PROXY STATEMENT

CRYO-CELL INTERNATIONAL, INC.

This Proxy Statement is furnished to the stockholders of Cryo-Cell International, Inc. (the Company) in connection with the 2013 Annual Meeting of Stockholders and any adjournments or postponements thereof. The meeting will be held at the Cryo-Cell International, Inc., 700 Brooker Creek Blvd., Suite 1800, Oldsmar, Florida 34677, on Thursday, July 18, 2013 at 10:00 a.m., local time.

This Proxy Statement and the Notice of Annual Meeting are being provided to stockholders beginning on or about June 27, 2013. A copy of the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2012 accompanies this Proxy Statement. The Company, a Delaware corporation, has its principal executive offices at 700 Brooker Creek Boulevard, Suite 1800, Oldsmar, Florida 34677.

The Annual Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

Stockholders Entitled to Vote

Only holders of record of our shares of common stock at the close of business on June 7, 2013 are entitled to notice of and to vote at the meeting and at any adjournments or postponements of the meeting. Each share entitles its holder to one vote on each matter presented at the meeting. The holders of one-third of the shares entitled to vote at the meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. On the record date, there were 10,804,050 shares outstanding.

Vote Required

As provided in the Company's bylaws, directors are elected by a plurality of votes cast. This means that the five candidates receiving the highest number of FOR votes will be elected. A properly executed proxy card marked WITHHOLD with respect to the election of a director nominee will be counted for purposes of determining if there is a quorum at the Annual Meeting, but will not be considered to have been voted for or against the director nominee. Withhold votes will have no effect on the outcome of the election.

As to the ratification of the Company's independent registered public accounting firm, the proxy card being provided by the Board of Directors enables a shareholder to: (i) vote FOR the proposal; (ii) vote AGAINST the proposal; or (iii) ABSTAIN from voting on the proposal. The ratification of the Company's independent registered public accounting firm must be approved by the affirmative vote of a majority of the votes cast without regard to broker non-votes or proxies marked ABSTAIN.

As to the advisory, non-binding resolution with respect to our executive compensation as described in this Proxy Statement, a shareholder may: (i) vote FOR the resolution; (ii) vote AGAINST the resolution; or (iii) ABSTAIN from voting on the resolution. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes and proxies marked ABSTAIN, is required for the approval of the non-binding resolution. While this vote is required by law, it will neither be binding on the Company or the Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board of Directors.

As to the advisory, non-binding proposal with respect to the frequency that shareholders will vote on our executive compensation, a shareholder may select that shareholders: (i) consider the proposal every ONE YEAR; (ii) consider the proposal every TWO YEARS; (iii) consider the proposal every THREE YEARS; or (iv) ABSTAIN from voting on the proposal. Generally, approval of any matter presented to shareholders requires the affirmative majority vote of a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receives a majority of the votes cast, the option receiving the greatest

number of votes will be considered the frequency recommended by the Company's shareholders. Even though this vote will neither be binding on the Company or the Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board of Directors, the Board of Directors will take into account the outcome of this vote in making a determination on the frequency that advisory votes on executive compensation will be included in our proxy statements.

No proposals other than those identified on the Notice of Annual Meeting were submitted to the Company pursuant to the advance notice provisions of the Company's bylaws. Thus, any other proposals raised at the Annual Meeting, other than procedural matters raised by the Chairman of the Annual Meeting, will be ruled out of order.

How to Vote

Your vote is very important to the Board no matter how many shares of Common Stock you own. Whether or not you plan to attend the Meeting, we urge you to vote your shares today.

If You Are a Registered Holder of Common Stock

If you are a registered holder of Common Stock (including unvested restricted stock), you may vote your shares either by submitting a proxy in advance of the Meeting or by voting in person at the Meeting. By submitting a proxy, you are legally authorizing another person to vote your shares on your behalf. We urge you to use the enclosed proxy card to vote FOR the Board's nominees and FOR proposals 2 and 3 and FOR the ONE YEAR option presented for Proposal 4. If you submit the executed proxy card which accompanies this proxy statement, but you do not indicate how your shares are to be voted, then your shares will be voted in accordance with the Board's recommendations set forth in this Proxy Statement. In addition, if any other matters are brought before the Meeting (other than the proposals contained in this Proxy Statement), then the individuals listed on the proxy card will have the authority to vote your shares on those other matters in accordance with their discretion and judgment.

Whether or not you plan to attend the Meeting, we urge you to promptly submit a proxy (a) by telephone or the Internet following the easy instructions on the enclosed proxy card, or (b) by signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. If you later decide to attend the Meeting and vote in person, that vote will automatically revoke any previously submitted proxy.

If You Hold Your Shares in Street Name

If you hold your shares in street name, i.e., through a bank, broker or other holder of record (a custodian), your custodian is required to vote your shares on your behalf in accordance with your instructions. Please note that if you intend to vote your street name shares in person at the Meeting, you must provide a legal proxy from your custodian at the Meeting.

Proxy Revocability

Any proxy given pursuant to this solicitation is revocable at any time prior to the voting at the meeting by (1) delivering written notice to the Secretary of the Company, (2) submitting a later dated proxy, or (3) attending the annual meeting, withdrawing the proxy, and voting in person.

Meeting Attendance

You may vote shares you hold directly in your name as the stockholder of record in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan

to attend the annual meeting, we recommend that you also submit the enclosed proxy card, in accordance with the instructions on the proxy card and as described below, so that your vote will be counted if you later decide not to attend the meeting.

If you hold your shares in street name, you must obtain a signed proxy form (referred to as a legal proxy) from the record holder in order to vote these shares in person at the meeting.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The business and affairs of the Company are managed under the direction of the board of directors. Currently, the size of the board of directors is set at five members. Each director is elected to hold office for a period of one year or until his or her successor is elected. The Company expects its directors to attend the annual meetings of stockholders, if possible. All of the members of the current board of directors except for director Atala attended last year's annual meeting.

The board of directors held eight meetings during the fiscal year ended November 30, 2012, and each of the directors then in office, attended at least 75% of the regularly scheduled meetings of the board and the committees of the board of which the director was a member. The committees established by the board of directors include the following:

Audit Committee

The current members of the audit committee are Messrs. Berger (Chairman) Gaines and Wheeler. The audit committee is comprised entirely of non-employee, independent members of the board of directors and operates

under a written charter adopted by the board of directors which is available on the Company's website at www.cryo-cell.com. The charter sets out the responsibilities, authority and specific duties of the audit committee. In addition, the charter specifies the structure and membership requirements of the committee, as well as the relationship of the audit committee to the independent auditors and management of the Company.

The audit committee assists the board of directors in fulfilling its responsibilities of ensuring that management is maintaining an adequate system of internal controls such that there is reasonable assurance that assets are safeguarded and that financial reports are properly prepared; that there is consistent application of generally accepted accounting principles; and that there is compliance with management's policies and procedures. In performing these functions, the audit committee meets periodically with the independent auditors and management to review their work and confirm that they are properly discharging their respective responsibilities. In addition, the audit committee appoints and the full board of directors ratifies the Company's independent auditors. The audit committee met four times during the last fiscal year. The members of the audit committee are deemed independent as defined in Rule 4200(a)(15) of the Nasdaq listing standards and Rule 10A-3 under the Securities Exchange Act of 1934.

The board of directors has determined that each of the audit committee members is able to read and understand fundamental financial statements. In addition, the board of directors has determined that audit committee member Mr. Harold Berger is an audit committee financial expert as that term is defined in Item 407(d)(5) of Regulation S-K promulgated under the Securities Exchange Act of 1934. Mr. Berger's relevant experience includes his current position as partner at his own accounting practice and his prior position as an equity partner with Habif, Arogeti & Wynne, LLP, an accounting firm based in Atlanta, Georgia. In addition, Mr. Berger has a Master's Degree in Professional Accounting from the University of Texas at Austin.

Compensation Committee

The current members of the compensation committee are Messrs. Gaines (Chairman), Berger and Wheeler. The primary function of the compensation committee is to review the Company's compensation philosophy and policy, which determines management and executive compensation benefits. The compensation committee is also responsible for the administration of the Company's stock option plans and is the approving authority for management recommendations with respect to option grants. The compensation committee met two times during last fiscal year. The compensation committee is comprised entirely of non-employee, independent members of the board of directors and operates under a written charter adopted by the board of directors which is available on the Company's website at www.cryo-cell.com. The charter sets out the responsibilities, authority and specific duties of the compensation committee.

Governance Committee

The current members of the governance committee are Dr. Wheeler (Chairman) and Messrs. Berger and Gaines. The primary focus of the governance committee is on the broad range of issues surrounding the composition and operation of the Company's board of directors. The committee provides assistance to the board of directors in the areas of membership selection, committee selection and rotation practices, evaluation of the overall effectiveness of the board of directors, and review and consideration of developments in corporate governance practices. The committee's goal is to assure that the composition, practices and operation of the board of directors contribute to value creation and effective representation of the Company's stockholders.

The governance committee performs similar functions to a nominating committee for the Company as described above. The governance committee has adopted a charter which is available on the Company's website at www.cryo-cell.com. The charter does not, however, cover the procedures for director nominations made by our board of directors. During the last fiscal year there was one meeting of the governance committee.

Director Independence and Board Leadership Structure

The Board determined that the following directors are independent, as independence is defined in Rule 4200(a) (15) of the Nasdaq listing standards: Harold Berger, George Gaines and Jonathan Wheeler.

Mr. David Portnoy serves as our Chairman of the Board. He has served in this role since August 2011, the time at which he and the Company's five other current directors gained control of the Board following a proxy contest in connection with the Company's 2011 annual meeting. Mr. David Portnoy also serves as Co-Chief Executive Officer of the Company along with Mr. Mark Portnoy, who is the brother of David Portnoy. Messrs. Portnoy and Portnoy have served in these positions since August 2011.

Following the Company's 2011 annual meeting, the Board considered the substantial turnover in the leadership of the Company, including the termination of the former chief executive officer, and determined that it was in the best interest of the Company and its shareholders to have Mr. David Portnoy serve as both Chairman and Co-Chief Executive Officer. The Board determined that this leadership structure is optimal for the Company because it provides the Company with strong and consistent leadership. The Board believes that having one leader serving as both the Chairman and Co-Chief Executive Officer provides decisive and effective leadership, and ensures effective communication between management and the Board. In addition, this leadership structure allows Mr. Portnoy to more effectively execute the Company's strategic initiatives and business plans. The Board of Directors however, appointed Co-Chief Executive Officers so that key strategic decisions would not be made unilaterally by a single officer. The Board of Directors has not designated a lead independent director.

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board of Directors reviews information regarding the Company's financial position, liquidity and operations, as well as the risks associated with each. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees potential conflicts of interest. The governance committee reviews the Board's leadership structure to ensure that it is most appropriate for the Company. While each committee is responsible for evaluating certain tasks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

Director Nomination Process

When a directorship becomes vacant, or the board otherwise determines that an individual should be recruited for possible nomination to the board, the governance committee, in consultation with the Company's Co-Chief Executive Officers, will prepare a profile of a candidate expected to provide the most meaningful contribution to the board as a whole. The governance committee (or a subcommittee designated by the governance committee) will generally consider all of the following: (a) the candidate's skills, experience and other relevant biographical information, (b) the candidate's general interest in serving a public corporation, (c) the candidate's ability to attend board and committee meetings, and (d) any potential concerns regarding independence or conflicts of interest. Following the initial screening, if the governance committee approves a candidate for further review, the governance committee will establish an interview process for the candidate. It is expected that a majority of the members of the governance committee, along with the Company's Co-Chief Executive Officers, would interview each candidate. At the same time, the governance committee, assisted by the Company's legal counsel, will conduct a comprehensive conflicts-of-interest assessment for the candidate. The governance committee will then consider reports of the interviews and the conflicts-of-interest assessment and determine whether to recommend the candidate to the full board of directors. A subcommittee of the governance committee, management representatives designated by the governance committee or a search firm selected by the governance committee may assist the process. Any nominee recommended by a stockholder would be subject to the same process.

The governance committee will consider director-nominees submitted by stockholders. Any stockholder recommendation should be submitted in writing to the Company in care of the Corporate Secretary at

700 Brooker Creek Boulevard, Suite 1800, Oldsmar, Florida 34677, along with the written consent of such nominee to serve as a director if so elected. Any such recommendation by a stockholder shall be referred to the governance committee, and the governance committee, in consultation with the Company's Co-Chief Executive Officers, will review the nomination in accordance with the Company's certificate of incorporation, bylaws and applicable laws and regulations. The governance committee considers general business experience, industry experience, experience as a director of other companies, probable tenure if elected and other factors as relevant in evaluating director-nominees.

According to the Company's bylaws, only persons nominated in accordance with the following procedures shall be eligible for election by stockholders as directors. Nominations of persons for election as directors at a meeting of stockholders called for the purpose of electing directors may be made by or at the direction of the board of directors, or by any stockholder of record in the manner described below. For a nomination to be properly made by a stockholder, the stockholder must be a stockholder of record and must give written notice to the Company's corporate Secretary so as to be received at the principal executive offices of the Company not more than 90 days and no less than 60 days before the first anniversary date on which the Company mailed its proxy materials for the preceding year's annual meeting, except that if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date of the anniversary of the preceding year's annual meeting, such notice must be so received no later than the 90th day prior to such annual meeting or the 10th day after the date on which public disclosure of the date of such meeting is first made. The public disclosure of an adjournment of an annual meeting will not commence a new time period for the giving of a timely stockholder notice. Each such notice shall set forth:

the name and address, as they appear on the Company's books, of the stockholder giving the notice and of the beneficial owner, if any, on whose behalf the nomination is made;

a representation that the stockholder giving the notice is a holder of record of stock of the Company entitled to vote at such annual meeting and intends to appear in person or by proxy at the annual meeting to nominate the person or persons specified in the notice;

the class and number of shares of stock of the Company owned beneficially and of record by the stockholder giving the notice and by the beneficial owner, if any, on whose behalf the nomination is made;

a description of all arrangements or understandings between or among any of (A) the stockholder giving the notice, (B) the beneficial owner on whose behalf the notice is given, (C) each nominee, and (D) any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder giving the notice;

such other information regarding each nominee proposed by the stockholder giving the notice as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by the board of directors;

the signed consent of each nominee to serve as a director of the Company if so elected;

whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the Company entitled to vote required to elect such nominee or nominees; and

a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice.

PROPOSAL II - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Grant Thornton LLP, served as our independent registered public accounting firm for the fiscal year ended November 30, 2012 and has been appointed to serve in that capacity in fiscal 2013. We anticipate that a representative of Grant Thornton will be available at the Annual Meeting to respond to questions and make a statement if they desire to do so.

At the Annual Meeting, our stockholders will be asked to ratify the selection of Grant Thornton, LLP as our independent registered public accountants for fiscal 2013. Even if the appointment is ratified, however, the audit committee of our board of directors may, in its discretion, direct the appointment of different independent registered accountants during the year, if the audit committee determines such a change would be in our best interests.

Our board of directors recommends you vote FOR ratification of the appointment of Grant Thornton, LLP as our independent registered public accountants.

Narrative Disclosure Regarding Summary Compensation Table

Compensation Philosophy

Our executive compensation policies are designed to provide competitive levels of compensation that integrate pay with our annual objectives and long-term goals, align the long-term interests of management with those of our stockholders, reward for achieving performance objectives, recognize individual initiative and achievements, and assist us in attracting and retaining highly qualified and experienced executives. The compensation committee of our board of directors is primarily responsible for acting on our philosophical approach to executive compensation. There are three primary elements in our executive compensation program: base salary compensation; cash bonus; and stock options.

Base salary compensation is based on the potential impact the individual may have on the Company, the skills and experience required by the job, comparisons with comparable companies and the performance and potential of the incumbent in the job.

A cash bonus pool along with Company performance targets and individual performance objectives are established at the beginning of each fiscal year by the compensation committee. At the end of the fiscal year each performance target is measured and bonuses are paid at the end of the fiscal year if the set performance targets established at the beginning of the fiscal year are attained. A percentage of the pre-determined cash bonus pool is paid to the named executive officer depending on the performance targets met by the Company and the individual. In fiscal 2012, the Company's Co-CEOs were entitled to a performance-based bonus of an amount up to 35%, 65% or 100% of their base salary. In fiscal 2012, the Company's threshold, target and stretch performance standards required to earn cash bonuses were based on the diluted revenue per share as of November 30, 2012 of \$1.42, \$1.54 and \$1.75 per share, respectively, and the Company's stock price as of November 30, 2012 of \$2.50, \$3.15 and \$3.75, respectively. The third criteria for cash bonuses to the Co-CEOs consist of subjective performance, as determined in the sole discretion of the compensation committee. Cash bonuses were accrued in fiscal 2012 payable to the Co-CEOs totaling \$188,889. In fiscal 2012 the cash bonuses for the named executive officers consist of subjective performance, as determined in the sole discretion of the compensation committee. Cash bonuses were accrued in fiscal 2012 payable to the named executive officers totaling \$30,000. In fiscal year 2011, 75% of the amount of the potential bonus was based on the Company performance targets and 25% was based on the named executive officer's individual performance objectives associated with corporate strategy. The revenue and earnings target levels disclosed below and the undisclosed number of new umbilical cord blood and menstrual stem cell units and customer satisfaction survey results target levels utilized in fiscal 2011 required significant effort by the Company to achieve extraordinary performance and are very difficult to attain. In fiscal 2011, the Company performance targets required to earn cash bonuses were based on the number of new umbilical cord blood and menstrual stem cell units; \$19.4 million in revenue; \$1.9 million in earnings; and customer satisfaction survey results. No cash bonuses were paid to the named executive officers in fiscal 2011 because the Company did not meet all of the performance targets for fiscal 2011.

Stock options are granted to our executive officers in order to maintain competitive pay packages and to align management's long-term interests with those of our stockholders. The compensation committee approves stock option grants to our executives and key personnel. Awards vest and options become exercisable based upon criteria established by the compensation committee. There were 200,000 and 200,000 stock options awarded to the named executive officers in fiscal 2012 and 2011, respectively.

Overall, the compensation committee attempts to establish levels of executive compensation that it believes to be competitive with those offered by employers of comparable size, growth and profitability in the Company's industry and in general industry. In establishing the levels of the various compensation elements, the compensation committee has from time to time used the services of compensation consultants.

Employment Agreements and Change in Control Arrangements

David Portnoy Employment Agreement. On December 1, 2011, the Company entered into a two-year employment agreement (the David Portnoy Employment Agreement) with David Portnoy as the Chairman of the Board and Co-Chief Executive Officer effective December 1, 2011 (the Commencement Date). The David Portnoy Employment Agreement provides for an annual base salary of \$225,000. In addition to base salary, for the fiscal years ending November 30, 2012 and November 30, 2013, Mr. Portnoy will be entitled to a performance-based bonus of an amount up to 35%, 65% or 100% of base salary, depending on whether the stated performance targets are achieved. On February 13, 2012, the David Portnoy Employment Agreement was amended to clarify that the determination of whether the Threshold, Target and Stretch performance standards have been achieved with respect to (i) bonuses to be paid under Section 3(b) of the David Portnoy Employment Agreement; and (ii) the grant of the equity awards described in Section 3(c)(ii) of the David Portnoy Employment Agreement, shall be made without regard to any accounting impact of such awards on the Company's financial statements. The amendment to the David Portnoy Employment Agreement also revises Section 3(c)(ii) to correct the Company's fiscal year end date. The David Portnoy Employment Agreement provides a signing bonus in the form of non-qualified stock options. Accordingly, on December 1, 2011, Mr. Portnoy was granted stock options to acquire 200,000 shares of Company stock at \$1.72 per share, which was the closing price of the Company's stock on that day. One-third of the award vested on the day of grant, one-third becomes vested on the first anniversary of the grant date, and one-third becomes vested on the second anniversary of the grant date. If specified performance targets are achieved at the stretch level and Mr. Portnoy is still employed by the Company as of November 30, 2013, Mr. Portnoy will receive a grant of non-qualified stock options of up to 300,000 shares. Such grants shall be made no later than February 28, 2014 and shall have a grant price equal to \$1.72, which is the closing price of the Company's stock on December 1, 2011.

Mr. Portnoy's principal place of employment shall be at the Company's headquarters, but he may elect in his discretion to work from his residence in Miami, Florida. The Company shall pay reasonable legal and financial consulting fees and costs incurred in negotiating the agreements and shall pay him up to \$75,000 in legal fees related to any dispute or question of interpretation regarding the agreements. Mr. Portnoy will also participate in the employee benefit plans that the Company generally makes available to Company employees from time to time, including retirement and health plans.

Upon the occurrence of an involuntary termination of employment or a voluntary termination of employment for Good Reason (as defined in the agreements), the David Portnoy Employment Agreement provides for severance pay equal to the greater of one times Mr. Portnoy's then-current annual base salary or the then-current base salary for the remaining term of the agreement, paid in a lump sum. However, if such termination of employment is in connection with a change in control (as defined in the agreements) that occurs before December 1, 2012, then the agreements provide for severance pay equal to two times Mr. Portnoy's then-current base salary and the Company will reimburse the Executive, on a grossed up basis, for any penalty taxes owed on any excess parachute amounts under Section 280G of the Internal Revenue Code of 1986, as amended (the Code). In addition, the Company shall provide, at no cost to Mr. Portnoy, continued life insurance coverage and nontaxable medical, dental and disability insurance coverage substantially similar to the coverage maintained by the Company for Mr. Portnoy prior to such termination for 36 months after the termination. If the termination of employment is due to disability (as defined in the agreements), the agreements provide for the continuation of Mr. Portnoy's base salary for the greater of one year or the remaining term of the agreement. If

the termination of employment is due to death, the agreements provide for payment of Mr. Portnoy's base salary for one year after his date of death, and the Company will continue to provide medical and dental coverage for Mr. Portnoy's family for one year after his death. The agreements include a one-year non-competition restriction and a two-year restriction on solicitation of employees or customers.

Mark Portnoy Employment Agreement. On December 1, 2011, the Company entered into a two-year employment agreement (the "Mark Portnoy Employment Agreement") with Mark Portnoy as the Co-Chief Executive Officer effective December 1, 2011 (the "Commencement Date"). The Mark Portnoy Employment Agreement provides for an annual base salary of \$200,000. In addition to base salary, for the fiscal years ending November 30, 2012 and November 30, 2013, Mr. Portnoy will be entitled to a performance-based bonus of an amount up to 35%, 65% or 100% of base salary, depending on whether the stated performance targets are achieved. On February 13, 2012, the Mark Portnoy Employment Agreement was amended to clarify that the determination of whether the Threshold, Target and Stretch performance standards have been achieved with respect to (i) bonuses to be paid under Section 3(b) of the Mark Portnoy Employment Agreement; and (ii) the grant of the equity awards described in Section 3(c)(ii) of the Mark Portnoy Employment Agreement, shall be made without regard to any accounting impact of such awards on the Company's financial statements. The Mark Portnoy Employment Agreement provides a signing bonus in the form of non-qualified stock options. Accordingly, on December 1, 2011, Mr. Portnoy was granted stock options to acquire 200,000 shares of Company stock at \$1.72 per share, which was the closing price of the Company's stock on that day. One-third of the award vested on the day of grant, one-third becomes vested on the first anniversary of the grant date, and one-third becomes vested on the second anniversary of the grant date. If specified performance targets are achieved at the stretch level and Mr. Portnoy is still employed by the Company as of November 30, 2013, Mr. Portnoy will receive a grant of non-qualified stock options of up to 300,000 shares. Such grants shall be made no later than February 28, 2014 and shall have a grant price equal to \$1.72, which is the closing price of the Company's stock on December 1, 2011.

The Mark Portnoy Employment Agreement also provides for reimbursement for all business expenses, including moving expenses incurred for Mr. Portnoy to relocate his primary residence to Tampa, Florida. The Company shall pay reasonable legal and financial consulting fees and costs incurred in negotiating the agreements and shall pay him up to \$75,000 in legal fees related to any dispute or question of interpretation regarding the agreements. Mr. Portnoy will also participate in the employee benefit plans that the Company generally makes available to Company employees from time to time, including retirement and health plans.

Upon the occurrence of an involuntary termination of employment or a voluntary termination of employment for "Good Reason" (as defined in the agreements), the Mark Portnoy Employment Agreement provides for severance pay equal to the greater of one times Mr. Portnoy's then-current annual base salary or the then-current base salary for the remaining term of the agreement, paid in a lump sum. However, if such termination of employment is in connection with a change in control (as defined in the agreements) that occurs before December 1, 2012, then the agreements provide for severance pay equal to two times Mr. Portnoy's then-current base salary and the Company will reimburse the Executive, on a grossed up basis, for any penalty taxes owed on any excess parachute amounts under Section 280G of the Code. In addition, the Company shall provide, at no cost to Mr. Portnoy, continued life insurance coverage and nontaxable medical, dental and disability insurance coverage substantially similar to the coverage maintained by the Company for Mr. Portnoy prior to such termination for 36 months after the termination. If the termination of employment is due to disability (as defined in the agreements), the agreements provide for the continuation of Mr. Portnoy's base salary for the greater of one year or the remaining term of the agreement. If the termination of employment is due to death, the agreements provide for payment of Mr. Portnoy's base salary for one year after his date of death, and the Company will continue to provide medical and dental coverage for Mr. Portnoy's family for one year after his death. The agreements include a one-year non-competition restriction and a two-year restriction on solicitation of employees or customers.

If specified performance targets are achieved at the stretch level, and if Mr. Mikulinsky is still employed by the Company as of March 4, 2014, then Mr. Mikulinsky will receive a grant of non-qualified stock options of up to 40,000 shares. Such grants shall have a grant price equal to \$2.05, which is the closing price of the Company's stock on March 5, 2012.

Per the Amendment, in the event of the Executive's voluntary resignation from the Company's employment upon a Change in Control or the Executive's employment is terminated upon or within one (1) year after a Change in Control, as defined in the Employment Agreement, or prior to the Change in Control if the Executive's termination, demotion or relocation was either a condition of the Change in Control or was at the request of any person related to the Change in Control, and such termination was initiated by the Company without cause or by the Executive due to being requested to accept without cause a demotion or relocation:

- (i) The Company shall pay to the Executive any earned and accrued but unpaid installment of Base Salary through the date of resignation or termination, at the rate in effect on the date of termination, or if greater, on the date immediately preceding the date that a Change in Control occurs, and all other unpaid amounts to which the Executive is entitled as of the date of termination under any compensation plan or program of the Company, including, without limitation, all accrued vacation time. Stock options, shares of restricted stock, performance awards, stock appreciation rights, and LTI awards granted to Executive by the Company through the date of termination shall be treated in accordance with the applicable plans and policies of the Company. All outstanding stock options shall vest upon termination.
- (ii) In lieu of any further Base Salary, bonus payments and benefits to the Executive for periods subsequent to the date of resignation or termination, the Company shall pay as liquidated damages to the Executive, an amount equal to twelve (12) months of the Executive's annual Base Salary at the rate in effect as of the date of termination, or if greater, on the date immediately preceding the date that a Change in Control occurs.

In the Mikulinsky Employment Agreement, Mr. Mikulinsky agreed not to compete with the Company or solicit its customers, clients or employees during the term of his respective Employment Agreement and for a 12-month period following the termination of employment under agreements.

Kelley Employment Agreement. On June 18, 2012, the Company entered into a one-year employment agreement with Linda Kelley, PhD, the Company's Chief Scientific Officer (the Kelley Employment Agreement). Under the Kelley Employment Agreement, the one-year term is automatically extended for additional one-year periods unless, at least 60 days prior to the end of the then-current term, either party notifies the other in writing of its intent not to renew the agreement.

At all times during the term of the Kelley Employment Agreement (as the same may be extended), Dr. Kelley will be eligible for discretionary merit increases and adjustments in base salary, in addition to discretionary annual bonuses awarded at the discretion of the compensation committee of the Company's board of directors. The Kelley Employment Agreement provides that she will be eligible to receive long-term incentive awards provided to the Company's senior executives generally, on terms finally determined by the compensation committee of the Company's board of directors.

In addition to base salary, the Kelley Employment Agreement provided a signing bonus in the form of non-qualified stock options. Accordingly, on June 18, 2012, Dr. Kelley was granted stock options to acquire 20,000 shares of Company common stock at \$2.36 per share, which was the closing price of the Company's stock on that day. One-third of the award becomes vested one-year from the day of grant, one-third becomes vested on the second anniversary of the grant date, and one-third becomes vested on the third anniversary of the grant date.

In the event of a termination of employment of Dr. Kelley upon or within one year of a Change in Control (as defined in the Kelley Employment Agreement), or prior to the Change in Control if the termination was related to the Change in Control, if the termination was by the Company without cause or was by Dr. Kelley due to being requested to accept without cause a demotion or relocation, Dr. Kelley will be entitled to receive the following: (i) all earned compensation through the date of termination (or, if greater, on the date immediately preceding a Change in Control); and (ii) 12 months of base salary as in effect on the termination date (or, if greater, base salary in effect immediately prior to the Change in Control).

Under the Kelley Employment Agreement, the Company will also provide Dr. Kelley with certain other benefits, including continued participation in all applicable Company benefit plans and payment of reasonable business expenses.

In the Kelley Employment Agreement, Dr. Kelley agreed not to compete with the Company or solicit its customers, clients or employees during the term of her Employment Agreement and for a 12-month period following her termination of employment under the agreement.

Director Compensation

Directors who are employees of the Company receive no compensation for their services as directors or as members of board committees. Non-employee directors are paid an annual retainer in the amount of \$12,000 and an attendance fee of \$3,000 for each board meeting and \$1,000 for each committee meeting, and are reimbursed for their reasonable expenses incurred in attending the meeting. The fee for participation in a board or committee meeting held by telephone conference call and lasting at least one hour is \$1,000. Each non-employee director receives an annual stock option grant in the amount of 7,500 shares on the date of the annual stockholders' meeting each year. Newly elected non-employee directors receive a stock option grant of 20,000 shares per person. All of such stock options have an exercise equal to the fair market value of the common stock on the date of grant.

The table below summarizes the compensation paid by the Company to its non-employee directors for the fiscal year ended November 30, 2012:

Name	Fees Earned		
	Paid in Cash (\$)	Option Awards (\$)(1)	Total (\$)
Harold Berger	\$ 15,000	\$ 17,134	\$ 32,134

Jonathan Wheeler	\$ 15,000	\$ 17,134	\$ 32,134
Anthony Atala (2)	\$ 9,000	\$ 17,134	\$ 26,134

- (1) Represents the dollar amount recognized for financial reporting purposes in fiscal 2012 under SFAS 123R with respect to stock options. The fair value was estimated using the Black-Scholes option-pricing model. The amount reported has been adjusted to eliminate service-based forfeiture assumptions used for financial reporting purposes. See Note 7, Stockholders' Equity, to our consolidated financial statements for a discussion of our accounting for stock options and the assumptions used.
- (2) Mr. Atala's term as a director expires at the 2013 Annual Meeting.

CERTAIN TRANSACTIONS

On January 16, 2008, the Company and Saneron CCEL Therapeutics, Inc. (Saneron) entered into a research and development agreement whereby the Company and Saneron collaborate on research utilizing the Company's menstrual stem cell technology in pre-clinical models for certain neurological diseases and disorders. Under terms of the agreement, the Company provides Saneron with menstrual stem cells along with proprietary methodology associated with the technology. Saneron provides study materials and develop research methodology for potential therapeutic applications associated with designated pre-clinical applications. Intellectual property resulting from this research collaboration will be jointly owned by the parties. The Company does not have any funding requirements with regard to the collaboration agreement. Cryo-Cell owns an approximate 34% equity interest in Saneron. This agreement was entered into as a result of arms-length negotiations.

David Portnoy, the Company's Chairman and Co-Chief Executive officer, is the brother of the Company's Co-Chief Executive Officer, Mark Portnoy. The Company's Audit Committee Chairman, Harold Berger, provides accounting services to the Company's Co-Chief Executive Officer Mark Portnoy.

Approval of Related Party Transactions

Historically, the Company followed a policy of review and approval of transactions with directors, executive officers and their affiliates by the board of directors, with interested members of the board of directors abstaining from voting on approval of the transactions. Under this policy, the board of directors would approve such transactions only if they were found to be on terms no less favorable to the Company than would be available from third parties in arms-length transactions. On March 4, 2008, the Board of Directors adopted a policy that the Company will not enter into any transaction or commercial relationship with any director, director nominee, executive officer or greater than 5% stockholder of the Company.

PROPOSAL III - ADVISORY VOTE ON EXECUTIVE COMPENSATION

The compensation of our Co-Chief Executive Officers and our two other most highly compensated executive officers (named executive officers) is described in EXECUTIVE AND DIRECTOR COMPENSATION. Shareholders are urged to read the Executive Compensation section of this Proxy Statement, which discusses our compensation policies and procedures with respect to our named executive officers.

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the recently adopted changes to Section 14A of the Securities Exchange Act of 1934, we are providing the Company's shareholders the opportunity to vote on a non-binding, advisory resolution to approve the compensation of our named executive officers, which is described in the section titled "EXECUTIVE AND DIRECTOR COMPENSATION" in this Proxy Statement. Accordingly, the following resolution will be submitted for a shareholder vote at the 2013 Annual Meeting:

RESOLVED, that the shareholders of Cryo-Cell International, Inc. (the "Company") approve, on an advisory basis, the overall compensation of the Company's named executive officers, as described in the "EXECUTIVE AND DIRECTOR COMPENSATION" section set forth in the Proxy Statement for this Annual Meeting.

This advisory vote, commonly referred to as a "say-on-pay" advisory vote, is non-binding on the Company and the Board. However, the Board values constructive dialogue on executive compensation and other important governance topics with the Company's shareholders and encourages all shareholders to vote their shares on this matter.

Vote Required

Approval of this resolution requires the affirmative vote of a majority of the votes cast at the Annual Meeting. While this vote is required by law, it will neither be binding on the Company or the Board, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board. However, the compensation committee will take into account the outcome of the vote when considering future executive compensation decisions.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RESOLUTION SET FORTH IN PROPOSAL III. UNLESS OTHERWISE INSTRUCTED, VALIDLY EXECUTED PROXIES WILL BE VOTED FOR THIS RESOLUTION.

PROPOSAL IV - FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the recently adopted changes to Section 14A of the Securities Exchange Act of 1934, we are providing the Company's shareholders the opportunity to cast an advisory vote on whether a non-binding shareholder resolution to approve the compensation of the Company's named executive officers (the "say-on-pay" advisory vote in Proposal III above) should occur every year, every two years or every three years.

After careful consideration, the Board of Directors recommends that future shareholder "say-on-pay" advisory votes on executive compensation be conducted every year. The determination was based upon the premise that named executive officer compensation is evaluated, adjusted and approved on an annual basis by the Board of Directors upon a recommendation from the compensation committee and the belief that investor sentiment should be a factor taken into consideration by the compensation committee in making its annual recommendation.

Although the Board of Directors recommends a "say-on-pay" vote every year, shareholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. Shareholders are not voting to approve or disapprove of the Board of Directors' recommendation.

Vote Required

Generally, approval of any matter presented to shareholders requires a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receive a majority of the votes

cast, the option receiving the greatest number of votes will be considered the frequency recommended by the Company's shareholders. Even though this vote will neither be binding on the Company or the Board nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board, the Board of Directors will take into account the outcome of this vote in making a determination on the frequency at which advisory votes on executive compensation will be included in the Company's proxy statement.

Board Recommendation

The Board of Directors unanimously recommends that you vote for the One Year frequency option. Unless otherwise instructed, validly executed proxies will be voted **FOR the One Year frequency option.**

OTHER BUSINESS

The Board does not know of any business, other than the proposals set forth in the attached Notice of Annual Meeting of Stockholders, to be acted upon at the annual meeting, and, as far as is known to management, no matters are to be brought before the meeting except as specified in the notice of the meeting. However, if any other business properly should come before the meeting, it is intended that the proxies will vote on any such matters in accordance with the judgment of the persons voting such proxies.

Pursuant to the Company's bylaws, at an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors; (b) otherwise properly brought before the meeting by or at the direction of the board of directors; (c) in the case of a nomination for director, properly brought in accordance with the procedures described below; or (d) otherwise properly brought before the meeting by a stockholder entitled to vote at such meeting. Each such notice shall set forth as to each matter the stockholder proposes to bring before the annual meeting:

a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting

the name and address, as they appear on the Company's books, of the stockholder proposing such business and of the beneficial owner, if any, on whose behalf the proposal is made;

the class and number of shares of stock of the Company owned beneficially and of record by the stockholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made;

a description of all arrangements or understandings among the stockholder and any other person or persons (naming such person or persons) in connection with the proposal of such business by the stockholder and any material interest of the stockholder in such business;

whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the Company entitled to vote required to approve the proposal; and

a representation that such stockholder intends to appear in person or by proxy at the meeting to bring the business before the annual meeting.

Stockholders who intend to have a proposal considered for inclusion in the Company's proxy materials to be presented at the Company's 2014 annual meeting of stockholders must submit the proposal to the Company at its executive offices no later than February 27, 2014. However, if the date of the Company's 2014 annual meeting of stockholders is changed by more than 30 days from the date of the 2013 Annual Meeting, then the deadline will be a reasonable time before the Company begins to print and send its proxy materials for the 2014 annual meeting of stockholders. Stockholders who intend to present a proposal at the 2014 annual meeting of stockholders without including such proposal in the Company's proxy statement are required to provide notice of such proposal to the Company in accordance with the advance notice procedures for stockholder proposals set forth in the Company's bylaws as described above. These advance notice procedures supersede the notice period in SEC Rule 14a-4(c)(1) of the federal proxy rules regarding discretionary proxy voting authority with respect to such shareholder business.
