**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On December 4, 2008, the Compensation Committee of the Board of Directors of H.B. Fuller Company (the Company) approved a new form of H.B. Fuller Company Management Short-Term Incentive Plan (the new STIP) attached to this Current Report on Form 8-K as Exhibit 10.1. The new STIP will be effective for any short-term incentive awards related to the Company's 2009 fiscal year and thereafter. The new STIP provides an annual performance-based cash incentive opportunity for eligible employees. The new STIP design is based on financial metrics. The metrics will vary based on position and will generally include (i) earnings before interest, taxes, depreciation and amortization (EBITDA), (ii) return on gross investment (ROGI), (iii) organic sales and (iv) earnings per share. Each metric will have a target level of performance. Threshold and stretch performance levels will be set for each metric and, in some cases, superior stretch performance levels will also be set. Payout will be determined for each metric based on performance relative to target. The target, threshold, stretch and superior stretch levels of performance will be established at the beginning of each fiscal year. The foregoing description is qualified in its entirety by reference to the new STIP, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

In addition, in connection with annual stock-based grants to eligible Company employees under the Company's Amended and Restated Year 2000 Stock Incentive Plan, the Compensation Committee approved the forms of Restricted Stock Unit Award Agreement, Restricted Stock Award Agreement and Non-Qualified Stock Option Agreement attached to this Report as Exhibits 10.2, 10.3 and 10.4, respectively.
