portfolio.

Allowance For Loan Losses May Be Insufficient.

Valley maintains an allowance for loan losses based on, among other things, national and regional economic conditions, historical loss experience and delinquency trends. However, Valley cannot predict loan losses with certainty, and Valley cannot provide assurance that charge-offs in future periods will not exceed the allowance for loan losses. If net charge-offs exceed Valley's allowance, its earnings would decrease. In addition, regulatory agencies review Valley's allowance for loan losses and may require additions to the allowance based on their judgment about information available to them at the time of their examination. Valley management could also decide that the allowance for loan losses should be increased. An increase in Valley's allowance for loan losses could reduce its earnings.

Potential Acquisitions (Including the Greater Community Acquisition) May Disrupt Valley's Business and Dilute Shareholder Value.

Valley regularly evaluates merger and acquisition opportunities and conducts due diligence activities related to possible transactions with other financial institutions and financial services companies. As a result, merger or acquisition discussions and, in some cases, negotiations may take place and future mergers or acquisitions involving cash, debt or equity securities may occur at any time. Acquisitions typically involve the payment of a premium over book and market values, and, therefore, some dilution of Valley's tangible book value and net income per common share may occur in connection with any future transaction. Furthermore, failure to realize the expected revenue increases, cost savings, increases in geographic or product presence, and/or other projected benefits from an acquisition could have a material adverse effect on Valley's financial condition and results of operations.

Table of Contents

Implementation of Growth Strategies.

Valley has a strategic branch expansion initiative to expand its physical presence in New York City, including entry into new market areas located in Kings and Queens counties, New York, and fill in its markets within New Jersey. Additionally, in 2007, Valley expanded the geographic presence of its auto loan dealer network into Connecticut, which network already includes Pennsylvania, Florida, New York, and New Jersey. Valley can provide no assurances that it will successfully implement these initiatives.

Valley's ability to successfully execute these initiatives depends upon a variety of factors, including its ability to attract and retain experienced personnel, the continued availability of desirable business opportunities and locations, the competitive responses from other financial institutions in Valley's new market areas, and the ability to manage growth. These initiatives could cause Valley's expenses to increase faster than revenues.

There are considerable initial and on-going costs involved in opening branches, growing loans in new markets, and attracting new deposit relationships. These expenses could negatively impact future earnings. For example, it takes time for new branches and relationships to achieve profitability. Expenses could be further increased if there are delays in the opening of new branches or if attraction strategies are more costly than expected. Delays in opening new branches can be caused by a number of factors such as the inability to find suitable locations, zoning and construction delays, and success in attracting qualified personnel to staff the new branch. In addition, there is no assurance that a new branch will be successful even after it has been established.

From time to time, Valley may implement new lines of business or offer new products and services within existing lines of business. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. Valley may invest significant time and resources to develop and market new lines of business and/or products and services. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved and price and profitability targets may not prove feasible. External factors, such as compliance with regulations, competitive alternatives, and shifting customer preferences, may also impact the successful implementation of a new line of business or a new product or service. Additionally, any new line of business and/or new product or service could have a significant impact on the effectiveness of Valley's system of internal controls. Failure to successfully manage these risks could have a material adverse effect on Valley's business, results of operations and financial condition.

Changes in Accounting Policies or Accounting Standards.

Valley's accounting policies are fundamental to understanding its financial results and condition. Some of these policies require use of estimates and assumptions that may affect the value of Valley's assets or liabilities and financial results. Valley identified its accounting policies regarding the allowance for loan losses, goodwill and other intangible assets, and income taxes to be critical because they require management to make difficult, subjective and complex judgments about matters that are inherently uncertain. Under each of these policies, it is possible that materially different amounts would be reported under different conditions, using different assumptions, or as new information becomes available.

From time to time the Financial Accounting Standards Board (FASB) and the SEC change the financial accounting and reporting standards that govern the form and content of Valley's external financial statements. In addition, accounting standard setters and those who interpret the accounting standards (such as the FASB, SEC, banking regulators and Valley's outside auditors) may change or even reverse their previous interpretations or positions on how these standards should be applied. Changes in financial accounting and reporting standards and changes in current interpretations may be beyond Valley's control, can be hard to predict and could materially impact how Valley reports its financial results and condition. In certain cases, Valley could be required to apply a new or revised standard retroactively or apply an existing standard differently (also retroactively) which may result in Valley restating prior period financial statements in material amounts.

Table of Contents

Extensive Regulation and Supervision.

Valley, primarily through its principal subsidiary, Valley National Bank, and certain non-bank subsidiaries, is subject to extensive federal and state regulation and supervision. Banking regulations are primarily intended to protect depositors' funds, federal deposit insurance funds and the banking system as a whole. Such laws are not designed to protect Valley shareholders. These regulations affect Valley's lending practices, capital structure, investment practices, dividend policy and growth, among other things. Valley is also subject to a number of federal laws, which, among other things, require it to lend to various sectors of the economy and population, and establish and maintain comprehensive programs relating to anti-money laundering and customer identification. Congress and federal regulatory agencies continually review banking laws, regulations and policies for possible changes. Changes to statutes, regulations or regulatory policies, including changes in interpretation or implementation of statutes, regulations or policies, could affect Valley in substantial and unpredictable ways. Such changes could subject Valley to additional costs, limit the types of financial services and products it may offer and/or increase the ability of non-banks to offer competing financial services and products, among other things. Failure to comply with laws, regulations or policies could result in sanctions by regulatory agencies, civil money penalties and/or reputation damage, which could have a material adverse effect on Valley's business, financial condition and results of operations. Valley's compliance with certain of these laws will be considered by banking regulators when reviewing bank merger and bank holding company acquisitions. While Valley has policies and procedures designed to prevent any such violations, there can be no assurance that such violations will not occur.

Encountering Continuous Technological Change.

The financial services industry is continually undergoing rapid technological change with frequent introductions of new technology-driven products and services. The effective use of technology increases efficiency and enables financial institutions to better serve customers and to reduce costs. Valley's future success depends, in part, upon its ability to address the needs of its customers by using technology to provide products and services that will satisfy customer demands, as well as to create additional efficiencies in Valley's operations. Many of Valley's competitors have substantially greater resources to invest in technological improvements. Valley may not be able to effectively implement new technology-driven products and services or be successful in marketing these products and services to its customers. Failure to successfully keep pace with technological change affecting the financial services industry could have a material adverse impact on Valley's business and, in turn, Valley's financial condition and results of operations.

Operational Risk.

Valley faces the risk that the design of its controls and procedures, including those to mitigate the risk of fraud by employees or outsiders, may prove to be inadequate or are circumvented, thereby causing delays in detection of errors or inaccuracies in data and information. Management regularly reviews and updates Valley's internal controls, disclosure controls and procedures, and corporate governance policies and procedures. Any system of controls, however well designed and operated, is based in part on certain assumptions and can provide only reasonable, not absolute, assurances that the objectives of the system are met. Any failure or circumvention of Valley's controls and procedures or failure to comply with regulations related to controls and procedures could have a material adverse effect on Valley's business, results of operations and financial condition.

Valley may also be subject to disruptions of its systems arising from events that are wholly or partially beyond its control (including, for example, computer viruses or electrical or telecommunications outages), which may give rise to losses in service to customers and to financial loss or liability. Valley is further exposed to the risk that its external vendors may be unable to fulfill their contractual obligations (or will be subject to the same risk of fraud or operational errors by their respective employees as is Valley) and to the risk that Valley's (or its vendors') business continuity and data security systems prove to be inadequate.

Table of Contents

Valley's performance is largely dependent on the talents and efforts of highly skilled individuals. There is intense competition in the financial services industry for qualified employees. In addition, Valley faces increasing competition with businesses outside the financial services industry for the most highly skilled individuals. Valley's business operations could be adversely affected if it were unable to attract new employees and retain and motivate its existing employees.

Claims and Litigation Pertaining to Fiduciary Responsibility.

From time to time as part of Valley's normal course of business, customers make claims and take legal action against Valley based on actions or inactions of Valley employees. If such claims and legal actions are not resolved in a manner favorable to Valley, they may result in financial liability and/or adversely affect the market perception of Valley and its products and services. This may also impact customer demand for Valley's products and services. Any financial liability or reputation damage could have a material adverse effect on Valley's business, which, in turn, could have a material adverse effect on its financial condition and results of operations.

Board Recommendation

The Greater Community board of directors has unanimously approved the merger and the merger agreement and unanimously recommends a vote FOR approval and adoption of the merger and the merger agreement.

Record Date; Required Vote

The Greater Community Board has fixed the close of business on May 12, 2008 as the record date for the meeting. Only holders of record of Greater Community common stock at that time are entitled to get notice of the meeting and to vote at the meeting. On the record date, there were 8,743,740 shares of Greater Community common stock outstanding. Each of those shares will be entitled to one vote on each matter properly submitted to the meeting.

The merger cannot be completed without Greater Community shareholder approval. The affirmative vote of a majority of the shares voted at the meeting is required to approve the merger agreement.

On the May 12, 2008 record date, the directors and executive officers of Greater Community as a group beneficially owned 894,958 shares of Greater Community common stock, representing 10.19% of the issued and outstanding shares. In connection with the execution of the merger agreement, the directors of Greater Community, as well as John L. Soldoveri, holder of approximately 10% of Greater Community's common stock, agreed to vote all the shares they beneficially own as of the record date FOR the merger agreement.

The matters to be considered at the meeting are of great importance to the shareholders of Greater Community. Accordingly, both Greater Community and Valley urge you to read and carefully consider the information presented in this proxy statement-prospectus, and to complete, date, sign and promptly return the enclosed proxy in the enclosed postage paid envelope as instructed on the proxy card.

Table of Contents

The Greater Community Board is not aware of any matters that will come before the meeting other than the vote on the merger and the merger agreement. If any other matters come before the meeting, the persons named on the enclosed proxy card will have the discretion to vote on those matters using their best judgment, unless you specifically withhold that authorization when you complete your proxy card.

You may revoke any proxy that you give at any time before it is used to cast your vote. Simply showing up at the meeting will not automatically revoke your proxy. To revoke a proxy, you must either file a written notice of revocation with the Greater Community Corporate Secretary, deliver a properly executed proxy with a later date to the Greater Community Corporate Secretary, or vote the shares subject to the proxy by written ballot at the special meeting. The Greater Community Corporate Secretary will be in attendance at the meeting and, prior thereto, can be reached at the following address:

Jeannette M. Chardavoyne

Corporate Secretary

Greater Community Bancorp

55 Union Boulevard

Totowa, New Jersey 07512

The election inspectors appointed for the meeting, who will determine whether or not a quorum is present, will tabulate votes cast by proxy or in person at the meeting. Abstentions and broker non-votes will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions occur when proxies are marked as abstentions, or when shareholders appear in person but abstain from voting. Broker non-votes occur when a broker indicates on a proxy that it does not have discretionary authority regarding certain shares. Because abstentions and broker non-votes are not counted as votes cast on any matter to which they relate, they will not affect the outcome of the vote.

Solicitation of Proxies

In addition to using the mails, the directors, officers and employees of Greater Community may solicit proxies for the meeting from shareholders in person or by telephone. These directors, officers and employees will not be specifically compensated for their services. Greater Community will also make arrangements with brokerage firms and other custodians, nominees and fiduciaries to send proxy materials to their principals and will reimburse those parties for their expenses in doing so. Greater Community will bear all costs of soliciting proxies for the meeting.

Quorum

The presence, in person or by proxy, of a majority of the Greater Community common stock issued and outstanding and entitled to be voted at the meeting is necessary to constitute a quorum.

THE PROPOSED MERGER

Copies of the merger agreement and the warrant agreement are attached as Appendix A and Appendix B, respectively, to this proxy statement-prospectus and are incorporated by reference herein. Descriptions of the merger, the merger agreement and its exhibits thereto, and the warrant agreement are qualified in their entirety by reference to the merger agreement or such exhibits and the warrant agreement.

General Description

The merger agreement provides for the merger of Greater Community with and into Valley, with Valley as the surviving entity. A closing under the merger agreement is to occur after all material conditions to closing, including receipt of regulatory approvals and the expiration of regulatory waiting periods, have been met. The merger agreement provides that Valley will set the exact closing date in a notice delivered to Greater Community. The merger agreement also provides that Valley and Greater Community may agree on a different closing date. The parties have tentatively selected July 1, 2008 as the closing date, and they currently anticipate closing on or about that date. The merger will become effective at the time specified in a certificate of merger which Valley and Greater Community will prepare and which Valley will file with the New Jersey Department of Treasury, Division of Commercial Recording following the closing. Immediately after the merger is effective, Valley will merge Greater Community Bank with Valley National Bank, with Valley National Bank as the surviving entity. The exact closing date and effective time are dependent upon satisfaction of numerous conditions, some of which are not under Valley's or Greater Community's control.

Consideration

As a result of the merger, Greater Community shareholders will have the right to receive (i) 0.9975 of a share of Valley common stock and (ii) 0.105 of a warrant to purchase Valley common stock, for each share of Greater Community common stock owned. The original consideration per share was 0.95 of a share of Valley and 0.10 of a warrant; however, these amounts were adjusted as a result of a 5% stock dividend payable to holders of record of Valley common stock on May 9, 2008. The warrant exercise price will be equal to the average market price of Valley common stock during the ten trading-day period ending five trading days before the closing date, plus \$2.00. No fractional shares of Valley common stock or fractional warrants will be issued. In lieu of fractional shares of Valley common stock, each holder of Greater Community common stock who would be entitled to a fractional interest will instead receive an amount in cash determined by multiplying his or her fractional interest by the average closing price of Valley common stock during the ten trading-day period ending five trading days before the closing date. In lieu of fractional warrants for Valley common stock, each holder of Greater Community common stock who would be entitled to a fractional interest will instead receive an amount in cash determined by multiplying his or her fractional interest by the fair market value of the warrant determined using the Black-Scholes-Merton method based on several assumptions about the value of the warrant as agreed by the Chief Executive Officers of Valley and Greater Community.

Holders of unexercised Greater Community stock options will be entitled to consideration consisting of a cash payment from Greater Community immediately prior to the effective time of the merger in an amount equal to the number of shares of Greater Community common stock into which such stock options held are convertible multiplied by the excess of the per share cash value of the merger consideration over the exercise price per share provided for in such Greater Community stock options. The payments to the Greater Community option holders shall be treated as compensation and shall be net of any applicable federal and state withholding taxes. At the time of receipt of such cash payment, each holder of a Greater Community stock option will be required to execute a customary acknowledgment and release.

Table of Contents

In general, all shares of Greater Community common stock that are owned by Greater Community as treasury stock and all shares of Greater Community common stock that are owned directly or indirectly by Valley or Greater Community or any of their respective subsidiaries will be canceled and cease to exist and no stock or warrants of Valley or other consideration shall be delivered in exchange therefore.

Warrant Agreement

Valley has appointed American Stock Transfer & Trust Company as warrant agent for purposes of issuing, transferring and exchanging the warrants to be issued in the merger pursuant to the terms of the merger agreement and the warrant agreement. Each warrant shall be exercisable for a period beginning two years after the effective time of the merger and ending seven years from the effective time of the merger and otherwise in accordance with the terms of the warrant agreement, provided, however, that the warrants may be exercisable prior to the two-year anniversary in the event of an acquisition or proposed acquisition or liquidation involving Valley. The warrant agreement contains provisions that will adjust the number of shares purchasable upon exercise of the warrant proportionally to reflect any share dividend or other distribution, share division or combination, reclassification or reorganization which affects holders of record of Valley common stock as of any date on or after the time the merger becomes effective. In the event of any consolidation with or merger of Valley into another corporation or sale or conveyance of substantially all of Valley's assets (a change in control transaction), the warrant holder will have the right to receive, upon payment of the warrant price, upon the terms and conditions in the merger agreement and in the warrant agreement, and in lieu of shares of Valley common stock purchasable upon the exercise of the warrant, such shares of stock, securities, cash or other assets which the warrant holder would have been entitled to receive after the happening of such change in control transaction had such warrant been exercised immediately prior to the consummation of the transaction. In the event the change in control transaction involves an exchange of consideration other than shares of common stock or other securities in exchange for Valley common stock, Valley may fulfill its obligations to the warrant holder by permitting the warrant holder the opportunity to exercise his or her warrants before the consummation date of the change in control transaction, and thereby participate in the transaction as a holder of Valley common stock. Any warrants not exercised before the consummation of the change in control transaction shall be cancelled and become null and void on the consummation date of the transaction. The foregoing is merely a summary of the terms of the warrant agreement. The full terms of the warrant agreement are set forth in *Appendix B* and are incorporated by reference herein.

Voting Agreement

The directors of Greater Community, representing ownership of approximately 9.73% of Greater Community's outstanding common stock as of the record date, have entered into a voting agreement with Valley to vote in favor of the merger and the merger agreement. Mr. John Soldoveri, who owns approximately 10% of the outstanding Greater Community common stock, has also entered into the voting agreement and agreed to vote for the merger and the merger agreement.

Exchange of Shares

Greater Community and Valley have appointed American Stock Transfer & Trust Company as the exchange agent, and Valley has appointed American Stock Transfer as warrant agent, for purposes of effecting the conversion of Greater Community common stock into Valley common stock and warrants. You will receive a letter of transmittal following the closing of the merger which will contain instructions for exchanging your Greater Community share certificates.

Following the completion of the merger, American Stock Transfer will promptly deliver the merger consideration and the certificates representing Greater Community common stock will be canceled. Each share of Valley common stock and each warrant issued in exchange for Greater Community common stock will be deemed to have been issued at the time the merger becomes effective. Greater Community shareholders will be entitled to receive any dividend or other distribution which may be payable to holders of record of Valley

Table of Contents

common stock as of any date on or after the time the merger becomes effective. However, no dividend or other distribution will actually be paid with respect to any shares of Valley common stock until the certificates formerly representing shares of Greater Community common stock have been surrendered. At that time any accrued dividends and other distributions on those shares of Valley common stock will be paid without interest.

Greater Community shareholders, promptly after they surrender their Greater Community stock certificates to American Stock Transfer, will receive a certificate representing the full number of shares of Valley common stock into which their shares of Greater Community common stock have been converted, as well as a warrant certificate representing the amount of warrants to be received. A check for the amount to be received in lieu of fractional shares and warrants, if any, will also be issued to the former Greater Community shareholder at that time.

Background of the Merger

Greater Community has from time to time considered various strategies to allow it to continue its growth in shareholder value, including the possibility of business combinations with other financial institutions to enhance its available capital, increase its market share and shareholder value and expand its geographic market reach. However, Greater Community was not seeking a business combination when Kevin Lynch, President and Chief Executive Officer of Oritani Financial Corporation, met with Anthony M. Bruno, Jr., Chairman of the Board, President and Chief Executive Officer of Greater Community, in July 2007 to discuss a loan participation proposal for a loan that was larger than Greater Community could fund alone based on its capital. During the course of that meeting, Mr. Lynch presented Mr. Bruno with an unsolicited proposal to discuss a potential merger of Greater Community with Oritani. Consistent with its fiduciary duties to its shareholders, Greater Community began discussions with Oritani about a possible transaction.

By mid-October 2007, Oritani had proposed a merger to Greater Community through Oritani's financial advisors with proposed consideration of \$21.50 per share of Greater Community stock, taking into account Greater Community's 2.5% stock dividend. However, Oritani and Greater Community were experiencing difficulty in reaching agreement on a number of key terms of the merger, including the scope of the negative covenants that would bind Greater Community during the period following the execution of the proposed Oritani merger agreement through the closing. During this period, John L. Soldoveri called Mr. Bruno and indicated that Mr. Bruno should contact Valley because Valley may have an interest in acquiring Greater Community. Mr. Soldoveri is a former chairman of Greater Community and Greater Community's largest shareholder, owning approximately 10% of the outstanding shares of Greater Community common stock at the time the proposed merger with Oritani was announced, and also is the father of Greater Community board member Robert Soldoveri. Mr. Bruno asked representatives of The Kafafian Group, Inc., a financial advisor of Greater Community, to contact Valley and set up a meeting for October 19, 2007 to discuss Valley's possible interest in a business combination with Greater Community. At that meeting, Mr. Bruno and representatives of The Kafafian Group engaged in preliminary discussions with Gerald H. Lipkin, Chairman of the Board, President, and Chief Executive Officer of Valley, regarding the possible terms of a proposed transaction.

The discussions with Valley held between October 19 and October 29, 2007 related to Valley's possible interest in acquiring Greater Community. Valley and Greater Community discussed a transaction structured as a stock-for-stock transaction, pursuant to which each share of Greater Community common stock would be exchanged for a fixed fraction of a share of Valley stock, resulting in a possible value at that time of approximately \$17.00 to \$19.00 for each share of Greater Community stock. After representatives of The Kafafian Group indicated to Valley a need for an exchange ratio providing a higher value to Greater Community shareholders, Mr. Lipkin inquired whether a moderately higher exchange ratio would be acceptable, indicating, however, that Valley's board probably would be reluctant to authorize such an exchange ratio. Furthermore, Mr. Lipkin indicated that the contemplated exchange ratio would most likely be less should Valley's stock price increase from its current value. Greater Community management considered the fact that Valley's stock

Table of Contents

historically paid dividends, which was seen as a positive factor compared to Oritani stock, which did not pay dividends. Following these initial discussions, representatives of Greater Community sought a written proposal from Valley if such proposal was at or above a specific price level. However, Valley did not make such a proposal.

Mr. Bruno discussed these matters with members of the Greater Community executive committee. The committee decided that Sandler O'Neill & Partners, L.P., another financial advisor of Greater Community, should contact other potential acquirors to determine whether or not there were other parties interested in a transaction involving Greater Community at a price level comparable to or higher than the Oritani proposal. Sandler O'Neill identified four other financial institutions as prospective business combination partners. Sandler O'Neill believed that each of those four other institutions had the ability and interest to make such a proposal. After receiving authorization from Greater Community's executive committee, Sandler O'Neill contacted the chief executive officers of those four financial institutions, but for various reasons, all of the executives declined to express a formal indication of interest in a business combination. Some of the parties said they were in the process of exploring other strategic alternatives. Furthermore, other institutions that had been contacted told a representative of Sandler O'Neill that their valuation of Greater Community was significantly below \$21.50 per share, the value at that time of the merger consideration proposed by Oritani. In October 2007, the closing price of Greater Community common stock ranged from a low of \$14.00 per share to a high of \$15.14 per share.

Because none of the additional potential acquirors contacted by Sandler O'Neill had expressed an interest in a combination with Greater Community at the Oritani valuation level, and because Valley had not presented Greater Community with a written offer, Greater Community's financial advisors advised the Greater Community board that the Oritani proposal was superior to any alternative proposals made to Greater Community at the time. As a result of several discussions with Greater Community's advisors, the board of directors of Greater Community decided to proceed with the merger with Oritani. The merger agreement with Oritani was signed and delivered on November 13, 2007. The vote of the Greater Community board to proceed with the merger with Oritani was not unanimous, with six voting in favor, one director opposing and one abstaining.

The Oritani merger agreement provided for the merger of Greater Community with and into Oritani and the merger of Greater Community Bank with and into Oritani Savings Bank. Greater Community shareholders were to choose between receiving consideration for each share of Greater Community common stock of either \$21.40 cash or shares of Oritani common stock equal to the quotient of \$21.40 divided by the average closing price of a share of Oritani common stock as reported on Nasdaq for the twenty consecutive trading days ending on the second day prior to the effective time of the Oritani merger, subject to that quotient not being less than 1.1935 and not being more than 1.4588. In addition, 60% of the total number of shares of Greater Community stock converted pursuant to the transaction were to be converted into Oritani stock and 40% were to be converted into cash. The Oritani offer of \$21.50 per share was reduced to \$21.40 per share during the final negotiations with Oritani in order to provide for a retention bonus pool to Greater Community employees. Greater Community management and its board of directors felt this reduction in price to fund a retention pool was necessary to retain key personnel through the closing of the Oritani merger.

Soon after the announcement of the merger between Oritani and Greater Community, the price per share of Oritani common stock declined significantly, from a closing price per share of \$17.07 on the date the proposed transaction was announced to a closing price per share of \$12.35 on December 5, 2007.

On November 14, 2007, Mr. John Soldoveri informed a number of Greater Community board members that he did not view the proposed merger with Oritani favorably. During the course of a number of conversations, Mr. John Soldoveri indicated that he intended to oppose the proposed merger with Oritani. In December 2007, he suggested that he might purchase additional shares of Greater Community common stock with the intent to vote against the merger with Oritani and might bring suit against Greater Community and the Greater Community board of directors if the merger was not terminated. On December 20, 2007, Mr. John Soldoveri published an open letter in a number of New Jersey-based newspapers to Greater Community shareholders, employees and

Table of Contents

customers in which he outlined his objections to Greater Community's proposed merger with Oritani, stating that he objected to, among other things, (a) the fact that the value of the merger consideration with Oritani had declined as a result of the drop in the price of Oritani stock following the announcement of the merger, (b) Oritani's history of not paying dividends and (c) Oritani's status as a mutual holding company, which he felt put the public holders of Oritani stock in a perpetual minority shareholder status. He also indicated that he preferred a transaction involving only stock as consideration, allowing those shareholders with a low tax basis in their shares to defer capital gains, and that he had been informed that other shareholders intended to oppose the transaction. Mr. Soldoveri also amended his existing Schedule 13D and indicated that he would oppose the Oritani merger through any means available.

Oritani and Greater Community continued to work to satisfy the preconditions to the proposed merger, but several factors associated with the uncertainty created by the pending Oritani merger proposal caused both Oritani and Greater Community to consider whether it continued to be in the best interests of their respective shareholders to continue with the merger.

These factors included, without limitation:

Mr. John Soldoveri's ongoing opposition to the merger;

the decreased value of Oritani common stock following the announcement of the proposed merger;

litigation risks associated with terminating the merger;

pricing pressures generated by the general decline in the stock market and of financial stocks in particular at the end of 2007; and

customer and employee retention issues.

In early January 2008, Oritani proposed a mutual termination of the merger pursuant to which the merger would have been abandoned, all claims among the parties would have been released and each party would have been responsible for its own respective costs. Oritani also proposed that Greater Community be liable for a break-up fee of 3.5% of the value of an alternative acquisition transaction should it enter into such a transaction within 12 months of the termination of the merger. After carefully considering the advantages and disadvantages associated with a mutual termination based upon the terms proposed by Mr. Lynch, the board of directors of Greater Community decided to allow Greater Community shareholders the opportunity to vote on the proposed merger with Oritani. As a result, both parties continued preparing the requisite regulatory applications and continued preparing a joint proxy statement. Although some discussion of a mutual termination continued, no mutual termination agreement was reached.

On January 21, 2008, Mr. Ben Plotkin, Executive Vice President of Stifel, Nicolaus & Company, Incorporated, met with Mr. Lynch at his request. Among other matters, the two discussed the alternatives available to Oritani in connection with the Oritani/Greater Community transaction. Mr. Plotkin raised the possibility of Oritani consenting to another bank approaching Greater Community as a possible satisfactory solution for all parties. After his meeting with Mr. Lynch, Mr. Plotkin contacted Mr. Lipkin to discuss his potential interest in negotiating a consent agreement with Oritani that would permit Valley to enter into discussions with Greater Community. Mr. Lipkin expressed interest in such an approach. Within a few days, Mr. Plotkin discussed the concept involving Valley telephonically with Mr. Lynch. Mr. Lynch indicated a need to discuss the matter with Greater Community.

On February 5, 2008, Mr. Lynch and two of Oritani's directors met with Mr. Bruno and asked him if Greater Community had an interest in discussing a business combination with any third parties as an alternative to proceeding with the Oritani merger agreement. Mr. Lynch also asked Mr. Bruno whether he had discussed any business combinations with a third party prior to signing the Oritani merger agreement. After receiving Oritani's promise of confidentiality, Mr. Bruno said he had discussed a potential business combination with Valley prior to entering into the merger agreement with Oritani. Mr. Lynch suggested to Mr. Bruno that Oritani would permit Greater Community to have further discussions with Valley regarding a possible business combination and

would waive the covenant prohibiting Greater Community from discussing and entering into an alternative business combination if Valley were to make an offer to acquire Greater Community. Mr. Bruno indicated that he would need to discuss this with Greater Community's counsel and board of directors and recommended that Mr. Lynch do the same before any action was taken.

Within a day after this discussion, Mr. Bruno was informed that at least one member of Oritani's board of directors had contacted Mr. Lipkin to determine whether Valley had any interest in pursuing discussions with Greater Community regarding a possible business combination. Mr. Lipkin indicated to the Oritani director that he would consider discussing a possible transaction. Following his conversation with the Oritani director, Mr. Lipkin contacted, but did not have any substantive conversations with, Sandler O'Neill. Valley's legal counsel subsequently contacted Sandler O'Neill to clarify on behalf of Valley that Valley would not have any contact with Greater Community unless Oritani waived the limits on inquiries and discussions contained in the merger agreement between Oritani and Greater Community.

Greater Community recognized that the support of Mr. John Soldoveri could prove essential if Greater Community were to enter into any alternative business combination. As a result, on February 13, 2008, Greater Community entered into a confidentiality agreement with Mr. John Soldoveri in contemplation of furnishing to him information regarding Valley's prospective interest in acquiring Greater Community. The confidentiality agreement also prohibited Mr. John Soldoveri from purchasing or selling Greater Community securities. After entering into this confidentiality agreement, Greater Community discussed the possibility of Valley making an alternative offer to acquire Greater Community, and Mr. John Soldoveri indicated that he would consider supporting such an offer from Valley, depending on its proposed terms.

In February 2008, Oritani and Valley began discussing the possible terms of a waiver by Oritani of all prohibitions under the merger agreement between Oritani and Greater Community that would have prevented Greater Community from entering discussions with Valley, including whether Oritani would accept a reduced break-up fee in the event that Valley were to acquire Greater Community. Valley and Oritani reached an agreement by which Oritani agreed that it would accept from Greater Community a break-up fee of \$700,000 (rather than the \$6.6 million fee set forth in the Oritani merger agreement) should Valley and Greater Community execute a written agreement for Valley to acquire Greater Community. Oritani and Greater Community separately discussed such a waiver by Oritani throughout February 2008, and Oritani issued this waiver on March 3, 2008.

In late February, 2008, Mr. Lipkin advised the Valley board of the prospects of a potential transaction with Greater Community, and of the terms of the reduced termination fee, through various telephone calls and informal meetings.

Following the delivery of the waiver by Oritani, Valley contacted Greater Community regarding a potential alternative business combination. On March 6, 2008, a series of meetings were held to discuss a potential acquisition of Greater Community by Valley. At that first meeting, Robert Kafafian of The Kafafian Group, Alan Eskow, Executive Vice President and Chief Financial Officer of Valley, Michael Guilfoile of MG Advisors, Inc. and Messrs. Bruno and Lipkin, discussed the business models of Greater Community and of Valley, respectively, and Mr. Lipkin outlined a proposed transaction. Mr. Lipkin proposed exclusively using Valley stock as the merger consideration, offering to exchange each share of Greater Community common stock for between 0.85 and 0.95 of a share of Valley common stock. The closing price of Greater Community common stock on the date preceding this meeting was \$15.25 per share and the closing price of Valley common stock on the date preceding this meeting was \$18.31 per share. Mr. Kafafian indicated his belief that the Greater Community board would want a better exchange ratio for Greater Community shareholders, and suggested consideration of one share of Valley common stock for each share of Greater Community common stock. In an effort to bridge the gap between the terms that Mr. Lipkin had originally proposed and the terms for which Messrs. Bruno and Kafafian were advocating, Mr. Lipkin countered with an exchange ratio of 0.95 of a share of Valley common stock and 0.10 of a warrant to purchase Valley common stock for each share of Greater Community stock.

Table of Contents

After that first meeting had ended, Messrs. Bruno and Kafafian met separately to consider the Valley proposal. Thereafter, Messrs. Bruno and Kafafian met with Mr. John Soldoveri to try to determine whether Mr. John Soldoveri was likely to support a transaction between Greater Community and Valley, because both Greater Community and Valley were reluctant to move forward with discussions if Mr. John Soldoveri was not likely to support such a potential business combination.

Later that day, Messrs. Bruno, Kafafian, Lipkin and Eskow met once again. At this meeting, the participants discussed the terms of the proposal, in particular the terms of the Valley warrants, and Messrs. Lipkin and Bruno agreed that the warrants would become exercisable beginning two years after the date of the closing of a merger and would expire seven years after the closing, with a per share exercise price \$2.00 above the price of Valley shares over a 10-day period before the closing date. Mr. John Soldoveri later joined the meeting and indicated his support for the terms of the transaction that were discussed by Messrs. Bruno and Lipkin at the meeting.

Greater Community and Valley began working toward a definitive merger agreement based on the progress made at these March 6, 2008 meetings. Greater Community and Valley worked toward such a definitive merger agreement using the exchange ratio of 0.95 of a share of Valley common stock and 0.10 of a warrant to purchase Valley common stock for each share of Greater Community stock, but noted the need for the approval of both parties' boards of directors in order to enter into a definitive agreement. Immediately thereafter, Mr. Bruno individually contacted each member of the Greater Community board of directors to discuss the Valley offer. The content of these discussions included the consideration to be offered, how such an offer would likely compare to the Oritani merger agreement, and corollary issues relating to the logistics and desirability of merging Valley and Greater Community.

Valley commenced due diligence meetings with key Greater Community personnel beginning over the weekend of March 8th and 9th, and such due diligence continued through the week of March 10th. On March 13, 2008, Valley submitted to Greater Community a written proposal to acquire Greater Community. The proposed agreement offered the exchange ratio that representatives from Valley and Greater Community had discussed at their March 6th meeting (i.e., 0.95 of a share of Valley common stock and 0.10 of a warrant to purchase Valley common stock for each share of Greater Community common stock). The next day, Mr. Bruno consulted with Greater Community counsel regarding the terms of the agreement and thereafter, Greater Community's counsel and Valley's counsel held a teleconference to further negotiate the terms of the draft merger agreement between Valley and Greater Community. As a result of that teleconference, Valley submitted to Greater Community a revised draft of the proposed merger agreement on March 17, 2008.

Also on that date, the Greater Community executive committee, along with representatives from Sandler O'Neill and The Kafafian Group, met to discuss the proposed transaction with Valley. Among the issues discussed by the executive committee were the adequacy of the consideration being offered to Greater Community shareholders, particularly vis-à-vis the consideration offered pursuant to the Oritani merger agreement, the likely possibility that Mr. John Soldoveri would support the proposed transaction with Valley, the fact that Valley historically paid dividends on its common stock, the effect that this transaction would have on the continued retention of Greater Community employees, and the potential costs of terminating the Oritani merger agreement.

On March 17, 2008, the Valley board met to consider the proposed merger and the terms of the merger agreement. Legal counsel to Valley fully explained the terms of the merger agreement, and advised the board as to the various remaining open items, which items the Valley board agreed were not material to Valley. Representatives of Valley's financial advisors, MG Advisors, Inc. and Stifel Nicolaus & Company were also present at the meeting, and provided the Valley board with an in depth financial analysis of the transaction. Based on these presentations, along with presentations by senior management of Valley, the Valley board approved the merger and the merger agreement, and authorized Mr. Lipkin and Valley's senior management, in consultation with legal counsel, to finalize the merger agreement and to execute the merger agreement on behalf of Valley.

Table of Contents

On March 18, 2008, the Greater Community board of directors met to discuss the proposed transaction. Representatives from The Kafafian Group and Sandler O'Neill were present at this board meeting. The Greater Community board largely considered the same factors that the executive committee had considered the previous day. Of particular concern was the cost of terminating the agreement with Oritani, including the reduction of the break-up fee with respect to a potential acquisition by Valley from the \$6.6 million fee provided for in the Oritani agreement to \$700,000 in the event that Greater Community were to sign an acquisition agreement with Valley. The advantages and disadvantages of each alternative were discussed.

After continued negotiation, on March 19, 2008 Valley submitted a revised proposal to Greater Community that included changes to the draft Valley-Greater Community merger agreement that were more favorable to Greater Community than the terms in the originally proposed merger agreement with respect to the scope of the representations, warranties and covenants made by Greater Community and by Valley. The board of directors of Greater Community met once again and considered the draft merger agreement with Valley. At that time, the Greater Community board also considered the termination of the merger agreement with Oritani. At that March 19th special meeting of the Greater Community board, Sandler O'Neill made a presentation to the Greater Community board of directors in which Sandler O'Neill indicated to the board that the proposed transaction with Valley was fair to Greater Community shareholders from a financial perspective. Based on the Sandler O'Neill presentation and advice from legal counsel, the board discussed Greater Community's options and determined that because of the relative decline in the price of Oritani stock since the announcement of the proposed merger between Greater Community and Oritani, the continuing opposition of Mr. John Soldoveri to the proposed merger between Greater Community and Oritani, ongoing concerns regarding the retention of Greater Community customers and employees and the prospect of entering into the merger agreement with Valley, it was in the best interest of Greater Community and of Greater Community shareholders to terminate the proposed merger between Greater Community and Oritani and to pay the \$700,000 termination fee. The Greater Community board also considered whether it should remain independent, and determined that because of the analysis of its financial advisors that the value of the per share merger consideration was greater than the expected return of Greater Community common stock for the subsequent five-year period, it was not in the best interests of Greater Community or of Greater Community shareholders to remain independent. Thereafter, based on the determination by Sandler O'Neill that the proposed transaction with Valley was fair to Greater Community shareholders from a financial perspective, the Greater Community board's own discussion and analysis of the desirability of the transaction, review of due diligence materials provided by Valley to Greater Community and consultation with Greater Community's legal counsel, the Greater Community board voted unanimously to adopt the merger agreement with Valley and to recommend that shareholders support the proposed merger with Valley. The Greater Community board also unanimously voted to recommend that Valley appoint either Mr. Robert Soldoveri or Alfred R. Urbano, both of whom are current Greater Community board members, to the Valley board of directors following the closing of Greater Community's merger with Valley.

In conjunction with the Greater Community board unanimously voting to approve entering into the Valley merger agreement and recommending that Greater Community shareholders approve the Valley merger agreement, each Greater Community board member signed a voting agreement with Valley whereby he agreed to vote all of his shares of Greater Community stock beneficially owned as of the record date of the Greater Community special meeting in favor of the Valley merger agreement. In addition, Mr. John Soldoveri signed a voting agreement with Valley whereby he agreed to vote all of his shares of Greater Community stock beneficially owned as of the record date of the Greater Community special meeting in favor of the Valley merger agreement.

Recommendation of Greater Community's Board of Directors and Reasons for the Merger

The Greater Community board of directors has approved and adopted the merger and the merger agreement, determined that the merger and the merger agreement and the transactions contemplated by it are advisable and in the best interests of Greater Community and its shareholders and recommends that Greater Community shareholders vote FOR the proposal to approve and adopt the merger and the merger agreement and the transactions contemplated by it.

Table of Contents

In reaching its decision to approve and adopt the merger and the merger agreement and the transactions contemplated by it and recommend that Greater Community shareholders approve and adopt the merger and the merger agreement and the transactions contemplated by it, the board consulted with senior management and its financial and legal advisors. During its discussion and analysis of the proposed transaction, the Greater Community board of directors considered a variety of factors, including, without limitation, the following:

The combined entity will have access to considerably more capital, allowing it to consider acquisition and growth opportunities that have been unavailable to Greater Community as a result of its limited capital and payment of dividends.

The combined entity will be a sizeable company with branches in New Jersey and New York, significantly enhancing the combined entity's reach and market share.

Valley brings significant expertise, products and services to the combined entity.

The combined entity will have the ability to invest and utilize technology more efficiently to leverage its fixed costs.

The combined entity will have the potential for increased earnings in light of revenue enhancements and cost savings resulting from the transaction.

The tax-free nature of the consideration being paid to shareholders who will exchange Greater Community shares for Valley shares and warrants.

The ability to provide shareholders with a more liquid investment alternative given the greater trading volume of Valley's common stock compared to Greater Community's common stock.

The financial analysis of The Kafafian Group and Sandler O'Neill.

The analysis of its financial advisors that the value of the per share merger consideration was greater than the expected return of Greater Community common stock for the subsequent five-year period.

The fact that Valley has historically paid a dividend on its common stock.

The opinion of Sandler O'Neill that the consideration to be received in the transaction is fair to Greater Community's shareholders from a financial point of view.

The board's conclusion that the transaction with Valley offered greater value for Greater Community shareholders than would Greater Community continuing as an independent financial institution or engaging in the merger with Oritani.

The support of Mr. John Soldoveri of Greater Community's transaction with Valley.

Edgar Filing: VALLEY NATIONAL BANCORP - Form S-4/A

The board also discussed various risk factors associated with the proposed transaction with Valley, including, without limitation, the following:

The possibility of a decline in the value of Valley common stock or the possibility that the warrants may not ever have any value, or may have a lower value than anticipated.

The possibility that Mr. Lipkin, who is 67 years old, may retire at some point in the near future, thereby leading to the need for Valley to transition to a new President and CEO.

The possible loss of personnel as a result of the transaction and related costs.

The impact on customers and potential customers of Greater Community.

Management's continued diversion from regular business activities due to its concentration on the proposed transaction and integration issues.

Table of Contents

The discussion of the information and factors considered by the board is not intended to be exhaustive, but includes material factors considered in analyzing and evaluating the transaction. The Greater Community board did not assign particular weight or rank to the factors considered in approving the transaction and individual members of the board may have given different weight to the various factors.

In considering the recommendation of the Greater Community board of directors to approve and adopt the merger agreement and the transactions contemplated by it, Greater Community shareholders should be aware that certain executive officers and directors and certain shareholders of Greater Community have interests in the proposed transactions that may be different from, or in addition to, the interests of Greater Community shareholders generally. The Greater Community board of directors was aware of these interests when approving the merger agreement and recommending that the Greater Community shareholders vote to approve and adopt the merger agreement and the transactions contemplated by it. See *Interests of Certain Persons in the Merger* beginning on page 34.

Valley's Reasons for the Merger

Valley has an ongoing strategy of highly focused growth within New Jersey through new branches and acquisitions of other strong financial institutions. Valley's goal in acquisitions is to price transactions so that they are accretive to Valley's per share earnings during the first year of combined operations.

Valley entered into the merger agreement with Greater Community to further implement this strategy. Greater Community Bank is a traditional commercial bank with a culture focused on strong asset quality, customer service and earnings, making it similar to Valley's business model. Valley expects that the proximity of Greater Community offices and customers will allow Valley to continue to operate as a super-community bank following the merger.

Over the years, Greater Community has developed a strong following among both individual consumers and small-to-medium-sized companies that want to maintain their banking relationship with senior management and the decision makers in the bank. This closely follows Valley's approach to banking. Valley expects this acquisition to generate sufficient cost savings to make it accretive to earnings during the first year.

Interests of Certain Persons in the Merger

In considering the recommendation of the Greater Community board regarding the merger, Greater Community shareholders should know that certain directors and officers of Greater Community have interests in the merger in addition to their interests as shareholders of Greater Community. All these additional interests are described below, to the extent they are material and are known to Greater Community. The Greater Community Board was aware of these interests and considered them, among other matters, in approving the merger agreement.

Board Membership

Valley has agreed to appoint one non-management director of Greater Community to the Valley board of directors when the merger occurs, subject to Valley's director approval process. All current Greater Community non-management directors who do not become directors of Valley following the merger will be invited to serve as advisory directors for Valley National Bank.

Mr. Mauger would be entitled to a payment pursuant to such a termination following a change in control of one times his annual base salary of \$210,000. In addition, Greater Community has awarded to Mr. Mauger a stay bonus of \$100,000 pursuant to authority granted by the compensation committee of the Greater Community board of directors prior to the date of the merger agreement.

Valley intends to employ Ms. Arnold with a different title and position following the completion of the merger. However, Valley has agreed to pay the full

value of Ms. Arnold's change-in-control payments in exchange for the cancellation of Ms. Arnold's employment agreement.

- (f) Payment is triggered if Greater Community Bank transfers its controlling interest in Highland Capital Corporation to any other person or Greater Community's controlling interest in Greater Community Bank is transferred to any other person. In such an event, Ms. Smith has the exclusive option, which she must exercise within ninety days of such a transfer, to terminate her employment and receive, at Ms. Smith's exclusive option, either (i) two times her annual base salary of \$182,300; or (ii) 6.42% of Highland's adjusted sales price, as such amount is to be determined pursuant to Ms. Smith's agreement.

Pursuant to Greater Community's stock option plans, the vesting of all Greater Community stock options, including those options held by executive officers and directors of Greater Community, will accelerate in full, effective as of the date the Greater Community shareholders approve the merger. Options which are not exercised prior to the closing of the merger will be redeemed for cash as described elsewhere in this proxy statement-prospectus.

Pursuant to Greater Community's 2006 Long-Term Stock Compensation Plan, effective as of the date the Greater Community shareholders approve the merger, all restrictions on Greater Community restricted stock issued under the stock compensation plan will lapse, and all shares of restricted stock issued under the stock compensation plan will become fully vested, including restricted stock held by executive officers and directors of Greater Community.

Interests of Valley Officers and Directors

Mr. Richard Miller, a director of Valley, either individually or with his immediate family members, owns 14,851 shares of Greater Community common stock. Mr. Miller is a partner of a law firm which has provided legal services to Greater Community. In 2007, Mr. Miller's law firm was paid approximately \$214,390 in fees by Greater Community and its customers (in connection with loan closings). In addition, Mr. Miller maintains deposit accounts with Greater Community Bank.

Ms. Mary Guilfoile, a director of Valley, is also a director and officer of MG Advisors, Inc. MG Advisors provided financial advisory services to Valley in connection with the merger. MG Advisors will be paid a fee by Valley in connection with the merger. At this time, the amount of the fee is being negotiated by Valley and MG Advisors.

As a result of these relationships, both Mr. Miller and Ms. Guilfoile abstained from voting on the merger at the Valley board meeting where the merger was considered.

Fairness Opinion of Greater Community's Financial Advisor

Opinion of Sandler O'Neill & Partners, L.P. By letter dated March 5, 2008, Greater Community retained Sandler O'Neill to act as its financial advisor in connection with a possible business combination between Valley and Greater Community. Sandler O'Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. In the ordinary course of its investment banking business, Sandler O'Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions.

Sandler O'Neill acted as financial advisor to Greater Community in connection with the proposed transaction and participated in certain of the negotiations leading to the execution of a definitive merger agreement on March 19, 2008. At the March 19, 2008 meeting at which Greater Community's board considered and approved the merger agreement, Sandler O'Neill delivered to the board its oral opinion, that, as of such date, the merger consideration was fair to Greater Community from a financial point of view. **The full text of Sandler O'Neill's opinion is attached as Appendix C to this proxy statement-prospectus. The internal budgets and estimates for growth used and relied upon by Sandler O'Neill in its analyses of Greater Community and Valley were discussed with Greater Community senior management and Valley, respectively, who confirmed to Sandler O'Neill that those budgets and estimates reflected the best currently available estimates and judgments of the future financial performance of Greater Community and Valley. With respect to the internal budgets and growth estimates for Greater Community and Valley, Sandler O'Neill used and relied on the budgets provided by the senior management of Valley and Greater Community. All projections of transaction costs, purchase accounting adjustments and expected cost savings related to the merger were provided by or reviewed with senior management of Greater Community and such senior management confirmed to Sandler O'Neill that those projections reflected the best currently available estimates and judgments of such senior management. Sandler O'Neill assumed that the financial performances reflected in all budgets, estimates and projections used by it in its analyses would be achieved. Sandler O'Neill expressed no opinion as to such budgets, estimates or projections or the assumptions on which they were based. Sandler O'Neill also assumed that there has been no material change in the assets, financial condition, results of operations, business or prospects of Greater Community or Valley since the date of the last financial statements made available to them and that Greater Community and Valley will remain as going concerns for all periods relevant to the analyses.

With respect to the merger agreement, Sandler O'Neill assumed that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under the agreements, that the conditions precedent in the merger agreement are not waived and that the merger will be a tax-free reorganization for federal income tax purposes. Sandler O'Neill's opinion was approved by Sandler O'Neill's fairness opinion committee. Sandler O'Neill did not express any opinion as to the fairness of the amount or nature of the compensation to be received in the merger by Greater Community's officers, directors, or employees, or class of such persons, relative to the compensation to be received in the merger by any other shareholders of Greater Community. Finally, with Greater Community's consent, Sandler O'Neill relied upon the advice received from Greater Community's legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the merger agreement and the other transactions contemplated by the agreement.

Sandler O'Neill's opinion was necessarily based upon market, economic and other conditions as they existed on, and could be evaluated as of, the date of its opinion. Events occurring after the date of the opinion could materially affect the opinion. Sandler O'Neill has not undertaken to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after the date thereof. Sandler O'Neill expressed no opinion as to what the value of Valley's common stock will be when issued to Greater Community's shareholders pursuant to the agreement or the prices at which the common stock of Greater Community or Valley may trade at any time.

In rendering its March 19, 2008 opinion, Sandler O'Neill performed a variety of financial analyses. The following is a summary of the material analyses performed by Sandler O'Neill, but is not a complete description of all the analyses underlying Sandler O'Neill's opinion. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O'Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to Greater Community or Valley and no transaction is identical to the merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of Greater Community and Valley and the companies to which they are being compared.

Table of Contents

In performing its analyses, Sandler O'Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of Greater Community, Valley and Sandler O'Neill. The analysis performed by Sandler O'Neill is not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Sandler O'Neill prepared its analyses solely for purposes of rendering its opinion and provided such analyses to Greater Community's board at the board's March 19, 2008 meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. Accordingly, Sandler O'Neill's analyses do not necessarily reflect the value of the Greater Community common stock or the prices at which Greater Community common stock may be sold at any time. The combined analysis of Sandler O'Neill and the opinions provided by each were among a number of factors taken into consideration by Greater Community's board in making its determination to adopt the plan of merger contained in the merger agreement and the analyses described below should not be viewed as determinative of the decision of Greater Community's board or management with respect to the fairness of the merger.

At the March 19, 2008 meeting of Greater Community's board of directors, Sandler O'Neill presented certain financial analyses of the merger. The summary below is not a complete description of the analyses underlying the opinions of Sandler O'Neill or the presentation made by Sandler O'Neill to Greater Community's board, but is instead a summary of the material analyses performed and presented in connection with the opinion.

In arriving at its opinion Sandler O'Neill did not attribute any particular weight to any analysis or factor that it considered. Rather it made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Sandler O'Neill did not form an opinion as to whether any individual analysis or factor (positive or negative) considered in isolation supported or failed to support their respective opinions; rather Sandler O'Neill made its determination as to the fairness of the per share consideration on the basis of its experience and professional judgment after considering the results of all their analyses taken as a whole. Accordingly, Sandler O'Neill believes that the analysis and the summary of the analysis must be considered as a whole and that selecting portions of the analysis and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying their analyses and opinions. The tables alone do not constitute complete descriptions of the financial analyses presented in such tables.

Summary of Proposal. Sandler O'Neill reviewed the financial terms of the proposed transaction. Using the fixed exchange ratio of 0.95 of Valley no par common stock for each share of Greater Community common stock and 0.10 of a warrant to purchase Valley common stock at a price per share equal to \$2.00 above the 10 day average closing price of Valley ending five trading days before the effective date of the merger, Valley's closing stock price of \$19.06 as of March 18, 2008 and an estimated warrant valuation of \$0.21 as of March 18, 2008, Sandler O'Neill calculated a \$19.26 blended rate per share. In connection with its analyses, Sandler O'Neill considered and discussed with the Greater Community board how the present value analyses would be affected by changes in the underlying assumptions, including variations with respect to net income. Sandler O'Neill noted that the terminal value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Table of Contents

Pro Forma Merger Analysis. Sandler O'Neill analyzed certain potential pro forma effects of the merger, assuming the following: (1) the merger closes on December 31, 2008; (2) the deal value per share is equal to a \$19.26 blended rate per Greater Community share, given the 0.95 fixed exchange ratio and a warrant valued at approximately \$0.21; (3) options for Greater Community common stock will be accelerated upon closing and exchanged for cash; (4) 25% cost savings, or approximately \$7.0 million pretax in 2009; (5) \$6.5 million in pre-tax deal related expenses; (6) a 6.0% core deposit intangible, equaling \$20.3 million in aggregate; (7) Greater Community performed in accordance with an estimated earnings per share growth rate for the year ended December 31, 2007 as discussed with senior management of Greater Community and an estimated growth rate for the years ended December 31, 2008 through 2012 as discussed with senior management of Greater Community; and (8) Valley performed in accordance with an estimated earnings per share growth rate for the year ended December 31, 2007 as discussed with senior management of Valley and an estimated growth rate for the years ended December 31, 2008 through 2012 as discussed with senior management of Valley. The analyses indicated that for the year ending December 31, 2009, the merger would be accretive to Greater Community's projected earnings per share and, at December 31, 2009, the merger would be dilutive to Greater Community's tangible book value per share. From the standpoint of a Valley shareholder, for the year ending December 31, 2009, the merger would be accretive to earnings per share and, at December 31, 2008, the merger would be dilutive to tangible book value per share. The actual results achieved by the combined company may vary from projected results and the variations may be material.

Miscellaneous. Greater Community has agreed to pay Sandler O'Neill a transaction fee in connection with the merger of 0.25% of the aggregate purchase price, subject to closing, and a \$100,000 fee associated with Sandler's rendering of a fairness opinion. The entire \$100,000 fairness opinion fee is to be credited against the transaction fee. Greater Community has also agreed to reimburse certain of Sandler O'Neill's reasonable out-of-pocket expenses incurred in connection with its engagement and to indemnify Sandler O'Neill and its affiliates and their respective partners, directors, officers, employees, agents, and controlling persons against certain expenses and liabilities, including liabilities under the securities laws.

In the ordinary course of its respective broker and dealer businesses, Sandler O'Neill may purchase securities from and sell securities to Greater Community and Valley and their affiliates. Sandler O'Neill may also actively trade the debt and/or equity securities of Greater Community or their affiliates for their own accounts and for the accounts of their customers and, accordingly, may at any time hold a long or short position in such securities.

Resale Considerations Regarding Valley Common Stock

The shares of Valley common stock and warrants that will be issued if the merger is consummated will have been registered under the Securities Act of 1933. These registered shares and warrants will be freely transferable, including those shares and warrants received by directors and executive officers of Greater Community.

Conditions to the Merger

The obligation of each party to consummate the merger is subject to satisfaction or waiver of certain conditions, including:

approval of the merger agreement by the shareholders of Greater Community and the registration by Valley of the common stock and warrants with the SEC;

receipt of all necessary consents, approvals and authorizations necessary to consummate the merger from federal and state government authorities;

absence of any litigation that would restrain or prohibit the consummation of the merger, or that has significant potential to be resolved in a way that would deprive either Valley or Greater Community of the material benefits of the merger;

receipt of an opinion of Day Pitney LLP regarding the tax-free nature of the merger; and

the Valley common stock being approved for listing on the New York Stock Exchange.

The obligation of Valley to consummate the merger is also conditioned on, among other things:

continued accuracy, in all material respects, of the representations and warranties of Greater Community contained in the merger agreement;

performance by Greater Community, in all material respects, of its obligations under the merger agreement; and

Greater Community's previous merger agreement with Oritani Financial Corp., which it entered into on November 13, 2007, will have been terminated and Greater Community will not have paid more than \$700,000 as a termination fee with respect to such termination; such merger agreement was terminated as of March 19, 2008.

The obligation of Greater Community to consummate the merger is also conditioned on, among other things:

continued accuracy, in all material respects, of the representations and warranties of Valley contained in the merger agreement;

performance by Valley, in all material respects, of its obligations under the merger agreement; and

Valley having duly executed and delivered the warrant agreement.

Conduct of Business Pending the Merger

The merger agreement requires Greater Community to conduct its business until the merger takes place only in the ordinary course of business and consistent with prudent banking practices, except as permitted under the merger agreement or with the written consent of Valley. Under the merger agreement, Greater Community has agreed not to take certain actions without the prior written consent of Valley or unless permitted by the merger agreement, including, among other things, the following:

change any provision of its certificate of incorporation, by-laws or similar governing documents;

change the number of shares of its authorized or issued capital stock or issue or grant any option, warrant, call, commitment, subscription, right to purchase or agreement of any character relating to the authorized or issued capital stock of Greater Community or any Greater Community subsidiary or any securities convertible into shares of such stock, or split, combine or reclassify any shares of its capital stock, or redeem or otherwise acquire any shares of such capital stock, or declare, set aside or pay any dividend, or other distribution (whether in cash, stock or property or any combination thereof) in respect of its capital stock, except that Greater Community may declare a quarterly cash dividend equal to \$0.145 per share for the first quarter of 2008 and up to \$0.15 per share for any dividend declared after June 1, 2008;

grant anyone severance or termination pay, or enter into or amend any employment agreement;

Table of Contents

make any material change in its accounting methods or practices not required by generally accepted accounting principles, also known as GAAP ; and

take any action that would cause any of its representations or warranties in the merger agreement to be materially untrue or incorrect when the merger takes effect.

Under the merger agreement, Greater Community cannot encourage or solicit or hold discussions or negotiations with, or provide any information to, any person, entity or group, other than Valley, concerning any (1) merger, (2) sale of stock, (3) sale of substantial assets or liabilities of Greater Community or Greater Community Bank outside the ordinary course of business or (4) similar transactions. However, Greater Community may enter into discussions or negotiations or provide any information in connection with an unsolicited possible transaction of this sort if the Greater Community Board, after consulting with counsel, determines in the exercise of its fiduciary responsibilities that it should take those actions. Greater Community has agreed to promptly communicate to Valley the terms of any proposal it may receive with respect to any acquisition transaction. This restriction may deter other potential acquirors of control of Greater Community.

Representations, Warranties and Covenants

The merger agreement contains customary mutual representations and warranties relating to, among other things:

corporate organization and similar corporate matters;

capitalization;

authorization, execution and enforceability of the merger agreement;

the accuracy of financial information and of information contained in filings with the SEC;

fees payable to financial advisors;

pending legal proceedings and the absence of material litigation;

taxes and tax returns;

employee benefit plans and compliance with employee benefit laws and regulations;

the accuracy of information supplied by each party in creating the merger agreement;

compliance with applicable laws;

certain bank regulatory matters;

the enforceability and status of material contracts;

properties and insurance;

environmental matters;

insider loans and the validity and character of Greater Community Bank loans;

the absence of certain material changes or events since December 31, 2007;

the adequacy of loan loss reserves; and

the adequacy of disclosure controls and procedures.

Regulatory Approvals

Consummation of the Valley-Greater Community merger and the merger of Greater Community Bank into Valley National Bank requires the approval of the Office of the Comptroller of the Currency (the OCC). OCC approval does not constitute an endorsement of the merger or a determination by the OCC that the terms of the

Table of Contents

merger are fair to the shareholders of Greater Community or Valley. Valley filed an application for OCC approval on April 7, 2008 and was notified on April 14, 2008 that the application is eligible for expedited review. Valley also corresponded with the Federal Reserve Board on April 10, 2008 seeking confirmation that the merger does not require a formal application for approval of the Federal Reserve Board. Such confirmation was received from the Federal Reserve Board on April 24, 2008. Valley expects to receive final OCC approval on or about May 23, 2008.

Management and Operations After the Merger

As a result of the merger, Greater Community will be merged with and into Valley, with Valley as the surviving entity. Immediately following the merger, Greater Community Bank will be merged with and into Valley National Bank, with Valley National Bank as the surviving entity. Valley National Bank will continue to operate as a wholly-owned subsidiary of Valley.

Termination

Valley and Greater Community may terminate the merger agreement by mutual written consent at any time.

Either Valley or Greater Community may terminate the merger agreement for certain reasons, including the following:

the merger has not been completed by November 30, 2008;

the Greater Community shareholders fail to approve the merger agreement at the special meeting;

a regulatory approval needed to complete the merger has been denied or withdrawn;

the other party materially breaches any of its representations, warranties, covenants or other agreements contained in the merger agreement, unless the breach is curable and is cured within 20 days, in the case of a breach of representations and warranties, and 30 days, in the case of a breach of covenants or other agreements, in each case after written notice of the breach is given to the party committing the breach;

there exists any final nonappealable legal prohibition on completion of the merger; or

a legal opinion to the effect that the merger will qualify as a reorganization for United States federal income tax purposes is not received.

Greater Community may terminate the merger agreement if:

Greater Community's board of directors approves a definitive agreement reflecting a competing acquisition transaction which it determines is more favorable to Greater Community's shareholders than Valley's offer; or

the conditions to its completion of the merger are not met by Valley by November 30, 2008.
Valley may terminate the merger agreement if:

certain events occur which give rise to the payment of a termination fee as described below; or

the conditions to its completion of the merger are not met by Greater Community by November 30, 2008.

Termination Fees

In the event that a bona fide competing acquisition transaction is communicated to Greater Community or it shall have been publicly announced that any person other than Valley or any subsidiary of Valley shall have made a bona fide competing offer that becomes the subject of public disclosure, then the merger agreement may be terminated by Valley if, following such public disclosure:

the Greater Community shareholders meeting shall have been adjourned or canceled without Valley's written consent; or

Table of Contents

the Greater Community Board shall have publicly withdrawn or modified, or publicly announced its intent to withdraw or modify, in any manner adverse to Valley, its recommendation, or shall have failed to reconfirm its recommendation, that the Greater Community shareholders approve the merger; or

Greater Community shall have breached any covenant or obligation contained in the merger agreement and such breach would entitle Valley to terminate the merger agreement.

In such event, Greater Community will be required to pay Valley's reasonable out-of-pocket expenses related to the merger agreement, and if Greater Community completes a competing acquisition transaction or executes a definitive written agreement relating to a competing acquisition transaction within 12 months after such termination, Greater Community must also pay to Valley a fee of \$6 million.

In the event that Valley willfully and without reasonable justification breaches a covenant or agreement in the merger agreement, and such breach would allow Greater Community to terminate the merger agreement, then Valley would be obligated to pay to Greater Community a termination fee equal to \$700,000.

Accounting Treatment of the Merger

Valley intends to treat the merger as a purchase by Valley under the accounting principles generally accepted in the United States of America. Under the purchase method of accounting, the tangible and identifiable intangible assets and liabilities of Greater Community will be recorded, as of completion of the merger, at their respective fair values. The excess of the purchase price over the net assets acquired will be recorded as goodwill. Goodwill resulting from the merger will not be amortized, but will be reviewed for impairment at least annually. Core deposit and other intangibles with finite useful lives recorded in connection with the merger will be amortized.

Financial statements and reported results of operations of Valley issued after completion of the merger will not be restated retroactively to reflect the historical financial position or results of operations of Greater Community.

Material Federal Income Tax Consequences of the Merger

The following is a discussion of the material U.S. federal income tax consequences of the merger to Valley, Greater Community and holders of Greater Community common stock.

The discussion is based upon the Internal Revenue Code of 1986, as amended, IRS Treasury regulations, IRS rulings, and judicial and administrative decisions in effect as of the date of this document, all of which are subject to change, possibly with retroactive effect. Any such change could affect the accuracy of the statements and conclusions discussed below and the tax consequences of the merger. This discussion does not address all aspects of U.S. federal income taxation that may be relevant to the merger.

In addition, the following discussion may not be applicable with respect to certain specific categories of Greater Community shareholders, including but not limited to:

financial institutions, mutual funds, banks, insurance companies, investment companies, retirement plans, tax-exempt organizations, dealers in securities, and traders in securities that elect to use a mark-to-market method;

persons who are not citizens or residents of the United States, or who are foreign corporations, foreign partnerships, foreign estates or foreign trusts for U.S. federal income tax purposes;

persons who are subject to alternative minimum tax of the Code (to the extent such tax affects the income tax consequences of the merger);

Table of Contents

persons who hold their Greater Community stock as qualified small business stock within the meaning of Section 1202 of the Code;

persons that are or who hold their Greater Community stock through partnerships or other pass-through entities;

holders of options granted by Greater Community, or persons who acquired Greater Community stock pursuant to employee stock options or otherwise as compensation if such shares are subject to any restrictions related to employment; or

persons who hold their Greater Community shares as part of a hedge, constructive sale, straddle, or conversion transaction or other integrated transaction.

This discussion assumes that the Greater Community common stock is generally held as a capital asset within the meaning of Section 1221 of the Code. In addition, the discussion does not address the tax consequences of the merger under foreign, state or local tax laws. Greater Community shareholders are urged to consult their tax advisors as to the U.S. federal income tax consequences of the merger and the related reporting obligations, as well as the effects of state, local and non-U.S. tax laws and U.S. tax laws other than income tax laws.

It is the opinion of Day Pitney LLP, counsel to Valley that, subject to the qualifications set forth herein, the material U.S. federal income tax consequences of the merger are as set forth below. Such opinions are based on the assumptions that: (a) the factual representations contained in the Merger Agreement and in letters delivered to Day Pitney LLP by Valley and Greater Community in connection with the tax opinions are true, correct and complete as of the date of the Merger Agreement and the letters, respectively, will remain true, correct and complete through the effective time of the merger, (b) that the merger will be consummated in accordance with the Merger Agreement and the applicable provisions of New Jersey law, and (c) that the merger will be reported by the parties to the Merger Agreement for federal and applicable state income tax purposes in a manner that is consistent with the treatment of the merger as a reorganization within the meaning of U.S. tax laws.

An opinion of counsel only represents counsel's best judgment, and has no binding effect or official status of any kind and no assurance can be given that contrary positions may not be taken by the IRS or a court considering the issues. Neither Valley nor Greater Community has requested or will request a ruling from the IRS with regard to any of the federal income tax consequences of the merger. Subject to the foregoing, the material U.S. federal income tax consequences of the merger are as follows:

Classification as a Reorganization. The merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

Federal Income Tax Consequences to Valley, Greater Community, and shareholders of Valley. No gain or loss will be recognized by either Valley, Greater Community, or any shareholders of Valley as a result of the merger.

Federal Income Tax Consequences to Greater Community Shareholders. The U.S. federal income tax consequences of the merger to a Greater Community shareholder are as follows:

No Gain or Loss Upon Exchange of Greater Community Common Stock for Valley Common Stock and Warrants. A Greater Community shareholder will not recognize taxable gain or loss upon the exchange of Greater Community common stock solely for Valley common stock and warrants, except in respect of cash received instead of a fractional share of Valley common stock and/or a fractional warrant to purchase Valley common stock (as discussed below).

Table of Contents

Exchange of Cash in Lieu of Fractional Share and Fractional Warrant. A Greater Community shareholder who receives cash instead of a fractional share of Valley common stock or a fractional warrant to purchase Valley common stock will generally be treated as having received such fractional share and/or such fractional warrant and then having received such cash in redemption of the fractional share and/or fractional warrant. Gain or loss generally will be recognized based on the difference between the amount of cash received and the portion of the Greater Community shareholder's aggregate adjusted tax basis of the Greater Community shares exchanged in the merger which is allocable to the fractional share of Valley common stock and/or the fractional warrant to purchase Valley common stock. Such gain or loss generally will be long-term capital gain or loss if the holding period for such shares of Greater Community common stock is more than one year at the effective time of the merger.

Backup Withholding. Payments in connection with the merger may be subject to backup withholding at a rate of 28%. Backup withholding generally applies if a holder: (a) fails to furnish his, her or its taxpayer identification number, or TIN, (b) furnishes an incorrect TIN, (c) fails to properly include a reportable interest or dividend payment on his, her or its United States federal income tax return, or (d) under some circumstances, fails to provide a certified statement, signed under penalties of perjury, that the TIN provided is its correct number and that the shareholder is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent that it results in an overpayment of tax. Certain persons generally are entitled to an exemption from backup withholding, including corporations, financial institutions and certain foreign shareholders if such foreign shareholders submit a statement, signed under penalties of perjury, attesting their exempt status. Certain penalties apply for failure to furnish correct information and for failure to include reportable payments in income. Each Greater Community shareholder should consult his, her or its own tax advisor as to his, her or its qualification for exemption from backup withholding and the procedure for obtaining such exemption.

Tax matters are complicated and the tax consequences of the merger to each holder of Greater Community common stock will depend on the facts of each such shareholder's particular situation. The United States federal income tax discussion set forth above does not address all United States federal income tax consequences that may be relevant to a particular holder and may not be applicable to all holders' special situations. Greater Community shareholders are urged to consult their own tax advisor about the federal income tax consequences under their own particular facts and circumstances, and also as to any state, local, foreign or other tax consequences arising out of the merger.

No Dissenters' Rights

Under applicable New Jersey law, Greater Community shareholders do not have dissenters' rights of appraisal in connection with the merger.

Table of Contents**COMPARATIVE PER SHARE MARKET PRICE AND DIVIDEND INFORMATION**

On the following page we set forth the earnings per share, period-end book value per share and cash dividends per share for the common stock of Valley and Greater Community for the periods noted. The data is presented on an historical and pro forma basis, as well as pro forma equivalent per share data for Greater Community. The historical per share data were derived from the financial statements of Valley and Greater Community that are incorporated by reference herein. The pro forma combined share data have been derived after giving effect to the Greater Community merger as if it occurred at the beginning of the period presented using the purchase method of accounting. The historical per share data for both Valley and Greater Community have been restated to retroactively reflect the effect of stock dividends and stock splits and is not necessarily indicative of results for the remainder of 2008 or any future period. See Summary Financial Data of Valley on page 10 and Summary Financial Data of Greater Community on page 11. The pro forma information is not necessarily indicative of the results of operations which would have been achieved had the merger been consummated as of the beginning of the periods for which data are presented and should not be construed as being representative of future periods.

We have computed the pro forma equivalent per Greater Community share by multiplying the pro forma combined per share data (giving effect to the Greater Community merger) by the 0.9975 exchange ratio. Because the warrants are not exercisable for a period of two years and because there is no guarantee that the warrants will be exercised at any time, the value of the warrants has not been included in the pro forma equivalent per Greater Community share column.

The dividend per share data shown below do not necessarily indicate the dividends that you should expect for any future period. The amount of future dividends payable by Valley, if any, is at the discretion of Valley's board of directors. When declaring dividends, the directors normally consider Valley's and Valley National Bank's cash needs, general business conditions, dividends from subsidiaries and applicable governmental regulations and policies. Pro forma amounts assume that Valley would have declared cash dividends per share on Valley common stock, including the Valley common stock issued in the merger for Greater Community common stock, equal to its historical cash dividends per share declared on Valley common stock.

The estimated values of the warrants were calculated using the Black-Scholes-Merton method based on certain assumptions. The estimated values would change if Valley used different assumptions. Valley common stock is listed on the New York Stock Exchange under the symbol VLY and Greater Community common stock is traded on the Nasdaq Global Select Market under the symbol GFLS. We urge you to obtain current market quotations for Valley common stock and Greater Community common stock. Because the exchange ratio is fixed and trading prices fluctuate and because the value of the warrants is estimated, Greater Community shareholders are not assured of receiving any specific market value of Valley common stock and warrants. The price of Valley common stock when the merger becomes effective may be higher or lower than its price when the merger agreement was signed, when this proxy statement was mailed or when Greater Community shareholders meet to vote on the merger.

DESCRIPTION OF VALLEY COMMON STOCK

The authorized capital stock of Valley presently consists of 190,886,088 shares of common stock and 30,000,000 shares of preferred stock. As of the date hereof, 125,955,084 shares of Valley common stock and no shares of preferred stock were outstanding.

General

Valley is a New Jersey general business corporation governed by the New Jersey Business Corporation Act and a registered bank holding company under the Bank Holding Company Act. The following description of Valley common stock describes certain general terms of Valley common stock.

Dividend Rights

Holders of Valley common stock are entitled to dividends when, as and if declared by the board of directors of Valley out of funds legally available for the payment of dividends. The only statutory limitation is that such dividends may not be paid when Valley is insolvent. Funds for the payment of dividends by Valley must come primarily from the earnings of Valley's bank subsidiary. Thus, as a practical matter, any restrictions on the ability of Valley National Bank to pay dividends will act as restrictions on the amount of funds available for payment of dividends by Valley.

As a national banking association, Valley National Bank is subject to limitations on the amount of dividends it may pay to Valley, Valley National Bank's only shareholder. Prior OCC approval is required to the extent the total dividends to be declared by Valley National Bank in any calendar year exceeds net profits for that year combined with the bank's retained net profits from the preceding two calendar years, less any transfers to capital surplus. Under this limitation, Valley National Bank could declare dividends in 2008 without prior approval of the OCC of up to \$63.3 million plus an amount equal to Valley National Bank's net profits for 2008 to the date of such dividend declaration.

Valley is also subject to certain Federal Reserve Board policies that may, in certain circumstances, limit its ability to pay dividends. These policies require, among other things, that a bank holding company maintain a minimum capital base. The Federal Reserve Board would most likely seek to prohibit any dividend payment that would reduce a holding company's capital below these minimum amounts.

Voting Rights

At meetings of shareholders, holders of Valley common stock are entitled to one vote per share. The quorum for shareholders' meetings is a majority of the outstanding shares. Generally, actions and authorizations to be taken or given by shareholders require the approval of a majority of the votes cast by holders of Valley common stock at a meeting at which a quorum is present.

Liquidation Rights

In the event of liquidation, dissolution or winding up of Valley, holders of Valley common stock are entitled to share equally and ratably in assets available for distribution after payment of debts and liabilities.

Assessment and Redemption

All outstanding shares of Valley common stock are fully paid and nonassessable. Valley common stock is not redeemable at the option of the issuer or the holders thereof.

Other Matters

American Stock Transfer and Trust Company is presently both the transfer agent and the registrar for Valley common stock. Valley common stock is traded on the New York Stock Exchange under the symbol VLY , and is registered with the SEC under Section 12(b) of the Exchange Act.

Blank Check Preferred Stock

The preferred stock that is authorized by Valley s certificate of incorporation is typically referred to as blank check preferred stock. This term refers to stock for which the rights and restrictions are determined by the board of directors of a corporation. Except in limited circumstances, Valley s certificate of incorporation authorizes the Valley board of directors to issue new shares of Valley common stock or preferred stock without further shareholder action.

Valley s certificate of incorporation gives the board of directors authority at any time to:

divide the authorized but unissued shares of preferred stock into series;

determine the designations, number of shares, relative rights, preferences and limitations of any series of preferred stock;

increase the number of shares of any preferred series; and

decrease the number of shares in a preferred series, but not to a number less than the number of shares outstanding.

The issuance of additional common or preferred stock may be viewed as having adverse effects upon the holders of common stock. Holders of Valley s common stock will not have preemptive rights with respect to any newly issued stock. The Valley board could adversely affect the voting power of holders of Valley stock by issuing shares of preferred stock with certain voting, conversion and/or redemption rights. In the event of a proposed merger, tender offer or other attempt to gain control of Valley that the board of directors does not believe to be in the best interests of its shareholders, the board could issue additional preferred stock which could make any such takeover attempt more difficult to complete. Blank check preferred stock may also be used in connection with the issuance of a shareholder rights plan, sometimes called a poison pill. The board of directors of Valley has not approved any plan to issue any preferred stock for this or any other purpose. The Valley board of directors does not intend to issue any preferred stock except on terms that the board deems to be in the best interests of Valley and its shareholders.

**COMPARISON OF THE RIGHTS OF SHAREHOLDERS OF VALLEY
AND GREATER COMMUNITY**

At the time the merger becomes effective, each Greater Community shareholder will become a shareholder of Valley. Each of Valley and Greater Community is a business corporation incorporated in New Jersey under the New Jersey Business Corporation Act. The following is a comparison of certain provisions of the respective certificates of incorporation and by-laws of each of Greater Community and Valley, and a description of certain provisions of the Business Corporation Act applicable to Valley and Greater Community. This summary does not purport to be complete and is qualified in its entirety by reference to the Business Corporation Act, which may change from time to time, and the respective certificates of incorporation and by-laws of Valley and Greater Community, which also may be changed.

Voting Requirements

Under the Business Corporation Act, unless a greater vote is specified in the certificate of incorporation, the affirmative vote of a majority of the votes cast by shareholders entitled to vote on the matter is required to approve:

an amendment to the certificate of incorporation;

the voluntary dissolution of the corporation;

the sale or other disposition of all or substantially all of the corporation's assets outside the ordinary course of business; or

the merger or consolidation of the corporation with another corporation.

Neither Valley's nor Greater Community's certificate of incorporation presently contains provisions specifying the required votes for approving the above matters. Valley's by-laws require a majority of the votes cast by shareholders entitled to vote to approve any matter submitted to the shareholders.

The New Jersey Shareholders Protection Act limits certain transactions involving an interested shareholder and a resident domestic corporation. A resident domestic corporation is an issuer of voting stock organized under New Jersey laws with its principal executive offices or significant business operations located in New Jersey. An interested shareholder is one that (1) beneficially owns, directly or indirectly, 10% or more of the outstanding voting stock of the resident domestic corporation or (2) is an affiliate or associate of the resident domestic corporation and at any time within the past five years beneficially owned, directly or indirectly, 10% or more of the voting power of the then outstanding stock of the resident domestic corporation. The Shareholders Protection Act prohibits certain business combinations between an interested shareholder and a resident domestic corporation for five years following the interested shareholder acquiring its stock, unless the corporation's board of directors approved the business combination prior to the interested shareholder's stock acquisition date. After the five-year period expires, the prohibition on certain business combinations continues unless the combination is approved by the affirmative vote of two-thirds (2/3) of the voting stock not beneficially owned by the interested shareholder, the combination is approved by the board prior to the interested shareholder's stock acquisition date or certain fair price provisions are satisfied. The Shareholders Protection Act applies to both Valley and Greater Community.

Cumulative Voting

Under the Business Corporation Act, shareholders of a New Jersey corporation do not have cumulative voting rights in the election of directors unless the certificate of incorporation so provides. Neither Valley's nor Greater Community's certificate of incorporation presently provides for cumulative voting.

Table of Contents

Classified Board of Directors

The Business Corporation Act permits a New Jersey corporation to provide for a classified board in its certificate of incorporation. The certificate of incorporation of Valley does not provide for a classified board of directors. Valley's entire board of directors is elected each year.

Greater Community's certificate of incorporation provides for three classes of directors with each class comprising approximately one-third of the members of the board. Directors are elected for three-year terms, with one class being elected each year.

Dividends

The Business Corporation Act generally provides that a New Jersey corporation may declare and pay dividends on its outstanding stock so long as the corporation is not or would not become as a consequence of the dividend payment either unable to pay its debts as they become due in the usual course of its business or have total assets that would be less than total liabilities. Valley's certificate of incorporation does not presently contain any restriction on Valley's ability to pay dividends. Funds for the payment of dividends by Valley must come primarily from the earnings of Valley's bank subsidiary. Thus, as a practical matter, any restrictions on the ability of Valley National Bank to pay dividends act as restrictions on the amount of funds available for the payment of dividends by Valley. Similarly, Greater Community's certificate of incorporation does not restrict Greater Community's ability to pay dividends, but funds for Greater Community's dividends come primarily from the earnings of Greater Community Bank. Therefore, any restrictions on the ability of Greater Community Bank to pay dividends act as restrictions on the amount of funds available for the payment of dividends payable by Greater Community.

By-laws

Under the Business Corporation Act, the board of directors of a New Jersey corporation has the power to make, alter and repeal the corporation's by-laws, unless such powers are reserved in the certificate of incorporation to the shareholders. Neither Valley's nor Greater Community's certificate of incorporation presently reserves such powers to shareholders.

Limitations of Liability of Directors and Officers

Under the Business Corporation Act, a New Jersey corporation may include in its certificate of incorporation a provision that would eliminate or limit directors' or officers' liability to the corporation or to its shareholders, for monetary damage for breaches of their fiduciary duty of care. However, a director or officer cannot be relieved from liability or otherwise indemnified for any breach of duty based upon an act or omission:

in breach of the person's duty of loyalty to the corporation or its shareholders;

not in good faith or involving a knowing violation of law; or

resulting in the person's receipt of an improper personal benefit.

Both Valley's and Greater Community's certificates of incorporation contain provisions that limit their directors' and officers' liability to the fullest extent permitted by New Jersey law.

Preferred Stock

Both Valley's and Greater Community's certificates of incorporation contain so-called "blank check preferred stock" provisions, provisions whereby the board of directors can issue new shares of authorized but unissued preferred stock without shareholder approval. Neither Valley nor Greater Community currently has any preferred stock issued or outstanding.

APPENDIX A

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER, dated as of March 19, 2008 (this *Agreement*), is among Valley National Bancorp, a New Jersey corporation and registered bank holding company (*Valley*) and Greater Community Bancorp, a New Jersey corporation and registered bank holding company (*Greater Community*).

RECITALS

Valley desires to acquire Greater Community, and Greater Community's Board of Directors has determined, based upon the terms and conditions hereinafter set forth, that the acquisition is in the best interests of Greater Community and its shareholders. The acquisition will be accomplished by merging Greater Community into Valley with Valley as the surviving corporation and, at the same time, merging Greater Community Bank, a New Jersey state-chartered commercial bank (*CB*) and wholly-owned subsidiary of Greater Community into Valley National Bank, a national banking association (*VNB*) and wholly-owned subsidiary of Valley, with VNB as the surviving bank, and Greater Community shareholders receiving the consideration hereinafter set forth. The Boards of Directors of Greater Community and Valley have duly adopted and approved this Agreement, and the Board of Directors of Greater Community has directed that it be submitted to its shareholders for approval. The Board of Directors of each of CB and VNB shall approve the Bank Merger (as hereinafter defined) promptly after this Agreement is executed.

NOW, THEREFORE, intending to be legally bound, the parties hereto agree as follows:

ARTICLE I

THE MERGER

1.1. The Merger. Subject to the terms and conditions of this Agreement, at the Effective Time (as hereafter defined), Greater Community shall be merged with and into Valley (the *Merger*) in accordance with the New Jersey Business Corporation Act (the *NJBCA*) and Valley shall be the surviving corporation (the *Surviving Corporation*). Immediately following the Effective Time, CB shall be merged with and into VNB as provided in *Section 1.7* hereof.

1.2. Effect of the Merger. At the Effective Time, the Surviving Corporation shall be considered the same business and corporate entity as each of Valley and Greater Community and thereupon and thereafter, all the property, rights, privileges, powers and franchises of each of Valley and Greater Community shall vest in the Surviving Corporation and the Surviving Corporation shall be subject to and be deemed to have assumed all of the debts, liabilities, obligations and duties of each of Valley and Greater Community and shall have succeeded to all of each of their relationships, as fully and to the same extent as if such property, rights, privileges, powers, franchises, debts, liabilities, obligations, duties and relationships had been originally acquired, incurred or entered into by the Surviving Corporation. In addition, any reference to either Valley or Greater Community in any contract or document, whether executed or taking effect before or after the Effective Time, shall be considered a reference to the Surviving Corporation if not inconsistent with the other provisions of the contract or document; and any pending action or other judicial proceeding to which either of Valley or Greater Community is a party shall not be deemed to have abated or to have discontinued by reason of the Merger, but may be prosecuted to final judgment, order or decree in the same manner as if the Merger had occurred; or the Surviving Corporation may be substituted as a party to such action or proceeding, and any judgment, order or decree may be rendered for or against it that might have been rendered for or against either of Valley or Greater Community if the Merger had not occurred.

Table of Contents**ARTICLE II****CONVERSION OF GREATER COMMUNITY COMMON STOCK**

Each share of common stock, \$0.50 par value per share, of Greater Community (*Greater Community Common Stock*) issued and outstanding immediately prior to the Effective Time, including, without limitation any shares of restricted Common Stock issued and outstanding pursuant to Greater Community's 2006 Long-Term Stock Compensation Plan, shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted or cancelled at the Effective Time in accordance with this *Article II*.

2.1 Conversion of Greater Community Common Stock; Exchange Ratio; Cash in Lieu of Fractional Shares. (a) At the Effective Time, subject to the other provisions of this *Section 2.1* and *Section 2.2*, each share of Greater Community Common Stock issued and outstanding immediately prior to the Effective Time (other than Excluded Shares (as such term is hereinafter defined)), shall by virtue of the Merger and without any action on the part of Greater Community, Valley or the holder thereof, cease to be outstanding and shall be converted into and become the right to receive, (i) 0.95 shares (the *Exchange Ratio*) of no par value common stock of Valley (*Valley Common Stock*) plus (ii) 0.10 of a warrant to purchase Valley Common Stock (the *Warrants*) at a price per share equal to the Average Closing Price plus \$2.00 per share (the *Exercise Price*). Each Warrant shall be exercisable for a period beginning two years after the Effective Time and ending seven years from the Effective Time in accordance with the warrant agreement (the *Warrant Agreement*) and form of Warrant attached hereto as *Exhibit B*. No fractional shares of Valley Common Stock will be issued, and in lieu thereof, each holder of Greater Community Common Stock who would otherwise be entitled to a fractional interest will receive an amount in cash determined by multiplying such fractional interest by the Average Closing Price as defined below. No fractional Warrants shall be issued. In lieu of fractional Warrants, Valley shall pay to each Greater Community shareholder who would otherwise be entitled to receive a fractional Warrant an amount in cash equal to (A) the fair market value of the Warrant as agreed by the respective Chief Executive Officers of Valley and Greater Community, based on all relevant factors, including the Black-Scholes model, which model shall take into account a discount with regard to the lack of exercisability of the Warrant for the first two years, multiplied by (B) the fraction of a Warrant such Greater Community shareholder would otherwise have been entitled to receive. For purposes of this *Section 2.1*, the following terms shall have the following meanings:

(i) *Closing Price* shall mean the closing sale price of Valley Common Stock on a Trading Day as supplied by the New York Stock Exchange (as reported in *The Wall Street Journal* or, if not reported thereby, another mutually agreed to authoritative source).

(ii) *Trading Day* shall mean a day for which a Closing Price is so supplied.

(iii) *Average Closing Price* shall mean the average of the Closing Prices on the ten (10) Trading Days immediately preceding the date which is five (5) Trading Days prior to the Closing Date.

(b) At the Effective Time, all shares of Greater Community Common Stock held by Greater Community in its treasury or owned by Valley or by any of Valley's Subsidiaries (other than shares held as trustee or in a fiduciary capacity and shares held as collateral on or in lieu of a debt previously contracted) (*Excluded Shares*) shall be canceled and shall cease to exist and no shares of Valley Common Stock or Warrants shall be delivered in exchange therefor.

(c) On and after the Effective Time, holders of certificates which immediately prior to the Effective Time represented outstanding shares of Greater Community Common Stock (the *Certificates*) shall cease to have any rights as shareholders of Greater Community, except the right to receive the consideration set forth in this *Section 2.1* for each such share held by them. The Valley Common Stock and Warrants which any one Greater Community shareholder may receive pursuant to this *Section 2.1* is referred to herein as the *Merger Consideration* and total number of Valley Common Stock and Warrants which all of Greater Community shareholders are entitled to receive pursuant to this *Section 2.1* is referred to herein as the *Aggregate Merger Consideration* .

Table of Contents

(d) Notwithstanding any provision herein to the contrary, if, during the period from the date hereof to the Effective Time, the shares of Valley Common Stock shall be changed into a different number or class of shares by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or a stock dividend thereon shall be declared with a record date within said period, appropriate adjustments shall be made to the Exchange Ratio and the Warrants, if necessary, to provide the Greater Community shareholders with the equivalent value of the Merger Consideration set forth in *Section 2.1*.

2.2 Exchange of Shares. (a) Greater Community and Valley hereby appoint American Stock Transfer and Trust Company as the exchange agent (the **Exchange Agent**) for purposes of effecting the conversion of Greater Community Common Stock. As soon as practicable after the Effective Time, the Exchange Agent shall mail to each holder of record (a **Record Holder**) a Certificate or Certificates, a letter of transmittal in form mutually agreed upon by Valley and Greater Community (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent), and instructions for use in effecting the surrender of the Certificates in exchange for the Valley Common Stock and Warrants (and cash in lieu of fractional shares and Warrants) as provided in *Section 2.1* hereof.

(b) Upon surrender of Certificates for exchange and cancellation to the Exchange Agent, together with such letter of transmittal, duly completed and executed, the Record Holder shall be entitled to promptly receive in exchange for such Certificates the consideration as provided in *Section 2.1* hereof and the Certificates so surrendered shall be canceled. The Exchange Agent shall not be obligated to deliver or cause to be delivered to any Record Holder the consideration to which such Record Holder would otherwise be entitled until such Record Holder surrenders the Certificates for exchange or, in default thereof, an appropriate Affidavit of Loss and Indemnity Agreement and/or bond as may be required in each case by Valley. Notwithstanding the time of surrender of the Certificates, Record Holders shall be deemed shareholders of Valley for all purposes from the Effective Time, except that Valley shall withhold the payment of dividends from any Record Holder until such Record Holder effects the exchange of Certificates for Valley Common Stock and Warrants. (Such Record Holder shall receive such withheld dividends, without interest, upon effecting the share exchange.)

(c) After the Effective Time, there shall be no transfers on the stock transfer books of Greater Community of the shares of Greater Community Common Stock which were outstanding immediately prior to the Effective Time and, if any Certificates representing such shares are presented for transfer, they shall be canceled and exchanged for the consideration as provided in *Section 2.1* hereof.

(d) If payment of the consideration pursuant to *Section 2.1* hereof is to be made in a name other than that in which the Certificates surrendered in exchange therefor is registered, it shall be a condition of such payment that the Certificates so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such payment shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the payment to a person other than that of the registered holder of the Certificates surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

2.3 Stock Options. (a) All options which may be exercised for issuance of Greater Community Common Stock (each, a **Stock Option** and collectively the **Stock Options**) are described in the *Greater Community Disclosure Schedule* and are issued and outstanding pursuant to the Greater Community stock option plans described in the *Greater Community Disclosure Schedule* (collectively, the **Greater Community Stock Option Plans**) and the forms of agreements pursuant to which such Stock Options were granted (each, an **Option Grant Agreement**). True and complete copies of Greater Community's Stock Option Plans relating to outstanding Stock Options will be delivered to Valley promptly after execution of this Agreement. At the Effective Time, each Stock Option which is outstanding and unexercised immediately prior thereto, whether or not then vested or exercisable, shall be canceled and all rights thereunder shall be extinguished and the holder thereof shall only be entitled to receive the consideration set forth in *Section 2.3(b)*.

(b) Holders of unexercised Greater Community Stock Options will be entitled to receive, in cancellation of their Stock Options, a cash payment from Greater Community immediately prior to the Effective Time, in an

Table of Contents

amount equal to the product of (A) the number of shares of Greater Community Common Stock into which such Stock Options are convertible and (B) the excess, if any, of (x) the sum of (i) the Average Closing Price times the Exchange Ratio, plus (ii) the fair market value of 0.10 of a Warrant, based on all relevant factors, including the Black-Scholes model, which model shall take into account a discount with regard to the lack of exercisability of the Warrant for the first two years, over (y) the exercise price per share provided for in such Greater Community Stock Option (the **Cash Option Payment**), which cash payment shall be treated as compensation and shall be net of any applicable federal and state withholding taxes. At the time of receipt of such cash payment, each holder of a Greater Community Stock Option shall acknowledge in writing, in a form reasonably satisfactory to Valley that such cash payment is in full satisfaction of such holder's rights under such Greater Community Stock Option.

2.4. Valley Shares. The shares of Valley Common Stock outstanding at the Effective Time shall not be affected by the Merger, but along with the additional shares of Valley Common Stock to be issued as provided in *Section 2.1* hereof, shall become the outstanding common stock of the Surviving Corporation.

2.5. Tax Consequences. It is intended that the Merger shall constitute reorganization within the meaning of Section 368(a) of the Code and that this Agreement shall constitute a plan of reorganization for purposes of Section 368 of the Code.

2.6. Changes in Structure. As executed by the parties, this Agreement contemplates the merger of Greater Community into Valley and the merger of CB into VNB. In the event that (a) prior to the date on which the Proxy Statement-Prospectus (as hereinafter defined) is mailed to Greater Community's shareholders, Valley proposes an alternative structure for the transactions contemplated hereby, and (b) such alternate structure does not adversely affect Greater Community's shareholders in any financial respect or in any other material respect, then Greater Community shall negotiate in good faith with Valley and shall use commercially reasonable efforts to restructure the transactions contemplated hereby in accordance with such proposal.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF GREATER COMMUNITY

References herein to **Greater Community Disclosure Schedule** shall mean all of the disclosure schedules required by this *Article III*, dated as of the date hereof and referenced to the specific sections and subsections of *Article III* of this Agreement, which have been delivered on the date hereof by Greater Community to Valley or will be delivered pursuant to *Section 5.11* by Greater Community to Valley. Greater Community hereby represents and warrants to Valley as follows:

3.1. Corporate Organization. (a) Greater Community is a corporation duly organized, validly existing and in good standing under the laws of the State of New Jersey. Greater Community has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted and is duly licensed or qualified to do business and in good standing in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified or in good standing would not have, or would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect (as hereinafter defined) on Greater Community. Greater Community is registered as a bank holding company under The Bank Holding Company Act of 1956 (the **BHCA**).

As used in this Agreement, the term **Material Adverse Effect** means, with respect to Valley or Greater Community, as the case may be, an effect which (i) is materially adverse to the business, results of operations, assets or financial condition of such party and its Subsidiaries on a consolidated basis, or (ii) materially impairs

Except as disclosed in the *Valley Disclosure Schedule*, neither Valley nor any of Valley's Subsidiaries is a party to any order, judgment or decree entered against Valley or any such Subsidiary in any lawsuit or proceeding which would have a material adverse effect on the business, operations, assets or financial condition of Valley and its Subsidiaries on a consolidated basis.

4.11. Taxes and Tax Returns. (a) Valley and its Subsidiaries have duly filed (and until the Effective Time will so file) all Returns required to be filed by them in respect of any Taxes and have duly paid (and until the Effective Time will so pay) all such Taxes due and payable, other than Taxes or other charges which are being contested in good faith. Valley and its Subsidiaries have established (and until the Effective Time will establish) on their books and records reserves for the payment of all Taxes not yet due and payable, but incurred in respect of Valley and its Subsidiaries through such date, which reserves are, to Valley's knowledge, adequate for such purposes. No deficiencies exist or have been asserted based upon any Returns of Valley or its Subsidiaries.

(b) Except as set forth in the *Valley Disclosure Schedule*, neither Valley, nor any of its Subsidiaries: (i) has taken or agreed to take any action, has failed to take any action, or knows of any fact, agreement, plan or other circumstances that could prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code; (ii) have participated in or otherwise engaged in any transaction described in Treasury Regulations Section 301.6111-2(b)(2) or any Reportable Transaction within the meaning of Treasury Regulations Section 1.6011-4(b); and/or (iii) has received any claim by a Governmental Entity in a jurisdiction where it does not file Returns that it is or may be subject to taxation by that jurisdiction.

maintained such records in respect to each transaction, event and item (including as required to support otherwise allowable deductions and losses) as are required under applicable Tax law, except where the failure to comply or maintain records under (i) or (ii) will not result in a Material Adverse Effect on Valley.

4.12 Valley Shareholder Approval Not Required. Neither the execution of this Agreement nor the transactions contemplated hereby require the approval of the shareholders of Valley.

4.13. Employee Benefit Plans.

(a) Valley and its Subsidiaries maintain or contribute to certain employee pension benefit plans (the *Valley Pension Plans*), as such term is defined in Section 3 of ERISA, and employee welfare benefit plans (the *Valley Welfare Plans*), as such term is defined in Section 3 of ERISA. Since September 2, 1974, neither Valley nor its Subsidiaries have contributed to any Multiemployer Plan, as such term is defined in Section 3(37) of ERISA.

(b) Except as set forth on the *Valley Disclosure Schedule*, to Valley's knowledge, each of the Valley Pension Plans and each of the Valley Welfare Plans has been operated in compliance in all material respects with the provisions of ERISA, the Code, all regulations, rulings and announcements promulgated or issued thereunder, and all other applicable governmental laws and regulations.

(c) To Valley's knowledge, no accumulated funding deficiency within the meaning of Section 412 of the Code has been incurred with respect to any of the Valley Pension Plans.

(d) Except with respect to customary health, life and disability benefits or as disclosed on the *Valley Disclosure Schedule*, there are no unfunded benefit obligations which are not accounted for by reserves shown on the financial statements of Valley and established under GAAP or otherwise noted on such financial statements.

4.14. Compliance with Applicable Law. Except as set forth on the *Valley Disclosure Schedule*, Valley and its Subsidiaries hold all material licenses, franchises, permits and authorizations necessary for the lawful conduct of their respective businesses under and pursuant to each, and has complied with and is not in default in any respect under any, applicable law, statute, order, rule, regulation, policy and/or guideline of any federal, state or local governmental authority relating to Valley and its Subsidiaries (other than where such default or non-compliance will not result in a material adverse effect on the business, operations, assets or financial condition of Valley and its Subsidiaries on a consolidated basis) and Valley has not received notice of violations of, and does not know of any violations of, any of the above. Without limiting the foregoing, to Valley's knowledge (i) VNB has complied in all material respects with the CRA and (ii) no person or group would object to the consummation of the Merger due to the CRA performance or rating of VNB. To Valley's knowledge, except as listed on the *Valley Disclosure Schedule*, no person or group has adversely commented upon VNB's CRA performance.

4.15. Environmental Matters. Except as disclosed in the *Valley Disclosure Schedule*, neither Valley nor any of its Subsidiaries has received any written notice, citation, claim, assessment, proposed assessment or demand for abatement alleging that Valley or any of its Subsidiaries (either directly or as a successor-in-interest in connection with the enforcement of remedies to realize the value of properties serving as collateral for outstanding loans) is responsible for the correction or clean-up of any condition material to the business, operations, assets or financial condition of Valley or its Subsidiaries. Except as disclosed in the *Valley Disclosure Schedule*, Valley has no knowledge that any toxic or hazardous substances or materials have been emitted, generated, disposed of or stored on any property owned or leased by Valley or any of its Subsidiaries in any manner that violates or, after the lapse of time may violate, any presently existing federal, state or local law or regulation governing or pertaining to such substances and materials, the violation of which would have a Material Adverse Effect on Valley.

4.16. Reserves. As of the date hereof, the reserve for loan and lease losses in the Valley Financial Statements is, to Valley's knowledge, adequate based upon past loan loss experiences and potential losses in the current portfolio to cover all known or anticipated loan losses.

Neither VNB nor any Valley Subsidiary is required by Section 32 of the Federal Deposit Insurance Act to give prior notice to a Federal banking agency of the proposed addition of an individual to its board of directors or the employment of an individual as a senior executive officer, except as disclosed in writing to Greater Community by Valley prior to the date of this Agreement.

5.2. Negative Covenants and Dividend Covenants. Greater Community agrees that from the date hereof to the Effective Time, except as otherwise approved by Valley in writing (and with respect to clauses (v), (viii) and (ix) below, which approval shall not be unreasonably delayed or withheld) or as permitted or required by this Agreement, it will not, nor will it permit any of its Subsidiaries to:

(v) make any capital expenditures in excess of \$200,000 in the aggregate other than pursuant to binding commitments existing on the date hereof and expenditures necessary to maintain existing assets in good repair and expenditures described in business plans or budgets previously furnished to Valley, except as set forth in the *Greater Community Disclosure Schedule*;

(ix) make any material change in its accounting methods or practices, other than changes required in accordance with GAAP;

(x) take any action that would result in any of the representations and warranties contained in *Article III* of this Agreement not being true and correct in any material respect at the Effective Time or that would cause any of its conditions to Closing not to be satisfied; or

(xi) agree to do any of the foregoing.

5.3. No Solicitation. So long as this Agreement remains in effect, neither Greater Community nor CB shall, directly or indirectly, encourage or solicit or hold discussions or negotiations with, or provide any information to, any person, entity or group (other than Valley) concerning any (i) merger of Greater Community or CB, (ii) sale of a majority of the outstanding shares of common stock of Greater Community or CB, (iii) sale of substantial assets or liabilities of Greater Community or CB not in the ordinary course of business, or (iv) similar transactions involving Greater Community or CB (an *Acquisition Transaction*). Notwithstanding the foregoing, Greater Community may enter into discussions or negotiations or provide information in connection with an unsolicited possible Acquisition Transaction if the Board of Directors of Greater Community, after consulting with counsel, determines in the exercise of its fiduciary responsibilities that such discussions or negotiations should be commenced or such information should be furnished. Greater Community shall promptly communicate to Valley the terms of any proposal, whether written or oral, which it may receive in respect of any such Acquisition Transaction and the fact that it is having discussions or negotiations with a third party about an Acquisition Transaction.

5.4. Current Information. During the period from the date of this Agreement to the Effective Time, Greater Community will cause one or more of its designated representatives to confer on a monthly or more frequent basis with representatives of Valley regarding Greater Community's business, operations, properties, assets and financial condition and matters relating to the completion of the transactions contemplated herein. Without limiting the foregoing, Greater Community shall provide Valley with forty eight (48) hours prior written notice before it or any of its Subsidiaries issue any new loan or lease, extension of credit, or renewal of an existing loan, extension of credit, or lease in excess of \$1,000,000, or increase by \$1,000,000 or more the aggregate credit outstanding or lease commitment, and provide Valley with a copy of the loan offering for any such loan, extension of credit, lease, or renewal upon request. As soon as reasonably available, but in no event more than 45 days after the end of each fiscal quarter ending after the date of this Agreement and prior to the Effective Time, Greater Community will deliver to Valley CB's call reports filed with the Department and the FDIC.

Neither party shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of any customer or would contravene any law, rule, regulation, order or judgment. The parties will use their best efforts to obtain waivers of any such restriction and in any event make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply. Greater Community acknowledges that Valley may be involved in discussions concerning potential acquisitions of banks and other entities and Valley shall not be obligated to disclose such information to Greater Community except as such information is publicly disclosed by Valley.

(b) All information furnished by the parties hereto previously in connection with transactions contemplated by this Agreement or pursuant hereto shall be used solely for the purpose of evaluating the Merger contemplated hereby and shall be treated as the sole property of the party delivering the information until consummation of the Merger contemplated hereby and, if such Merger shall not occur, each party and each party's advisors shall return to the other party all documents or other materials containing, reflecting or referring to such information, will not retain any copies of such information, shall use its best efforts to keep confidential all such information, and shall not directly or indirectly use such information for any competitive or other commercial purposes. In the event that the Merger contemplated hereby is abandoned, all documents, notes and other writings prepared by a party hereto or its advisors based on information furnished by the other party shall be promptly destroyed. The obligation to keep such information confidential shall continue for five years from the date the proposed Merger is abandoned but shall not apply to (i) any information which (A) the party receiving the information can establish by convincing evidence was already in its possession prior to the disclosure thereof to it by the other party; (B) was then generally known to the public; (C) became known to the public through no fault of the party receiving such information; or (D) was disclosed to the party receiving such information by a third party not bound by an obligation of confidentiality; or (ii) disclosures pursuant to a legal requirement or in accordance with an order of a court of competent jurisdiction.

(c) Without limiting the rights provided under *Section 5.5(a)*, each of Valley and Greater Community, for a period of 45 calendar days following the date of this Agreement, shall have the right to conduct a full and complete acquisition audit and to perform such due diligence as it deems appropriate, using its own officers and employees or third parties, for purposes of determining whether there is a material breach of any representation or warranty hereunder or a material adverse change in the business or financial condition of the other party. Such acquisition audit or due diligence shall not be limited or restricted by virtue of any audit or due diligence performed before the date hereof or for any other reason, but shall not unduly interfere with the business of the other party.

5.6. Regulatory Matters.

(a) For the purposes of holding the Shareholders Meeting (as defined in *Section 5.7*) and qualifying under applicable federal and state securities laws the Valley Common Stock and the Warrants to be issued to Greater Community shareholders in connection with the Merger, the parties hereto shall cooperate in the preparation and filing by Valley with the SEC of a Registration Statement including a proxy statement and prospectus satisfying all applicable requirements of applicable state and federal laws, including the Securities Act, the Exchange Act and applicable state securities laws and the rules and regulations thereunder (such proxy statement and prospectus in the form mailed by Greater Community to its shareholders together with any and all amendments or supplements thereto, being herein referred to as the **Proxy Statement-Prospectus** and the various documents to be filed by Valley under the Securities Act with the SEC to register the Valley Common Stock for sale, including the Proxy Statement-Prospectus, are referred to herein as the **Registration Statement**).

(b) Valley shall furnish Greater Community with such information concerning Valley and its Subsidiaries as is necessary in order to cause the Proxy Statement-Prospectus, insofar as it relates to such entities, to comply with *Section 5.6(a)* hereof. Valley agrees promptly to advise Greater Community if at any time prior to the Shareholders Meeting any information provided by Valley in the Proxy Statement-Prospectus becomes incorrect or incomplete in any material respect and promptly to provide Greater Community with the information needed to correct such inaccuracy or omission. Valley shall promptly furnish Greater Community with such supplemental information as may be necessary in order to cause the Proxy Statement-Prospectus, insofar as it relates to Valley and the Valley Subsidiaries, to comply with *Section 5.6(a)* after the mailing thereof to Greater Community's shareholders.

(c) Greater Community shall furnish Valley with such information concerning Greater Community as is necessary in order to cause the Proxy Statement-Prospectus, insofar as it relates to Greater Community, to comply with *Section 5.6(a)* hereof. Greater Community agrees promptly to advise Valley if at any time prior to the Shareholders Meeting, any information provided by Greater Community in the Proxy Statement-Prospectus becomes incorrect or incomplete in any material respect and promptly to provide Valley with the information needed to correct such inaccuracy or omission. (d) Valley shall as promptly as practicable make such filings, if any, as are necessary in connection with the offering of the Valley Common Stock and the Warrants with applicable state securities agencies and shall use all reasonable efforts to qualify the offering of such stock and Warrants under applicable state securities laws at the earliest practicable date. Greater Community shall promptly furnish Valley with such information regarding Greater Community shareholders as Valley requires to enable it to determine what filings are required hereunder. Greater Community authorizes Valley to utilize in such filings the information concerning Greater Community and CB provided to Valley in connection with, or contained in, the Proxy Statement-Prospectus. Valley shall furnish Greater Community's counsel with copies of all such filings and keep Greater Community advised of the status thereof. Valley and Greater Community shall as promptly as practicable file the Registration Statement containing the Proxy Statement-Prospectus with the SEC, and each of Valley and Greater Community shall promptly notify the other of all communications, oral or written, with the SEC concerning the Registration Statement and the Proxy Statement-Prospectus.

(e) Valley shall cause the Valley Common Stock issuable pursuant to the Merger to be listed on the NYSE at the Effective Time. Valley shall cause the Valley Common Stock which shall be issuable pursuant to exercise of Warrants to be accepted for listing on the NYSE when issued.

(f) Valley shall use reasonable efforts to cause the Warrants to be listed on the NASDAQ Stock Market or other national securities exchange, if possible; provided that the decision to list shall be subject to Valley's reasonable business discretion based upon the cost of such listing and the listing standards. Valley shall make the listing decision as soon as practical and, if possible, before the Proxy Statement-Prospectus is finalized for mailing.

(g) The parties hereto will cooperate with each other and use all reasonable efforts to prepare all necessary documentation, to effect all necessary filings and to obtain all necessary permits, consents, approvals and authorizations of all third parties and governmental bodies necessary to consummate the transactions contemplated by this Agreement as soon as possible, including, without limitation, those required by the OCC, the FDIC, the FRB and the Department. The parties shall each have the right to review in advance and comment on all information relating to the other, as the case may be, which appears in any filing made with, or written material submitted to, any third party or governmental body in connection with the transactions contemplated by this Agreement. Valley and VNB shall use their best efforts to cause their applications to the OCC and the FRB to be filed within thirty (30) days of the date hereof. Greater Community shall deliver to Valley within ten (10) days of the date hereof all information necessary to complete such application as requested in writing by Valley. Valley shall provide to Greater Community drafts of all filings and applications referred to in this *Section 5.6(g)* and shall give Greater Community the opportunity to comment thereon prior to their filing.

(h) Each of the parties will promptly furnish each other with copies of written communications received by them or any of their respective subsidiaries from, or delivered by any of the foregoing to, any Governmental Entity in respect of the transactions contemplated hereby.

(i) Greater Community acknowledges that Valley is in or may be in the process of acquiring other banks and other entities and that in connection with such acquisitions, information concerning Greater Community may be required to be included in the registration statements, if any, for the sale of securities of Valley or in SEC reports in connection with such acquisitions. Greater Community agrees to provide Valley with any information, certificates, documents or other materials about Greater Community as are reasonably necessary to be included in such other SEC reports or registration statements, including registration statements which may be filed by Valley prior to the Effective Time. Greater Community shall use its reasonable efforts to cause its attorneys and accountants to provide Valley and any underwriters for Valley with any consents, comfort letters, opinion letters, reports or information which are necessary to complete the registration statements and applications for any such acquisition or issuance of securities. Valley shall reimburse Greater Community for reasonable expenses thus incurred by Greater Community should this transaction be terminated for any reason. Valley shall not file with the SEC any registration statement or amendment thereto or supplement thereof containing information regarding Greater Community unless Greater Community shall have consented in writing to such filing, which consent shall not be unreasonably delayed or withheld.

(j) Between the date of this Agreement and the Effective Time, Greater Community shall cooperate with Valley to reasonably conform Greater Community's policies and procedures regarding applicable regulatory matters, to those of Valley as Valley may reasonably identify to Greater Community from time to time, *provided* that any required change in Greater Community's practices need not be effected (A) more than five days prior to the Effective Time and (B) unless and until all necessary regulatory, governmental and shareholder approvals and consents have been received, all statutory waiting periods in respect thereof have expired, Valley agrees in writing that all conditions precedent to the Closing have occurred (other than the delivery of certificates, opinions and other instruments and documents to be delivered at the Closing), and Valley has provided the Closing Notice. To the extent that Greater Community or the Greater Community Subsidiaries are not in compliance with Flood Insurance Laws and regulations, they shall promptly take all actions necessary to bring Greater Community and the Greater Community Subsidiaries into compliance prior to the Closing.

5.7. Approval of Shareholders. Greater Community will (i) take all steps necessary duly to call, give notice of, convene and hold a meeting of the shareholders of Greater Community (such meeting or any adjournment thereof, the *Shareholders Meeting*) for the purpose of securing the approval of shareholders of this Agreement, (ii) subject to the qualification set forth in *Section 5.3* hereof and the right not to make a recommendation or to withdraw a recommendation if Greater Community's Board of Directors, after consulting with counsel, determines in the exercise of its fiduciary duties that such recommendation should not be made or should be withdrawn, recommend to the shareholders of Greater Community the approval of this Agreement and the transactions contemplated hereby and use its reasonable best efforts to obtain, as promptly as practicable, such approval, and (iii) cooperate and consult with Valley with respect to each of the foregoing matters. Within five days of the date of execution of this Agreement, Greater Community shall cause each of the directors of Greater Community in their capacity as shareholders and John L. Soldoveri to execute and deliver to Valley a Voting Agreement, the form of which is attached hereto as *Exhibit C*.

5.8. Further Assurances. Subject to the terms and conditions herein provided, each of the parties hereto agrees to use its best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to satisfy the conditions to the Closing and to consummate and make effective the transactions contemplated by this Agreement, including, without limitation, using reasonable efforts to lift or rescind any injunction or restraining order or other order adversely affecting the ability of the parties to consummate the transactions contemplated by this Agreement and using its best efforts to prevent the breach of any representation, warranty, covenant or agreement of such party contained or referred to in this Agreement and to promptly remedy the same. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and

directors of each party to this Agreement shall take all such necessary action. Nothing in this section shall be construed to require any party to participate in any threatened or actual legal, administrative or other proceedings (other than proceedings, actions or investigations to which it is otherwise a party or subject or threatened to be made a party or subject) in connection with consummation of the transactions contemplated by this Agreement unless such party shall consent in advance and in writing to such participation and the other party agrees to reimburse and indemnify such party for and against any and all costs and damages related thereto.

5.9. Public Announcements. The parties hereto shall cooperate with each other in the development and distribution of all news releases and other public disclosures with respect to this Agreement or any of the transactions contemplated hereby, except as may be otherwise required by law or regulation or as to which the party releasing such information has used its best efforts to discuss with the other party in advance.

5.10. Failure to Fulfill Conditions. In the event that Valley or Greater Community determines that a material condition to its obligation to consummate the transactions contemplated hereby cannot be fulfilled on or prior to November 30, 2008 (the **Cutoff Date**) and that it will not waive that condition, it will promptly notify the other party. Except for any acquisition or merger discussions Valley may enter into with other parties, Greater Community and Valley will promptly inform the other of any facts applicable to Greater Community or Valley, respectively, or their respective directors or officers, that would be likely to prevent or materially delay approval of the Merger by any governmental authority or which would otherwise prevent or materially delay completion of the Merger.

5.11. Disclosure Delivery and Disclosure Supplements.

(a) Promptly, and in any event within ten days of the date hereof, Greater Community shall deliver to Valley and its counsel a binder containing true copies of all documents specifically required to be attached as set forth in the applicable *Greater Community Disclosure Schedule*. From time to time prior to the Effective Time, Greater Community shall deliver to Valley and its counsel true copies of such other documents referred to or described in the *Greater Community Disclosure Schedule*, or otherwise, as requested by Valley and/or its counsel.

(b) From time to time prior to the Effective Time, each party hereto will promptly supplement or amend (by written notice to the other) its respective Disclosure Schedules delivered pursuant hereto with respect to any matter hereafter arising which, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in such Schedules or which is necessary to correct any information in such Schedules which has been rendered materially inaccurate thereby. If the disclosure contained in any such supplement (i) relates to events occurring before execution of this Agreement or (ii) alone or together with other supplements or amendments materially adversely affects the representation to which the amendment or supplement relates, the party receiving the amendment or supplement may determine not to accept it as a modification of the relevant representation. Notice of such determination, if made, shall be given by the receiving party to the other party not later than 15 days after it received the disclosure in question. If such notice is not timely given, or if the disclosure in question did not contain any matter of the nature specified in clause (i) or (ii) of the second preceding sentence, the relevant representation shall be deemed modified by the disclosure in the amendment or supplement with the same effect as though that disclosure had been included in the relevant Disclosure Schedule as furnished prior to execution of this Agreement.

5.12 Transaction Expenses of Greater Community.

(a) For planning purposes, Greater Community shall, within 30 days from the date hereof, provide Valley with its estimated budget of transaction-related expenses reasonably anticipated to be payable by Greater Community in connection with this transaction based on facts and circumstances currently known, including the fees and expenses of counsel, accountants, investment bankers and other professionals. Greater Community shall promptly notify Valley if or when it determines that it will expect to exceed its budget. Prior to signing this Agreement, Greater Community has disclosed to Valley the method by which the fees of its investment bankers and counsel in connection with this transaction are to be determined, and has disclosed to Valley the fees of its counsel in connection with this transaction through a recent date.

(b) Promptly, but in any event within 30 days, after the execution of this Agreement, Greater Community shall ask all of its attorneys and other professionals to render current and correct invoices for all unbilled time and disbursements. Greater Community shall accrue and/or pay all of such amounts as soon as possible.

(c) Greater Community shall cause its professionals to render monthly invoices within 30 days after the end of each month. Greater Community shall notify Valley monthly of all out-of-pocket expenses which Greater Community has incurred in connection with this transaction.

(d) Valley, in reasonable consultation with Greater Community, shall make all arrangements with respect to the printing and mailing of the Proxy Statement-Prospectus.

5.13. Closing. The parties hereto shall cooperate and use reasonable efforts to try to cause the Effective Time to occur on or before July 31, 2008.

5.14. Indemnification.

(a) For a period of six years after the Effective Time, Valley shall indemnify, defend and hold harmless each person who is now, or has been at any time prior to the date hereof or who becomes prior to the Effective Time, a director or officer of Greater Community (collectively, the **Greater Community Indemnitees**) against any and all claims, damages, liabilities, losses, costs, charges, expenses (including, without limitation, reasonable costs of investigation, and the reasonable fees and disbursements of legal counsel and other advisers and experts as incurred), judgments, fines, penalties and amounts paid in settlement, asserted against, incurred by or imposed upon any Greater Community Indemnitee (**Costs**) by reason of the fact that he or she is or was a director or officer of Greater Community or acted as a director or officer of a third party at the request of Greater Community, in connection with, arising out of or relating to any threatened, pending or completed claim, action, suit or proceeding (whether civil, criminal, administrative or investigative) (each a **Claim** and collectively, **Claims**), including without limitation any Claim which is based upon, arises out of or in any way relates to the Merger, this Agreement, any of the transactions contemplated by this Agreement, the Greater Community Indemnitee's service as a member of the Board of Directors of Greater Community or any committee thereof, the events leading up to the execution of this Agreement, any statement, announcement, recommendation or solicitation made in connection therewith or related thereto and any breach of any duty in connection with any of the foregoing, in each case to the fullest extent which Greater Community would have been permitted under any applicable law and its Charter Documents had the Merger not occurred (and Valley shall also advance expenses as incurred to the fullest extent so permitted).

(b) From and after the Effective Time, Valley shall assume and honor any obligation of Greater Community immediately prior to the Effective Time with respect to the indemnification of the Greater Community Indemnitees arising out of the Charter Documents of Greater Community or arising out of any written indemnification agreements between Greater Community and such persons disclosed in the *Greater Community Disclosure Schedule*, as if such obligations were pursuant to a contract or arrangement between Valley and such Greater Community Indemnitees.

(c) In the event Valley or any of its successors or assigns (i) reorganizes or consolidates with or merges into or enters into another business combination transaction with any other person or entity and is not the resulting, continuing or surviving corporation or entity of such consolidation, merger or transaction, or (ii) liquidates, dissolves or transfers all or substantially all of its properties and assets to any person or entity, then, and in each such case, proper provision shall be made so that the successors and assigns of Valley assume the obligations set forth in this *Section 5.14*.

(d) Valley shall cause Greater Community's officers and directors to be covered, for a period of six years after the Effective Time, at Valley's option, under (i) Valley's then current officers' and directors' liability insurance policy (providing substantially similar coverage to Greater Community's officers and directors such officers and directors had under Greater Community's existing policy), or (ii) an extension of Greater Community's existing officers' and directors' liability insurance policy. However, Valley shall only be required to insure such persons upon terms and for coverages substantially similar to Greater Community's existing

officers and directors liability insurance, and if such coverage over a six year period would in the aggregate cost more than 200% of the annual premium currently paid by Greater Community for such coverage, then Valley shall be required only to obtain such coverage as may be obtained by an expenditure equal to 200% of the annual premium currently paid by Greater Community for such coverage.

(e) Any Greater Community Indemnitee wishing to claim indemnification under this *Section 5.14* shall promptly notify Valley upon learning of any Claim, but the failure to so notify shall not relieve Valley of any liability it may have to such Greater Community Indemnitee if such failure does not materially prejudice Valley. In the event of any Claim (whether arising before or after the Effective Time) as to which indemnification under this *Section 5.14* is applicable, (x) Valley shall have the right to assume the defense thereof and Valley shall not be liable to such Greater Community Indemnitees for any legal expenses of other counsel or any other expenses subsequently incurred by such Greater Community Indemnitee in connection with the defense thereof, except that if Valley elects not to assume such defense, or counsel for the Greater Community Indemnitees advises that there are issues which raise conflicts of interest between Valley and the Greater Community Indemnitees, the Greater Community Indemnitees may retain counsel satisfactory to them, and Valley shall pay the reasonable fees and expenses of such counsel for the Greater Community Indemnitees as statements therefor are received; *provided, however*, that Valley shall be obligated pursuant to this *Section 5.14(e)* to pay for only one firm of counsel for all Greater Community Indemnitees in any jurisdiction with respect to a matter unless the use of one counsel for multiple Greater Community Indemnitees would present such counsel with a conflict of interest that is not waivable by the Greater Community Indemnitees, and (y) the Greater Community Indemnitees will cooperate in the defense of any such matter. Valley shall not be liable for settlement of any claim, action or proceeding hereunder unless such settlement is effected with its prior written consent, which will not be unreasonably withheld. Notwithstanding anything to the contrary in this *Section 5.14*, Valley shall not have any obligation hereunder to any Greater Community Indemnitee when and if a court of competent jurisdiction shall ultimately determine, and such determination shall have become final and nonappealable, that the indemnification of such Greater Community Indemnitee in the manner contemplated hereby is prohibited by applicable law or public policy.

5.15. Employment and Director Matters.

(a) Following consummation of the Merger, Valley will honor the existing written employment and severance contracts with officers and employees of Greater Community and CB that exist on the date hereof and are included in the *Greater Community Disclosure Schedule*.

(b) Before or following consummation of the Merger, Valley will decide whether to continue each of CB and/or Greater Community's pension and welfare plans for the benefit of employees of CB and Greater Community, or to have such employees become covered under a Valley Pension and Welfare Plan. Subject to the foregoing, following consummation of the Merger, Valley shall make available to all employees and officers of Greater Community who become employed by VNB coverage under the benefit plans generally available to VNB's employees and officers (including pension and health and hospitalization) on the terms and conditions available to VNB's employees and officers with no uninsured waiting periods for enrollment in Valley or VNB medical and dental plans for Greater Community employees and their dependents. No prior existing condition limitation not currently imposed by Greater Community or CB medical or dental plans shall be imposed with respect to Valley's or VNB's medical and dental plans on Greater Community or CB employees. Greater Community and CB employees shall receive credit for any deductibles paid under Greater Community and CB existing medical and dental plans. Greater Community employees will be given credit for voting and eligibility purposes (but not for benefit and accrual purposes) under Valley's or VNB's medical, life, vacation, sick leave, disability and other welfare plans for prior service with Greater Community, and Greater Community's employees will be granted credit for such prior service with Greater Community, solely for purposes of eligibility and vesting under Valley's or VNB's 401(k) plan. No Greater Community employee will be given credit for prior service under Valley's or VNB's Pension Plan.

(c) Valley intends to give priority consideration to Greater Community and CB Employees for open positions at Valley and its Subsidiaries to the extent their jobs with Greater Community or CB are eliminated in connection with the Merger.

(d) Following the consummation of the Merger and for one year thereafter, VNB shall, to the extent not duplicative of other severance benefits, pay severance to Greater Community and CB employees in accordance with Valley's written severance policy (except that Greater Community and CB employees will receive 2 weeks of salary for each year of service without cap) and shall provide out placement assistance to each employee with a position of Vice President or above at no cost to such employees, provided, however, that Valley shall not be required to expend more than \$5,000 per employee with regard to such out placement assistance.

(e) Greater Community shall be entitled to name one non-management director to the Valley Board of Directors, subject to the Valley Board of Directors' Nominating and Corporate Governance Committee approval process. Valley shall use its best efforts to take all applicable corporate action to commence the approval process so that such individual is added to the Valley Board of Directors upon or promptly following the Closing Date.

(f) Each non-management Greater Community director, other than the individual appointed to the Valley Board of Directors, shall be offered the opportunity to participate in a Valley regional advisory board which will be established in the Passaic County, New Jersey area.

5.16. Tax-Free Reorganization Treatment. Neither Valley nor Greater Community shall intentionally take, fail to take or cause to be taken or not taken, any action within its control, which would disqualify the Merger as a reorganization within the meaning of Section 368(a) of the Code.

5.17. Bank Policies and Bank Mergers. Notwithstanding that Greater Community believes that it has established all reserves and taken all provisions for possible loan losses required by GAAP and applicable laws, rules and regulations, Greater Community recognizes that Valley may have adopted different loan, accrual and reserve policies (including loan classifications and levels of reserves for possible loan losses). From and after the date of this Agreement to the Effective Time and in order to formulate the plan of integration for the Bank Merger, Greater Community and Valley shall consult and cooperate with each other with respect to (i) conforming to the extent appropriate, based upon such consultation, Greater Community's loan, accrual and reserve policies and Greater Community's other policies and procedures regarding applicable regulatory matters, including without limitation Federal Reserve, Bank Secrecy Act and FDIC matters, to those policies of Valley as Valley may reasonably identify to Greater Community from time to time, and (ii) conforming, based upon such consultation, the composition of the investment portfolio and overall asset/liability management position of Greater Community and CB to the extent appropriate; *provided* that any required change in Greater Community's practices in connection with the matters described above need not be effected (A) more than five days prior to the Effective Time and (B) unless and until all necessary regulatory, governmental and shareholder approvals and consents have been received, all statutory waiting periods in respect thereof have expired, Valley agrees in writing that all conditions precedent to the Closing have occurred (other than the delivery of certificates, opinions and other instruments and documents to be delivered at the Closing), and Valley has provided the Closing Notice. No accrual or reserve made by Greater Community or any Greater Community Subsidiary pursuant to this subsection, or any litigation or regulatory proceeding arising out of any such accrual or reserve, shall constitute or be deemed to be a breach or violation of any representation, warranty, covenant, condition or other provision of this Agreement or to constitute a termination event within the meaning of *Section 7.1(e)* or *Section 7.1(f)* hereof.

5.18 Certain Tax Matters. With respect to each compensatory agreement and arrangement of Greater Community, each Greater Community Pension Plan and each Greater Community Welfare Plan, in each case subject to Section 409A of the Code (if any), Greater Community shall amend each such plan or cause each such plan to be amended to the extent necessary to comply with Section 409A of the Code prior to the Effective Time. Such amendments shall be provided to Valley and its counsel at least ten days prior to their proposed adoption by Greater Community or CB and shall be subject to the prior written approval of Valley, which shall not be unreasonably withheld.

From the date hereof, Greater Community and CB shall provide Valley with reasonable advance notice of any meetings or other proceedings of the Board of Directors of Greater Community and CB and Valley shall have the right to have an observer present at any such meetings or proceedings. Greater Community and CB shall provide Valley and its counsel with the written minutes of any such meetings or proceedings.

ARTICLE VI

CLOSING CONDITIONS

6.1. Conditions of Each Party's Obligations Under this Agreement. The respective obligations of each party under this Agreement to consummate the Merger shall be subject to the satisfaction, or, where permissible under applicable law, waiver at or prior to the Effective Time of the following conditions:

(a) *Approval of Shareholders; SEC Registration.* This Agreement and the transactions contemplated hereby shall have been approved by the requisite vote of the shareholders of Greater Community. The Registration Statement shall have been declared effective by the SEC and shall not be subject to a stop order or any threatened stop order.

(b) *Regulatory Filings.* All necessary regulatory or governmental approvals and consents (including without limitation any required approval of the OCC and any approval or waiver required by the FRB) required to consummate the transactions contemplated hereby shall have been obtained without any term or condition which would materially impair the value of Greater Community and CB, taken as a whole, to Valley. All conditions required to be satisfied prior to the Effective Time by the terms of such approvals and consents shall have been satisfied; and all statutory waiting periods in respect thereof shall have expired. Both VNB and CB shall have taken all necessary action to consummate the Bank Merger immediately after the Effective Time.

(c) *Suits and Proceedings.* No order, judgment or decree shall be outstanding against a party hereto or a third party that would have the effect of preventing completion of the Merger; no suit, action or other proceeding shall be pending or threatened by any governmental body in which it is sought to restrain or prohibit the Merger or the Bank Merger; and no suit, action or other proceeding shall be pending before any court or governmental agency in which it is sought to restrain or prohibit the Merger or the Bank Merger or obtain other substantial monetary or other relief against one or more parties hereto in connection with this Agreement and which Valley or Greater Community determines in good faith, based upon the advice of their respective counsel, and taking into consideration insurance coverage, if any, makes it inadvisable to proceed with the Merger because any such suit, action or proceeding has a significant potential to be resolved in such a way as to deprive the party electing not to proceed of any of the material benefits to it of the Merger or the Bank Merger.

(d) *Tax Opinion.* Valley shall use its best efforts so that Greater Community and Valley shall have received an opinion of Day Pitney LLP reasonably satisfactory in form and substance to Greater Community and its counsel and to Valley based, in each case, upon representation letters required by Day Pitney LLP, dated on or about the date of such opinion, and such other facts and representations as counsel may reasonably deem relevant, to the effect that: (i) the Merger will be treated for federal income tax purposes as a reorganization qualifying under the provisions of Section 368 of the Code; and (ii) no gain or loss will be recognized for federal income tax purposes to Valley, Greater Community, VNB or CB or to the shareholders of Greater Community upon the exchange of Greater Community Common Stock solely for Valley Common Stock and the Warrants. The tax opinions of Day Pitney LLP, summarized above are or will be based, among other things, on representations contained in certificates of the officers of Greater Community and Valley.

(e) *NYSE Listing.* The Valley Common Stock shall have been approved for listing on the NYSE.

(c) *CB Action.* CB shall have taken all necessary corporate action to effectuate the Bank Merger immediately following the Effective Time.

(f) *Oritani Merger Agreement.* The Oritani Merger Agreement shall have been terminated and, to the knowledge of Valley and Greater Community, neither Oritani nor any other person shall have made a claim or instituted any suit, action or other proceeding regarding the Oritani Merger Agreement other than a claim for a termination fee by Oritani under such agreement not in excess of \$700,000.

(g) *Certificates.* Greater Community shall have furnished Valley with such certificates of its officers or other documents to evidence fulfillment of the conditions set forth in this *Section 6.2* as Valley may reasonably request.

(b) *VNB Action.* VNB shall have taken all necessary corporate action to effectuate the Bank Merger immediately following the Effective Time.

TERMINATION

7.1 Permissive Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the shareholders of Greater Community:

(a) by mutual consent of Greater Community and Valley;

(b) by either Valley or Greater Community upon written notice to the other party (i) 60 days after the date on which any request or application for a required regulatory approval shall have been denied or withdrawn at the request or recommendation of the Governmental Entity which must grant such approval, unless within the 60-day period following such denial or withdrawal a petition for rehearing or an amended application has been filed with the applicable Governmental Entity, provided, however, that no party shall have the right to terminate this Agreement pursuant to this *Section 7.1(b)(i)* if such denial or request or recommendation for withdrawal shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth herein or (ii) if any Governmental Entity of competent jurisdiction shall have issued a final nonappealable order enjoining (other than on a temporary basis) or otherwise prohibiting the Merger;

(c) by either Valley or Greater Community, if the Merger shall not have been consummated on or before the Cutoff Date unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth herein;

(d) by either Valley or Greater Community if the approval of the shareholders of Greater Community required for the consummation of the Merger shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of such shareholders or at any adjournment or postponement thereof;

(e) by either Valley or Greater Community (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the representations or warranties set forth in this Agreement on the part of the other party, which breach is not cured within 20 days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the Closing, and which breach of a representation or warranty, would, individually or in the aggregate with other breaches, result in a Material Adverse Effect with respect to the party committing such breach;

(f) by either Valley or Greater Community (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a material breach of any of the covenants or agreements set forth in this Agreement on the part of the other party hereto, which breach shall not have been cured within thirty days following receipt by the breaching party of written notice of such breach from the other party hereto, or which breach, by its nature, cannot be cured prior to the Closing;

(g) by Greater Community, if Greater Community's Board of Directors shall have approved a definitive agreement reflecting an Acquisition Transaction (the **Alternative Agreement**), but only if (1) at least 48 hours prior to entering into the Alternative Agreement, Greater Community provides a copy of the Alternative Agreement to Valley, (2) the Board of Directors of Greater Community, after consultation with outside legal counsel and after considering any response that Valley may have after reviewing the Alternative Agreement, determines in good faith that approving the Alternative Agreement is legally necessary for the proper discharge of its fiduciary duties under applicable law, (3) the Board of Directors of Greater Community, after consultation with its financial advisor and after considering any response that Valley may have after reviewing the Alternative Agreement, determines in good faith that the transactions contemplated by the Alternative Agreement are reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the transaction and the party offering to enter into the Alternative Agreement, and would, if consummated, be more favorable to the shareholders of Greater Community than the transaction contemplated by this Agreement and

any transaction then being proposed by Valley; and (4) prior to terminating this Agreement, Greater Community (A) delivers to Valley a written acknowledgment, in form and substance reasonably satisfactory to Valley, that upon consummation of the first closing contemplated by the Alternative Agreement, Greater Community (and its successors) shall be obligated to pay to Valley the Valley Termination Fee (as hereinafter defined) and the Valley Termination Expenses (as hereinafter defined) and (B) delivers to Valley a release signed by the parties to the Alternative Agreement, which release shall be in form and substance reasonably satisfactory to Valley and shall irrevocably waive any right the releasing parties may have to challenge the payment to Valley of the Valley Termination Fee and the payment to Valley of the Valley Termination Expenses;

(h) by Valley, if an event occurs which may give rise to the payment of a Valley Termination Fee and/or Valley Termination Expenses pursuant to *Section 7.3*;

(i) by Valley if the conditions set forth in *Sections 6.1* and *6.2* are not satisfied and are not capable of being satisfied by the Cutoff Date; or

(j) by Greater Community if the conditions set forth in *Sections 6.1* and *6.3* are not satisfied and are not capable of being satisfied by the Cutoff Date.

7.2. Effect of Termination. In the event of termination of this Agreement by either Valley or Greater Community as provided in *Section 7.1*, this Agreement shall forthwith become void and have no effect except that *Sections 7.1*, *7.3* and *7.4* shall survive any termination of this Agreement.

7.3. Valley Termination Fee; Expenses. In the event that at any time after the date of this Agreement (A) the Greater Community Shareholders Meeting shall have been adjourned or canceled without the written consent of Valley, which written consent shall not be unreasonably delayed or withheld with respect to an adjournment if such adjournment is sought for the sole purpose of obtaining required Greater Community Shareholder approval of the Merger, such adjournment not to exceed 45 days, (B) the Board of Directors of Greater Community shall have publicly withdrawn or modified, or publicly announced its intent to withdraw or modify, in any manner adverse to Valley, its recommendation, or shall have failed to reconfirm its recommendation, that the shareholders of Greater Community approve the transactions contemplated by this Agreement, or (C) Greater Community shall have breached any covenant or obligation contained in this Agreement and such breach would entitle Valley to terminate this Agreement, and in any such case this Agreement is terminated, then Greater Community shall pay to Valley on the date of such termination an amount equal to the out-of-pocket expenses incurred by Valley in connection with the transactions contemplated by this Agreement (as itemized by Valley) (the **Valley Termination Expenses**). If such termination covered by items (A) through (C) above occurs after either (x) a bona fide Acquisition Transaction shall have been communicated to Greater Community or (y) after the date hereof, it shall have been publicly announced that any person other than Valley or any Subsidiary of Valley shall have made a bona fide proposal by public announcement or written communication that becomes the subject of public disclosure to engage in a merger, consolidation or similar transaction with, or a purchase or other acquisition of all or substantially all of the assets or a majority of the outstanding shares of Common Stock of, Greater Community, then, in any such case, Greater Community shall, concurrent with the consummation of an Acquisition Event (as hereinafter defined) occurring within 12 months after such termination, pay to Valley (I) a fee of Six Million Dollars (\$6,000,000) (the **Valley Termination Fee**) and (II) the Valley Termination Expenses. For purposes of this Agreement, the term **Acquisition Event** shall mean the earlier to occur of (x) the signing of a definitive agreement to enter into an Acquisition Transaction and (y) the first closing contemplated by an Acquisition Transaction. Notwithstanding anything to the contrary in this Agreement, payment by Greater Community of the Valley Termination Fee shall be Valley's sole and exclusive remedy against Greater Community and/or its Subsidiaries, or any officers, directors, employees, representatives or agents of Valley and/or its Subsidiaries in connection with a termination of this Agreement under this Section 7.3.

7.4 Greater Community Termination Fee. In the event that at any time after the date of this Agreement, Valley shall have willfully and without reasonable justification breached a covenant or agreement contained in this Agreement and such breach has resulted in a termination of this Agreement by Greater Community in accordance with Section 7.1(f) (subject to the right of Valley to cure set forth therein), Valley shall, pay to Greater Community on the date of such termination an amount equal to Seven Hundred Thousand Dollars (\$700,000) (the **Greater Community Termination Fee**). Notwithstanding that Warrants otherwise would not be exercisable until two years after the Effective Time, (i) the Warrants shall be exercisable from the Effective Time if between the date of the execution of the Merger Agreement and the Effective Time, Valley is acquired (whether by merger, stock sale, asset sale or otherwise) by any other person (an *Acquisition*); (ii) if such an Acquisition is closed after the Effective Time, the Warrants shall become exercisable immediately upon the date such an Acquisition is closed; and (iii) the Warrants shall become exercisable immediately upon the date Valley signs a definitive agreement with respect to an Acquisition; and (iv) the Warrants shall become exercisable immediately from the date Valley sends (or should have sent) notice to the Holders of the applicable record date specified in *Section 4.2 or 4.3*. In the event that the Warrants become exercisable prior to two years after the Effective Time, Valley shall cause notice of the exercisability to be promptly given to the all Holders.

3.2. *Means of Exercise.* In order to exercise a Warrant, the Holder must present and surrender the Warrant Certificate to the Warrant Agent at its office, with the Subscription Form on the back of the Warrant Certificate duly executed and it must be accompanied by payment in full, by certified or official bank check payable to the order of Valley or its successor, of the aggregate Warrant Price for the number of shares of Valley Common Stock specified in such Subscription Form.

3.3. *Issuance of Valley Common Stock.* Upon the request of the Warrant Agent, Valley shall promptly deliver or cause its transfer agent to deliver a certificate or certificates evidencing the shares of Valley Common Stock purchased when any Warrant is validly exercised.

3.4. *Certain Exercise Provisions.* If any Warrant is exercised in part only, a new Warrant Certificate, dated the date of such exercise, evidencing the rights of the Holder thereof to purchase the balance of the shares of Valley Common Stock purchasable under such original Warrant shall promptly be issued to such Holder. Upon receipt of any Warrant Certificate by the Warrant Agent, at its office, in proper form for exercise and accompanied by payments as herein provided, the Holder shall be deemed to be the holder of record of the shares of Valley Common Stock issuable upon such exercise, notwithstanding that the stock transfer books of Valley shall then be closed or that certificates representing such shares of Valley Common Stock shall not then be actually delivered to the Holder.

SECTION 4. ADJUSTMENT OF WARRANT PRICE AND NUMBER OF SHARES PURCHASABLE AND OTHER TERMS IN CERTAIN EVENTS. The Warrant Price and the number of shares of Valley Common Stock purchasable upon exercise of any Warrant and the other terms and conditions of the Warrant shall be subject to adjustment and modification as follows in the circumstances provided:

4.1. *Declaration of Stock Dividend, Splits, Reverse Splits or Reclassification or Reorganization.*

(a) In case Valley shall declare any dividend or other distribution upon its outstanding shares of Valley Common Stock in Valley Common Stock or shall subdivide its outstanding shares of Valley Common Stock into a greater number of shares, then the number of shares of Valley Common Stock which may thereafter be purchased upon the exercise of any Warrant shall be increased in proportion to the increase in the number of shares of Valley Common Stock outstanding through such dividend or subdivision and the Warrant Price per share shall be decreased in such proportion. In case Valley shall at any time combine the outstanding shares of its Valley Common Stock into a smaller number of shares, the number of shares of Valley Common Stock which may thereafter be purchased upon the exercise of any Warrant shall be decreased in proportion to the decrease in the number of shares of Valley Common Stock outstanding through such combination and the Warrant Price per share shall be increased in such proportion. Valley shall cause a notice to be mailed to each Holder at least 20 days prior to the applicable record date for the activity covered by this *Section 4.1(a)*. Valley's failure to give the notice required by this *Section 4.1(a)* or any defect therein shall not affect the validity of the activity covered by this *Section 4.1(a)*.

(b) In case Valley shall at any time (i) distribute any rights, options or warrants to all holders of shares of Valley Common Stock, (ii) issue other securities to all holders of shares of Valley Common Stock by reclassification of its shares of Valley Common Stock, or (iii) issue by means of a capital reorganization other securities of Valley in lieu of the Valley Common Stock or in addition to the Valley Common Stock, then the number of shares purchasable upon exercise of each Warrant immediately prior thereto shall be adjusted so that the Holder of each Warrant shall be entitled to receive the kind and number of shares or other securities of Valley which the Holder would have owned or have been entitled to receive after the happening of the event described above, had such Warrant been exercised immediately prior to the happening of such event or any record date with respect thereto. Valley shall cause a notice to be mailed to each Holder at least 20 days prior to the applicable record date for the activity covered by this *Section 4.1(b)*. Valley's failure to give the notice required by this *Section 4.1(b)* or any defect therein shall not affect the validity of the activity covered by this *Section 4.1(b)*.

(c) An adjustment made pursuant to this *Section 4.1* shall become effective immediately after the effective date of such event retroactive to the record date, if any, for such event.

(d) For the purpose of this *Section 4.1*, the term ***shares of Valley Common Stock*** shall mean (x) the class of stock designated as the Valley Common Stock at the date of this Warrant, or (y) any other class of stock resulting from successive changes or reclassifications of such shares consisting solely of changes in par value, from no par value to par value or from par value to no par value. In the event that at any time, as a result of an

Table of Contents

adjustment made pursuant to this *Section 4.1*, the Holder shall become entitled to purchase any shares of Valley other than shares of Valley Common Stock, thereafter the number of such other shares so purchasable upon exercise of each Warrant and the Warrant Price of such shares shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the shares of Valley Common Stock contained in this *Section 4.1*.

4.2. *Liquidation, Dissolution or Winding Up.* Notwithstanding any other provisions hereof, in the event of the liquidation, dissolution, or winding up of the affairs of Valley (other than in connection with a consolidation, merger or sale or conveyance of all or substantially all of its assets outside of the ordinary course of business), the right to exercise this Warrant shall terminate and expire at the close of business on the last full business day before the earliest date fixed for the payment of any distributable amount on the Valley Common Stock. Valley shall cause a notice to be sent to each Holder at least 20 days prior to the applicable record date for such payment stating the date on which such liquidation, dissolution or winding up is expected to become effective, and the date on which it is expected that holders of shares of Valley Common Stock of record shall be entitled to exchange their shares of Valley Common Stock for securities or other property or assets (including cash) deliverable upon such liquidation, dissolution or winding up, and that each Holder may exercise outstanding Warrants during such 20 day period and, thereby, receive consideration in the liquidation on the same basis as other previously outstanding shares of the same class as the shares acquired upon exercise. Valley's failure to give notice required by this *Section 4.2* or any defect therein shall not affect the validity of such liquidation, dissolution or winding up.

4.3. *Merger, Consolidation, etc.*

(a) In case of any consolidation with or merger of Valley into another corporation or sale or conveyance of all or substantially all of its assets outside of the ordinary course of business (such consolidation, merger, sale or conveyance, a ***Change of Control***) then, as a condition of such Change of Control, lawful and adequate provisions shall be made whereby the Holders shall thereafter have the right to receive upon payment of the Warrant Price in effect immediately prior to such Change of Control, upon the basis and upon the terms and conditions specified in this Agreement (including but not limited to all provisions contained in this *Section 4*), and in lieu of the shares of Valley Common Stock purchasable upon the exercise of the Warrants, such shares of stock, securities, cash or assets which such Holder would have been entitled to receive after the happening of such Change of Control had such Warrant been exercised immediately prior to such Change of Control. The provisions of this *Section 4.3* shall similarly apply to successive Change of Controls. Valley shall cause a notice to be mailed to each Holder at least 20 days prior to the applicable record date for the Change of Control covered by this *Section 4.3(a)* and shall provide notice of the Change of Control and shall set forth the first and last date on which the Holder may exercise outstanding Warrants. Valley's failure to give the notice required by this *Section 4.3(a)* or any defect therein shall not affect the validity of the Change of Control covered by this *Section 4.3(a)*.

(b) Notwithstanding the foregoing, if as a result of such Change of Control, holders of Valley Common stock shall receive or be entitled to receive consideration other than solely in shares of common stock or other securities in exchange for their Valley Common Stock, Valley may, at its sole option, fulfill all of its obligations under this Warrant Agreement by causing the Notice required by *Section 4.3(a)* hereof to include notice to Holders of the opportunity to exercise their Warrants before the consummation date of the Change of Control, and thereby receive consideration in the Change of Control, on the same basis as the shares which would be acquired upon exercise of the Warrant, immediately prior to the consummation of the Change of Control. If the notice specified in the preceding sentence is provided to Holders, Warrants not exercised in accordance with this *Section 4.3(b)* before consummation of the Change of Control shall be cancelled and become null and void on the consummation date of the Change of Control. The notice provided by the Warrant Agent pursuant to this *Section 4.3(b)* shall include a description of the terms of this Agreement providing for cancellation of the Warrants in the event that Warrants are not exercised by the prescribed date. Valley's failure to give any notice required by this *Section 4.3(b)* for any reason whatsoever or any defect therein shall not affect the validity of any such Change of Control. The failure of and Holder to receive such notice shall not void the cancellation of the Warrants and the Warrants shall nevertheless be cancelled.

4.4. *Duty to Make Fair Adjustments in Certain Cases.* If any event occurs as to which in the opinion of the Board of Directors of Valley the other provisions of this *Section 4* are not strictly applicable or if strictly applicable would not fairly protect the purchase rights of the Holders in accordance with the essential intent and principles of this Agreement, then the Board of Directors shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, as to protect the purchase rights of the Holders. Notwithstanding the foregoing, the issuance of Valley Common Stock or any securities convertible into Valley Common Stock by Valley either for cash or in a merger, consolidation, exchange or acquisition shall not, by itself, constitute a basis for requiring any adjustment in the Warrants unless specifically enumerated herein.

4.5. *Good Faith Determination.* Any determination as to whether an adjustment or limitation of exercise is required pursuant to this *Section 4* (and the amount of any adjustment), and any determination of whether a Change in Control has occurred or will occur, or whether Warrants shall be cancelled in connection with a Change in Control, shall be binding upon the Holders if made in good faith by the Board of Directors of Valley (or any successor to Valley).

4.6. *Notice of Adjustment.* Whenever the number of shares of Valley Common Stock purchasable upon the exercise of the Warrants or the Warrant Price is adjusted, Valley shall promptly file in the custody of its Secretary or an Assistant Secretary at its principal office and with the Warrant Agent, an officer's certificate setting forth the number of shares of Valley Common Stock purchasable upon the exercise of the Warrants, the Warrant Price after such adjustment, a statement, in reasonable detail, of the facts requiring such adjustment and the computation by which such adjustment was made. Each such officer's certificate shall be made available at all reasonable times for inspection by the Warrant Holders, and the Warrant Agent, on the instruction of Valley, shall, forthwith after each such adjustment, promptly mail a copy of such certificate to such Holders by first class mail, postage prepaid.

4.7. *No Change of Warrant Necessary.* Irrespective of any adjustment in the Warrant Price or in the number or kind of shares issuable upon exercise of the Warrants, the Warrant Certificates may continue to express the same price and number and kind of shares as are stated in the Warrant Certificates as initially issued.

SECTION 5. *SHARES TO BE FULLY PAID; RESERVATION OF SHARES.* Valley covenants and agrees for the benefit of the Holders:

5.1. That all shares of Valley Common Stock which may be issued upon the exercise of the rights represented by the Warrant Certificates will, upon issue and payment of the aggregate Warrant Price therefor, be duly authorized, validly issued, fully paid and non-assessable and free and clear of all liens and encumbrances, with no personal liability attaching to the ownership thereof.

5.2. That during the period within which the rights represented by the Warrant Certificates may be exercised, Valley will at all times have authorized and reserved for the purpose of issue upon exercise of the rights evidenced by the Warrant Certificates, a sufficient number of shares of Valley Common Stock to provide for the exercise of the rights represented by the Warrant Certificates.

5.3. That Valley will take all such action as may be necessary to ensure that the shares of Valley Common Stock issuable upon the exercise of the Warrants may be so issued without violation of any applicable federal law or regulation, or of any requirements of any securities exchange upon which any capital stock of Valley may be listed.

5.4. That Valley has filed a registration statement under the Securities Act of 1933 with the United States Securities and Exchange Commission with respect to the issuance of the Warrants and will file a registration statement with the SEC with respect to the Valley Common Stock issuable thereunder prior to the date upon which the Warrants become exercisable. Valley shall not be obligated to file or comply with the laws of any jurisdiction other than the United States of America to permit the Warrants to be exercised and no Warrant Holder shall have the right to exercise the Warrants in a jurisdiction where such exercise would be unlawful.

SECTION 6. EXCHANGE, ASSIGNMENT OR LOSS OF WARRANT CERTIFICATE.

6.1. *Exchange.* The Warrants shall be exchangeable at the option of the Holder, upon presentation and surrender of the Warrant Certificate at the office of the Warrant Agent for other Warrant Certificates of different denominations. Any Warrant Certificate may be divided or combined with other Warrant Certificates into a Warrant Certificate evidencing the same aggregate number of Warrants.

6.2. *Transfer or Assignment.* The Warrants and all rights of Holders thereof are assignable and transferable in whole or in part by the Holders thereof, in person or by duly authorized attorney, by surrender of any Warrant Certificate to the Warrant Agent at its office with the Assignment Form annexed thereto duly executed and funds sufficient to pay any applicable transfer tax. In such event the Warrant Agent shall execute and deliver, in the case of an assignment or transfer in whole, a new Warrant Certificate in the name of the assignee or transferee, or, in the case of an assignment or transfer in part, a new Warrant Certificate in the name of such assignee or transferee representing the number of Warrants so assigned or transferred and a new Warrant Certificate in the name of the assignor or transferor representing the number of Warrants not so assigned or transferred.

6.3. *Lost or Destroyed Warrant Certificates.* Upon receipt by the Warrant Agent of evidence satisfactory to it of the loss, theft, destruction or mutilation of a Warrant Certificate, and (i) in the case of such loss, theft or destruction, of reasonably satisfactory indemnification and bonding, or (ii) if mutilated, upon surrender and cancellation of such Warrant Certificate, the Warrant Agent shall execute and deliver a new Warrant Certificate of like tenor. Any such new Warrant Certificate executed and delivered shall constitute an additional contractual obligation on the part of Valley, whether or not the Warrant Certificate so lost, stolen, destroyed or mutilated shall be at any time enforceable by anyone.

SECTION 7. NO ISSUANCE OF FRACTIONAL INTERESTS IN COMMON STOCK. Valley shall not be required to issue fractional shares of Valley Common Stock on the exercise of the Warrants. If any fraction of a share of Valley Common Stock would be issuable upon the exercise of the Warrants (or any specified portion thereof), Valley shall pay an amount in cash equal to the product of (a) such fraction and (b) the closing price per share of Valley Common Stock as quoted by the New York Stock Exchange, or on any other exchange on which the Valley Common Stock is quoted, on the trading day prior to the date the Warrant is exercised.

SECTION 8. NO RIGHTS AS SHAREHOLDERS; CERTAIN NOTICES AND REPORTS TO HOLDERS. Except as specifically provided in this Agreement, nothing contained in this Agreement or in the Warrant Certificates shall be construed as conferring upon the Holders or any transferees the right to vote or to receive dividends or to receive notice as shareholders in respect of any meeting of shareholders for the election of directors of Valley or any other matter, or any rights whatsoever as shareholders of Valley.

8.1. *Reports.* Valley shall transmit to all registered Holders, all reports and other documents that Valley transmits to holders of shares of Valley Common Stock generally, at the same time and in the same manner as such reports and other documents are transmitted to holders of shares of Valley Common Stock.

SECTION 9. AGREEMENT OF WARRANT HOLDERS. Every Holder of a Warrant, by his acceptance thereof, consents and agrees with Valley, the Warrant Agent and every other Holder of a Warrant that:

(a) The Warrants are transferable only on the registry books of Valley by the Holder thereof in person or by his attorney duly authorized in writing and only if the Warrant certificates representing such Warrants are surrendered at the office of the Warrant Agent, duly endorsed or accompanied by a proper instrument of transfer satisfactory to the Warrant Agent and Valley in their sole discretion, together with payment of any applicable transfer taxes; and

(b) Valley and the Warrant Agent may deem and treat the person in whose name the Warrant certificate is registered as the Holder and as the absolute, true and lawful owner of the Warrants represented thereby for all purposes, and neither Valley nor the Warrant Agent shall be affected by any notice or knowledge to the contrary.

SECTION 10. *DUTIES OF WARRANT AGENT*. The Warrant Agent acts hereunder as agent and in a ministerial capacity for Valley, and its duties shall be determined solely by the provisions hereof. The Warrant Agent shall not, by issuing and delivering Warrant certificates or by any other act hereunder be deemed to make any representations as to the validity, value or authorization of the Warrant certificates or the Warrants represented thereby or of any securities or other property delivered upon exercise of any Warrant or whether any stock issued upon exercise of any Warrant is fully paid and nonassessable.

The Warrant Agent shall not at any time be under any duty or responsibility to any Holder of Warrant certificates to make or cause to be made any adjustment of the Warrant Price provided in this Agreement, or to determine whether any fact exists which may require any such adjustments, or with respect to the nature or extent of any such adjustment, when made, or with respect to the method employed in making the same. It shall not (i) be liable for any recital or statement of facts contained herein or for any action taken, suffered or omitted by it in reliance on any Warrant Certificate or other document or instrument believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties, (ii) be responsible for any failure on the part of Valley to comply with any of its covenants and obligations contained in this Agreement or in any Warrant Certificate, or (iii) be liable for any act or omission in connection with this Agreement except for its own gross negligence or willful misconduct.

The Warrant Agent may at any time consult with counsel satisfactory to it (who may be counsel for Valley) and shall incur no liability or responsibility for any action taken, suffered or omitted by it in good faith in accordance with the opinion or advice of such counsel.

Any notice, statement, instruction, request, direction, order or demand of Valley shall be sufficiently evidenced by an instrument signed by the Chairman, President and CEO, any Executive Vice President, or the Secretary (unless other evidence in respect thereof is herein specifically prescribed). The Warrant Agent shall not be liable for any action taken, suffered or omitted by it in accordance with such notice, statement, instruction, request, direction, order or demand believed by it to be genuine.

Valley agrees to pay the Warrant Agent reasonable compensation for its services hereunder and to reimburse it for its reasonable expenses hereunder and further agrees to indemnify the Warrant Agent and save it harmless against any and all losses, expenses and liabilities, including judgments, costs and counsel fees, for anything done or omitted by the Warrant Agent in the execution of its duties and powers hereunder except losses, expenses and liabilities arising as a result of the Warrant Agent's gross negligence or willful misconduct.

The Warrant Agent may resign its duties and be discharged from all further duties and liabilities hereunder (except liabilities arising as a result of the Warrant Agent's own gross negligence or willful misconduct), after giving 30 days' prior written notice to Valley. At least 15 days prior to the date such resignation is to become effective, the Warrant Agent shall cause a copy of such notice of resignation to be mailed to the Holder of each Warrant Certificate at Valley's expense. Upon such resignation, or any inability of the Warrant Agent to act as such hereunder, Valley shall appoint a new warrant agent in writing. Valley shall have complete discretion in the naming of a new warrant agent, who may be an affiliate, subsidiary or department of Valley, or any person used by Valley as transfer agent for the Valley Common Stock. If Valley shall fail to make such appointment within a period of 15 days after it has been notified in writing of such resignation by the resigning Warrant Agent, then the Holder of any Warrant Certificate may apply to any court of competent jurisdiction for the appointment of a new warrant agent. Valley may, upon notice to the Holders, remove and replace the Warrant Agent if the Warrant Agent is the transfer agent for Valley Common Stock and the Warrant Agent ceases to be the transfer agent for Valley Common Stock for any reason.

After acceptance in writing of an appointment by a new warrant agent is received by Valley, such new warrant agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as the Warrant Agent, without any further assurance, conveyance, act or deed. Any former warrant agent hereby agrees to cooperate with and deliver all records and Warrant Certificates to the new warrant agent at the direction of the new agent and Valley.

Table of Contents

Not later than the effective date of an appointment of a new warrant agent by Valley, Valley shall file notice with the resigning or terminated warrant agent and shall forthwith cause a copy of such notice to be mailed to each Holder.

Any corporation into which the Warrant Agent or any new warrant agent may be converted or merged or any corporation resulting from any consolidation to which the Warrant Agent or any new warrant agent shall be a party or any corporation succeeding to the trust business of the Warrant Agent shall be a successor warrant agent under this Agreement without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed to Valley and to each Holder.

Nothing herein shall preclude the Warrant Agent from acting in any other capacity for Valley.

SECTION 11. *MODIFICATION OF AGREEMENT.* The Warrant Agent and Valley may by supplemental agreement make any changes or corrections in this Agreement: (i) that they shall deem appropriate to cure any ambiguity or to correct any defective or inconsistent provision or manifest mistake or error herein contained; or (ii) that they may deem necessary or desirable and which shall not adversely affect the purchase or other material rights of the Holders of Warrant Certificates. This Agreement shall not otherwise be modified, supplemented or amended in any respect except with the consent in writing of the Holders of Warrant Certificates representing not less than 50% of the Warrants then outstanding, but no such amendment, modification or supplement which changes the number or nature of the securities purchasable upon the exercise of any Warrant, the Warrant Price or accelerates the Expiration Date, shall be made without the consent in writing of each and every Holder (but no consent shall be required for such changes as are specifically prescribed by this Agreement as originally executed).

SECTION 12. *MISCELLANEOUS.*

12.1. *Entire Agreement.* This Agreement and the form of Warrant Certificate annexed hereto as *Exhibit A* contains the entire Agreement between the parties hereto with respect to the transactions contemplated by this Agreement and supersedes all prior negotiations, arrangements or understandings with respect thereto.

12.2. *Counterparts.* This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and each of which shall be deemed an original.

12.3. *Governing Law.* This Agreement shall be governed by the laws of the State of New Jersey, without giving effect to the principles of conflicts of laws thereof.

12.4. *Descriptive Headings.* The descriptive headings of this Agreement are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

12.5. *Notices.* Any notice or other communications required hereunder to be given to a Holder shall be in writing and shall be sufficiently given, if mailed or personally delivered, or by any other means previously consented to by the Holder, including, without limitation, electronic mail or facsimile. If mailed, such notice shall be addressed in the name and at the address of such Holder appearing from time to time on the records of the Warrant Agent. Notices or other communications to Valley shall be deemed to have been sufficiently given if mailed or personally delivered to Valley at its then principal office, Attention: Chairman, President and CEO, or at such other address as Valley shall have designated by written notice to the Warrant Agent. Notices or other communications to the Warrant Agent shall be deemed to have been sufficiently given if mailed or personally delivered to its then principal office, or by any other means previously consented to by the Warrant Agent, with respect to communications by such Holder or person. Notice by mail shall be deemed given when deposited in the mail, postage prepaid.

Board of Directors

Greater Community Bancorp

55 Union Boulevard

Totowa, NJ 07512

Ladies and Gentlemen:

Greater Community Bancorp (Greater Community) and Valley National Bancorp (Valley) have entered into an Agreement and Plan of Merger, dated as of March 19, 2008 (the Agreement), pursuant to which Greater Community will merge with and into Valley, with Valley as the surviving corporation (the Merger). Under the terms of the Agreement, upon consummation of the Merger, each share of Greater Community common stock, other than those shares as specified in the Agreement, will be converted into the right to receive (i) 0.95 shares (the Exchange Ratio) of no par common stock of Valley (Valley Common Stock) plus (ii) 0.10 of a warrant to purchase Valley Common Stock (the Warrants together with the Exchange Ratio, the Merger Consideration) at a price per share equal to the Average Closing Price plus \$2.00 per share (the Exercise Price). The other terms and conditions of the Warrants are more fully set forth in a warrant agreement entered into in connection with the Merger (the Warrant Agreement). Capitalized terms used herein without definition shall have the meanings assigned to them in the Agreement. The other terms and conditions of the Merger are more fully set forth in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration to the holders of Greater Community Common Stock.

Sandier O Neill & Partners, L.P., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In connection with this opinion, we have reviewed, among other things: (i) the Agreement and the Warrant Agreement; (ii) certain publicly available financial statements and other historical financial information of Greater Community that we deemed relevant; (iii) certain publicly available financial statements and other historical financial information of Valley that we deemed relevant; (iv) internal financial projections for Greater Community for the years ending December 31, 2008 through 2012 as discussed with senior management of Greater Community; (v) publicly available earnings per share estimates for Valley for the years ending December 31, 2008 and December 31, 2009 and the publicly available estimated long term growth rates for the years ending December 31, 2010 through December 31, 2012 as published by I/B/E/S and discussed with senior management of Valley; (vi) the pro forma financial impact of the Merger on Valley, based on assumptions relating to transaction expenses, purchase accounting adjustments and cost savings as discussed with the senior managements of Greater Community and Valley; (vii) the publicly reported historical price and trading activity for Greater Community s and Valley s common stock, including a comparison of certain financial and stock market information for Greater Community and Valley and similar publicly available information for certain other companies the securities of which are publicly traded; (viii) the financial terms of certain recent business combinations in the thrift industry, to the extent publicly available; (ix) the current market environment generally and the banking environment in particular; and (x) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with

certain members of senior management of Greater Community the business, financial condition, results of operations and prospects of Greater Community and we held similar discussions with senior management of Valley regarding the business, financial condition, results of operations and prospects of Valley.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources or that was provided to us by Greater Community and Valley or their respective representatives and have assumed such accuracy and completeness for purposes of rendering this opinion. We have further relied on the assurances of the respective managements of Greater Community and Valley that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. We have not been asked to and have not undertaken an independent verification of any of such information and we do not assume any responsibility or liability for the accuracy or completeness of any such information. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Greater Community and Valley or any of their subsidiaries, or the collectibility of any such assets, nor have we been furnished with any such evaluations or appraisals. We did not make an independent evaluation of the adequacy of the allowance for loan losses of Greater Community and Valley nor have we reviewed any individual credit files relating to Greater Community and Valley. We have assumed, with your consent, that the respective allowances for loan losses for both Greater Community and Valley are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

With respect to the internal financial projections of Greater Community as provided by and discussed with senior management of Greater Community and the publicly available earnings per share growth rate and the publicly available long term growth rates for Valley as discussed with the senior management of Valley and in both cases used by us in our analyses, the respective managements of Greater Community and Valley confirmed to us that they reflected the best currently available estimates and judgments of Greater Community's and Valley's respective management of the respective future financial performances of Greater Community and Valley and we assumed that such performances would be achieved. With respect to the projections of transaction expenses, purchase accounting adjustments and cost savings reviewed with the senior managements of Greater Community and Valley, management confirmed to us that they reflected the best currently available estimates and judgments of such management and we assumed that such performances would be achieved. We express no opinion as to such financial estimates and projections or the assumptions on which they are based. We have also assumed that there has been no material change in Greater Community's and Valley's assets, financial condition, results of operations, business or prospects since the date of the most recent financial statements made available to us. We have assumed in all respects material to our analysis that Greater Community and Valley will remain as going concerns for all periods relevant to our analyses, that all of the representations and warranties contained in the Agreement and all related agreements are true and correct, that each party to the agreements will perform all of the covenants required to be performed by such party under the agreements, that the conditions precedent in the agreements are not waived and that the Merger will qualify as a tax-free reorganization for federal income tax purposes. Finally, with your consent, we have relied upon the advice Greater Community has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the Merger and the other transactions contemplated by the Agreement.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect this opinion. We have not undertaken to update, revise, reaffirm or withdraw this opinion or otherwise comment upon events occurring after the date hereof. We are expressing no opinion herein as to what the value of Valley's common stock will be when issued to Greater Community shareholders pursuant to the Agreement or the prices at which Greater Community's or Valley's common stock may trade at any time, including at the time the Warrants become exercisable.

We have acted as Greater Community's financial advisor in connection with the Merger and will receive a fee for our services, a substantial portion of which is contingent upon consummation of the Merger. We will also receive a fee for rendering this opinion. Greater Community has also agreed to indemnify us against certain liabilities arising out of our engagement. In addition, as we have previously advised you, we have in the past provided certain investment banking services to Valley and have received compensation for such services and may provide, and receive compensation for, such services in the future.

In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to Greater Community and Valley or their affiliates. We may also actively trade the equity or debt securities of Greater Community and Valley or their affiliates for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

Our opinion is directed to the Board of Directors of Greater Community in connection with its consideration of the Merger and does not constitute a recommendation to any shareholder of Greater Community Common Stock as to how such shareholder should vote in any meeting of shareholders called to consider and vote upon the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to the holders of Greater Community Common Stock and does not address the underlying business decision of Greater Community to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies or transaction that might exist for Greater Community or the effect of any other transaction in which Greater Community might engage. Our opinion is not to be quoted or referred to, in whole or in part, in a registration statement, prospectus, proxy statement or in any other document, nor shall this opinion be used for any other purposes, without our prior written consent. This Opinion has been approved by Sandier O'Neill's fairness opinion committee. We do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by the company's officers, directors, or employees, or class of such persons, relative to the compensation to be received in the Merger by any other shareholders of the company.

Based upon and subject to the foregoing, it is our opinion, as of the date hereof, that the Merger Consideration is fair to the holders of Greater Community Common Stock from a financial point of view.

Very truly yours,

Item 20. Indemnification of Directors and Officers.

Indemnification. Article VI of the certificate of incorporation of Valley National Bancorp provides that the corporation shall indemnify its present and former officers, directors, employees, and agents and persons serving at its request against expenses, including attorney's fees, judgments, fines or amounts paid in settlement, incurred in connection with any pending or threatened civil or criminal proceeding to the full extent permitted by the New Jersey Business Corporation Act. The Article also provides that such indemnification shall not exclude any other rights to indemnification to which a person may otherwise be entitled, and authorizes the corporation to purchase insurance on behalf of any of the persons enumerated against any liability whether or not the corporation would have the power to indemnify him under the provisions of Article VI.

The New Jersey Business Corporation Act empowers a corporation to indemnify a corporate agent against his expenses and liabilities incurred in connection with any proceeding (other than a derivative lawsuit) involving the corporate agent by reason of his being or having been a corporate agent if (a) the agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and (b) with respect to any criminal proceeding, the corporate agent had no reasonable cause to believe his conduct was unlawful. For purposes of the Act, the term "corporate agent" includes any present or former director, officer, employee or agent of the corporation, and a person serving as a "corporate agent" at the request of the corporation for any other enterprise.

With respect to any derivative action, the corporation is empowered to indemnify a corporate agent against his expenses (but not his liabilities) incurred in connection with any proceeding involving the corporate agent by reason of his being or having been a corporate agent if the agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, only the court in which the proceeding was brought can empower a corporation to indemnify a corporate agent against expenses with respect to any claim, issue or matter as to which the agent was adjudged liable for negligence or misconduct.

The corporation may indemnify a corporate agent in a specific case if a determination is made by any of the following that the applicable standard of conduct was met: (i) the Board of Directors, or a committee thereof, acting by a majority vote of a quorum consisting of disinterested directors; (ii) by independent legal counsel, if there is not a quorum of disinterested directors or if the disinterested quorum empowers counsel to make the determination; or (iii) by the shareholders.

A corporate agent is entitled to mandatory indemnification to the extent that the agent is successful on the merits or otherwise in any proceeding, or in defense of any claim, issue or matter in the proceeding. If a corporation fails or refuses to indemnify a corporate agent, whether the indemnification is permissive or mandatory, the agent may apply to a court to grant him the requested indemnification. In advance of the final disposition of a proceeding, the corporation may pay an agent's expenses if the agent agrees to repay the expenses unless it is ultimately determined he is entitled to indemnification.

Exculpation. Article VIII of the certificate of incorporation of Valley National Bancorp provides:

A director or officer of the Corporation shall not be personally liable to the Corporation or its shareholders for damages for breach of any duty owed to the Corporation or its shareholders, except that this provision shall not relieve a director or officer from liability for any breach of duty based upon an act or omission (i) in breach of such person's duty of loyalty to the Corporation or its shareholders, (ii) not in good faith or involving a knowing violation of law, or (iii) resulting in receipt by such person of an improper personal benefit. If the New Jersey Business Corporation Act is amended after approval by the shareholders of this provision to authorize

corporate action further eliminating or limiting the personal liability of directors or officers, then the liability of a director and/or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the New Jersey Business Corporation Act as so amended.

Any repeal or modification of the foregoing paragraph by the shareholders of the Corporation or otherwise shall not adversely affect any right or protection of a director or officer of the Corporation existing at the time of such repeal or modification.

The New Jersey Business Corporation Act, as it affects exculpation, has not been changed since the adoption of this provision by Valley National Bancorp in 1987.

2. The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.
3. The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph 2 immediately preceding, or (ii) that purports to meet the requirements of Section 10(a) (3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
4. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
5. The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means.
