*Estes Sale and Financing Leasebacks*

On April 22, 2009, YRC Inc. and USF Reddaway, Inc., each a subsidiary of the Company, entered into real estate sales contracts (collectively, the New Estes Contracts) with Estes Express Lines (Estes) to sell and simultaneously lease back a pool of such subsidiaries' facilities located throughout the United States, including facilities originally a part of the transaction with NATMI described below. The aggregate purchase price for the subject facilities is approximately \$32 million and initial annual lease payments for the subject facilities would be approximately \$2.9 million in the aggregate. The terms of the New Estes Contracts and related leases are consistent with the terms of the Prior Estes Contracts (as defined below). The Company expects to close the sale and leaseback transactions under the New Estes Contracts during the second quarter of 2009, subject to the satisfaction of normal and customary due diligence and related conditions, including Estes' right to terminate each Contract in its sole discretion during the inspection period, and the ability of the subsidiaries to obtain lien releases from JPMorgan Chase Bank, National Association, the collateral agent to the Company's credit agreement dated August 17, 2007, as amended.

The New Estes Contracts are in addition to the real estate sales contracts (the Prior Contracts) entered into on February 13, 2009 between Estes and subsidiaries of the Company for an aggregate purchase price of approximately \$122 million. See the Company's Current Report on Form 8-K filed with the Securities Exchange Commission on February 20, 2009 for a summary of the Prior Estes Contracts.

*Other Sale and Financing Leasebacks*

On April 23, 2009, YRC Inc., USF Holland Inc. and New Penn Motor Express, Inc., each a subsidiary of the Company, entered into real estate sales contracts (collectively, the Sale Contracts) with new investors to sell and simultaneously lease back a pool of the such subsidiaries' facilities located throughout the United States, including a facility originally a part of the transaction with NATMI described below. The aggregate purchase price for the subject facilities is approximately \$70 million and initial annual lease payments for the subject facilities would be approximately \$6.1 million in the aggregate. The Company expects to close the sale and leaseback transactions under the Sale Contracts during the second quarter of 2009, subject to the conditions described above for the New Estes Contracts.

*NATMI Sale and Financing Leasebacks*

As previously disclosed, the Company and NATMI Truck Terminals, LLC (NATMI) entered into a Real Estate Sales Contract, effective December 19, 2008, as amended (the NATMI Contract), pursuant to which certain subsidiaries of the Company would sell and simultaneously lease back a pool of facilities located throughout the United States. See the Company's Current Report on Form 8-K filed with the Securities Exchange Commission on December 24, 2008 for a summary of the NATMI Contract.

The aggregate purchase price for the subject facilities was approximately \$150.4 million, of which \$111 million was closed during the first quarter of 2009. The Company and NATMI have agreed to modify the NATMI Contract to remove certain facilities that have not closed and extend the closing date for certain facilities with an aggregate purchase price of approximately \$16 million. The Company expects to close on these facilities during the second quarter of 2009, subject to the conditions described above for the New Estes Contracts.
