Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2012, Advance Auto Parts, Inc. (the "Company") entered into an Underwriting Agreement (the "Underwriting Agreement") by and among the Company, the Subsidiary Guarantors signatory thereto (the "Subsidiary Guarantors"), and J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, SunTrust Robinson Humphrey, Inc. and Wells Fargo Securities LLC, as representatives of the several underwriters listed in Schedule 1 thereto, pursuant to which the Company agreed to sell \$300,000,000 aggregate principal amount of 4.500% Notes due January 15, 2022 (the "Notes") to the Underwriters at a public offering price of 99.968% of the principal amount per note. The Underwriting Agreement contains customary representations, warranties and agreements of the Company and customary conditions to closing, indemnification rights and obligations of the parties.

The estimated net proceeds from the offering of the Notes is approximately \$297.4 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company. The Company will use the net proceeds from this offering to repay indebtedness outstanding under the Company's \$750 million unsecured five-year revolving credit facility (the Company's wholly-owned subsidiary, Advance Stores Company, Incorporated, is the borrower). As of October 8, 2011, the amount of indebtedness outstanding under the Company's revolving credit was approximately \$299.2 million. Amounts repaid under the Company's revolving credit facility may be reborrowed from time to time for operational purposes, working capital needs, capital expenditures and other general corporate purposes. The Company intends to use the remaining net proceeds, if any, for general corporate purposes. Certain affiliates of the underwriters are lenders under the revolving credit facility.

The terms of the Notes are governed by an Indenture, dated as of April 29, 2010 (the "Base Indenture"), among the Company, the Subsidiary Guarantors and Wells Fargo Bank, National Association as Trustee (the "Trustee"), as supplemented and modified by the First Supplemental Indenture, dated as of April 29, 2010, (the "First Supplemental Indenture"), the Second Supplemental Indenture, dated as of May 27, 2011 (the "Second Supplemental Indenture"), and the Third Supplemental Indenture, dated as of January 17, 2012 (the "Third Supplemental Indenture" and, together with the Base Indenture, the First Supplemental Indenture and the Second Supplemental Indenture, the "Indenture").

The Notes bear interest at a rate of 4.500% per year payable semi-annually in arrears on January 15 and July 15 of each year, commencing on July 15, 2012. The Notes may be redeemed in whole at any time or in part from time to time prior to October 15, 2021 (three months prior to the maturity date of the Notes), at the Company's option, at the greater of 100% of the principal amount of the Notes being redeemed or at a make-whole redemption price determined by using a discount rate of the applicable Treasury Rate plus 40 basis points, plus, in each case, accrued and unpaid interest, if any, to the redemption date. The Notes may be redeemed in whole at any time or in part from time to time on or after October 15, 2021 (three months prior to the maturity date of the Notes), at the Company's option, at 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, to the redemption date. In addition, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Company will be required to offer to repurchase the Notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date. The Notes initially will be fully and unconditionally guaranteed, jointly and severally, on an unsubordinated and unsecured basis by each of the Subsidiary Guarantors. The Company will be permitted to release guarantees without the consent of holders of the Notes under the circumstances described in the Indenture.

The Indenture contains customary provisions for events of default including for failure to pay principal or interest when due and payable, failure to comply with covenants or agreements in the Indenture or the Notes and failure to cure or obtain a waiver of such default upon notice, a default under any debt for money borrowed by the Company or any of its subsidiaries that results in acceleration of the maturity of such debt, or failure to pay any such debt within any applicable grace period after final stated maturity, in an aggregate amount greater than \$25.0 million without such debt having been discharged or acceleration having been rescinded or annulled within 10 days after receipt by the Company of notice of the default by the trustee or holders of not less than 25% in aggregate principal amount of the notes then outstanding, and events of bankruptcy, insolvency or reorganization affecting the Company and certain of its subsidiaries. In the case of an event of default (other than an event of default resulting from certain events involving bankruptcy, insolvency or reorganization), the principal amount of the Notes plus accrued and unpaid interest may be accelerated. The Indenture also contains covenants limiting the ability of the Company and its subsidiaries to incur debt secured by liens and to enter into sale and lease back transactions.

The offering of the Notes was registered under the Securities Act of 1933, as amended, pursuant to the Company's shelf registration statement on Form S-3 declared effective by the Securities and Exchange Commission (the "SEC") on April 26, 2010, as amended by Post-Effective Amendment No. 1 thereto (File No. 333-166291, as amended and supplemented, the "Registration Statement").

The foregoing description of the Underwriting Agreement, Base Indenture, First Supplemental Indenture, Second Supplemental Indenture, Third Supplemental Indenture, and Notes are qualified in their entirety by the Underwriting Agreement, Base Indenture, First Supplemental Indenture, Second Supplemental Indenture, Third Supplemental Indenture and form of Note, respectively, which are incorporated herein by reference and are attached hereto as Exhibits 1.1, 4.1, 4.2, 4.3, 4.4 and 4.5, respectively.
