ABOUT THE ANNUAL MEETING

General

The annual meeting of shareholders of Casey's General Stores, Inc. (Casey's, the Company, we, our or us) will be held at 9:00 a.m., Central Time, on September 14, 2012, at Casey's Corporate Headquarters, One Convenience Blvd., Ankeny, Iowa (the Annual Meeting). The mailing address of the Company's principal executive offices is P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. This Proxy Statement and the accompanying proxy card are first being given or mailed on or about August 3, 2012 to each holder of record of common stock, no par value per share (Common Stock), of Casey's at the close of business on July 23, 2012 (the Record Date). On the Record Date, there were 38,296,107 shares of Common Stock outstanding. Each share of Common Stock will be entitled to one vote on all matters.

Casey's Board of Directors (the Board of Directors or Board), through this Proxy Statement and the accompanying proxy card, is soliciting your vote on matters being submitted for shareholder approval at the Annual Meeting and any adjournments or postponements thereof. At the Annual Meeting, shareholders will vote on the election of three directors, the ratification of KPMG LLP as Casey's independent auditor for 2013, an advisory vote on our named executive officer compensation, and such other business as may properly come before the Annual Meeting.

The Board of Directors is not aware at this date of any matter proposed to be presented at the Annual Meeting other than those described in this Proxy Statement. The persons named on the accompanying proxy card will have discretionary authority to vote on any other matter that is properly presented at the meeting, according to their best judgment.

Securities Entitled to Vote

The only securities eligible to be voted at the Annual Meeting are shares of Common Stock. Only holders of Common Stock at the close of business on the Record Date (July 23, 2012) are entitled to vote. Each share of Common Stock represents one vote, and all shares vote together as a single class. There were 38,296,107 shares of Common Stock issued and outstanding on the Record Date.

Quorum; Vote Required

The presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at the meeting constitutes a quorum. Shareholders are entitled to one vote per share. Shares of Common Stock held by shareholders abstaining from voting but otherwise present at the meeting in person or by proxy (abstentions) and votes withheld are included in determining whether a quorum is present. Broker shares that are not voted on a particular proposal because the broker does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner (broker non-votes) are included in determining whether a quorum is present.

In the election for directors, every shareholder has the right to vote each share of Common Stock owned by such shareholder on the Record Date for as many persons as there are directors to be elected. Cumulative voting is not permitted. To be elected, a director-nominee must receive a plurality of the votes cast at the meeting. Only votes cast FOR a nominee will be counted. Abstentions, votes withheld and broker non-votes will not be counted as votes cast for such purpose and therefore will have no effect on the results of the election.

To be approved, the proposal to ratify the selection of the independent auditors must receive a majority of the votes cast at the Annual Meeting. Abstentions will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote.

To be approved, the advisory non-binding resolution on our named executive officer compensation must receive a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote.

How To Vote; Submitting Your Proxy; Revoking Your Proxy

Your vote is very important to the Company. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares today.

You may vote your shares either by voting in person at the Annual Meeting or by submitting a completed proxy. By submitting a proxy, you are legally authorizing another person to vote your shares. The enclosed proxy card designates Robert J. Myers and William C. Kimball to vote your shares in accordance with the voting instructions you indicate on your proxy card.

If you submit your executed proxy card designating Messrs. Myers and Kimball as the individuals authorized to vote your shares, but you do not indicate how your shares are to be voted, then your shares will be voted by those individuals in accordance with the Board of Directors recommendations, which are described in this Proxy Statement. In addition, if any other matters are properly brought up at the Annual Meeting (other than the proposals contained in this Proxy Statement), then each of these individuals will have the authority to vote your shares on those matters in accordance with his discretion and judgment. The Board of Directors currently does not know of any matters to be raised at the Annual Meeting other than the proposals contained in this Proxy Statement.

We urge you to vote by doing one of the following:

Vote by Mail: You can vote your shares by mail by completing, signing, dating and returning your proxy card in the postage-paid envelope provided. In order for your proxy to be validly submitted and for your shares to be voted in accordance with your instructions, please mail your proxy card in sufficient time for it to be received by the morning of September 14, 2012.

Vote by Telephone: You can also vote your shares by calling the number (toll-free) indicated on your proxy card at any time on a touch-tone telephone and following the recorded instructions. If you submit your proxy by telephone, then you may submit your voting instructions up until 11:59 p.m., Eastern Time, on September 13, 2012. If you are a beneficial owner, or you hold your shares in street name as described below, please contact your bank, broker or other holder of record to determine whether you will be able to vote by telephone.

Vote by Internet: You can vote your shares via the Internet by going to the Web site address for Internet voting indicated on your proxy card and following the steps outlined on the secure Web site. If you submit your proxy via the Internet, then you may submit your voting instructions up until 11:59 p.m., Eastern Time, on September 13, 2012. If you are a beneficial owner, or you hold your shares in street name as described below, please contact your bank, broker or other holder of record to determine whether you will be able to vote via the Internet.

If you hold shares through the Company's 401(k) Plan (the "KSOP"), such shares are not registered in your name, and your name will not appear in the Company's register of shareholders. Instead, your shares are registered in the name of a trust, which is administered by Principal Trust Company (the "Trustee"). Only the Trustee will be able to vote your shares (even if you personally attend the meeting). You can direct the voting of the shares allocated to your accounts on the Internet, by telephone or by returning the proxy card in the envelope provided, but cannot direct the voting of your KSOP shares in person at the meeting. If voting instructions for shares in the KSOP are not returned, those shares will be voted by the Trustee in the same proportion as the shares for which voting instructions are returned by the other participants in the KSOP. To allow sufficient time for the Trustee to tabulate the vote of the KSOP shares, participant instructions must be received before 11:59 p.m., Eastern Time, on September 12, 2012.

If you have previously submitted a proxy card, you may change any vote you may have cast by following the instructions on the proxy card to vote by telephone or via the Internet, or by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided, or by attending the Annual Meeting and

voting your shares in person. If your shares are registered in the street name of a bank, broker or other holder of record, please contact the applicable bank, broker or record holder for instructions on how to change or revoke your vote.

Your proxy is revocable. If you are a shareholder of record, after you have submitted your proxy card, you may revoke it by mail before the Annual Meeting by sending a written notice to Brian J. Johnson, Vice President Finance and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. If you wish to revoke your submitted proxy card and submit new voting instructions by mail, then you must sign, date and mail a new proxy card with your new voting instructions. Please mail any new proxy card in sufficient time for it to be received by the morning of September 14, 2012. If you are a shareholder of record and you voted your proxy card by telephone or via the Internet, you may revoke your submitted proxy and/or submit new voting instructions by that same method, which must be received by 11:59 p.m., Eastern Time, on September 13, 2012. You also may revoke your proxy card by attending the Annual Meeting and voting your shares in person. Attending the Annual Meeting without taking one of the actions above will not revoke your proxy. If you are a beneficial owner, or you hold your shares in street name as described below, please contact your bank, broker or other holder of record for instructions on how to change or revoke your vote.

Your vote is very important to the Company. If you do not plan to attend the Annual Meeting, we encourage you to read this Proxy Statement and submit your completed proxy card prior to the Annual Meeting in accordance with the above instructions so that your shares will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If your shares are not registered in your name but in the street name of a bank, broker or other holder of record (a Nominee), then your name will not appear in the Company's register of shareholders. Your Nominee, as the record holder of your shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to your Nominee, your Nominee will be entitled to vote the shares with respect to discretionary items but will not be permitted to vote the shares with respect to non-discretionary items (those shares are treated as broker non-votes). The election of directors will be a non-discretionary item for any Nominee holding shares on your behalf. In addition, the advisory vote on our named executive officer compensation will be a non-discretionary item. As a result, if your shares are held in street name and you do not provide instructions as to how your shares are to be voted, your Nominee will not be able to vote your shares in the election of directors or on the advisory proposal. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your Nominee unless you have a proxy from your Nominee. If you do not provide instructions to your Nominee and your Nominee does not vote your shares on your behalf with respect to the ratification of the selection of the independent auditors (which is a discretionary item), your shares will not be counted in determining whether a quorum is present for the Annual Meeting. If your Nominee exercises its discretionary authority to vote your shares on the ratification of the selection of the independent auditors, your shares will be counted in determining whether a quorum is present for all matters presented at the Annual Meeting. We urge you to provide instructions to your Nominee so that your votes may be counted on these important matters. Please contact your Nominee for the deadlines for submission of your vote. Your proxy is revocable. Please contact your Nominee for instructions on how to change or revoke your vote.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The Board of Directors currently consists of eight persons. Under the Restatement of the Restated and Amended Articles of Incorporation, as amended (the Restated Articles), the Board of Directors may consist of up to nine persons, and individuals may be elected by the Board to fill any vacancies or to occupy any new directorships. The person filling such vacancy or newly-created directorship would serve out the remainder of the term of the vacated directorship or, in the case of a new directorship, the term designated for the particular director.

In accordance with amendments to the Iowa Business Corporation Act (the Act) enacted in 2011, the Restated Articles were amended by the Board of Directors on May 19, 2011 to implement the staggering of the terms of directors required by new Section 490.806A, subsection 1, of the Act. Three classes of directors were established, referred to as Class I directors, Class II directors, and Class III directors. By separate action of the Board required under the Act, two members of the Board (Mr. Myers and Ms. Bridgewater) were designated as the initial Class I directors; three members of the Board were designated as the initial Class II directors (Mr. Kimball, Mr. Haynie and Mr. Wilkey); and three members of the Board were designated as the initial Class III directors (Mr. Danos, Mr. Horak and Mr. Lamberti). The initial Class I directors were re-elected at the 2011 annual meeting of shareholders, and their terms as Class I directors continue until the 2014 annual meeting of shareholders, and until their successors are elected. The initial Class II directors shall continue in office until the Annual Meeting, and until their successors are elected. The initial Class III directors shall continue in office until one year following the Annual Meeting, and until their successors are elected. At each annual meeting of shareholders, the successors to the class of directors whose term expires at that meeting shall be elected to hold office for a term of three years following such meeting and until their successors are elected.

Information Concerning the Board's Nominees

The Board of Directors has accepted the recommendation of the Nominating and Corporate Governance Committee that the three individuals named below be designated as the Board's nominees for election to the Board of Directors as Class II directors at the Annual Meeting. Table of Contents

GOVERNANCE OF THE COMPANY

Corporate Governance Guidelines

The business and affairs of the Company are overseen by the Board of Directors pursuant to the Iowa Business Corporation Act and the Bylaws. The Board of Directors is committed to maintaining high standards of corporate governance. To help ensure that it meets this commitment, the Board recently approved Corporate Governance Guidelines (the Guidelines) to address key governance practices and identify the framework for the operations of the Board and its committees. The Nominating and Corporate Governance Committee of the Board will continue to monitor developments in corporate governance practices, and periodically recommend to the Board any appropriate changes to the Guidelines. A copy of the Guidelines is included in this proxy statement beginning at page A-1.

Key Corporate Governance Provisions

Independence. Seven of the eight individuals currently serving on the Board of Directors are considered independent under the Nasdaq Listings Standards. As set forth on page 9, the Board reviews all relationships and material transactions between the Company and members of the Board to determine whether they would interfere with the director's independent judgment in carrying out the responsibilities of a director.

Chairman; Lead Director. Under recently amended Bylaws, the Board elects one of its members to serve as Chairman of the Board, and recently elected Mr. Myers, Chief Executive Officer, to serve in that capacity. Based on his extensive experience and knowledge of the Company's competitive challenges and opportunities, the Board has determined at the present time that the Chief Executive Officer is best qualified to serve in the role of Chairman of the Board. At the same time, in order to maintain an appropriate level of independent checks and balances, the Board also has elected a Lead Director, Mr. Kimball, to provide independent leadership in coordination with the Chairman. As described in the Guidelines, the Lead Director generally will:

Chair any meeting of the Board if the Chairman is not present;

Chair executive sessions of the independent directors;

Establish agendas for the executive sessions;

Act as liaison with the Chairman in consultation with the other independent directors;

Review and discuss proposed Board meeting agendas with the Chairman; and

Call meetings of the independent directors, as appropriate.

The Board believes that the current leadership structure is the right corporate governance structure for the Company at this time, because it most effectively utilizes Mr. Myers' experience and knowledge concerning the Company and because the Guidelines provide for an independent Lead Director (Mr. Kimball) and the full involvement of the independent members of the Board in the Board's regular operations and decision making.

Stock Ownership. The Guidelines provide that directors should acquire at least 5,000 shares of Common Stock within three years of joining the Board, and should employ reasonable, good faith efforts thereafter to maintain share holdings of at least that amount. For this purpose, unvested restricted stock unit awards are included in determining the number of shares held, but shares subject to stock options are not.

The Board also has approved a policy under which executive officers are required to acquire direct ownership of shares equal to at least one times their base salary, to be accumulated within five years of May 1, 2012 or the date of the officer's initial appointment, whichever is later. For this purpose, unvested restricted stock unit awards may be counted towards the share ownership requirement, but stock options and shares held under the KSOP may not be included.

Table of Contents

Limits on Board Service. Members of the Board may not serve on more than two other public company boards. In addition, service on the boards of not-for-profit organizations or other entities that may require a similar time commitment must be disclosed and acceptable to the Board.

Recapture of Incentive Payments. The Board has adopted a policy that enables the Company to seek reimbursement of any annual incentive payment or equity award made to an executive officer whenever (i) the payment was based upon achieving certain financial results that were subsequently the subject of a substantial or material restatement of the Company's financial statements (other than a restatement caused by a change in applicable accounting rules or interpretations), (ii) the Board of Directors determines that the executive officer engaged in intentional misconduct that caused or substantially caused the need for the restatement, and (iii) a lower payment would have been made to the executive officer based on the restated financial results. In each such instance, the Company will, to the extent practicable, seek to recover from the individual executive officer the amount by which the incentive payments for the relative period exceeded the lower payment that would have been made based on the restated financial results.

Table of Contents

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Members of the Board are kept informed of the Company's business through discussions with the President and Chief Executive Officer, by reviewing materials provided to them, and by participating in Board and committee meetings. At intervals between formal meetings, members of the Board are provided with various items of information regarding the Company's operations and are frequently consulted on an informal basis with respect to pending business.

Directors are expected to attend all Board meetings and meetings of the committees on which they serve and each annual shareholders meeting. The Board of Directors held six meetings during the fiscal year ended April 30, 2012 (the 2012 fiscal year). Each incumbent director attended 75% or more of the aggregate number of Board meetings and meetings of committees on which the director served. All of the incumbent members of the Board of Directors attended last year's annual meeting of shareholders, with the exception of Mr. Danos who was traveling out of the country at that time.

Director Independence

In making independence determinations, the Board of Directors observes the criteria for independence set forth in the Nasdaq Listing Standards. Consistent with these criteria, the Board has reviewed all relationships and material transactions between the Company and members of the Board (and any affiliated companies), and has affirmatively determined that Ms. Bridgewater, Mr. Danos, Mr. Haynie, Mr. Horak, Mr. Kimball, Mr. Lamberti and Mr. Wilkey are independent within the meaning of the Nasdaq Listing Standards. As such, a substantial majority of the Board of Directors is considered independent as so defined.

In reaching this conclusion, the Board of Directors considered the facts and circumstances of Mr. Haynie's relationship with Ahlers and Cooney, P.C., including the fact that he has had no interest in the ownership or earnings of the law firm since his retirement in 2002. In light of the foregoing, the Board determined that the relationship was not material and does not interfere with Mr. Haynie's independent judgment in carrying out his responsibilities as a director. The Board of Directors also considered the payments that Mr. Lamberti's father, Donald F. Lamberti, receives from the Company under the Non-Qualified Supplemental Executive Retirement Plan (which the Board determined to be non-discretionary retirement compensation) and the contingent beneficial interest Mr. Lamberti has under the trust agreement described under Director Compensation - Certain Relationships and Related Transactions and concluded that neither interest was material or would interfere with the exercise of Mr. Lamberti's independent judgment in carrying out his responsibilities as a director.

Board Committees

The Bylaws establish four standing committees of the Board of Directors: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. In addition, the Bylaws authorize the Board of Directors to establish other committees for selected purposes.

Executive Committee

The Executive Committee presently consists of Mr. Myers, Mr. Haynie, Mr. Kimball and Mr. Wilkey. The Executive Committee is authorized, within certain limitations set forth in the Bylaws, to exercise the power and authority of the Board of Directors between meetings of the full Board. The Executive Committee met twice during the 2012 fiscal year.

Audit Committee

The Audit Committee presently consists of Ms. Bridgewater (Chair), Mr. Danos, Mr. Lamberti and Mr. Horak, all of whom are independent under the criteria established by the SEC and the Nasdaq Listing Standards. The Board of Directors has approved the designation of Ms. Bridgewater as an audit committee financial expert as that is defined under Item 407(d)(5) of SEC Regulation S-K.

Table of Contents

The Audit Committee performs the duties set forth in its written Charter (which is available on the Company's Web site www.caseys.com). Under its Charter, the Audit Committee is directly responsible for the appointment, termination, compensation and oversight of the independent public accounting firm it retains to audit the Company's books and records. The Audit Committee regularly reports to the Board on the audit and the non-audit activities of the auditors, approves all audit engagement fees and pre-approves any non-audit engagement and compensation of the independent auditors.

The Audit Committee has established a regular schedule of meetings to be held five times each year with financial management personnel, internal accounting and auditing staff and the independent auditor. During these meetings, the Audit Committee also meets separately in executive sessions with the internal auditing staff and the independent auditor. The Audit Committee met five times during the 2012 fiscal year. The report of the Audit Committee is included herein on page 39.

Compensation Committee

The Compensation Committee presently consists of Mr. Haynie (Chair), Mr. Kimball, Mr. Wilkey and Mr. Horak, all of whom are independent under the Nasdaq Listing Standards. The Compensation Committee annually reviews the performance of the Chief Executive Officer and reviews management's evaluation of the performance of the Company's senior officers and their compensation arrangements, and makes recommendations to the Board of Directors concerning the compensation of the Chief Executive Officer and the Company's senior officers. The Compensation Committee's determination (and its deliberations) of the Chief Executive Officer's compensation are done in executive session, without the presence of management, including the Chief Executive Officer. The Chief Executive Officer may make recommendations regarding the compensation of executive officers and participate in such deliberations but shall not vote to approve or recommend any form of compensation for such executive officers. The Compensation Committee also authorizes awards of stock options and restricted stock units to the executive officers, and from time to time, makes recommendations regarding the compensation of directors.

As set forth in its written Charter (which is available on the Company's Web site www.caseys.com), the Compensation Committee has authority to retain and terminate executive compensation consulting firms to advise the Compensation Committee and, from time to time, retains compensation consultants to assist with the Compensation Committee's review and development of its compensation recommendations. During the 2012 fiscal year, the Compensation Committee retained the services of Aon Hewitt, an independent human resources consulting firm, in connection with possible compensation measures to be included as part of the succession planning process. Aon Hewitt reported on such matters directly and exclusively to the Compensation Committee and did not do any other work for the Company during the 2012 fiscal year.

The Compensation Committee administers the 2009 Stock Incentive Plan, which was approved by the shareholders at the 2009 annual meeting of shareholders. The practice of the Compensation Committee under the predecessor stock option plan was to consider a grant of stock options every other year in June. The Board of Directors has approved a policy statement concerning the granting of stock options (see the discussion under "Compensation Discussion and Analysis - Additional Compensation Policies - Option Grants"). Grants of all stock options are required to be made at the last reported sales price of the underlying shares on the grant date.

The Compensation Committee met twice during the 2012 fiscal year. The report of the Compensation Committee is included herein on page 23.

No member of the Compensation Committee is or has been an officer or employee of the Company or had any relationship that is required to be disclosed as a transaction with a related party.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee presently consists of Mr. Lamberti (Chair), Mr. Danos, Mr. Kimball and Mr. Wilkey, all of whom are independent under the Nasdaq Listing Standards.

Table of Contents

The Nominating and Corporate Governance Committee generally reviews the qualifications of candidates proposed for nomination to the Board of Directors, recommends to the Board candidates for election at the annual meeting of shareholders and performs the other duties set forth in its written Charter (which is available on the Company's Web site www.caseys.com). Under Charter amendments approved by the Board of Directors in December 2008, the Nominating and Corporate Governance Committee's responsibilities were expanded to include the recommendation to the Board of corporate governance policies or guidelines that should be applicable to the Company, and the responsibility to lead the Board in an annual review of the Board's performance. The Nominating and Corporate Governance Committee met twice during the 2012 fiscal year.

The Nominating and Corporate Governance Committee will consider nominees recommended by shareholders if they are submitted in accordance with the Bylaws. Briefly, the Bylaws contain specific advance notice procedures relating to shareholder nominations of directors and other business to be brought before an annual or special meeting of shareholders other than by or at the direction of the Board of Directors. Under the Bylaws, in order for a shareholder to nominate a director candidate for election at an annual meeting of shareholders, the shareholder must deliver written notice thereof to the Corporate Secretary not less than 90 days nor more than 120 days prior to the first anniversary date of the date of the immediately preceding annual meeting of shareholders. In the case of shareholder nominations to be considered at the 2013 annual meeting, therefore, such notice must be received by the Corporate Secretary by no earlier than May 17, 2013 and no later than June 17, 2013. The notice must set forth certain information concerning such shareholder and the shareholder's nominee(s), including but not limited to their names and addresses, occupation, share ownership, rights to acquire shares and other derivative securities or short interests held, a representation that the shareholder is entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, a description of all arrangements or understandings between the shareholder and each nominee, such other information as would be required to be included in a proxy statement pursuant to the proxy rules of the SEC had the nominee(s) been nominated by the Board of Directors, and the consent of each nominee to serve as a director of the Company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the provisions of the Bylaws. A copy of the Bylaws may be obtained by request addressed to Brian J. Johnson, Vice President Finance and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045.

The Charter sets forth, among other things, the minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by a Committee-recommended nominee, and the specific qualities or skills that the Nominating and Corporate Governance Committee believes are necessary for one or more of the Company's directors to possess. In considering individuals for nomination as directors, the Nominating and Corporate Governance Committee typically solicits recommendations from the current directors and is authorized to engage search firms to assist in the process, although it has not done so to date.

The Nominating and Corporate Governance Committee considers a number of factors in making its nominee recommendations to the Board, including, among other things, a candidate's employment and other professional experience, past expertise and involvement in areas which are relevant to the Company's business, business ethics and professional reputation, independence, other board experience and the Company's desire to have a Board that represents a diverse mix of backgrounds, perspectives and expertise. In addition to the information set forth above concerning each of the Board's nominee's specific experience and qualifications that led the Nominating and Corporate Governance Committee to conclude that he or she should serve as a director, the Nominating and Corporate Governance Committee believes each of the incumbent directors has demonstrated outstanding achievement in his or her professional career, wisdom, personal and professional integrity, and independent judgment.

The Company does not have a formal policy for considering diversity in identifying and recommending nominees for election to the Board, but the Nominating and Corporate Governance Committee considers diversity of viewpoint, experience, background and other qualities in its overall consideration of nominees qualified for election to the Board.

Table of Contents

Succession Planning Committee

In December 2008, the Board of Directors established a Succession Planning Committee, with Mr. Danos serving as its Chair, to regularly review succession planning for the Chief Executive Officer and other executive officer positions. Other members of the Succession Planning Committee include Messrs. Kimball, Lamberti, Wilkey and Horak. The Succession Planning Committee met twice during the 2012 fiscal year.

Board's Role in Risk Oversight

The Board as a whole has on-going responsibility for risk management oversight, with reviews of certain areas being conducted by the relevant Board committees that report on their deliberations to the Board. The oversight responsibility of the Board and its committees is largely achieved through periodic reporting by management to the Board about the identification, assessment and management of critical risks and management's risk mitigation strategies. A Risk Committee (comprised of senior management and other key personnel) meets quarterly to provide recommendations to the Chief Executive Officer for further action, with periodic progress reports on the same being provided to the Board of Directors. Oversight responsibilities for various risks have been assigned to different Risk Committee members and are reviewed annually, and coordinated with internal audit and the independent auditors. Areas of focus include competitive, economic, operational, financial, legal, regulatory, compliance, health, safety and environment, political and reputational risks.

Shareholder Communications

It is the general policy of the Board that management speaks for the Company. To the extent shareholders would like to communicate with a Company representative, they may do so by contacting William J. Walljasper, Chief Financial Officer, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. Mr. Walljasper also can be reached by telephone at (515) 965-6505.

Any shareholder wishing to communicate with one or more Board members should address a written communication to Diane C. Bridgewater, Chair of the Audit Committee, at Capital Square, 400 Locust Street, Suite 820, Des Moines, Iowa 50309-2334. Ms. Bridgewater will forward such communication on to all of the members of the Board, to the extent such communications are deemed appropriate for consideration by the Board.

COMPENSATION DISCUSSION AND ANALYSIS

The following were our named executive officers for the 2012 fiscal year: Robert J. Myers, President and Chief Executive Officer; Terry W. Handley, Chief Operating Officer; William J. Walljasper, Senior Vice President and Chief Financial Officer; Sam J. Billmeyer, Senior Vice President Logistics & Acquisitions; and Julia L. Jackowski, Senior Vice President Corporate Counsel and Human Resources. In this section, the word Committee refers to the Compensation Committee of the Board of Directors.

Executive Compensation Strategy and Objectives

Our executive compensation policies are designed to attract, motivate and retain executives who will contribute to the long-term success of the Company and to reward executives for achieving both short-term and long-term strategic goals of the Company. We also believe it is important to align the interests of the executives with those of our shareholders. In order to achieve these objectives, a significant portion of the compensation of our named executive officers is linked directly to the Company's financial performance and to the value of the Common Stock. The Board's goal is to approve compensation that is reasonable and competitive when all elements of potential compensation are considered.

Role of the Board, the Committee and our Chief Executive Officer in Compensation Decisions for our Named Executive Officers

The Board is responsible for approving base salary increases for each of our named executive officers and approving the performance goals under our annual incentive compensation program. With respect to our named executive officers, the Committee is charged with recommending base salary increases for the Board's consideration, determining the terms of the annual incentive compensation program and approving stock option grants in the years in which such grants are made. Our Chief Executive Officer is tasked with developing recommendations for the Committee's consideration for base salary increases and stock option grants for our named executive officers (other than increases in his own base salary and stock option grants to himself, which are determined solely by the Committee).

Components of Compensation

As in prior years, our compensation program for the 2012 fiscal year had four primary components: base salary; annual incentive compensation; long-term incentive compensation in the form of stock options; and benefits. A significant portion of a named executive officer's compensation is placed at risk, and the only fixed compensation paid is base salary and benefits. The remaining total compensation (annual and long-term incentive compensation) for our named executive officers is not guaranteed and the value to each executive officer is based on the Company's and the executive's performance. We believe that this mix of compensation elements appropriately balances short-term and long-term business goals and aligns the interests of our named executive officers with our shareholders.

Base Salary

Base salaries for executive officers of the Company are determined primarily on the basis of each executive officer's experience, performance and individual responsibilities. Each fiscal year, our Chief Executive Officer reviews the base salaries of the other senior officers, including our named executive officers, in connection with their performance reviews. The Chief Executive Officer is assisted in this review by the Director of Human Resources, which includes consideration of internal pay equity within the Company and comparisons with publicly available information from a variety of sources relating to compensation levels for executives serving in various roles at other companies. Based on such reviews, our Chief Executive Officer develops his recommendations for the individual base salaries for all of the senior officers, including our named executive

Table of Contents

officers, and provides his recommendations to the Committee. The Committee considers our Chief Executive Officer's recommendations and then recommends the new base salaries for the senior officers, including our named executive officers, to the Board for approval in June of each fiscal year.

Mr. Myers' base salary for the 2012 fiscal year was \$800,000, reflecting a 10% increase from the amount of his base salary for the fiscal year ended April 30, 2011. Mr. Handley received a \$25,000 increase in base salary for the 2012 fiscal year. Messrs. Walljasper and Billmeyer each received a \$50,000 increase and Ms. Jackowski received a \$60,000 increase in base salary for the 2012 fiscal year. These increases, which were all approved in June 2011, were based on the respective subjective views of our Chief Executive Officer, the Committee and the Board, which were primarily influenced by each executive officer's recent performance and contribution to the Company's success, as described above.

Annual Incentive Compensation Program

Overview

The senior officers of the Company, including our named executive officers, participate in an annual incentive compensation program. The purpose of the program is to reward superior performance by the Company's senior officers in achieving certain performance goals. The Committee believes that it is important for the senior officers to function as a cohesive team, and therefore establishes the performance goals on the basis of the Company's performance as a whole and not with a focus on individual or divisional areas of responsibility. Accordingly, the program is based on the Company's performance against two financial metrics: earnings per share and return on invested capital (ROIC). A minimum, target and maximum goal is set for each financial metric and, based on the actual achievement of each metric, as well as the relative weighting between the two metrics, each senior officer is eligible to receive a bonus calculated as a percentage of base salary at the end of each year.

Financial Metrics

The Company links the annual incentive compensation program to earnings per share and ROIC because each metric is closely tied to the execution of strategic business objectives and together are designed to increase shareholder value.

Earnings per share: The growth of earnings per share is related to the growth of shareholder value and is an important measure used by the investing community to evaluate our financial performance. Long-term sustained growth should positively impact our share price and market capitalization.

Return on invested capital: For purposes of the annual incentive compensation program, ROIC is calculated based on the following formula: operating income after depreciation and tax divided by average invested capital for the current and prior fiscal year.* Since the Company has been striving to enlarge its operating footprint, in particular by constructing new stores and acquiring convenience stores from other operators, the Committee believes that ROIC is a useful measure of management's effectiveness in creating value for our shareholders by gauging the Company's returns on capital expenditures.

Setting Goals

At the beginning of each fiscal year, our management team prepares its annual strategic business goals and objectives in an operating plan for the Company. The strategic business goals and objectives are designed to ensure that our short-term revenue and unit growth objectives are met or exceeded in a manner that is consistent with long-term shareholder value creation.

* Set forth at the bottom of page 19 is a reconciliation of these measures, which are not measures under United States generally accepted accounting principles (GAAP), to the GAAP measures from the Company's audited financial statements.

Table of Contents

The Committee estimates the financial results for the fiscal year that would result from meeting the operating plan in terms of earnings per share and ROIC. These pro forma financial results become the target performance levels for each of these financial metrics under the annual incentive compensation program. The goals for these financial metrics are set in increments, which include a minimum and maximum level, below and above the target performance level set by the Committee. In making the annual determination of the minimum, target and maximum performance levels, the Committee also considers the specific circumstances facing the Company during the year and expectations regarding earnings per share and Company performance. The Committee then submits these goals and objectives to the Board for approval, typically in June.

The relative weighting of each of these financial metrics for the 2012 fiscal year was 75% for earnings per share and 25% for ROIC. This relative weighting is consistent with the Company's past practice and was chosen by the Committee in order to supplement a shorter-term financial metric (earnings per share) with a financial metric that encompasses a longer-term perspective (ROIC).

The chart below summarizes the relative weighting of the financial metrics and performance goals of each metric for the 2012 fiscal year:

2012 Annual Incentive Performance Goals

Metric	Weightings		Goals								
		A (Minimum)	B	C	D	E	F (Target)	G	H	I	J (Maximum)

The Committee believes that target goals can be achieved with consistent superior performance throughout the year. The Committee determines a range of goals that will result in the payment of a bonus, with minimum and maximum goals, so that both exceptional results above the target goal and results that are slightly less than the target goal, but which still represent acceptable performance, are rewarded to some extent. During each of the past three years, the Company has achieved performance in excess of the minimum levels necessary for our named executive officers to receive a bonus.

Based upon the Company's achievement of the earnings per share and ROIC goal levels, each participant in the incentive compensation program is eligible to earn a bonus in an amount equal to the applicable percentage of base salary set forth in the table below. In the 2012 fiscal year, the target for the incentive compensation award was 36% of base salary, with a maximum award of 60% of base salary, to be paid in the form of both cash and equity (with the equity being in the form of restricted stock units subject to a three-year vesting requirement). The Committee chose these levels of bonus payments to ensure that a significant portion of each named executive officer's cash compensation would be tied to the financial performance of the Company.

2012 Fiscal Year Results

For the 2012 fiscal year, the range in earnings per share approved by the Board in June 2011 that would result in the payment of an annual bonus was \$2.66 to \$2.88. In the case of ROIC, the approved range extended from 10.8% to 12.0%. The Company reported actual earnings of \$3.07 per share for the 2012 fiscal year and achieved 13.4% for ROIC for the 2012 fiscal year. As a result, the annual bonus for the 2012 fiscal year was equal to 60% of base salary, of which 30% was distributed as cash and 70% in the form of restricted stock units vesting on May 1, 2015.

Long-term Incentive Compensation

Stock options, restricted stock and restricted stock unit awards may be granted to executive officers and other key employees of the Company under the terms of the 2009 Stock Incentive Plan. Prior to the adoption of the 2009 Stock Incentive Plan, the Company granted stock options under the 2000 Stock Option Plan. The 2009 Stock Incentive Plan and the 2000 Stock Option Plan were designed to assist the Company in attracting, retaining and motivating executive officers and other key employees, and to align the interests of the executive officers and other key employees with those of our shareholders.

In recent years, the Company has made long-term incentive compensation awards solely in the form of stock options. The Committee determined that stock options provide the best incentives to increase shareholder value, and that the Company's annual incentive compensation program would mitigate any adverse incentives stock options may create. The Company has historically only granted stock options every other year (i.e., 2007, 2009 and 2011) because of the Committee's belief that stock options are a long-term incentive and that it is not necessary to grant stock options each year.

In May of each fiscal year in which stock options have been granted, our Chief Executive Officer develops his recommendations for the grant of stock options for all the key employees of the Company, including our named executive officers (other than grants to himself, which are determined solely by the Committee), and provides his recommendations to the Committee.

Based on recommendations developed by our Chief Executive Officer and reviewed and approved by the Committee in June 2011, stock options were granted in June 2011 to the senior officers, including our named

executive officers (except Mr. Myers), and other key employees. The June 2011 stock option grants may not be exercised for three years from the date of grant. At the same time, the Committee also approved a special equity award of 15,000 restricted stock units to Mr. Myers (who did not receive an award of stock options in 2009 or in June 2011), which also is subject to a three year vesting requirement.

The number of shares subject to these grants to our named executive officers were based on the subjective views of the Committee, which were primarily influenced by the same factors taken into account in determining the 2012 base salary increases.

Benefits and Perquisites

With limited exceptions, the Committee's policy is to provide benefits to executive officers that are the same as those offered to all employees of the Company. We provide comprehensive health benefits, as well as life insurance and a disability program for all benefits-eligible employees, including our named executive officers. In addition, we offer retirement benefits to a broad employee population including our named executive officers.

We generally provide limited perquisites that the Committee believes are important components of each named executive officer's compensation and benefits package. We pay the premiums for long-term disability and group life insurance coverages for all our named executive officers in order to provide financial security to each named executive officer and his dependents in the event of disability or death. We also maintain a 10-year level premium term life insurance policy with a death benefit of \$1,000,000 that insures the life of Mr. Myers and is payable upon his death to a beneficiary designated by him. At the end of Mr. Myers's employment agreement, we will assign ownership of such policy to Mr. Myers, if he so requests, and Mr. Myers will thereafter be responsible for the payment of the associated premiums. Mr. Myers and the Company executed a new employment agreement on April 16, 2010 and, as part of the negotiations, the Company and Mr. Myers agreed that the Company would continue to provide Mr. Myers this life insurance policy, which was provided for under his prior employment agreement.

Our named executive officers and other members of senior management also are provided with Company-owned automobiles because they are expected to devote some portion of their time to business-related travel. These employees are subject to applicable employment-related taxes for their personal use of these automobiles.

We own a corporate aircraft for the exclusive business use of our employees, including but not limited to our named executive officers. Personal use of the aircraft is not permitted under Company policy.

Employment and Change of Control Severance Agreements

As noted above, we are a party to an employment agreement with Mr. Myers, under which he agrees to serve as President and Chief Executive Officer through April 30, 2013. The Company has not entered into employment agreements with any other named executive officer.

We maintain change of control severance agreements with each of our named executive officers and seven other officers. The purpose of these change of control severance agreements is to encourage such individuals to carry out their duties in the event of a possible change of control of the Company.

For a description of the employment agreement with Mr. Myers and these change of control severance agreements, please see Executive Compensation Narrative to the Summary Compensation Table and the Grants of Plan-Based Awards Table .

Retirement Arrangements

All executives are eligible to participate in the KSOP under the same terms and conditions as other salaried employees.

Table of Contents

Mr. Myers continues to be entitled to a pension benefit under his employment agreement. For a description of this pension benefit, please see the Narrative to the Summary Compensation Table and the Grants of Plan-Based Awards Table . The Company originally agreed to provide this benefit to Mr. Myers in 2007 in connection with the negotiation of Mr. Myers' s original employment agreement. As part of the negotiations in connection with the execution of Mr. Myers' s new employment agreement in April 2010, the Company and Mr. Myers agreed that the Company would continue this pension benefit for Mr. Myers.

The Company also maintains the Executive Nonqualified Excess Plan (the Deferred Compensation Plan), a nonqualified deferred compensation plan that is described under Executive Compensation Nonqualified Deferred Compensation . The purpose of the Deferred Compensation Plan is to enable the participants, including our named executive officers, to defer a portion of their income without the limitations imposed by the Internal Revenue Code on deferrals under the KSOP.

Additional Compensation Policies

Deductibility of Compensation for Tax Purposes

We periodically review the terms of the employment arrangements with the executive officers and from time to time consider modifications to the same. We also are aware of the statutory limitations placed on the deductibility of compensation in excess of \$1 million which is earned by an executive officer in any year that is not considered to be performance-based. However, shareholder interests are at times best served by not restricting the Committee' s discretion and flexibility in developing compensation programs, even though the programs may result in non-deductible compensation expenses. Accordingly, the Committee may from time to time approve elements of compensation for certain officers that are not fully deductible.

Option Grants

In March 2007, the Board adopted a policy providing that grants of stock options can only be approved by the Committee at an in-person or telephonic meeting and may not be approved by written consent. In addition, stock options can be granted only within a two-week period following the release of the Company' s annual financial results in June and only if directors are not at that time in possession of material non-public information about the Company. Under the policy, the grant date of stock options is the date of the meeting when the grant is approved. All stock options are granted with an exercise price equal to the closing price of the Common Stock on the Nasdaq Global Select Market on the grant date. Details of every stock option grant are reflected in Committee minutes, and the Corporate Secretary verifies that grant documents are consistent with the grants authorized by the Committee and memorialized in the minutes.

Recent Compensation Decisions

Since the close of the 2012 fiscal year, the Board has approved salary increases for the fiscal year ending April 30, 2013 (the 2013 fiscal year) for the named executive officers. Mr. Myers received a \$80,000 increase in salary, Mr. Handley and Ms. Jackowski each received a \$50,000 increase in salary, Mr. Billmeyer received a \$30,000 increase in salary, and Mr. Walljasper received a \$20,000 increase in salary.

The Board has approved an operating plan for the 2013 fiscal year, and the Committee has set the target performance levels for earnings per share and ROIC. The executive officers will be eligible to receive a target amount equal to 36% of base salary, with an opportunity for up to 60% of base salary if the Company exceeds the target performance levels for earnings per share and ROIC. The awards, if made, will be comprised of a mix of cash and equity (restricted stock units that are currently expected to vest at the end of a three-year service-based vesting period), with the portion paid in equity increasing from 25% at the minimum payout level up to 70% equity at the maximum payout level.

COMPENSATION PROGRAMS AND RISK MANAGEMENT

The Compensation Committee has considered whether any of its compensation programs and policies are reasonably likely to have a material adverse effect on the Company. The Company's compensation programs and policies mitigate risk by combining performance-based, long-term compensation elements with payouts that are highly correlated to the value delivered to shareholders. The combination of performance measures for annual bonuses and the equity compensation programs, maximum potential bonus payments, biannual stock option grants, as well as the multiyear vesting schedules for stock options and restricted stock units, encourage employees to maintain both a short- and a long-term view with respect to Company performance. For these reasons, the Company has determined that its compensation programs and policies are not reasonably likely to have a material adverse effect on the Company.

Narrative to the Summary Compensation Table and the**Grants of Plan-Based Awards Table****Myers Employment Agreement**

On April 16, 2010, the Company entered into a new employment agreement with Mr. Myers. The employment agreement generally provides for the continued employment of Mr. Myers as President and Chief Executive Officer through April 30, 2013 (the "Term"), unless sooner terminated in accordance with the employment agreement. The agreement provides that during the Term, the Company will pay Mr. Myers a base salary at an annual rate of \$660,000, or such other greater amount as shall be determined by the Committee (during the 2012 fiscal year, Mr. Myers was paid a base salary of \$800,000). Mr. Myers also is eligible to participate in all employee benefit plans and programs generally available to the Company's senior officers and employees. In addition, the Company will continue in force during the Term a 10-year level premium term life insurance policy with a death benefit of \$1,000,000 that insures the life of Mr. Myers, and that is payable upon his death to a beneficiary designated by him. Following expiration of the Term, the Company will assign ownership of such policy to Mr. Myers, if he so requests, and Mr. Myers will thereafter be responsible for the payment of the associated premiums.

Commencing on January 1, 2014 and continuing for a period of ten years thereafter or until the death of Mr. Myers and his spouse, if earlier, the Company will pay an annual retirement benefit to Mr. Myers (or his spouse, in the event of his death during said period) equal to one-half of the average of his base salary (not including any bonus payments) for the last three years of his employment by the Company as President and Chief Executive Officer, but such amount will not exceed \$330,000 per year.

Table of Contents

Under our employment agreement with Mr. Myers, we may terminate the employment of Mr. Myers with or without cause at any time. For this purpose, the term "cause" means unsatisfactory performance, inattention to duty, excessive absenteeism, incompetence, misconduct in the performance of duties, embezzlement, fraud, commission of a criminal act, insubordination, personal or professional conduct which may bring public embarrassment or disgrace to the Company, a violation of the Company's Code of Business Conduct and Ethics or the Code of Ethics for the Chief Executive Officer and Senior Financial Officers (each as may be amended from time to time), or failure to cooperate with an investigation conducted by the Company or by local, state or federal law enforcement authorities. In the event of a termination for cause, the Company would be obligated to pay Mr. Myers his base salary through the date of such termination. In the event of termination without cause, we are obligated to pay Mr. Myers his base salary through the date of termination, and then for a period of 12 months following the date of such termination, conditioned upon Mr. Myers complying with the non-competition and non-solicitation provisions in his employment agreement and his execution of a release of claims. In the event Mr. Myers terminates his employment of his own volition prior to the end of the employment agreement, the Company's severance obligation to Mr. Myers is to pay his base salary to him through the date of voluntary termination. With respect to any termination of employment other than in connection with a "change of control", any rights and benefits Mr. Myers may have under the employee benefit plans of the Company will be determined in accordance with the terms and provisions of such plans and programs, and he will remain entitled to receive his vested annual retirement benefits under his employment agreement, as described above.

In the event of a "change of control" of the Company, the employment agreement would terminate and Mr. Myers would become entitled to all of the payments and benefits set forth in his existing change of control severance agreement with the Company, as described below, except that Mr. Myers also would remain entitled to the life insurance and his vested annual retirement benefits under his employment agreement.

The employment agreement also contains provisions requiring Mr. Myers to maintain in confidence any confidential information and trade secrets of the Company obtained by him during the term of the agreement, and also restricts his employment in competition with the Company for a period of ten years following his termination of employment with the Company.

If Mr. Myers's severance subjects him to a golden parachute excise tax, he is not entitled to any "gross-up" to reimburse him for the excise tax. Furthermore, the Company may reduce any payment if it would be non-deductible by the Company for federal income tax purposes because of Section 280G of the Internal Revenue Code. As a result of Section 409A of the Internal Revenue Code, severance payments may be delayed for six months after termination of employment.

Change of Control Severance Agreements

We maintain change of control severance agreements with all of our named executive officers. Under the terms of these agreements, upon termination within two years following a "change of control" of the Company for (a) reasons other than "cause", death or disability or (b) by the executive for "good reason", the executive would become entitled to receive certain payments and benefits. Upon such a termination of employment, the executive will be entitled to the following: (i) a lump sum cash severance payment in an amount equal to the sum of (w) to the extent not already paid, the executive's base salary through the date of termination, (x) a pro rata portion of the highest annual bonus received by the executive during the two preceding years, (y) three times the sum of the executive's annual base salary and the highest annual bonus received by the executive during the two preceding years and (z) in the case of compensation previously deferred by the executive, all amounts previously deferred (together with any accrued interest thereon) and not yet paid by Casey's, and any accrued vacation pay not yet paid by Casey's; and (ii) continuation of benefits, including health insurance and life insurance, for the executive and/or the executive's family for two years (or such longer period as any plan, program, practice or policy may provide). If any of the severance subjects a named executive officer to a golden parachute excise tax, he or she is not entitled to any "gross-up" to reimburse him or her for the excise tax. Furthermore, the Company may reduce any payment if it would be non-deductible by the Company for federal income tax purposes because

of Section 280G of the Internal Revenue Code. The Company may defer any termination payments for six months if the amount payable is determined by the Company to be deferred compensation, the payment of which is required to be delayed pursuant to the six month delay rule of Section 409A of the Internal Revenue Code of 1986, as amended.

The change of control severance agreements contain the following definitions:

cause means (i) an act or acts of personal dishonesty taken by the employee and intended to result in substantial personal enrichment of the employee at the expense of the Company, (ii) repeated violations by the employee of the employee's obligations under the agreement which are demonstrably willful and deliberate on the employee's part and which are not remedied in a reasonable period of time after receipt of written notice from the Company or (iii) the conviction of the employee of a felony.

change of control means (i) the acquisition (other than from the Company) by any person, entity or group, within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (excluding, for this purpose, the Company or its subsidiaries, or any employee benefit plan of the Company or its subsidiaries which acquires beneficial ownership of voting securities of the Company), of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act), of 20% or more of either the then outstanding shares of Common Stock or the combined voting power of the Company's then outstanding voting securities entitled to vote generally in the election of directors, unless such beneficial ownership was acquired as a result of an acquisition of shares of Common Stock by the Company which, by reducing the number of shares outstanding, increases the proportionate number of shares beneficially owned by such person, entity or group to 20% or more of the Common Stock then outstanding; provided, however, that if a person, entity or group becomes the beneficial owner of 20% or more of the Common Stock then outstanding by reason of share purchases by the Company and, after such share purchases by the Company, becomes the beneficial owner of any additional shares of Common Stock, then such person, entity or group will be deemed to have acquired beneficial ownership of 20% or more of the Common Stock; or (ii) individuals who, as of the date of the change of control severance agreement, constitute the Board of Directors (the Incumbent Board) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the date of the change of control severance agreement whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the directors of the Company, as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) will be, for purposes of the change of control severance agreement, considered as though such person were a member of the Incumbent Board; or (iii) consummation of a reorganization, merger or consolidation to which the Company is a party, in each case, with respect to which persons who were the shareholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the combined voting power entitled to vote generally in the election of directors of the reorganized, merged or consolidated company's then outstanding voting securities, or a liquidation or dissolution of the Company or of the sale of all or substantially all of the assets of the Company.

good reason means (i) the assignment to the employee of any duties inconsistent in any respect with the employee's position (including status, offices, titles and reporting requirements), authority, duties or responsibilities of such employee, which are set forth in the change of control severance agreement, or any other action by the Company which results in a diminution in such position, authority, duties or responsibilities; (ii) any failure by the Company to comply with any of the compensation provisions of the change of control severance agreement; (iii) the Company's requiring the employee to be based at any office or location other than location where the employee was employed immediately preceding the date of the change of control; (iv) any purported termination by the Company of the employee's employment otherwise than as expressly permitted by the change of control severance agreement; or (v) any failure by the Company to have a successor expressly assume and perform the change of control severance agreement.

Grant of Plan-Based Awards

The named executive officers were eligible to receive an award under the Company's annual incentive compensation program for the 2012 fiscal year. The award was calculated as a percentage of the executive's base salary and based on the achievement of specific goals for two financial metrics chosen by the Committee and approved by the Board. The target for the incentive compensation award was 36% of base salary, with a maximum award of 60% of base salary. For a description of the annual incentive compensation program, and the procedures followed in setting goals and compensation levels, please see Compensation Discussion and Analysis Components of Compensation Annual Incentive Compensation Program .

In June 2011, grants of stock options to purchase the Company's common stock were made under the Company's 2009 Stock Option Plan. For a description of the treatment of the stock options granted to the named executive officers in connection with a termination of their employment or a change of control of the Company, please see Potential Payments Upon Termination or Change of Control .

The stock options granted in June 2011 may not be exercised for three years from the date of grant and expire 10 years from the date of grant. The restricted stock units awarded in June 2011 also have a three-year vesting requirement. The exercise price of the stock options cannot be less than the fair market value of the Company's common stock on the date of grant. In addition, holders of the stock options and restricted stock units do not receive dividends or dividend equivalents or have any voting rights with respect to the shares of the Company's common stock underlying the stock options or restricted stock unit awards.

Pension Benefits

As indicated in the Compensation Discussion and Analysis, the employment agreement between the Company and Mr. Myers provides for payments triggered upon retirement under certain circumstances. The table below indicates the present value of the accrued benefit under any applicable plan for Mr. Myers. None of the other named executive officers have any pension arrangements.

Name	Plan Name	Number of Years Of Credited Service (#)¹	Present Value of Accumulated Benefit (\$)²	Payments During Last Fiscal Year (\$)
Robert J. Myers	Employment Agreement ³		2,364,861	

¹ Years of Credited Service is not applicable to the benefits payable under the employment agreement with Mr. Myers.

² Present Value of Accumulated Benefit is calculated as of the same pension plan measurement date used for purposes of the Company's audited financial statements. Present Value of Accumulated Benefit is the actuarial present value of accumulated benefits under the plan, determined generally using the same assumptions used for financial statement reporting under GAAP, and is reported as a lump sum regardless of the form of payment under the plan.

³ Mr. Myers's employment agreement contains a benefit triggered upon his retirement that is described on page 25. Mr. Myers's employment agreement does not provide for an offset for Social Security benefits.

Table of Contents**Nonqualified Deferred Compensation**

Under the Deferred Compensation Plan, certain employees, including the named executive officers, may voluntarily defer up to 20% of their base salary and up to 100% of any bonuses awarded under the Company's incentive compensation program. Unlike our tax-qualified KSOP, the participant deferrals under our Deferred Compensation Plan are not matched by the Company.

Elections to defer a portion of base salary and bonus are made by eligible participants in December of each year for amounts to be deferred in the following year. The Deferred Compensation Plan offers certain employees a deferral feature that can be used to supplement the limited deferrals permitted under our KSOP.

Messrs. Myers, Handley and Walljasper and Ms. Jackowski are the only persons listed in the Summary Compensation Table who were participants in the Deferred Compensation Plan in the 2012 fiscal year. Details regarding their participation follows.

	Executive Contributions In Last FY (\$)	Registrant Contributions In Last FY (\$)¹	Aggregate Earnings in Last FY (\$)²	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$)
Robert J. Myers	160,000		(5,718)		1,246,565
Terry W. Handley	60,000		(5,148)	(2,992)	403,083
William J. Walljasper	48,216		7,282		387,718
Julia L. Jackowski	50,098		(4,679)		365,955

¹ The Company makes no contributions to deferrals.

² None of the earnings were included as compensation in the Summary Compensation Table.

Forty mutual fund investment alternatives are available in which plan participants can direct their notional investment. The participant's investment return is based on their investment selections. Deferrals are immediately vested. Distributions from the plan are allowed at various times, including termination of employment, death, specified date, disability, change of control and in the event of unforeseen emergency. The Deferred Compensation Plan is unfunded and is not subject to the fiduciary requirements of ERISA.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL**

The following tables set out the payments that could be paid to the named executive officers upon a termination of their employment. The amounts shown assume that the termination event occurred on or was effective as of April 30, 2012, and thus include amounts earned through such time and are estimates of the amounts which would be paid out to the officer upon his termination. The actual amounts to be paid out can only be determined at the time of actual separation from the Company.

In addition to the amounts shown below, upon termination of employment for any reason, each officer will receive payment of his (i) vested benefits under the Deferred Compensation Plan, (ii) vested account balance under the KSOP and (iii) accrued but unpaid vacation.

¹ Upon voluntary termination, the Company is obligated to pay salary up to the date of termination. All previously vested options remain exercisable for three months and all unvested options and unvested restricted stock unit awards are forfeited as of the effective date of the voluntary termination.

² Upon retirement, the Company is obligated to pay salary up to the date of retirement. All previously vested options remain exercisable for three months and all unvested options and unvested restricted stock unit awards are forfeited as of the effective date of retirement. Commencing on January 1, 2014 and continuing for a period of ten years thereafter or until the death of Mr. Myers and his spouse, if earlier, the Company will pay an annual retirement benefit to Mr. Myers (or his spouse, in the event of his death during said period) equal to one-half of the average of his base salary (not including any bonus payments) for the last three years of his employment by the Company as President and Chief Executive Officer, but such amount will not exceed \$330,000 per year.

³ Upon death, Mr. Myers's beneficiaries would receive payment of the proceeds of Company provided life insurance. All previously vested options remain exercisable by Mr. Myers's legal representative or beneficiaries for 12 months after the date of death and all unvested options are forfeited as of the date of death. Any unvested restricted stock unit awards on the date of death would vest as of that date.

⁴ Upon Mr. Myers's becoming permanently incapacitated by reasons of sickness, accident or other physical or mental disability, as such incapacitation is defined by the Company's Long-Term Disability carrier for a period exceeding 26 weeks during any 12-month period, Mr. Myers's employment agreement will terminate and he will be entitled to disability benefits under the Company's Long-Term Disability Plan. If an executive officer becomes disabled as defined in the Company-provided Long-Term Disability Plan, the officer would receive monthly disability payments equal to \$5,000 per month to age 65. Upon termination of employment due to disability, any unvested restricted stock unit awards would vest as of that date.

Table of Contents

- ⁵ Upon termination for cause, the Company is obligated to pay salary up to date of termination. If the termination is for deliberate, willful or gross misconduct, all rights to exercise options expire upon the receipt of such notice of termination.
- ⁶ Upon an involuntary termination other than for cause (as defined in the employment agreement), the Company is obligated to pay Mr. Myers his current base salary for a period of 12 months following the date of such termination, conditioned upon Mr. Myers complying with the non-competition and non-solicitation provisions in his employment agreement and the execution of a release of claims. All previously vested options remain exercisable for three months and all unvested options and unvested restricted stock unit awards are forfeited as of the effective date of the termination.

The Company may reduce any payment if it would be non-deductible by the Company for federal income tax purposes because of Section 280G of the Internal Revenue Code. In addition, all unexercised stock options and unvested restricted stock unit awards will become fully vested.
- ⁸ The amounts reported for long-term incentives (stock options and restricted stock units) represent the in-the-money value of stock options and restricted stock units that vest as a result of a termination of employment. The in-the-money value of stock options and the value of the restricted stock units is calculated based on the closing stock price on April 30, 2012 (\$56.35), the last trading day of the fiscal year. No amount is reported for options that were vested prior to April 30, 2012.
- ⁹ Includes the estimated cost of continued life insurance benefits.
- ¹⁰ The amount reported for retirement benefits represents the present value, as of April 30, 2012 using a discount rate of 4.62%, of the ten annual payments described in footnote 2 above, which is the vested portion of the aggregate pension benefit that Mr. Myers would have received under his employment agreement had he terminated employment on April 30, 2012.

**REPORT OF THE AUDIT COMMITTEE OF
THE BOARD OF DIRECTORS**

The Audit Committee operates under a Charter approved by the Board of Directors. All members of the Audit Committee are independent, as defined by the SEC as well as the applicable Nasdaq listing standards.

The Audit Committee reviews the Company's financial reporting process, including internal control over financial reporting, on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion as to the fairness of the financial statements and the conformity of those audited financial statements with generally accepted accounting principles. Additionally, the independent auditors express an opinion on whether the Company maintained, in all material respects, effective internal control over financial reporting.

In this context, the Audit Committee has met and held discussions with management, internal audit, and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standard No. 61, *Communication With Audit Committees* (AICPA Professional Standards, Vol. 1 AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Committee also has received and reviewed the written disclosures and the letter from the independent auditors required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Committee concerning independence, and has discussed with the independent auditor the firm's independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended April 30, 2012.

Table of Contents**PROPOSAL 2****RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

Subject to shareholder ratification, the Audit Committee has appointed the firm of KPMG LLP to audit the consolidated financial statements of the Company for the 2013 fiscal year. The Company has used KPMG LLP as its independent auditor for a number of years. Ratification of the appointment of auditors requires the affirmative vote of a majority of the votes cast on the matter at the Annual Meeting. Abstentions will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote. If the shareholders do not ratify this appointment, the Audit Committee will consider the matter of the appointment of independent auditors.

The Board of Directors recommends that shareholders vote FOR such ratification.

Representatives of KPMG LLP will be present at the Annual Meeting, will be given an opportunity to make a statement if they so desire and will be available to respond to appropriate questions relating to the audit of the Company's 2012 Fiscal Year consolidated financial statements.

Independent Auditor Fees

The following table sets forth the aggregate fees billed to the Company and subsidiaries for the last two fiscal years ended April 30, 2012 and April 30, 2011 by the Company's independent auditor, KPMG LLP:

	2012	2011

(a) Includes fees for review of SEC filings and for internal controls attestation under Section 404 of the Sarbanes Oxley Act of 2002.

(b) Fees for audits of employee benefit plans.

(c) Fees for tax consulting.

The chair of the Audit Committee has advised the Board of Directors that the Audit Committee has determined the non-audit services rendered by KPMG LLP during the Company's most recent year are compatible with maintaining the independence of the auditors.

Prior to the issuance of its audit report, KPMG LLP communicated (i) its responsibility under existing standards generally accepted in the United States of America; (ii) all critical accounting policies and practices used by the Company; and (iii) other significant written communication between KPMG LLP and management of the Company.

Pre-Approval Procedures

Under its charter, the Audit Committee shall pre-approve all audit and any permitted non-audit services provided to the Company by the independent auditors and the fees to be paid for those services. The Audit Committee may delegate authority to subcommittees (consisting of one or more members) to grant pre-approvals of certain audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. All of the services provided by the independent auditor to the Company during the 2012 fiscal year were pre-approved by the Audit Committee or its chairman pursuant to delegated authority.

PROPOSAL 3

ADVISORY VOTE ON OUR NAMED EXECUTIVE OFFICER COMPENSATION

As provided by the federal Dodd-Frank Act and recent SEC rules, we are asking our shareholders to approve an advisory, non-binding resolution concerning the compensation paid to the named executive officers described in the Compensation Discussion and Analysis (CD&A) section of this Proxy Statement. This say-on-pay proposal is intended to provide shareholders with the opportunity to express their views on our compensation decisions and policies regarding our named executive officers.

As described in the CD&A, our executive compensation program is designed to closely align the interests of our named executive officers with the interests of shareholders, and to balance long-term performance with shorter-term goals. We also strive to ensure that all executives are motivated as a team to pursue strong Company performance across its different operations. The Compensation Committee believes its compensation decisions for the 2012 fiscal year appropriately compensates the executive officers for the Company s performance and are closely aligned with the long-term interests of our shareholders.

In view of the foregoing, shareholders will be asked to vote on the following resolution:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company s named executive officers described in the Proxy Statement for the 2012 annual shareholders meeting, including the compensation discussion and analysis, the compensation tables, and the narrative executive compensation disclosures contained in the Proxy Statement.

Shareholders may vote FOR, AGAINST or ABSTAIN on this item. Because your vote is advisory, it will not be binding on the Company, and will not overrule any decision by the Board or require the Board to take any particular action. However, the Board values the views of shareholders on executive compensation matters, and will consider the outcome of this vote when considering future executive compensation arrangements for the named executive officers.

The Board recommends that shareholders vote FOR this advisory resolution on our named executive officer compensation.

ANNUAL REPORTS

The Company's 2012 Annual Report, including consolidated financial statements, is being mailed to shareholders with this Proxy Statement, but does not form a part of the material for the solicitation of proxies. The Company will provide without charge to each shareholder, on written request, a copy of the Company's Annual Report on Form 10-K for the year ended April 30, 2012, including the consolidated financial statements and schedules thereto, filed with the SEC. If a shareholder requests copies of any exhibits to such Form 10-K, the Company may require the payment of a fee covering its reasonable expenses. A written request should be addressed to Brian J. Johnson, Vice President Finance and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-0845.

SUBMISSION OF SHAREHOLDER PROPOSALS

Any proposal which a shareholder intends to present at the annual meeting of shareholders in September 2013 must be received by the Company by April 5, 2013 in order to be eligible for inclusion in the Company's proxy statement and proxy card relating to such meeting, unless the date of the 2013 annual meeting is changed by more than 30 days from September 14, 2013, in which case the proposal must be received a reasonable time before the Company begins to print and send its proxy materials for the 2013 annual meeting. Upon timely receipt of any such proposal, the Company will determine whether or not to include such proposal in the proxy statement and proxy in accordance with applicable SEC regulations governing the solicitation of proxies.

Separate and apart from, and in addition to, the above SEC requirements governing notice of shareholder proposals to be included in the Company's proxy statement are the Company's advance notice requirements, as set forth in the Bylaws. Under the Bylaws, a shareholder may bring other business before the 2013 annual meeting of shareholders only by delivering written notice to the Corporate Secretary not earlier than May 17, 2013, and not later than June 17, 2013. However, if the date of the 2013 annual meeting is more than 30 days before September 14, 2013, or more than 60 days after September 14, 2013, written notice must be provided not less than 90 days nor more than 120 days prior to the date of the 2013 annual meeting or, if the first public announcement of the date of such advanced or delayed annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which public announcement of the date of the annual meeting is first made. Among other requirements, the notice must set forth certain information concerning such shareholder and all persons or entities acting in concert with the shareholder, including their names, addresses and number of shares owned of record, rights to acquire shares and other derivative securities or short interests held, a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, a description of all arrangements or understandings between such shareholder and any other persons in connection with the proposal of such business, a representation that such shareholder is entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to bring such business before the meeting and such other information regarding the proposal as would be required to be included in a proxy statement filed with the SEC. The chairman of the meeting may determine that particular items of business were not properly brought before the annual meeting in accordance with the Bylaws, in which case any such business shall not be transacted.

A shareholder proposing business to be conducted at an annual meeting or nominees for election to the Board of Directors at an annual meeting must be a shareholder of the Company both at the time of giving of notice and at the time of the meeting and who is entitled to vote at the meeting. Any shareholder desiring a copy of the Bylaws will be furnished a copy without charge upon written request addressed to Brian J. Johnson, Vice President Finance and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-0845.

CASEY S GENERAL STORES, INC.

CORPORATE GOVERNANCE GUIDELINES

Over the course of its history as a public company, Casey's General Stores, Inc. (the Company) has developed corporate governance policies and practices to help ensure that the Company meets its responsibilities to shareholders and its other constituencies (employees, customers, suppliers and the communities in which the Company operates, all of whom are essential to the Company's success). The following principles have been approved by the Board of Directors of the Company (the Board) and, along with the charters of the various Board committees, provide the framework for the governance of the Company.

A. Role of the Board and Management

The business of Casey's General Stores, Inc. is conducted by the officers and employees of the Company, under the oversight of the Board. As part of its general oversight function, the Board reviews, monitors and approves fundamental business and financial strategies and major corporate actions, and reviews and discusses reports by management on the performance of the Company and its prospects, as well as issues and risks facing the Company. The Board, operating through its committees, selects, evaluates and determines compensation and succession planning for the Chief Executive Officer (CEO) and senior management, engages and assesses the independence of the outside auditor for the Company, and nominates directors for the Board. The Board also ensures that processes are in place for maintaining the integrity of the Company's financial statements and external reporting, and the integrity of compliance with law and ethics policies.

B. Board Composition and Leadership

1. Size of the Board. Under the Articles of Incorporation of the Company, the size of the Board can range from four to nine members. There currently are eight members of the Board. The actual number of directors is determined by the Board, consistent with Iowa corporate law.

2. Independent Directors. All of the members of the Board except the Chief Executive Officer currently are independent directors. The Company defines an independent director in the same manner as set forth in Nasdaq Stock Market Rule 4200. Among other things, this rule requires the Board to determine that an individual is free of any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

3. Director Qualifications and Selection. The Board selects and recommends to shareholders qualified individuals who, if added to the Board, would provide the mix of director characteristics and diverse experiences, perspectives and skills appropriate for the Company. Board candidates are considered based on various criteria, including relevant business and board skills and experiences, judgment and integrity, reputation in their profession, diversity of background, education, leadership ability, concern for the interests of shareholders and relevant regulatory guidelines. These considerations are made in light of the needs of the Board at the particular point in time. Directors must be willing and able to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serving on the Board for an extended period of time.

4. Procedures for Shareholders to Recommend Nominees for Director. Shareholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by submitting the information required under the Bylaws of the Company to the Corporate Secretary at One Convenience Blvd., Ankeny, Iowa 50021.

5. Selection of Chairman and CEO. Currently, the offices of Chairman of the Board and CEO are held by the same person, Robert J. Myers. At this time, the Board does not believe that its independence or performance would be enhanced by requiring that the Chairman of the Board be an independent director. Eight of the nine directors currently are independent and meet regularly in scheduled executive sessions, and an independent Lead Director has been appointed. In addition, the Board's three standing committees are comprised solely of independent directors. The Board retains the right to review this determination as facts and circumstances change.

Table of Contents

6. *Lead Director.* The position of Lead Director was established in June 2012 by the Board, based on a recommendation from the Nominating and Corporate Governance Committee. The Lead Director will be selected by and from the independent directors as they may determine, and has the following responsibilities:

Preside at all meetings of the Board at which the Chairman and CEO is not present, including the executive sessions of the independent directors;

Establish agendas for the executive sessions of the independent directors in consultation with the other directors;

Serve as liaison between the independent directors and the Chairman and CEO (although all independent directors are encouraged to communicate directly with the Chairman and CEO and other members of senior management at any time);

Review, at his or her discretion, information to be sent to the Board;

Review and discuss proposed Board meeting agendas with the Chairman and CEO;

Have the authority to call meetings of the independent directors, as appropriate;

Be available, as deemed appropriate by the Board, for consultation and direct communication with shareholders; and

Perform such other duties as the Board may specify from time to time.

7. *Share Ownership by Directors.* The Board believes that all directors should be shareholders of the Company, and should accumulate share holdings of at least 5,000 shares within three years of joining the Board, and should employ reasonable, good faith efforts thereafter to maintain share holdings of at least that amount. For this purpose, unvested restricted stock unit awards may be counted towards the ownership requirement, but stock options may not be.

8. *Limitations on CEO Commitments.* The CEO may not serve on the boards of more than two other companies, which for this purpose includes public companies as well as not-for-profit organizations or other entities that are likely to require a similar time commitment. Prior notice to the Board is required before acceptance of any such position.

9. *Limitations on other Board Service.* Members of the Board may not serve on more than two other public company boards. In addition, service on the boards of not-for-profit organizations or other entities that may require a similar time commitment are required to be disclosed and acceptable to the Board.

C. Board and Committee Organization

1. *Board Committees.* The Board is organized so that a significant portion of its business is conducted by its committees. Under the Bylaws of the Company, the standing committees currently are the Audit, Nominating and Corporate Governance, and Compensation Committees. In addition, the Board has appointed a Succession Planning Committee.

2. *Committee Charters.* The Board has approved a charter for each of the three standing committees setting forth the purpose, authority and duties of the committee. Each committee reviews its charter periodically and recommends to the full Board any changes deemed necessary or desirable. Copies of the charters are posted on the Company's website (www.caseys.com) under the heading Investor Relations.

3. *Committee Composition.* Under their charters, the Audit, Nominating and Corporate Governance, and Compensation Committees will be comprised solely of independent directors, in accordance with the Nasdaq listing standards. Assignments and rotation of Committee membership and leadership are recommended by the Nominating and Corporate Governance Committee and approved by the Board.

D. Board and Committee Operations

- 1. Number of Board Meetings.* The frequency of Board meetings will vary with circumstances. At least five regularly scheduled meetings generally are held each year.
- 2. Setting Board Agenda.* The agenda for each Board meeting will be established by the Chairman and CEO in consultation with the Lead Director. Each director is encouraged to make suggestions for agenda items or provide additional meeting materials to the Chairman and CEO and the Lead Director at any time.
- 3. Distribution of Board Materials.* The Board expects that presentations on specific subjects to be discussed at an upcoming Board meeting, as well as information important to the Board's understanding of the business, generally will be distributed to Board members sufficiently in advance of the meeting to provide directors with an adequate opportunity to prepare for discussion at the meeting. If, because of time constraints, presentation materials on a particular topic are not distributed in advance, the time devoted at the meeting to the presentation of the topic will be adjusted accordingly.
- 4. Executive Sessions of Independent Directors.* Executive sessions of the independent directors without management present are held at least twice each year as part of regularly scheduled Board meetings. The Lead Director will preside at such meetings. The independent directors may meet without management present at such other times as may be determined by the Lead Director.
- 5. Committee Meetings.* Each committee chair, in consultation with committee members, will determine the frequency and length of committee meetings. Committee meetings occurring in connection with regularly scheduled Board meetings will ordinarily be held on the same day before the Board meeting. Each committee chair, in consultation with committee members and appropriate members of management, will determine committee agendas.
- 6. Attendance of Non-directors at Meetings.* The executive officers are expected to attend at least a portion of each Board meeting on a regular basis. In addition, other members of management may be asked to attend a Board meeting to provide specific insights on matters being presented.
- 7. Access to Senior Management.* All directors have unrestricted access to the executive officers of the Company.
- 8. Access to Outside Advisors.* The Board and its committees may retain independent financial, legal, compensation or other advisors as they deem necessary or advisable.
- 9. Director Compensation.* The Compensation Committee is responsible for recommending to the Board the compensation for non-employee directors.
- 10. Director Orientation and Continuing Education.* The CEO is expected to oversee the orientation of new directors with the Company. Directors are expected to keep current on developments affecting the Company and their duties and responsibilities as directors, and to attend at least one director education or governance-related program every three years.
- 11. Director Attendance at Annual Shareholders Meetings.* Directors are expected to make every reasonable effort to attend the annual meetings of the shareholders of the Company.
- 12. Compliance with Code of Conduct.* The Board expects all directors, officers and employees to act ethically at all times and to comply with the Company's Code of Business Ethics and Conduct, including the related party transaction and stock trading policies included or referenced in the same. A copy of the Code of Business Ethics and Conduct is posted on the Company's website (www.caseys.com) under the heading Investor Relations.

E. Board and Management Evaluation

1. Assessing Board and Committee Performance. The Nominating and Corporate Governance Committee generally oversees an annual self-evaluation by the Board of its performance and effectiveness. Each committee is responsible for conducting a self-evaluation as it may determine.

2. Succession Planning. The Succession Planning Committee of the Board regularly reviews succession plans for the Chief Executive Officer and other executive officer positions.

F. Shareholder Communications

1. Communication with Management. It is the general policy of the Board that management speaks for the Company. To the extent shareholders would like to communicate with a Company representative, they may do so by contacting William J. Walljasper, Chief Financial Officer, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. Mr. Walljasper also can be reached by telephone at (515) 965-6505.

Bridgewater, Chair of the Audit Committee, at Capital Square, 400 Locust Street, Suite 820, Des Moines, Iowa 50309-2334. Ms. Bridgewater will forward such communication on to all of the members of the Board, to the extent such communications are deemed appropriate for consideration by the Board.

These Guidelines, as the same may be amended in the future, will be posted on the Company's website (www.caseys.com) under the heading Investor Relations.
