Sprint Files Investor Presentation Outlining Amended Merger Agreement with SoftBank and

Due Diligence Process with DISH

OVERLAND PARK, Kan. June 12, 2013 Sprint (NYSE:S) today announced that it had filed an investor presentation outlining its amended merger agreement with SoftBank Corp. (TSE: 9984) (SoftBank), which provides investors with additional cash consideration of \$4.5 billion at closing.

The presentation, which can be found at: <http://www.sec.gov>, outlines the significant value provided to Sprint stockholders through the transaction and additional details on the due diligence process undertaken by the Special Committee of Sprint's Board on the preliminary proposal submitted by DISH Network Corporation (DISH). The presentation also highlights the following aspects of the amended merger agreement:

Revised offer maximizes value and certainty for Sprint stockholders

Sprint + SoftBank positions New Sprint better than ever before vis-à-vis key competitors in the market

Sprint stockholders will own approximately 22% of New Sprint, providing stockholders an opportunity to participate in the upside created by a better capitalized and more capable New Sprint

Special Committee and Sprint Board unanimously recommend FOR improved SoftBank transaction and determine DISH proposal not reasonably likely to lead to a superior offer

Edgar Filing: SPRINT NEXTEL CORP - Form DEFA14A

Supplemental proxy materials will be filed with the SEC and distributed to stockholders in the near future and such materials and an election form will also be distributed to stockholders in the near future.
