On September 26, 2008, Metals USA Holdings Corp. The Company must make an election regarding whether subsequent interest payments will be made entirely in cash, entirely through PIK Interest or 50% in cash and 50% in PIK Interest not later than the start of the applicable interest period. In the absence of such an election for any interest period, interest on the Notes will be payable according to the election for the previous interest period. As a result, the entirely PIK Interest election is now the default election for future interest periods unless the Company elects otherwise not later than the commencement of an interest period.
