ITEM 5.02 ELECTION OF DIRECTOR OR PRINCIPAL OFFICER

TAMPA, Fla. February 9, 2010 Stem Cell Therapy International, Inc. (OTCBB: SCII) announced that Dr. Hoon Han has been elected Chairman of the Company's Board of Directors effective immediately.

The Company also announced the resignation of Lixian (John) Jiang from all positions with the Company. Lixian (John) Jiang continues to be interested in assisting the Company in an advisory capacity when the Company forms its medical advisory committee.

Dr. Hoon Han has been appointed to the Board of Directors until his respective successor is elected and qualified or until his earlier resignation, removal from office or death.

Dr. Han is the President and Chief Executive Officer of HistoStem Co., Ltd. where he established the first cord blood bank, the first bone marrow bank and the first stem cell bank in Korea. Among his career highlights, Dr. Han has successfully performed a bone marrow transplant between a father and son; he has conducted research proving the existence of stem cells in cord blood and he has developed a cure for intractable diseases such as Buerger's disease using cord blood stem cells. Dr. Han holds a PhD and an MD from the Catholic Medical University in Seoul, Korea and he has served as a research professor at the University of Southern California Los Angeles, as well as at the Catholic Medical University. He is the Vice President of the Institution of Medical Science, Catholic Medical University; the Chairman of the Korea Society for Biomaterials and a member and director of Experimental Hematology.
