Item 4.01 Change in Registrant's Certifying Accountant

The Audit Committee (the "Audit Committee") of the Board of Directors of Vocera Communications, Inc. (the "Company") conducted a competitive process to determine the Company's independent registered public accounting firm for 2014. The Audit Committee invited certain accounting firms to participate in this process, including PricewaterhouseCoopers LLP ("PricewaterhouseCoopers"), which had previously served as the Company's independent registered public accounting firm. As a result of this process, on March 21, 2014, the Audit Committee approved the appointment of Deloitte & Touche LLP ("Deloitte") as the Company's independent registered public accounting firm for 2014 and dismissed PricewaterhouseCoopers from that role. The Company expects to engage Deloitte upon completion of their client acceptance procedures.

PricewaterhouseCoopers' reports on the Company's consolidated financial statements for the fiscal years ended December 31, 2012 and December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2012, and December 31, 2013, and the subsequent interim period through March 21, 2014, there were (i) no disagreements as that term is defined in Item 304(a)(1)(iv) and the related instructions of Regulation S-K, between the Company and PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to PricewaterhouseCoopers' satisfaction, would have caused PricewaterhouseCoopers to make reference to the subject matter of any such disagreement in connection with its reports for such years and (ii) except for a material weakness in the Company's internal control over financial reporting as described below, no reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K. The material weakness in internal control over financial reporting as disclosed in the Company's report on Form 10-Q for the quarter ended June 30, 2012 was related to the design and operation of controls for the preparation of the statement of cash flows specifically associated with non-cash activity related to issuance costs from the completion of the Company's initial public offering. This material weakness was subsequently remediated as of December 31, 2012. The Audit Committee has discussed these matters with PricewaterhouseCoopers, and the Company has authorized PricewaterhouseCoopers to respond fully to any inquiries by Deloitte.

The Company provided PricewaterhouseCoopers with a copy of the disclosures it is making in the Report. The Company requested that PricewaterhouseCoopers furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made herein. A copy of PricewaterhouseCoopers letter dated March 27, 2014 is attached as Exhibit 16.1 hereto.
