PROXY STATEMENT

Our Board of Directors is soliciting proxies to be voted at the 2014 Annual Meeting of Stockholders, which we refer to as the Annual Meeting, to be held on April 21, 2014. Your vote is very important. For this reason, our Board of Directors is requesting that you permit your shares of our common stock to be represented at the Annual Meeting by the proxies named on the proxy card. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully. In this Proxy Statement, VCA Antech, Inc. is referred to as the Company, VCA, we, us and our.

In accordance with rules and regulations of the Securities and Exchange Commission (the SEC), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner, we now furnish proxy materials, which include the Proxy Statement, proxy card and the Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which we refer to as the 2013 Annual Report, to our stockholders over the Internet. On March 12, 2014, we mailed the Notice of Internet Availability of Proxy Materials to our stockholders and made available the proxy materials to our stockholders at www.proxyvote.com.

Because you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you have previously made a permanent election to receive these materials in hard copy. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy. If you received the Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

QUESTIONS AND ANSWERS

Who may vote at the Annual Meeting?

You may vote your VCA common stock at the Annual Meeting if you were a holder of record of VCA common stock at the close of business on March 4, 2014, which we refer to as the Record Date. At that time, there were 89,457,177 shares of common stock outstanding, and approximately 293 holders of record. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

What items of business will be voted on at the Annual Meeting?

There are four items of business scheduled to be voted on at the Annual Meeting:

Election of two members to the Board of Directors.

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014.

Advisory vote on the compensation of the Company's named executive officers.

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Approval of an amendment to our Amended and Restated Certificate of Incorporation to change the name of the Company to VCA Inc. We will also consider other business as may properly come before the Annual Meeting or any adjournments or postponements thereof, including approving any such adjournment or postponement, if necessary. Please note

Table of Contents

that at this time we are not aware of any such business, and the dates have passed for presenting any stockholder proposals pursuant to our bylaws or pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act .

How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote:

FOR the election of its nominees to the Board of Directors.

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014.

FOR the compensation of our named executive officers as disclosed in this Proxy Statement (which disclosure includes the Compensation Discussion and Analysis, the executive compensation tables and the related footnotes and narrative accompanying the tables).

FOR the amendment to our Amended and Restated Certificate of Incorporation changing the name of the Company to VCA Inc.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice of Internet Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

How can I get electronic access to the proxy materials?

The Notice of Internet Availability of Proxy Materials provides you with instructions regarding how to:

View our proxy materials for the Annual Meeting on the Internet; and

Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

The Notice of Internet Availability of Proxy Materials, Proxy Statement, proxy card and the 2013 Annual Report are available at www.proxyvote.com.

How can I obtain paper or email copies of proxy materials?

Edgar Filing: VCA ANTECH INC - Form DEF 14A

The Notice of Internet Availability of Proxy Materials contains a toll-free telephone number, an email address, and a website where stockholders can request a paper or an email copy of the Proxy Statement, proxy card and the 2013 Annual Report. These proxy materials are available free of charge.

Table of Contents

How can I vote my shares in person at the Annual Meeting?

If your shares are registered directly in your name with Broadridge Corporate Issuer Solutions, Inc., our Transfer Agent, you are considered the stockholder of record with respect to those shares and the Notice of Internet Availability of Proxy Materials is being sent directly to you by VCA. As the stockholder of record, you have the right to vote in person at the meeting. If you choose to do so, you can vote using the ballot provided at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to attend the Annual Meeting.

Most stockholders of VCA hold their shares in street name through a broker, bank or other nominee rather than directly in their own name. In that case, you are considered the beneficial owner of shares held in street name, and the Notice of Internet Availability of Proxy Materials is being forwarded to you by your broker, bank or other nominee, as applicable. As the beneficial owner, you are also invited to attend the Annual Meeting. Because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. You will need to contact your broker, trustee or nominee to obtain a legal proxy, and you will need to bring it to the Annual Meeting in order to vote in person.

How can I vote my shares without attending the Annual Meeting?

If you are a stockholder of record and you do not wish to vote in person at the Annual Meeting, you may vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, or, if you received printed copies of the proxy materials, you can also vote by mail or by telephone pursuant to the instructions included on the proxy card.

If you are a beneficial owner of shares held in street name and you do not wish to obtain a legal proxy from your broker, trustee or other nominee giving you a right to vote these shares in person at the Annual Meeting, you may direct the voting of these shares over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, or if you received printed copies of the proxy materials, you can also vote by mail or by telephone by following the instructions included on the voting instruction card provided to you by your broker, trustee or other nominee.

What happens if additional matters are presented at the Annual Meeting?

Other than the three items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxies, Robert L. Antin and Tomas W. Fuller, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

What happens if I do not give specific voting instructions?

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, the proxy holders will vote your shares in the manner recommended by our Board of Directors on all matters presented in this Proxy Statement, and, with respect to any other matters that properly come before the Annual Meeting, as the proxy holders may determine in their discretion.

If you hold your shares through a broker, bank or other nominee and you do not provide your broker with specific voting instructions, your broker may vote your shares only with respect to certain matters considered routine.

Table of Contents

Specifically, your broker may vote in its discretion on the ratification of our independent registered public accounting firm if you do not furnish instructions. Your broker may not vote on the (i) election of directors and (ii) advisory vote on the compensation of the Company's named executive officers if you do not furnish instructions for those items.

You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered broker non-votes. If you are the beneficial owner of shares held in the name of a broker, bank or other nominee and do not provide such broker, bank or other nominee with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on a matter without instructions from the beneficial owner and the instructions are not given. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that matter. Thus broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

What is the quorum requirement for the Annual Meeting?

A majority of VCA's outstanding shares as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, whether representing votes for, against, withheld or abstained, if you:

are present and vote at the Annual Meeting; or

properly submit a proxy card, vote by telephone or vote over the Internet.

Broker non-votes also are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

How can I change my vote after I return my proxy card?

If you are a stockholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064, stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy form. Any earlier proxies will be revoked automatically.

Third, you may attend the Annual Meeting and vote in person. Any earlier proxy will be revoked. However, attending the Annual Meeting without voting in person will not revoke your proxy.

If your shares are held in street name and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

Table of Contents

What is the voting requirement to approve each of the items?

Item 1 Election of directors	To be elected in an uncontested election a nominee must receive the FOR vote of a majority of the votes cast for the election of directors at the Annual Meeting. Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of the election of the nominee.
Item 2 Ratification of appointment of independent registered public accounting firm	To be approved by the stockholders, this item must receive the FOR vote of a majority of the votes cast on this proposal at the Annual Meeting. Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of this proposal.
Item 3 Advisory vote on the compensation of the Company's named executive officers	To be approved by the stockholders, this item must receive the FOR vote of a majority of the votes cast on this proposal at the Annual Meeting. Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of this proposal.
Item 4 Approval of an amendment to our Amended and Restated Certificate of Incorporation, changing the Company's name to VCA Inc.	To be approved by the stockholders, this item must receive the FOR vote of a majority of the outstanding shares of common stock of the Company. Abstentions and broker non-votes will have the same effect as a vote against approval of the Amendment.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K to be filed with the SEC within four business days of the Annual Meeting.

Who pays for the cost of this proxy solicitation?

We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone.

Is there a list of stockholders entitled to vote at the Annual Meeting?

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting at our principal executive offices between the hours of 9:00 a.m. and 5:00 p.m. for any purpose relevant to the Annual Meeting. To arrange to view this list during the times specified above, please contact the Secretary of the Company.

Table of Contents

What is the deadline to propose actions for consideration at next year's annual meeting?

Stockholders who, in accordance with Rule 14a-8 under the Exchange Act, wish to present proposals for inclusion in the proxy materials to be distributed in connection with the 2015 annual meeting of stockholders must submit their proposals so that they are received at our principal executive offices no later than the close of business November 7, 2014, or in the event the Company's 2015 annual meeting is advanced more than 30 days or delayed more than 70 days from the date of the 2014 annual meeting, within a reasonable time before the Company begins to print and mail the proxy materials for the 2015 annual meeting. As the SEC rules make clear, simply submitting a proposal does not guarantee that it will be included in the Company's proxy materials.

In addition, stockholders who wish to introduce a proposal from the floor of the 2015 annual meeting of stockholders (outside the processes of Rule 14a-8), must submit that proposal in writing to the Company at our principal executive offices after December 22, 2014 and no later than January 21, 2015 or, in the event the Company's 2014 annual meeting of stockholders is advanced more than 30 days or delayed more than 70 days from the date of the 2014 annual meeting, by the close of business on the tenth day following the day on which public announcement of the 2015 annual meeting is first made by the Company.

To be in proper form, a stockholder's notice must include the information required by our bylaws with respect to each proposal submitted. The Company may refuse to consider any proposal that is not timely or otherwise does not meet the requirements of our bylaws or the SEC's rules with respect to the submission of proposals.

You can find a copy of our bylaws in the Investor Relations section of the Company's website (www.vcaantech.com) by clicking on Corporate Governance or you may obtain a copy by submitting a request to VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064.

How do I nominate a candidate for election as a director at next year's annual meeting?

Stockholders who wish to nominate a candidate for election as a director at our 2015 annual meeting of stockholders must submit their nomination in writing to the Company at our principal executive offices after December 22, 2014 and no later than January 21, 2015, or, in the event the Company's 2014 annual meeting of stockholders is advanced more than 30 days or delayed more than 70 days from the date of the 2014 annual meeting, by the close of business on the tenth day following the day on which public announcement of the 2015 annual meeting is first made by the Company.

To be in proper form, a stockholder's notice must include the information required by our bylaws with respect to the nomination and all other information regarding the proposed nominee and the nominating stockholder required by Section 14 of the Exchange Act. The Company may refuse to consider any nomination that is not timely or otherwise does not meet the requirements of our bylaws or the SEC's rules with respect to the submission of director nominations. A written statement from the proposed nominee consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any stockholder nomination.

How can I communicate with the Board of Directors?

Stockholders may communicate with the Board of Directors by sending a letter to the Board of Directors of VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064. Each communication must contain a clear notation indicating that it is a Stockholder Board Communication or Stockholder Director Communication, and each communication must identify the author as a stockholder. The Office of the Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The Office of the Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

Table of Contents

CORPORATE GOVERNANCE

Our business is managed by our employees under the direction and oversight of the Board of Directors. Except for Robert L. Antin, none of the members of our Board of Directors is an employee of VCA. We keep the members of our Board of Directors informed of our business through discussions with management, materials we provide to them, visits to our offices and their participation in Board of Directors and committee meetings.

We believe transparent, effective, and accountable corporate governance practices are key elements of our relationship with our stockholders. To help our stockholders understand our commitment to this relationship and our governance practices, several of our key governance initiatives are summarized below.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines which govern, among other things, criteria for membership on the Board of Directors, vacancies on the Board of Directors, director responsibilities, director education, and committee composition and charters. You can access these Corporate Governance Guidelines, along with other materials such as committee charters, on our website at <http://investor.vcaantech.com>.

Code of Ethics

We have adopted a Code of Ethics and Business Conduct applicable to all of our employees as well as our directors and executive officers. Our Code of Ethics and Business Conduct is designed to set the standards of business conduct and ethics and to help directors and employees resolve ethical issues. Our Code of Ethics and Business Conduct applies to our Chief Executive Officer, Chief Financial Officer, all other senior financial executives, our directors when acting in their capacity as directors and to all of our employees. The purpose of our Code of Ethics and Business Conduct is to ensure to the greatest possible extent that our business is conducted in a consistently legal and ethical manner. Employees may submit concerns or complaints regarding audit, accounting, internal controls or other ethical issues on a confidential basis by means of an anonymous toll-free telephone call or email. We investigate all concerns and complaints. Our Code of Ethics and Business Conduct is posted on our website at <http://investor.vcaantech.com>.

We intend to disclose on our website amendments to, or waivers from, any provision of our Code of Ethics and Business Conduct which applies to our Chief Executive Officer, Chief Financial Officer, Principal Accounting Officer/Controller and persons performing similar functions and amendments to, or waivers from, any provision of our Code of Ethics and Business Conduct described in Item 406(b) of Regulation S-K of the Exchange Act.

Committee Responsibilities

VCA has three committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each committee meets regularly and has a written charter approved by the Board of Directors. See Further Information Regarding Board of Directors Meetings & Committees contained elsewhere in this Proxy Statement.

Independence

NASDAQ rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five current directors are independent under the NASDAQ Global Select Market listing standards. Our independent directors are: John M. Baumer, John B. Chickering, Jr., John Heil and Frank Reddick. In determining Mr. Reddick's independence, the Board of Directors considered Mr. Reddick's position as a partner at Akin Gump Strauss Hauer & Feld LLP, which provides legal services to us. In addition, all of the directors currently serving on the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are independent under the NASDAQ Global Select Market listing standards.

Table of Contents

Stockholder Communication

Stockholders may communicate with the Board of Directors by sending a letter to the Board of Directors of VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064. Each communication must contain a clear notation indicating that it is a Stockholder Board Communication or Stockholder Director Communication, and each communication must identify the author as a stockholder. The Office of the Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The Office of the Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

Director Attendance at Annual Meetings

All directors are encouraged to attend VCA's annual meetings of stockholders. Two of our directors attended our 2013 Annual Meeting of Stockholders.

Executive Sessions

VCA's independent directors regularly meet in executive session without management present.

Board Leadership

VCA is led by its founder, Robert L. Antin, who has served as Chairman of the Board, Chief Executive Officer and President since our inception in 1986. We believe that combining the role of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for VCA and provides for a single, clear focus for management to execute the Company's strategy and business plan. Mr. Antin's industry expertise and intimate knowledge of VCA's operations and strategy make him uniquely positioned and qualified to serve in these capacities, and we believe Mr. Antin is seen by our customers, business partners, investors and other stakeholders as providing strong leadership for the Company and the industry.

VCA does not have a lead director and does not believe that appointing a lead director would materially impact the performance of the Board of Directors, as it currently employs a variety of structural and operational controls that serve the same purpose. For example, our independent directors meet regularly in executive sessions. This allows independent directors to speak candidly on any matter of interest, without the Chief Executive Officer or other managers present. Moreover, each committee chair acts as presiding director for Board of Directors discussions on topics within the sphere of his committee. All members of the Board of Directors are free to suggest the inclusion of items on Board of Directors and committee meeting agendas, and, to the fullest extent possible, all meeting materials and presentations are distributed to the Board of Directors in advance, allowing efficient use of time during meetings for questions and comprehensive deliberations. All members of the Board of Directors have direct and complete access to the Company's management at all times, subject to reasonable time constraints and their judgment. Additionally, the Chief Executive Officer's performance and compensation are evaluated and determined by the Compensation Committee, which is comprised solely of independent directors. Finally, each committee of the Board of Directors, all of which are comprised solely of independent directors, has the right at any time to retain independent outside financial, legal or other advisors.

Risk Oversight

The Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of the Company's objectives and to maintain stockholder value. The fully independent Audit Committee is primarily responsible for overseeing the Company's exposure to financial risk and reviewing the steps the Company's management has taken to monitor and control such exposure. The Audit Committee meets

Table of Contents

at least six times per year, in addition to periodic meetings with management and internal and independent auditors to accomplish its purpose. Additionally, each of the committees of the Board of Directors considers the risks within its area of responsibilities. We believe that the leadership structure of our Board of Directors supports its effective oversight of the Company's risk management.

Outside Advisors

The Board of Directors, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee may each retain outside advisors and consultants of their choosing at VCA's expense.

The Compensation Committee engaged Mercer in 2013 to serve as consultant to the Compensation Committee and to assist it by reviewing and updating the relevant group of peer companies against which to assess the Company's executive and director compensation, providing market data on the named executive officers' and non-executive directors' compensation and reviewing the Company's executive and director compensation plans or practices to advise whether any such plans or practices should be modified to improve effectiveness.

FURTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

Composition

Four of the five members of our Board of Directors have been determined by our Board of Directors to meet the independence requirements of the NASDAQ Global Select Market listing standards. We refer to each of these directors as an independent director.

Meetings & Committees

During fiscal 2013, the Board of Directors held five meetings and acted by unanimous written consent three times. VCA's independent directors regularly meet in executive session without management present.

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, all of which are constituted solely of independent directors. During fiscal 2013, our Committees met an aggregate of 13 times.

Audit Committee

The Audit Committee consists of John M. Baumer, John B. Chickering, Jr. (Chairman) and John Heil, each an independent director and each financially literate as required by the NASDAQ Global Select Market listing standards. Our Board of Directors has determined that Messrs. Baumer, Chickering and Heil qualify as audit committee financial expert[s] as that term is defined in Item 407(d)(5)(ii) of Regulation S-K of the Exchange Act. During fiscal 2013, the Audit Committee held eight meetings and acted once by unanimous written consent.

Among other matters, the Audit Committee:

engages and replaces the independent registered public accounting firm as appropriate;

evaluates the performance and independence of and pre-approves all services provided by the independent registered public accounting firm;

discusses with management, the internal auditor and the independent registered public accounting firm the quality of our accounting principles and financial reporting; and

oversees our internal controls.

Our Audit Committee charter is posted on our website at <http://investor.vcaantech.com>.

Compensation Committee

The Compensation Committee consists of John B. Chickering, Jr. (Chairman) and John M. Baumer, each an independent director and outside director (as such term is defined in Treasury Regulation 1.162-27(e)(3)).

During fiscal 2013, the Compensation Committee held four meetings and acted twice by unanimous written consent. The Compensation Committee:

assists the Board of Directors in ensuring a proper system of long-term and short-term compensation is in place to provide performance-oriented incentives to management, and compensation plans are appropriate and competitive and properly reflect the objectives and performance of management and the Company;

establishes the compensation of all of our executive officers; and

administers the Company's incentive programs, including the VCA Antech, Inc. 2006 Equity Incentive Plan, which we refer to as the Equity Incentive Plan, and the VCA Antech, Inc. 2007 Annual Cash Incentive Plan, which we refer to collectively as the Plans.

Table of Contents

The Compensation Committee is responsible for overseeing the determination, implementation and administration of remuneration, including compensation, benefits and perquisites, of all executive officers and other members of senior management whose remuneration is the responsibility of the Board of Directors. The Compensation Committee seeks the views of our Chief Executive Officer with respect to establishing appropriate compensation packages for the executive officers (other than the Chief Executive Officer). The Compensation Committee also has the authority to delegate its responsibilities to subcommittees of the Compensation Committee if it determines such delegation would be in the best interest of the Company.

The Compensation Committee generally meets in executive session, with no member of management being present at the meetings. In addition, the Compensation Committee may request that any of our directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Compensation Committee requests.

The Compensation Committee has the sole authority to retain independent counsel or other advisors, as it deems necessary in connection with its responsibilities at the Company's expense. The Compensation Committee also has the sole authority to retain and terminate compensation consultants.

Our Compensation Committee charter is posted on our website at <http://investor.vcaantech.com>.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of John B. Chickering, Jr. (Chairman) and John M. Baumer, each an independent director. During fiscal 2013, the Nominating and Corporate Governance Committee held one meeting. The principal responsibilities of the Nominating and Corporate Governance Committee are to propose to the Board of Directors a slate of nominees for election by the stockholders at our Annual Meetings and to review and reassess the adequacy of the Corporate Governance Guidelines and recommend any proposed changes to the Board of Directors.

In considering director candidates, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order to be recommended as a nominee. The Nominating and Corporate Governance Committee does believe, however, that all members of the Board of Directors should have high personal and professional ethics, integrity, practical wisdom and mature judgment, no conflict of interest that would interfere with their performance as a director of a public corporation, a commitment to serve on the Board of Directors over a period of several years, a willingness to represent the best interests of all stockholders and objectively appraise management performance and sufficient time to devote to matters of the Board of Directors.

The Board of Directors and the Nominating and Corporate Governance Committee believe that diversity with respect to viewpoint, skills and experience is an important factor in Board composition. Additionally, in April 2011, the Board of Directors amended the Corporate Governance Guidelines to clarify that gender, age and ethnic diversity are considered by the Nominating and Corporate Governance Committee when seeking and evaluating director candidates. The Board of Directors and the Nominating and Corporate Governance Committee also consider a variety of other factors, attributes and criteria, including each candidate's (i) general understanding of marketing, finance and other disciplines relevant to the success of publicly traded companies, (ii) understanding of the Company's business, (iii) education and professional background, personal and professional integrity, (iv) knowledge, skills and expertise and (v) personal accomplishments to assure appropriate Board composition, taking into account the current Board members and the specific needs of the Company and the Board of Directors.

Our Nominating and Corporate Governance Committee may employ a variety of methods for identifying and evaluating nominees for director, including stockholder recommendations. The Nominating and Corporate Governance Committee will consider candidates recommended by our stockholders, provided that the recommendations are made in accordance with the procedures required under our Bylaws, as summarized in the

Table of Contents

Questions and Answers section of this Proxy Statement. The Nominating and Corporate Governance Committee will not evaluate candidates differently based on who made the recommendation for consideration. Our Nominating and Corporate Governance Committee charter is posted on our website at <http://investor.vcaantech.com>.

Director Attendance

In fiscal 2013, all of our directors attended 75% or more of the aggregate of (i) the total number of meetings held by the Board of Directors, excluding meetings for which the director was required to recuse himself and (ii) the total number of meetings held by all committees on which they served. The Company encourages, but does not require, all directors and director nominees to attend our annual meetings of stockholders. Two of our directors attended our 2013 Annual Meeting of Stockholders.

Risk Assessment

In 2013, certain members of the Company's senior management and the Compensation Committee, in consultation with outside counsel, assessed whether the Company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. This assessment included reviewing various elements of the Company's compensation policies and practices. Among other things, the Compensation Committee considered that (a) the compensation program for the executive officers and other key personnel adequately balances the components of total direct compensation (i.e., annual base salary, annual cash performance awards and/or cash bonuses and long-term equity awards), (b) the annual base salary for all employees, including executive officers, provides a level of assured cash compensation that reduces incentive for risk-taking, (c) the annual cash bonus component of non-executive employees' total direct compensation is small compared to the annual base salary component and, as a result, unlikely to give rise to excessive risk-taking by non-executive employees, (d) the annual cash performance awards to executive officers are typically based on the Company's Adjusted EBITDA or other similar performance metrics that correlate such awards to the Company's overall financial performance, and (e) the Company's performance-based equity awards typically have a three-year vesting period that ensures that the employees' interests align with the Company's stockholders' interests and reduces incentive for short-term risk taking behavior. Based on this review, the Compensation Committee determined that risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of our Board of Directors consists of John B. Chickering, Jr. and John M. Baumer. None of the members of the Compensation Committee was one of our officers or employees at any time during fiscal 2013.

Frank Reddick is a partner at Akin Gump Strauss Hauer & Feld LLP, which provided legal services to us during fiscal 2013 and is providing legal services to us in fiscal 2014. In 2013, the Company paid Akin Gump Strauss Hauer & Feld LLP \$375,000 for legal services. Nevertheless, Mr. Reddick is not disqualified from serving as an independent director on our Board of Directors under the NASDAQ Global Select Market listing standards because of the relatively small amount of fees we paid to Akin Gump Strauss Hauer & Feld LLP in fiscal years 2013, 2012 and 2011 in relation to our total revenues and the total revenues of Akin Gump Strauss Hauer & Feld LLP for those same periods.

None of our executive officers served as a member of the board of directors or compensation committee of any entity that has or has had one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

ITEM 1: ELECTION OF DIRECTORS

We have five members on our Board of Directors. Four of the five members of our Board of Directors have been determined by our Board of Directors to meet the independence requirements of the NASDAQ Global Select Market listing standards.

As provided in our Amended and Restated Certificate of Incorporation, the Board of Directors has been grouped into three classes, as nearly equal in number as possible, which are elected for staggered terms. Our Class III directors will be elected at this Annual Meeting and will hold office for three years until the 2017 annual meeting and thereafter until their successors are duly elected and qualified. The terms of our Class I directors expire at our 2015 annual meeting. The term of our Class II director expires at our 2016 annual meeting. In accordance with our Corporate Governance Guidelines, any director appointed to fill a vacant seat in a class other than the class of directors whose terms expire at the next annual meeting of stockholders will stand for re-election at the next annual meeting of stockholders.

Although we know of no reason why the nominee would not be able to serve, if the nominee is unavailable for election, the proxies will vote your common stock to approve the election of any substitute nominee proposed by our Nominating and Corporate Governance Committee. The Board of Directors may choose to reduce the size of the Board, as permitted by our bylaws, provided we maintain the number of independent directors required by the listing standards of the NASDAQ Global Select Market. The Board of Directors has no reason to believe that VCA's nominee will be unwilling or unable to serve if elected as director.

In February 2013, our Board of Directors adopted a majority voting standard for the election of directors in uncontested elections, which is generally defined as an election in which, as of the record date, the number of nominees does not exceed the number of directors to be elected at the annual meeting.

In the election of the Class III directors, you may either vote for, against or withheld. Cumulative voting is not permitted. Under our majority voting standard, in uncontested elections of directors, such as this election, each director must be elected by the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy and entitled to vote. A majority of the votes cast means that the number of votes cast for a director nominee exceeds the number of votes withheld or cast against the nominee. For these purposes, abstentions will not count as a vote for, withheld or against a nominee's election and thus will have no effect in determining whether a director nominee has received a majority of the votes cast. Brokers do not have discretionary authority to vote on this proposal. Broker non-votes will have no effect on the election of directors as brokers are not entitled to vote on this proposal.

If a director nominee is an incumbent director and does not receive a majority of the votes cast in an uncontested election, that director must promptly tender his or her resignation to the Board of Directors after certification of the election results of the stockholder vote. The Board of Directors will act on the tendered resignation, taking into account any stated reasons for against votes, whether the underlying cause or causes of the against votes are curable, the factors, if any, set forth in our Nominating and Corporate Governance Charter or other policies that are to be considered by our Nominating and Corporate Governance Committee in evaluating potential candidates for the Board, the length of service of such director, such director's past contributions to the Company, and such other factors or information that the Board of Directors deems relevant. The Board of Directors' decision and the rationale behind the decision will be publicly disclosed within 90 days after certification of the election results of the stockholder vote. A director who tenders his or her resignation after failing to receive a majority of the votes cast will not participate in the deliberations or the decision of the Board of Directors with respect to his or her resignation.

We are asking the stockholders to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014. The ratification of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, will require the affirmative vote of a majority of the votes cast at the Annual Meeting. Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has established a policy with respect to the pre-approval of audit and permissible non-audit services and fees provided by the independent registered public accounting firm. The Audit Committee's pre-approval policy requires that all audit and permissible non-audit services and fees be pre-approved by the Audit Committee. Specific pre-approval is not required for permissible non-audit services provided that they:

do not, in the aggregate, amount to more than five percent of total revenues paid by the Company to the independent registered public accounting firm in the fiscal year in which the services are provided;

were not recognized by the Company as non-audit services at the time of the relevant engagement; and

are promptly brought to the attention of the Audit Committee and approved by the Audit Committee (or its designated representatives) prior to the completion of the annual audit.

Pursuant to the pre-approval policy, the Audit Committee's Chairman is delegated the authority to pre-approve audit services and fees, provided he reports those approvals at the next meeting of the Audit Committee. The term of any pre-approval granted by the Audit Committee with respect to a given service is twelve months. All fees in excess of pre-approved levels require specific pre-approval by the Audit Committee. All audit and permissible non-audit services provided to us in connection to fiscal 2013 were approved by the Audit Committee.

REPORT OF AUDIT COMMITTEE

The Audit Committee Report does not constitute soliciting material, and shall not be deemed filed with the Securities and Exchange Commission or to be subject to Regulation 14A or 14C as promulgated by the Securities and Exchange Commission, or to the liabilities of Section 18 of the Securities Exchange Act of 1934.

The Committee is responsible for overseeing, on behalf of the Board of Directors, the Company's accounting and financial reporting process and the audits of VCA's financial statements. The Committee acts only in an oversight capacity and relies on the work and assurances of management, which has the primary responsibility for the financial reporting process, including the system of internal controls, and the financial statements.

The Committee has:

reviewed and discussed the audited financial statements with management and the independent registered public accounting firm;

discussed with the independent registered public accounting firm the matters required to be discussed by the Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16 (*Communications with Audit Committees*);

received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with the independent registered public accounting firm the independent accountant's independence from the Company and its management; and

considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with the accountant's independence, and has concluded that the independent registered public accounting firm is independent from the Company and its management.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, for filing with the Securities and Exchange Commission.

ITEM 3: ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY S NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are providing our stockholders with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers. The Compensation Discussion and Analysis beginning on page 23 of this Proxy Statement describes the Company s compensation program and the compensation decisions made by the Board of Directors and the Compensation Committee with respect to our named executive officers. The Board of Directors is asking our stockholders to cast a non-binding advisory vote on the following resolution:

RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the executive officers of the Company named in the Summary Compensation Table, as disclosed in the Company s Proxy Statement for the Company s 2014 Annual Meeting of Stockholders (which disclosure includes the Compensation Discussion and Analysis, the executive compensation tables and the related footnotes and narrative accompanying the tables).

While the advisory vote the Board of Directors is asking you to cast is non-binding, the Board of Directors and the Compensation Committee value the view of the Company s stockholders and will review and consider the voting results when making future decisions regarding our executive compensation program. The Company currently intends to hold such advisory votes on an annual basis and the next such vote will be held at the Company s 2015 annual meeting of stockholders. Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of the proposal.

ITEM 4: APPROVAL OF AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY S NAME TO VCA INC.

Our Board of Directors has determined that it is in our best interests, and in the best interests of our stockholders, to amend our Amended and Restated Certificate of Incorporation to change the name of the Company to VCA Inc. The Board of Directors unanimously approved the proposed Certificate of Amendment of Amended and Restated Certificate of Incorporation (the Amendment), in substantially the form attached hereto as Appendix B, and declared it to be advisable and in the best interests of the Company, and its stockholders, and hereby seeks the approval of the Amendment by our stockholders.

Our management and our Board of Directors have determined that is in the best interests of the Company and its stockholders to change the name of the Company to VCA Inc., as the new name better reflects the long-term strategy and identity of the Company. We believe that over the past twenty-five plus years the majority of pet owners and veterinarians we have served throughout the United States and Canada have come to associate industry leading animal healthcare with the name VCA and that by focusing on this core brand we can expand upon that relationship and leverage the value of VCA in the future.

The proposed name change will not have any material effect on our business, operations, reporting requirements or stock price. Stockholders will not be required to have new share certificates reflecting the name change. New share certificates will be issued in due course as old certificates are tendered to our transfer agent. Currently, our common stock is quoted on NASDAQ under the symbol WOOF. Even if the proposed name change is approved shares of our stock will continue to trade under the symbol WOOF.

If the Amendment is approved by our stockholders, we plan to file it with the Delaware Secretary of State as soon as reasonably practicable after receiving approval of this Item 4 from our stockholders. The Amendment will become effective upon its filing with the Delaware Secretary of State.

Approval of this Item 4 will require the affirmative vote of a majority of the outstanding shares of common stock of the Company. Abstentions and broker non-votes will have the same effect as a vote against approval of the Amendment. All proxies will be voted to approve the Amendment unless a contrary vote is indicated on the proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT.

As reflected in the charts below, only 14% of our Chief Executive Officer's total direct compensation and an average of 27% of our other Named Executive Officers' total direct compensation in 2013 was paid in the form of base salary.

Table of Contents

The Compensation Committee believes that a substantial percentage of each Named Executive Officer's total direct compensation should be performance based or at-risk based on future stock performance. As reflected in the charts below, 86% of our Chief Executive Officer's total direct compensation and an average of 73% of our other Named Executive Officers' total direct compensation in 2013 is performance based and/or at-risk based on future stock performance.

As set forth in detail below the amounts shown in the charts above reflect total direct compensation, calculated as the sum of 2013 base salaries, 2013 annual cash incentive awards and the value of long-term equity incentive awards earned in 2013 based on the implied grant date values.

In 2013 the Compensation Committee continued the practice, first adopted in 2012, of granting long-term equity incentive awards consisting of performance based restricted stock units that are earned upon achievement of performance goals over a two to three year period and which are further subject to four-year vesting (which includes the performance period). Total direct compensation for most of our Named Executive Officers decreased in 2012 when compared to 2011, and increased in 2013 when compared to 2012. This was a result of granting equity compensation that is earned over a multi-year period since only 50% of the 2012 performance equity award could be earned in 2012, while in 2013 our Named Executives could earn up to 100% of the 2012 performance equity award and up to 50% of the 2103 performance equity award.

* We did not issue equity awards to our Named Executive Officers in 2009 or 2010. In 2011 we made a sizeable equity grant to our Named Executive Officers that we viewed as a partly retrospective award that covered performance for 2009 and 2010, in addition to 2011. We have calculated 2011 total direct compensation on this basis and it only reflects one-third of the value of the equity award granted in 2011, which we believe allows for a more meaningful comparison of total direct compensation for the periods of 2011 2013.

The Company has adopted stock ownership guidelines under which our directors are expected to maintain stock ownership of at least 4x their annual cash retainer, our Chief Executive Officer is expected to maintain stock ownership of at least 4x base salary and our other Named Executive Officers are expected to maintain stock ownership of at least 2x base salary. All of our directors and Named Executive Officers currently meet our stock ownership guidelines.

The Compensation Committee takes into account that the market capitalization and revenues of the Company is smaller than many of the companies included in our Comparison Group when positioning total direct compensation (assuming performance at the target level) of our Named Executive Officers.

We prohibit any form of hedging activities in Company stock by our executives and our directors, including engaging in short sales, dealing in puts and calls of Company stock, or other transactions designed to minimize the risk inherent in owning Company stock.

Our Equity Incentive Plan allows the Company to withhold or clawback awards from current and former employees if the employee breaches his/her employment, confidentiality or other agreements with the Company, commits any act involving willful malfeasance or breach of fiduciary duty, commits any theft, embezzlement or certain other acts of misconduct.

We offer limited personal-benefit perquisites to our Named Executive Officers.

Our Compensation Committee has adopted a policy that the Company shall not enter into any new employment agreement which includes automatic renewal features or any new employment agreements or severance arrangements with executive officers providing

for a single trigger or excise tax gross ups on a change in control or severance payments on a change in control equal to more than three times total annual compensation.

Our Compensation Committee is comprised entirely of independent directors.

Our Compensation Committee has been advised by a compensation consultant, Mercer. This consultant is retained by the Compensation Committee directly and not by management. The Compensation Committee considered several factors in selecting Mercer and determined that no conflict of interest exists, including, but not limited to the aggregate fees paid to Mercer and the lack of shares ownership in the Company by the compensation consultants.

Our Compensation Committee conducts an annual review and assessment of potential compensation-related risks in our programs and concluded that our compensation programs do not encourage behaviors that would create risks reasonably likely to have a material adverse effect on the Company.

Response to 2013 Say-on-Pay Vote

At our 2013 annual meeting, our advisory vote on executive compensation passed by a vote of 64% of the votes cast. While the Company, our Board of Directors, and our Compensation Committee were pleased that a majority of our stockholders approved of our executive compensation, we continue to modify our compensation practices in an effort to be responsive to those stockholders who voiced their disapproval. During the period leading up to our 2013 annual meeting (in response to the 2012 vote) and over the past year, members of our management have reached out to a number of our principal institutional stockholders to discuss their views regarding our compensation practices.

The Compensation Committee carefully considers the feedback received from our stockholders as part of its ongoing evaluation of all elements of the Company's executive compensation program. In response to this feedback, the Compensation Committee has taken the actions listed below over the past several years.

Actions Taken in 2013:

Selection of Performance Metrics. Some of our principal institutional stockholders have suggested that the Company utilize multiple performance metrics for its short-term and long-term incentive programs. In response to these suggestions the Compensation Committee made the following changes with respect to its annual cash incentive and long-term equity awards:

Annual Cash Incentive Awards. The Compensation Committee expanded the performance metrics it uses in determining the annual cash incentive awards for our Named Executive Officers. In 2013, the Compensation Committee reduced from 80% to 35% the portion of the cash incentive awards based on the achievement of the Adjusted EBITDA performance goal. Additionally, the Compensation Committee replaced revenue as a performance metric with the following performance metrics: laboratory operating income, adjusted hospital gross profit, hospital same-store growth, adjusted hospital gross profit margin, as well as other important factors such as market and industry leadership, stock performance and a strong balance sheet providing opportunities for growth or stock repurchases.

Long-Term Equity Awards. With respect to our long-term equity awards, the Compensation Committee eliminated revenue as a performance metric and elected to use the absolute performance metrics of increases in return on invested capital and Adjusted EBITDA. Additionally, the Committee adopted an alternate relative performance metric which compares year over year increases in the Company's stock price to the annual percentage increase in the S&P 500 Index.

Grant of Long Term Equity Awards Earned over Multiple Years. The Compensation Committee continued the policy first adopted in 2012 of granting our Named Executive Officers performance contingent equity awards that may be earned over two to three year periods. The long-term equity awards granted in 2013 may be earned based upon performance in 2013, 2014 and 2015.

Table of Contents

Eliminated Retention Guidelines. In 2012, we adopted retention guidelines which required our Named Executive Officers to retain for an additional 24 months net shares acquired from the exercise of options or the vesting of restricted stock granted under our Equity Incentive Plan. In 2013 we eliminated these guidelines after determining that these additional restrictions were unnecessary to achieve our objective of stock ownership by our Named Executive Officers. In making this determination we took into account the Company's current policy of granting equity awards that are earned over a two to three year period and which vests over a four year period, that the majority of our Named Executive Officers maintain stock ownership well in excess of the amount called for by our stock ownership guidelines, and the potential negative impact the retention guidelines, when considered jointly with our equity vesting policies and ownership guidelines, may have on our ability to attract quality senior management in the future.

Actions Taken in 2012:

Change in Policy Regarding Long-Term Equity Grants. Prior to 2012, the Compensation Committee had made periodic grants of long-term equity awards to our Named Executive Officers. The frequency of those awards varied and was rarely made on an annual schedule. When awarded the Compensation Committee would take into account the gap in time since the prior award when fixing the size of any particular grant. In 2011, the Compensation Committee made grants of long-term incentives in the form of mega-grants (the first grant since 2008). When it made these awards, it was the Compensation Committee's view that they were in part retrospective awards to cover the 2009-2011 performance years. This view was not shared by some of the institutional advisory services or some of the Company's institutional stockholders. A strong preference was indicated for annual grants of smaller sizes resulting in total direct compensation for the year that was more comparable with our Comparison Group. The Compensation Committee adopted the policy of considering long-term incentive grants on an annual basis. This policy was implemented and reflected in the executive compensation program adopted by the Compensation Committee in 2012 and 2013.

Stock Ownership Guidelines. In 2012, we adopted stock ownership guidelines under which our directors are expected to maintain stock ownership of at least 4x their annual cash retainer, our Chief Executive Officer is expected to maintain stock ownership of at least 4x base salary and our other Named Executive Officers are expected to maintain stock ownership of at least 2x base salary.

Anti-Hedging Policy. In 2012, we modified our policies to clarify that any form of hedging activities in Company stock by our executives and our directors, including any transactions designed to minimize the risk inherent in owning the Company's common stock, is expressly prohibited.

In 2012, the Compensation Committee reviewed concerns raised by certain stockholders regarding the SERP and consulting agreements previously entered into by the Company. These arrangements were entered into in 2010. The Company entered into SERPs with our four most senior Named Executive Officers in recognition of their more than 20 years of service to the Company and to provide continued incentives to retain their services. Prior to 2010, the Company had not provided any deferred compensation, life insurance, disability insurance, or other retirement benefits for the applicable Named Executive Officers, other than continuation of medical coverage. The SERPs are structured so that full payment benefits vest over periods ranging from 3-5 years, which provide an additional retention incentive for our four most senior Named Executive Officers. Considering the failure of the Company to have previously provided a retirement benefit and the long-term service of the four Named Executive Officers, the Compensation Committee determined that it was appropriate to maintain these arrangements in place.

In addition the Compensation Committee determined that the consulting agreements with the Chief Executive Officer and Chief Operating Officer are beneficial to the Company. Each of the Chief Executive Officer and the Chief Operating Officer are co-founders of the Company. These agreements are intended to effect a smooth and orderly transition of the duties and leadership to their successors, to allow the Company to take advantage of their special knowledge of the industry, the Company and our customers and to protect trade secret information obtained by the officers during the course of their employment during the term of their consulting agreements and thereafter.

Table of Contents

The Compensation Committee also considered the stockholders views with respect to the single-trigger and excise tax gross ups included in the Employment Agreements with our Chief Executive Officer and Chief Operating Officer. The Compensation Committee noted that these agreements had been entered into in 2001 and had not been materially amended since that time. These provisions are contractual rights that cannot be unilaterally altered by the Company. *However, the Compensation Committee has adopted the policy, currently in effect, that the Company shall not enter into any new employment providing for automatic renewal features or any new employment agreements or severance arrangements with executive officers providing for a single trigger or excise tax gross ups on a change in control or severance payments on a change in control equal to more than three times total annual compensation.*

Executive Compensation Program Objectives and Overview

We believe that compensation of our Named Executive Officers and other officers should be directly and materially linked to our operating performance. We believe that the performance of individual officers is best viewed through the impact of their performance on our performance as reflected by achievement of annual Company performance goals that we consider to be drivers of long-term stockholder value. As a result, for our Named Executive Officers, our compensation programs focus on the Company's performance, rather than individual performance. This compensation program recognizes that our executives with the most senior leadership positions within our organization have the greatest ability to influence our performance. As a result, both the annual and long-term incentive awards as a percentage of total direct compensation for our Named Executive Officers are greater than that of our other employees.

The fundamental objectives of our executive compensation program are to attract, retain and motivate top-quality officers through compensation that is competitive with the market and industry in which we compete for talent and aligns the interests of our officers and senior management with the interests of our stockholders. We seek to promote service longevity and to provide our executives with long-term wealth accumulation opportunities, assuming that we are able to maintain a high-level of financial and stock performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our Comparison Group (as discussed below).

Overall, we have designed our executive compensation program to:

support our business strategy and business plan by clearly communicating what is expected of our Named Executive Officers and other officers with respect to goals and by rewarding them for the achievement of results relative to goals;

recruit, motivate and retain executive talent; and

create a direct performance alignment with value for stockholders.

We believe that each element of our executive compensation program (as described below) helps us to achieve one or more of our compensation objectives.

Overview of Executive Compensation Determinations

In setting compensation for our Named Executive Officers, the Compensation Committee reviews our performance over the prior three years, focusing in particular on our revenue and Adjusted EBITDA growth in relation to performance goals established for the year, each Named Executive Officer's individual circumstances, including cash and equity-based compensation paid to each Named Executive Officer in the past three years and prior periods, as well as the accumulated value of all cash and equity-based compensation awarded to each Named Executive Officer. The Compensation Committee also conducts discussions with our Chief Executive Officer regarding the performance of our other Named Executive Officers, and meets in executive sessions to discuss the performance of the Chief Executive Officer. Those discussions, together with the Compensation

Table of Contents

Committee's review of each Named Executive Officer's historical compensation and accumulated long-term incentive pay, allow the Compensation Committee to make compensation decisions in light of each Named Executive Officer's achievement and other circumstances.

Compensation Decision Making Process

The Compensation Committee oversees our executive compensation and benefit plans and practices, while establishing management compensation policies and procedures to be reflected in the compensation program offered to our executive officers. The Compensation Committee operates under the written charter approved by the entire Board of Directors, a copy of which is available at <http://www.vcaantech.com>. When necessary, the Compensation Committee recommends amendments to its charter to the Board of Directors for approval.

The Compensation Committee has the authority to retain independent counsel or other consultants, as it deems necessary, in connection with its responsibilities at the Company's expense. The Compensation Committee engaged Mercer in 2013 to assist the Compensation Committee by reviewing and updating the relevant group of peer companies against which to assess the Company's executive and director compensation, providing market data on the Named Executive Officers' and non-executive directors' compensation and reviewing the Company's executive and director compensation plans or practices to advise whether any such plans or practices should be modified to improve effectiveness.

The Compensation Committee may request that any of our directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Compensation Committee requests.

Our Chief Executive Officer is involved in the design and implementation of our executive compensation programs. He typically provides his input through consultation with the Chairman of the Compensation Committee and typically is not present at Compensation Committee meetings. Our Chief Executive Officer annually reviews the performance of each executive officer (other than the Chief Executive Officer whose performance is reviewed by the Compensation Committee) and presents his conclusions and recommendations regarding base salary and incentive award amounts for each executive officer (other than the Chief Executive Officer) to the Compensation Committee for its consideration. The Compensation Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations.

Table of Contents**Compensation Program Elements**

Base Salary

Our employees are paid a fixed base salary based on the responsibilities of their positions, the skills and experience required for the job, business performance, labor market conditions and by reference to market median salary levels. Our Named Executive Officers' salaries are reviewed annually and salary increases typically take effect in July of each year, unless business circumstances require otherwise.

Annual Cash Incentive Awards

Our annual cash performance awards and bonuses are intended to reward our Named Executive Officers for performance over our fiscal year. They also align our Named Executive Officers' interests with those of our stockholders and help us attract, motivate and retain executives. Our Compensation Committee has designed our annual cash incentive awards to give the Compensation Committee greater flexibility to consider all aspects of

performance and other factors the Compensation Committee considers relevant without affecting the availability of the Company's tax deduction for qualified performance based compensation under Section 162(m) of the Internal Revenue Code. The Compensation Committee approves pre-established objective performance goals in accordance with the VCA Antech, Inc. 2007 Cash Incentive Plan. Under this plan, each participant is eligible to receive a predetermined maximum annual award if the maximum objective performance levels have been satisfied. The Compensation Committee then exercises its discretion in determining the actual cash incentive awards based on the pre-established performance goals at the minimum, target and maximum performance levels and taking into account other important factors, including the recommendation of our Chief Executive Officer (other than with respect to his own bonus), market and industry leadership, stock performance, unit performance (in the case of the President, Antech Diagnostics) and an assessment of the strength of the balance sheet at the end of the year.

Equity Compensation

The Company's equity compensation is an important element of our overall compensation program, and is designed to reward participants the way stockholders are rewarded: through growth in the value of our common stock. At the end of fiscal 2013, approximately 190 employees held equity awards under the Company's Equity Incentive Plan. The purpose of the grants is to align employees' interests with the interests of our stockholders, reward employees for enhancing stockholder value, encourage retention and provide a means to increase ownership of our common stock. We also grant equity awards on a selective basis as part of new hire agreements, to encourage retention or to reward extraordinary results.

The level of long-term incentive compensation is determined based on an evaluation of competitive factors in conjunction with total direct compensation provided to Named Executive Officers and the overall goals of the compensation program described herein. We do not have, nor do we intend to have, a program, plan or practice to select the grant dates of equity awards for Named Executive Officers in coordination with the release of material non-public information. Although there is no specified grant date for equity awards, the Compensation Committee has adopted a policy pursuant to which it will, at a regularly scheduled Compensation Committee meeting, set in advance of the meeting date, consider the grant of equity awards to the Named Executive Officers. The Compensation Committee adopted this policy to mitigate against the perception that grant dates are set to achieve benefits for the Named Executive Officers.

Our Compensation Committee granted equity awards to our Named Executive Officers in fiscal year 2013, 2012 and 2011. A component of the equity awards granted to Named Executive Officers are equity performance awards which are tied to achieving pre-established objective performance goals established pursuant to our Equity Incentive Plan. Under this plan, each participant is eligible to receive a predetermined maximum annual award if the maximum objective performance levels have been satisfied. Lower awards are set for target performance and minimum threshold performance.

The purpose of the equity performance awards is to reward our Named Executive Officers for performance over our fiscal year, align our Named Executive Officers' interests with those of our stockholders and help us attract, motivate and retain executives by ensuring that our compensation programs are competitive with our peer companies. The Compensation Committee's goal is that, on average over any three year period, the equity awards granted to our Named Executive Officers be reasonably comparable to the aggregate equity awards granted by our peer companies to their named executive officers over the same period.

Perquisites and Other Executive Benefits

In order to better enable us to attract and retain highly skilled executive and other officers and to round out a competitive compensation package for our executive and other officers, we provide our executive and other officers with perquisites and other personal benefits that we believe are reasonable and consistent with our overall compensation philosophy and objectives. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to our Named Executive Officers.

Table of Contents

The Named Executive Officers, among other things, are provided use of automobiles and are reimbursed for their out-of-pocket medical expenses.

Determination of Fiscal Year 2013 Compensation***Base Salaries***

The Compensation Committee typically reviews and adjusts base salaries effective on July 1 of each year. In adjusting base salaries the Compensation Committee takes into account that the market capitalization and revenues of the Company is smaller than many of the companies included our Comparison Group when setting base salaries for our Named Executive Officers. Effective October 1, 2013, the Compensation Committee raised base salaries for our Named Executive Officers by approximately 3.0%, as follows:

Named Executive Officer	Base Salary
Robert L. Antin,	\$ 994,000
Chief Executive Officer	
Arthur J. Antin,	\$ 633,000
Chief Operating Officer	
Tomas W. Fuller,	\$ 427,000
Chief Financial Officer	
Neil Tauber,	\$ 427,000
Sr. VP of Development	
Josh Drake,	\$ 375,000
Pres. of Antech Diagnostics*	

* Mr. Drake's base salary increased by approximately 6.5%.

Annual Cash Bonuses

For fiscal 2013, the Compensation Committee established maximum individual cash incentive award opportunities for each of our Named Executive Officers based upon the achievement of quantitative and qualitative performance goals. Quantitative performance goals are focused on a Company-wide performance metric, Adjusted EBITDA², and various operating unit performance goals including adjusted hospital gross profit, hospital same-store growth, adjusted hospital gross profit margin, laboratory operating income, laboratory same-store growth, and adjusted laboratory gross profit margin.

The Compensation Committee also takes into account qualitative performance goals such as the recommendation of the Company's Chief Executive Officer (other than with respect to his own cash incentive award), market and industry leadership, stock performance, and an assessment of the strength of our balance sheet at the end of the year. The Compensation Committee selected these quantitative and qualitative performance metrics because they indicate the level of success of the Company's strategy to sustain strong operating cash flows and profitability. The Compensation Committee uses Adjusted EBITDA, rather than EBITDA, because it excludes the effect of significant items that the Compensation Committee believes are not representative of our core operations for the period presented.

² Adjusted EBITDA is based on our Consolidated Adjusted EBITDA (as defined in our principal bank agreement), as further adjusted by (a) adding (1) amortization or write-off of debt discount, (2) integration costs incurred in connection with business combinations, (3) extraordinary, unusual or non-recurring losses or expense (including, without limitation, impairment charges, severance expenses, non-recurring retention bonuses, inducement payments to newly hired employees and restructuring costs), (4) charges resulting from foreign exchange losses and (5) reasonable expenses related to equity offerings or acquisitions, recapitalizations, divestitures or asset sales

and (b) subtracting income resulting from foreign exchange gains.

Table of Contents

The approximate relative weighting given to the performance goals ranges from 55% - 65% for the Company-wide performance goal, 25% - 35% for the unit performance goals, and 7.5% - 10% for the qualitative performance goals. For 2013, the Compensation Committee established the following ranges of performance for the quantitative performance goals:

Performance Metric	Range
Adjusted EBITDA	\$315.0m - \$330.0m
Adjusted Hospital Gross Profit	\$232.0m - \$250.0m
Hospital Same-Store Growth	2.0% - 3.25%
Adjusted Hospital Gross Profit Margin	18.2% - 18.6%
Laboratory Operating Income	\$125.0m - \$135.0m
Adjusted Laboratory Gross Profit Margin	49.5% - 51.0%
Laboratory Same-Store Growth	4.1% - 5.2%

For each of our Named Executive Officers the Compensation Committee establishes a range of potential cash incentive award opportunities, as a percentage of base salary. Following the end of the fiscal year, a payout factor is calculated using the year-end results against the target for the performance metric with each performance metric assessed independently of each other and scaled above or below their respective targets. The Compensation Committee then exercises its discretion in determining the actual cash incentive award paid to each of our Named Executive Officers based on both the quantitative and qualitative performance metrics. The range of potential cash incentive awards established for our Named Executive Officers for 2013 is set forth below. The overall strong performance of the Company in 2013 resulted in our Named Executive Officers achieving, and in many instances exceeding, the performance metrics described above. The Compensation Committee, based on the recommendation of our Chief Executive Officer and taking into account the overall compensation earned by our Named Executive Officers in 2013, determined to award annual cash incentive awards at the target award level for each of our Named Executive Officers except for Mr. Drake who was awarded an annual cash incentive award at the maximum level. The annual cash incentive awards for our Named Executive Officers in 2013 are as set forth below.

Named Executive Officer	Range of Potential 2013 Annual Cash Incentive Award (as % of 2013 Base Salary)	Actual 2013 Annual Cash Incentive Award (as % of 2013 Base Salary)	Actual 2013 Annual Cash Incentive Award
Robert L. Antin,	75% - 250%	100%	\$ 994,000
Chief Executive Officer Arthur J. Antin,	45% - 120%	90%	\$ 569,700
Chief Operating Officer Tomas W. Fuller,	35% - 120%	70%	\$ 298,900
Chief Financial Officer Neil Tauber,	35% - 80%	70%	\$ 298,900
Sr. VP of Development* Josh Drake,	30% - 50%	50%	\$ 187,500

Pres. of Antech Diagnostics**Long-Term Equity Incentive Awards Granted in 2012**

In 2012, the Compensation Committee granted our Named Executive Officers both options to purchase shares of Company common stock (the **2012 Options**) and three-year performance-contingent restricted stock units representing the right to receive shares of Company common stock (the **2012 Equity Award** or the **2012 RSUs**). The 2012 Options vest in four equal annual installments (rounded up to the nearest whole share) on August 27, 2013, 2014, 2015, and 2016 provided the Named Executive Officer continues to be employed by us as an executive officer as of such date.

Table of Contents

The 2012 RSUs could be earned by our Named Executive Officers upon achievement of performance goals over a two to three year period from 2012 through 2014. Up to 50% of the maximum number of 2012 RSUs awarded were eligible to be earned by satisfying performance goals with respect to performance in 2012, with the remaining 2012 RSUs eligible to be earned by satisfying the performance goals for performance in either 2013 or 2014. The Compensation Committee selected Adjusted EBITDA and revenue as the performance goals on which the 2012 RSUs could be earned by our Named Executive Officers. In 2012, 50% of the 2012 RSUs awarded at the target performance goal level were earned by our Named Executive Officers based upon 2012 performance. Please see our 2013 Proxy Statement filed with the SEC on Schedule 14A for a more complete discussion of the 2012 Equity Award and the 2012 RSUs earned in 2012.

The chart below sets out the range of performance goals established in connection with the 2012 Equity Award for the 2013 performance period:

Performance Metric	Range
Adjusted EBITDA	\$290.0m - \$327.7m
Revenue	\$1,716.3m - \$1,934.0m

In February 2014, the Compensation Committee certified that with respect to the 2013 performance period for the 2012 Equity Award the maximum and target performance levels were achieved with respect to the Adjusted EBITDA and revenue performance goals, respectively. Each Named Executive Officer earned that number of 2012 RSUs set forth below for performance in 2013 and in the aggregate for performance in 2012 and 2013.

Named Executive Officer	Number of 2012 RSUs Earned In 2013	Implied Value ⁽¹⁾	Aggregate 2012 RSUs Earned To Date	Implied Value ⁽¹⁾
Robert L. Antin, Chief Executive Officer	114,397	\$ 2,166,679	191,835	\$ 3,633,355
Arthur J. Antin, Chief Operating Officer	34,318	\$ 649,983	60,718	\$ 1,149,999
Tomas W. Fuller, Chief Financial Officer	21,120	\$ 400,013	36,960	\$ 700,022
Neil Tauber, Sr. VP of Development*	17,600	\$ 333,344	29,920	\$ 566,685
Josh Drake, Pres. of Antech Diagnostics	15,400	\$ 291,676	26,840	\$ 508,350

(1) Implied values are based on the market value of the Company's common stock on the date of grant.

The 2012 RSUs earned vest in four installments, 25% (rounded up to the nearest whole share) on each of August 27, 2013, August 27, 2014, August 27, 2015, and August 27, 2016, provided the Named Executive Officer continues to be employed by us as an executive officer as of such date. The earned portion of any Named Executive Officer's equity performance award will cease to vest on such date as such Named Executive Officer ceases to be employed by us as an executive officer and shall not continue to vest during the pendency of any non-senior executive employment or consultancy arrangement with us. As a consequence, the ultimate value of the awards will depend on the performance of the Company's stock over this four-year period.

Long-Term Equity Incentive Awards Granted in 2013

In 2013, the Compensation Committee granted our Named Executive Officers three-year performance-contingent restricted stock units representing the right to receive shares of Company common stock (the **2013 Equity Award** or the **2013 RSUs**). The 2013 RSUs are paid in common stock based upon attainment of specific business objectives over the relevant performance periods. The RSUs are subject to both

performance-based and time-based vesting.

Table of Contents

In determining the number of RSUs subject to the 2013 Equity Awards, the Compensation Committee considered Mercer's market assessment for all of our Named Executive Officers and our Chief Executive Officer's recommendations for all of our Named Executive Officers (other than himself).

The total annual long-term incentive opportunity for each Named Executive Officer is established by the Compensation Committee in terms of dollars. For each award, a market competitive grant is determined by dividing the value of each equity award by the market value of the Company's common stock for RSUs, as of the date of grant.

For the 2013 Equity Awards the Compensation Committee selected the absolute performance goals of Adjusted EBITDA and increase in return on invested capital (ROIC) on which the 2013 RSUs would be earned by our Named Executive Officers. The Compensation Committee selected these performance metrics because they indicate the level of success of the Company's strategy to sustain strong operating cash flows and profitability and the level of increase in stockholder value. The Compensation Committee used Adjusted EBITDA, rather than EBITDA, because it excludes the effect of significant items that the Compensation Committee believes are not representative of our core operations for the period presented.

Adjusted EBITDA and increase in ROIC are both non-GAAP financial measures of performance. Adjusted EBITDA and ROIC should not be reviewed in isolation or considered as substitutes for our financial results as reported in accordance with GAAP. Although Adjusted EBITDA and ROIC are relatively standard financial terms, numerous methods exist for calculating these financial measures. As a result, the method used by the Company's management may differ from the methods other companies use to calculate Adjusted EBITDA and ROIC and we urge you to understand the methods used by other companies to calculate Adjusted EBITDA and ROIC before comparing our results to that of such other companies. Please see Appendix A for a reconciliation of these non-GAAP financial measures to the applicable GAAP financial measures.

The Compensation Committee established threshold, minimum, target and maximum performance levels for each performance goal. The performance levels are the same for each Named Executive Officer. The 2013 RSUs are earned upon achievement of the respective performance levels for each performance goal. Achievement of each performance goal is calculated independent of the other, with up to 65% of the 2013 RSUs eligible to be earned upon achievement of the Adjusted EBITDA performance goal and 35% upon achievement of the increase in ROIC performance goal. This relative weighting was chosen by the Compensation Committee in order to supplement a shorter-term financial measure (Adjusted EBITDA) with a financial measure which has a longer-term perspective (ROIC). For achievement between the threshold and minimum performance goals and between the minimum and target performance goals the number of 2013 RSUs earned are determined on an interpolated basis. 2013 RSUs awarded in excess of the target award may only be earned upon achievement of the maximum performance level for each performance goal.

The 2013 RSUs may be earned by the Named Executive Officers upon achievement of performance goals over a two to three year period from 2013 through 2015. Up to 50% of the maximum number of 2013 RSUs awarded can be earned by satisfying performance goals with respect to performance in 2013, which looks at Adjusted EBITDA and ROIC for the period ending December 31, 2013. The remaining 2013 RSUs (including any 2013 RSUs not earned in 2013) can be earned by satisfying performance goals with respect to performance in either 2014 or 2015, which looks at Adjusted EBITDA and increase in ROIC for the 12-month periods ending December 31, 2014 and 2015, respectively.

³ We define ROIC as net operating profit after taxes divided by the average of the balances, as of the opening and closing of the relevant period, of the sum of (i) debt and (ii) deferred tax liabilities, accumulated amortization, cumulative impairment charges and other after-tax accumulated non-recurring losses.

Table of Contents

The Compensation Committee also established an alternate relative performance metric pursuant to which our Named Executive Officers may earn the 2013 RSUs at the Target performance goal level based on increase in the Company's stock price in 2013, 2014 and 2015. In 2013 to satisfy the alternate performance metric the Company's stock price needed to increase more than the annual percentage increase in the S&P 500 Index. In 2013, the Company satisfied both the Adjusted EBITDA and increase in ROIC performance goals at the Target performance goal level and satisfied the stock price performance goal. Consequently, the alternative performance metric did not result in our Named Executive Officers earning additional RSUs in excess of that which would have been earned based solely on achievement of the Adjusted EBITDA and increase in ROIC performance goals.

The 2013 RSUs which may be earned upon achievement of the pre-established performance goals are as follows:

Named Executive Officer	Threshold Performance Goal		Minimum Performance Goal		Target Performance Goal		Maximum Performance Goal	
	RSUs	Implied Value ⁽¹⁾	RSUs	Implied Value ⁽¹⁾	RSUs	Implied Value ⁽¹⁾	RSUs	Implied Value ⁽¹⁾

The chart below sets out the ranges of the Adjusted EBITDA and increase in ROIC performance goals established in connection with the 2013 Equity Awards for the 2013 performance period:

Performance Metric	Range
Adjusted EBITDA	\$305.0m - \$340.0m
Increase in ROIC	0.55% - 2.25%

In order to earn 2013 RSUs in excess of that awarded for achieving the target performance goal, the Company is required to materially exceed target performance. The Compensation Committee believed that the performance required to earn an award at the threshold performance goal was reasonably attainable, but that the performance required to earn an award at the target performance goal and maximum performance goal was more challenging.

In February 2014, the Compensation Committee certified that with respect to the 2013 performance period for the 2013 Equity Award the maximum and target performance levels were achieved with respect to the Adjusted EBITDA and increase in ROIC performance goals, respectively. The alternative performance measure was also achieved for fiscal 2013. As a result, each Named Executive Officer earned that number of 2013 RSUs set forth below for performance in 2013.

Named Executive Officer	Number of 2013 RSUs Earned	Implied Value ⁽¹⁾
Robert L. Antin, Chief Executive Officer	97,779	\$ 2,716,301

Table of Contents

The 2013 RSUs earned will vest in four installments, 25% (rounded up to the nearest whole share) on September 24, 2014, 2015, 2016 and 2017, provided the Named Executive Officer continues to be employed by us as an executive officer as of such date. The earned portion of any Named Executive Officer’s equity performance award will cease to vest on such date as such Named Executive Officer ceases to be employed by us as an executive officer and shall not continue to vest during the pendency of any non-senior executive employment with, or consultancy arrangement with, us. As a consequence, the ultimate value of the awards will depend on the performance of the Company’s stock over this four-year period.

Additional Compensation Matters

Market Analysis

In establishing annual compensation for our Named Executive Officers, the Compensation Committee takes into account compensation levels at similarly situated companies for similar positions, referred to as benchmarking, in establishing base salaries, annual cash performance awards and/or cash bonuses and equity awards for our Named Executive Officers. The Compensation Committee uses benchmarking as a point of reference for measurement, and the Compensation Committee has discretion in determining how much weight to place on the benchmarking analysis. Benchmarking helps the Compensation Committee assess whether the individual pay components and total direct compensation of our Named Executive Officers are appropriate when compared to industry standards. With the assistance of its compensation consultant, the Compensation Committee identified a group of comparison companies for benchmarking purposes, which we refer to as our Comparison Group.

In 2012, the Compensation Committee’s compensation consultant Mercer, assisted the Compensation Committee in updating the Company’s Comparison Group. Mercer selected and proposed companies for inclusion in the comparison group that have similar revenues, revenue growth, business focus and operating models as compared to the Company. Our Comparison Group includes 12 companies (named below) with similar revenues, revenue growth, business focus and operating models as the Company. There are only a small number of animal health care companies that are public, so the Compensation Committee has included in the Comparison Group companies in the healthcare industry and growth companies in other industries that require multiple locations and a large employee base, such as retail, restaurants, leisure facilities and specialty stores, with a focus on companies with a revenue base of between \$600 million and \$3.0 billion.

The Compensation Committee reviewed Mercer’s proposals and selected the following Comparison Group:

C.R. Bard, Inc.	Chipotle Mexican Grill, Inc.	Chico’s FAS, Inc.
GNC Holdings, Inc.	Guess?, Inc.	HealthSouth Corporation
Hologic, Inc.	Idexx Laboratories, Inc.	Lincare Holdings Inc.
Magellan Health Services, Inc.	Mednax, Inc.	The Cheesecake Factory Incorporated

The Comparison Group for 2012 was updated from the comparison group established for 2011 by the removal of PetSmart, Inc. and Tiffany & Co., because they no longer fell within the metrics established for the Comparison Group, and the addition of Chico’s FAS, Inc., The Cheesecake Factory Incorporated and GNC Holdings, Inc. No changes to the Comparison Group were made in 2013. The Compensation Committee believes that this Comparison Group is representative of companies within our industry, companies of similar complexity to us or companies within our geographic proximity with whom we compete for talented employees. The information gathered from this Comparison Group included base salary, annual cash performance awards and/or cash bonuses and equity awards.

In addition to benchmarking, the Compensation Committee reviews the Named Executive Officer’s historical compensation, the Named Executive Officer’s compensation in relation to other officers and corporate performance. The Compensation Committee also takes into account internal equity considerations in making its executive compensation decisions.

Supplemental Executive Retirement Programs

We have entered into SERPs with our four most senior Named Executive Officers in recognition of their more than 20 years of service to the Company and to provide continued incentives to retain their services. Prior to 2010, the Company had not provided any deferred compensation or other retirement benefit for the applicable Named Executive Officers, other than continuation of medical coverage. The SERPs are structured so that full payment benefits vest over periods ranging from 3-5 years, which provide an additional retention incentive for our four most senior Named Executive Officers. Details of the SERP benefits and the amounts accrued by each applicable Named Executive Officer are found under the heading Pension Benefits on page 45 of this Proxy Statement.

Post-Termination Consulting Agreements

We have entered into agreements with our Chief Executive Officer and Chief Operating Officer for the provision of consulting services following the termination of their service to the Company. Each of the Chief Executive Officer and the Chief Operating Officer has been employed by the Company since it was founded. These agreements are intended to effect a smooth and orderly transition of the duties and leadership to their successors, to allow the Company to take advantage of their special knowledge of the industry, the Company and our customers and to protect trade secret information obtained by the officers during the course of their employment during the term of their consulting agreements and thereafter. Each agreement was reviewed and approved by the Compensation Committee and subsequently by the full Board of Directors. Details of the consulting agreements are described under Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Post-Termination Consulting Agreements; SERP Agreements; Payments Upon Termination and Change in Control on page 46 of this Proxy Statement.

Termination and Change in Control Payments

We have entered into employment agreements with three of our Named Executive Officers and into severance agreements with our other two Named Executive Officers. These agreements, which are designed to promote stability and continuity of senior management, provide for termination and Change in Control payments. We also have entered into post-retirement medical benefits coverage agreements with our four most senior Named Executive Officers as recognition of each officer's extended service to the Company. A summary of these severance payments and post-termination benefits is set forth under the heading Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Post-Termination Consulting Agreements; SERP Agreements; Payments Upon Termination and Change in Control on page 46 of this Proxy Statement.

Policy on Recovering Performance-Based Compensation in the Event of a Restatement

We may, to the extent permitted by applicable law, cancel or require reimbursement of any performance-based compensation arrangements (including any performance based annual bonus awards and long-term incentive, equity-based awards) received by an executive officer if and to the extent that: (i) the amount of the award was based on the achievement of specified performance metrics or financial results, and we subsequently restate those financial results; (ii) in the Compensation Committee's judgment, the executive officer engaged in gross negligence, fraud or misconduct that directly caused or contributed to the need for the restatement; and (iii) the executive officer's award would have been lower if the financial results in question had been properly reported. In such a case, we will seek to recover from the executive officer the amount by which the actual award paid or earned for the relevant period exceeded the amount that would have been paid or earned based on the restated financial results. The policy provides that we will not seek to recover compensation paid more than three years prior to the date the applicable restatement is disclosed.

Further, under Section 304 of the Sarbanes-Oxley Act, if we were required to restate our financial results due to material noncompliance with any financial reporting requirements as a result of misconduct, the Chief Executive Officer and Chief Financial Officer could be required to reimburse the Company for (1) any bonus or other

Table of Contents

incentive-based or equity-based compensation received during the twelve months following the first public issuance or filing with the SEC of the non-complying document and (2) any profits realized from the sale of securities of the Company during those twelve months.

Stock Ownership

Our Board of Directors believes that our executive officers and directors should have a meaningful stake in our Company, which encourages a focus on our long-term success and aligns their interests with the interests of our stockholders. Therefore, we have adopted formal stock ownership and retention guidelines for our Named Executive Officers and non-employee directors:

Position	Minimum Ownership Guidelines (Dollar Value of Shares)
Directors	4x Annual Cash Retainer
Chief Executive Officer	4x Base Salary
Other Named Executive Officers	2x Base Salary

Shares owned outright, unvested restricted stock and vested options are counted towards these guidelines. Unearned performance shares are not counted toward these guidelines.

Notwithstanding the foregoing, under our policy any Named Executive Officer who is not in compliance with the applicable stock ownership guideline must retain 50% of the net shares of our common stock acquired via the exercise of options or the vesting of restricted stock granted under the Company's equity incentive programs, until the guideline has been met.

As of December 31, 2013, all of our directors and Named Executive Officers complied with our stock ownership guidelines.

Tax Implications

The Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct non-performance based compensation of more than \$1,000,000 that is paid to certain executive officers. However, in order to maintain flexibility in compensating our Named Executive Officers in a manner designed to promote varying corporate goals, we have not adopted a policy that all compensation must be deductible. All compensation paid to the Named Executive Officers for fiscal year 2013 will be fully deductible.

The amounts shown in these columns reflect the total number of restricted stock units which may be earned at the threshold, target and maximum performance levels with respect of the performance-based restricted stock unit awards granted to the Named Executive Officers in fiscal year 2013. As described in greater detail commencing on page 34 of this Proxy Statement, the threshold represents the number of restricted stock units which may be earned upon achievement of the low performance goal; the target represents the number of restricted stock units which may be earned upon achievement of the target performance goal; and the maximum represents the number of restricted stock units which may be earned upon achievement of the high performance goal. Up to 50% of the maximum number of RSUs awarded can be earned by satisfying the performance goals in 2013. The restricted stock unit awards will vest in four installments: 25% (rounded up to the nearest whole share) on September 24, 2014; 25% (rounded up to the nearest whole share) on September 24, 2015; 25% (rounded up to the nearest whole share) on September 24, 2016; and the remainder on September 24, 2017.

Sr. VP of Development

(1) For purposes of calculating the present value of the accumulated benefit, each of the SERP Beneficiaries (as defined below) were credited with service through December 31, 2013.

(2) For purposes of calculating the present value of the accumulated benefit for the SERP Beneficiaries, we used Final Salary for Mr. R. Antin as of December 31, 2015 (assuming increases in annual base compensation of 4% per year), for Mr. A. Antin as of December 31, 2014 (assuming increases in annual base compensation of 4% per year), and for Messrs. Tauber and Fuller as of December 31, 2013.

On June 30, 2010, the Company executed a SERP agreement with each of the following Named Executive Officers of the Company: Robert L. Antin, Arthur J. Antin, Neil Tauber and Tomas W. Fuller (each, a SERP Beneficiary). Pursuant to each SERP agreement, each SERP Beneficiary will be entitled to monthly benefit payments when he reaches a specified age identified in the chart below (the Benefit Commencement Date). The annual amount of the benefit payments to each SERP Beneficiary will be equal to the vested percentage, up to a maximum of 50%, of Final Salary as of the date his employment terminates. Final Salary is equal to the greater of (i) annual base compensation paid in cash pursuant to the SERP Beneficiary's employment agreement or other employment arrangement with the Company immediately prior to the Benefit Commencement Date, or (ii) the average annual base compensation paid in cash pursuant to the SERP Beneficiary's employment agreement for the three highest years during the ten year period ending on December 31st immediately preceding the Benefit Commencement Date.

The vested percentage on the date each SERP Beneficiary's employment terminates is as follows:

SERP Beneficiary	Benefit Commencement Date (1)	Vested Percentage on Effective Date of SERP	Vested Percentage on	Vested Percentage on	Vested Percentage on	Vested Percentage on	Vested Percentage on

The payments to which each SERP Beneficiary is entitled will extend for 12 years following the Benefit Commencement Date. None of the SERP Beneficiaries are eligible for early retirement under the SERP, because none of the SERP Beneficiaries have reached the age that would trigger the Benefit Commencement Date. For further discussion regarding each SERP agreement, see Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Post-Termination Consulting Agreements; SERP Agreements; Payments Upon Termination and Change in Control below.

Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Post-Termination Consulting Agreements; SERP Agreements; Payments Upon Termination and Change in Control

We have employment agreements with Robert L. Antin, Arthur J. Antin and Tomas W. Fuller, and severance agreements with Neil Tauber and Josh Drake. Each of these agreements provide for certain payments upon termination or Change in Control. For purposes of this Proxy Statement, a Change in Control shall be deemed to have occurred if (a) there shall be consummated (x) any consolidation or merger of the Company into or with another person (as such term is used in Sections 13(d)(3) and 14(d)(2) of Exchange Act) pursuant to which shares of the Company's common stock would be converted into cash, securities or other property, other than any consolidation or merger of the Company in which the persons who were stockholders of the Company immediately prior to the consummation of such consolidation or merger are the beneficial owners (within the meaning of Rule 13d-3 under the Exchange Act), immediately following the consummation of such consolidation or merger, of 62.5% or more of the combined voting power of the then outstanding voting securities of the person surviving or resulting from such consolidation or merger, or (y) any sale, lease or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company, or (b) the stockholders of the Company approve any plan or proposal for the liquidation or dissolution of the Company, or (c) any person shall become the beneficial owner of 25% or more of the Company's outstanding common stock, or (d) during any period of two consecutive years, individuals who at the beginning of such period constitute the entire Board of Directors cease for any reason to constitute a majority thereof unless the election, or the nomination for election by the Company's stockholders, of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period.

In addition, we have post-retirement medical benefits coverage agreements, post-termination consulting agreements and SERP agreements with certain of our Named Executive Officers, as follows:

Robert L. Antin

Employment Agreement

Mr. R. Antin's employment agreement, dated as of November 27, 2001, as amended, provides for Mr. R. Antin to serve as our Chairman of the Board, Chief Executive Officer and President for a term of five years from any given date, such that there shall always be a minimum of at least five years remaining under his employment agreement. The employment agreement provides for Mr. R. Antin to receive an annual base salary of \$520,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the Compensation Committee. Mr. R. Antin also is entitled to specified perquisites.

If Mr. R. Antin's employment is terminated due to his death, the employment agreement provides that we will pay Mr. R. Antin's estate his accrued and unpaid salary, his accrued and unused vacation and sick pay, his base salary during the scheduled term of the employment agreement, accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination (other than performance-based equity awards) and continue to provide family medical benefits. If Mr. R. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. R. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. R. Antin), accelerate the vesting of his equity awards that would have vested during the

Table of Contents

24 months following the date of termination (other than performance-based equity awards) and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any options that accelerate on the date of termination will remain exercisable for the full term.

If Mr. R. Antin terminates the employment agreement for good reason, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. R. Antin terminates automatically, we will pay Mr. R. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to five times the greater of Mr. R. Antin's last annual bonus or the average of all bonuses paid to Mr. R. Antin under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites. In these circumstances, Mr. R. Antin may exercise his options, which are accelerated on the date of termination, immediately upon termination and thereafter during the term of the option. For purposes hereof, good reason means as the result of (x) a willful breach of any of the material obligations of the Company to Mr. R. Antin under his employment agreement, consulting agreement or SERP agreement, as applicable, or (y) the office where Mr. R. Antin is required to perform his duties to the Company is relocated to a location outside of Los Angeles County, California; provided, however, that in either case Mr. R. Antin delivered written notice to the Company within 90 days of the condition's initial existence and the Company failed to cure the condition within 30 days.

If Mr. R. Antin terminates the employment agreement without good reason or we terminate the employment agreement for cause, Mr. R. Antin is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay. For purposes of this paragraph, for cause means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. R. Antin upon termination qualify as excess parachute payments under the Internal Revenue Code, Mr. R. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a Change in Control and at our request, Mr. R. Antin is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

Post-Retirement Medical Benefits Coverage Agreement

Mr. R. Antin's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. R. Antin and his family will continue to receive medical benefits coverage from the date employment is terminated until the last to occur of Mr. R. Antin's death, the death of Mr. R. Antin's spouse, or the end of the year in which each of Mr. R. Antin's children has a²⁵ birthday. The medical benefits coverage afforded to Mr. R. Antin and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. R. Antin and his family at any time during the five years prior to termination. Upon Mr. R. Antin's eligibility for Medicare or a similar program, Mr. R. Antin will have the option to enroll in Medicare or such similar program. If Mr. R. Antin or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Internal Revenue Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. R. Antin equal to all federal, state and local taxes incurred by Mr. R. Antin as a result thereof.

Table of Contents**Post-Termination Consulting Agreement**

Mr. R. Antin's consulting agreement, dated as of June 28, 2010, provides that Mr. R. Antin will provide business consulting and advice to the Company following his full-time employment with the Company. The term of Mr. R. Antin's consulting agreement commences on the date of Mr. R. Antin's voluntary termination, i.e., resignation as Chief Executive Officer of the Company other than for good reason, following a Change in Control or resulting from Mr. R. Antin's disability, and continues for the next five years. Mr. R. Antin will receive annual compensation equal to 100% of his Final Compensation for the first and second years of the term of his consulting agreement, and 75% of his Final Compensation during the third, fourth and fifth years of the term of his consulting agreement. Final Compensation is the greater of (i) Mr. R. Antin's annual base compensation paid in cash immediately prior to Mr. R. Antin's voluntary termination, plus the highest bonus earned by Mr. R. Antin with respect to services rendered during the four preceding full calendar years before Mr. R. Antin's voluntary termination, or (ii) the average of Mr. R. Antin's annual base compensation paid in cash plus any bonus earned with respect to services rendered during the two highest compensation years during the five-year period ending on December 31st immediately preceding Mr. R. Antin's voluntary termination. During the term of his consulting agreement, Mr. R. Antin also will be entitled to insurance and welfare benefits and certain other perquisites detailed in his consulting agreement.

If the consulting agreement is terminated as a result of his death or disability, or by the Company without cause, by Mr. R. Antin for good reason, or upon a Change in Control, Mr. R. Antin will be entitled to the amount he would have earned over the remaining term of his consulting agreement. In addition, in such event, vesting will accelerate on all outstanding stock options and other equity awards (other than restricted stock units and stock options granted in 2012) held by Mr. R. Antin (except that in the case of Mr. R. Antin's death or disability only those awards that would otherwise have vested and become exercisable during the 24 months immediately following the date of his death or disability, respectively, will accelerate). If any of the payments or benefits due Mr. R. Antin under his consulting agreement or any other plan, agreement or arrangement qualify as excess parachute payments under the Internal Revenue Code, Mr. R. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

Furthermore, Mr. R. Antin's consulting agreement provides that, during the period commencing on the date of his voluntary termination and continuing in perpetuity, Mr. R. Antin is restricted from, directly or indirectly, divulging, disclosing or communicating any confidential information of any kind, nature or description regarding any matter affecting or relating to the business of the Company, except in the ordinary course of the Company's business.

If Mr. R. Antin terminates his consulting agreement without good reason or the Company terminates his consulting agreement with cause, Mr. R. Antin would not be entitled to any payments under his consulting agreement.

SERP Agreement

Mr. R. Antin's SERP agreement, dated as of June 28, 2010, provides that Mr. R. Antin will be entitled to monthly benefit payments when he reaches the age of 66 (i.e., the Benefit Commencement Date). Commencing on the Benefit Commencement Date, Mr. R. Antin is entitled to 144 monthly payments in an amount equal to 1/12th of the applicable vested percentage of his Final Salary. However, if before or coincident with his separation from service (as defined Section 1.409A-1(h)(1) of the Treasury Regulations) there occurs a Change in Control, an involuntary termination by the Company without cause, a voluntary termination by Mr. R. Antin for good reason, or Mr. R. Antin's death or disability, the applicable percentage will be fully vested at 50%. If before the Benefit Commencement Date, there is a Change in Control that qualifies as a change in control event within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. R. Antin dies or becomes disabled, then the actuarial equivalent of the monthly benefits owing to Mr. R. Antin must be paid in a lump sum on the date of such event. In addition, if a Change in Control that is also a change in control event occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any

Table of Contents

remaining monthly benefits owing to Mr. R. Antin must be paid in a lump sum on the date of such change in control event. For further discussion regarding Mr. R. Antin's SERP agreement, see Pension Benefits on page 45 of this Proxy Statement.

All other payments set forth above, other than those set forth in the Acceleration of Equity Awards and Post-Retirement Medical Benefits rows, will be paid over a five-year period. For example, during such five-year period, Mr. R. Antin will receive an average annual payment of \$50,673 towards the cost of an automobile.
- (2) Reflects Mr. R. Antin's accrued and unpaid salary as of December 31, 2013.

- (4) As of December 31, 2013, 174,326 stock options and 520,254 shares of restricted stock held by Mr. R. Antin were unvested, and 430,816 restricted stock units held by Mr. R. Antin were unearned and unvested.
- (5) Consists of payment of vision, death, disability and long-term disability insurance premiums for Mr. R. Antin.
- (6) Consists of projected future costs of medical and dental insurance premiums to be paid on behalf of Mr. R. Antin (assuming a life expectancy of 20 years as of December 31, 2013), including projected annual costs for (a) executive medical excess claims insurance coverage for the period commencing on January 1, 2014 and ending on December 31, 2033 and (b) Medicare and Medicare supplement premiums for the period commencing on January 1, 2018 and ending on December 31, 2033.
- (7)

Edgar Filing: VCA ANTECH INC - Form DEF 14A

If the receipt by Mr. R. Antin of the post-retirement medical benefits coverage described in footnote 6 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would increase by \$338,683.

Mr. A. Antin also is entitled to specified perquisites.

If Mr. A. Antin's employment is terminated due to his death, the employment agreement provides that we will pay Mr. A. Antin's estate his accrued and unpaid salary, his accrued and unused vacation and sick pay, his base salary during the scheduled term of the employment agreement, accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination (other than performance-based equity awards) and continue to provide family medical benefits. If Mr. A. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. A. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. A. Antin), accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination (other than performance-based equity awards) and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any option that is accelerated on the date of termination will remain exercisable for the full term.

If Mr. A. Antin terminates the employment agreement for good reason, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. A. Antin terminates automatically, we will pay Mr. A. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to three times the greater of Mr. A. Antin's last annual bonus or the average of all bonuses paid to Mr. A. Antin under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites. In these circumstances, Mr. A. Antin may exercise his options that are accelerated on the date of termination during the full term of the option. For purposes hereof, good reason means as the result of (x) a willful breach of any of the material obligations of the Company to Mr. A. Antin under his employment agreement, consulting agreement or SERP agreement, as applicable, or (y) the office where Mr. A. Antin is required to perform his duties to the Company is relocated to a location outside of Los Angeles County, California; provided, however, that in either case Mr. A. Antin delivered written notice to the Company within 90 days of the condition's initial existence and the Company failed to cure the condition within 30 days.

If Mr. A. Antin terminates the employment agreement without good reason or we terminate the employment agreement for cause, Mr. A. Antin is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay. For purposes of this paragraph, for cause means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. A. Antin upon termination qualify as excess parachute payments under the Internal Revenue Code, Mr. A. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a Change in Control and at our request, Mr. A. Antin is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

Post-Retirement Medical Benefits Coverage Agreement

Mr. A. Antin's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. A. Antin and his family will continue to receive medical benefits coverage commencing on or after the date that Mr. A. Antin attains age 60 until the last to occur of Mr. A. Antin's death, the death of Mr. A. Antin's spouse, or the end of the year in which each of Mr. A. Antin's children has a birthday. The medical

benefits coverage afforded to Mr. A. Antin and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. A. Antin and his family at any time during the five years prior to termination. Upon Mr. A. Antin's eligibility for Medicare or a similar program, Mr. A. Antin will have the option to enroll in Medicare or such similar program. If Mr. A. Antin or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. The coverage provided by the Company is secondary to any employer's group medical plan in which Mr. A. Antin or an eligible family member participates as an active employee, any employer's group medical plan in which Mr. A. Antin is covered as the spouse or dependent or an active employee, any individual medical benefits coverage under which Mr. A. Antin or an eligible family member is covered, or Medicare coverage. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Internal Revenue Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. A. Antin equal to all federal, state and local taxes incurred by Mr. A. Antin as a result thereof. Furthermore, the Company's obligation to provide post-retirement medical benefits coverage to Mr. A. Antin will cease if he causes any person or entity controlled by him to induce or attempt to induce (a) any employee of the Company or any of its affiliates to leave the Company or any of its affiliates or (b) any customer, supplier, vendor, licensee, distributor, contractor or other business relation of the Company or any of its affiliates to cease doing business with, or knowingly adversely alter its business relationship with, the Company or any of its affiliates.

Post-Termination Consulting Agreement

Mr. A. Antin's consulting agreement, dated as of June 28, 2010, provides that Mr. A. Antin will provide business consulting and advice to the Company following his full-time employment with the Company. The term of the Mr. A. Antin's consulting agreement commences on the date of Mr. A. Antin's voluntary termination, i.e., his resignation as Chief Operating Officer and Senior Vice President of the Company other than for good reason, following a Change in Control or resulting from Mr. A. Antin's disability, and continues for the next four years. Mr. A. Antin will receive annual compensation equal to 100% of his Final Compensation for the first year of the term of his consulting agreement, 75% of his Final Compensation during the second year of the term, 50% of his Final Compensation during the third year of the term and 25% of his Final Compensation during the fourth year of the term. Final Compensation is the greater of (i) Mr. A. Antin's annual base compensation paid in cash immediately prior to Mr. A. Antin's voluntary termination, plus the highest bonus earned by Mr. A. Antin with respect to services rendered during the four preceding full calendar years before Mr. A. Antin's voluntary termination or (ii) the average of Mr. A. Antin's annual base compensation paid in cash plus any bonus earned with respect to services rendered during the two highest compensation years during the five-year period ending on December 31st immediately preceding Mr. A. Antin's voluntary termination. During the term of his consulting agreement, Mr. A. Antin also will be entitled to insurance and welfare benefits and certain other perquisites detailed in his consulting agreement.

If the consulting agreement is terminated as a result of his death or disability, or by the Company without cause, by Mr. A. Antin for good reason, or upon a Change in Control, Mr. A. Antin will be entitled to the amount he would have earned over the remaining term of the consulting agreement. In addition, in such event, vesting will accelerate on all outstanding stock options and other equity awards (other than restricted stock units and stock options granted in 2012) held by Mr. A. Antin (except that in the case of Mr. A. Antin's death or disability only those awards that would otherwise have vested and become exercisable during the 24 months immediately following the date of his death or disability, respectively, will accelerate). If any of the payments or benefits due Mr. A. Antin under his consulting agreement or any other plan, agreement or arrangement qualify as excess parachute payments under the Internal Revenue Code, Mr. A. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

Table of Contents

Furthermore, Mr. A. Antin's consulting agreement provides that, during the period commencing on the date of his voluntary termination and continuing in perpetuity, Mr. A. Antin is restricted from, directly or indirectly, divulging, disclosing or communicating any confidential information of any kind, nature or description regarding any matter affecting or relating to the business of the Company, except in the ordinary course of the Company's business.

If Mr. A. Antin terminates his consulting agreement without good reason or the Company terminates his consulting agreement with cause, Mr. A. Antin would not be entitled to any payments under his consulting agreement.

SERP Agreement

Mr. A. Antin's SERP agreement, dated as of June 28, 2010, provides that Mr. A. Antin will be entitled to monthly benefit payments when he reaches the age of 67 (i.e., the Benefit Commencement Date). Commencing on the Benefit Commencement Date, Mr. A. Antin is entitled to 144 monthly payments in an amount equal to 1/12th of the applicable vested percentage of his Final Salary. However, if before or coincident with his separation from service (as defined Section 1.409A-1(h)(1) of the Treasury Regulations) there occurs a Change in Control, an involuntary termination by the Company without cause, a voluntary termination by Mr. A. Antin for good reason, or Mr. A. Antin's death or disability, the applicable percentage will be fully vested at 50%. If before the Benefit Commencement Date, there is a Change in Control that qualifies as a change in control event within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. A. Antin dies or becomes disabled, then the actuarial equivalent of the monthly benefits owing to Mr. A. Antin must be paid in a lump sum on the date of such event. In addition, if a Change in Control that is also a change in control event occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any remaining monthly benefits owing to Mr. A. Antin must be paid in a lump sum on the date of such change in control event. For further discussion regarding Mr. A. Antin's SERP agreement, see Pension Benefits on page 45 of this Proxy Statement.

The following table describes the potential payments to Mr. Arthur J. Antin upon termination or Change in Control.

- (7) If the receipt by Mr. A. Antin of the post-retirement medical benefits coverage described in footnote 6 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would increase by \$323,990.

Tomas W. Fuller

Employment Agreement

Mr. Fuller's employment agreement dated as of November 27, 2001, as amended, provides for Mr. Fuller to serve as our Chief Financial Officer, Vice President and Assistant Secretary for a term equal to two years from any given date, such that there shall always be a minimum of at least two years remaining under his employment agreement. (Mr. Fuller currently serves as the Company's Secretary.) The employment agreement provides for Mr. Fuller to receive an annual base salary of not less than \$208,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee.

If Mr. Fuller's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Fuller's estate his accrued and unpaid salary, his accrued and unused vacation and sick pay, his base salary during the scheduled term of the employment agreement, accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination (other than performance-based equity awards) and continue to provide family medical benefits. If Mr. Fuller's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Fuller his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Fuller), accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination (other than performance-based equity awards) and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any options that are accelerated on the date of termination will remain exercisable for the full term.

If Mr. Fuller terminates the employment agreement for good reason, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. Fuller terminates automatically, we will pay Mr. Fuller his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to two times the greater of Mr. Fuller's last annual bonus or the average of all bonuses paid to Mr. Fuller under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites; provided, however, that if we terminate Mr. Fuller's employment agreement without cause, we will only accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination. In these circumstances, Mr. Fuller may exercise his options that are accelerated on the date of termination for the full term of the option. For purposes hereof, good reason means as the result of (x) a willful breach of any of the material obligations of the Company to Mr. Fuller under his employment agreement, consulting agreement or SERP agreement, as applicable, or (y) the

office where Mr. Fuller is required to perform his duties to the Company is relocated to a location outside of Los Angeles County, California; provided, however, that in either case Mr. Fuller delivered written notice to the Company within 90 days of the condition's initial existence and the Company failed to cure the condition within 30 days.

If Mr. Fuller terminates the employment agreement without good reason or we terminate the employment agreement for cause, Mr. Fuller is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay. For purposes hereof, for cause means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. Fuller upon termination qualify as excess parachute payments under the Internal Revenue Code, Mr. Fuller also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a Change in Control and at our request, Mr. Fuller is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

Post-Retirement Medical Benefits Coverage Agreement

Mr. Fuller's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. Fuller and his family will continue to receive medical benefits coverage commencing on or after the date that Mr. Fuller attains age 53 until the last to occur of Mr. Fuller's death, the death of Mr. Fuller's spouse, or the end of the year in which each of Mr. Fuller's children has a²⁵ birthday. The medical benefits coverage afforded to Mr. Fuller and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. Fuller and his family at any time during the five years prior to termination. Upon Mr. Fuller's eligibility for Medicare or a similar program, Mr. Fuller will have the option to enroll in Medicare or such similar program. If Mr. Fuller or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. The coverage provided by the Company is secondary to any employer's group medical plan in which Mr. Fuller or an eligible family member participates as an active employee, any employer's group medical plan in which Mr. Fuller is covered as the spouse or dependent or an active employee, any individual medical benefits coverage under which Mr. Fuller or an eligible family member is covered, or Medicare coverage. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Internal Revenue Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. Fuller equal to all federal, state and local taxes incurred by Mr. Fuller as a result thereof.

Furthermore, the Company's obligation to provide post-retirement medical benefits coverage to Mr. Fuller will cease if he causes any person or entity controlled by him to induce or attempt to induce (a) any employee of the Company or any of its affiliates to leave the Company or any of its affiliates or (b) any customer, supplier, vendor, licensee, distributor, contractor or other business relation of the Company or any of its affiliates to cease doing business with, or knowingly adversely alter its business relationship with, the Company or any of its affiliates.

SERP Agreement

Mr. Fuller's SERP agreement, dated as of June 28, 2010, provides that Mr. Fuller will be entitled to monthly benefit payments when he reaches the age of 62 (i.e., the Benefit Commencement Date). Commencing on the Benefit Commencement Date, Mr. Fuller is entitled to 144 monthly payments in an amount equal to 1/12th of the

appropriate vested percentage of his Final Salary. However, if before or coincident with his separation from service (as defined Section 1.409A-1(h)(1) of the Treasury Regulations) there occurs a Change in Control, an involuntary termination by the Company without cause, a voluntary termination by Mr. Fuller for good reason, or Mr. Fuller's death or disability, the applicable percentage will be fully vested at 50%. If before the Benefit Commencement Date, there is a Change in Control that qualifies as a change in control event within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. Fuller dies or becomes disabled, then the actuarial equivalent of the monthly benefits owing to Mr. Fuller must be paid in a lump sum on the date of such event. In addition, if a Change in Control that is also a change in control event occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any remaining monthly benefits owing to Mr. Fuller must be paid in a lump sum on the date of such change in control event. For further discussion regarding Mr. Fuller's SERP agreement, see Pension Benefits on page 45 of this Proxy Statement.

The following table describes the potential payments to Mr. Tomas W. Fuller upon termination or Change in Control.

All other payments set forth above, other than those set forth in the Acceleration of Equity Awards and Post-Retirement Medical Benefits rows, will be paid over a two-year period. For example, during such two-year period, Mr. Fuller will receive an average annual payment of \$35,619 towards the cost of an automobile.

- (3) For purposes of calculating the cash severance payable to Mr. Fuller, we used Mr. Fuller's annual base salary as of December 31, 2013 (\$427,000).
- (4) For purposes of calculating the cash severance payable to Mr. Fuller, we used an annual cash bonus amount of \$422,730 rather than the last actual cash bonus paid to Mr. Fuller, as the Compensation Committee agreed that for purposes of computing the amount of cash severance payable to Mr. Fuller in connection with a termination or change in control to the extent cash severance for 2013 performance would be included in such computation the Compensation Committee would use the cash incentive award calculated by the Committee on the basis of the performance metrics for such period prior to any exercise of negative discretion by the Committee.

Neil Tauber

Severance Agreement

On April 25, 2008, we entered into an amended severance agreement with Mr. Tauber, which amends and restates his severance agreement, dated March 3, 2003. The amended severance agreement is effective as of April 22, 2008, the date on which the Compensation Committee approved the amendment.

If Mr. Tauber's employment with us terminates due to his death or disability, the amended severance agreement provides that we will pay Mr. Tauber (or his estate in the case of termination due to death) a lump-sum payment equal to his accrued and unpaid salary and other compensation and his accrued and unused vacation and sick pay and, within 30 days of the date of termination, a lump-sum payment equal to the amount he would have earned as base salary during the two years following the termination date (reduced by any amounts paid under any long-term disability insurance policy maintained by us for the benefit of Mr. Tauber in the case of termination due to disability), and we will continue to provide specified benefits and perquisites. We will also accelerate the vesting of equity awards held by Mr. Tauber that would have vested during the two years following the date of termination solely as a result of his continued service to the Company and any option or stock appreciation right that is accelerated on the date of termination will remain exercisable for the full term of the award. In addition, all equity-based performance awards granted to Mr. Tauber, to the extent they would have become vested after the date of his termination upon the attainment of one or more specified performance goals, will vest as provided by such performance award but without regard to Mr. Tauber's termination, conditioned on and to the extent that such performance goal or goals are attained.

If Mr. Tauber terminates his employment for good reason, if we terminate his employment without cause or in the event of a Change in Control, in which event the employment of Mr. Tauber terminates automatically, we will pay Mr. Tauber a lump-sum payment equal to his accrued and unpaid salary and other compensation and his accrued and unused vacation and sick pay and, within 30 days of the date of termination, a lump-sum payment equal to the sum of the amount he would have earned as base salary during the two years following the termination date and an amount equal to two times Mr. Tauber's average annual bonus based on the annual bonuses paid or payable to Mr. Tauber for the last three fiscal years, and we will continue to provide specified benefits and perquisites. We will also accelerate the vesting of equity awards held by Mr. Tauber that would have vested following the date of termination solely as a result of his continued service to the Company and any option or stock appreciation right that is accelerated on the date of termination will remain exercisable for the full term of the award; provided, however, that if we terminate Mr. Tauber's employment without cause, we will only accelerate the vesting of his equity awards that would have vested during the two years following the date of termination. In addition, all equity-based performance awards granted to Mr. Tauber, to the extent they would have become vested after the date of his termination upon the attainment of one or more specified performance goals, will vest as provided by such performance award but without regard to Mr. Tauber's termination, conditioned on and to the extent that such performance goal or goals are attained. For purposes of this paragraph, the termination by Mr. Tauber of his employment will be for good reason if the termination occurs within two years following the initial existence of one or more of the following conditions without Mr. Tauber's consent (i) a material diminution in Mr. Tauber's authority, duties or responsibilities, (ii) a material diminution in Mr. Tauber's annual base salary or (iii) the relocation of the office where Mr. Tauber is required to perform his duties to the Company to a location outside of Los Angeles County, California; provided Mr. Tauber delivers written notice to the Company of the existence of such condition within 90 days of the initial existence of the condition and the Company does not remedy such condition within 30 days of the receipt of such notice; and for cause means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. Tauber upon termination qualify as excess parachute payments under the Internal Revenue Code, Mr. Tauber also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

Table of Contents

If Mr. Tauber terminates his employment without good reason or we terminate his employment for cause, Mr. Tauber is entitled by law to receive all accrued, earned and unpaid salary and all accrued and unused vacation and sick pay.

Post-Retirement Medical Benefits Coverage Agreement

Mr. Tauber's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. Tauber and his family will continue to receive medical benefits coverage commencing on or after the date that Mr. Tauber attains age 60 until the last to occur of Mr. Tauber's death, the death of Mr. Tauber's spouse, or the end of the year in which each of Mr. Tauber's children has a birthday. The medical benefits coverage afforded to Mr. Tauber and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. Tauber and his family at any time during the five years prior to termination. Upon Mr. Tauber's eligibility for Medicare or a similar program, Mr. Tauber will have the option to enroll in Medicare or such similar program. If Mr. Tauber or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. The coverage provided by the Company is secondary to any employer's group medical plan in which Mr. Tauber or an eligible family member participates as an active employee, any employer's group medical plan in which Mr. Tauber is covered as the spouse or dependent or an active employee, any individual medical benefits coverage under which Mr. Tauber or an eligible family member is covered, or Medicare coverage. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Internal Revenue Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. Tauber equal to all federal, state and local taxes incurred by Mr. Tauber as a result thereof.

Furthermore, the Company's obligation to provide post-retirement medical benefits coverage to Mr. Tauber ceases if he causes any person or entity controlled by him to induce or attempt to induce (a) any employee of the Company or any of its affiliates to leave the Company or any of its affiliates or (b) any customer, supplier, vendor, licensee, distributor, contractor or other business relation of the Company or any of its affiliates to cease doing business with, or knowingly adversely alter its business relationship with, the Company or any of its affiliates.

SERP Agreement

Mr. Tauber's SERP agreement, dated as of June 28, 2010, provides that Mr. Tauber will be entitled to monthly benefit payments when he reaches the age of 66 (i.e., the Benefit Commencement Date). Commencing on the Benefit Commencement Date, Mr. Tauber is entitled to 144 monthly payments in an amount equal to 1/12th of the applicable vested percentage of his Final Salary. However, if before or coincident with his separation from service (as defined Section 1.409A-1(h)(1) of the Treasury Regulations) there occurs a Change in Control, an involuntary termination by the Company without cause, a voluntary termination by Mr. Tauber for good reason, or Mr. Tauber's death or disability, the applicable percentage will be fully vested at 50%. If before the Benefit Commencement Date, there is a Change in Control that qualifies as a change in control event within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. Tauber dies or becomes disabled, then the actuarial equivalent of the monthly benefits owing to Mr. Tauber must be paid in a lump sum on the date of such event. In addition, if a Change in Control that is also a change in control event occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any remaining monthly benefits owing to Mr. Tauber must be paid in a lump sum on the date of such change in control event. For further discussion regarding Mr. Tauber's SERP agreement, see "Pension Benefits" on page 45 of this Proxy Statement.

All other payments set forth above, other than those set forth in the Acceleration of Equity Awards and Post-Retirement Medical Benefits rows, will be paid over a two-year period. - (4) As of December 31, 2013, 27,733 stock options and 96,487 shares of restricted stock held by Mr. Tauber were unvested, and 63,617 restricted stock units held by Mr. Tauber were unearned and unvested.

- (7) If the receipt by Mr. Tauber of the post-retirement medical benefits coverage described in footnote 6 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would be \$1,786,999.

Josh Drake

Severance Agreement

On August 18, 2011, we entered into a severance agreement with Mr. Drake.

If we terminate Mr. Drake's employment without cause or Mr. Drake's employment with us terminates due to his death or disability, the severance agreement provides that we will pay Mr. Drake (or his estate in the case of termination due to death) a lump-sum payment equal to his accrued and unpaid salary and other compensation and his accrued and unused vacation and sick pay and the amount he would have earned as base salary during the one year period following the date of his termination (reduced by the fixed and determinable amount of any payments to be made to him during that one year period under any long-term disability insurance policy maintained by us for the benefit of Mr. Drake), payable in equal monthly installments. We will also continue to provide specified benefits and perquisites for the one year period following the date of his termination. All stock options and stock appreciation rights granted to Mr. Drake that would have vested during the one year following

Table of Contents

the date of termination solely as a result of his continued service to the Company, will continue to vest during the course of the one year period immediately following the date of termination and become exercisable in accordance with the terms and conditions applicable to such equity award. All restricted stock and restricted stock units held by Mr. Drake that would have vested during the one year period following the date of termination solely as a result of his continued service to the Company will vest upon the date of termination and, in the case of restricted stock units, will become payable in accordance with the terms and conditions applicable to such equity award.

Upon the occurrence of a Change in Control, if Mr. Drake's employment is terminated (a) on or before the one year anniversary of the date of occurrence of a Change in Control by us other than for cause or as a result of Mr. Drake's death or disability, or (b) on or after the one year anniversary of the date of occurrence of a Change in Control by Mr. Drake, then all stock options and stock appreciation rights granted to Mr. Drake that would have vested at any time after the date of termination, will immediately vest and become exercisable on the date of termination and remain exercisable for the full term of such award. All restricted stock and restricted stock units granted to Mr. Drake that would have vested at any time after the date of occurrence of a Change in Control solely as a result of his continued service to the Company will vest on the earlier of (a) the date that is one year after the date of occurrence of the Change in Control, provided that Mr. Drake continues to provide services to us or our successor, (b) the date of Mr. Drake's termination of employment by us or our successor other than for cause or as a result of Mr. Drake's death or disability and (c) the vesting date otherwise provided in the award agreement.

Mr. Drake's severance agreement contains provisions that restrict him, for a period of one year after the termination of his employment, from (a) soliciting from Antech Diagnostics or any of its subsidiaries or affiliates any employee, key consultant, customer or client, or any person who was an employee, key consultant, customer or client within the last twelve months prior to Mr. Drake's termination, or (b) being affiliated in any way, directly or indirectly, with a competitor, or becoming a competitor, of Antech Diagnostics in any area in which it operates, including, but not limited to, veterinary diagnostics testing, veterinary telemedicine, veterinary diagnostic and marketing communications for animal hospitals.

For purposes of this section, the termination of Mr. Drake's employment for cause means for (i) a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude; (ii) gross misconduct in the performance of his duties; (iii) failure of Mr. Drake to follow or comply with our policies and procedures or the written directives of our Board of Directors or (iv) the repeated failure of Mr. Drake to render full and proper services as required by the terms of his employment.

If we terminate Mr. Drake's employment for cause, Mr. Drake is entitled by law to receive all accrued, earned and unpaid salary and all accrued and unused vacation and sick pay.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

The Compensation Committee

John M. Baumer

John B. Chickering, Jr.

Table of Contents**DIRECTOR COMPENSATION**

The Compensation Committee reviews director compensation on an annual basis. Our non-employee director compensation program for fiscal year 2013 was as follows:

Annual retainer

We pay our non-employee directors \$10,000 per year, paid quarterly in arrears, \$2,000 for each Board of Directors meeting attended in person or committee meeting attended in person which is not held on the same day as a Board of Directors meeting, including reimbursement for out-of-pocket expenses incurred in attending, and \$1,000 for each Board of Directors meeting attended telephonically or committee meeting attended telephonically which is not held on the same day as a Board of Directors meeting. We pay the Chairman of our Audit Committee an additional \$10,000 per year, paid quarterly in arrears. No employee director receives compensation for his or her service as a member of our Board of Directors.

Restricted shares

Upon appointment to the Board of Directors, each non-employee director receives an initial grant of a number of restricted shares of common stock equal to \$75,000 divided by the closing price of VCA's common stock on the grant date. These restricted shares vest in three equal annual installments, in each of the three 12-month periods, each an annual period, following the date of grant on that day during such annual period which is the earlier to occur of (a) the day immediately preceding the date of an annual meeting of the Company's stockholders occurring during such annual period or (b) on the anniversary of the date of grant.

If the date of grant is fewer than 12 months prior to the date of the next annual meeting of stockholders, the number of shares granted is reduced on a pro-rata basis, based upon the number of months until the next annual meeting of stockholders (e.g., if a non-employee director is appointed January 1 and the next annual meeting of stockholders is April 1, such non-employee director will receive 500 restricted shares).

In addition, each non-employee director receives an annual automatic grant on the date of the annual meeting of a number of restricted shares equal to \$75,000 divided by the closing price of the Company's common stock on the grant date. These restricted shares vest in three equal annual installments, in each of the three annual periods following the date of grant on that day during such annual period which is the earlier to occur of (a) the day immediately preceding the date of an annual meeting of the Company's stockholders occurring during such annual period or (b) on the anniversary of the date of grant.

The following table and related footnotes summarize the compensation paid by the Company to each non-employee director for the fiscal year 2013:

CERTAIN TRANSACTIONS WITH RELATED PERSONS

In accordance with its charter, our Audit Committee is responsible for reviewing and approving all related-party transactions. At least once a year, the Audit Committee reviews a summary of all related-party transactions, including the Company's transactions with our executive officers and directors and with the firms that employ the directors.

Except as disclosed below, none of our directors, executive officers, stockholders owning more than five percent of our issued shares, or any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which we were a party during fiscal year 2013, or which is presently proposed.

We believe, based on our reasonable judgment, but without further investigation, that the terms of each of the following transactions or arrangements between us and our affiliates, officers, directors or stockholders which were parties to the transactions were, on an overall basis, at least as favorable to us as could then have been obtained from unrelated parties.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms that they file. Based solely upon our review of copies of the forms received by us and written representations from certain reporting persons that they have complied or not complied with the relevant filings requirements, we believe that, during the year ended December 31, 2013, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

Table of Contents**PRINCIPAL STOCKHOLDERS**

The following table sets forth information regarding beneficial ownership of our common stock as of February 28, 2014, by:

each of our directors;

each of our Named Executive Officers;

all of our directors and Named Executive Officers as a group; and

all other stockholders known by us to beneficially own more than 5% of our outstanding common stock.

Beneficial ownership is determined in accordance with the rules of the SEC. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as indicated in the notes to this table, and except pursuant to applicable community property laws, each stockholder named in the table has sole voting and investment power with respect to the shares shown as beneficially owned by them. Percentage ownership is based on 89,457,177 shares of common stock outstanding on February 28, 2014.
