**Item 8.01. Other Events.**

As previously reported, the Company received from the Attorney General of the State of New York ( NYAG ) a Subpoena Duces Tecum dated May 17, 2011 (the Subpoena ), relating to the NYAG 's investigation of whether the Company and certain of its schools have complied with certain New York state consumer protection, securities, finance and other laws. The documents and information sought by the NYAG in connection with its investigation cover the time period from May 17, 2005 to the present. Pursuant to the Subpoena, the NYAG requested from the Company, and certain of its schools, documents and detailed information on a broad spectrum of business practices, including such areas as marketing and advertising, student recruitment and admissions, education financing, training and compensation of admissions and financial aid personnel, programmatic accreditation, student employment outcomes, placement rates of graduates and other disclosures made to students.

On August 19, 2013, the Company entered into an Assurance of Discontinuance (the NYAG Settlement ) with the NYAG. Under the terms of the NYAG Settlement, without admitting or denying the NYAG 's findings, the Company has agreed to pay \$9.25 million into a restitution fund to be distributed to eligible consumers; an additional \$1.0 million for fees, costs, and penalties; and up to an additional \$250,000 for the costs to administer the restitution claims process. As part of the NYAG Settlement, the Company has also agreed to, among other things: calculate and disclose placement rates according to agreed upon procedures and retain an independent consultant or audit firm to independently verify and report on such placement rates; provide specified levels of placement assistance to students; provide certain additional training to admissions personnel regarding placement rates; teach out certain programs going forward that do not achieve specified minimum placement rates; provide additional disclosure concerning institutional and programmatic accreditation; and provide additional disclosure concerning transferability of credits to other colleges or universities.
