These ships would have an innovative design that focuses on improving loadability and fuel efficiency. A letter of intent has not been signed between the parties and there is no assurance that Seaspan will enter into a letter of intent or complete the transaction.

These forward-looking statements involve risks and uncertainties that could cause the outcome to be materially different. These risks and uncertainties include, among others: an inability to agree to terms with the shipbuilder and to enter into definitive documents; financing of the transaction; and those risks discussed in Seaspan's public filings with the SEC. Seaspan undertakes no obligation to revise or update any forward-looking statements unless required to do so under the securities laws.
