ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 1701.13(E) of the Ohio Revised Code (the Ohio Code) sets forth conditions and limitations governing the indemnification of directors, officers and certain other persons. In general, the Ohio Code authorizes Ohio corporations to indemnify directors, officers and certain other persons from liability if the director, officer or certain other person acted in good faith and in a manner reasonably believed by the director, officer or certain other person to be in or not opposed to the best interests of the corporation, and, with respect to any criminal actions, if the director, officer or certain other person had no reasonable cause to believe his conduct was unlawful. In the case of an action by or on behalf of a corporation, indemnification may not be made (i) if the person seeking indemnification is adjudged liable for negligence or misconduct, unless an appropriate court determines such person is fairly and reasonably entitled to indemnification, or (ii) if liability asserted against such person concerns certain unlawful dividends, distributions and other payments. Section 1701.13(E) provides that to the extent a director, officer or certain other person has been successful on the merits or otherwise in defense of any such action, suit or proceeding, such individual shall be indemnified against expenses reasonably incurred in connection therewith. The indemnification authorized under Ohio law is not exclusive and is in addition to any other rights granted to officers and directors under the articles of incorporation or code of regulations of the corporation or any agreement with directors, officers and certain other persons. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any director, officer or certain other person against any liability asserted against him and incurred by him in his capacity, or arising out of the status, as a director, officer or certain other person, whether or not the corporation would have the power to indemnify him against such liability under the Ohio Code.

Article 6 of the Company's Restated Code of Regulations, as amended (the Code of Regulations) contains certain indemnification provisions adopted pursuant to authority contained in Section 1701.13(E) of the Ohio Code. The Code of Regulations provides that the Company shall, to the fullest extent authorized by law, including but not limited to the laws of the State of Ohio, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, or employee of the Company, or is or was serving at the written request of the Company as a director, trustee, officer, employee, member, or manager of another corporation, domestic or foreign, nonprofit or for profit, limited liability company, partnership, joint venture, trust, or other enterprise, against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit, or proceeding. No amendment, termination, or repeal of Article 6, nor, to the fullest extent permitted by law, any modification of law, shall adversely affect or impair in any way the rights to be indemnified or to advancement of expenses pursuant to Article 6 with respect to any actions, omissions, transactions or facts occurring prior to the final adoption of such amendment, modification, termination or repeal.

The Company has entered into indemnification contracts with certain of its directors and executive officers. These contracts generally: (i) confirm the existing indemnity provided to them under the Company's Code of Regulations and assure that this indemnity will continue to be provided; (ii) provide that if the Company does not maintain directors' and officers' liability insurance, the Company will, in effect, become a self-insurer of the coverage; (iii) provide that, in addition, the directors and officers shall be indemnified to the fullest extent permitted by law against all expenses (including legal fees), judgments, fines and settlement amounts incurred by them in any action or proceeding on account of their service as a director, officer, employee or agent of the Company, or at the request of the Company as a director, officer, employee, trustee, fiduciary, manager, member or agent of another corporation, partnership, trust, limited liability company, employee benefit plan or other enterprise or entity; and (iv) provide for the mandatory advancement of expenses to the executive officer or director in connection with the defense of any proceedings, provided that the executive officer or director agrees to reimburse the Company for that advancement if it is ultimately determined that the executive officer or director is not entitled to indemnification for that proceeding under the contract. Coverage under the contracts is excluded: (A) on account of conduct which is finally adjudged to be knowingly fraudulent, deliberately dishonest or willful misconduct; (B) if a final court of adjudication determines that such indemnification is not lawful; (C) in respect of any suit in which judgment is rendered for violations of Section 16(b) of the Exchange Act or provisions of any federal, state or local statutory law; (D) on account of any remuneration paid which is finally adjudged to have been in violation of law; (E) on account of conduct occurring prior to the time the executive officer or director became an officer, director, employee or agent of the Company or its subsidiaries; or (F) with respect to proceedings initiated or brought voluntarily by the executive officer or director and not by way of defense, except for proceedings brought to enforce rights under the indemnification contract.

The Company maintains a directors and officers insurance policy that insures the officers and directors of the Company from claims arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Company.

ITEM 9. UNDERTAKINGS

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or

furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
