**Item 1.01. Entry into a Material Definitive Agreement.**

On September 30, 2013, Kindred Healthcare, Inc. ( Kindred or the Company ) entered into an agreement with Ventas, Inc. ( Ventas ) (NYSE:VTR) with respect to Kindred's five master lease agreements with Ventas (the Agreement ), as well as an amended and restated master lease agreement ( Amended Master Lease No. 5 ).

The Agreement and Amended Master Lease No. 5 provide that the leases for 22 transitional care ( TC ) hospitals (certified as long-term acute care ( LTAC ) hospitals) and 26 nursing and rehabilitation centers currently leased from Ventas (the Renewal Facilities ) will be renewed as set forth below. With respect to the Renewal Facilities, (i) the leases for three TC hospitals and 15 nursing and rehabilitation centers that were set to expire in April 2015 were renewed for an additional five year term effective May 1, 2015, with annual rents increasing by \$4 million on October 1, 2014 and otherwise subject to rent escalators found in the existing master lease agreements, and (ii) as more fully provided in Amended Master Lease No. 5, the leases for 19 TC hospitals and 11 nursing and rehabilitation centers will be moved to Amended Master Lease No. 5 from the other four master lease agreements and were renewed for a 10 year, seven month term effective October 1, 2014 (the term of the leases for the 10 TC hospitals in Amended Master Lease No. 5 prior to the amendment has not changed; those leases expire in April 2023), with annual rents under Amended Master Lease No. 5 increasing by \$11 million on October 1, 2014 and otherwise subject to annual increases (up to a 4% cap) based on a change in the consumer price index.

The Agreement also provides for (i) the non-renewal of 60 nursing and rehabilitation centers, with lease terms ending on September 30, 2014 rather than their original April 30, 2015 termination date, (ii) more flexibility to Ventas to accelerate the transfer of these 60 nursing and rehabilitation centers, (iii) a \$20 million payment by Kindred to Ventas as part of this transaction, and (iv) the settlement of other matters between Kindred and Ventas.

Amended Master Lease No. 5 further provides that Kindred may not (i) develop any additional LTAC hospitals within a ten-mile radius of each of the LTAC hospitals subject to such master lease agreement, (ii) develop any additional nursing centers within a five-mile radius of each of the nursing centers subject to such master lease agreement, or (iii) increase the number of licensed beds at LTAC hospitals or nursing centers that are within the restricted areas and not leased to Kindred by Ventas under such master lease agreement. Kindred is not restricted, however, from acquiring operating LTAC hospitals or nursing centers within (or outside of) the restricted areas. Amended Master Lease No. 5 also excludes certain change of control transactions from the transfer restrictions that are otherwise applicable to Kindred. Such exclusions apply only to Amended Master Lease No. 5, and the transfer restrictions applicable under the other four master lease agreements remain in effect. Except as otherwise noted above, the terms of Amended Master Lease No. 5 are substantially similar to the terms of the other four master lease agreements.

The foregoing descriptions of the Agreement and Amended Master Lease No. 5 are qualified by the full text of the Agreement and Amended Master Lease No. 5, which are attached hereto as Exhibit 10.1 and Exhibit 10.2, respectively, and incorporated herein by reference.
