OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE ANNUAL ORDINARY GENERAL MEETING OF SHAREHOLDERS

The Board of Directors of the Company, at its meeting No. 295 held last February 27, decided to request that the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Exchange Act, issue an opinion on the proposals that the Board of Directors intends to submit for consideration to the Annual Ordinary General Meeting of Shareholders.

The proposals submitted are included below:

1) The proposal to allocate the aggregate compensation of P\$8,500,000 to the members of the Board of Directors serving during Fiscal Year 2012 (from April 27, 2012 through the date of the Shareholders Meeting that would consider their compensation) and to delegate to the Board of Directors the power to distribute such amount among its members.

This amount represents 0.29% of Fiscal Year 2012 accountable earnings calculated according to sections 2 and 3 of Chapter III of the Rules of *Comision Nacional de Valores*.

In addition, it was proposed that the Board of Directors should be authorized to make advance payments of up to Nine million Pesos (P\$ 9,000,000.) to those directors who shall render services during fiscal year 2013 (from the date of the shareholders meeting that considers this matter through the date of the meeting that reviews fiscal year 2013 documents), always contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year, authorizing the Board of Directors to increase such amount in the event of inflation.

2) The proposal to pay to Price Waterhouse & Co. S.R.L., for its services as Independent Auditors of Telecom Argentina financial statements for fiscal year 2012, the amount of P\$ 5,250,000.- without VAT, of which P\$ 2,650,000.- correspond to fees for financial statements audit tasks and P\$ 2,600,000 to audit tasks related to certification under Section 404 of Sarbanes Oxley Act.

3) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors to the financial statements for the fiscal year ending on December 31, 2013, where Alejandro Pablo Frechou would act as the regular certifying accountant and Carlos Nestor Martinez as his alternate.

The Audit Committee was also requested to inform the Shareholders on the amount of expenses assigned to its operation and training during Fiscal Year 2012 and assess the funds it considers necessary to carry out its duties during Fiscal Year 2012 in order to request budget approval.

1) Opinion on the Proposal of Fees Payable to the members of the Board of Directors acting in fiscal year 2012 and advance payments to those who shall serve in 2013

The Board of Directors submitted to the Audit Committee s prior opinion the proposal that it would submit to the Shareholders Meeting to assign to the directors acting in Fiscal Year 2012 (from April 27, 2012 until the date of the meeting that reviews their compensation) the aggregate compensation of P\$ 8,500,000.- and proposed that the Shareholders Meeting should delegate to the Board the authority to distribute such amount among its members.

In order to evaluate such proposal, the members of the Audit Committee considered the following:

- a) the number of members of the Board of Directors, their roles, responsibilities and dedication;
- b) the members of the Board of Directors should participate in several committees (Audit Committee, Regulatory Compliance Committee, Steering Committee) which demand professionalism, many hours of work and great responsibility;
- c) consistency of this proposal with those proposals submitted in previous fiscal years;

- d) the updated survey conducted on the Autopista de Informacion Financiera of the *Comision Nacional de Valores* in relation to remunerations paid to directors of other companies similar to Telecom Argentina during the last fiscal year reported by such companies. From such survey it arises that the fees proposed for Telecom Argentina directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom itself in previous years;

- e) the total amount of fees proposed represent a small percentage of accountable earnings for fiscal year 2012, calculated according to CNV Rules.

Based on the above, it arises that the total remuneration of P\$ 8,500,000 proposed by the Board of Directors for directors acting during fiscal year 2012 from April 27, 2012 through the date of the Shareholders Meeting reviewing its compensation is reasonable under the terms of sections 2 and 3 of Chapter III of the Rules of the *Comision Nacional de Valores*, taking into account the number, the responsibilities, representation, technical tasks as members of several Board committees, dedication, competence and professional reputation of directors and the market value of their services, and it does not infringe any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during fiscal year 2013 for up to Nine million Pesos (P\$ 9,000,000) and to increase such amount in the event of inflation, contingent upon the decision of the Shareholders Meeting that reviews the documents for such fiscal year.

2) Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2012

The Board of Directors requested our opinion on the proposal to be submitted to the shareholders on the remuneration to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for fiscal year 2012. The proposal to be submitted at the Shareholders Meeting provides for the payment of Five million two hundred and fifty thousand Pesos (P\$ 5,250,000.-) without VAT, of which Two million six hundred and fifty thousand Pesos (P\$ 2,650,000) correspond to the financial statement audit tasks and two million six hundred thousand (P\$2,600,000) to the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

The Audit Committee considers that the amount of Two million six hundred and fifty thousand Pesos (P\$ 2,650,000) that the Board of Directors would propose to the Shareholders Meeting as compensation for the financial statements audit tasks performed by the Independent Auditors during fiscal year 2012 is reasonable and consistent with the importance, magnitude and quality of the tasks performed and is within the range of the fees approved by other listed companies similar to Telecom Argentina.

Likewise, taking into account the task complexity and the specialization required for the Independent Auditors to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of Two million six hundred thousand Pesos (P\$ 2,600,000) that the Board of Directors will propose to the Shareholders Meeting as remuneration for the audit tasks performed is also deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2013

As it appears from Board Minutes No 295, the Board of Directors will propose to the Annual Ordinary Shareholders Meeting the designation of the Accounting Firm Price Waterhouse & Co. S.R.L. (Price) as Auditors to the Financial Statements for fiscal year 2013, where Alejandro Frechou will act as the regular certifying Accountant and Carlos Nestor Martinez will act as his alternate.

The Audit Committee discussed the firm's background and its performance in previous fiscal years and resolved unanimously to pass to the Board of Directors a favorable opinion on its proposal to designate Price as Independent Auditors for fiscal year 2013, for the same reasons shown in reports related to previous fiscal years.

4) Audit Committee expenses 2012 Report and 2013 Budget

The Board of Directors requested the Audit Committee to report the expenses incurred in fiscal year 2012 in operation and training activities, and to estimate the amount that it considers necessary to carry on activities in 2013, in order to inform the Shareholders and request their approval of the relevant budget.

Mr. Luttini submitted a report on the expenses incurred by the Committee from May 2012 through April 2013, segregating those actually incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in this report which shows aggregate expenses of P\$ 632,084 for such period.

Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services related to the effective performance of its tasks and responsibilities, as well as the general evolution of expenses, the members of the Audit Committee resolved to request that the Shareholders Meeting approve an operating budget of One million Five hundred thousand Pesos (P\$ 1,500,000) for fiscal year 2013.

A copy of such report was included in the supporting and background folder of the matters considered by the Committee.
