Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 1, 2011, Community Bankers Trust Corporation (the Company) named Rex L. Smith, III to the positions of President and Chief Executive Officer on a permanent basis. He was also named President and Chief Executive Officer of Essex Bank, a wholly owned subsidiary of the Company (the Bank). In accordance with applicable regulatory requirements, Mr. Smith will officially take the President and Chief Executive Officer titles following receipt of regulatory approval.

Mr. Smith, 53, has served as the Bank's Executive Vice President and Chief Banking Officer since May 2010, and he has assumed the responsibilities of President and Chief Executive Officer of each of the Company and the Bank since September 2010. He was the Bank's Executive Vice President and Chief Administrative Officer from 2009 to April 2010. From 2007 to 2009, he was the Central Virginia President for Gateway Bank and Trust and, from 2000 to 2007, he was President and Chief Executive Officer of The Bank of Richmond.

On March 2, 2011, the Company reappointed William E. Saunders, Jr. as the Bank's Executive Vice President and Chief Risk Officer. Mr. Saunders, 48, had served as the Bank's Executive Vice President and Chief Operating Officer from May 2010 to March 2011. From 2008 to 2010, he served as the Bank's Senior Vice President Chief Risk Officer and, from 2004 to 2008, he was the Bank's Vice President Risk Management. The Bank will not retain a Chief Operating Officer position, as the responsibilities for that position are now handled by other officers.

The Company has not entered into an employment agreement or similar arrangement with Mr. Smith or Mr. Saunders. The Company expects to enter into such an arrangement with Mr. Smith once his appointments are effective.

The Company issued a press release reporting the Company's actions with respect to Mr. Smith on March 2, 2011. The press release is being filed as Exhibit 99.1 to this report and is incorporated by reference into this Item 5.02.
