**TEXAS REGIONAL MEDICAL CENTER, LTD.****SUMMARY FINANCIAL INFORMATION****(in thousands)****(unaudited)**

Texas Regional Medical Center at Sunnyvale, a 70-bed acute care hospital located outside of Dallas, Texas ( Texas Regional Medical Center ), is 100% leased pursuant to a long-term, triple-net lease to Texas Regional Medical Center, Ltd. (the Tenant ), a partnership that includes approximately 75 physicians who practice at the hospital. In connection with the acquisition of Texas Regional Medical Center from CP Sunnyvale Property, Ltd., a Texas limited partnership (the Seller ), on May 3, 2011, Sabra Health Care REIT, Inc. ( Sabra or the Company ) assumed the Seller s position in the existing triple-net lease. Neither the Seller nor the Tenant is affiliated with Sabra or any of its subsidiaries. The Company believes that the financial condition and results of operations of the Tenant are more relevant to the Company s investors than the financial statements of Texas Regional Medical Center and enable investors to evaluate the credit-worthiness of the Tenant. As a result, the Company has presented below unaudited summary financial information of the Tenant in lieu of financial statements of the acquired property pursuant to Rule 3-14 of Regulation S-X. The summary financial information presented below has been provided by the Tenant and has not been independently verified by the Company. The Company has no reason to believe that such information is inaccurate in any material respect.

the acquisition of Texas Regional Medical Center, a 70-bed acute care hospital located outside of Dallas, Texas ( Texas Regional Medical Center ), on May 3, 2011 by an indirect wholly owned subsidiary of the Company as reported by the Company in a Form 8-K filed with the Securities and Exchange Commission (the SEC ) on May 5, 2011;

the acquisition of Oak Brook Health Care Center, a 120-bed skilled nursing facility in Whitehouse, Texas ( Oak Brook Health Care Center ), on June 30, 2011 by an indirect wholly owned subsidiary of the Company as reported by the Company in a Form 8-K filed with the SEC on July 11, 2011;

the probable acquisition by the Company of four skilled nursing facilities Broadmeadow Healthcare, Capitol Healthcare, Pike Creek Healthcare and Renaissance Healthcare (the SNF Portfolio ) pursuant to an agreement entered into with Peninsula Healthcare Services, LLC; Broadmeadow Investment LLC; Capitol Nursing & Rehabilitation Center, L.L.C.; and Pike Creek Healthcare Services LLC on July 8, 2011 as reported by the Company in a Form 8-K filed with the SEC on July 11, 2011;

a proposed equity offering by the Company; and

the other transactions described in the accompanying pro forma consolidated financial statements.

The unaudited pro forma consolidated balance sheet as of March 31, 2011 gives effect to the acquisitions of Texas Regional Medical Center, Oak Brook Health Care Center and the SNF Portfolio and the proposed equity offering as if they had occurred on March 31, 2011. The unaudited pro forma consolidated income statement for the three months ended March 31, 2011 gives effect to the acquisitions of Texas Regional Medical Center, Oak Brook Health Care Center, the Hillside Terrace Mortgage Note acquired by the Company on March 25, 2011 and the SNF Portfolio and the proposed equity offering as if they had occurred on January 1, 2010. The unaudited pro forma consolidated income statement for the year ended December 31, 2010 gives effect to the Company's separation from Sun Healthcare Group, Inc. on November 15, 2010, the issuance of the 8.125% senior notes due 2018, the acquisitions of Texas Regional Medical Center, Oak Brook Health Care Center, the Hillside Terrace Mortgage Note and the SNF Portfolio and the proposed equity offering as if they had occurred on January 1, 2010. The historical financial information presented herein was derived from the Company's consolidated financial statements that are included in its Annual Report on Form 10-K for the year ended December 31, 2010 and its Quarterly Report on Form 10-Q for the three months ended March 31, 2011.

The allocation of the purchase price for the acquisition transactions identified above is reflected in these unaudited pro forma consolidated financial statements based upon preliminary estimates of the fair value of assets acquired and liabilities assumed. A final determination of the fair values of assets acquired and liabilities assumed will be based on the actual valuation of the tangible and intangible assets and liabilities of each of Texas Regional Medical Center, Oak Brook Health Care Center and the SNF Portfolio. Consequently, amounts preliminarily allocated to identifiable tangible and intangible assets and liabilities could change significantly from those used in the pro forma consolidated financial statements presented below and could result in a material change in depreciation or amortization of tangible and intangible assets and liabilities.

The historical financial information has been adjusted to give effect to events that are directly attributable to the transactions identified above that can be factually supported and, in the case of the unaudited pro forma consolidated income statement, that are expected to have a continuing impact. The unaudited pro forma consolidated financial statements are provided for informational purposes only. The unaudited pro forma consolidated financial statements do not purport to be and should not be assumed to be an indication of the results that would have been achieved had the transactions been completed as of the dates indicated or that may be achieved in the future. The completion of the valuation, the allocation of the purchase price, the impact of ongoing integration activities, the timing of completion of the acquisition of the SNF Portfolio and other changes in the tangible and intangible assets and liabilities of each of Texas Regional Medical Center, Oak Brook Health Care Center and the SNF Portfolio could cause material differences in the information presented.

**NOTES TO UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

You should read the unaudited pro forma consolidated financial statements in conjunction with Sabra's consolidated financial statements and the notes thereto included in Sabra's Annual Report on Form 10-K for the year ended December 31, 2010 and Sabra's Quarterly Report on Form 10-Q for the three months ended March 31, 2011.

- (a) Historical financial information for the year ended December 31, 2010 is derived from Sabra's Annual Report on Form 10-K for the year ended December 31, 2010. Historical financial information as of and for the three months ended March 31, 2011 is derived from Sabra's Quarterly Report on Form 10-Q for the three months ended March 31, 2011.
- (b) Represents the acquisition of the Texas Regional Medical Center, which Sabra acquired on May 3, 2011. The purchase price of the Texas Regional Medical Center was \$62.7 million and Sabra funded the acquisition with available cash. In addition to the purchase price, Sabra expects to incur and expense approximately \$58,000 of additional acquisition pursuit costs not incurred as of March 31, 2011 that are directly attributable to this transaction and are non-recurring; therefore, the anticipated impact on the results of operations was excluded from the pro forma consolidated statement of income. Sabra recorded the cost of tangible assets and identifiable intangibles (consisting of tenant origination and absorption costs and tenant relationship intangibles) acquired based on their estimated fair values. The cost of acquired tangible assets and identifiable intangibles are recorded under Total real estate investments, net and Prepaid expenses, deferred financing costs and other assets, respectively, on the accompanying unaudited pro forma consolidated balance sheet. The purchase price allocation is preliminary and subject to change. Assuming a \$1.0 million change in the allocation between tangible assets and identifiable intangibles, the annual depreciation and amortization would change by approximately \$10,000.
- (c) Represents the acquisition of Oak Brook Health Care Center, which Sabra acquired on June 30, 2011. The purchase price of Oak Brook Health Care Center was \$11.3 million and Sabra funded the acquisition with available cash. In addition to the purchase price, Sabra expects to incur and expense approximately \$75,000 of additional acquisition pursuit costs not incurred as of March 31, 2011 that are directly attributable to this transaction and are non-recurring; therefore, the anticipated impact on the results of operations was excluded from the pro forma consolidated statement of income. Sabra recorded the cost of tangible assets and identifiable intangibles (consisting of tenant origination and absorption costs and tenant relationship intangibles) acquired based on their estimated fair values. The cost of acquired tangible assets and identifiable intangibles are recorded under Total real estate investments, net and Prepaid expenses, deferred financing costs and other assets, respectively, on the accompanying unaudited pro forma consolidated balance sheet. The purchase price allocation is preliminary and subject to change. Assuming a \$1.0 million change in the allocation between tangible assets and identifiable intangibles, the annual depreciation and amortization would change by approximately \$31,000.
- (d) Represents an assumed issuance of 9.1 million shares of Sabra's common stock and estimated proceeds to Sabra from a proposed equity offering of approximately \$141.0 million (based on an assumed public offering price of \$16.41 per share, which was the closing price of our common stock on June 28, 2011), of which \$97.5 million will be used to fund the acquisition of the SNF Portfolio. The assumed number of shares of Sabra's common stock issued in connection with the offering is valued as follows (in thousands, except share and per share data):

Number of shares issued	9,140,767
Price per share	\$ 16.41
Gross proceeds	\$ 150,000
Less: Underwriting discounts and commissions	(7,875)
Less: Expenses payable by Sabra	(1,100)
Proceeds to Sabra	\$ 141,025

The total value of the assumed number of shares of common stock issued in the offering is allocated as follows:

Par value, \$0.01 per share	\$ 91
Additional paid-in capital	140,934

\$ 141,025

- (e) Represents the probable acquisition of the SNF Portfolio. Under the terms of the purchase and sale agreement, the purchase price of the SNF Portfolio will be \$97.5 million. Sabra anticipates funding the acquisition of the SNF Portfolio with a portion of the proceeds to it from the proposed equity offering. In addition to the purchase price, Sabra expects to incur and expense approximately \$2.3 million of additional acquisition pursuit costs not incurred as of March 31, 2011 that are directly attributable to this transaction and are non-recurring; therefore, the anticipated impact on the results of

F-6

operations was excluded from the pro forma consolidated statement of income. Upon acquisition, Sabra will record the cost of tangible assets and identifiable intangibles (consisting of tenant origination and absorption costs and tenant relationship intangibles) acquired based on their estimated fair values. The cost of acquired tangible assets and identifiable intangibles are recorded under Total real estate investments, net and Prepaid expenses, deferred financing costs and other assets, respectively, on the accompanying unaudited pro forma consolidated balance sheet. The purchase price allocation is preliminary and subject to change. Assuming a \$1.0 million change in the allocation between tangible assets and identifiable intangibles, the annual depreciation and amortization would change by approximately \$37,000. In addition, the acquisition of the SNF Portfolio is subject to customary closing conditions, including the satisfactory completion by Sabra of its due diligence investigation.

- (f) Represents the acquisitions of Oak Brook Health Care Center and the Hillside Terrace Mortgage Note. See note (c) for information regarding the acquisition of Oak Brook Health Care Center. On March 25, 2011, Sabra purchased, at a discount, for \$5.3 million the Hillside Mortgage Terrace Note, which was in default and is secured by a combined assisted living, independent living and memory care facility located in Ann Arbor, Michigan. The monthly debt service payment for the Hillside Terrace Mortgage Note is \$54,250.
- (g) Represents base rental income (not reflected in Sabra's historical statement of income) for the period.
- (h) Represents interest income (not reflected in Sabra's historical statement of income) for the period as a result of Sabra's investment in the Hillside Terrace Mortgage Note on March 25, 2011.
- (i) Represents depreciation and amortization expense (not reflected in Sabra's historical statement of income) for the period. The cost of tangible assets and identifiable liabilities is amortized over their respective estimated useful lives. The estimated useful lives are as follows:

Building	40 years
Building improvements and fixtures	10 - 15 years
Tenant origination and absorption costs	15 - 23 years
Tenant relationship intangibles	25 - 33 years

- (j) Represents adjustments to remove acquisition pursuit costs for the acquisitions of Texas Regional Medical Center, Oak Brook Health Care Center and the Hillside Terrace Mortgage Note incurred during the three months ended March 31, 2011 that are assumed to have occurred on January 1, 2010.
- (k) The calculations of basic and diluted net income per common share are as follows (dollars in thousands, except per share data):
