FORWARD-LOOKING STATEMENTS

This news release contains forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. Statements relating to plans, prospects, goals, strategies, future actions, events or performance and other statements which are other than statements of historical fact, including all statements regarding resuming shipments and expectations as to inventory levels are forward-looking. To identify these statements look for words like believes, expects, may, will, should, could, seeks, intends, plans, estimates or anticipates and similar words. Forward-looking statements necessarily depend on assumptions, data or methods that may be incorrect or imprecise and are subject to risks and uncertainties.

The factors that could cause our actual results and future actions to differ materially from those described in forward-looking statements are described in our Securities and Exchange Commission filings, including the Business and Risk Factors sections in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2010, as such Risk Factors may be updated in quarterly filings.

We caution investors that forward-looking statements reflect our analysis only on their stated date. We disclaim any intent to update them except as required by law.
