FOR IMMEDIATE RELEASE

SAVING DYNEGY: SOLICITATION MATERIALS EFFECTIVE

NEW YORK, February 17 Seneca Capital, the second largest shareholder of Dynegy Inc. (NYSE: DYN) with a 12% economic interest (including 9.3% voting common stock), is pleased to announce that its **consent solicitation materials are now effective** and Seneca Capital will gather shareholder consents to replace the Dynegy Chairman and one other Dynegy Board member with Hunter Harrison, a pioneering railroad executive, and Jeff Hunter, a successful power industry veteran. The definitive consent solicitation materials can be accessed at <http://www.myproxyonline.com/savingdynegy>. Early next week, Seneca Capital will be requesting a record date for the consent solicitation and then Dynegy must provide one that is within 20 days. After the record date, Seneca Capital will gather shareholder consents and if consents for greater than 50% of shares have been gathered, the nominees will be seated on the Dynegy Board.

Seneca Capital believes that Mr. Harrison and Mr. Hunter should provide substantial value-added to the Dynegy Board through their proven ability to create shareholder value, drive cost efficiencies and provide specialized knowledge regarding coal transportation (in the case of Mr. Harrison) and financing (in the case of Mr. Hunter). Mr. Harrison and Mr. Hunter are fully aligned with the proposition of driving value for Dynegy shareholders Mr. Harrison has already purchased **500,000 shares** personally and Mr. Hunter has committed to purchase **300,000 shares** while serving on the Dynegy Board. In addition, Seneca Capital believes its proposals contained in the consent solicitation as to strategic review, the optimization of Dynegy's debt and cost cut opportunities each have enormous potential to unlock significant intrinsic value for Dynegy's shareholders.

Seneca Capital believes that once the IEP tender offer at \$5.50 per share is defeated TOMORROW, an overhang will be removed that will enable substantial investor interest in the stock. Defeating the tender offer will also allow investors to participate in the positive changes (including Board/management alignment with shareholders) at Dynegy that Seneca Capital is working to advance.

Seneca Capital urges shareholders to **NOT TENDER** their stock for \$5.50 per share. It is the WRONG PRICE at the WRONG TIME for the WRONG REASONS.

Seneca Capital s beliefs as to current value are based on a variety of assumptions, including as to the future, that Seneca Capital believes constitute reasonable assumptions but which are nonetheless subject to risks and uncertainties that exist in the business environment that could render actual outcomes and results that are materially different.
