**Item 8.01 Other Events**

On May 13, 2009, Verizon Communications Inc. (Verizon) announced a definitive agreement with Frontier Communications Corporation (Frontier). The agreement resulted in Verizon establishing a separate entity for its local exchange and related business assets in all or parts of 14 states that would, at the closing of this transaction, merge with and into Frontier. This entity will be comprised of the local exchange business and related landline activities of Verizon in the states of Arizona, parts of California, Idaho, Illinois, Indiana, Michigan, Nevada, North Carolina, Ohio, Oregon, South Carolina, Washington, West Virginia and Wisconsin, including Internet access and long distance services and broadband video provided to designated customers in those states. The completion of the transaction is subject to the satisfaction of conditions, including the receipt of the applicable regulatory approvals.

Prior to the announcement of the definitive agreement with Frontier, financial statements were not historically prepared for this entity, as it was not operated as a separate business. However, Verizon has prepared combined special-purpose financial information for Verizon's Separate Telephone Operations, consistent with the results of operations, financial position and cash flows of this entity before pro forma adjustments, for specified periods through June 30, 2009 for inclusion in Frontier's proxy statement relating to this transaction and a debt offering document. Subsequently, Verizon prepared and provided summarized combined results of operations and capital expenditures for Verizon's Separate Telephone Operations for the three and nine months ended September 30, 2009 for informational purposes and provided them to Frontier as follows:

(dollars in millions) (unaudited)	Three Months Ended September 30, 2009	Nine Months Ended September 30, 2009
<b>Operating Revenues</b>	<b>\$ 1,007</b>	<b>\$ 3,081</b>

<b>Total Operating Expenses</b>	<b>914</b>	<b>2,577</b>
<b>Operating Income</b>	<b>93</b>	<b>504</b>

<b>Net Income</b>	<b>\$ 44</b>	<b>\$ 281</b>
<b>Capital Expenditures</b>	<b>\$ 129</b>	<b>\$ 408</b>

- (1) Pension settlement losses of \$154 million and \$293 million were recorded during the three and nine months ended September 30, 2009, respectively, related to employees that received lump-sum distributions primarily resulting from previous separation plans in which prescribed payment thresholds have been reached.
