The Annual Meeting will be held at 11:15 a.m., local time, on Wednesday, April 21, 2010, at our main offices at RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328. VOTING INFORMATION

Proxy Card and Revocation

You are requested to promptly sign, date, and return the accompanying proxy card to us in the enclosed envelope. Any shareholder who has delivered a proxy may revoke it at any time before it is voted by electing to vote in person at the Annual Meeting, by giving notice of revocation in writing or by submitting to us a signed proxy bearing a later date, provided that we actually receive such notice or proxy prior to the taking of the shareholder vote at the Annual Meeting. Any notice of revocation should be sent to AssuranceAmerica Corporation, RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Mark H. Hain, Secretary. The shares of our common stock represented by properly executed proxies received at or before the Annual Meeting and not subsequently revoked will be voted as directed in such proxies. If instructions are not given, shares represented by proxies received will be voted FOR the election of each of the seven nominees for Director and FOR the adoption of the 2010 Incentive Plan. As of the date of this Proxy Statement, we are unaware of any other matter to be presented at the Annual Meeting.

Who Can Vote; Voting Of Shares

Our Board of Directors has established the close of business on March 22, 2010, as the record date (the Record Date) for determining our shareholders entitled to notice of and to vote at the Annual Meeting. Only our shareholders of record as of the Record Date will be entitled to vote at the Annual Meeting. A plurality of votes cast at the Annual Meeting will be required to elect seven Directors to serve until the 2011 Annual Shareholders Meeting and until their successors are duly elected and qualified. A plurality means that the nominees who receive the most votes for the available directorships will be elected as Directors. Accordingly, the

Table of Contents

withholding of authority by a shareholder will not be counted in computing a plurality and will have no effect on the results of the election of such nominees. The affirmative vote of a majority of our outstanding common stock present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve the adoption of our 2010 Incentive Plan and any other matter properly brought before the Annual Meeting.

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (so-called broker non-votes). In such cases, those shares will be counted for the purpose of determining if a quorum is present but will not be included in the vote totals with respect to those matters for which the broker cannot vote. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. Because Directors are elected by a plurality, abstentions and broker non-votes have no effect on the election of Directors. With respect to the approval of the adoption of our 2010 Incentive Plan and all other matters properly brought before the Annual Meeting, abstentions are counted as votes against a proposal and broker non-votes are not counted.

As of the Record Date, there were 65,492,357 shares of our common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote.

The presence, in person or by proxy, of holders of 10% of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum of the shareholders in order to take action at the Annual Meeting. For these purposes, shares of our common stock that are present, or represented by proxy, at the Annual Meeting will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on any matter or whether a broker with discretionary authority fails to exercise its discretionary voting authority with respect to any matter.

How You Can Vote

You may vote your shares by marking the appropriate boxes on the enclosed proxy card. You must sign and return the proxy card promptly in the enclosed self-addressed envelope. **Your vote is important. Even if you plan to attend the Annual Meeting in person, please return your marked proxy card promptly to ensure that your shares will be represented.**

PROPOSAL 1 ELECTION OF DIRECTORS

Number of Directors

Our Bylaws provide that our Board of Directors will consist of not less than one and no more than ten directors. The number of Directors has been set at seven by the Board. Our Board of Directors currently consists of six Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH NAMED NOMINEE FOR DIRECTOR.

Meetings and Committees of the Board

Our Board of Directors held five meetings during the year ended December 31, 2009. Each Director attended 75% or more of the aggregate number of meetings held by the Board of Directors and the Committees, if any, on which such Director served. The Board of Directors has a standing Compensation Committee. The Compensation Committee is composed of Mr. Zamarripa, Chairman and John Cay. The Compensation Committee met three times in 2009. The Compensation Committee is responsible for overseeing the compensation and benefits of our management and employees as well as director compensation and acts in accordance with a charter adopted by the Board of Directors. The Compensation Committee reviews the compensation of the directors and executive officers annually. The Committee does not use outside compensation consultants. The Committee does consider any recommendations, evaluations, or comments of the Chief Executive Officer in evaluating other executive officer compensation, as well as information regarding the compensation paid to executive officers in the Atlanta, Georgia Metropolitan area, the Company's financial results, individual specific achievements, and other information relevant to our executive officer's performance and compensation. The Board of Directors has a standing Audit Committee. The Audit Committee is composed of Mr. Healey, Chairman, Mrs. Street, and Dr. Ratajczak. The Audit Committee met seven times in 2009. The Audit Committee acts pursuant to a charter adopted by the Board of Directors. Mr. Healey and Dr. Ratajczak are audit committee financial experts as defined by the Nasdaq and Securities and Exchange Commission (SEC) rules. Copies of the current charters for each of the Compensation Committee and Audit Committee as well as the Company's Code of Ethics are available at our website, www.assuranceamerica.com, under Governance in the investor relations section of the website.

Because approximately 54% of our outstanding common stock is beneficially held by two individuals, our Board of Directors feels that it is appropriate not to have a standing Nominating Committee. Each of the members of our Board of Directors participates in the consideration of Director nominees. The Board has not established specific, minimum qualifications for a nominee to the Board of Directors. The Board considers the personal attributes of a candidate, including leadership, integrity, independence, interpersonal skills, contributing nature, and effectiveness. The candidates' experience and business attributes are also considered and include financial acumen, general business experience, industry knowledge, diversity of viewpoint, special business experience, and expertise. Messrs. Healey, Cay, Ratajczak, Reed, Zamarripa, and Mrs. Kaaren J. Street are independent directors, as defined in Rule 5605(a)(2) of the Nasdaq Marketplace Rules, the standard we use to evaluate the independence of our directors, and Mr. Healey, Dr. Ratajczak, and Mrs. Kaaren Street are independent as defined in Nasdaq Rule 5605(a)(2) and Rule 10A-3(b)(1)(ii) of the Securities Exchange Act of 1934 regarding independence of audit committee members. Since October 3, 2008, Mr. Millner has served as our Chairman and Chief Executive Officer. As a result, Mr. Millner is not an independent director. Our Board of Directors does not have a charter relating to the nomination of Directors. Our directors are encouraged to attend each annual shareholders meeting but are not required to do so. Last year, each director attended our annual shareholders meeting.

Table of Contents**Risk Oversight**

The Board exercises oversight of the Company's strategic, operational, and financial matters, as well as compliance and legal risks. The Board is responsible for assuring appropriate alignment of its leadership structure and oversight of management with the interests of shareholders and the communities in which the Company operates. Pursuant to the Company's committee charters, the Board's two standing committees oversee certain risks and the Audit Committee coordinates the risk oversight role exercised by various committees and management.

Board Leadership Structure

Our Board has no policy with respect to the separation of the offices of Chairman and Chief Executive Officer. We currently combine the role of Chairman and Chief Executive Officer. The Board will continue to evaluate this structure going forward in light of factors and considerations prevailing at the time to determine whether the Chief Executive Officer should also serve as Chairman.

Communicating with the Board

If you wish to communicate with our Board of Directors or any individual Director, you may send correspondence to: AssuranceAmerica Corporation, RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Corporate Secretary. Our Corporate Secretary will submit your correspondence to the Board or the appropriate Director, as applicable.

Director Compensation

Our non-officer directors are granted an option to purchase 50,000 shares of our common stock (exercisable over ten years and having an exercise price equal to the fair market value of the Company's common stock on the date of the grant) upon their initial election to the Board of Directors. For 2009 and 2010, each non-officer director may choose between (i) an amount in cash equal to \$15,000, plus the number of shares equal to \$15,000 divided by the share price on December 31 of the prior year, or (ii) the number of shares equal to \$30,000 divided by the share price on December 31 of the prior year. We reimburse each non-officer director for travel expenses related to attendance at Board and committee meetings.

For the year ended December 31, 2009, Guy W. Millner was not compensated in his capacity as Director. Donald Ratajczak and John E. Cay III each accepted a grant of 100,000 shares of our common stock for their service for the year ended December 31, 2009 and Quill O. Healey, Sam Zamarripa, and Kaaren Street elected \$15,000 and 50,000 shares of our common stock for their services for the year ended December 31, 2009.

PROPOSAL 2 ADOPTION OF THE COMPANY S 2010 INCENTIVE PLAN

PROPOSAL __

APPROVAL OF THE ASSURANCEAMERICA CORPORATION 2010 INCENTIVE PLAN

The Company s Board of Directors adopted, subject to stockholder approval at the Company s annual meeting, the AssuranceAmerica Corporation 2010 Incentive Plan (the 2010 Plan). The 2010 Plan will become effective the date it is approved by the stockholders.

The Company currently maintains the the Company s 2000 Incentive Plan, formerly the Brainworks Ventures, Inc., Stock Option Plan (the Prior Plan). As of March 16, 2010, there were 7,789,721 shares of the Company s common stock subject to outstanding awards under the Prior Plan. As of such date, there were 102,629 shares of the Company s common stock reserved and available for future awards under the Prior Plan. If the stockholders approve the 2010 Plan, all future equity awards will be made from the 2010 Plan, and the Company will not grant any additional awards under the Prior Plan. Options for 285,000 shares have been awarded for issuance under the 2010 Plan if it is approved by the Shareholders. The Prior Plan will expire in June 2010 .

A summary of the 2010 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2010 Plan, which is attached to this proxy statement as Appendix 1.

Summary of the 2010 Plan

Purpose. The purpose of the 2010 Plan is to promote the Company s success by linking the personal interests of the Company s employees, officers and directors to those of the Company s stockholders, and by providing participants with an incentive for outstanding performance. The 2010 Plan is also intended to enhance the Company s ability to motivate, attract, and retain the services of employees, officers, directors, independent contractors, and consultants upon whose judgment, interest, and special effort the successful conduct of the Company s operation is largely dependent.

Administration. The 2010 Plan will be administered by the Compensation Committee (the Committee) of the Board. The Committee will have the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2010 Plan; and make all other decisions and determinations that may be required under the 2010 Plan. The full Board may at any time elect instead to administer the 2010 Plan. If it does so, it will have all the powers of the Committee under the 2010 Plan.

Eligibility. The 2010 Plan permits the grant of incentive awards to employees, officers, non-employee directors, independent contractors, and consultants of the Company and its affiliates as selected by the Committee. As of the record date, the number of eligible participants was approximately 2,600. The number of eligible participants may increase over time based upon future growth of the Company and its affiliates.

Permissible Awards. The 2010 Plan authorizes the granting of awards in any of the following forms:

options to purchase shares of the Company s common stock, which may be nonstatutory stock options or incentive stock options under the Internal Revenue Code of 1986, as amended (the Code);

stock appreciation rights (SARs), which give the holder the right to receive the difference (payable in cash or stock, as specified in the award certificate) between the fair market value per share of the Company s common stock on the date of exercise over the base price of the award;

Table of Contents

restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Committee;

restricted or deferred stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property, as specified in the award certificate) in the future, based upon the attainment of stated vesting or performance criteria in the case of restricted stock units;

performance awards, which are awards payable in cash or stock upon the attainment of specified performance goals (any award that may be granted under the plan may be granted in the form of a performance award);

dividend equivalents, which entitle the holder of a full-value award to cash payments (or an equivalent value payable in stock or other property) equal to any dividends paid on the shares of stock underlying the full-value award;

other stock-based awards in the discretion of the Committee, including unrestricted stock grants; and

cash-based awards, including performance-based annual bonus awards.

Shares Available for Awards. Subject to adjustment as provided in the 2010 Plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted under the 2010 Plan is 2,000,000.

Share Counting. The share counting provisions of the 2010 Plan provide that the following shares will be added back to the 2010 Plan share reserve and will again be available for issuance pursuant to awards granted under the 2010 Plan: (i) unissued or forfeited shares originally subject to an award that is canceled, terminates, expires, is forfeited or lapses for any reason; and (ii) shares subject to an award other than an option or SAR that are not issued for any reason, including by reason of failure to achieve maximum performance goals.

Limitations on Individual Awards. The maximum aggregate number of shares of common stock subject to stock-based awards that may be granted under the 2010 Plan in any 12-month period to any one participant is as follows: options, 500,000; stock appreciation rights, 500,000; restricted stock or stock units, 500,000; and other stock-based awards, 500,000.

The maximum aggregate amount that may be paid with respect to cash-based awards under the 2010 Plan to any one participant in any fiscal year of the Company shall be \$1,000,000.

Performance Goals. All options and SARs granted under the 2010 Plan are designed to be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Committee may designate any other award granted under the 2010 Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a division, region, department or function within the Company or an affiliate:

The Committee must establish such goals within 90 days after the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal. The Committee may provide, at the time the performance goals are established, that any evaluation of performance shall exclude or otherwise objectively adjust for specified circumstances or events that occur during a performance period, including but not limited to: (a) asset write-downs or impairment charges; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs;

Limitations on Transfer; Beneficiaries. A participant may not assign or transfer an award other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, pursuant to a domestic relations order; provided, however, that the Committee may permit other transfers (other than transfers for value) where it concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Discretionary Acceleration. The Committee may in its sole discretion at any time determine that all or a portion of a participant's awards will become fully vested. The Committee may discriminate among participants or among awards in exercising such discretion.

Adjustments. In the event of a transaction between the Company and its stockholders that causes the per-share value of the Company's common stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits under the 2010 Plan will be adjusted proportionately, and the Committee must make such adjustments to the 2010 Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction. In the event of a stock split, a stock dividend, or a combination or consolidation of the outstanding common stock into a lesser number of shares, the authorization limits under the 2010 Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price.

Termination and Amendment. The Board or the Committee may, at any time and from time to time, terminate or amend the 2010 Plan, but if an amendment would constitute a material amendment requiring stockholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to stockholder approval. In addition, the Board or the Committee may condition any amendment on the approval of the stockholders for any other reason. No termination or amendment of the 2010 Plan may, without the written consent of the participant, reduce or diminish the value of an outstanding award.

The Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant.

Certain U.S. Federal Income Tax Effects

The U.S. federal income tax discussion set forth below is intended for general information only and does not purport to be a complete analysis of all of the potential tax effects of the 2010 Plan. It is based upon laws, regulations, rulings and decisions now in effect, all of which are subject to change. State and local income tax consequences are not discussed, and may vary from locality to locality.

Nonstatutory Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonstatutory stock option under the 2010 Plan. When the optionee exercises a nonstatutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding federal income tax deduction. Any gain that the optionee

Table of Contents

realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionees alternative minimum taxable income.

SARs. A participant receiving a SAR under the 2010 Plan will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the SAR, the amount of cash and the fair market value of any shares of stock received will be ordinary income to the participant and the Company will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted or Deferred Stock Units. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the stock or other property as of that date (less any amount he or she paid for the stock or property), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Cash-Based Performance Awards. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a cash-based performance award is granted (for example, when the performance goals are established). Upon receipt of cash in settlement of the award, a participant will recognize ordinary income equal to the cash received, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Tax Withholding. The Company has the right to deduct or withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including employment taxes) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the 2010 Plan.

- (1) Reflects the aggregate grant date fair value of option awards determined in accordance with ASC Topic 718. The grant date fair value of each option award is estimated on the date of grant using the Black-Scholes-Merton option-pricing model using the assumptions noted in this footnote. Expected volatilities are based on historical volatilities of the Company's stock. The Company uses historical data to estimate expected term within the valuation model. No provision for forfeitures is applied to option awards presented in this table. The risk-free rate for periods within the contractual life of the option is based on the U.S. Treasury yield curve in effect at the time of grant. The Company does not provide for any expected dividends or discount for post-vesting restrictions in the model. Additional information about the valuation assumptions relating to the option awards may be found in Note 9 to the Company's consolidated financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009. The exercise price of all option grants in 2008 is equal to the fair market value of the common stock on the date of grant and each option has a ten-year term. The options vest as to 20% of the shares on each anniversary of the date of grant.
- (2) Amounts shown consist of certain perquisites, none of which had a value exceeding 25% of the total value of all perquisites provided.

ASSURANCEAMERICA CORPORATION

2010 INCENTIVE PLAN

ARTICLE 1

PURPOSE

1.1. *GENERAL.* The purpose of the AssuranceAmerica Corporation 2010 Incentive Plan (the *Plan*) is to promote the success, and enhance the value, of AssuranceAmerica (the *Company*), by linking the personal interests of employees, officers, directors, independent contractors and consultants of the Company or any Affiliate (as defined below) to those of Company shareholders and by providing such persons with an incentive for outstanding performance. However, the mere fact that a Committee member shall fail to qualify as an Independent Director or shall fail to abstain from such action shall not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. The members of the Committee shall be appointed by, and may be changed at any time and from time to time in the discretion of, the Board. Unless and until changed by the Board, the Compensation Committee of the Board is designated as the Committee to administer the Plan. The Board may reserve to itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent it deems necessary to carry out the intent of the Plan. The Committee's interpretation of the Plan, any Awards granted under the Plan, any Award Certificate and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company's or an Affiliate's independent certified public accountants, Company counsel or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee will be liable for any good faith determination, act or omission in connection with the Plan or any Award.

The acts of such delegates shall be treated hereunder as acts of the Board and such delegates shall report regularly to the Board and the Compensation Committee regarding the delegated duties and responsibilities and any Awards so granted.

Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in an amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award if the recipient of such award (a) was a Covered Employee on the date of the modification, adjustment, change or elimination of the performance goals or performance period, or (b) in the reasonable judgment of the Committee, may be a Covered Employee on the date the Performance Award is expected to be paid.

11.2. *OTHER AWARDS*. When granting any other Award, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Business Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department or function within the Company or an Affiliate:

Performance goals with respect to the foregoing Qualified Business Criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured relative to the performance of a group of comparator companies, or a published or special index, or a stock market index, that the Committee deems appropriate. Any member of a comparator group or an index that disappears during a measurement period shall be disregarded for the entire measurement period. Performance Goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion).

11.3. *PERFORMANCE GOALS.* Each Qualified Performance-Based Award (other than a market-priced Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Business Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived, in whole or in part, upon (i) the termination of employment of a Participant by reason of death or Disability, or (ii) the occurrence of a change in control. Performance periods established by the Committee for any such Qualified Performance-Based Award may be as short as three months and may be any longer period. In addition, the Committee has the right, in connection with the grant of a Qualified Performance-Based Award, to exercise negative discretion to determine that the portion of such Award actually earned, vested and/or payable (as applicable) shall be less than the portion that would be earned, vested and/or payable based solely upon application of the applicable performance goals.

11.4. *INCLUSIONS AND EXCLUSIONS FROM PERFORMANCE CRITERIA.* The Committee may provide in any Qualified Performance-Based Award, at the time the performance goals are established, that any evaluation of performance shall exclude or otherwise objectively adjust for any specified circumstance or event that occurs during a performance period, including by way of example but without limitation the following: (a) asset write-downs or impairment charges; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs; (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30; (f) extraordinary nonrecurring items as described in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (g) acquisitions or divestitures; and (h) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

11.5. *CERTIFICATION OF PERFORMANCE GOALS.* Any payment of a Qualified Performance-Based Award granted with performance goals pursuant to Section 11.3 above shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in Section 11.3, no Qualified Performance-Based Award held by a Covered Employee or by an employee who in the reasonable judgment of the Committee may be a Covered Employee on the date of payment, may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in

any manner to waive the achievement of the applicable performance goal based on Qualified Business Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

11.6. *AWARD LIMITS.* Section 5.4 sets forth (i) the maximum number of Shares that may be granted in any one-year period to a Participant in designated forms of stock-based Awards, and (ii) the maximum aggregate dollar amount that may be paid with respect to cash-based Awards under the Plan to any one Participant in any fiscal year of the Company.

ARTICLE 12

DIVIDEND EQUIVALENTS

12.1. *GRANT OF DIVIDEND EQUIVALENTS.* The Committee is authorized to grant Dividend Equivalents with respect to Full-Value Awards granted hereunder, subject to such terms and conditions as may be selected by the Committee. Dividend Equivalents shall entitle the Participant to receive payments equal to ordinary cash dividends or distributions with respect to all or a portion of the number of Shares subject to a Full-Value Award, as determined by the Committee. The Committee may provide that Dividend Equivalents (i) will be deemed to have been reinvested in additional Shares or otherwise reinvested, or (ii) except in the case of Performance Awards, will be paid or distributed to the Participant as accrued (in which case, such Dividend Equivalents must be paid or distributed no later than the 15th day of the 3rd month following the later of (A) the calendar year in which the corresponding dividends were paid to shareholders, or (B) the first calendar year in which the Participant's right to such Dividend Equivalents is no longer subject to a substantial risk of forfeiture). Unless otherwise provided by the Committee, Dividend Equivalents accruing on unvested Full-Value Awards shall, as provided in the Award Certificate, either (i) be reinvested in the form of additional Shares, which shall be subject to the same vesting provisions as provided for the host Award, or (ii) be credited by the Company to an account for the Participant and accumulated without interest until the date upon which the host Award becomes vested, and any Dividend Equivalents accrued with respect to forfeited Awards will be reconveyed to the Company without further consideration or any act or action by the Participant.

ARTICLE 13

STOCK OR OTHER STOCK-BASED AWARDS

13.1. *GRANT OF STOCK OR OTHER STOCK-BASED AWARDS.* The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a bonus and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Subsidiaries. The Committee shall determine the terms and conditions of such Awards.

ARTICLE 14

PROVISIONS APPLICABLE TO AWARDS

14.1. *AWARD CERTIFICATES.* Each Award shall be evidenced by an Award Certificate. Each Award Certificate shall include such provisions, not inconsistent with the Plan, as may be specified by the Committee.

Table of Contents

14.2. *FORM OF PAYMENT FOR AWARDS.* At the discretion of the Committee, payment of Awards may be made in cash, Stock, a combination of cash and Stock, or any other form of property as the Committee shall determine. In addition, payment of Awards may include such terms, conditions, restrictions and/or limitations, if any, as the Committee deems appropriate, including, in the case of Awards paid in the form of Stock, restrictions on transfer and forfeiture provisions. Further, payment of Awards may be made in the form of a lump sum, or in installments, as determined by the Committee.

14.3. *LIMITS ON TRANSFER.* No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers (other than transfers for value) where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

14.4. *BENEFICIARIES.* Notwithstanding Section 14.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, any payment due to the Participant shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant, in the manner provided by the Company, at any time provided the change or revocation is filed with the Committee.

14.5. *STOCK TRADING RESTRICTIONS.* All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

14.6. *ACCELERATION FOR ANY REASON.* Subject to Article 11 as to Qualified Performance-Based Awards, the Committee may in its sole discretion at any time determine that all or a portion of a Participant's Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully or partially exercisable, that all or a part of the time-based vesting restrictions on all or a portion of the outstanding Awards shall lapse, and/or that any performance-based criteria with respect to any Awards shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may discriminate among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 14.6. Notwithstanding anything in the Plan, including this Section 14.8, the Committee may not accelerate the payment of any Award if such acceleration would violate Section 409A(a)(3) of the Code.]

14.7. *FORFEITURE EVENTS.* The Committee may specify in an Award Certificate that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, (i) termination of employment for cause, (ii) violation of material Company or Affiliate policies, (iii) breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, (iv) other conduct by the

Participant that is detrimental to the business or reputation of the Company or any Affiliate, or (v) a later determination that the vesting of, or amount realized from, a Performance Award was based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria, whether or not the Participant caused or contributed to such material inaccuracy.

14.8. *SUBSTITUTE AWARDS.* The Committee may grant Awards under the Plan in substitution for stock and stock-based awards held by employees of another entity who become employees of the Company or an Affiliate as a result of a merger or consolidation of the former employing entity with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the former employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

ARTICLE 15

CHANGES IN CAPITAL STRUCTURE

15.1. *MANDATORY ADJUSTMENTS.* In the event of a nonreciprocal transaction between the Company and its stockholders that causes the per-share value of the Stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee shall make such adjustments to the Plan and Awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction. Action by the Committee may include: (i) adjustment of the number and kind of shares that may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. Notwithstanding the foregoing, the Committee shall not make any adjustments to outstanding Options or SARs that would constitute a modification or substitution of the stock right under Treas. Reg. Sections 1.409A-1(b)(5)(v) that would be treated as the grant of a new stock right or change in the form of payment for purposes of Code Section 409A. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically, without the necessity for any additional action by the Committee, be adjusted proportionately without any change in the aggregate purchase price therefor.

15.2 *DISCRETIONARY ADJUSTMENTS.* Upon the occurrence or in anticipation of any corporate event or transaction involving the Company (including, without limitation, any merger, reorganization, recapitalization, combination or exchange of shares, or any transaction described in Section 15.1), the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and non-forfeitable and exercisable (in whole or in part) and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise or base price of the Award, (v) that performance targets and performance periods for Performance Awards will be modified, consistent with Code Section 162(m) where applicable, or (vi) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated.

15.3 *GENERAL.* Any discretionary adjustments made pursuant to this Article 15 shall be subject to the provisions of Section 16.2. To the extent that any adjustments made pursuant to this Article 15 cause Incentive Stock Options to cease to qualify as Incentive Stock Options, such Options shall be deemed to be Nonstatutory Stock Options.

ARTICLE 16

AMENDMENT, MODIFICATION AND TERMINATION

16.1. *AMENDMENT, MODIFICATION AND TERMINATION.* The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without stockholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, either (i) materially increase the number of Shares available under the Plan, (ii) expand the types of awards under the Plan, (iii) materially expand the class of participants eligible to participate in the Plan, (iv) materially extend the term of the Plan, or (v) otherwise constitute a material change requiring stockholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to stockholder approval; and provided, further, that the Board or Committee may condition any other amendment or modification on the approval of stockholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable (i) to comply with the listing or other requirements of an Exchange, or (ii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

16.2. *AWARDS PREVIOUSLY GRANTED.* At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

(a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination (with the per-share value of an Option or SAR for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);

(b) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be adversely affected by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or SAR for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise or base price of such Award).

16.3. *COMPLIANCE AMENDMENTS.* Notwithstanding anything in the Plan or in any Award Certificate to the contrary, the Board may amend the Plan or an Award Certificate, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or Award Certificate to any present or future law relating to plans of this or similar nature (including, but not limited to, Section 409A of the Code), and to the administrative regulations and rulings promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 16.3 to any Award granted under the Plan without further consideration or action.

ARTICLE 17

GENERAL PROVISIONS

17.1. *RIGHTS OF PARTICIPANTS.*

(a) No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

Table of Contents

(b) Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, or any Participant's service as a director, independent contractor or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, or director, independent contractor or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

(c) Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company or any Affiliate and, accordingly, subject to Article 16, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company or any of its Affiliates.

(d) No Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

17.2. *WITHHOLDING.* The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company or such Affiliate, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. The obligations of the Company under the Plan will be conditioned on such payment or arrangements and the Company or such Affiliate will, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant. Unless otherwise determined by the Committee at the time the Award is granted or thereafter, any such withholding requirement may be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes. All such elections shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

17.3. *SPECIAL PROVISIONS RELATED TO SECTION 409A OF THE CODE.*

(a) *General.* It is intended that the payments and benefits provided under the Plan and any Award shall either be exempt from the application of, or comply with, the requirements of Section 409A of the Code. The Plan and all Award Certificates shall be construed in a manner that effects such intent. Nevertheless, the tax treatment of the benefits provided under the Plan or any Award is not warranted or guaranteed. Neither the Company, its Affiliates nor their respective directors, officers, employees or advisers (other than in his or her capacity as a Participant) shall be held liable for any taxes, interest, penalties or other monetary amounts owed by any Participant or other taxpayer as a result of the Plan or any Award.

(b) *Definitional Restrictions.* Notwithstanding anything in the Plan or in any Award Certificate to the contrary, to the extent that any amount or benefit that would constitute non-exempt deferred compensation for purposes of Section 409A of the Code would otherwise be payable or distributable, or a different form of payment (e.g., lump sum or installment) would be effected, under the Plan or any Award Certificate by reason of the occurrence of a change in control, or the Participant's Disability or separation from service, such amount or benefit will not be payable or distributable to the Participant, and/or such different form of payment will not be effected, by reason of such circumstance unless the circumstances giving rise to such change in control, Disability or separation from service meet any description or definition of change in control event, disability or separation from service, as the case may be, in Section 409A of the Code and applicable regulations (without giving effect to any elective provisions that may be available under such definition). This provision does not prohibit the vesting of any Award upon a change in control, Disability or separation from service, however defined. If this provision prevents the

Table of Contents

payment or distribution of any amount or benefit, or the application of a different form of payment of any amount or benefit, such payment or distribution shall be made at the time and in the form that would have applied absent the change in control, Disability or separation from service, as applicable, as applicable.

(c) *Allocation among Possible Exemptions.* If any one or more Awards granted under the Plan to a Participant could qualify for any separation pay exemption described in Treas. Reg. Section 1.409A-1(b)(9), but such Awards in the aggregate exceed the dollar limit permitted for the separation pay exemptions, the Company (acting through the Committee) shall determine which Awards or portions thereof will be subject to such exemptions.

(d) *Six-Month Delay in Certain Circumstances.* Notwithstanding anything in the Plan or in any Award Certificate to the contrary, if any amount or benefit that would constitute non-exempt deferred compensation for purposes of Section 409A of the Code would otherwise be payable or distributable under this Plan or any Award Certificate by reason of a Participant's separation from service during a period in which the Participant is a Specified Employee (as defined below), then, subject to any permissible acceleration of payment by the Committee under Treas. Reg. Section 1.409A-3(j)(4)(ii) (domestic relations order), (j)(4)(iii) (conflicts of interest), or (j)(4)(vi) (payment of employment taxes):

(i) the amount of such non-exempt deferred compensation that would otherwise be payable during the six-month period immediately following the Participant's separation from service will be accumulated through and paid or provided on the first day of the seventh month following the Participant's separation from service (or, if the Participant dies during such period, within 30 days after the Participant's death) (in either case, the Required Delay Period); and

(ii) the normal payment or distribution schedule for any remaining payments or distributions will resume at the end of the Required Delay Period.

For purposes of this Plan, the term Specified Employee has the meaning given such term in Code Section 409A and the final regulations thereunder, *provided, however*, that, as permitted in such final regulations, the Company's Specified Employees and its application of the six-month delay rule of Code Section 409A(a)(2)(B)(i) shall be determined in accordance with rules adopted by the Board or any committee of the Board, which shall be applied consistently with respect to all nonqualified deferred compensation arrangements of the Company, including this Plan.

(e) *Installment Payments.* If, pursuant to an Award, a Participant is entitled to a series of installment payments, such Participant's right to the series of installment payments shall be treated as a right to a series of separate payments and not to a single payment. For purposes of the preceding sentence, the term series of installment payments has the meaning provided in Treas. Reg. Section 1.409A-2(b)(2)(iii) (or any successor thereto).

17.4. UNFUNDED STATUS OF AWARDS. The Plan is intended to be an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. In its sole discretion, the Committee may authorize the creation of grantor trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or payments in lieu of Shares or with respect to Awards. This Plan is not intended to be subject to ERISA.

17.5. RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan. Nothing contained in the Plan will prevent the Company from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

Table of Contents

17.6. *EXPENSES.* The expenses of administering the Plan shall be borne by the Company and its Affiliates.

17.7. *TITLES AND HEADINGS.* The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

17.8. *GENDER AND NUMBER.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

17.9. *FRACTIONAL SHARES.* No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

17.10. *GOVERNMENT AND OTHER REGULATIONS.*

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

17.11. *GOVERNING LAW.* To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Nevada.

17.12. *SEVERABILITY.* In the event that any provision of this Plan is found to be invalid or otherwise unenforceable under any applicable law, such invalidity or unenforceability will not be construed as rendering any other provisions contained herein as invalid or unenforceable, and all such other provisions will be given full force and effect to the same extent as though the invalid or unenforceable provision was not contained herein.

17.13. *NO LIMITATIONS ON RIGHTS OF COMPANY.* The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or

assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.
