Section 2 Financial Information

Item 2.02. Results of Operations and Financial Condition.

On April 26, 2010, Albemarle Corporation (the "Company") issued a press release regarding its earnings for the first quarter ended March 31, 2010. A copy of this release is being furnished as Exhibit 99.1 hereto and incorporated herein by reference. In addition, on April 27, 2010, the Company will hold a teleconference for analysts and media to discuss results for the first quarter ended March 31, 2010. The teleconference is webcast on the Company's website at www.albemarle.com.

The press release attached as Exhibit 99.1 includes earnings or per share amounts excluding special items and the effective tax rate excluding special items, which are financial measures that are not required by, or presented in accordance with, accounting principles generally accepted in the United States ("GAAP"). These items are presented to exclude the impact of certain non-recurring items on the Company's results. The Company has reported earnings or per share amounts excluding special items and the effective tax rate excluding special items because management believes that these financial measures are more reflective of the Company's operations, provides transparency to investors and enables period-to-period comparability of financial performance. Earnings or per share amounts excluding special items and the effective tax rate excluding special items should not be considered as an alternative to earnings, per share amounts or the effective tax rate determined in accordance with GAAP. The Company has included in the press release reconciliation information for earnings or per share amounts excluding special items and the effective tax rate excluding special items, the non-GAAP financial measures, to earnings, per share amounts or the effective tax rate, as applicable, the most directly comparable financial measures calculated and reported in accordance with GAAP.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
