**NOTICE OF 2014 ANNUAL MEETING
AND PROXY STATEMENT**

March 6, 2014

Dear Fellow Teradata Corporation Stockholder:

I am pleased to invite you to attend Teradata's 2014 Annual Meeting of Stockholders on April 29, 2014. The meeting will begin promptly at 8:00 a.m. local time at the Terry Executive Education Center, 3475 Lenox Road NE, Atlanta, Georgia 30326.

This proxy statement, which also includes a notice of the 2014 annual meeting, tells you more about the agenda and procedures for the meeting. It also describes how the Board of Directors operates and gives information about our director candidates and general compensation and corporate governance matters.

To conserve natural resources and to reduce the costs of printing and distributing our proxy materials (which include this proxy statement, our 2013 annual report and form of proxy and voting instruction card), we are delivering these materials to stockholders via the Internet. As permitted under U.S. Securities and Exchange Commission (SEC) rules, most of our stockholders receive a mailing containing only a notice of the 2014 annual meeting (Notice of Internet Availability of Proxy Materials) instead of paper copies of our proxy materials. The notice will include instructions on how to access these documents over the Internet, as well as instructions on how stockholders receiving this notice can request paper copies of our proxy materials if desired. Stockholders who do not receive the notice-only mailing will receive either paper copies of the proxy materials by mail or electronically-available materials as permitted under applicable SEC rules and Delaware law.

Michael Koehler, Teradata's President and Chief Executive Officer, and I look forward to seeing you at the annual meeting. If you plan to attend, please send an email to investor_relations@teradata.com to receive a meeting reservation request form.

Your vote is important. Whether or not you plan to attend the annual meeting, I urge you to authorize your proxy as soon as possible so that your stock may be represented at the meeting.

Sincerely,

James M. Ringler
Chairman of the Board

TERADATA CORPORATION

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

TIME

8:00 a.m. local time

DATE

Tuesday, April 29, 2014

PLACE

The Terry Executive Education Center

3475 Lenox Road NE, Atlanta, Georgia 30326

PURPOSE

Elect Ms. Cooper and Messrs. Kepler and Stavropoulos to serve as Class I directors for three-year terms expiring at the 2017 annual meeting of stockholders and to hold office until their respective successors are duly elected and qualified;

Advisory (non-binding) vote to approve executive compensation (a say-on-pay vote);

Vote on the approval of an amendment of the Company's certificate of incorporation to provide for the declassification of our Board of Directors;

Vote on the ratification of the appointment of our independent registered public accounting firm for 2014; and

Transact such other business as may properly come before the meeting and any adjournment or postponement of the meeting by or at the direction of the Board of Directors.

OTHER IMPORTANT INFORMATION

Record holders of Teradata common stock at the close of business on February 28, 2014, may vote at the meeting.

Your shares cannot be voted unless they are represented by proxy or in person by the record holder at the meeting. Even if you plan to attend the meeting, please submit a proxy to ensure that your shares are represented at the meeting.

INTERNET AVAILABILITY

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

Important Notice Regarding the Availability of Proxy Materials for the 2014 Annual Meeting of Stockholders to Be Held on April 29, 2014: This notice of 2014 annual meeting of stockholders and proxy statement, our 2013 annual report and form of proxy and voting instruction card are available at <http://www.proxyvote.com>.

By order of the Board of Directors,

Laura Nyquist
General Counsel and Secretary

March 6, 2014

10000 Innovation Drive

Dayton, OH 45342

PROXY STATEMENT

General Information

On behalf of the Board of Directors of Teradata Corporation, a Delaware corporation (Teradata , the Company , we or us), we are requesting your proxy for the 2014 annual meeting of stockholders and any adjournments or postponements that follow. The meeting will be held at 8:00 a.m. local time, on April 29, 2014, at the Terry Executive Education Center, 3475 Lenox Road NE, Atlanta, Georgia 30326. At the meeting, we will: (1) consider the election of Ms. Cooper and Messrs. Kepler and Stavropoulos as Class I directors for three-year terms expiring in 2017; (2) vote on an advisory (non-binding) basis to approve executive compensation as disclosed in this proxy statement (a say-on-pay vote); (3) vote on the approval of an amendment of the Company s certificate of incorporation to provide for the declassification of our Board of Directors; (4) vote on the ratification of the appointment of our independent registered public accounting firm for 2014; and (5) transact such other business as may properly come before the meeting and any adjournment or postponement thereof.

This proxy statement contains information about the 2014 annual meeting, as well as information regarding the voting process, director elections, our corporate governance programs, and executive and director compensation, among other things. We are furnishing this proxy statement together with our 2013 annual report and form of proxy and voting instruction card (proxy card). Proxy materials for the 2014 annual meeting of stockholders are being made available in printed form on or about March 18, 2014. They will be available online on or about March 19, 2014.

YOUR VOTE IS IMPORTANT!

Whether or not you plan to attend the annual meeting, please vote your shares as soon as possible by phone, Internet, or mail if you are receiving paper proxy materials. By using the Internet or phone voting methods, you help us reduce costs and respect the environment. Both are fast, convenient, and environmentally-friendly.

If you are a stockholder of record (i.e., you directly hold your common stock through an account with our transfer agent, Computershare Investor Services), you can vote your shares using one of the following three methods. If you are a beneficial owner (i.e., you indirectly hold your common stock through a nominee such as a bank or broker), you can vote your shares using the methods provided by your nominee.

VOTE BY INTERNET

VOTE BY PHONE

VOTE BY MAIL

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

<http://www.proxyvote.com>

1-800-690-6903

Vote Processing, c/o Broadridge,
51 Mercedes Way, Edgewood, NY 11717

Use the Internet to transmit your voting instructions and for electronic delivery of information.

Use any touch-tone telephone to transmit your voting instructions.

If you receive paper proxy materials, mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to the address shown above.

Who may vote at the meeting?

Only stockholders of record may vote at the meeting. A stockholder of record is a stockholder as of the close of business on February 28, 2014, the record date for the meeting. On the record date, there were 159,549,695 shares of common stock outstanding.

How many votes do I have?

For each share of common stock you own, you are entitled to cast one vote on each director candidate submitted for election and to cast one vote on each other matter properly brought before the meeting.

When will I receive my proxy materials?

Proxy materials for the 2014 annual meeting of stockholders are being made available in printed form on or about March 18, 2014. They will be available online on or about March 19, 2014.

How do I access my proxy materials?

Notice and Access. Proxy materials (including our 2013 annual report, notice of the 2014 annual meeting of stockholders and proxy statement, and proxy card) are being made available via the Internet pursuant to the SEC's notice and access rules. A Notice of Internet Availability of Proxy Materials (Notice) is being mailed to most of our record and beneficial stockholders. The Notice includes instructions on how to access the proxy materials on the Internet or request printed copies of these materials. To receive future proxy materials by mail or email, follow the instructions included with the Notice. If you previously elected to receive materials via mail or email delivery, you will not receive the Notice, but you will receive your materials via the delivery method you requested.

Electronic Delivery. At their request, many stockholders are receiving an email providing them with links to receive the Notice and Internet access to the proxy materials rather than receiving a printed copy of the Notice or printed proxy materials.

Paper Copies. If you have previously requested paper copies of your proxy materials, or are otherwise required to receive paper copies, you will receive the 2014 proxy materials, including notice of the meeting, in printed form unless you consent to receive these documents electronically in the future.

How do I receive Teradata's proxy materials electronically?

If you are a stockholder of record (*i.e.*, you directly own your common stock through an account with our transfer agent, Computershare Investor Services), you can choose to access your proxy materials electronically and save the cost of producing and mailing a Notice and other documents by following the instructions provided at <http://www.investordelivery.com> or by following the prompt if you choose to authorize your proxy over the Internet. You must provide your twelve-digit control number listed on your Notice or proxy card to make this election.

Your election to receive proxy materials by electronic access will remain in effect until you revoke your consent at <http://www.proxyvote.com>, or your consent is deemed to be revoked under applicable law. You must provide your twelve-digit control number to revoke your consent.

If you are a beneficial owner (*i.e.*, you indirectly hold your common stock through a nominee such as a bank or broker), please review the information provided by your nominee for instructions on how to elect to view future proxy statements and annual reports over the Internet.

Please keep in mind that choosing electronic delivery saves the Company and its stockholders money and preserves natural resources.

How do I obtain a separate set of proxy materials?

To save costs, only one set of proxy materials is being printed and mailed to stockholders who have requested printed copies and share an address, unless otherwise requested or required under applicable law. If you have multiple Teradata common stock record accounts and/or share an address with a family member who is a Teradata stockholder and want to receive more than one copy of the Notice and/or proxy materials, you may contact our mailing agent, Broadridge Financial Solutions, at Broadridge Householding Department, 51 Mercedes Way, Edgewood, New York, 11717 (phone: 1-800-542-1061). Broadridge will remove you from the householding program within thirty days after receipt of this request and will mail you a separate copy of the proxy materials.

How can I vote my shares of Teradata common stock?

Your vote is important. Your shares can be voted at the annual meeting only if you are a record stockholder and present in person or represented by proxy. Even if you plan to attend the meeting, we urge you to authorize your proxy in advance. You may vote your shares by authorizing a proxy over the Internet or by telephone. In addition, if you received paper copies of the proxy materials by mail, you can also submit a proxy by mail by following the instructions on the proxy card. Voting your shares by authorizing a proxy over the Internet, by telephone or by written proxy card will ensure your representation at the annual meeting regardless of whether you attend in person.

If you are a stockholder of record, please authorize your proxy electronically by going to the <http://www.proxyvote.com> website or by calling the toll-free number (for residents of the United States and Canada) listed on your Notice and proxy card. Please have your Notice or proxy card in hand when going online or calling. If you authorize your proxy via the Internet, you do not need to return your proxy card. If you choose to authorize your proxy by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided.

If you hold your shares beneficially through a nominee (such as a bank or broker), you may be able to authorize your proxy by telephone or the Internet as well as by mail. You should follow the instructions you receive from your nominee to vote these shares.

How do I revoke my proxy for the annual meeting?

You may revoke your proxy at any time before it is voted at the meeting by:

properly executing and delivering a later-dated proxy (including a telephone or Internet proxy authorization);

voting by ballot at the meeting; or

sending a written notice of revocation to the inspectors of election in care of our Corporate Secretary at Teradata Corporation, 10000 Innovation Drive, Dayton, Ohio 45342.

What if I want to vote in person at the annual meeting?

The method by which you vote and authorize your proxy will in no way limit your voting rights if you later decide to vote in person at the meeting. If you beneficially own your shares through a nominee (such as a bank or broker), you must obtain a proxy executed in your favor from your nominee to be able to vote at the meeting.

What are the requirements for ensuring that my shares are voted by proxy at the annual meeting?

Your shares will be voted at the meeting as directed by the instructions on your proxy card, voting instructions or electronic proxy if (1) you are entitled to vote, (2) your proxy was properly executed or properly

authorized electronically, (3) we received your proxy prior to the voting deadlines for the annual meeting (April 28, 2014 at 11:59 p.m. for record stockholders who do not vote at the meeting, such time as directed by the nominee for beneficial owners, and April 24, 2014 for participants in our 401(k) savings plan), and (4) you did not revoke your proxy prior to or at the meeting.

How do I vote the shares I hold in the Teradata 401(k) savings plan?

If you are a participant in the Teradata 401(k) savings plan, your proxy includes the number of Teradata common stock units (share interests) allocated to your plan account. You may instruct the trustee how to vote the number of share interests allocated to your plan account. The trustee will vote the share interests allocated to your plan account in accordance with your instructions. If you do not vote your share interests in the Teradata 401(k) savings plan, the trustee will vote the unallocated share interests, as well as any allocated share interests held by the plan, in the same proportion as the share interests for which it received timely voting instructions.

What is considered a quorum to conduct the annual meeting?

To have a quorum necessary to conduct business at the meeting, it is necessary to have shares that represent (in person or by proxy) the holders of a majority of our shares of common stock outstanding on the record date, which is the close of business on February 28, 2014. Shares of common stock represented in person or by proxy (including shares that abstain with respect to a particular proposal to be voted upon and broker non-votes) will be counted as present for the purpose of determining whether a quorum exists at the meeting for that proposal. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

How many votes are required to approve each item?

With respect to Proposal 1 (the election of directors), the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on the election of directors is required to elect each director.

With respect to Proposal 2 (the advisory say-on-pay vote on executive compensation), the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on such question is required to adopt this advisory resolution in accordance with Teradata's bylaws. However, the results of this vote are not binding on the board, whether or not any resolution is passed under this voting standard.

With respect to Proposal 3 (the approval of an amendment of the Company's certificate of incorporation to provide for the declassification of our Board of Directors), the affirmative vote of at least 80% of the voting power of the shares outstanding and entitled to vote on such item of business is required to approve the amendment of Teradata's certificate of incorporation.

With respect to Proposal 4 (the ratification of the appointment of the Company's independent auditors), the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on such item of business is required to ratify the appointment.

Abstentions effectively count as votes against the adoption of a proposal and the election of a director. Broker non-votes will count as votes against the proposal to amend the certificate of incorporation to provide for the annual election of directors, but will have no effect on the outcome of the vote for any other proposal or the election of any director. Therefore, if you do not instruct your nominee (such as your bank or broker) how to vote your shares with respect to the election of directors, the advisory vote on executive compensation, or the amendment of the Company's certificate of incorporation to provide for the annual election of directors, the nominee may not vote on these proposals. Broker non-votes occur when a nominee returns a properly executed proxy but does not vote on a particular item because the nominee has not received voting instructions from the beneficial owner and, therefore, does not have the authority to vote on a proposal.

How does the board recommend that I vote my shares?

The Teradata Board of Directors recommends that you vote:

FOR the election of each of the three Class I director nominees, Ms. Cooper and Messrs. Kepler and Stavropoulos (see page 6);

FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in this proxy statement (see page 51);

FOR the approval of an amendment of the Company's certificate of incorporation to provide for the declassification of our Board of Directors (see page 52); and

FOR ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014 (see page 53).

If you submit your proxy without specific voting instructions, your shares represented by that proxy will be voted as recommended by our board. As discussed above, if you hold your shares beneficially through a nominee (such as a bank or a broker) and fail to provide specific voting instructions to that nominee, your shares will not be voted in the election of directors, the advisory say-on-pay vote on executive compensation, or the amendment of the Company's certificate of incorporation to provide for the annual election of directors.

What do I need to do if I want to attend the annual meeting?

If you plan to attend the meeting in person, please send an email to us at investor.relations@teradata.com to request a meeting reservation request form. You may attend the meeting if you are a stockholder of record, hold a proxy for a stockholder of record, or are a beneficial owner of our common stock with evidence of ownership. If you are a beneficial owner (*i.e.*, you hold your common stock through a nominee such as a bank or broker), please include evidence of your ownership of common stock with the form (such as an account statement showing you own Teradata common stock as of the record date). If you do not have a reservation for the meeting, you may still attend if we can verify your stock ownership at the meeting.

We will include the results of the votes taken at the meeting in a Form 8-K filed with the SEC within four business days after the date of the annual meeting or any adjournment or postponement thereof. You may also find information on how to obtain a transcript of the meeting by writing to our Corporate Secretary at Teradata Corporation, 10000 Innovation Drive, Dayton, Ohio 45342.

ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

The Board of Directors is currently divided into three classes. Directors are elected by stockholders for terms of three years and hold office until their successors are elected and qualified. One of the three classes is elected each year to succeed the directors whose terms are expiring. As of the 2014 annual meeting, the terms for the directors in Classes I, II and III of the Board of Directors expire in 2014, 2015, and 2016, respectively.

Ms. Cooper and Messrs. Kepler and Stavropoulos currently are Class I directors whose terms are expiring at the 2014 annual meeting and, for the reasons described below, each has been nominated by the board for re-election through the 2017 annual meeting of stockholders and until his or her successor is elected and qualified.

The board has adopted an amendment of the Company's Amended and Restated Certificate of Incorporation that, if approved by the stockholders at this annual meeting, will eliminate the three-year staggered terms of our directors and provide instead for the annual election of all directors beginning with the 2015 annual meeting. (See Item 3, below.) Directors elected to three-year terms at or before the 2014 annual meeting will serve out the remainder of those terms.

Proxies solicited by the board will be voted for the election of the nominees, unless you provide a contrary instruction on your proxy. Each of the nominees has indicated his or her willingness to serve if elected. The board has no reason to believe that these nominees will be unable to serve. However, if one of them should become unavailable, the board may reduce the size of the board or designate a substitute nominee. If the board designates a substitute, shares represented by proxies will be voted for the substitute nominee.

The Board of Directors recommends that you vote FOR the election of each of the Class I nominees as a director. Election of each nominee requires the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on such item. If a nominee does not receive a majority vote, he or she is required to tender his or her resignation for consideration by the disinterested members of the Board of Directors in accordance with the board's Corporate Governance Guidelines as described on pages 10 to 11 of this proxy statement. Proxies solicited by the Board of Directors will be voted FOR each nominee, unless you specify otherwise in your proxy.

DIRECTOR QUALIFICATIONS

Our Board of Directors consists of nine members who we believe are well-qualified to serve on the board and represent our stockholders' best interests. As described below under the caption "Selection of Nominees for Directors," the board and its Committee on Directors and Governance (the Governance Committee) select nominees with a view to establishing a Board of Directors that is comprised of members who:

have extensive business leadership experience,

bring diverse perspectives to the board,

are independent and collegial,

have high ethical standards as well as sound business judgment and acumen, and

understand and are willing to shoulder the time commitment necessary for the board to effectively fulfill its responsibilities.

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

We believe that each of the director nominees and other directors bring these qualifications to our Board of Directors. Moreover, they provide our board with a diverse complement of specific business skills, experience and perspectives, including: extensive financial and accounting expertise, public-company board experience, knowledge of the technology and software industries and of Teradata's business, experience with companies with a global presence and those that have high-growth strategies, and extensive operational and strategic planning

experience in complex, global companies. In addition, the board believes that each of the director nominees and other directors has demonstrated outstanding achievement in his or her professional career, relevant experience, personal and professional integrity, ability to make independent, analytical inquiries, and willingness and ability to devote adequate time to board duties. The following describes the key qualifications, business skills, experience and perspectives that each of our directors brings to the Board of Directors, in addition to the general qualifications described above and information included in the biographical summaries provided below for each director. Based on all of these qualifications, the board believes that the directors and nominees have the appropriate set of skills to serve as members of the board.

Director	Key Qualifications
James M. Ringler	Experience as the chief executive officer and chairman of the board of publicly-held, global companies, extensive experience on public company boards, an in-depth knowledge of the Company's business, strategy and management team
Edward P. Boykin	Knowledge of the Company and the IT industry, leadership experience as the chief operations officer of a global computer services company with operational expertise in consummating mergers and acquisitions, financial acumen, and audit committee experience
Nancy E. Cooper	Financial expertise, experience as the chief financial officer of a global, publicly-traded company in the software technology industry, a strong ethics and compliance focus, gender diversity, and audit committee experience
Cary T. Fu	Experience as the chief executive officer and chairman of the board of a global high-technology company, financial expertise and experience as a chief financial officer and certified public accountant, experience co-founding and leading a high-growth business organization, and diverse perspective given Taiwanese heritage and years of experience in Asia
David E. Kepler	Experience as the chief information officer of a complex, global company with additional responsibility for corporate sustainability initiatives, risk management and business services operations, financial expertise, and a recognized leader in the area of cyber-security
Michael Koehler	Service as the Chief Executive Officer of the Company with extensive knowledge of, and experience with, the software industry and the Company's operations, strategy and financial position and experience as a director of another global, publicly-traded company
Victor L. Lund	Financial expertise, experience as the chief financial officer and chief executive officer of a large business with a high-growth model, extensive public-company board experience, particularly on audit committees, and knowledge of the Company and technology industry through board service
John G. Schwarz	Extensive experience within the software and technology industries as the chief executive officer and director of a global high-technology company, operational and strategic planning experience leading a business organization that experienced high growth through acquisitions and organic growth strategies, and broad global experience and perspective
William S. Stavropoulos	Distinguished career with extensive public-company board experience, leadership experience as a former chief executive officer and chairman of a major, global company, business and strategic acumen, and knowledge of the Company

NOMINEES*Class I – Current Terms Expiring in 2014:*

Nancy E. Cooper, 60, served as the Executive Vice President and Chief Financial Officer of CA Technologies (CA), an IT management software provider, from August 2006 until her retirement in May 2011. She joined CA in August 2006 with nearly 30 years of finance experience. From 2001 until that time, Ms. Cooper served as Chief Financial Officer for IMS Health Incorporated, the world's leading provider of market intelligence to the pharmaceutical and healthcare industries. Prior to joining IMS Health, she was the Chief Financial Officer of Reciprocal, Inc., a leading digital rights management and consulting firm. In 1998, she served as a partner responsible for finance and administration at General Atlantic Partners, a private equity firm focused on software and services investments. Ms. Cooper began her career at IBM Corporation where she held increasingly important roles over a 22-year period that focused on technology strategy and financial management. She serves as a director of The Mosaic Company, The Guardian Life Insurance Company of America and Brunswick Corporation and served on the board of directors of R.H. Donnelley Corporation from 2003 until 2009. She also serves as a trustee to the Anita Borg Institute for Women and Technology. Ms. Cooper joined our board on August 1, 2009.

David E. Kepler, 61, is the Executive Vice President, Chief Sustainability Officer and Chief Information Officer (CIO) of The Dow Chemical Company (Dow). Mr. Kepler joined Dow in 1975. He was appointed Vice President and CIO of Dow in 1998 and Corporate Vice President in 2001. At Dow, Mr. Kepler assumed responsibility for Business Services in 2004, was appointed Senior Vice President in 2006, with added responsibilities for the company's sustainability initiatives, and appointed Executive Vice President in February 2008. He also serves on the board of directors of TD Bank Group. Mr. Kepler is appointed to the U.S. National Infrastructure Advisory Council that advises the President on the protection of critical infrastructure and homeland security issues. He is on the board of the U.S. Chamber of Commerce and National Safety Council. In addition, he serves as a trustee of the University of California Berkeley and is the board chairman of the Mid-Michigan Innovation Center. He joined our board on November 1, 2007.

William S. Stavropoulos, 74, retired as director and Chairman of the Board of Dow on April 1, 2006. He had served in such capacity since November 2000. Mr. Stavropoulos was the President and Chief Executive Officer of Dow from 1995 to 2000 and was Chairman of the Board, President and Chief Executive Officer from 2002 to November 2004. He is the non-executive chairman of Univar, Inc., a global distributor of commodity and specialty chemicals. In addition, he is on the advisory boards for Metalmark Capital LLC, a private equity investment firm, and Maersk Inc., and is a trustee of the Fidelity Equity and High Income Funds. He also serves as a special advisor to Clayton, Dubilier & Rice, Inc., a private equity investment firm, is the president and founder of the Michigan Baseball Foundation, and serves as a trustee of the Rollin M. Gerstacker Foundation. Mr. Stavropoulos joined our board on September 6, 2007.

Other Directors*Class II – Current Terms Expiring in 2015:*

James M. Ringler, 68, was named Chairman of the Board of Teradata in September 2007. Mr. Ringler previously served as Chairman of the Board of NCR Corporation from July 25, 2005 to September 2007. From March 2005 to August 2005, Mr. Ringler served as NCR's President and Interim Chief Executive Officer, during which time he oversaw the Teradata Division of NCR, among other things, and worked with a number of the members of Teradata's current Leadership Team. He served as Vice Chairman of Illinois Tool Works Inc., a multi-billion dollar diversified manufacturer of highly engineered components and industrial systems, from 1999 until he retired in 2004. Prior to joining Illinois Tool Works, from 1997 to 1999, Mr. Ringler was Chairman of Premark International, Inc. He also served as Premark's Chief Executive Officer from 1995 to 1999 when it merged with Illinois Tool Works. Mr. Ringler serves as a director of Autoliv Inc., Dow, FMC Technologies, Inc., Ingredion Incorporated and John Bean Technologies Corporation. He joined our board on September 6, 2007.

Michael Koehler, 61, is President and Chief Executive Officer of Teradata. Previously, Mr. Koehler served as Senior Vice President, Teradata Division of NCR Corporation from 2003 to 2007. From September 2002

until March 2003, he was the Interim Teradata Division Leader, Teradata Division. From 1999 to 2002, Mr. Koehler was Vice President, Global Field Operations, Teradata Division, and held management positions of increasingly greater responsibility at NCR prior to that time. He serves as a director of Hertz Global Holdings, Inc. and joined our board in August 2007.

John G. Schwarz, 63, is the founder and Chief Executive Officer of Visier Inc., a business analytics software firm, a position he has held since April 2010. Previously, he served as Chief Executive Officer of SAP Business Objects, a unit of SAP AG, from January 2008 to February 2010, during which time he was a member of the executive board of SAP AG and also served on the board of directors of SAP Business Objects. From September 2005 until its acquisition by SAP AG in January 2008, he served as Chief Executive Officer of Business Objects S.A., a provider of business intelligence software and services. Mr. Schwarz served as President and Chief Operating Officer of Symantec Corporation, a provider of infrastructure security and storage management software, from December 2001 to September 2005. From January 2000 to November 2001, he served as President and Chief Executive Officer of Reciprocal Inc., which provided business-to-business secure e-commerce services for digital content distribution over the Internet. Prior to joining Reciprocal, Mr. Schwarz spent 25 years at IBM Corporation with his last position being General Manager of IBM's Industry Solutions unit, a worldwide organization focused on building business applications and related services for IBM's large industry customers. Mr. Schwarz serves as a director of Synopsys, Inc., and Avast Software, and served as a director of SuccessFactors, Inc. from September 2010 until June 2011. He is also a member of the Dalhousie University Advisory Board. He joined our board on September 20, 2010.

Class III - Current Terms Expiring in 2016:

Edward P. Boykin, 75, retired as the President and Chief Operating Officer of Computer Sciences Corporation (CSC), an information technology services company he joined in 1966, in June 2003. He had served in that capacity since July 2001. From 1998 to 2001, he held a number of senior management positions at CSC, including group president of its Financial Services Group from 1999 to 2001 and vice president of its Technology Management Group from 1998 to 1999. Mr. Boykin also serves on the board of directors of NCR Corporation and as Non-Executive Chairman of the Board of Engility Corporation, a government services company. He was Chairman of the Board of Capital TEN Acquisition Corp. from October 2007 to May 2008, and was a director of PlusOne Solutions, Inc. from October 2008 to October 2009. He joined our board on September 6, 2007.

Cary T. Fu, 65, is Chairman Emeritus of Benchmark Electronics, Inc. (Benchmark), a publicly-held electronics manufacturing services provider. He served as Chairman of the Board of Benchmark from 2009 until his retirement in December 2012 and had been a director of Benchmark since 1990. In December 2011, Mr. Fu retired as Benchmark's Chief Executive Officer, a position he held since September 2004. Prior to becoming Chief Executive Officer of Benchmark, he served as its President and Chief Operating Officer from May 2001 to September 2004, Executive Vice President from 1992 to 2001, and Executive Vice President, Financial Administration, from 1990 to 1992. He also serves on the board of directors of Littelfuse, Inc., and is a certified public accountant. He joined our board on July 29, 2008.

Victor L. Lund, 66, served as the non-executive Chairman of the Board of DemandTec, Inc., a publicly-held, on-demand applications company, from December 2006 until February 2012, and was a member of its board from April 2005 until that time. Mr. Lund served as Chairman of the Board of American Stores Company from 1995 until its acquisition by Albertson's, Inc. in June 1999, and as Chief Executive Officer of American Stores Company from 1992 until 1999. From 1999 until 2002, he served as Vice Chairman of Albertson's. In the last five years, Mr. Lund has served on the boards of Borders Group, Inc., Delta Air Lines, Inc., and Del Monte Foods Company. Prior to joining American Stores Company in 1977, Mr. Lund was a practicing certified public accountant. He also currently serves on the board of directors of Service Corporation International. He joined our board on September 6, 2007.

No family relationship exists among any of the directors, nominees or executive officers. No arrangement or understanding exists between any director, nominee, or executive officer and any other person pursuant to which any director, nominee or executive officer was selected as a director, nominee or executive officer of the Company.

ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS

The Board of Directors oversees the overall performance of the Company on your behalf. Members of the board stay informed of our business by participating in regularly scheduled board and committee meetings, through discussions with the Chief Executive Officer and other members of management and staff, and by reviewing other materials provided to them.

Corporate Governance

Our Board of Directors is elected by the stockholders to govern our business and affairs. The board selects the senior management team, which is charged with conducting our business. Having selected the senior management team, the board acts as an advisor to senior management and monitors its performance. The board reviews our strategies, financial objectives, operating plans, major risks, and plans for mitigating such risks. It also plans for management succession of the Chief Executive Officer, as well as other senior management positions, and oversees our compliance efforts.

Corporate Governance Guidelines

To help discharge its responsibilities, the Board of Directors has adopted Corporate Governance Guidelines on significant corporate governance issues. These guidelines address, among other things, such matters as director independence, committee membership and structure, meetings and executive sessions, and director selection, retirement, and training. The board's Corporate Governance Guidelines, which were updated in December 2013, are found on our corporate governance website at <http://www.teradata.com/governance-guidelines>. The board's independent directors meet regularly in executive session without management present and, as provided in the Corporate Governance Guidelines, the Board of Directors has selected the Chairman of the Board, who is an independent director, to preside at its executive sessions during 2014.

Board Independence and Related Transactions

We believe that the Company benefits from having a strong and independent board. For a director to be considered independent, the board must determine that the director does not have any direct or indirect material relationship with the Company that would affect his or her exercise of independent judgment. The Board of Directors has established independence standards as part of its Corporate Governance Guidelines. In general, the board must determine whether a director is considered independent, taking into account the independence guidelines of the New York Stock Exchange (NYSE) and the factors listed immediately following this paragraph (which are included as Exhibit B, Director Independence Standards, to the board's Corporate Governance Guidelines referenced above) in addition to those other factors it may deem relevant. No director may qualify as independent unless the board affirmatively determines (i) under the NYSE listing standards, that he or she has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us), and (ii) under our independence standards, that the director or director candidate does not have any direct or indirect material relationship with us. In connection with the recent updates to our Corporate Governance Guidelines, the board also revised the independence standards for directors to more closely align them with the NYSE listing standards. These standards now include the following minimum criteria:

1. A director will not be independent if:
 - (i) at any time during the last three years, he or she has been an employee of Teradata, or an immediate family member of the director has been an executive officer of Teradata;
 - (ii) he or she has received, or has an immediate family member who has received, during any 12-month period within the last three years, more than \$120,000 in direct compensation from Teradata, other than certain limited circumstances, including:
 - (a) compensation and other fees paid for service as a director, or
 - (b) compensation received by an immediate family member for service as an employee of Teradata (other than as an executive officer);

- (iii) he or she has certain relationships with any firm that serves as Teradata's internal or external auditor, including (a) the director is a current partner or employee of such firm; (b) the director has an immediate family member who is a current partner of such firm; (c) the director has an immediate family member who is a current employee of such firm and personally works on Teradata's audit; or (d) the director or an immediate family member of the director was within the last three years a partner or employee of such a firm and personally worked on Teradata's audit within that time;
 - (iv) at any time within the past three years, the director or his or her immediate family member has been employed as an executive officer of another company where any of Teradata's present executive officers at the same time serves or served on that company's compensation committee; or
 - (v) he or she is a current employee, or an immediate family member of the director is a current executive officer, of a company that has made payments to, or received payments from, Teradata for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues (in each case, as reported in the other company's last completed fiscal year).
2. A director will not be independent if he or she is an employee, or any member of the director's immediate family is an executive officer, of a company which is indebted to Teradata or to which Teradata is indebted, and the total amount of the indebtedness exceeds the greater of \$1,000,000 or 2% of the consolidated annual gross revenues of either company.
 3. A director will not be independent if he or she or any member of the director's immediate family is an officer, director or trustee of a charitable or other tax-exempt organization, and donations by Teradata during any single fiscal year to the charitable or other tax-exempt organization within the last three years exceeds the greater of \$1,000,000 or 2% of the organization's consolidated annual gross revenues.
 4. A relationship arising solely from a director's interest in another company or similar entity that is party to a transaction with Teradata will not be considered to be a material relationship with Teradata that would impair the director's independence if: (i) such interest arises only from: (a) the director's position as a director, trustee or similar position of such other company or entity, and/or (b) the direct or indirect ownership by the director and the director's immediate family members, in the aggregate, is less than 10% of the equity or similar ownership interest in such other company or entity, and (ii) the director is not involved in the negotiation of the terms of the transaction with Teradata and does not receive any special benefits as the result of the transaction.

The board's independence standards also provide for additional criteria for members of the Audit and Compensation and Human Resource Committees as required under applicable NYSE rules.

Our Board of Directors has affirmatively determined that all of our non-employee directors and nominees, namely Ms. Cooper and Messrs. Boykin, Fu, Kepler, Lund, Ringler, Schwarz, and Stavropoulos, meet the NYSE listing independence standards and our independence standards for the board and the committees on which they serve. In making this determination, the board considered transactions in 2013 and 2014 pursuant to which Dow purchased, or is planning to purchase, data analytic products and related professional services from Teradata with sales attributed to such purchases significantly below 2% of the annual revenues of either company. The board concluded that Mr. Kepler's relationship as an officer of Dow does not disqualify him from being deemed independent under these standards. There were no other transactions, relationships or arrangements in fiscal year 2013 that required review by the board for purposes of determining director independence.

Board Leadership Structure

While our Corporate Governance Guidelines do not require that our Chairman and Chief Executive Officer positions be separate, our board believes that having separate positions and having an independent director serve

as Chairman is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance. Our board is led by an independent Chairman, Mr. Ringler. Our Chief Executive Officer, Mr. Koehler, is the only member of the board who is not an independent director. We believe that this leadership structure enhances the accountability of the Chief Executive Officer to the board, strengthens the board's independence from management and benefits independent risk oversight of the Company's day-to-day risk management activities. In addition, separating these roles allows Mr. Koehler to focus his efforts on running our business and managing the Company in the best interests of our stockholders, while we are able to benefit from Mr. Ringler's prior experience as a chairman of other public company boards.

Board Oversight of Risk

Management is responsible for the Company's day-to-day risk management activities, and our board's role is to engage in informed risk oversight. In fulfilling this oversight role, our Board of Directors focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management process and overall risk management system. The board's committee structure and the collective knowledge and experience of its members promotes a broad perspective, open dialogue and useful insights regarding risk, thereby increasing the effectiveness of the board's role in risk oversight. There are a number of ways our board performs this function, including the following:

at its regularly scheduled meetings, the board receives management updates on our business operations, financial results, and strategy and discusses risks related to the business;

the Audit Committee assists the board in its oversight of risk management by overseeing the Company's enterprise risk management process and discussing with management, particularly, the Chief Financial Officer and Vice President, Enterprise Risk and Assurance Services, the Company's guidelines and policies regarding financial and enterprise risk management and risk appetite, including (i) major risk exposures, and the steps management has taken to monitor and control such exposures, and (ii) internal audit and ethics and compliance updates, as well as whistleblower updates, if any; and

through management updates and committee reports, the board monitors our risk management activities, including the enterprise risk management process, risks relating to our compensation programs, and financial and operational risks being managed by the Company.

Compensation Risk Assessment

Based on an analysis conducted by management and reviewed by the Compensation and Human Resource Committee, as well as our Audit Committee, we do not believe that our compensation programs for employees generally are reasonably likely to have a material adverse effect on the Company.

Executive Management Succession Planning

The Board of Directors has in place an effective planning process to assess successors to the Chief Executive Officer and other members of executive management. The Compensation and Human Resource Committee, in consultation with the Chief Executive Officer, annually reports to the board on management succession planning. The entire board works with the Compensation and Human Resource Committee and the Chief Executive Officer to evaluate potential successors to the Chief Executive Officer and other members of executive management on a planned and unplanned basis. The Chief Executive Officer annually provides to the Compensation and Human Resource Committee his recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals.

Code of Ethics

We have a Code of Conduct that sets the standard for ethics and compliance for all of our employees, including our officers, directors, chief accounting officer, and corporate controller. Our Code of Conduct is available on our corporate governance web site at <http://www.teradata.com/code-of-conduct>.

Section 16(a) Beneficial Ownership Reporting Compliance

To the best of our knowledge, during 2013, all of our executive officers and directors timely filed the reports required under Section 16(a) of the Securities Exchange Act of 1934.

Meetings and Meeting Attendance

The board and its committees met a total of 27 times last year. In 2013, each of the directors attended 75% or more of the total number of meetings of the board and the committee(s) on which he or she serves. In addition, under the board's Corporate Governance Guidelines, our directors are expected to attend our annual meeting of stockholders each year. Eight of our nine directors attended the 2013 annual meeting of stockholders.

Selection of Nominees for Directors

The Board of Directors and the Governance Committee are responsible for recommending candidates for membership to the board. The director selection process and director qualification guidelines are described in detail in the board's recently revised Corporate Governance Guidelines, which are posted on our corporate governance website at <http://www.teradata.com/governance-guidelines>.

In determining candidates for nomination, the Governance Committee will seek the input of the Chairman of the Board and the Chief Executive Officer and will consider individuals recommended for board membership by our stockholders in accordance with our bylaws and applicable law. In general, we desire to have a balanced group of directors that can perpetuate the Company's long-term success and represent stockholder interests generally through the exercise of sound business judgment using its diversity of experiences and perspectives. As part of the selection process, the board and the Governance Committee use the qualification factors listed in our Corporate Governance Guidelines and examine candidates' business skills and experience, personal integrity, judgment, and ability to devote the appropriate amount of time and energy to serving the best interests of stockholders, in addition to the objectives and desired composition of the board as a whole and the Company's current and future needs. Although we do not have a formal diversity policy, the Governance Committee and the board also consider the diversity needs of the board. Such considerations include the desire for diverse perspectives that can be gained through different professional experiences, backgrounds, and education, as well as gender, race or ethnic diversity. As described under the caption "Director Qualifications" on page 6 of this proxy statement, we believe our directors have very diverse perspectives, business skills, experience, and backgrounds.

Stockholders wishing to recommend individuals for consideration as directors should submit their suggestions in writing to the Corporate Secretary of the Company in accordance with the provisions of our bylaws which require the recommending stockholder to provide, among other things, the candidate's name, age, residential and business contact information, detailed biographical data and qualifications for service as a board member, the class or series and number of shares of Teradata's capital stock (if any) which are owned beneficially or of record by the candidate, a document signed by the candidate indicating the candidate's willingness to serve, if elected, and evidence of the stockholder's ownership of our stock. Recommendations by stockholders that are made in this manner will be evaluated in the same manner as other candidates. Stockholders who intend to nominate directors for election at our next annual meeting of stockholders must follow the procedures described in our bylaws, which are available on our corporate governance website at <http://www.teradata.com/articles-and-bylaws>. See

Procedures for Stockholder Proposals and Nominations on page 58 of this proxy statement for further details regarding how to nominate directors.

The directors nominated by the Board of Directors for election at the 2014 annual meeting were recommended by the Governance Committee. See "Director Qualifications and Nominees" on pages 6 through 9 of this proxy statement for further details regarding the reasons and director attributes supporting these nominations. All of these candidates for election are currently serving as our directors and have been determined by the board to be independent.

Under the board's Corporate Governance Guidelines, if any director who is nominated for election at the 2014 annual meeting is not re-elected by the required majority vote, such director is required to promptly offer his or her resignation. The Board of Directors, giving due consideration to the best interests of the Company and our stockholders, is required to evaluate the relevant facts and circumstances, including whether the underlying cause of the director's failure to receive the required majority vote can be cured, and make a decision on whether to accept the offered resignation. Any director who offers a resignation pursuant to this provision cannot participate in the board's decision process. The Board of Directors will promptly disclose publicly its decision and, if applicable, the reasons for rejecting the offered resignation. If the board accepts a director's resignation pursuant to this process, the Governance Committee will recommend to the Board of Directors whether to fill the resulting vacancy or reduce the size of the board.

COMMITTEES OF THE BOARD

Committee Structure and Responsibilities

Our Board of Directors has four committees: the Audit Committee, the Compensation and Human Resource Committee, the Committee on Directors and Governance, and the Executive Committee.

Audit Committee: The Audit Committee is the principal agent of the Board of Directors in overseeing our accounting and financial reporting processes and audits of our financial statements and internal controls, including assisting in the board's oversight of (i) the integrity of our financial statements, (ii) our compliance with ethical, legal and regulatory requirements, (iii) the qualifications, independence and performance of our independent registered public accounting firm, and (iv) the performance of our internal audit function.

The Audit Committee also:

is directly responsible for the appointment, compensation and oversight of our independent registered public accounting firm and pre-approving all audit services, as well as any audit-related, tax and other non-audit services, to be performed by such firm;

reviews and discusses with our independent registered public accounting firm its quality control procedures;

regularly reviews the annual audit plan of our independent registered public accounting firm, including the scope of audit activities, and monitors the progress and results of the annual audit;

meets with the independent registered public accounting firm, the internal auditors and management to review the adequacy of our internal controls and financial, accounting and reporting processes;

discusses with management and the independent registered public accounting firm our annual audited financial statements and unaudited quarterly financial statements, and recommends to the board that the audited financial statements be included in the Company's annual report filing with the SEC;

discusses with management and the independent registered public accounting firm (i) all critical accounting policies and practices used, (ii) any significant financial reporting issues and judgments made in connection with the preparation of our financial statements, including analyses of the effects of alternative accounting methods under generally accepted accounting principles that have been discussed with management and the treatment preferred by the independent registered public accounting firm, (iii) the effect of regulatory and accounting initiatives and off-balance sheet structures on our financial statements, and (iv) any other reports required by law to be delivered by the independent registered public accounting firm, including any management letter or schedule of unadjusted differences;

discusses management's plans with respect to our major financial and enterprise risk exposures;

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

receives periodic reports from our internal auditors on findings of fraud, if any, and its significant findings regarding the design and/or operation of internal control over financial reporting as well as management responses to such findings;

reviews our periodic SEC filings and our quarterly earnings releases;

oversees our ethics and compliance program;

prepares the committee report required pursuant to the rules of the SEC for inclusion in our proxy statements; and

reviews relationships between the Company and our independent registered public accounting firm or any of its subsidiaries to ascertain the independence of the external auditors.

The Audit Committee has four members, Messrs. Boykin, Fu, and Lund and Ms. Cooper, each of whom meets the NYSE listing independence standards, is independent under our recently-updated independence standards and financially literate, as determined by the board under applicable SEC and NYSE standards. In addition, the board has determined that all of the members of the Audit Committee are audit committee financial experts, as defined under SEC regulations. No member of the committee may receive any compensation, consulting, advisory or other fee from us, other than board compensation described below under the caption Director Compensation, as determined in accordance with applicable SEC and NYSE rules. Each Audit Committee member is limited to serving on the audit committees of two other public companies, unless the Board of Directors evaluates and determines that these other commitments would not impair the director's effective service to us.

A more detailed discussion of the committee's mission, composition, and responsibilities is contained in the Audit Committee Charter. A copy of this charter, which was last amended by the committee on July 23, 2013, can be found on our corporate governance website at <http://www.teradata.com/audit-committee-charter>. A report of the Audit Committee is set forth below on page 54 of this proxy statement.

Compensation and Human Resource Committee: In general, this committee (i) discharges our board's responsibilities relating to the compensation of our executives, (ii) provides general oversight of our management compensation philosophy and practices, benefit programs, and strategic workforce initiatives, (iii) oversees succession planning and leadership development activities, and (iv) reviews and approves our overall compensation principles, objectives and programs covering executive officers and key management employees as well as the competitiveness of our total executive officer compensation practices. The Compensation and Human Resource Committee also:

evaluates and reviews the performance levels of our executive officers in light of the Company's goals and objectives and determines base salaries and equity and incentive awards for such officers;

establishes the annual goals and objectives of the Chief Executive Officer, after consulting with the independent members of the board;

at executive session of the Board of Directors, discusses its evaluation of, and determination of compensation for, the Chief Executive Officer based on the Chief Executive Officer's performance against annual goals and objectives;

reviews and, as needed, recommends to our Board of Directors for approval our executive compensation plans, including incentive compensation plans, and all equity-based compensation plans;

oversees our plans for management succession and development and, on an annual basis, assists the Board of Directors in reviewing and monitoring succession planning, particularly with respect to the Chief Executive Officer;

reviews and discusses with management the disclosures in our proxy statements with respect to executive compensation policies and procedures and produces the committee's annual report related to such disclosure for inclusion in our proxy statements;

reviews management s proposals to make significant organizational changes or significant changes to existing executive officer compensation plans;

reviews the stock ownership guidelines and compliance of the Chief Executive Officer and other executive officers with such guidelines;

exercises administrative and oversight functions assigned to the committee under the Company's various benefit plans, including the Company's 401(k) plan;

oversees the Teradata Benefits Committee to which it delegated oversight and management responsibilities for U.S.-based employee benefit plans;

periodically reviews and monitors the Company's diversity and inclusion practices; and

reviews and makes recommendations to the board with respect to stockholder approval of executive compensation (say-on-pay votes) and the frequency of say-on-pay votes, including review of stockholder feedback as appropriate.

The Compensation and Human Resource Committee has three members, Messrs. Ringler, Schwarz and Stavropoulos, each of whom the Board of Directors has determined meets the NYSE listing independence standards and our recently-updated independence standards. The committee may form subcommittees with authority to act on the committee's behalf as it deems appropriate and has delegated authority to our Chief Executive Officer, as a member and subcommittee of our board, to award equity to individuals other than executive officers in limited instances. In addition, the Chief Executive Officer conducts annual performance evaluations of executives and, after consulting with the Chief Human Resource Officer, provides this committee with his assessments and recommendations with respect to the amount and form of compensation for such executives.

In July 2013, this committee extended the engagement of Semler Brossy Consulting Group, LLC as its outside compensation consultant to assist the committee in the development of our executive compensation and benefit programs, including the amount and form of such compensation, and in the evaluation of our Chief Executive Officer. The rules for the use of the compensation consultant by the committee and management include the following: (i) only the committee and its Chair can hire or fire the consultant; (ii) on an annual basis, the consultant will provide the committee with a letter of the projected scope of services for the year; (iii) the consultant's work will be coordinated with our Chief Human Resource Officer and any project undertaken at management's request will be with the knowledge and consent of the committee Chair; (iv) the consultant will have direct contact with the committee; and (v) the committee will evaluate the performance of the consultant on an annual basis. In 2013, management did not engage the outside compensation consultant to perform any services for the Company. Moreover, the Compensation and Human Resource Committee reviewed the independence of the consultant in light of SEC rules and NYSE listing standards regarding compensation consultants and has concluded that the firm's work for the committee and for the Governance Committee is independent and does not raise any conflicts of interest. A more detailed discussion of the committee's mission, composition, and responsibilities is contained in the Compensation and Human Resource Committee Charter, which was last amended on April 29, 2013, and is available on our corporate governance website at <http://www.teradata.com/compensation-committee-charter>. A report of the committee is set forth below in the Compensation Discussion and Analysis beginning on page 24 of this proxy statement.

Committee on Directors and Governance: This committee is responsible for reviewing the board's corporate governance practices and procedures, and:

establishes procedures for evaluating the performance of the Board of Directors and oversees such evaluation;

reviews the composition of our Board of Directors and the qualifications of persons identified as prospective directors, recommends to the board the candidates to be nominated for election as directors, and, in the event of a vacancy on the board, recommends any successors;

reviews and makes recommendations to the board concerning non-employee director compensation;

sees that proper attention is given, and appropriate responses are made, to stockholder concerns regarding corporate governance matters; and

oversees the Company's Related Person Transactions Policy and Corporate Governance Guidelines.

The Governance Committee has directly engaged Semler Brossy Consulting Group, LLC as its consultant to review our director compensation program in prior years. However, because the committee did not make any changes to such program in 2013, it did not engage a compensation consultant last year.

The Governance Committee is composed entirely of independent directors, Messrs. Kepler, Ringler and Stavropoulos. The committee approved the nomination of the candidates reflected in Proposal 1. A more detailed discussion of the committee's mission, composition and responsibilities is contained in its charter, which was last amended on July 23, 2013, and is available on our corporate governance website at <http://www.teradata.com/committee-on-directors-and-governance-charter>.

Executive Committee: The Executive Committee has four members, Messrs. Koehler, Lund, Ringler, and Stavropoulos. This committee has the authority to exercise all powers of the full Board of Directors, except those prohibited by applicable law, such as amending the bylaws or approving a merger that requires stockholder approval. This committee meets between regular board meetings if urgent action is required.

* Chair

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During our fiscal year 2013, no member of the Compensation and Human Resource Committee was a current or former officer or employee of the Company. None of our executive officers served as a member of the compensation committee (or board of directors serving the compensation function) or director of another entity where such entity's executive officers served on our Compensation and Human Resource Committee or board.

COMMUNICATIONS WITH DIRECTORS

Stockholders and interested parties wishing to communicate directly with our Board of Directors, any individual director, the Chairman of the Board, or our non-management or independent directors as a group are welcome to do so by writing our Corporate Secretary at Teradata Corporation, 10000 Innovation Drive, Dayton, Ohio 45342. The Corporate Secretary will forward any communications as directed. Any matters reported by stockholders or interested parties relating to our accounting, internal accounting controls or auditing matters will be referred to members of the Audit Committee as appropriate. Anonymous and/or confidential communications with the Board of Directors may also be made by writing to this address. For more information on how to contact our board, please see our corporate governance website at <http://www.teradata.com/contact-the-board>.

RELATED PERSON TRANSACTIONS

Our Related Person Transactions Policy was adopted by the Board of Directors in 2007, and the board approved minor amendments to the policy in January 2013. Under this policy, the board's Governance Committee is responsible for reviewing and approving each transaction in which Teradata was a participant involving or potentially involving an amount in excess of \$120,000 and in which a related person had a material interest. A related person is any director or executive officer, any immediate family member of a director or executive officer, a 5% or more stockholder, and any immediate family member of a 5% or more stockholder.

This policy provides for approval or ratification of each related person transaction in accordance with the procedures and policies discussed below (i) by our Governance Committee, or (ii) if the Governance Committee determines that the approval or ratification of such related person transaction should be considered by all of the disinterested members of the Board of Directors, by a majority vote of the disinterested members of the board.

The policy provides for our General Counsel to advise the Chair of the Governance Committee of any potential related person transaction involving in excess of \$120,000 of which the General Counsel becomes aware, including management's assessment of whether the related person's interest in the potential related person transaction is material. The Governance Committee is required to consider such potential related person transaction, including whether the related person's interest in the potential related person transaction is material, unless the Governance Committee determines that the approval or ratification of such potential transaction should be considered by all of the disinterested members of the Board of Directors, in which case such disinterested members of the board will consider the potential transaction. Except as set forth below, we will not enter into a related person transaction that is not approved in advance unless the consummation of such transaction is expressly subject to ratification.

If we enter into a transaction that we subsequently determine is a related person transaction or a transaction that was not a related person transaction at the time it was entered into but thereafter becomes a related person transaction, then in either such case the related person transaction must be presented to the Governance Committee or the disinterested members of the Board of Directors, as applicable, for ratification. If the related person transaction is not ratified, then we are required to take all reasonable actions to attempt to terminate our participation in the transaction.

Factors that are reviewed by the Governance Committee or the Board of Directors, as applicable, include: the size of the transaction and the amount payable to a related person; the nature of the interest of the related person in the transaction; whether the transaction may involve a conflict of interest; whether the transaction is fair to the Company; whether the transaction might impair independence of an outside director of the Company; and whether the transaction involves the provision of goods or services to us that are available from unaffiliated third parties and, if so, whether the transaction is on terms and made under circumstances that are at least as favorable to us as would be available in comparable transactions with or involving unaffiliated third parties.

STOCK OWNERSHIP

Ownership by Officers and Directors

This table shows our common stock beneficially owned as of February 1, 2014, by each named executive officer included in the Summary Compensation Table found on page 36 of this proxy statement, each non-employee director, and the directors and executive officers as a group. As of that date, none of our directors or executive officers beneficially owned more than 1.0% of the issued and outstanding shares of our common stock. As a group, such directors and executive officers beneficially owned 2.4% of such stock.

Name	Total Shares Beneficially Owned ⁽¹⁾	Shares Covered by Options ⁽²⁾	% of Class Beneficially Owned ⁽³⁾

- (1) Unless otherwise indicated, total voting power and total investment power are exercised by each individual and/or a member of his or her household. This column includes: (i) shares covered by options that are exercisable within sixty days of February 1, 2014 (as listed in the Shares Covered by Options column); (ii) shares granted to directors, the receipt of which have been deferred, as follows: Mr. Boykin, 33,623 shares; Mr. Lund, 11,628 shares; and Mr. Stavropoulos, 16,787 shares; and (iii) vested restricted share units, the receipt of which have been deferred, as follows: each of Messrs. Boykin and Lund, 21,428 units; Mr. Fu, 14,671 units; Mr. Ringler, 5,192 units; and Mr. Schwarz, 11,037 units.

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

- (2) Includes shares that the executive officer or director or his or her respective family members have the right to acquire through the exercise of stock options within sixty days after February 1, 2014. These shares are also included in the Total Shares Beneficially Owned column.
- (3) The total number of shares of our common stock issued and outstanding as of February 1, 2014 was 159,224,475.
- (4) Includes 31,974 shares held indirectly through a grantor retained annuity trust and 11,305 shares held indirectly through a limited liability company.

(5) Includes 2,000 shares held by Mr. Stavropoulos spouse.

(6) Includes 11,128 shares attributable to units held by Mr. Koehler in a unitized stock fund under the Teradata 401(k) Savings Plan, 4,000 shares held jointly by Mr. Koehler and his spouse, 110,000 shares held indirectly through Koehler family trusts, and 45,000 shares held indirectly through a grantor retained annuity trust.

Other Beneficial Owners of Teradata Common Stock

To the best of our knowledge, based on filings with the SEC made by beneficial owners of our stock, the following stockholders beneficially own more than 5% of our outstanding common stock.

Name and Address of Beneficial Owner	Total Number of Shares	Percent of Class ⁽¹⁾
The Vanguard Group ⁽²⁾ 100 Vanguard Blvd., Malvern, Pennsylvania 19355	11,045,681	6.94%
BlackRock, Inc. ⁽³⁾ 40 East 52 nd Street, New York, New York 10022	10,383,133	6.52%
Janus Capital Management LLC ⁽⁴⁾ 151 Detroit Street, Denver, Colorado 80206	9,293,805	5.84%
First Eagle Investment Management, LLC ⁽⁵⁾ 1345 Avenue of the Americas, New York, New York 10105	8,424,651	5.29%

(1) Percent of class is based on 159,224,475 shares of Teradata common stock issued and outstanding as of February 1, 2014.

(2) Information is based on Amendment No. 3 to Schedule 13G filed by The Vanguard Group with the SEC on February 12, 2014. According to this filing, The Vanguard Group has sole dispositive power over 10,795,374 shares, shared dispositive power over 250,307 shares and sole power to vote 272,507 shares. According to this filing, (i) Vanguard Fiduciary Trust Company, a wholly-owned subsidiary of The Vanguard Group, Inc. and a registered investment adviser, is the beneficial owner of 209,607 shares as a result of its serving as investment manager of collective trust accounts, and (ii) Vanguard Investments Australia, Ltd., a wholly-owned subsidiary of The Vanguard Group, Inc. and a registered investment adviser, is the beneficial owner of 103,600 shares as a result of its serving as investment manager of Australian investment offerings.

(3) Information is based on Amendment No. 5 to Schedule 13G filed by BlackRock, Inc. with the SEC on February 10, 2014, which reported sole voting power over 7,984,873 and sole dispositive power over 10,383,133 shares. According to this filing, these shares are beneficially owned by the following subsidiaries of Blackrock, Inc.: BlackRock Advisors, LLC, BlackRock Fund Management Ireland Limited, BlackRock Financial Management, Inc., BlackRock Investment Management, LLC, BlackRock Investment Management (Australia) Limited, BlackRock (Luxembourg) S.A., BlackRock (Netherlands) B.V., BlackRock Fund Managers Limited, BlackRock Life Limited, BlackRock Asset Management Canada Limited, BlackRock Asset Management Ireland Limited, BlackRock Advisors (UK) Limited, BlackRock Fund Advisors, BlackRock International Limited, BlackRock Institutional Trust Company, N.A., Black Rock Japan Co. Ltd., and BlackRock Investment Management (UK) Limited.

(4) Information is based on Schedule 13G filed by Janus Capital Management LLC with the SEC on February 14, 2014, which reported sole voting and dispositive power with respect to 9,285,805 shares held in investment accounts to which it serves as investment adviser or sub-advisor and showed voting and dispositive power with respect to 8,000 shares held in investment accounts to which INTECH Investment Management (96.7% owned by Janus) serves as adviser or sub-advisor.

(5) Information is based on Schedule 13G filed by First Eagle Investment Management, LLC with the SEC on February 14, 2014, which reported sole voting power over 8,161,918 and sole dispositive power over 8,424,651 shares.

DIRECTOR COMPENSATION

Teradata's Director Compensation Program is designed to enhance our ability to attract and retain highly qualified directors and to align their interests with the long-term interests of our stockholders. The program consists of both a cash component, designed to compensate independent directors for their service on the board and its committees, and an equity component, designed to align the interests of independent directors and stockholders. Mr. Koehler receives no compensation for his service on the board.

Annual Retainer

Under the Director Compensation Program, for the 2013-2014 board year (the period between the Company's annual stockholders' meetings), each non-employee member of Teradata's board receives an annual retainer of \$50,000. The Chairman of the Board of Directors (Mr. Ringler) receives an additional retainer of \$100,000, and each director serving on the Audit Committee receives an additional retainer of \$5,000. The Chair of the Governance Committee receives an additional retainer of \$10,000. The Chair of the Audit Committee receives an additional retainer of \$20,000 and the Chair of the Compensation and Human Resource Committee receives an additional retainer of \$15,000.

Prior to January 1 of each year, a director may elect to receive all or a portion of his or her annual retainer in Teradata common stock instead of cash. In addition, a director may elect to defer receipt of shares of common stock payable in lieu of cash. Payments for deferred stock may be made only in shares of Teradata common stock.

Annual Equity Grant

The Director Compensation Program provides that on the date of each annual meeting of stockholders each non-employee director will be granted restricted share units (RSUs) and/or stock options to purchase a number of shares of Teradata common stock in an amount determined by the Governance Committee and approved by the board. For the 2013-2014 board year, each of the non-employee directors received an annual equity grant consisting of RSUs with a total dollar value of \$250,000. The RSUs vest in four equal quarterly installments commencing three months after the grant date, and directors may elect to defer receipt of the shares of common stock payable when the RSUs vest.

Initial Equity Grant

The Director Compensation Program also provides that upon initial election to the board, each non-employee director will receive a grant of RSUs. A director may elect to defer receipt of the shares of common stock that would otherwise be received upon vesting of RSUs. The RSUs vest in four equal quarterly installments commencing three months after the grant date. Payment is made only in Teradata common stock.

No director received an initial equity grant during 2013.

Mid-Year Equity Grant

The Director Compensation Program also provides the board with the discretion, based on the recommendation of the Governance Committee, to grant mid-year equity grants in the form of stock options and/or awards of restricted stock or RSUs to directors who are newly elected to the board after the annual meeting of stockholders. If a mid-year equity grant is made in the form of RSUs, a director may elect to defer receipt of the shares of common stock that would otherwise be received upon vesting. Option grants made in connection with a mid-year equity grant will be fully vested and exercisable on the first anniversary of the grant. Restricted share unit grants made in connection with a mid-year equity grant vest in four equal quarterly installments commencing three months after the grant date. Payment is made only in Teradata common stock.

No director received a mid-year equity grant during 2013.

Benefits

We do not provide any retirement or other benefit programs for our directors. However, directors may have their spouses or immediate family members accompany them on our aircraft when traveling on approved business trips although this did not occur in 2013, and Mr. Koehler is permitted to use the corporate aircraft for personal use.

2013 Director Compensation Table

The following table provides information on compensation paid to our non-employee directors in 2013.

Name	Fees Earned or Paid in Cash ⁽¹⁾ (\$)	Stock Awards ⁽²⁾ (\$)	Option Awards ⁽³⁾ (\$)	Total (\$)
James M. Ringler, Chairman		392,262		392,262
Edward P. Boykin		297,332		297,332
Nancy E. Cooper	55,000	242,173		297,173
Cary T. Fu	55,000	242,173		297,173
David E. Kepler	50,000	242,173		292,173
Victor L. Lund	75,000	242,173		317,173
John G. Schwarz	65,000	242,173		307,173
William S. Stavropoulos		302,265		302,265

- (1) Represents the annual cash retainer earned for 2013. Mr. Boykin elected to receive his cash retainer in deferred shares payable as described in footnote 2 below. Messrs. Ringler and Stavropoulos elected to receive their cash retainers in current shares. These deferred and current shares are reported in the Stock Awards column.
- (2) This column shows the aggregate grant date fair value, as determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation Stock Compensation, of RSU awards, deferred shares (also referred to as phantom shares) paid in lieu of cash annual retainers, and current shares paid in lieu of the cash annual retainers, in each case in 2013. See Note 5 of the Notes to Consolidated Financial Statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 (our 2013 Annual Report) for an explanation of the assumptions we made in the valuation of these awards. The grant date fair value of the annual award for the 2013-2014 board year is \$242,173.
- The number of RSUs and deferred shares outstanding as of December 31, 2013, for each of the non-employee directors is as follows: Mr. Ringler, 50,874; Mr. Boykin, 56,225; Ms. Cooper, 5,310; Mr. Fu, 19,981; Mr. Kepler, 19,705; Mr. Lund, 34,230; Mr. Schwarz, 12,211; and Mr. Stavropoulos, 19,135.
- (3) There were no options granted to the non-employee directors for the 2013-2014 board year. The number of shares underlying each option award outstanding as of December 31, 2013 for each of the non-employee directors is as follows: Mr. Ringler, 84,771; Mr. Boykin, 46,388; Ms. Cooper, 18,642; Mr. Fu, 29,312; Mr. Kepler, 13,206; Mr. Lund, 0; Mr. Schwarz, 9,423; and Mr. Stavropoulos, 23,954.

Director Stock Ownership Guidelines

Under the board's Corporate Governance Guidelines, each director should hold stock valued at no less than five times the amount of the annual retainer paid to such director within five years after he or she is first elected to the Teradata Board of Directors. Stock or stock units beneficially owned by the director, for which beneficial ownership is not disclaimed, including stock or stock units held in a deferral account, should be taken into account. However, for this purpose, the board does not believe it appropriate to include stock options granted to directors by the Company. Each director has exceeded his or her required ownership level.

NO INCORPORATION BY REFERENCE

In our filings with the SEC, information is sometimes incorporated by reference. This means that we are referring you to information that has previously been filed with the SEC and the information should be considered as part of the particular filing. As provided under SEC regulations, the following Board Compensation and Human Resource Committee Report on Executive Compensation and the Board Audit Committee Report contained in this proxy statement specifically are not incorporated by reference into any other filings with the SEC and shall not be deemed to be Soliciting Material under SEC rules. BOARD COMPENSATION AND HUMAN RESOURCE COMMITTEE REPORT ON

EXECUTIVE COMPENSATION

The Compensation and Human Resource Committee of the Board of Directors (the Committee) manages the Company's compensation programs on behalf of the Board of Directors. The Committee reviewed and discussed with the Company's management the Compensation Discussion and Analysis included in this proxy statement. In reliance on the review and discussions referred to above, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

Dated: February 26, 2014

The Compensation and Human Resource Committee:

John G. Schwarz, Chair

James M. Ringler, Member

William S. Stavropoulos, Member

COMPENSATION DISCUSSION AND ANALYSIS

Overview

This Compensation Discussion and Analysis provides information about our compensation program for our named executive officers. The Company's named executive officers for 2013 were:

Michael Koehler	President and Chief Executive Officer
Stephen Scheppmann	EVP and Chief Financial Officer
Hermann Wimmer	EVP, International
Robert Fair	EVP and Chief Marketing and Information Officer
Daniel Harrington	EVP, Global Consulting and Support Services
Darryl McDonald	EVP, Applications

Section 1: 2013 Compensation Highlights

Adjustments in 2013

Effective January 2013, the Company implemented a new organizational structure which emphasized greater accountability and focus on strategic initiatives. As a result of the restructuring, management roles and responsibilities for certain named executive officers were changed as follows:

Herman Wimmer leads the new International region, which combined the Company's Europe/Middle East/Africa and Asia Pacific/Japan geographic business regions.

Robert Fair leads the newly combined Strategy, Marketing, and Information Technology organization.

Daniel Harrington leads our services organization, which combined our Global Consulting Services and Global Support Services.

Darryl McDonald leads the expanded Applications business, which includes the recent acquisitions of Aprimo and eCircle.

In connection with this restructuring, and after reviewing competitive market data, in early 2013 the Compensation and Human Resource Committee of the Board of Directors (the Compensation Committee or Committee) increased the total direct compensation levels of named executive officers. This increase was made in recognition of the increased roles of certain executives and to assist in the retention of our management team by moving compensation levels closer to the median of our peer group. The adjustments to total direct compensation made in 2013 are summarized as follows:

Element	2013 Adjustment
Base Salary	The Committee increased Mr. Koehler's base salary by \$100,000 – the first increase to his salary since Teradata became a public company in 2007. This 14% increase generally aligned Mr. Koehler's base salary with the median of our peer group and was intended to recognize his strong performance as Chief Executive Officer over the past several years. The Committee increased the base salaries for the other named executive officers by approximately 8%. In light of these increases and in connection with our expense management initiatives for 2014, no salary increases are planned for 2014.
Annual Incentives	The Committee increased the target annual incentive award opportunity for each named executive officer, other than Mr. Wimmer and Mr. Koehler, from 90% to 100% of base salary. 2013 was the first year that Mr. Wimmer participated in the annual incentive program; and, consistent with the principles of internal pay equity, his target annual incentive was established at 100% of base salary for the year. There was no change to Mr. Koehler's target annual incentive award opportunity, which remained at 125% of base salary.
Long-Term Incentives	The Committee maintained the same target dollar long-term incentive opportunities in December 2013, because: (i) the long-term incentive levels remain consistent with market practices and reflect our pay-for-performance culture; and (ii) they had been increased at the end of 2012 in connection with the annual and special equity awards granted in connection with the management restructuring.

Performance Commitment

As in previous years, stockholders continued to show strong support for our executive compensation program by approving the compensation of our named executive officers by a vote of approximately 97% of the shares represented by person or proxy at the 2013 Annual Meeting. The Compensation Committee views this result as confirmation that our compensation program, with its emphasis on pay-for-performance, is structured and designed to achieve our stated goals.

In this regard, our 2013 financial performance fell short of our operating plans for the year, which had a material impact on the payout levels under the Company's incentive compensation programs consistent with our pay-for-performance philosophy.

Element	Payout Level	Performance Commitment
2013 Annual Incentives	37.5%	We did not achieve our threshold GAAP revenue and non-GAAP operating income goals, and therefore each named executive officer received no payout for 70% of his annual incentive that was allocated to financial goals. The resulting payout percentage for the 2013 annual incentive was only 37.5% of the target payout level, which reflected our achievement of certain strategic objectives. Our performance under the annual incentive plan is described in more detail in section 3 of this CD&A.
2013 Long-Term Incentives	0%	We did not achieve our threshold GAAP revenue and non-GAAP earnings per share goals, and therefore none of the named executive officers earned any shares under their 2012-2013 performance-based restricted share unit awards. Our performance under these awards is described in more detail in section 3 of this CD&A.

Section 2: Compensation Philosophy, Policies and Practices

Our executive compensation program is designed to achieve the Company's goal of attracting, retaining and developing global business leaders with proven capabilities to drive financial and strategic growth, while also delivering long-term stockholder value. We focus on providing compensation opportunities that are aligned with our stockholders' interests, promote sound governance practices, and deliver pay-for-performance. The Committee has also implemented policies and practices to reduce compensation risks and align compensation with industry norms.

What We Do

Promote Pay-For-Performance: Our Company believes in a pay-for-performance culture. In 2013, approximately 70% of the target total direct compensation for our Chief Executive Officer, and 64% for the other named executive officers, was performance-based (consisting of annual incentives, performance-based restricted share units and stock options).

Establish Competitive Compensation Levels: We target the total direct compensation for our named executive officers at levels that are competitive in the high technology industry. We also strive to maintain internal pay equity among our executives in order to retain, motivate and, as necessary, attract executive talent.

Maintain a Double Trigger : Our change in control arrangements provide benefits on a double trigger, meaning that the severance benefits are paid, and equity awards vest, only if our executives incur a qualifying termination in connection with a change in control.

What We Do

Minimize Compensation Risks: We periodically review our compensation program to confirm that our compensation policies and practices are not encouraging excessive or inappropriate risk taking by our employees. Potential incentive payouts are capped and we retain discretion to adjust payouts based on the quality of Company and individual performance and adherence to our ethics and compliance programs.

Require Holding Periods for Performance Awards: We subject a meaningful portion of earned performance-based restricted share units to a time-based vesting schedule following the end of the performance period. This practice encourages our executives to generate performance results that translate into sustained, long-term stockholder value.

Impose Robust Stock Ownership Guidelines: Our stock ownership guidelines require our executives to achieve robust ownership requirements, ranging from 115,000 to 35,000 shares (excluding options and unvested performance share units) for our Chief Executive Officer and other named executive officers, respectively. These guidelines encourage our executives to maintain a meaningful equity interest in the Company and a shared commitment to value creation, while satisfying their needs for portfolio diversification. Each named executive officer has exceeded his required ownership level. Our stock ownership guidelines also require periodic review by the Committee to ensure they are consistent with market and peer group practices.

Maintain a Clawback and Harmful Activity Policy: We maintain a Compensation Recovery Policy (commonly referred to as a clawback policy), which generally provides that the Company may recover performance-based compensation if payout was based on financial results that were subsequently restated. The policy supports the accuracy of our financial statements and helps to align the interests of our named executive officers with those of our stockholders. We also retain the right to cancel outstanding equity awards and recover realized gains if executives engage in certain harmful activity, such as violating a non-competition or non-solicitation covenant.

Retain an Independent Consultant: The Committee retains an independent consultant to assist in developing and reviewing our executive compensation strategy and to confirm that the design and pay levels of our compensation programs are consistent with market practices.

Maintain a Tax Deductibility Policy: Our annual incentive opportunity, stock options and performance-based restricted share units granted in 2013 were intended to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code and thus be fully deductible for federal income tax purposes. However, should the Committee believe it is in the stockholders' best interests to grant non-deductible compensation, the Committee retains the flexibility to do so.

Review Share Utilization: We regularly review overhang levels (the dilutive impact of equity awards on our stockholders) and run rates (the aggregate shares awarded as a percentage of total outstanding shares) and maintain levels well below industry norms.

What We Don't Do

No Excise Tax Gross-Ups: Our management is not entitled to receive any gross up payments related to excise taxes that may be imposed in connection with golden parachute arrangements under the Company's change in control severance plan.

No Hedging or Pledging of Company Stock: Our insider trading policy restricts our employees, officers and directors from engaging in hedging transactions involving Teradata stock or from pledging Teradata securities.

No Perquisite Program: We do not provide perquisites to any of our named executive officers in the United States and generally do not provide perquisites to our non-U.S. executives. Mr. Wimmer, who lives and works in Germany, does receive limited benefits that are part of our broader benefits program to our management team in Europe, including the use of a company car.

No Timing of Equity Grants: We maintain a disciplined equity approval policy. We do not grant equity awards in anticipation of the release of material, non-public information. Similarly, we do not time the release of material, non-public information based on equity grant dates. Under our equity grant approval policy, we generally grant annual equity awards at the regular meeting of the Compensation Committee that occurs during the period beginning on the later of (i) two days after we announce our third quarter results or (ii) the date we file our third quarter report on Form 10-Q, and ending on December 15.

Section 3: Core Compensation Program

The following is a brief summary of each element of our core compensation program for our named executive officers.

Base Salary

We provide a base salary to retain and, as necessary, attract key executive talent and to align our compensation with market practices. Base salaries are reviewed and established by the Committee on a competitive basis each year.

Annual Incentive (Annual Bonus Awards)

All of our named executive officers participate in the Teradata Corporation Management Incentive Plan (the "MIP"). In general, the annual incentive plan for our named executive officers has the same design as the program for our general employee population so that all non-sales/consulting employees are focused on the same performance metrics across the Company.

The MIP provides annual incentive opportunities for each named executive officer based on an incentive formula: 1.5% for the Chief Executive Officer and 0.75% for the other named executive officers of our earnings before income and taxes ("EBIT"). EBIT was selected as the appropriate performance measure since the level of EBIT reflects the operating strength and efficiency of the Company.

The EBIT incentive formula establishes the maximum amount payable each year under the MIP for each named executive officer; but the executives are not assured of earning this maximum amount, and it was not paid in prior years. Instead, the Committee has the authority to reduce the annual amount payable under the EBIT incentive formula based on its assessment of the extent to which certain financial and strategic goals are achieved under our annual bonus program, as described below. The Committee also retains discretion to adjust payouts based on the quality of Company and individual performance and adherence to our ethics and compliance programs, among other things.

Total payouts under the annual bonus program are determined by the weighted measure of three different components: revenue, operating income, and strategic measures. No single component is given disproportionate weight and each has a specific business objective.

Measure	Weight	Business Objective
Revenue based on generally accepted accounting principles (GAAP)	35%	Reward our executives if they achieve revenue growth objectives
Non-GAAP Operating Income as reported in 2013 earnings releases (i.e., excluding stock-based compensation expenses and other special items)	35%	Incent our executives to deliver attractive contribution margins and stockholder value
Strategic Objectives	30%	Motivate our executives to (i) grow data warehouse and big data analytics technologies and market share, (ii) grow applications and integrated marketing management software market share, and (iii) continue to improve operational excellence

GAAP Revenue and Non-GAAP Operating Income

The Compensation Committee established targets for GAAP revenue and non-GAAP operating income in February 2013. To reinforce our pay-for-performance culture, the 2013 target levels of performance for the revenue and operating income goals represented 10% and 11% increases, respectively, over actual 2012 results. In addition, the maximum payout levels for 2013 were set at relatively high levels compared to actual 2012 results: increases of 27% and 30%, respectively.

We did not achieve our threshold levels for the 2013 financial measures, and therefore our named executive officers did not receive any payout with respect to those goals. The following chart sets forth the GAAP revenue and non-GAAP operating income targets for 2013 and related achievement levels.

Financial Measure (in millions)	200%			Actual Performance	Achievement Level
	0% (Threshold)*	100% (Target)	(Maximum)		
(70% of total weighting for payout)					
GAAP revenue	\$ 2,815	\$ 2,931	\$ 3,391	\$ 2,692	0%
Non-GAAP operating income	\$ 695	\$ 752	\$ 882	\$ 641	0%

* No payout can be earned for either financial measure if the threshold level of operating income is not achieved.

Please see the discussion under the heading *Determination of Performance* on page 32 for a more detailed description of the financial measures and the calculation of actual performance results after a minor pre-approved adjustment.

Strategic Objectives

Unlike the financial goals, the Committee did not use pre-established targets, weightings or formulas to determine the payout level with respect to the strategic objectives. Rather, the payout level for such objectives

was based on the Committee's discretionary assessment of actual performance relative to an overall mix of strategic performance criteria, such as:

investing in and growing our data warehouse and big data analytics business by enhancing technologies, adding new accounts, expanding sales territories and enhancing their effectiveness, and increasing our status as a market leader;

growing our applications and integrated marketing management software business by advancing technologies, enhancing integration, establishing new accounts, and increasing our status as a market leader; and

continuing to improve operational excellence by achieving expense and product cost efficiencies, improving our product delivery and quality metrics, and maintaining our leadership position as an ethical company.

In January 2014, the Committee considered a number of performance factors, including those described above, to assess the attainment of the strategic measures for 2013. In particular, during 2013, we continued to advance our leading technologies by achieving key program milestones and increasing our research and development investments, growing our sales territories and increasing new account wins over prior year, increasing sales expertise support, growing revenue in key areas such as our big data analytics offerings, again being recognized as a leader in the data warehouse and integrated marketing management markets as well as for having a world-class ethics and compliance program, and generally exceeding our operational goals such as our system availability and cost erosion objectives. Based on its review of these factors, among other things, the Compensation Committee determined the payout level with respect to the strategic objectives, without using specific targets, weightings or formulas in reaching its conclusion. The Committee then reviewed its assessment of the appropriate payout level with the independent members of the full Board of Directors and concluded that a payout above target (*i.e.*, of 125%) in respect of these measures for the named executive officers was appropriate under the circumstances given management's strong execution on growth initiatives and longer-term strategic investments that position the Company well for future financial growth.

Payouts of Annual Incentives

Each named executive officer was entitled to a payout under the annual incentive plan equal to 37.5% of his target bonus opportunity, which reflected 0% for the financial measures and the achievement of 125% for the strategic measures. The amount of the 2013 annual incentive payments is set forth in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table of this proxy statement on page 36.

For more information on the 2013 annual bonus program for our named executive officers, please refer to the Grants of Plan-Based Awards section on page 39 of this proxy statement.

Long-Term Incentives (Equity Awards)

The total direct compensation levels for our named executive officers are heavily weighted to long-term incentive opportunities, which generally vest over a period of three to four years. This structure is intended to enhance our retention incentives and focus our executives on delivering sustainable performance over the longer-term.

Standard Annual Grants

As part of the annual grant cycle, the Committee uses three equity vehicles to deliver the long-term incentive opportunity: (i) stock options; (ii) performance-based restricted share units; and (iii) service-based restricted share units. This mix allows us to balance our goals of managing stock dilution and expense while providing meaningful retention incentives and performance-based compensation.

Equity Award	Weight	Description and Rationale
Stock Options	50%	<p>All stock options were granted with an exercise price equal to the fair market value of the shares on the date of grant.</p> <p>Stock options align the interests of executives with those of stockholders because the value of stock options only increases when stock price increases. This rewards sound business decisions that lead to improved long-term performance.</p> <p>Stock options vest over a four year period in order to enhance our retention incentives and encourage focus on longer-term performance.</p>
Performance-Based Restricted Share Units	25%	<p>The performance-based restricted share units provide our named executive officers with the opportunity to be credited with a number of units based on the extent to which we achieve certain levels of two equally-weighted financial performance metrics during 2013 – GAAP revenue and non-GAAP earnings per share.</p> <p>The payout opportunity ranges from 25% to 200% of the units subject to the award; although, consistent with our pay-for-performance culture, no payout can be earned if performance is below the threshold level.</p> <p>Once financial results for the performance period have been finalized, the Committee will certify the number of units, if any, to be credited to the executive's account based on actual performance results. The units earned, if any, vest one third on the date the Committee certifies performance results, one third on the first anniversary of the certification date, and the remaining third on the second anniversary of the certification date. This vesting schedule helps to focus our executives on generating earnings per share and revenue results that translate into sustained, long-term stockholder value.</p>
Service-Based Restricted Share Units	25%	<p>The service-based restricted share units provide our named executive officers with the opportunity to receive shares of our common stock if they remain employed by us through the third anniversary of the date of grant.</p> <p>The service-based restricted share units are intended to help retain our executives and maintain a focus on future and continued success.</p>

For more information on the 2013-2014 long-term incentive awards for our named executive officers, please refer to the Grants of Plan-Based Awards section on page 39 of this proxy statement.

Payout of 2012-2013 Performance-Based Restricted Share Units

In November 2012, as part of our annual grant cycle, we granted performance-based restricted share units to our named executive officers, providing them the opportunity to receive a credit of restricted share units based on the extent to which we achieved certain levels of GAAP revenue and non-GAAP earnings per share, as reported in our earnings releases (*i.e.*, excluding stock-based compensation expenses and other special items) during the 2013 calendar year. The GAAP revenue and non-GAAP earnings per share goals for the performance-based

restricted share units, together with the financial and strategic measures under the annual bonus program, are intended to reflect a balanced mix of quantitative and qualitative performance measures and to focus our named executive officers on building sustained long-term stockholder value.

To reinforce our pay-for-performance culture, the target levels of performance for the revenue and earnings per share goals represented 12% and 14% increases, respectively, over actual 2012 results. In addition, the maximum payout levels for 2013 were set at relatively high levels compared to actual 2012 results: increases of 27% and 31%, respectively. The payout opportunity ranged from 25% to 200% of the units subject to the award; although no payout could have been earned if performance was below the threshold level.

The following chart sets forth the GAAP revenue and non-GAAP earnings per share targets for the 2012-2013 performance-based restricted share units and related achievement levels. Based on actual performance results, none of the named executive officers earned a payout of his target 2013 performance-based restricted share unit award because the threshold levels were not achieved for either goal.

Performance Goal (equal weight)	200%				Actual Performance	Achievement Level
	25% (Threshold)	50%	100% (Target)	(Maximum)		
GAAP Revenue (millions)	\$ 2,850	\$ 2,890	\$ 2,975	\$ 3,391	\$ 2,692	0%
Non-GAAP Earnings per Share	\$ 2.98	\$ 3.11	\$ 3.26	\$ 3.72	\$ 2.76	0%

Please see the discussion under the heading *Determination of Performance* in section 4 of this CD&A for a more detailed description of the financial measures and the calculation of actual performance results after a minor pre-approved adjustment.

Special 2016 Performance Award Grants

In December 2012, the Compensation Committee approved special 2016 performance-based restricted share units which were made in connection with the restructuring of our management team as an additional incentive to retain participating executives and drive strong performance. On February 26, 2013, the Compensation Committee amended the special grant to allocate it between two separate awards: (i) 70% of the units were allocated to 2016 performance-based restricted share units (*Special 2016 PBRsUs*); and (ii) 30% of the units were allocated to special long-term strategic performance-based restricted share units (*Long-Term Strategic PBRsUs*). This modification was intended to focus our named executive officers on achieving both financial and strategic objectives.

Each named executive officer's opportunity to earn the Special 2016 PBRsUs is based on the extent to which Teradata achieves certain challenging or stretch financial goals during 2016 based on a GAAP revenue target and a non-GAAP earnings per share target. Each named executive officer's opportunity to earn the Long-Term Strategic PBRsUs generally is based on a subjective assessment of performance over a four-year period ending in 2016 relative to a mix of long-term strategic measures with respect to such matters as data warehousing technology and offerings and integrated marketing management solutions, among other things, provided that a stretch non-GAAP earnings per share threshold is achieved.

To the extent earned, the named executive officers will only be eligible to receive payouts under these awards if they remain employed through the date in 2017 that the Compensation Committee certifies the performance results or an earlier death, disability, retirement or reduction-in-force.

Section 4: Determination of Performance

Our GAAP revenue, non-GAAP operating income and non-GAAP earnings per share goals used in the 2013 annual bonus program and the 2013 performance-based restricted share unit awards tie to our audited financial statements as adjusted and disclosed to investors in our quarterly earnings releases. These results are highly

scrutinized by our finance and accounting departments. Moreover, the determination of the non-GAAP results is based on standard special items, including, among other things: amortization of acquisition-related intangible assets, acquisition transaction and integration expenses, and stock-based compensation expense.

The Committee authorized a minor adjustment to GAAP revenue for purposes of determining achievement of the performance goals for the 2013 annual bonus program and the 2013 performance-based restricted share unit awards to exclude the impact of foreign currency exchange rates.

Section 5: Compensation Consultant and Peer Group

Compensation Consultant

The Compensation Committee directly retains Semler Brossy Consulting Group, LLC (Semler Brossy) to assist in developing and reviewing our executive compensation strategy and program. Semler Brossy reports directly to the Committee and serves at the sole discretion of the Committee. It does not perform any other services for the Company other than as an adviser to the Board of Directors on its director compensation program.

In April 2013, the Committee’s charter was updated to comply with NYSE listing standards regarding the Committee’s authority to retain a compensation consultant and to perform an annual independence evaluation of compensation advisors. Additionally, the Compensation Committee assessed the independence of Semler Brossy pursuant to SEC rules and concluded that no conflict of interest exists that would prevent the consulting firm from independently advising the Compensation Committee.

Semler Brossy has provided information to the Compensation Committee about the target market compensation levels, pay mix, and overall design for the components of total direct compensation based on the pay practices of companies in our executive compensation peer group, as established by the Committee, and from a compensation survey described below.

Compensation Peer Group

The Compensation Committee examines the company’s peer group on an annual basis. In order to be included in our compensation peer group, a company generally must meet the following criteria: (i) be software or storage focused with a software component; (ii) have revenues of between one-third to three times our size; (iii) be publicly traded in the United States; (iv) sell predominately to businesses (*i.e.*, business-to-business); and (v) conduct business globally.

Based on these factors, in July 2013, the Compensation Committee reviewed our compensation peer group and made no modifications. The current compensation peer group is as follows:

Compensation Peer Group	
Adobe Systems Incorporated	NetApp, Inc.
Akamai Technologies, Inc.	Open Text Corporation
Autodesk, Inc.	Rackspace Hosting, Inc.
BMC Software, Inc.	Red Hat, Inc.
Brocade Communications, Inc.	salesforce.com, Inc.
CA, Inc.	Symantec Corporation
Citrix Systems, Inc.	Synopsys, Inc.
EMC Corporation	TIBCO Software Inc.
Informatica Corporation	VMware, Inc.

Going forward, BMC Software will not be included in the peer group because it is no longer a public company. Also, while a few peer group members do not formally meet the criteria set forth above, our Committee has decided to keep these members in the peer group for the following reasons:

EMC Corporation, despite larger revenue size, shares an overlap in products and services with the Company;

Informatica Corporation, despite smaller revenue size, is a key player and Teradata peer in the data analytics market;

Brocade Communications, despite having an industry code falling outside of software or storage, allows for year-over-year continuity; and

Each of these companies has similar requirements for talented employees as Teradata, and having competitive compensation is a key feature of our retention and recruitment programs.

Radford Compensation Survey

Survey information collected from a special peer group cut of the Radford 2012 Executive Survey was utilized in designing the components of total direct compensation. This survey was used because it is focused on technology companies and technology-specific positions, and all of the companies in our current peer group participated in the survey.

Section 6: Severance and Change in Control Benefits

Agreements with Mr. Koehler and Mr. Wimmer

We do not maintain employment-related agreements with our named executive officers other than agreements with our Chief Executive Officer, Mr. Koehler, and our EVP, International, Mr. Wimmer, as described below.

Severance Agreement with Mr. Koehler

Mr. Koehler's severance agreement was negotiated and approved prior to our spin off from NCR Corporation in 2007. In the event the Company terminates Mr. Koehler's employment other than for cause or if he were to resign for good reason, in either case prior to a change in control, he would receive: (i) 150% of the sum of his annual base salary and target annual incentive opportunity; (ii) a pro-rata portion of his annual incentive opportunity; and (iii) medical benefits for a period of eighteen months.

Employment Agreement with Mr. Wimmer

Effective January 1, 2013, the Company entered into a new employment agreement with Mr. Wimmer in connection with his appointment as EVP, International. This new employment agreement replaced his existing employment agreement that was executed at the time of the spin off. The new agreement, which is customary in countries such as Germany where Mr. Wimmer lives and is employed, includes general references to his executive compensation elements that were previously approved by the Committee at its November 26, 2012 meeting (such as base salary, annual bonus, and long-term incentive). Previously, the Committee also approved Mr. Wimmer's participation in the Teradata Change in Control Severance Plan as a Tier II participant.

In addition, the agreement contains a number of standard provisions for German employees, including those relating to pension benefits, other benefits such as use of a company-provided car and contract termination rights which, in Mr. Wimmer's case, requires one-year notice prior to a termination without cause. We also added a post-employment, non-competition and non-solicitation clause in his employment agreement. As required under German law, if applicable, we will provide additional severance consideration (approximately half of his contractual compensation with respect to fixed salary, bonus, and use of a car) in exchange for this non-competition restriction.

Change in Control Severance Plan

All of our named executive officers participate in the Teradata Change in Control Severance Plan (the "CIC Plan"), the objectives and provisions of which are summarized below:

Business Objectives

The CIC Plan enhances our retention incentives by reducing the personal uncertainty that arises from the possibility of a future business combination and promotes objectivity in the evaluation of transactions that are in the best interests of our stockholders.

Severance Provisions

Based on information provided by Semler Brossy, change in control arrangements are used by a vast majority of the companies included in our compensation peer group, and the terms of our CIC Plan are consistent with prevailing market practices.

The CIC Plan provides for separation payments and benefits to our named executive officers, which were established by the Committee at the time of the spin off from NCR and are reviewed annually by the Compensation Committee.

The CIC Plan provides benefits on a "double trigger," meaning that the severance benefits are paid, and equity awards vest, only if our executives incur a qualifying termination in connection with a change in control.

In July 2012, we amended the CIC Plan to eliminate "gross-up" payments related to excise taxes that may be imposed under Section 280G of the Internal Revenue Code and raised the threshold for an acquisition of Teradata stock that would constitute a change in control from an acquisition of 30% or more to an acquisition of 50% or more of the Company's outstanding common stock or voting securities.

More information on our use of severance agreements and the CIC Plan, including the estimated payments and benefits payable to the named executive officers, is provided under the "Potential Payments Upon Termination or Change in Control" section beginning on page 44 of this proxy statement.

COMPENSATION TABLES

2013 Summary Compensation Table

The following table summarizes the total compensation paid to, or earned by, each of our named executive officers for the fiscal year ended December 31, 2013 and the prior two fiscal years. The narrative following the table describes total compensation levels, current employment agreements and material employment terms for each of our named executive officers, as applicable. The 2013 Target Compensation supplemental table following this table also provides additional information regarding the 2013 total direct compensation levels for our named executive officers as approved by the Compensation Committee.

Name and Principal Position	Year	Salary (\$)	Stock	Option	Non-Equity	Change in Pension	All Other	Total
			Awards ⁽¹⁾ (\$)	Awards ⁽²⁾ (\$)	Incentive Plan	Value and NQ Deferred Compensation Earnings ⁽⁴⁾ (\$)		
Michael Koehler President and Chief	2013	786,849	2,491,131	2,611,170	367,188		14,809	6,271,147
	2012	700,000	6,161,043	2,428,243	951,125		15,236	10,255,647
Executive Officer Stephen Scheppmann EVP and Chief Financial Officer	2011	700,000	2,455,132	2,247,278	1,392,125		14,986	6,809,521

	2012	381,012	2,965,092	582,782	372,523		14,208	4,315,612
	2011	373,518	595,474	516,624	504,859		13,924	2,004,400
Daniel Harrington EVP, Global Consulting and Support Services	2013	410,000	597,877	626,688	153,750		14,061	1,802,376
	2012	381,012	2,965,092	582,782	372,523		14,208	4,315,612
	2011	373,518	595,474	516,624	504,859		13,924	2,004,400
Darryl McDonald EVP, Applications	2013	410,000	597,877	626,688	153,750		14,061	1,802,376
	2012	381,012	2,965,092	582,782	372,523		14,208	4,315,612
	2011	369,242	595,474	516,624	497,962		13,785	1,993,088

- (1) This column shows the aggregate grant date fair value, as determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation – Stock Compensation (FASB ASC Topic 718), of service-based restricted share units (RSUs) and performance-based restricted share units (PBRsUs) granted to our named executive officers in the applicable year. For 2013, this column includes the following annual awards:

RSUs that were granted in December 2013; and

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

PBRsUs that were approved in November 2012 and granted in February 2013 when the Committee established the performance goals for such awards (the annual PBRsUs).

For the annual PBRsUs, the following table sets forth the target number of units, their target grant date fair value reflected in the Stock Awards column above, and their grant date fair value assuming that the highest level of performance would be achieved. However, because the threshold levels were not achieved for the applicable performance goals, none of the named executive officers earned a payout of any of the annual PBRsUs.

Name	Target Number of Annual PBRsUs (#)	Probable Grant Date Fair Value	Maximum Grant Date Fair Value
Michael Koehler	19,629	\$ 1,222,102	\$ 2,444,203
Stephen Scheppmann	4,711	\$ 293,307	\$ 586,614
Hermann Wimmer	4,711	\$ 293,307	\$ 586,614
Robert Fair	4,711	\$ 293,307	\$ 586,614
Daniel Harrington	4,711	\$ 293,307	\$ 586,614
Darryl McDonald	4,711	\$ 293,307	\$ 586,614

The Stock Awards column for 2013 does not include any portion of the special PBRsUs that were originally granted in December 2012 and modified effective March 1, 2013 in order to re-allocate the awards between the Special 2016 PBRsUs and the Long-Term Strategic PBRsUs. These special awards are not reported above for 2013 because the incremental fair value with respect to each of the modified awards is zero (computed as of the modification date in accordance with FASB ASC Topic 718). We have also ceased to accrue any accounting expense for the Special 2016 PBRsUs and Long-Term Strategic PBRsUs because the achievement of performance targets for these awards is currently not probable.

See Note 5 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2013 (our 2013 Annual Report) for an explanation of the assumptions made in valuing the awards reported in this column.

- (2) This column shows the aggregate grant date fair value, as determined in accordance with FASB ASC Topic 718, of the stock options granted to our named executive officers for the applicable year. See Note 5 of the Notes to Consolidated Financial Statements contained in our 2013 Annual Report for an explanation of the assumptions made in valuing these awards. For information about the stock option awards granted in 2013, see the Grants of Plan-Based Awards section beginning on page 39 of this proxy statement.
- (3) This column reflects the cash bonus paid to our named executive officers under the Teradata Corporation Management Incentive Plan (MIP) for the applicable year. For more information concerning the 2013 annual incentive, see the Annual Incentives (Annual Bonus Awards) discussion in the Compensation Discussion and Analysis section beginning on page 24 of this proxy statement.
- (4) Mr. Wimmer participates in a German pension plan that is available to all German employees. This column reflects the increase in the present value of the accumulated benefit of his pension benefit during 2013. We do not maintain a pension plan for U.S. employees.
- (5) The amounts reported in this column for 2013 include the following:

The dollar value of premiums paid to maintain life insurance for the benefit of each of Messrs. Koehler, Scheppmann, Fair, Harrington, and McDonald in the amount of \$2,059, \$1,500, \$1,311, \$1,311, and \$1,311, respectively, under the Company's life insurance program that is generally available to all U.S. employees;

The dollar value of matching contributions to our 401(k) plan, which are generally available to all plan participants and were made in 2013 on behalf of each of Messrs. Koehler, Scheppmann, Fair, Harrington, and McDonald, in the amount of \$12,750; and

For Mr. Wimmer: (i) the dollar value of premiums paid to maintain life insurance in the amount of \$105 under Teradata Germany's life insurance program and the dollar value of company contributions to a direct insurance private pension fund in the amount of \$571, both of which are generally available to all German employees; and (ii) a home office allowance in the amount of \$957, and the total annual automobile lease value paid by the company of \$22,140, both of which are generally available to management employees in Germany.

- (6) Mr. Wimmer's cash compensation and benefits were paid in euros for the year ending December 31, 2013. The amounts presented in this summary compensation table have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825.

2013 Target Compensation

In December 2013, the Committee approved the long-term incentive award opportunity for each named executive officer. The long-term incentive opportunity was allocated as follows: (i) 50% to stock options, which are reflected in the Option Awards column for 2013, (ii) 25% to RSUs, which are reflected in the Stock Awards column for 2013, and (iii) 25% to annual PBRsUs. The annual PBRsUs that were approved in 2013 are not reflected in the Stock Awards column for 2013 due to the fact that they do not have a grant date for financial accounting purposes until the Committee establishes the performance goals in the first quarter of 2014. Instead, the Stock Awards column for 2013 includes the annual PBRsUs that were approved by the Committee in November 2012 and for which the Committee established the applicable performance goals in February 2013 for the 2013 performance period. As a result, the Summary Compensation Table does not reflect the manner in which the Committee viewed or determined the 2013 long-term equity or annual total compensation values for our named executive officers. The following table shows the target total direct compensation levels for our named executive officers as viewed by the Committee in 2013.

Name	Salary (\$)	Target Value Annual Incentive (\$)	Target Value of PBRsU Awards (\$)	Target Value of RSU Awards (\$)	Target Value of Option Awards (\$)	Total Direct Compensation (\$)
Michael Koehler	800,000	1,000,000	1,250,000	1,250,000	2,500,000	6,800,000
Stephen Scheppmann	470,000	470,000	300,000	300,000	600,000	2,140,000
Hermann Wimmer ⁽¹⁾	493,842	493,842	300,000	300,000	600,000	2,187,684
Robert Fair	410,000	410,000	300,000	300,000	600,000	2,020,000
Daniel Harrington	410,000	410,000	300,000	300,000	600,000	2,020,000
Darryl McDonald	410,000	410,000	300,000	300,000	600,000	2,020,000

(1) Mr. Wimmer's cash compensation was paid in euros for the year ending December 31, 2013. The amounts presented in this table have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825.

Employee Agreements and Material Employment Terms

We maintain letter agreements with each of the named executive officers who are based in the United States. Each letter agreement sets forth, among other things, the following terms relating to the officer's at-will employment as of October 1, 2007: (i) annual base salary and annual incentive award opportunity as of 2007; (ii) a statement of eligibility for participation in our change in control severance plan; and (iii) a statement of the vacation and health and welfare benefits available to each officer. In addition, by accepting the terms of the letter, each named executive officer agreed to the following covenants during and for twelve months following his termination of employment, unless such covenants are waived by the board: (x) not to render services directly or indirectly to a competing organization; (y) not to directly or indirectly recruit, hire, solicit or induce, or attempt to induce, any exempt employee of Teradata to terminate his or her employment with or otherwise cease his or her relationship with Teradata; and (z) not to solicit the business of any firm or company, including customers, with whom the officer worked during the last two years of employment.

The letter agreement with Mr. Koehler also establishes the terms of his severance benefits upon a qualifying termination prior to a change in control and specifies that he is eligible to participate as a Tier I participant in our change in control severance plan. Please refer to the Potential Payments Upon Termination or Change in Control section of this proxy statement for information regarding potential payments and benefits that Mr. Koehler is entitled to receive under his offer letter in connection with his termination of employment.

Effective January 1, 2013, we entered into a new employment agreement with Mr. Wimmer in connection with his appointment as EVP, International. Please see page 34 of the Compensation Discussion and Analysis section for a brief summary of his employment agreement. Please refer to the Potential Payments Upon Termination or Change in Control section of this proxy statement for information regarding potential payments and benefits that Mr. Wimmer is entitled to receive under his employment agreement in connection with his termination of employment.

2013 Grants of Plan-Based Awards

The following table summarizes information for each named executive officer regarding (i) estimated payouts that could have been earned under the 2013 annual bonus program under the MIP, (ii) stock options that were approved by the Committee in December 2013, (iii) RSUs that were approved by the Committee in December 2013, (iv) estimated payouts under the annual PBRsUs that were approved by the Committee in November 2012 and for which performance goals were established in February 2013, and (v) estimated payouts under the Special 2016 PBRsUs and the Long-Term Strategic PBRsUs that were initially approved by the Committee in December 2012, and modified as of March 1, 2013.

- (1) The Committee approves the annual equity awards for our named executive officers other than Mr. Koehler. In consultation with the Committee, the independent members of the board approve Mr. Koehler's annual equity award. In general, the grant date of the annual equity awards is the date the independent members of the board approve

Mr. Koehler's annual equity award, which is the day immediately following the annual awards meeting of the Committee. The grant date of the annual PBRsUs, however, occurs in the first quarter of the year immediately following the year of approval, which is when the Committee establishes the applicable performance goals. Therefore, this table reflects annual PBRsUs that were approved by the Committee in November 2012 and for which the Committee established performance goals in the first quarter of 2013. The annual PBRsUs that were approved by the Committee in December 2013 are not reflected in the table above because they do not have a grant date for financial accounting purposes until the Committee establishes the performance goals in the first quarter of 2014. For the special PBRsUs, the Committee initially approved the grant and the related financial performance goals in December 2012, and subsequently modified the awards, effective March 1, 2013, to allocate 70% of each award to the Special 2016 PBRsUs and 30% of each award to the Long-Term Strategic PBRsUs. Those awards are included in the table for 2013 based on their incremental fair value, which is zero.

- (2) The information included in the Threshold, Target and Maximum columns reflects the range of potential payouts under the 2013 annual bonus program under the MIP when the performance goals were established by the Committee. The actual amounts of the annual incentive awards earned under the MIP for 2013 are reflected in the Non-Equity Incentive Plan Compensation column in the Summary Compensation Table. Mr. Wimmer's incentive awards are payable in euros and have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825.
- (3) The information included in the Threshold, Target and Maximum columns reflects the range of potential payouts under the annual PBRsUs, the Special 2016 PBRsUs and the Long-Term Strategic PBRsUs. However, because the threshold levels were not achieved for the applicable performance goals, none of the named executive officers earned a payout of any of the annual PBRsUs. The actual number of Special 2016 PBRsUs and Long-Term Strategic PBRsUs earned, if any, will be determined based on the extent to which the Company achieves the applicable financial performance goals for these awards in 2016 and certain strategic measures as described in the Compensation Discussion and Analysis beginning on page 24 of this proxy statement. The units for these special awards generally would vest in March 2017, based on the extent to which the performance goals for the applicable performance period are achieved, and provided the executive remains employed by the Company. However, the performance goals for the Special 2016 PBRsUs and Long-Term Strategic PBRsUs are challenging or stretch goals, and achievement of even the threshold level is not reasonably probable at this time.
- (4) Reflects shares underlying the RSUs that were approved by the Committee in December 2013. These RSUs generally vest on the third anniversary of the date of grant, provided that the executive remains employed by the Company. Dividends, if any, paid on the underlying shares during the vesting period are accumulated and reinvested in additional units.
- (5) Reflects the number of common shares that may be issued to the named executive officers on exercise of stock options that were approved by the Committee in December 2013. These options generally vest in four equal installments on the first four anniversaries of the date of grant for so long as the executive remains employed by the Company.
- (6) Reflects the exercise price for each stock option reported in the table, which equals the fair market value of the underlying shares on the date of grant.
- (7) Reflects the aggregate grant date fair value, as determined in accordance with FASB ASC Topic 718, of the stock options, RSUs and annual PBRsUs. For the 2016 Special PBRsUs and the Long-Term Strategic PBRsUs, which represent a modification of the special PBRsUs originally granted in December 2012, this column reflects the incremental fair value with respect to each modified award (computed as of the modification date in accordance with FASB ASC Topic 718), which is zero. See footnotes 1 and 2 of the Summary Compensation Table on page 36 of this proxy statement for the assumptions used to calculate these values.
- (8) Mr. Wimmer's cash compensation was paid in euros for the year ending December 31, 2013. The amounts presented in this table have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825.

2013 Outstanding Equity Awards at Fiscal Year-End

The following table sets forth information for each named executive officer with respect to (i) each stock option that had not been exercised and remained outstanding as of December 31, 2013, (ii) each award of restricted stock and RSUs that had not vested and remained outstanding as of December 31, 2013, and (iii) the Special 2016 PBRsUs and Long-Term Strategic PBRsUs.

- (1) This column shows the number of common shares underlying outstanding stock options that have vested as of December 31, 2013.
- (2) This column shows the number of common shares underlying outstanding stock options that have not vested as of December 31, 2013. The remaining vesting dates for each award are as follows:

Grant

Date	Remaining Vesting Dates	Vesting Schedule
11/30/2010	11/30/2014	25% vests each year for four years after the date of grant
11/29/2011	11/29/2014, 11/29/2015	25% vests each year for four years after the date of grant
11/27/2012	11/27/2014, 11/27/2015, 11/27/2016	25% vests each year for four years after the date of grant
12/3/2013	12/3/2014, 12/3/2015, 12/3/2016, 12/3/2017	25% vests each year for four years after the date of grant

- (3) This column shows the exercise price for each stock option reported in the table, which equaled the fair market value per share on the date of grant.
- (4) This column shows the aggregate number of restricted shares and RSUs outstanding as of December 31, 2013. The remaining vesting dates for each award are as follows:

Grant

Date	Remaining Vesting Dates	Vesting Schedule
1/3/2000	4/30/2018	100% vests on 55 th birthday
11/29/2011	11/29/2014	100% vests three years from date of grant
2/28/2012	2/11/2014, 2/11/2015	1/3 increments over a 3-year time period after performance level determination is made by the Committee
11/27/2012	11/27/2015	100% vests three years from date of grant
3/1/2013	2017	100% vests on the date the Committee determines the performance level, which will occur in the first quarter of 2017 after the close of the 2016 performance year
12/3/2013	12/3/2016	100% vests three years from date of grant

- (5) This column shows the aggregate dollar value of the restricted stock and RSUs using the closing stock price on December 31, 2013 of \$45.49 per share.
- (6) This column shows the aggregate number of Special 2016 PBRsUs and Long-Term Strategic PBRsUs outstanding as of December 31, 2013, assuming threshold achievement level of 50%, as achievement of the challenging threshold performance goals is not reasonably probable at this time. These awards, if earned, would vest in March 2017, based upon achievement of the applicable performance goals.
- (7) This column shows the aggregate dollar value of the Special 2016 PBRsUs and Long-Term Strategic PBRsUs at the threshold achievement level using the closing stock price on December 31, 2013 of \$45.49 per share, as achievement of the challenging threshold performance goals is not reasonably probable at this time.

2013 Option Exercises and Stock Vested

The following table sets forth information for each named executive officer with respect to the vesting of RSUs and PBRsUs during 2013. There were no exercises of stock options by our named executive officers during 2013.

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting ⁽¹⁾ (\$)
Michael Koehler			121,589	6,351,531
Stephen Scheppmann			25,573	1,340,018
Hermann Wimmer			25,215	1,317,729
Robert Fair			29,456	1,525,905
Daniel Harrington			29,456	1,525,905
Darryl McDonald			29,849	1,550,330

(1) The value realized on vesting equals the number of shares acquired multiplied by the closing market price of our common stock on the acquisition date.

Pension Benefits

Mr. Wimmer participates in a pension plan sponsored by Teradata GmbH (the German Pension Plan). The German Pension Plan is a defined benefit plan for all employees based in Germany. The German Pension Plan provides for post-retirement payments based on the employee's pensionable income and years of service at the time of retirement. Pensionable income under the German Pension Plan includes base salary and, in Mr. Wimmer's case, any payments out of the Company's annual bonus plan. The German Pension Plan benefit is calculated as follows: for each year of service, a pension module is calculated; the module amounts to (a) 0.3% of pensionable income below the year's German social security compensation cap (SSCC), and (b) 1.65% of pensionable income above the SSCC. At retirement, the sum of all years' modules is paid as an annual pension. The normal retirement age is 63, and there is a surviving spouse benefit equal to 60% of the employee's pension benefit.

The following table sets forth information with respect to Mr. Wimmer's accumulated pension benefits as of December 31, 2013 under the German Pension Plan. We do not maintain a pension plan for U.S. employees.

Name	Number of Years	Present Value of Accumulated Benefit ⁽¹⁾	Payments During Last Fiscal Year
	Credited Service (#)	(\$)	(\$)
Michael Koehler			
Stephen Scheppmann			
Hermann Wimmer ⁽¹⁾	17.5	1,851,668	0
Robert Fair			
Daniel Harrington			
Darryl McDonald			

(1) Mr. Wimmer's accumulated benefit is based on service and compensation through December 31, 2013. The actuarial present value has been calculated assuming that Mr. Wimmer will remain in service until age 63. The discount rate assumption is 3.25%, the pension indexation assumption is 2.00%, and the mortality assumption is based on the Heubeck 2005 G mortality table. The amount presented in this table for Mr. Wimmer has been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825.

Non-qualified Deferred Compensation

We have not adopted any non-qualified defined contribution plans or other deferred compensation plans.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Background

We have entered into agreements and maintain plans and arrangements that require us to pay or provide compensation and benefits to each of the named executive officers in the event of certain terminations of employment or a change in control. The estimated amount payable or provided to each named executive officer in each situation is summarized below. These estimates are based on the assumption that the various triggering events occurred on the last day of 2013, along with other material assumptions noted below. The actual amounts that would be paid to a named executive officer upon termination or a change in control can only be determined at the time the actual triggering event occurs.

The estimated amount of compensation and benefits described below does not take into account compensation and benefits that a named executive officer has earned prior to the applicable triggering event, such as equity awards that have previously vested in accordance with their terms or vested benefits otherwise payable under our compensation programs. As a result, the estimates below do not provide information on the payout of the annual incentive awards under the MIP, because these awards were earned under such plan as of December 31, 2013, subject to Committee approval, regardless of whether the executive terminated employment or a change in control occurred on that date. Please refer to the Outstanding Equity Awards at Fiscal Year-End table for a complete summary of each named executive officer's vested equity awards and the Summary Compensation Table for the annual incentives earned by our named executive officers in 2013.

Non-Change in Control Scenarios

Treatment of Equity Awards on Termination of Employment (not in Connection with a Change in Control)

The following chart summarizes the vesting treatment of our equity awards in the event of termination of employment, other than termination in connection with a change in control. The vesting treatment described below is conditioned upon the participant's compliance with non-competition and non-solicitation provisions for a twelve-month period (or, if applicable law requires a shorter period, for the maximum period allowed under applicable law), as well as confidentiality restrictions. Our RSUs and PBRsUs generally pay out upon vesting. However, to the extent necessary to comply with Section 409A of the Internal Revenue Code and avoid triggering adverse tax consequences to our executives, payment of vested RSUs and PBRsUs may be delayed until termination of employment, six months after termination of employment, or the end of the scheduled performance or service period.

Situation	Service-Based RSUs	PBRsUs	Stock Options
Death and Long-Term Disability (LTD)	Awards vest in full upon the date of death or LTD.	<p>In the event of death or LTD during the performance period, a pro-rata portion of the award, calculated as of the date of death or LTD, will become vested based on actual results during the performance period.</p> <p>In the event of death or LTD after the end of the performance period and prior to payment, awards vest in full, to the extent earned, upon the date of death or LTD.</p>	Awards vest in full upon the date of death or LTD. Awards granted after 2008 remain exercisable until the later of the expiration of the ten-year term or three years after death or LTD. Awards granted in 2007 and 2008 remain exercisable until the later of the expiration of the ten-year term or (a) one year after death or LTD, if death or LTD occurs prior to age 55, or (b) three years after death or LTD, if death or LTD occurs on or after age 55.

Situation	Service-Based RSUs	PBRsUs	Stock Options
Retirement (termination on or after age 55, with the consent of the Committee, where applicable, or, for the Special 2016 PBRsUs and Long-Term Strategic PBRsUs, termination on or after age 62)	A pro-rata portion will become vested as of date of retirement.	A pro-rata portion of the award, calculated as of retirement, will become vested based on actual results during the performance period.	Unvested awards are forfeited. Vested awards expire the earlier of three years following retirement date or the expiration date.
Termination due to Reduction in Force (RIF)	A pro-rata portion will become vested as of the date of RIF.	A pro-rata portion of the award, calculated as of the date of RIF, will become vested based on actual results during the performance period.	Unvested awards are forfeited. Vested awards expire the earlier of the fifty-ninth day after termination or the expiration date.
Voluntary Resignation	Unvested awards are forfeited.	Unvested awards are forfeited.	Unvested awards are forfeited. Vested awards expire the earlier of the fifty-ninth day after termination or the expiration date.

In addition, for the Special 2016 PBRsUs and Long-Term Strategic PBRsUs, a pro-rata portion of those awards would become vested, based on actual results during the performance period, if the executive ceases to serve as an executive officer or if the Committee determines that there is a material reduction in the executive's titles, duties, responsibilities or reporting relationship, whether or not the executive's employment is terminated.

The tables below quantify the amounts that would be payable to our named executive officers in the event of termination of employment, other than termination in connection with a change in control.

Death or Disability

We would have provided each named executive officer or his beneficiary with the following estimated payments or benefits had he died or become disabled on December 31, 2013.

Executive	Life	Disability	Stock	Restricted	
	Insurance (\$) ⁽¹⁾	Payments (\$) ⁽²⁾	Options (\$) ⁽³⁾	Share Units (\$) ⁽³⁾	Total (\$)
Michael Koehler	1,200,000	674,095	193,524	3,937,253	6,004,872
Stephen Scheppmann	874,400	516,938	40,712	927,125	2,359,175
Hermann Wimmer ⁽⁴⁾		303,903	4,874	852,956	1,161,733
Robert Fair	764,100	531,422	48,676	927,125	2,271,323
Daniel Harrington	764,100	531,422	48,676	927,125	2,271,323
Darryl McDonald	3,056,300	551,018	48,676	927,125	4,583,119

- (1) Proceeds would be payable by a third-party insurer. Benefits provided upon death depend on the individual level of benefits chosen by the named executive officer during the annual benefits enrollment process. The named executive officers other than Mr. Wimmer receive the same Company-provided life insurance

coverage as is generally offered to U.S.-based employees. The coverage is 200% of base salary for life insurance. Each U.S.-based employee has the option of choosing a higher level of coverage at his or her own expense. Messrs. Koehler, Scheppmann, Harrington, and Fair each opted for core coverage for 2013, while Mr. McDonald opted for higher coverage. In the event of Mr. Wimmer's death during employment, his surviving dependents would receive a death benefit in accordance with the Teradata GmbH pension scheme. Mr. Wimmer's benefits under the Teradata GmbH pension scheme are quantified in the Pension Benefits Table at page 43. We do not maintain a pension plan for U.S.-based employees.

- (2) Benefits provided upon disability generally depend on the individual level of benefits chosen by the named executive officer during the annual benefits enrollment process. The named executive officers, other than Mr. Wimmer, receive the same short-term and long-term disability coverage as is generally offered to U.S.-based employees. The core coverage is (i) for short-term disability, 100% of base salary for two to eighteen weeks depending on years of service and 66 2/3% of base salary for the remainder of a twenty-six week period, and (ii) for long-term disability, 50% of base salary (up to a maximum monthly payment of \$15,000) for the duration of an employee's long-term disability. Each U.S. employee has the option of choosing a higher level of coverage at his or her own expense. Messrs. Koehler, Scheppmann, Harrington, and Fair each opted for core coverage for 2012, while Mr. McDonald opted for higher coverage. The payments above assume maximum payout based on each named executive officer's coverage election for twenty-six weeks of short-term disability plus two years of long-term disability. Under his employment contract, in the event of an incapacity for work not due to fault on the part of Mr. Wimmer, he would be entitled to receive base salary continuation for up to six weeks and thereafter, for an additional period of up to 26 weeks, Mr. Wimmer would be entitled to receive the difference between his base salary and the applicable maximum sickness allowance rate. The amount reported for Mr. Wimmer reflects base salary continuation for 32 weeks.
- (3) Equity valuations are based on a closing price of our stock on December 31, 2013 of \$45.49. No amount is included for the Special 2016 PBRsUs or the Long-Term Strategic PBRsUs, because achievement of the threshold performance goals is not reasonably probable at this time.
- (4) Mr. Wimmer's compensation is paid in euros. The amounts presented in this table for Mr. Wimmer (other than amounts attributable to stock options and RSUs) have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825 for the year ending on December 31, 2013.

Retirement

We would have provided each named executive officer with the following estimated payments if he had retired with Committee approval on December 31, 2013.

Executive	Restricted Share	
	Units (\$) ⁽¹⁾⁽²⁾	Total (\$)
Michael Koehler	1,826,591	1,826,591
Stephen Scheppmann	423,616	423,616
Hermann Wimmer		
Robert Fair		
Daniel Harrington		
Darryl McDonald	423,616	423,616

- (1) Equity valuations are based on a closing price of our stock on December 31, 2013 of \$45.49.
- (2) Only Messrs. Koehler, Scheppmann and McDonald were eligible for retirement (age 55) on December 31, 2013. Because none of our named executive officers were age 62 or older on December 31, 2013 (and because achievement of the threshold performance goals is not reasonably probable at this time), the amounts shown above do not include any portion of the Special 2016 PBRsUs or Long-Term Strategic PBRsUs.

Reduction in Force Severance

Each named executive officer would have been entitled to the following estimated payments and benefits if, on December 31, 2013, we terminated the executive's employment in connection with a reduction in force prior to, or more than two years after, a change in control.

Executive	Cash (\$) ⁽¹⁾	Restricted Share Units (\$) ⁽²⁾	Welfare Benefits (\$)	Out-placement Counseling (\$)	Total (\$)
Michael Koehler	2,700,000	1,8265,591	15,932	10,000	4,552,522
Stephen Scheppmann	235,000	430,616		10,000	668,616
Hermann Wimmer ⁽³⁾	493,842	362,096			609,017
Robert Fair	205,000	423,616		10,000	638,616
Daniel Harrington	205,000	423,616		10,000	638,616
Darryl McDonald	205,000	423,616		10,000	638,616

- (1) The cash severance payment would be payable to Mr. Koehler under the terms of his offer letter. The amount does not reflect Mr. Koehler's pro-rata bonus for the year of termination. This is because we are required to assume a termination date of December 31, 2013. On this date, Mr. Koehler would have already earned his 2013 bonus regardless of whether he terminated employment. Please refer to the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table for Mr. Koehler's 2013 bonus. Amounts for Messrs. Scheppmann, Fair, Harrington, and McDonald are based on cash payments that would be paid under our reduction in force programs that are generally available to salaried, U.S.-based employees. The amount reported for Mr. Wimmer reflects salary continuation during the 12-month notice period under Mr. Wimmer's employment contract with Teradata GmbH.
- (2) Equity valuations are based on a closing price of our stock on December 31, 2013 of \$45.49. No amount is included for the Special 2016 PBRsUs or the Long-Term Strategic PBRsUs, because achievement of the threshold performance goals is not reasonably probable at this time.
- (3) Mr. Wimmer's compensation is paid in euros. The amounts presented in this table for Mr. Wimmer have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825 for the year ending on December 31, 2013.

Termination without Cause or Termination for Good Reason (not in Connection with a Change in Control)

In the event that, prior to a change in control, Mr. Koehler's employment is terminated without cause or he resigns for good reason, Mr. Koehler would be entitled to receive a severance payment equal to 1.5 times his annual base salary and target bonus, a pro-rated bonus based on actual achievement for the year of termination and continued medical benefits for eighteen months, subject to his execution and non-revocation of a release of claims. The terms cause and good reason have the meanings provided in the CIC Plan described below. Mr. Koehler would have been entitled to the following estimated payments and benefits under his offer letter if, on December 31, 2013, and not in connection with a change in control or reduction in force, we terminated his employment without cause or he terminated his employment for good reason.

Pursuant to his employment contract with Teradata GmbH, Mr. Wimmer's employment may be terminated with 12 months' notice, and we may release Mr. Wimmer from performing future services, provided that we continue to pay his salary during the notice period.

Executive	Cash (\$) ⁽¹⁾⁽²⁾	Welfare Benefits (\$)	Total (\$)
Michael Koehler	2,700,000	15,932	2,715,932
Stephen Scheppmann			
Hermann Wimmer	493,842		493,842
Robert Fair			
Daniel Harrington			
Darryl McDonald			

- (1) The cash amount reported for Mr. Koehler would be payable to him under the terms of his offer letter. The amount does not reflect Mr. Koehler's pro-rata bonus for the year of termination. This is because we are required to assume a termination date of December 31, 2013. On this date, he would have already earned his 2013 bonus regardless of whether he terminated employment. Please refer to the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table for Mr. Koehler's 2013 bonus.
- (2) The cash amount reported for Mr. Wimmer would be payable under the terms of his employment contract with Teradata GmbH if Mr. Wimmer's employment had been terminated without cause on December 31, 2013. The amount reflects salary continuation during the 12-month notice period under Mr. Wimmer's employment contract, and has been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825 for the year ending on December 31, 2013.

Change in Control Scenarios

Change in Control Severance Plan

We maintain the CIC Plan to help retain key executives by reducing personal uncertainty that may arise from the possibility of a change in control and to promote their objectivity and neutrality in evaluating transactions that may be in the best interest of the Company and its stockholders. This plan establishes objective criteria to determine whether a change in control has occurred, and provides for severance payments and benefits on a "double trigger" basis (including vesting of equity awards that are assumed in a change in control transaction). The "double trigger" design is intended to further our goals to retain key executives upon a change in control. Effective as of January 1, 2013, our Board of Directors amended the CIC Plan to raise the threshold for an acquisition of our stock that will constitute a change in control and to eliminate any "gross-up" payments related to excise taxes that may be imposed on participating executives under Section 280G of the Internal Revenue Code.

Each named executive officer participates in the CIC Plan. Under this plan, if the executive's employment is terminated by us other than for cause, death or disability or if the executive resigns for "good reason" within two years after a change in control (or within six months prior to a change in control, if the executive can demonstrate that the termination occurred in connection with a change in control), then Teradata or its successor will be obligated to pay or provide the following benefits:

A lump sum payment equal to 3.0 times for Mr. Koehler, and 2.0 times for the other named executive officers, of the executive's annual base salary and annual incentive. For this purpose, annual incentive generally means the average annual incentive earned for the prior three years;

A lump sum payment equal to a pro-rata portion of the average annual incentive earned for the prior three years;

Continued medical, dental and life insurance coverage for three years for Mr. Koehler and two years for the other named executive officers; and

Continued outplacement and financial counseling services, if such services are offered at such time, for one year.

The CIC Plan provides that upon termination of employment, each participant is prohibited from soliciting our employees for a one-year period and is subject to confidentiality restrictions. Moreover, each participant is required to sign a release of all claims against the Company prior to receiving severance benefits under the plan.

For purposes of the plan, the term *cause* generally means the willful and continued failure to perform assigned duties or the willful engaging in illegal or gross misconduct that materially injures the Company. The term *good reason* generally means (i) the assignment of duties inconsistent with an executive's position, authority, duties or responsibilities as in effect prior to a change in control; (ii) a reduction in base salary; (iii) failure to pay incentive compensation when due; (iv) a reduction in target or maximum incentive opportunities; (v) a failure to continue the equity award or other employee benefit programs; (vi) a relocation of an executive's office by more than forty miles (provided that it also increases his commute by more than 20 miles); or (vii) failure to require a successor to assume the plan.

The term *change in control* generally means any of the following: (i) an acquisition of 50% or more of our stock by any person or group, other than the Company, our subsidiaries or employee benefit plans; (ii) a change in the membership of our Board of Directors, such that the current incumbents and their approved successors no longer constitute a majority; (iii) a reorganization, merger, consolidation or sale or other disposition of substantially all of our assets in which any one of the following is true: our old stockholders do not hold at least 50% of the combined enterprise, there is a 50%-or-more stockholder of the combined enterprise (other than as a result of conversion of the stockholder's pre-combination interest in the Company), or the members of our Board of Directors (immediately before the combination) do not make up a majority of the board of the combined enterprise; or (iv) stockholder approval of a complete liquidation.

Treatment of Equity Awards

As described above, the CIC Plan generally provides for *double trigger* vesting of equity awards in connection with a change in control, meaning that, if the awards are assumed by the surviving entity in the change of control, vesting of the awards will not accelerate unless the executive also has a qualifying termination of employment (by the Company without cause or by the executive for good reason). In contrast, if the surviving entity does not assume the equity awards upon the change in control, unvested awards will become vested upon the occurrence of the change in control. The treatment of our equity awards in connection with a change of control is summarized in the chart below.

Service-Based RSUs	Change in Control (CIC) PBRsUs	Stock Options
If the award is not assumed by the surviving entity, then vesting accelerates upon the CIC.	If the award is not assumed by the surviving entity, then the award will vest in full, either at the target level, if the CIC occurs during the performance period, or based on actual performance, if the CIC occurs after the end of the performance period and prior to payment.	If the option is not assumed by the surviving entity, then vesting accelerates upon the CIC.
If the award is assumed, then vesting accelerates if the executive's employment is terminated other than for cause or disability or the executive terminates his employment for good reason, within twenty-four months after the CIC.	If the award is assumed, then, subject to the executive's continued employment, the award will continue to vest, either at the target level, if the CIC occurs during the performance period, or based on actual performance, if the CIC occurs after the end of the performance period and prior to payment. However, vesting of the award will be accelerated if the executive's employment is terminated without cause, terminated on account of death, disability, retirement or reduction in force, or the executive terminates his employment for good reason, within twenty-four months after the CIC.	If the option is assumed, then vesting accelerates if the executive's employment is terminated other than for cause or disability, or the executive terminates his employment for good reason, within twenty-four months after the CIC.

The tables below quantify the amounts that would be payable to our named executive officers in the event of a change in control or in the event of termination of employment in connection with a change in control.

Change in Control (Without a Termination of Employment)

Each named executive officer would have been entitled to the following estimated payments and benefits in the event that a change in control occurred on December 31, 2013, and the named executive officer's equity awards were *not assumed* by the surviving entity. If the awards were assumed by the surviving entity, then the awards would not vest on a change in control.

Executive	Stock Options (\$) ⁽¹⁾	Restricted Share Units (\$) ⁽¹⁾	Total (\$)
Michael Koehler	193,524	6,666,653	6,860,177
Stephen Scheppmann	40,712	2,746,725	2,787,437
Hermann Wimmer	4,874	2,672,556	2,677,430
Robert Fair	48,676	2,746,725	2,795,401
Daniel Harrington	48,676	2,746,725	2,795,401
Darryl McDonald	48,676	2,746,725	2,795,401

- (1) Equity valuations are based on the following assumptions: (i) a closing price of our stock on December 31, 2013 of \$45.49; and (ii) the awards are not assumed in the corporate transaction, vest immediately prior to the change in control (at the target level, in accordance with the applicable award agreements for the Special 2016 PBRsUs and Long-Term Strategic PBRsUs) and are cashed out.

Qualifying Termination Within Two Years After a Change in Control

Each named executive officer would have been entitled to the following estimated payments and benefits if a change in control occurred on December 31, 2013, and the executive's employment was terminated without cause or the executive terminated his employment for good reason immediately following such change in control. These benefits would be in addition to the vesting of stock options and restricted share units described in the change in control table immediately above.

Executive	Cash (\$) ⁽¹⁾	Welfare Benefits (\$)	Out-placement Counseling (\$)	Total (\$)
Michael Koehler	6,048,554	31,864	10,000	6,090,418
Stephen Scheppmann	1,964,443	27,247	10,000	2,001,690
Hermann Wimmer ⁽²⁾	1,975,368		10,000	1,985,368
Robert Fair	1,715,143	26,868	10,000	1,752,011
Daniel Harrington	1,715,143	26,868	10,000	1,752,011
Darryl McDonald	1,684,693	26,868	10,000	1,721,562

- (1) The amount does not reflect a pro-rata bonus for 2013. This is because we are required to assume a termination date of December 31, 2013. On this date, each executive would have already earned a bonus for 2013 regardless of whether he terminated employment. Please refer to the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table for the amount of the 2013 bonus paid to each executive.
- (2) Mr. Wimmer's compensation is paid in euros. The amounts presented in this table for Mr. Wimmer (other than the value of outplacement counseling) have been converted from euros to U.S. dollars using the average exchange rate of 1 = \$1.329825 for the year ending on December 31, 2013.

ADVISORY (NON-BINDING) VOTE

ON EXECUTIVE COMPENSATION

(Item 2 on Proxy Card)

The foundation of our executive compensation program is to pay for performance. Our executive officers are compensated based on the key financial and strategic drivers of our business and in a manner that is consistent with competitive practices and sound corporate governance principles. We believe that our executive compensation program aligns our incentive compensation with the long-term interests of our stockholders because it is designed to motivate our executives to deliver long-term sustainable growth and stockholder value, and to provide retention incentives. The board encourages you to review the Executive Compensation section of this proxy statement, including the Compensation Discussion and Analysis and related tables and narratives, beginning on page 24 of this proxy statement, for additional details on our executive compensation program.

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, stockholders are able to vote to approve, on an advisory (non-binding) basis no less than once every three years, the compensation of our named executive officers (a say-on-pay vote). We submitted both our first say-on-pay vote and an advisory vote on how frequently such a vote would occur to our stockholders at our 2011 annual meeting of stockholders. At that meeting, stockholders expressed a preference for annual say-on-pay votes, and our board of directors determined that it will provide our stockholders with annual say-on-pay voting opportunities.

In our 2013 proxy statement, we provided our stockholders with the opportunity to cast non-binding advisory votes to approve the compensation of our named executive officers for 2012. The say-on-pay proposal was approved by approximately 96.6% of the votes cast at our 2013 annual meeting of stockholders. We are now providing our stockholders with the opportunity to cast non-binding advisory votes to approve the compensation of our named executive officers for 2013, and are asking stockholders to vote to adopt the following resolution:

RESOLVED, that the stockholders of Teradata Corporation approve, on an advisory basis, the compensation of the Company's named executive officers, as such compensation is described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure and related material, set forth in the Company's definitive proxy statement for the 2014 annual meeting of stockholders.

This say-on-pay proposal vote is intended to provide an overall assessment of our executive compensation program rather than focus on any specific item of compensation. As an advisory vote, this proposal is non-binding. However, the board and our Compensation and Human Resource Committee, which is responsible for designing and overseeing the administration of our executive compensation program, values the opinions of our stockholders, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

The Board of Directors recommends that you vote FOR this proposal. Proxies will be so voted unless stockholders specify otherwise in their proxies. Approval of this resolution requires the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on this item of business. However, the results of this vote are not binding on the board, whether or not any resolution is passed under this voting standard. To the extent there is any significant vote against our executive compensation program, the Compensation and Human Resource Committee will evaluate whether any actions are necessary and appropriate to address stockholder concerns.

**VOTE ON APPROVAL OF AN AMENDMENT OF
THE CERTIFICATE OF INCORPORATION
OF TERADATA CORPORATION**

(Item 3 on Proxy Card)

Our Board of Directors recommends that the stockholders approve an amendment of our Amended and Restated Certificate of Incorporation (the Certificate) to provide for the annual election of directors. Currently, Article Fifth, Section 3 of the Certificate divides our board into three classes, with the term of one class expiring each year and directors in each class serving for three-year terms. Our board has declared advisable and approved, and recommends that you approve and adopt, an amendment (the Proposed Amendment), to Article Fifth of the Certificate, that would eliminate the three-class staggered board structure.

A copy of Article Fifth of the Certificate, showing the changes that would be implemented by the Proposed Amendment, is attached as Appendix A to this proxy statement. The general description of the Proposed Amendment set forth here is qualified in its entirety by reference to Appendix A. Certain conforming amendments will be made to our Amended and Restated Bylaws (Bylaws) if the stockholders approve the Proposed Amendment; however, stockholder approval is not required for the proposed amendments to our Bylaws.

While our Board of Directors believes that a classified board may offer several advantages, such as promoting continuity and stability, encouraging directors to take a long-term perspective of management and reducing a company's vulnerability to coercive takeover tactics, it recognizes that many investors believe that a classified board structure reduces the accountability of directors to stockholders because the directors do not face an annual election. Our board believes that this view outweighs the benefits of staggered terms. In light of this view, the board has determined that it will ask stockholders to approve the Proposed Amendment of the Certificate that eliminates the Company's current classified board structure and makes certain related changes.

Elimination of Staggered Board Structure

If the Proposed Amendment is adopted and becomes effective, all directors elected by stockholders at or after the 2015 annual meeting of stockholders will serve for terms expiring at the next annual meeting of stockholders, subject to their earlier death, resignation, retirement, disqualification, or removal from office. However, directors elected to three-year terms of office at or before this 2014 annual meeting of stockholders will complete their three-year terms. Beginning at the 2017 annual meeting of stockholders, all directors would be subject to annual election to one-year terms. The Proposed Amendment would also provide that, following the termination of the staggered board structure in 2017, a director elected by the board to a vacancy or new directorship would serve for a term expiring at the next annual meeting of stockholders following his or her election.

Removal of Directors

The Certificate currently provides that our directors may be removed only for cause, and only by the affirmative vote of the holders of at least 80% of the voting power of our then outstanding capital stock entitled to vote at an election of directors. Because Delaware law specifies that directors serving on a non-staggered board must be removable by stockholders either for or without cause, the Proposed Amendment would specify that directors may be removed for or without cause by the affirmative vote of the holders of at least 80% of the voting power of our then outstanding capital stock entitled to vote thereon, but amended Article Fifth will continue to provide that those directors serving the remainder of a three-year term may be removed only for cause.

If the Proposed Amendment is approved by the stockholders, it will become effective upon the filing of a certificate of amendment to the Certificate with the Delaware Secretary of State. However, even if the Proposed Amendment is approved by the stockholders, the Board retains discretion under Delaware law not to implement the Proposed Amendment. If the board exercises such discretion, it will publicly disclose that fact and the reason for its determination.

The Board of Directors recommends that you vote FOR this proposal. Approval of this proposal requires the affirmative vote of the holders of at least 80% of the voting power of the Company's outstanding common stock. Abstentions and broker non-votes will have the same effect as a vote against this proposal. Proxies solicited by the board will be voted FOR this proposal, unless you specify otherwise in your proxy.

**DIRECTORS PROPOSAL TO RATIFY THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014**

(Item 4 on Proxy Card)

The Audit Committee of the Board of Directors, which is composed entirely of independent directors, appointed PricewaterhouseCoopers (PwC) as our independent registered public accounting firm for 2014 to audit our consolidated financial statements. The board has approved this appointment and, as a matter of good corporate governance, is asking you to ratify this appointment.

Based on its Pre-Approval Policy (as defined on page 55 of this proxy statement) and applicable SEC rules and guidance, the Audit Committee has considered whether the provision of the tax and other non-audit services described below under the caption Fees Paid to Independent Registered Public Accounting Firm was compatible with maintaining PwC s independence and concluded that it was.

PwC has been our independent registered public accounting firm since 2007. The firm is considered a leader in providing audit services to the high-technology industry. The board believes that PwC is well-qualified to serve as our independent registered public accounting firm given its experience, global presence with offices or affiliates in or near most locations where we do business, and quality audit work in serving us. PwC rotates its audit partners assigned to audit us at least once every five years, and the Audit Committee has placed restrictions on our ability to hire any employees or former employees of PwC or its affiliates.

Representatives of PwC will be at the annual meeting to answer questions, and they may also make any statement they wish at the meeting.

The Board of Directors recommends that you vote FOR this proposal. Approval of this proposal requires the affirmative vote of a majority of the voting power present (in person or by proxy) at the meeting and entitled to vote on this item of business. If the stockholders do not approve this proposal, the Audit Committee and the Board of Directors will reconsider the appointment, but may decide to maintain its appointment of PwC. Proxies solicited by the board will be voted FOR this proposal, unless you specify otherwise in your proxy.

BOARD AUDIT COMMITTEE REPORT

The Company's management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. PricewaterhouseCoopers LLP (PwC), the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

In the course of fulfilling its oversight responsibilities for the Company, the Audit Committee has reviewed and discussed with management the Company's audited financial statements for fiscal year 2013, as well as quarterly earnings releases and quarterly reports on Form 10-Q, and, together with the Board of Directors, has reviewed and discussed the Company's annual report on Form 10-K for the fiscal year ended December 31, 2013 and this proxy statement. In addition, as part of their oversight responsibility, the Audit Committee has reviewed and discussed with management the adequacy and effectiveness of the Company's internal control over financial reporting. PwC has also discussed with the Audit Committee significant matters regarding internal control over financial reporting that have come to its attention during the course of its audit of the consolidated financial statements. The Audit Committee also discussed with the Company's management the process used for certifications by the Company's Chief Executive and Chief Financial Officers for the Company's quarterly and year-end filings with the SEC, as well as the clarity and completeness of the Company's financial disclosures. Further, the Audit Committee discussed with PwC the matters required to be discussed under the Public Company Accounting Oversight Board (PCAOB), Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee also has received the written disclosures and the letter from PwC required by the applicable requirements of the PCAOB regarding PwC's communications with the Audit Committee concerning independence and has discussed with PwC its independence from management and the Company.

The Audit Committee met in executive session frequently in 2013 with PwC, the Company's Chief Financial Officer, and Vice President of Enterprise Risk and Assurance Services, each of whom has unrestricted access to the committee.

Based on the reviews and the discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the Securities and Exchange Commission.

Dated: February 26, 2014

The Audit Committee:

Victor L. Lund, Chair

Edward P. Boykin, Member

Nancy E. Cooper, Member

Cary T. Fu, Member

FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The following table presents the fees accrued or billed for professional audit services rendered by our independent registered public accounting firm, PricewaterhouseCoopers LLP (PwC), for the audit of our consolidated financial statements for fiscal years 2013 and 2012, as well as the worldwide fees accrued or billed for other services rendered by PwC in 2013 and 2012.

Service	2013	2012
Audit Fees	\$ 2,436,914 ⁽¹⁾	\$ 2,469,332 ⁽²⁾
Audit-Related Fees	0	0
Tax Fees	70,439 ⁽³⁾	81,482 ⁽⁴⁾
All Other Fees	4,500 ⁽⁵⁾	4,500 ⁽⁵⁾
Total Fees	\$ 2,511,853	\$ 2,555,314

- (1) Includes fees related to the annual audit and quarterly review of our consolidated financial statements, the audit of internal control over financial reporting, attestation services and review services associated with our filings with the SEC, and consultations with management as to the accounting or disclosure treatment of transactions or events and the actual or potential impact of final or proposed rules, standards or interpretations by regulatory and standard setting bodies (consultation services). Also includes \$468,914 for the 2012 statutory audits of the financial statements of select foreign subsidiaries.
- (2) Includes fees related to the annual audit and quarterly review of our consolidated financial statements, the audit of internal control over financial reporting, attestation services and review services associated with our filings with the SEC, and consultation services. Also includes \$494,332 for the 2011 statutory audits of the financial statements of select foreign subsidiaries.
- (3) Includes tax fees for tax compliance services related to our subsidiaries in Mexico.
- (4) Includes tax fees for tax compliance services related to our subsidiaries in Mexico, and assistance in preparing advanced pricing agreements for certain foreign subsidiaries.
- (5) Includes license fees for PwC software products used to assist in conducting accounting research and other service tools. The Audit Committee has adopted policies and procedures regarding its pre-approval of the audit, audit-related, tax and all other non-audit services to be provided by our independent registered public accounting firm or its affiliates to us or our consolidated subsidiaries (the Pre-Approval Policy). This policy is designed to assure that the provision of such services does not impair the independence of our independent registered public accounting firm. Under the Pre-Approval Policy, at the beginning of each fiscal year, the Audit Committee will review the services proposed by management and our independent registered public accounting firm to be provided during that year. The Audit Committee will then provide its pre-approval based on the limitations set forth in the Pre-Approval Policy. These limitations include the following:

In no case should we or any of our consolidated subsidiaries retain our independent registered public accounting firm or its affiliates to provide management consulting services or any non-audit services that are not permitted under applicable laws and regulations, including, without limitation, the Sarbanes-Oxley Act of 2002 and the SEC's related rules and regulations.

Edgar Filing: TERADATA CORP /DE/ - Form DEF 14A

Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any other non-audit services and tax consulting services will require specific pre-approvals by the Audit Committee and a determination that such services would not impair the independence of our independent registered public accounting firm. Specific pre-approvals by the Audit Committee will also be required for any material changes or additions to the pre-approved services.

The Audit Committee recommends that the ratio of total tax and all other non-audit services to total audit and audit-related services procured by us in a fiscal year be less than one-to-one.

The Audit Committee will not permit the exclusive retention of our independent registered public accounting firm in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which is not supported in applicable tax law.

Pre-approval fee levels for all services to be provided by the independent registered public accounting firm will be established annually by the Audit Committee, and updated on a quarterly basis by the Audit Committee at its regularly scheduled meetings. Any proposed services significantly exceeding these levels will require separate pre-approval by the Audit Committee.

Our Chief Accounting Officer will report to the Audit Committee on a quarterly basis regarding the status of all pre-approved audit, audit-related, tax and all other non-audit services provided by our independent registered public accounting firm or its affiliates to us or our consolidated subsidiaries.

Back-up documentation will be provided as appropriate to the Audit Committee by management and/or the independent registered public accounting firm when requesting pre-approval of services by our independent registered public accounting firm. At the request of the Audit Committee, additional detailed documentation regarding the specific services will be provided.

Requests or applications to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by our Chief Financial Officer, with the support of the independent registered public accounting firm, and must include a joint statement as to whether, in the view of management and the independent registered public accounting firm, the request or application is consistent with the SEC's rules on auditor independence.

Under the Pre-Approval Policy, the Audit Committee has delegated to its Chair limited authority to grant pre-approvals for audit, audit-related, tax and other non-audit services in the event that immediate approval of a service is needed. The Chair shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting for its review and approval. The Audit Committee has not delegated to management its responsibilities to pre-approve services performed by the independent registered public accounting firm.

The audit, tax and all other non-audit services provided by PwC to us, and the fees charged for such services, will be actively monitored by the Audit Committee as set forth in the Pre-Approval Policy on a quarterly basis to maintain the appropriate level of objectivity and independence in the firm's audit work for us. Part of the Audit Committee's ongoing monitoring includes a review of any de minimus exceptions as provided in the applicable SEC rules for non-audit services that were not pre-approved by the Audit Committee. All services provided by PwC in the fiscal years 2013 and 2012 were pre-approved by the Audit Committee.

OTHER MATTERS

The Board of Directors does not know of any matters that will be brought before the 2014 annual meeting other than those listed in the notice of meeting. If any other matters are properly introduced at the meeting for consideration, including consideration of a motion to adjourn the meeting to another time or place, the individuals named on the proxy card will have authority to vote on such matters in their discretion.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, banks and brokers) to satisfy the delivery requirements for annual reports, proxy statements, and Notice of Internet Availability of Proxy Materials (Notice) with respect to two or more stockholders sharing the same address by delivering one annual report, proxy statement and Notice addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are Teradata s stockholders will be householding our proxy materials. A single annual report, proxy statement and Notice will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have multiple Teradata common stock record accounts and/or share an address with a family member who is a Teradata stockholder and want to receive more than one copy of the annual report, proxy statement or Notice, you may contact our mailing agent, Broadridge Financial Solutions, at Broadridge Household Department, 51 Mercedes Way, Edgewood, New York, 11717 (phone: 1-800-542-1061). Broadridge will remove you from the householding program within thirty days after receipt of this request and will mail you a separate copy of the annual report, proxy statement, and Notice. Stockholders who hold their stock through a bank or broker and currently receive multiple copies of the annual report, proxy statement or Notice at their address and would like to request householding of their communications should contact their bank or broker.

ADDITIONAL INFORMATION

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies in connection with the annual meeting. Proxies may be solicited on our behalf through the mail, in person, by telephone, electronic transmission, or facsimile transmission. We have hired Georgeson Shareholder Communications Inc. to assist in the solicitation of proxies, at an estimated cost of \$15,500 plus reimbursement of reasonable out-of-pocket expenses. In accordance with SEC and NYSE rules, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses of sending proxies and proxy materials as intermediaries to the beneficial owners of our common stock.

Procedures for Stockholder Proposals and Nominations

Under our bylaws, nominations for directors at an annual meeting may be made only by (i) the Board of Directors or a committee of the board, or (ii) a stockholder entitled to vote who has delivered notice to us within 90 to 120 days before the first anniversary of the date of the preceding year's annual meeting and complied with the additional requirements set forth in our bylaws.

Our bylaws also provide that business may not be brought before an annual meeting unless it is (i) specified in our proxy materials (*i.e.*, proposals brought by the Board of Directors and stockholder proposals that we are required to include in our proxy statement under SEC Rule 14a-8), (ii) brought before the meeting by or at the direction of the board, or (iii) brought by a stockholder entitled to vote who has delivered notice to us (containing certain information specified in the bylaws) within 90 to 120 days before the first anniversary of the date of the preceding year's annual meeting and complied with the additional requirements set forth in our bylaws. In order to include a proposal in our notice of meeting and proxy materials pursuant to SEC Rule 14a-8, you must comply with the requirements of that rule.

A copy of the full text of our bylaws may be obtained upon written request to the Corporate Secretary at Teradata Corporation, 10000 Innovation Drive, Dayton, Ohio 45342. A copy of our bylaws, which were last amended by the Board of Directors on April 20, 2012, is also available on our corporate governance website at <http://www.teradata.com/articles-and-bylaws>.

Stockholder Proposals for 2015 Annual Meeting

To include a stockholder proposal in our 2015 notice of meeting and proxy materials pursuant to SEC Rule 14a-8, a stockholder must satisfy all applicable requirements of that rule, and the proposal must be received by our Corporate Secretary at Teradata Corporation, 10000 Innovation Drive, Dayton, Ohio 45342, no later than November 6, 2014. To present any other proposal at the 2015 annual meeting of stockholders, or to nominate a candidate for director election at the 2015 annual meeting, a stockholder must submit an advance written notice of such proposal and/or nomination (as applicable) to us that complies with certain requirements set forth in our bylaws. Such advance written notice must be received by our Corporate Secretary at the Company's address provided on page 1 of this proxy statement no sooner than the close of business on December 30, 2014, and no later than the close of business on January 29, 2015.

The above notice and proxy statement are sent by order of the Board of Directors.

Laura Nyquist

General Counsel and Secretary

Dated: March 6, 2014

FIFTH: The following provisions are inserted for the management of the business and the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

- (1) The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.
- (2) The number of members of the Board of Directors shall be fixed, from time to time, exclusively pursuant to a resolution adopted by the affirmative vote of a majority of the entire Board of Directors, subject to the rights of the holders of Preferred Stock, if any. As used in this Article FIFTH and in Article TENTH, the term "entire Board of Directors" means the total number of directors which the Corporation would have if there were no vacancies.
- (3) ~~The directors shall be divided into three classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be possible, of one third of the total number of directors constituting the entire Board of Directors. The initial division of the members of the Board of Directors into classes shall be made by the decision of the affirmative vote of a majority of the entire Board of Directors. The term of the initial Class I directors shall terminate on the date of the 2008 annual meeting; the term of the initial Class II directors shall terminate on the date of the 2009 annual meeting; and the term of the initial Class III directors shall terminate on the date of the 2010 annual meeting. At each succeeding annual meeting of stockholders beginning in 2008, successors to the class of directors whose term expires at that annual meeting shall be elected for a three year term. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any additional director of any class elected to fill a vacancy resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case will a decrease in the number of directors shorten the term of any incumbent director.~~
- (3) The directors shall be and are divided into three classes, with the terms of the classes elected at the annual meetings of stockholders held in 2012, 2013 and 2014, respectively, expiring at the third annual meeting of stockholders held after the election of such class of directors; provided that such division shall terminate at the third annual meeting of stockholders held after the 2014 annual meeting of stockholders. Notwithstanding the preceding sentence, but subject to the rights of any one or more series of Preferred Stock to elect directors separately as a class, each director elected by the stockholders after the 2014 annual meeting of stockholders shall serve for a term expiring at the first annual meeting of stockholders held after such director's election.
- (4) Notwithstanding the expiration of a director's term, he or she will remain in office until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office. Directors need not be stockholders.
- (5) Subject to applicable law and to the terms of any one or more series of Preferred Stock, any vacancy on the Board of Directors that results from an increase in the number of directors may be filled only by a majority of the Board of Directors then in office, provided that a quorum is present, and any other vacancy occurring on the Board of Directors may be filled only by a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. Any director of any class elected to fill a vacancy resulting from an increase in the number of directors of such class shall hold office for a term that shall coincide with the remaining term of that class, ~~or, following the termination of the division of directors into three classes, a director so elected shall hold office for a term expiring at the next annual meeting of stockholders held after such election.~~ Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his predecessor.

or, following the termination of the division of directors into three classes, a director so elected shall hold office for a term expiring at the next annual meeting of stockholders held after such election. Except as otherwise required by applicable law and subject to the rights, if any, of the holders of shares of Preferred Stock then outstanding, any or all of the directors of the Corporation may be removed from office at any time, ~~but only for or without cause and, provided that a director may be removed~~ only by the affirmative vote of the holders of at least eighty percent (80%) of the voting power of the Corporation ~~s then outstanding capital stock entitled to vote at an election of directors thereon.~~ Notwithstanding the preceding sentence, a director serving in a class of directors elected for a term expiring at the third annual meeting of stockholders following the election of such class shall be removable only for cause and only by the affirmative vote of the holders of at least eighty percent (80%) of the voting power of the Corporation s then outstanding capital stock entitled to vote at an election of directors. Notwithstanding the foregoing, whenever the holders of any one or more series of Preferred Stock issued by the Corporation shall have the right, voting separately by series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of the Preferred Stock Designation providing for the issuance of such series, ~~and such directors so elected shall not be divided into classes pursuant to this Article FIFTH unless expressly provided by such terms.~~

- (6) In addition to the powers and authority hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL and this Amended and Restated Certificate of Incorporation.

Your Internet or telephone proxy authorizes the proxyholders to vote the shares in the same manner as if you marked, signed and returned your proxy card.

TERADATA CORPORATION

TERADATA CORPORATION

Proxy/Voting Instruction Card

THIS PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS

FOR TERADATA'S 2014 ANNUAL MEETING OF STOCKHOLDERS

The undersigned stockholder of Teradata Corporation, a Delaware corporation ("Teradata" or the "Company"), hereby appoints Michael Koehler, Stephen Scheppmann and Laura Nyquist, and each of them, proxies, with full power of substitution, to vote all shares of common stock of Teradata that the undersigned is entitled to vote at Teradata's Annual Meeting of Stockholders to be held in Atlanta, Georgia, on April 29, 2014, and at any postponement or adjournment thereof, in the manner indicated on the reverse side and, in such proxyholders' sole discretion, upon any matter that may properly come before the meeting, or any postponement or adjournment thereof, including to vote for the election of a substitute nominee for director as such proxyholders may select in the event any nominee named on this proxy card is unable to serve. This proxy card also provides voting instructions to the trustee of the Teradata Corporation Savings Plan, the Company's 401(k) plan (the "Teradata Savings Plan") and to the trustees and administrators of other plans, with regard to shares of Teradata common stock the undersigned may hold under such plans for which the undersigned is entitled to vote at said meeting to the extent permitted by such plans and their trustees and administrators. By executing this proxy card, the undersigned acknowledges receipt from the Company of the notice of the 2014 Annual Meeting of Stockholders and accompanying proxy statement and hereby revokes any previously granted proxy that relates to the aforementioned annual meeting.

The proxyholders or the trustees and administrators of the plans, as the case may be, will vote the shares in accordance with the directions on this proxy card. If you do not indicate your choices on this proxy card, the proxyholders will vote the shares in accordance with the directors' recommendations. If you are a Teradata Savings Plan participant entitled to vote at the 2014 Annual Meeting of Stockholders and do not indicate your choices on this proxy card, those shares will be voted by the trustee of such plan.
