VALLEY NATIONAL BANCORP RECEIVES

STATE BANCORP, INC. REGULATORY APPROVAL

WAYNE, N.J. July 19, 2011 Valley National Bancorp (NYSE:VLY) (Valley) and State Bancorp, Inc. (Nasdaq:STBC) announced today that Valley received approval from both the Office of the Comptroller of the Currency and the Federal Reserve Bank of New York to complete the previously announced merger of State Bancorp, Inc. and its principal subsidiary, State Bank of Long Island with and into Valley and Valley National Bank. It is expected that the merger will take place in the fourth quarter of 2011, subject to shareholder approval and other conditions.

State Bancorp, with approximately \$1.6 billion in assets, \$1.1 billion in loans, and \$1.4 billion in deposits covering 4 New York counties, has a 17 branch network and will provide an entrée into Long Island for Valley, creating a strong metropolitan regional commercial bank. State s attractive demographic concentration in Manhattan, Queens, Nassau and Suffolk counties and experienced management team will provide a strong foundation for Valley s penetration into the Long Island market.

The merger with State Bancorp is generally expected to be a non-taxable transaction and make Valley the 37th largest U.S. publicly traded commercial bank. The combined bank will have approximately \$16.0 billion in assets, \$10.5 billion in loans, \$11.0 billion in deposits, and 215 branches covering 16 counties from northern and central New Jersey to central Long Island, including Manhattan, Brooklyn and Queens.

Cautionary Statement Concerning Forward-Looking Statements

The foregoing contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements are not historical facts and include expressions about management's confidence and strategies and management's expectations about new and existing programs and products, relationships, opportunities, taxation, technology and market conditions. These statements may be identified by such forward-looking terminology as expect, believe, view, opportunity, allow, continues, reflects, typically, usually, anticipate, statements or variations of such terms. Such forward-looking statements involve certain risks and uncertainties. Actual results may differ materially from such forward-looking statements. Factors that may cause actual results to differ from those contemplated by such forward-looking statements include, but are not limited to, the following: failure to obtain shareholder approval for the merger of State Bancorp with Valley or to satisfy other conditions to the merger on the proposed terms and within the proposed timeframe including, without limitation, the purchase from the United States Department of the Treasury of each share of State Bancorp's Series A Preferred Stock issued under the Treasury's Capital Purchase Program; the inability to realize expected cost savings and synergies from the merger of State Bancorp with Valley in the amounts or in the timeframe anticipated; changes in the estimate of non-recurring charges; costs or difficulties relating to integration matters might be greater than expected; material adverse changes in Valley's or State Bancorp's operations or earnings; the inability to retain State Bancorp's customers and employees; or a decline in the economy in Valley's primary market areas, mainly in New Jersey and New York, as well as the risk factors set forth in Valley's Annual Report on Form 10-K for the year ended December 31, 2010. Valley assumes no obligation for updating any such forward-looking statement at any time.
