[May , 2014],

Dear Shareholder:

On behalf of World Gold Trust Services, LLC, Sponsor of SPDR[®] Gold Shares (ticker symbol GLD), I would like to thank you for being a GLD[®] investor.

Nearly a decade has passed since we initially listed GLD on the New York Stock Exchange in November 2004. Throughout this period, GLD has offered millions of investors a convenient way to access the gold market. Today, it is the largest physical commodity-backed exchange traded fund (ETF) in the world and is traded internationally on the NYSE Arca, Singapore Stock Exchange, Tokyo Stock Exchange, The Stock Exchange of Hong Kong and the Mexican Stock Exchange (BMV).

I would like to call your attention to the proposal we are putting forth in the attached **Consent Solicitation Statement**. This proposal, for which we are seeking your approval, will strengthen GLD and allow it to remain the world's premier physical gold-backed financial product for years to come. We are extremely proud of the past success of GLD, and we look forward to improving the product for all current and future investors.

The following are highlights of the proposal contained in the attached Consent Solicitation Statement:

Capping investor ordinary fees at 0.40% of the daily net asset value (NAV) each year - Currently, the Trust, under certain circumstances, is permitted to charge investors an amount in excess of 0.40% of the daily NAV per year for the ordinary costs and expenses of the Trust. With the changes we are seeking, investors will have ongoing assurance that these fees will not exceed 0.40% of NAV per year;

Modernization of the Trust Structure - As GLD was the first of its kind when it was developed nearly a decade ago, this proposal allows the Trust to update certain of the provisions of the original trust indenture to align them with current ETF industry best practice and standards; and

Implementation of a Unitary Fee Structure - A unitary fee structure is customary among investment trusts like GLD and maximizes the efficiency of how the costs and expenses of the Trust are serviced. This proposal allows the Trust to align itself with this more efficient industry standard.

GLD shareholders will not pay any additional fees as a result of the proposed changes. We hope you will share our view that these changes both modernize and simplify SPDR[®] Gold Shares for the ultimate benefit of current and future shareholders. **The board of directors of World Gold Trust Services, LLC recommends that you vote *FOR* the attached proposal.**

Your vote is important. If you have any questions regarding the attached materials or need assistance in voting, please contact our consent solicitation agent, Broadridge Financial Solutions, Inc., at 1-855-601-2251.

Thank you in advance for your timely consideration of this matter.

Sincerely,

The Sponsor recommends that the Shareholders vote FOR the proposal to amend and restate the Original Trust Indenture.

Questions and Answers About the Proposal

Q: What is the purpose of the Proposal?

A: The Trust was the first publicly traded investment trust in the United States that was designed to track the price of a commodity. Since the formation of the Trust, a number of similar trusts designed to track the price of a commodity have been formed and the procedures and standards associated with these trusts have evolved. The Proposal is intended, among other things, to update certain of the provisions of the Original Trust Indenture to align them with the provisions contained in the trust agreements of similar exchange traded products that were launched subsequent to the initial public offering of the Trust and to clarify other provisions in the Original Trust Indenture so that they will be consistent with industry practice that has developed during the past nine years. The Proposal will:

Change the manner in which the ordinary fees and expenses of the Trust are paid to provide that, in return for the Trust's payment to the Sponsor of a fee of 0.40% per year of the daily net asset value, or daily NAV, of the Trust, as calculated for compensation purposes as described below, the Sponsor will be responsible for all other ordinary fees and expenses of the Trust; regardless of whether such fees and expenses exceed the Sponsor's fee of 0.40% per year of the daily NAV of the Trust;

Clarify the right of the Sponsor to list the Shares on exchanges and securities markets;

Permit the Sponsor to compensate affiliates for providing marketing services to the Trust; and

Clarify various related and other provisions of the Original Trust Indenture.

If the Proposal is adopted, the amended and restated Trust Indenture, a copy of which is attached hereto as Appendix A, will also incorporate all prior amendments to it.

Q: Who is making this solicitation?

A: The Sponsor is soliciting your vote on the Proposal.

Q: How does the Sponsor recommend I vote on the Proposal?

A: The Sponsor recommends you vote **FOR** the Proposal. A vote for the Proposal means that you consent to the Proposal.

Q: Does the Sponsor have an interest in the Proposal?

A: Yes. The Proposal will change, among other things, the method of calculating the gross amount that the Sponsor earns.

Under the Original Trust Indenture, the Sponsor's fee currently is accrued daily at an annual rate equal to 0.15% of the adjusted net asset value, or ANAV, of the Trust, subject to reduction as described below in **Background Fees and Expenses of the Trust Fee Reduction Agreement**.

Edgar Filing: SPDR GOLD TRUST - Form PRE 14A

For each day, the ANAV of the Trust is determined by subtracting from the value of the Trust's gold (determined using the afternoon London gold fix price as described in the Original Trust Indenture) the fees and expenses accrued through the prior day and the current day's accrual of the estimated expenses of the Trust which are not computed by reference to the value of the Trust or its assets (that is, expenses other than the fees of the Sponsor, the Trustee, State Street Global Markets, LLC, the marketing agent for the Shares of the Trust, or the Marketing Agent, and HSBC Bank USA, N.A., the custodian of the Trust, or the Custodian). The ANAV of the Trust is then used to compute the current day's accrual of the fees of the Sponsor, the Trustee and the Marketing Agent. To determine the net asset value of the Trust, or NAV of the Trust, the current day's accrual of the fees of the Sponsor, the Trustee, the Marketing Agent and the Custodian is subtracted from the ANAV of the Trust.

Under the Proposal, the Sponsor's fee would accrue daily at an annual rate equal to 0.40% of the daily NAV, in exchange for the Sponsor assuming the responsibility to pay all other ordinary fees and expenses of the Trust. For each day, the daily NAV will be determined by subtracting from the value of the Trust's gold (determined using the afternoon London gold fix price as described in the amended and restated Trust Indenture attached as Exhibit A to this Consent Solicitation Statement) the fees and expenses of the Trust accrued through the prior day.

While the net amount of fees and expenses payable by the Trust under the Proposal will not increase, the net amount earned by the Sponsor could be greater or smaller than the fee of 0.15% of the daily ANAV of the Trust it currently earns, depending on the actual expenses of the Trust.

Q: Who is entitled to vote on the Proposal?

A: Shareholders as of the close of business on [May ,] 2014, or the Record Date, may vote on the Proposal. On the Record Date, Shares were issued and outstanding. Each Share is entitled to one vote on the Proposal.

Q: How many votes does the Proposal require?

A: The Proposal requires the consent of at least 51% of the Shares outstanding as of the Record Date.

Q: Will there be a shareholders' meeting with regard to the Proposal?

A: There will be no meeting of shareholders with regard to the Proposal.

Q: When is the deadline to vote?

A: Broadridge Financial Solutions, Inc. must receive your vote no later than 4:00 p.m., New York City time, on [June ,] 2014, subject to early termination of this Consent Solicitation, including if the consent of the Shareholders holding 51% of the Trust's outstanding Shares has been received, or the extension of the Expiration Date at the discretion of the Sponsor.

Q: How can I vote my Shares?

A: You should have received instructions on how to vote from your broker, bank or other nominee. Please follow their instructions carefully.

You may generally vote by one of the following methods:

By Mail. If you requested printed copies of the consent materials to be mailed to you, you may vote by signing, dating and returning your Written Consent in the enclosed pre-addressed envelope; or

By Methods Listed on the Written Consent. Please refer to your Written Consent or other information provided by your bank, broker, nominee or other shareholder of record to determine whether you may vote by telephone or electronically on the Internet, and follow the instructions on the Written Consent or other information provided to the shareholders of record.

Individual certificates have not been issued for the Shares. Instead, global certificates have been deposited by the Trustee with the Depository Trust Company, or DTC, and registered in the name of Cede & Co., as nominee for DTC. The global certificates evidence all of the Shares outstanding at any time.

Edgar Filing: SPDR GOLD TRUST - Form PRE 14A

Under the Original Trust Indenture, only the following persons may be record holders of Shares: (i) DTC participants, or DTC Participants; (ii) those who maintain, either directly or indirectly, a custodial relationship with a DTC Participant, or Indirect Participants; and (iii) those brokers, banks and other nominees who hold interests in the Shares through DTC Participants or Indirect Participants.

-2-

If you hold your Shares through a broker, bank or other nominee, you are considered the beneficial owner of the Shares, and your broker is the holder of record. You have the right to direct your broker as to how to vote your Shares. If you request a printed copy of the consent materials by mail, your broker will provide a Written Consent for you to use.

Q: What are broker non-votes?

A: Broker non-votes are shares held by brokers, banks and other nominees that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients. If your broker holds your Shares in its name and you do not instruct your broker how to vote, your Shares will not be voted on the Proposal. **A broker non-vote, or an abstention, will have the same effect as a vote against the Proposal.**

Q: Why didn't I receive a notice in the mail about the Internet availability of the Consent Solicitation Statement?

A: We are providing some of our Shareholders, including some of our Shareholders who are living outside of the United States, with paper copies of the Consent Solicitation Statement and Written Consent instead of a Notice about the Internet availability of such documents. In addition, we are providing notice of the availability of the Consent Solicitation Statement by e-mail to those Shareholders who have previously elected delivery of proxy materials electronically. Those Shareholders should have received an e-mail containing a link to the website where those materials are available and a link to the voting website for the Proposal.

Q: How can I access the Consent Solicitation Statement electronically?

A: You can view this Consent Solicitation Statement on the Internet at <http://www.spdrgoldshares.com/>

Q: Can I change my vote?

A: Your latest vote is the one that counts. Therefore, you can revoke a prior vote simply by voting again, at any time during the voting period, over the Internet, with your Written Consent, or by toll-free telephone call.

Q: Whom should I contact if I have more questions?

A: Please call our solicitation agent, Broadridge Financial Solutions, Inc., toll-free at 855-601-2251.

Overview of the Proposal

This Consent Solicitation Statement is furnished to obtain the consent of the Shareholders to amend and restate the Original Trust Indenture.

The Proposal will:

Change the manner in which the ordinary fees and expenses of the Trust are paid to provide that, in return for the Trust's payment to the Sponsor of a fee of 0.40% per year of the daily NAV of the Trust, the Sponsor will be responsible for all other ordinary fees and expenses of the Trust; regardless of whether such fees and expenses exceed the Sponsor's fee of 0.40% per year of the daily NAV of the Trust;

Edgar Filing: SPDR GOLD TRUST - Form PRE 14A

Clarify the right of the Sponsor to list the Shares on exchanges and securities markets;

Permit the Sponsor to compensate affiliates for providing marketing services to the Trust; and

Clarify various related and other provisions of the Original Trust Indenture.

-3-

If the Proposal is adopted, the amended and restated Trust Indenture, as attached hereto as Appendix A, will incorporate all prior amendments to it. Changes will also be required in the agreements with the various service providers to the Trust if the Proposal is adopted to reflect the change in payment procedure and any changes in payment terms.

To the extent Shareholder approval for the Proposal is obtained, the Proposal will not be implemented until such time as reasonable procedures have been effected to prevent the Trust from having to pay more than 0.40% per year of the daily NAV of the Trust for the ordinary expenses of the Trust to be paid by the Sponsor in the event the Sponsor does not pay one or more of the Trust's service providers.

Background

The Trust is an investment trust, formed on November 12, 2004 under New York law pursuant to the Original Trust Indenture. World Gold Trust Services, LLC is the Sponsor. The Bank of New York Mellon is the Trustee. State Street Global Markets, LLC is the Marketing Agent. The Trust holds gold and from time to time issues Shares, in baskets, in exchange for deposits of gold and distributes gold in connection with redemptions of baskets. A basket equals a block of 100,000 Shares. Authorized Participants, or Authorized Participants, are the only persons permitted to create or redeem baskets of Shares. The investment objective of the Trust is for the Shares to reflect the performance of the price of gold bullion, less the Trust's expenses. The Trust is not actively managed.

The Trust was the first publicly traded investment trust in the United States that was designed to track the price of a commodity. Since the formation of the Trust, a number of similar trusts designed to track the price of a commodity have been formed and the procedures and standards associated with these trusts have evolved. The Proposal is intended, among other things, to update certain of the provisions of the Original Trust Indenture to align them with the provisions contained in the trust agreements of similar exchange traded products that were launched subsequent to the Trust and to clarify other provisions in the Original Trust Indenture so that they will be consistent with industry practice that has evolved subsequent to the initial public offering of the Trust.

Fees and Expenses of the Trust

The Trust's estimated ordinary operating expenses accrue daily and are currently reflected in the NAV of the Trust. The ordinary operating expenses of the Trust include: (i) fees paid to the Sponsor, (ii) fees paid to the Trustee, (iii) fees paid to the Custodian, (iv) fees paid to the Marketing Agent and other marketing costs and (v) various Trust administration fees, including printing and mailing costs, legal and audit fees, registration fees and listing fees. The fees of the Sponsor, Trustee, Custodian and Marketing Agent and the administration fees of the Trust are accrued and paid by the Trust. The Trustee sells gold held by the Trust on an as-needed basis to pay the Trust's expenses.

The Proposal provides that, in return for a payment by the Trust to the Sponsor that will not exceed 0.40% per year of the daily NAV of the Trust, the Sponsor will become responsible for all the ordinary expenses of the Trust. Such fee will not increase if the ordinary expenses of the Trust exceed 0.40% per year of the daily NAV of Trust even if the fee reduction agreement, discussed below, currently in place between the Sponsor and the Marketing Agent ends.

At present, the Trustee pays the following ordinary operating expenses of the Trust from the assets of the Trust:

Sponsor. The Sponsor currently receives a fee payable monthly in arrears that is accrued daily at an annual rate equal to 0.15% of the ANAV of the Trust and is subject to reduction as described below. The Trust also reimburses the Sponsor for certain disbursements and expenses incurred in connection with the Trust.

Trustee. The Trustee's fee is payable monthly in arrears and is accrued daily at an annual rate of 0.02% of the ANAV of the Trust, subject to a minimum fee of \$500,000 and a maximum fee of \$2 million annually as compensation for services performed under the Original Trust Indenture. The Trustee's fees for fiscal 2013 were \$2 million. The Trust also reimburses the Trustee for certain expenses and disbursements and for any extraordinary services.

Custodian. Fees are paid to the Custodian as compensation for its custody services in connection with the accounts maintained by the Trust with the Custodian. The Custodian's fee is computed at an annual rate equal to 0.10% of the average daily aggregate value of the first 4.5 million ounces of gold held in the Trust's accounts and 0.06% of the average daily aggregate value of all gold held in the Trust's accounts in excess of 4.5 million ounces. The unaudited Custodian's fees for fiscal 2013 were approximately 0.066% of the average daily aggregate value of the gold held in the Trust's accounts.

Marketing Agent. The Marketing Agent's fee is payable monthly in arrears and is accrued daily at an annual rate equal to 0.15% of the ANAV of the Trust and is subject to reduction as described below. The Trust also reimburses the Marketing Agent for certain marketing costs.

Administration Fees. The administration fees of the Trust total approximately 0.03% to 0.04% of the ANAV of the Trust based on an annual rate that accrues daily. These fees include: (i) SEC registration fees and other regulatory fees; (ii) audit and quarterly review fees; (iii) legal fees; (iv) internal and external auditor fees in respect of Sarbanes Oxley compliance; (v) printing fees; and (vi) certain marketing and other costs.

Fee Reduction Agreement. Under the marketing agent agreement, dated as of November 16, 2004, between the Sponsor and the Marketing Agent, or the Marketing Agent Agreement, and Section 10.06 of the Original Trust Indenture, the fees of the Sponsor and the Marketing Agent are subject to reduction while the Marketing Agent Agreement is in effect.

The reduction applies whenever, at the end of a particular month, the estimated ordinary expenses of the Trust for such month (including the Marketing Agent's fees and the Sponsor's fees for such month) exceed 0.40% per year of the daily ANAV of the Trust for such month. If the reduction applies, the fees payable to the Sponsor and the Marketing Agent for such month are reduced by the amount of such excess in equal shares up to the full amount of their fees, thus maintaining the ordinary expenses of the Trust at 0.40% per year of the daily ANAV of the Trust. However, in the event that the ordinary expenses of the Trust exceeded 0.70% per year of the daily ANAV of the Trust for a particular month, the Trust would bear the excess of such expenses over 0.70% per year of the daily ANAV of the Trust for that month, notwithstanding that the fees of the Sponsor and the Marketing Agent would be reduced to zero for that month. This agreement is referred to as the Fee Reduction Agreement.

Currently, the Fee Reduction Agreement ends when the Marketing Agent Agreement is no longer in effect. If the Marketing Agent Agreement is not renewed or is otherwise terminated, there is no assurance that any service provider of the Trust would agree to a similar or other fee reduction arrangement in the future or that the Sponsor would do so unilaterally. After the Marketing Agent Agreement is no longer in effect, the estimated ordinary expenses payable by the Trust each month may be more than they would have been had the Fee Reduction Agreement continued to be in place. This would reduce the NAV of the Trust more rapidly than if the Fee Reduction Agreement were in effect, adversely affecting the value of the Shares.

If the Proposal is adopted, the Sponsor will receive an annual fee equal to 0.40% of the daily NAV of the Trust and in return the Sponsor will be responsible for the payment of the ordinary fees and expenses of the Trust, including the Trustee's fee, the Custodian's fee, the Marketing Agent's fee and the administration fees of the Trust, regardless of whether the ordinary expenses of the Trust exceed 0.40% of the daily NAV of the Trust. If the Proposal is adopted, the Fee Reduction Agreement will be terminated as unnecessary simultaneously with the amendment of the Marketing Agent Agreement to reflect the change in the method of payment of the

Marketing Agent. The fee that the Sponsor will receive and the ordinary expenses of the Trust for which the Sponsor will be responsible are described below in The Proposal The Fees and Expenses of the Trust.

If the Proposal is adopted, the Sponsor's assumption of the ordinary fees and expenses of the Trust will provide Shareholders with on-going assurance that the ordinary fees and expenses for which the Trust is responsible will not increase over time. Under the current expense structure of the Trust, the Trust could be responsible for ordinary expenses of the Trust in excess of 0.40% of the daily NAV of the Trust if the Fee Reduction Agreement ceased to be in effect due to the termination of the Marketing Agent Agreement or, for the period that the Fee Reduction Agreement is in effect, if, as discussed above, the ordinary expenses of the Trust exceeded 0.70% of the daily ANAV of the Trust for a particular month.

Stock Exchange Listings

The Shares trade on the NYSE Arca, NYSE Euronext's fully electronic U.S. trading platform. The Shares may be bought and sold on the NYSE Arca like any other exchange-listed security and the listing provides institutional and retail investors with an efficient means to implement their investment strategies. Prior to the listing of the Shares on the NYSE Arca, the Shares were listed on the NYSE. The Shares are also listed on the Bolsa Mexicana de Valores, Singapore Stock Exchange, the Stock Exchange of Hong Kong and the Tokyo Stock Exchange. Such listings provide additional liquidity for the Shares.

While the Original Trust Indenture generally allows for the listing of the Shares on other exchanges, the Sponsor believes it would be prudent to amend the Trust Indenture to specifically provide for such ability. This change will ensure that the Sponsor has the authority to address any unique registration or listing requirements related to such foreign exchanges and securities markets that may arise.

Affiliate Marketing Services

The Proposal would permit the Sponsor to more effectively use affiliates to provide marketing services to the Trust. The Original Trust Indenture currently does not permit the Sponsor to pay its affiliates for any services rendered on behalf of the Trust, except from the Sponsor's current fee of 0.15% of the daily ANAV of the Trust. The Sponsor believes that it will be in the best interests of the Trust if the Sponsor were permitted to engage and pay certain of its affiliates, for example, those that have expertise with respect to gold as an asset class, including the marketing of gold as an asset class. The Sponsor believes that having the ability to utilize the expertise of the World Gold Council, the Sponsor's ultimate parent company, and its affiliates, when and if needed, will be beneficial for the Trust and its Shareholders. The Sponsor will be responsible for any payments made to affiliates for providing marketing services to the Trust.

Creation and Redemption of Shares

The Proposal would clarify the methodology utilized by the Trustee to value the gold held by the Trust and the net asset value per Share, or NAV per Share, of the Trust on each business day. While the Trustee has utilized this methodology since the formation of the Trust, which methodology is the customary practice employed by similar investment trusts, the language of the Original Trust Indenture is general and does not specifically identify the methodology utilized by the Trustee. This amendment would provide additional clarity and certainty to the Original Trust Indenture.

Sponsor Fee Waiver

The Proposal would make explicit that the Sponsor has the right to waive part or all of its fee. This amendment would provide flexibility and certainty so that the Sponsor may, at its election, provide a benefit to the Shareholders.

Record Date

The Proposal would define the record date for all matters requiring a record date. The Original Trust Indenture specifies the record date for cash distributions only. This amendment would provide additional clarity and certainty to the Original Trust Indenture.

Removal of a Custodian

The Proposal would make explicit that the Sponsor may direct the Trustee to remove a Custodian. This amendment would provide additional clarity and certainty to the Original Trust Indenture.

The Proposal

If approved by the Shareholders, the Proposal will amend and restate the Original Trust Indenture to:

- (a) Change the manner in which the ordinary fees and expenses of the Trust are paid;
- (b) Clarify the right of the Sponsor (1) to register or qualify the Shares or to list the Shares on exchanges and securities markets and to maintain or discontinue any such registrations, qualifications or listings, in each case in such jurisdictions as the Sponsor may determine, (2) to take certain actions in connection therewith that are not otherwise provided for in the Original Trust Indenture and (3) to provide that the fees and expenses related to the foregoing shall be payable by the Sponsor;
- (c) Permit the Sponsor to compensate affiliates for providing marketing services to the Trust;
- (d) Expressly state when (1) gold is deemed held or not held by the Trust for purposes of the Trustee's valuation of the Trust's gold and (2) Shares are deemed outstanding or not outstanding for purposes of the Trustee's calculation of the NAV per Share of the Trust;
- (e) Make explicit that the Sponsor has the discretionary right to waive part or all of its fee;
- (f) Specify the procedures for setting the record date for all matters requiring a record date under the Original Trust Indenture; and
- (g) Make explicit that the Sponsor may direct the Trustee to remove the Custodian.

The amended and restated Trust Indenture will incorporate into one document the Original Trust Indenture and all amendments to it. The Trust Indenture, as amended by the Proposal, is attached to this Consent Solicitation Statement as Appendix A, with deletions indicated by strikeout and additions indicated by underlining.

The description of the Proposal in this Consent Solicitation Statement is qualified by reference to Appendix A. Shareholders should read Appendix A carefully before voting on the Proposal.

Following is a brief discussion of each item of the Proposal.

Fees and Expenses of the Trust

The Proposal would change the manner in which the ordinary fees and expenses of the Trust are paid so that the Trust's only ordinary recurring expense would be a set fee payable to the Sponsor. In exchange for the Sponsor's fee, which would be accrued daily at an annualized rate equal to 0.40% of the daily NAV of the Trust and be paid monthly

in arrears, the Sponsor would assume the following fees and expenses:

Fees for the Trustee's ordinary services and the reimbursement of its customary and ordinary out-of-pocket expenses;

-7-

Subject to the prior written approval of the Sponsor, compensation paid to agents employed by the Trustee;

Fees, expenses and other charges of the Custodian payable by the Sponsor under the Allocated Bullion Account Agreement and the Unallocated Bullion Account Agreement, each dated June 1, 2011 and between the Trustee and the Custodian, or the Allocated Bullion Account Agreement and the Unallocated Bullion Account Agreement, as amended, and, subject to the prior written approval of the Sponsor, (i) other fees, expenses and charges for the custody, deposit or delivery of gold and the services related to the custody and safekeeping of gold and (ii) fees, expenses and charges charged by any other custodian pursuant to a custody agreement;

Expenses incurred in contacting Shareholders, up to an aggregate amount for any fiscal year of \$500,000;

Audit and accounting fees and expenses of the Trust;

Legal fees and expenses (including the costs of any litigation) of the Sponsor, the Trust, the Trustee and the Custodian, up to an aggregate amount for any fiscal year of \$500,000;

Fees paid to DTC for custody of Shares;

Federal and state annual fees in keeping the registration of Shares on a current basis for the issuance of baskets of Shares in exchange for deposits of gold and related fees and expenses, including fees and expenses related to the registration, qualification, maintenance or discontinuance of the Shares for offering and sale, the listing, maintenance or discontinuance of the Shares on securities exchanges or securities markets and the preparation and filing of the Trust's periodic and other reports or documents required under federal, state or foreign securities or other laws;

Expenses relating to the printing and distribution of marketing materials describing the Trust and Shares (including associated legal, consulting, advertising and marketing costs and other out-of-pocket expenses);

Fees of the Marketing Agent and the out-of-pocket expenses of the Marketing Agent in the manner agreed to by the Sponsor and the Marketing Agent;

Expenses related to the maintenance of a website for the Trust, including licensing costs, and the marketing of the Shares by the Sponsor; and

Any other expenses expressly payable by the Sponsor under the amended and restated Trust Indenture. During the fiscal year ended September 30, 2013, the aggregate amount of these fees and expenses were approximately \$229.7 million, or approximately 0.40% of the ANAV of the Trust. Had the Proposal been in effect during the fiscal year ended September 30, 2013, the total fees and expenses of the Trust would not have materially changed.

The remaining non-recurring and other charges would continue to be accrued and paid by the Trust. These expenses include:

Expenses and other charges of the Custodian payable by the Trustee on behalf of the Trust under the Allocated Bullion Account Agreement and the Unallocated Bullion Account Agreement (including (i) any relevant taxes, duties and governmental charges and (ii), as discussed below, the obligation to indemnify the initial custodian) and, subject to the prior written approval of the Sponsor, (i) other expenses and charges for the custody, deposit or delivery of gold and services related to the custody and safekeeping of gold and (ii) expenses and charges charged by any other custodian pursuant to a custody agreement;

The expenses of the Trustee, other than customary and ordinary out-of-pocket expenses and fees of agents for performing services the Trustee is required to perform under the Trust Indenture;

Fees of the Trustee for extraordinary services performed under the Trust Indenture;

Taxes and various other governmental charges;

Any taxes, fees and charges payable by the Trustee with respect to creation or redemption of baskets of Shares;

Any taxes or other governmental charges imposed on the Sponsor in respect of the Trust, its assets, including gold, or the Shares;

Expenses and costs of any action taken by the Trustee or the Sponsor to protect the Trust and the rights and interests of Shareholders;

Indemnification of the Trustee or the Sponsor as provided in the amended and restated Trust Indenture;

Expenses incurred in contacting Shareholders in excess of \$500,000;

Indemnification of the Custodian as provided in the Allocated Bullion Account Agreement and the Unallocated Bullion Account Agreement;

Reimbursement of Authorized Participants under the Participant Agreements among the Authorized Participants, the Trustee and the Sponsor, to the extent provided therein, for amounts payable by the Sponsor pursuant to Section 10 of such Participant Agreements to the extent the Sponsor has not paid such amounts when due under such Section 10;

Reimbursement of the Marketing Agent under the November 16, 2004 Reimbursement Agreement between the Trustee and the Marketing Agent for any and all amounts payable by the Sponsor pursuant to Section 7 of the Marketing Agent Agreement, to the extent the Sponsor has not directly paid such amounts when due, as provided therein;

The amount of any legal fees and expenses (including the costs of any litigation) of the Sponsor, the Trust, the Trustee and the Custodian in excess of an aggregate amount for any fiscal year of \$500,000; and

All other expenses of the Trust not assumed by the Sponsor as described above, including all such other expenses identified as chargeable to the Trust under the amended and restated Trust Indenture.

To the extent Shareholder approval for the Proposal is obtained, the Proposal will not be implemented until such time as reasonable procedures have been effected to prevent the Trust from having to pay more per year than 0.40% of the daily NAV of the Trust for the ordinary expenses of the Trust to be paid by the Sponsor in the event the Sponsor does not pay one or more of the Trust's service providers. The amendments to the Original Trust Indenture that relate to this

part of the Proposal principally are set forth in Sections 3.05(a) and (b) of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

The Sponsor believes that by changing the manner in which the ordinary fees and expenses of the Trust are paid so that the Trust's only ordinary recurring expense would be the Sponsor's fee, the accounting for the Trust's fees and expenses will be simpler and more efficient and the Sponsor will be able to provide greater oversight over the Trust's service providers. The Sponsor believes that it will be better able to control the Trust's costs if the Proposal is adopted. The Sponsor also believes that the proposed fee arrangement is customary among investment trusts that are comparable to the Trust.

The Sponsor has an interest in the Proposal, since the Proposal will change, among other things, the method of calculating the gross amount that the Sponsor earns from 0.15% of the daily ANAV to 0.40% of the daily NAV of the Trust, in exchange for the Sponsor assuming the responsibility to pay all other ordinary fees and expenses of the Trust. As set out above, had the Proposal been in effect during the fiscal year ended September 30, 2013, the total fees and expenses of the Trust would not have been materially different. If the Proposal is approved, the Sponsor may earn a greater fee than would have been the case absent the Proposal, if

the portion of the expenses of the Trust that are payable by the Sponsor as a result of the Proposal are less than the difference between the 0.40% of the daily NAV of the Trust payable to the Sponsor under the Proposal and the 0.15% of the daily ANAV of the Trust currently payable to the Sponsor, including as a result of the Sponsor's ability to decrease the ordinary expenses of the Trust after the implementation of the Proposal.

Stock Exchange Listings

As described above, the Shares now are listed on multiple stock exchanges. The Proposal would replace the general language in Section 10.02 of the Original Trust Indenture with language clarifying the right of the Sponsor (i) to register or qualify the Shares or to list the Shares on exchanges and securities markets and to maintain or discontinue any such registrations, qualifications or listings, in each case in such jurisdictions as the Sponsor may determine, (ii) to take certain actions in connection therewith that are not otherwise provided for in the Original Trust Indenture and (iii) to provide that the fees and expenses related thereto shall be payable by the Sponsor.

This change will ensure that the Sponsor has the authority to address any unique registration or listing requirements related to such foreign exchanges and securities markets that may arise. The amendment also makes any related expenses the responsibility of the Sponsor and not the Trust.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Section 10.02 of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Affiliate Marketing Services

The Proposal would permit the Sponsor to more effectively use affiliates to provide marketing services to the Trust. The Original Trust Indenture currently does not permit the Sponsor to reimburse its affiliates for any services rendered on behalf of the Trust, except from the Sponsor's current fee of 0.15% of the daily ANAV of the Trust. The Sponsor believes that it will be in the best interests of the Trust if it were permitted to engage and pay certain of its affiliates, for example those that have expertise with respect to gold as an asset class. The Sponsor believes that having the ability to utilize the expertise of the World Gold Council and its affiliates will be beneficial for the Trust and its Shareholders. The Sponsor will be responsible for any payments made to affiliates for providing marketing services to the Trust.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Section 3.08(c) of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Creation and Redemption of Shares

The Proposal would clarify that:

in connection with the Trustee's valuation of the gold held by the Trust on each business day, gold deliverable to the Trust by an Authorized Participant in connection with the Authorized Participant's order to create new baskets of Shares will be considered held by the Trust for purposes of such valuation beginning on the first business day following the date of the order and gold deliverable from the Trust to an Authorized Participant in connection with the Authorized Participant's order to redeem baskets of Shares will not be considered held by the Trust for purposes of such valuation beginning on the first business day following the date of the order; and

in connection with the Trustee's determination of the NAV per Share of the Trust on each business day, (1) Shares deliverable to an Authorized Participant from the Trust in connection with the Authorized Participant's order to create new baskets of Shares will be considered outstanding

-10-

beginning on the first business day following the date of the order and (2) Shares deliverable by an Authorized Participant to the Trust in connection with the Authorized Participant's order to redeem baskets of Shares will not be considered outstanding beginning on the first business day following the date of the order. When calculating the NAV per Share of the Trust, fractions smaller than \$0.01 will be disregarded. These amendments would align the Original Trust Indenture with customary practice among investment trusts that are comparable to the Trust, and with the current practices of the Trustee.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Sections 4.01 and 5.01 of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Sponsor Fee Waiver

The Proposal would make explicit that the Sponsor has the right to waive part or all of its fee. This amendment would provide flexibility and certainty so that the Sponsor may, at its election, provide a benefit to the Shareholders.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Section 7.04 of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Record Date

The Proposal would define the record date for all matters requiring a record date. The Original Trust Indenture specifies the record date for cash distributions only. This amendment would provide additional clarity and certainty to the Original Trust Indenture.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Section 3.12 of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Removal of a Custodian

The Proposal would make explicit that the Sponsor may direct the Trustee to remove the Custodian. Currently, the Sponsor may direct the Trustee to employ one or more other custodians in addition to or in replacement of the Custodian or any successor custodian or additional custodian for the safekeeping of gold and services in connection with its deposit and delivery, provided that the Sponsor may not direct the employment of a successor custodian or an additional custodian without the Trustee's consent, if such employment would have a materially adverse effect on the Trustee's performance of its duties hereunder. The Trustee may also, with the prior approval of the Sponsor, employ one or more other successor custodians or additional custodians selected by the Trustee for the safekeeping of gold and services in connection with its deposit and delivery.

The Trustee is responsible for monitoring the performance of each custodian and for taking such actions to enforce the obligations of each custodian as are necessary to protect the Trust and the rights and interests of its Shareholders. In the event that the Trustee determines that maintenance of gold with a custodian is not in the best interest of the Shareholders, the Trustee shall so advise the Sponsor and thereafter take such reasonable action as the Sponsor shall direct, or if the Sponsor has not given direction within one business day, shall initiate action to remove the gold from the custody of the Custodian or take such other action as the Trustee determines appropriate to safeguard the interests of Shareholders.

This amendment would provide additional clarity and certainty to the Original Trust Indenture.

The amendments to the Original Trust Indenture that relate to this part of the Proposal principally are set forth in Section 3.02(b) of the amended and restated Trust Indenture attached as Appendix A to this Consent Solicitation Statement.

Restating the Trust Indenture

If adopted, the Proposal would incorporate and restate into one document the Original Trust Indenture, Amendment No. 1 thereto, dated November 26, 2007, Amendment No. 2 thereto, dated May 20, 2008, Amendment No. 3 thereto, dated June 1, 2011, and the other amendments to the amended and restated Trust Indenture as set forth on Appendix A attached to this Consent Solicitation Statement.

Potential Disadvantages of the Proposal

There can be no assurance the Proposal, if adopted, will in fact have the effects discussed above. While the Sponsor believes that it will be better able to administer and control the costs of the Trust if the Proposal is adopted, the Proposal could cause the Sponsor to reduce its costs at the expense of the level of services provided to the Trust.

Effect of Non-Adoption of the Proposal

If the Proposal is not adopted, the Trust will continue to operate in the same manner as it has operated.

Sponsor's Recommendation

The Sponsor believes that the potential benefits of the Proposal outweigh the potential disadvantages of the Proposal. The Sponsor recommends you vote **FOR** the Proposal. A vote for the Proposal means that you consent to the Proposal.

Section 2.03. Subsequent Creations and Issuance of Creation Baskets.

(a) After the Initial Deposit, the following procedures, as supplemented by the more detailed procedures specified in the attachment to the Participant Agreement, which may be amended from time to time in accordance with the provisions of the Participant Agreement (and any such amendment will not constitute an amendment of this Agreement), will govern the Trustee in the creation and issuance of additional Creation Baskets. Subject to the limitations upon and requirements for issuance of Creation Baskets stated herein and in such procedures, the number of Creation Baskets which may be issued by the Trust is unlimited.

- (i) On any Business Day, a Participant may submit a request to the Trustee to create one or more Creation Baskets (such request by a Participant, a Purchase Order) in the manner provided in the Participant Agreement. Purchase Orders must be received by the Order Cut-Off Time on a Business Day (the Purchase Order Date). The Trustee will process Purchase Orders only from Participants with respect to which the Participant Agreement is in full force and effect. The Trustee and the Sponsor will each maintain and make available at their respective offices specified in Section ~~40.12~~**10.11** during normal business hours a current list of the Participants with respect to which the Participant Agreement is in full force and effect.  - (ii) Any Purchase Order is subject to rejection by any of the Sponsor or the Trustee pursuant to Section 2.03(e).
 - (iii) After accepting a Participant's Purchase Order, the Trustee will issue and deliver Creation Baskets to fill a Participant's Purchase Order at or shortly after 9:00 a.m. New York time on the third Business Day after the Purchase Order Date, but only if by such time the Trustee has received (A) for its own account, the Transaction Fee, (B) for the account of the Trust, the Cash Deposit, if any, and (C) notice from the Custodian (which need not be the Custodian's official report of transactions for such day) that the Custodian has received for the account of the Trust to the credit of the Trust Unallocated Account (or other Custody Account provided for in the relevant Custody Agreement), from the Participant Unallocated Account (or other account of the Participant from which Gold may be transferred to the Trust in accordance with the relevant Custody Agreement) the Creation Basket Gold Deposit Amount due from the Participant submitting the Purchase Order.
- (b) Upon issuing a Creation Basket pursuant to a Purchase Order of a Participant, the Trustee will deposit the Creation Basket with the Depository in accordance with the Depository's customary procedures, for credit to the account of the Participant that placed the Purchase Order.
- (c) The Cash Deposit (Cash Deposit) shall be an amount of cash equal to the cash held or receivable by the Trust as of the Purchase Order Date, if any, less the fees, expenses and other liabilities of the Trust accrued through the Purchase Order Date, as computed by the Trustee under Section 5.01, divided by the number of ~~streetTRACKS® Gold~~ Shares outstanding immediately before the Purchase Order Date, and then multiplied by the number of ~~streetTRACKS® Gold~~ Shares to be created pursuant to the Participant's Purchase Order. A negative Cash Deposit amount will reduce the Creation Basket Gold Deposit Amount pursuant to Section 2.05. If, notwithstanding the provisions of Section 3.07, the Trust holds assets other than Gold, cash or cash receivables, no Purchase Orders will be accepted until such other assets have been sold or otherwise disposed of.

(d) The quantity of Gold included in the Creation Basket Gold Deposit Amount will change as a result of expenses paid and expenses accrued in excess of cash then held by the Trust, and shall be determined by the Trustee in the manner specified in Section 2.05. The Trustee's determination of the Creation Basket Gold Deposit Amount and the amount of the Cash Deposit, if any, required for each Creation Basket Deposit shall be final and binding upon all persons interested in the Trust.

(e) The Trustee shall have the absolute right, but shall have no obligation, to reject any Purchase Order or Creation Basket Deposit (i) determined by the Trustee not to be in proper form; (ii) that the Sponsor has determined and advised the Trustee would have adverse tax consequences to the Trust or to Beneficial Owners; (iii) the acceptance or receipt of which would, in the opinion of counsel to the Sponsor acceptable to the Trustee, be unlawful; or (iv) if circumstances outside the control of the Trustee, the Custodian or the Sponsor make it for all practical purposes not feasible to process creations of Creation Baskets. Neither the Trustee nor the Sponsor shall be liable to any person by reason of the rejection of any Purchase Order or Creation Basket Deposit.

(f) A non-refundable transaction fee will be payable to the Trustee for its own account in connection with each Purchase Order pursuant to this Section and in connection with each Redemption Order pursuant to Section 5.02 (Transaction Fee). The Transaction Fee charged in connection with each such creation and redemption shall be initially \$2,000, but may be changed as provided in Section 2.03(g). Even though a single Purchase Order or Redemption Order may relate to multiple Creation Baskets, only a single Transaction Fee will be due for each Purchase Order or Redemption Order.

(g) The Transaction Fee may subsequently be waived, modified, reduced, increased or otherwise changed by the Trustee with the consent of the Sponsor, but will not in any event exceed 0.10% of the value of a Creation Basket at the time of creation or of a Redemption Basket at the time of redemption, as the case may be (in each case determined at the Net Asset Value per Share for the date of the Purchase Order or Redemption Order, respectively). Promptly after agreeing to and prior to implementing such change, the Sponsor shall cause the current Prospectus for the Trust to be amended to reflect any such changes in the Transaction Fee. The Trustee shall notify the Depository of any agreement to change the Transaction Fee and shall not implement any increase for redemptions of outstanding ~~streetTRACKS® Gold~~ Shares until 30 days after the date of that notice. The amount of the Transaction Fee in effect at any given time shall be made available by the Trustee upon request.

(h) Certificates for Creation Baskets will not be issued, other than the Global Security issued to the Depository. So long as the Depository Agreement is in effect, Creation Baskets will be issued and redeemed and ~~streetTRACKS® Gold~~ Shares will be transferable solely through the book-entry systems of the Depository and the DTC Participants and their Indirect Participants as more fully described in Section 3.10. The Depository may determine to discontinue providing its service with respect to Creation Baskets and ~~streetTRACKS® Gold~~ Shares by giving notice to the Trustee and the Sponsor pursuant to and in conformity with the provisions of the Depository Agreement and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Trustee and the Sponsor shall take action either to find a replacement for the Depository to perform its functions at a comparable cost and on terms acceptable to the Trustee and the Sponsor or, if such a replacement is unavailable, to terminate the Trust.

Section 2.04. Requirements for Deposits of Gold.

(a) Except as provided in paragraph (b) of this Section, Gold may be delivered for deposit to the Trust only by transfer to the Trust Unallocated Account maintained by the Custodian on behalf of the Trust from a Participant Unallocated Account pursuant to the procedures specified in the Participant Agreement. The expense and risk of delivery, ownership and safekeeping of Gold until such Gold has been received by the Trust shall be borne solely by the Depositor.

(b) The Trustee shall accept delivery of Gold by such other means as the Sponsor, from time to time, may determine to be acceptable for the Trust, provided that the same is disclosed in the Prospectus. If Gold is to be delivered other than as described in Section 2.04(a), the Sponsor is authorized to establish such procedures and to appoint such custodians and establish such custody accounts in addition to those described herein, as the Sponsor determines to be desirable.

Section 2.05. Creation Basket Gold Deposit Amount.

The Trustee will adjust the quantity of Gold included in the Creation Basket Gold Deposit Amount as appropriate to reflect sales or other disposition of Gold for payment of Trust expenses or otherwise and as may be required to reflect accrued expenses in excess of the value of assets of the Trust other than Gold, as computed under Section 5.01. In general, in order to effectuate the foregoing, the Trustee shall first determine the excess (if any) of accrued expenses and other liabilities over the value of all assets of the Trust other than Gold, utilizing the Net Asset Value for the date of the adjustment. The Trustee shall determine the quantity of Gold equal in value to such excess, at the price of Gold determined under Section 4.01 hereof for such date. The Trustee shall subtract that number of Fine Ounces of Gold from the total number of Fine Ounces of Gold then held by the Trust, and divide the resulting Gold amount by the number of Baskets then outstanding. Fractions of a Fine Ounce of Gold included in the Creation Basket Gold Deposit Amount smaller than 0.001 of a Fine Ounce shall be disregarded. The Sponsor intends to publish, or may designate other persons to publish, on each Business Day, the quantity of Gold included in the Creation Basket Gold Deposit Amount and the Cash Deposit, if any. If the Sponsor elects to publish such information, the inability of the Sponsor or its designee to provide such information for any period of time will not in itself result in a halt in the trading of ~~streetTRACKS® Gold~~ Shares on the Exchange.

ARTICLE III

ADMINISTRATION OF THE TRUST

The cost of (i) organizing the Trust and (ii) the initial sale of the ~~streetTRACKS® Gold~~ Shares ~~shall be~~ ~~was~~ borne by the Sponsor, ~~provided, however, that the liability of the Sponsor under this Section 3.01 shall not include any fees or other expenses incurred in connection with the administration of the Trust subsequent to the commencement of trading of streetTRACKS® Gold Shares on the Exchange.~~

(a) Concurrently with the execution of ~~this Agreement~~ **the Original Trust Indenture**, the Trustee, acting on behalf of the Trust, ~~shall enter~~ **entered** into Custody Agreements with the Initial Custodian ~~in the form of the Allocated Bullion Account Agreement, annexed hereto as Exhibit A, and the Unallocated Bullion Account Agreement, annexed hereto as Exhibit B.~~ Pursuant to these Custody Agreements, the Initial Custodian shall maintain for the account of the Trust (i) the Trust Allocated Account to which the Initial Custodian will credit Gold held for the Trust on an allocated basis and (ii) the Trust Unallocated Account recording the amount of Gold owned by the Trust on an Unallocated Basis. Unless the Sponsor otherwise directs, the Trustee shall maintain only one Trust Unallocated Account for the Trust at any time. Each other Custody Agreement entered into by the Trustee with a Custodian on behalf of the Trust shall be in a form suitable for the type of Gold and the market for which the Custodian shall be providing its services. The terms of such other Custody Agreement shall include provisions substantially similar to those set forth in paragraph (d) of this Section, unless the Sponsor permits the Trustee in writing to enter into a Custody Agreement that omits any such provision.

(b) From time to time, the Sponsor may direct the Trustee **(i) to remove the Custodian to the extent permitted by, and in the manner provided by, the Custody Agreements or (ii)** to employ one or more other custodians (each, an Additional Custodian or a Successor Custodian) in addition to or in replacement of the Initial Custodian or any Successor Custodian or Additional Custodian for the safekeeping of Gold and services in connection with its deposit and delivery, provided that the Sponsor may not direct the employment of a Successor Custodian or an Additional

Custodian without the Trustee's consent, if such employment would have a

-14-

materially adverse effect on the Trustee's performance of its duties hereunder. The Trustee may also, with the prior approval of the Sponsor, employ one or more other Successor Custodians or Additional Custodians selected by the Trustee for the safekeeping of Gold and services in connection with its deposit and delivery.

(c) The Trustee shall be responsible for monitoring the performance of each Custodian and for taking such actions to enforce the obligations of each Custodian as are necessary to protect the Trust and the rights and interests of the Beneficial Owners. In the event that the Trustee determines that maintenance of Gold with a Custodian is not in the best interest of the Beneficial Owners, the Trustee shall so advise the Sponsor and thereafter take such reasonable action as the Sponsor shall direct, or if the Sponsor has not given direction within one Business Day, shall initiate action to remove the Gold from the custody of the Custodian or take such other action as the Trustee determines appropriate to safeguard the interests of the Beneficial Owners. The Trustee shall have no liability for any such action taken at the direction of the Sponsor or, in the absence of such direction, any action taken by it in good faith.

(d) Before entering into the Custody Agreements attached ~~hereto~~ **to the Original Trust Indenture** as Exhibits A and B with the Initial Custodian, the Trustee ~~has~~ determined that these agreements protect the Trust and the rights and interests of the Beneficial Owners. Before initially placing Gold with an Additional Custodian or a Successor Custodian, the Trustee shall have determined that the relevant Custody Agreement and any related custody arrangements satisfy substantially the following requirements, unless the Sponsor has permitted the Trustee in writing to enter into the relevant Custody Agreement without satisfaction of one or more of these requirements:

- (i) That Gold held by the Custodian will be held in a vault maintained under the control of the Custodian, or held by or for a sub-custodian employed as authorized by the relevant Custody Agreement.
- (ii) That the Custodian shall deliver Gold held on behalf of the Trust by the Custodian, or by or for any sub-custodian employed by the Custodian, only to such persons and at such times as specified in instructions furnished to it by the Trustee in a writing signed by an authorized person or by authenticated electronic transmission, or any substantial equivalent, and each Custody Agreement shall contain an explicit undertaking by the Custodian to this effect.
- (iii) That as of the close the business on any Business Day, the balance of any Custody Account maintained by a Custodian for the Trust on an Unallocated Basis shall not exceed the maximum fine weight of the standard measure of Gold used by the Custodian for Good Delivery in the market in which it operates, for example, 430 Fine Ounces in the London market.
- (iv) That when the Trustee instructs the Custodian (1) to debit Gold from a Trust Allocated Account maintained by the Custodian for transfer to a Custody Account maintained by the Custodian for the Trust on an Unallocated Basis and (2) to execute the instruction on the same Business Day as and in connection with one or more instructions the Trustee gives to the Custodian, the Custodian will use commercially reasonable efforts to execute the instructions in a manner that minimizes the time the Gold to be debited from the Trust Allocated Account stands to the credit of the Custody Account maintained for the Trust by the Custodian on an Unallocated Basis.
- (v) That Gold transferred from a Custody Account of the Trust maintained on an Unallocated Basis (including any transfers for deposit to a Trust Allocated Account) or upon transfer from a Trust

Edgar Filing: SPDR GOLD TRUST - Form PRE 14A

-15-

- (vi) That, in the event Gold withdrawn from a Custody Account of the Trust maintained on an Unallocated Basis does not comply with the relevant requirements for Good Delivery or is not of the weight and fineness represented in the Custodian's account records, recovery in accordance with the Custody Agreements shall not be barred by delay in asserting a claim because of the failure to discover such loss or damage, regardless of whether the loss or damage could or should have been discovered.
- (vii) That (A) the Custodian will be obligated to use reasonable care and will be responsible to the Trust for any loss resulting directly from its negligence, fraud or willful misconduct, (B) the Custodian will maintain, at no cost to the Trust, appropriate insurance in regard to its Gold and custody business, and (C) that the Custodian will periodically allow the Trustee to review such insurance from time to time upon reasonable prior notice and will provide the Sponsor information regarding such insurance required by the Sponsor in connection with the maintenance of the registration of the ~~street~~**TRACKS®** Gold Shares, in each case subject to appropriate confidentiality agreements.
- (viii) That the Trust's assets held by the Custodian or by or for any sub-custodian employed by the Custodian will not be subject to any right, charge, security interest, lien or claim of any kind except (1) a claim of payment by the Custodian or any sub-custodian for the safe custody or administration of the Trust's assets or, (2) in the case of a Custody Account maintained by a Custodian on an Unallocated Basis, liens or rights in favor of creditors of such Custodian arising under bankruptcy, insolvency or similar laws, and the Custodian shall provide a representation to the foregoing effect.

(e) The Trustee will charge no fee and will assume the expense of operation (other than extraordinary expenses) of the Trust accrued through the day the ~~streetTRACKS® Gold~~ Shares commence trading on the Exchange. The Trustee and the Sponsor have entered into a separate agreement relating to payment by the Sponsor of compensation to the Trustee for the period described in the preceding sentence. If the Sponsor fails to pay the Trustee pursuant to such compensation agreement, the Trustee may recover the unpaid amounts from the assets of the Trust, and may sell Gold as necessary to provide funds therefor, provided, however, that, to the extent any such unpaid amounts are paid from the Trust, the Trust shall succeed to the rights of the Trustee against the Sponsor under the compensation agreement.

- (b) the Trust is to be terminated and its assets liquidated in accordance with Section 9.01.

Any property received by the Trust other than Gold, cash or an amount receivable in cash (such as, for example, an insurance claim) shall be promptly sold or otherwise disposed of by the Trustee at the direction of the Sponsor and the proceeds thereof shall be credited to the Cash Account.

Unless otherwise directed by the Sponsor, when selling Gold the Trustee shall endeavor to sell at the value determined under Section 4.01 for the date of sale. The Trustee shall place orders with dealers (which may include the Custodian) through which it may reasonably expect to obtain the most favorable price and execution of orders. Solely in sale transactions made at the next London fix (A.M. or P.M.) following the sale order, the Custodian may also be the purchaser.

The Trustee and the Sponsor shall not be liable or responsible in any way for depreciation or loss incurred by reason of any sale made pursuant to this Section 3.07.

Section 3.08. Counsel; Marketing Agent.

(a) The Sponsor may from time to time employ counsel to act on behalf of the Trust and perform any legal services in connection with the Gold and the Trust, including any legal matters relating to the possible disposition or acquisition of any Gold. The fees and expenses of such counsel shall be paid by the ~~Trustee from the assets of~~ Sponsor or the Trust as provided in Sections 3.05(a) and (b).

(b) To assist the Sponsor in marketing ~~streetTRACKS® Gold Shares~~, which assistance shall include but shall not be limited to the developing and executing a marketing plan and preparing marketing materials, the Sponsor ~~shall enter entered~~ into ~~the~~ Marketing Agent Agreement with the Initial Marketing Agent ~~in the form annexed as Exhibit E-2 hereto concurrently with the execution of this Agreement~~. The Sponsor may also from time to time employ such other additional or successor Marketing Agent(s) on such terms and conditions as the Sponsor determines. ~~Subject to the provisions of Section 10.06 hereof, the fees and expenses of~~ **The Initial Marketing Agent is entitled to receive from the Sponsor fees for its ordinary services in accordance with a separate written agreement between the Sponsor and the Initial Marketing Agent and, The Initial Marketing Agent is entitled to receive reimbursement from the Sponsor for its out-of-pocket expenses in accordance with a separate written agreement between the Sponsor and the Initial Marketing Agent. The fees and expenses of** any successor or additional Marketing Agent(s) shall be paid ~~by the Trustee from the assets of the Trust~~ **reimbursed by the Sponsor in such manner as the Sponsor may determine from time to time**. The Sponsor shall not be answerable for the default or misconduct of the Initial Marketing Agent and shall not be answerable for the default or misconduct of any successor or additional Marketing Agent(s) if the Sponsor shall have selected such successor or additional Marketing Agent(s) with reasonable care. The Trustee shall have no liability for the terms, value or validity of any agreement entered into by the Sponsor with a Marketing Agent or for the default or misconduct of any Marketing Agent. So long as the Marketing Agent Agreement with the Initial Marketing Agent shall be in effect, the name of the Trust shall be that identified in the preamble hereto, except to the extent the Sponsor and the Initial Marketing Agent shall otherwise determine.

(c) To assist the Sponsor in marketing the Shares, the Sponsor may employ one or more of its affiliates to carry out marketing activities for the Trust, subject to Section 7.04.

Section 3.09. Notice to Sponsor.

If the Trustee receives notice at any time that an action is to be taken by reason of its holding of the assets of the Trust for which no direction is provided herein, the Trustee shall promptly notify the Sponsor and shall thereupon take or refrain from taking such action as the Sponsor shall in writing direct; provided, however, that if the Sponsor shall not within five Business Days of the giving of such notice to the Sponsor direct the Trustee to take or refrain from taking any action, the Trustee shall take such action or decline to take action as it, in its sole discretion, shall deem advisable. Neither the Sponsor nor the Trustee shall be liable to any person for any action or failure to take action with respect to this Section 3.09.

Section 3.10. Book-Entry-Only System, Global Security.

(a) The Sponsor and the Trustee ~~will enter~~ **have entered** into the Depository Agreement pursuant to which the Depository will act as securities depository for ~~streetTRACKS® Gold Shares~~. ~~streetTRACKS® Gold Shares~~ will be represented the Global Security (which may consist of one or more certificates as required by the Depository), which will be registered, as the Depository shall direct, in the name of Cede & Co., as nominee for the Depository and deposited with, or on behalf of, the Depository. No other certificates evidencing ~~streetTRACKS® Gold Shares~~ will be issued. The Global Security shall ~~be in the form attached hereto as Exhibit D and shall~~ represent such ~~streetTRACKS® Gold Shares~~ as shall be specified therein, and may provide that it shall represent the aggregate amount of outstanding ~~streetTRACKS® Gold Shares~~ from time to time endorsed thereon and that the aggregate amount of outstanding ~~streetTRACKS® Gold Shares~~ represented thereby may from time to time be increased or reduced to reflect deposits or redemptions of Baskets. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of outstanding ~~streetTRACKS® Gold Shares~~ represented thereby shall be made in such manner and upon instructions given by the Trustee as specified in the Depository Agreement.

(b) Any Global Security issued to The Depository Trust Company or its nominee shall bear a legend substantially to the following effect: Unless this certificate is presented by an authorized representative of The Depository Trust

Company, a New York corporation (DTC), to the Trustee or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such

other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is required by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

(c) The Depository has advised the Sponsor and the Trustee as follows: The Depository is a limited-purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. The Depository was created to hold securities of its participants (the DTC Participants) and to facilitate the clearance and settlement of securities transactions among the DTC Participants in such securities through electronic book-entry changes in accounts of the DTC Participants, thereby eliminating the need for physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, some of whom (and/or their representatives) own the Depository. Access to the Depository's system is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (Indirect Participants).

(d) As provided in the Depository Agreement, upon the settlement date of any creation, transfer or redemption of ~~streetTRACKS® Gold~~ Shares, the Depository will credit or debit, on its book-entry registration and transfer system, the amount of ~~streetTRACKS® Gold~~ Shares so created, transferred or redeemed to the accounts of the appropriate DTC Participants. The accounts to be credited and charged shall be designated by the Trustee and each Participant, in the case of a creation or redemption of Baskets. Ownership of beneficial interest in ~~streetTRACKS® Gold~~ Shares will be limited to DTC Participants, Indirect Participants and persons holding interests through DTC Participants and Indirect Participants. Owners of beneficial interests in ~~streetTRACKS® Gold~~ Shares (Beneficial Owners) will be shown on, and the transfer of beneficial ownership by Beneficial Owners will be effected only through, in the case of DTC Participants, records maintained by the Depository and, in the case of Indirect Participants and Beneficial Owners holding through a DTC Participant or an Indirect Participant, through those records or the records of the relevant DTC Participants. Beneficial Owners are expected to receive from or through the broker or bank that maintains the account through which the Beneficial Owner has purchased ~~streetTRACKS® Gold~~ Shares a written confirmation relating to their purchase of ~~streetTRACKS® Gold~~ Shares.

(e) So long as Cede & Co., as nominee of the Depository, is the registered owner of ~~streetTRACKS® Gold~~ Shares, references herein to the registered or record owners of ~~streetTRACKS® Gold~~ Shares shall mean Cede & Co. and shall not mean the Beneficial Owners of ~~streetTRACKS® Gold~~ Shares. Beneficial Owners of ~~streetTRACKS® Gold~~ Shares will not be entitled to have ~~streetTRACKS® Gold~~ Shares registered in their names, will not receive or be entitled to receive physical delivery of certificates in definitive form and will not be considered the record or registered holder of ~~streetTRACKS® Gold~~ Shares under this Agreement. Accordingly, to exercise any rights of a holder of ~~streetTRACKS® Gold~~ Shares under the Agreement, a Beneficial Owner must rely on the procedures of the Depository and, if such Beneficial Owner is not a DTC Participant, on the procedures of each DTC Participant or Indirect Participant through which such Beneficial Owner holds its interests. The Trustee and the Sponsor understand that under existing industry practice, if the Trustee requests any action of a Beneficial Owner, or a Beneficial Owner desires to take any action that the Depository, as the record owner of all outstanding ~~streetTRACKS® Gold~~ Shares, is entitled to take, in the case of a Trustee request, the Depository will notify the DTC Participants regarding such request, such DTC Participants will in turn notify each Indirect Participant holding ~~streetTRACKS® Gold~~ Shares through it, with each successive Indirect Participant continuing to notify each person holding ~~streetTRACKS® Gold~~ Shares through it until the request has reached the Beneficial Owner, and in the case of a request or authorization to act being sought or given by a Beneficial Owner, such request or authorization is given by the Beneficial Owner and relayed back to the Trustee through each Indirect Participant and DTC Participant through which the Beneficial Owner's interest in the ~~streetTRACKS® Gold~~ Shares is held.

(f) As described above, the Trustee will recognize the Depository or its nominee as the owner of all ~~streetTRACKS® Gold~~ Shares for all purposes except as expressly set forth in this Agreement. Conveyance of all notices, statements and other communications to Beneficial Owners will be effected as follows. Pursuant to the Depository Agreement, the Depository is required to make available to the Trustee upon request ~~and for a fee to be charged to the Trust~~ a listing of the ~~streetTRACKS® Gold~~ Share holdings of each DTC Participant. The Trustee shall inquire of each such DTC Participant as to the number of Beneficial Owners holding ~~streetTRACKS® Gold~~ Shares, directly or indirectly, through such DTC Participant. The Trustee shall provide each such DTC Participant with sufficient copies of such notice, statement or other communication, in such form, number and at such place as such DTC Participant may reasonably request, in order that such notice, statement or communication may be transmitted by such DTC Participant, directly or indirectly, to such Beneficial Owners. In addition, the **Sponsor or the Trust, as provided by Sections 3.05(a) and (b),** shall pay to each such DTC Participant an amount as reimbursement for the expenses attendant to such transmittal, all subject to applicable statutory and regulatory requirements.

(g) Distributions on ~~streetTRACKS® Gold~~ Shares pursuant to Section 3.05(d) shall be made to the Depository or its nominee, Cede & Co., as the registered owner of all ~~streetTRACKS® Gold~~ Shares. The Trustee and the Sponsor expect that the Depository or its nominee, upon receipt of any payment of distributions in respect of ~~streetTRACKS® Gold~~ Shares, shall credit immediately DTC Participants' accounts with payments in amounts proportionate to their respective beneficial interests in ~~streetTRACKS® Gold~~ Shares as shown on the records of the Depository or its nominee. The Trustee and the Sponsor also expect that payments by DTC Participants to Indirect Participants and Beneficial Owners held through such DTC Participants and Indirect Participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in a street name, and will be the responsibility of such DTC Participants and Indirect Participants. Neither the Trustee nor the Sponsor will have any responsibility or liability for any aspects of the records relating to or notices to Beneficial Owners, or payments made on account of beneficial ownership interests in ~~streetTRACKS® Gold~~ Shares, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests or for any other aspect of the relationship between the Depository and the DTC Participants or the relationship between such DTC Participants and the Indirect Participants and Beneficial Owners owning through such DTC Participants or Indirect Participants or between or among the Depository, any Beneficial Owner and any person by or through which such Beneficial Owner is considered to own ~~streetTRACKS® Gold~~ Shares.

(h) Limitation of Liability. The Global Security **issued under the Original Trust Indenture and** to be issued hereunder is executed and delivered solely on behalf of the Trust by World Gold Trust Services, LLC, as Sponsor, and by The Bank of New York **Mellon**, as Trustee of the Trust, in the exercise of the powers and authority conferred and vested in them by **the Original Trust Indenture and** this Agreement, **as the case may be**. The representations, undertakings and agreements made on the part of the Trust in the Global Security are made and intended not as personal representations, undertakings and agreements by World Gold Trust Services, LLC or The Bank of New York **Mellon**, but are made and intended for the purpose of binding only the Trust. Nothing in the Global Security shall be construed as creating any liability on World Gold Trust Services, LLC or The Bank of New York **Mellon**, individually or personally, to fulfill any representation, undertaking or agreement other than as provided in this Agreement.

(i) Successor Depository. If a successor to The Depository Trust Company shall be employed as Depository hereunder, the Trustee and Sponsor shall establish procedures acceptable to such successor with respect to the matters addressed in this Section 3.10.

Section 3.11. Trust to be administered as Grantor Trust.

Nothing in this Agreement, any Custody Agreement with any Custodian, or otherwise, shall be construed to give the Trustee the power to vary the investment of the Beneficial Owners within the meaning of Treasury Regulation Section 301.7701-4(c) or similar or successor provisions of United States Treasury Regulations under

the Internal Revenue Code, nor shall the Sponsor give the Trustee any direction that would vary the investment of the Beneficial Owners. The Trustee shall not be liable to any person for the failure of the Trust to qualify as a grantor trust under the Internal Revenue Code or any comparable provision of the laws of any State or other jurisdiction where such treatment is sought, provided that this sentence shall not limit the Trustee's responsibility for the administration of the Trust in accordance with this Agreement.

Section 3.12. Fixing of Record Date.

Whenever any distribution will be made, or whenever the Trustee receives notice of any solicitation of proxies or consents from Beneficial Owners, or whenever for any reason there is a split, reverse split or other change in the outstanding Shares, or whenever the Trustee shall find it necessary or convenient in respect of any matter, the Trustee, in consultation with the Sponsor, shall fix a record date for the determination of the Beneficial Owners who shall be (i) entitled to receive such distribution or the net proceeds of the sale thereof, (ii) entitled to give such proxies or consents in respect of any such solicitation, (iii) entitled to receive Shares as a result of any such split, reverse split or other change and (iv) entitled to act in respect of any other matter for which the record date was set.

ARTICLE IV

EVALUATION OF GOLD

Section 4.01. Evaluation of Gold.

As of the Evaluation Time on each Business Day, the Trustee shall determine the value of the Gold held or receivable by the Trust on the basis of the London P.M. Fix for the day on which the evaluation is made, or if no London P.M. Fix is made on such day or has not been announced by the Evaluation Time, on the basis of the last London fix (A.M. or P.M.) determined prior to the Evaluation Time, unless the Trustee in consultation with the Sponsor determines such price inappropriate as a basis for evaluation. In the event the Trustee and the Sponsor determine that the London P.M. Fix or last prior London fix is not an appropriate basis for evaluation, they shall identify an alternative basis for evaluation to be employed by the Trustee. Neither the Trustee nor the Sponsor shall be liable to any person for the determination that the London P.M. Fix or last prior London fix is not appropriate as a basis for evaluation of the Gold held or receivable by the Trust or for any determination as to the alternative basis for evaluation provided that such determination is made in good faith. **Gold deliverable under a Purchase Order shall be included in the evaluation beginning on the first Business Day following the Purchase Order Date therefor. Gold deliverable under a Redemption Order shall not be included in the evaluation on and after the first Business Day following the Redemption Order Date therefor.**

Section 4.02. Responsibility of the Trustee for Evaluations.

The Sponsor and the Beneficial Owners may rely on any evaluation furnished by the Trustee, and the Sponsor shall have no responsibility for the accuracy thereof. The determinations made by the Trustee hereunder shall be made in good faith upon the basis of, and the Trustee shall not be liable for any errors contained in, information reasonably available to it. The Trustee shall be under no liability to the Sponsor, the ~~Depository~~ **Depositors**, Beneficial Owners or any other person, for errors in judgment, provided, however, that this provision shall not protect the Trustee against any liability to which it would otherwise be subject by reason of willful misfeasance, willful misconduct, bad faith or gross negligence in the performance of its duties or by reason of its reckless disregard of its obligations and duties hereunder.

ARTICLE V

TRUST EVALUATION AND REDEMPTION OF REDEMPTION BASKETS

Section 5.01. Trust Evaluation.

As of the Evaluation Time on each Business Day, the Trustee shall subtract all ~~estimated~~ accrued but unpaid fees ~~(other than the fees computed by reference to the Adjusted Net Asset Value of the Trust, as defined below, or custody fees computed by reference to the value of Gold held by the Trust)~~, expenses and other liabilities of the Trust from the total value of the Gold determined by the Trustee pursuant to Section 4.01 and all other assets of the Trust (other than any amounts credited to the Reserve Account). The resulting figure is the ~~Adjusted Net Asset Value~~ of the Trust. The Trustee shall subtract from the Adjusted Net Asset Value the amount of accrued fees computed by reference to the Adjusted Net Asset Value of the Trust and custody fees computed by reference to the value of Gold held by the Trust and the resulting figure is the Net Asset Value of the Trust. The Trustee shall also divide the Net Asset Value of the Trust by the number of streetTRACKS® Gold Shares outstanding as of the Evaluation Time on the date of the evaluation then being made ~~(which shall take into account the settlement of Creation Baskets and Redemption Baskets occurring on such date)~~, which figure is the Net Asset Value per streetTRACKS® Gold Share. **For purposes of this Section 5.01: (i) Shares deliverable under a Purchase Order shall be considered to be outstanding beginning on the first Business Day following the Purchase Order Date therefor; and (ii) Shares deliverable under a Redemption Order shall not be considered to be outstanding on and after the first Business Day following the Redemption Order Date therefor. Fractions smaller than \$0.01 shall be disregarded in such evaluations.**

~~Adjusted Net Asset Value~~, Net Asset Value and Net Asset Value per streetTRACKS® Share shall be computed in accordance with generally accepted accounting principles in the United States. The Trustee's estimation of accrued but unpaid fees, expenses and liabilities shall be conclusive upon all persons interested in the Trust and no revision or correction in any computation made pursuant to this Agreement shall be required by reason of any difference in amounts estimated from those actually paid.

Section 5.02. Redemption of Redemption Baskets.

(a) On any Business Day, a Participant with respect to which a Participant Agreement is in full force and effect (as reflected on the list maintained by the Trustee pursuant to Section 2.03(a)(i)) may redeem one or more Redemption Baskets standing to the credit of the Participant on the records of the Depository in kind by delivering a request for redemption to the Trustee (such request, a Redemption Order) in the manner specified in the procedures specified in the attachment to the Participant Agreement, as amended from time to time in accordance with the provisions of the Participant Agreement (and any such amendment will not constitute an amendment of this Agreement).

(b) To be effective, a Redemption Order must be submitted on a Business Day by the Order Cut-Off Time in form satisfactory to the Trustee (the Business Day on which the Redemption Order is so submitted, Redemption Order Date). The Trustee shall reject any Redemption Order the fulfillment of which its counsel advises may be illegal under applicable laws and regulations, and the Trustee shall have no liability to any person for rejecting a Redemption Order in such circumstances.

(c) Subject to deduction of any tax or other governmental charges due thereon, the redemption distribution (Redemption Distribution) shall consist of the portion of the Net Asset Value of the Trust, determined pursuant to Section 5.01 for the Redemption Order Date, attributable to the Redemption Basket(s). In general, such distribution shall consist of (A) credit to a Participant Unallocated Account of the redeeming Participant maintained with the Custodian of the amount of Gold representing the fractional undivided interest in the Gold held by the Trust evidenced by the Redemption Baskets subject to the redeeming Participant's Redemption Order plus or minus (B) a cash amount (the Cash Redemption Amount). The Cash Redemption

Amount shall be equal to all assets of the Trust other than Gold less all accrued expenses and other liabilities, divided by the number of Baskets outstanding and multiplied by the number of Redemption Baskets subject to the redeeming Participant's Redemption Order. If the Cash Redemption Amount is positive, then it shall be paid in cash. If the Cash Redemption Amount is negative, then it shall reduce the credit to the Participant's Participant Unallocated Account, by an amount of Gold equal in value, at the price of Gold determined under Section 4.01 hereof for the Redemption Order Date, to such negative Cash Redemption Amount. Fractions of a Fine Ounce of Gold included in the Redemption Distribution smaller than 0.001 of a Fine Ounce shall be disregarded.

The Trustee will distribute any positive Cash Redemption Amount through the Depository to the account of the Participant as recorded on the book entry system of the Depository.

(d) By 10:00 a.m. New York time (but not later than 3:30 London time) on the third Business Day following the Redemption Order Date (such third Business Day, the Redemption Settlement Date), if the Trustee's account at the Depository has by 9:00 a.m. New York time on such day been credited with the Redemption Baskets being tendered for redemption and the Trustee has by such time received the Transaction Fee, the Trustee shall deliver the Cash Redemption Amount (if any) and shall direct the Custodian to deliver Gold included in the Redemption Distribution by effecting the necessary transfers of the Gold to the redeeming Participant's Participant Unallocated Account. If by such time the Trustee does not receive from a redeeming Participant all ~~streetTRACKS®~~ Gold Shares comprising the Redemption Order, the Trustee will (i) settle the Redemption Order to the extent of whole Redemption Baskets received from the Participant and (ii) keep the redeeming Participant's Redemption Order open until 9:00 a.m. New York time on the first Business Day following the Redemption Settlement Date as to the balance of the Redemption Order (such balance, the Suspended Redemption Order), provided, however, that the redeeming Participant pays the Trustee such fee for the custody of the Gold included in the Suspended Redemption Order for the period subsequent to the Redemption Settlement Date as the Trustee may, from time to time, determine. If the Redemption Basket(s) comprising the Suspended Redemption Order are credited to Trustee's account at the Depository by 9:00 a.m. New York time on such following Business Day, the Redemption Distribution with respect to the Suspended Redemption Order shall be paid in the manner provided in the second preceding sentence. If by such time the Trustee does not receive from the redeeming Participant all ~~streetTRACKS®~~ Gold Shares comprising the Suspended Redemption Order, the Trustee will settle the Suspended Redemption Order to the extent of whole Redemption Baskets then received and any balance of the Suspended Redemption will be cancelled. Notwithstanding the foregoing, when and under such conditions as the Sponsor and the Trustee may from time to time determine, the Trustee shall be authorized to deliver the Redemption Distribution notwithstanding that a Redemption Basket has not been credited to the Trustee's account at the Depository if the Participant has collateralized its obligation to deliver the Redemption Basket on such terms as the Sponsor and the Trustee may, in their sole discretion, from time to time agree.

If Gold is to be delivered through a Custodian other than the Initial Custodian or in a market other than the London market, the Sponsor and Trustee are authorized to establish such other procedures, including requirements as to the time of receipt by the Trustee of the tendered Redemption Baskets, for payment of the Redemption Distribution as they shall determine appropriate.

(e) The Trustee may, in its discretion, and will when so directed by the Sponsor, suspend the right of redemption, or postpone the Redemption Settlement Date, (i) for any period during which the Exchange is closed other than customary weekend or holiday closings, or trading is suspended or restricted; (ii) for any period during which an emergency exists as a result of which delivery, disposal or evaluation of the Gold is not reasonably practicable; or (iii) for such other period as the Sponsor determines to be necessary for the protection of Beneficial Owners. Neither the Sponsor nor the Trustee is liable to any person or in any way for any loss or damages that may result from any such suspension or postponement.

(f) Redemption Baskets effectively redeemed pursuant to the provisions of this ~~section~~ **Section 5.02** or as may be otherwise provided pursuant to Section 5.03 shall be cancelled by the Trustee in accordance with the Depository's

procedures.

-26-

Section 5.03. Other Redemption Procedures.

The Sponsor and the Trustee from time to time may, but shall have no obligation to, establish procedures with respect to redemption of ~~streetTRACKS® Gold~~ Shares in lot sizes smaller than the Redemption Basket and permitting the Redemption Distribution to be in a form, and delivered in a manner, other than that specified in Section 5.02. If Gold is to be delivered through a Custodian other than the Initial Custodian or in a market other than the London market, the Sponsor and Trustee are authorized to establish such procedures and to appoint such custodians and establish such custody accounts in addition to those described herein, as the Sponsor and the Trustee shall agree and determine to be desirable.

The Trustee shall have no obligation to appoint a successor Sponsor or to assume the duties of the Sponsor and shall have no liability to any person because the Trust is terminated by reason of the Sponsor's resignation. If the Sponsor shall fail to undertake or perform or become incapable of undertaking or performing its duties hereunder or shall become bankrupt or its affairs shall be taken over by public authorities, the Trustee shall act in accordance with the provisions set forth in Section 8.01(s). Any successor Sponsor shall be satisfactory to the Trustee. The successor Sponsor shall not be under any liability hereunder for acts or omissions occurring prior to the effective date stated in the instrument appointing it successor Sponsor. The Sponsor may, at its sole discretion and from time to time, waive all or a portion of its fee payable under this Section 7.04 for such periods of time as shall be specified in the Sponsor's written notice of such fee waiver to the Trustee. The Sponsor is under no obligation to waive its fees hereunder, and any such waiver shall create no obligation to waive fees during any period not covered by the applicable waiver. Any fee waiver by the Sponsor shall not operate to reduce the Sponsor's obligations hereunder, including the Sponsor's obligations under Section 3.05(a).**

Section 7.05. Liability of Sponsor and Indemnification.

(a) The Sponsor shall not be under any liability to the Trustee or any Beneficial Owner for any action taken or for refraining from the taking of any action in good faith pursuant to this Agreement, or for errors in judgment or for depreciation or loss incurred by reason of the sale of any Gold or other assets held in trust hereunder; provided, however, that this provision shall not protect the Sponsor against any liability to which it would otherwise be subject by reason of its own gross negligence, bad faith, willful misconduct or willful malfeasance in the performance of its duties hereunder or reckless disregard of its obligations and duties hereunder. The Sponsor may rely in good faith on any paper, order, notice, list, affidavit, receipt, evaluation, opinion, endorsement, assignment, draft or any other document of any kind prima facie properly executed and submitted to it by the Trustee, the Trustee's counsel or by any other person for any matters arising hereunder. The Sponsor shall in no event be deemed to have assumed or incurred any liability, duty, or obligation to any Beneficial Owner or to the Trustee other than as expressly provided for herein.

Each Sponsor Indemnified Party shall also be indemnified from the Trust and held harmless against any loss, liability or expense arising under ~~the Distribution Agreement~~, the Marketing Agent Agreement or any Participant Agreement insofar as such loss, liability or expense arises from any untrue statement or alleged untrue statement of a material fact contained in any written statement provided the Sponsor by the Trustee. Such indemnity shall include payment from the Trust of the costs and expenses incurred by such Sponsor Indemnified Party in defending itself against any such indemnified claim or liability. Any amounts payable to a Sponsor Indemnified Party under this Section 7.05 may be payable in advance or shall be secured by a lien on the Trust. The Sponsor shall not be under any obligation to appear in, prosecute or defend any legal action which in its opinion may involve it in any expense or liability; provided, however, that the Sponsor may, in its discretion, undertake any action which it may deem necessary or desirable in respect of this Agreement and the rights and duties of the parties hereto and the interests of the Beneficial Owners and, in such event, the legal expenses and costs of any such action shall be expenses and costs of the Trust and the Sponsor shall be entitled to be reimbursed therefor by the Trust.

ARTICLE VIII

TRUSTEE

Section 8.01. General Definition of Trustee's Rights, Duties and Responsibilities.

All duties, rights, privileges and liabilities of the Trustee set forth in this Agreement are subject to the following:

(a) Duties Limited to Those Specified. The duties, responsibilities and obligations of the Trustee shall be limited to those expressly set forth in this Agreement and no duties, responsibilities or obligations shall be inferred or implied against the Trustee. The Trustee shall not be subject to, nor required to comply with, any other agreement to which the Sponsor or a Participant is a party and to which the Trustee is not a party, even though this Agreement may refer to that agreement; nor shall it be required to comply with any direction or instruction from the Sponsor, a Participant or an entity acting on behalf of either other than directions or instructions contained in or delivered in accordance with this Agreement. The Trustee shall not be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties under this Agreement, except as specifically provided herein.

(b) Indemnity for Actions Taken to Protect the Trust. The Trustee shall not be under any obligation to appear in, prosecute or defend any action that in its opinion may involve it in expense or liability, unless it shall be furnished with reasonable security and indemnity against such expense or liability. Any pecuniary cost of the Trustee resulting from the Trustee's appearance in, prosecution of or defense of any such action shall be deductible from and constitute a lien against the assets of the Trust. Subject to the foregoing, the Trustee shall, in its discretion, undertake such action as it may deem necessary at any and all times to protect the Trust and the rights and interest of all Beneficial Owners pursuant to the terms of this Agreement.

(c) Holding of Trust Property other than Gold. Assets of the Trust, exclusive of Gold or cash, shall be held by the Trustee either directly or through the Federal Reserve/ Treasury Book Entry System for United States and federal agency securities (the Book Entry System), the Depository, or through any other clearing agency or similar system (a Clearing Agency), if available. The Trustee shall have no responsibility and shall not be

liable for ascertaining or acting upon any calls, conversions, exchange offers, tenders, interest rates changes, or similar matters relating to securities held at the Depository or with any Clearing Agency unless the Trustee shall have received actual and timely written notice of the same, nor shall the Trustee have any responsibility or liability for the actions or omissions to act of the Book Entry System, the Depository or any Clearing Agency. All moneys deposited with or received by the Trustee hereunder shall be held by it, without interest thereon or investment thereof, as a deposit for the account of the Trust in accordance with the provisions of ~~Section~~Sections 3.03 and 3.04, until disbursed in accordance with the provisions of this Agreement. Such monies held hereunder shall be deemed segregated by maintaining such monies in an account or accounts for the exclusive benefit of the Trust in accordance with the provisions of Sections 3.03 and 3.04.

(d) Official Process Affecting the Property. If at any time the Trustee is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process that in any way affects the Trust or its property (including but not limited to orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any assets of the Trust), the Trustee is authorized to comply therewith in any manner that it or legal counsel of its own choosing deems appropriate; and if the Trustee complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, the Trustee shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

(e) Limitation on Trustee's Liability. The Trustee shall not be liable for the disposition of Gold or moneys, or in respect of any evaluation which it makes under this Agreement or otherwise, or for any action taken or omitted or for any loss or injury resulting from its actions or its performance or lack of performance of its duties hereunder in the absence of gross negligence or willful misconduct on its part. In no event shall the Trustee be liable

- (i) for acting in accordance with or conclusively relying upon any instruction, notice, demand, certificate or document from the Sponsor, a Participant or any entity acting on behalf of the Sponsor or a Participant which the Trustee believes is given pursuant to or is authorized by this Agreement;
- (ii) for any indirect, consequential, punitive or special damages, regardless of the form of action and whether or not any such damages were foreseeable or contemplated; or
- (iii) for an amount in excess of the value of the assets of the Trust.

Whenever in this Agreement it is stated that the Trustee is not or shall not be liable or shall have no liability (or words of like effect) for some matter or thing, such statement shall mean that the Trustee is not and shall not be liable to any person, including the Trust, the Depository, any Beneficial Owner, the Sponsor, a Participant or prospective Participant or a Custodian, with regard to that matter or thing, and in each such case, the Trustee shall be indemnified by the Trust against any loss, liability or expense in connection with the matter or thing for which it was stated the Trustee would not be liable. Such indemnity shall include payment by the Trust of the costs and expenses set forth in the second sentence of Section 8.05, and shall be considered amounts payable under Section 8.05. Such indemnity shall survive the resignation or removal of the Trustee and the termination of the Trust (but not the final distribution of the Trust assets), and shall inure to the benefit of any entity which is successor to any Trustee Indemnified Party, as defined in Section 8.05.

(f) Protection for Amounts Due to Trustee. If any fees, expenses or costs incurred by, or any obligations owed to, the Trustee under this Agreement are not promptly paid when due, the Trustee may reimburse itself therefor from the assets of the Trust and may sell, liquidate, convey or otherwise dispose of any assets (including Gold) for such

purpose. The Trustee may in its sole discretion withhold from any distribution an amount (in kind or in cash, as the case may be) that it believes would, upon sale or liquidation, produce proceeds equal to any unpaid amounts to which the Trustee is entitled to hereunder.

-30-

(g) Security Interest in Property for Obligations To Trustee. As security for the due and punctual performance of any and all obligations owed to the Trustee under this Agreement, now or hereafter arising, the Sponsor, each Participant, the Depository, and each Beneficial Owner hereby pledges, assigns and grants to the Trustee a continuing security interest in, and a lien on, the assets of the Trust and all distributions thereon or additions thereto. The security interest of the Trustee shall at all times be valid, perfected and enforceable by the Trustee against the Sponsor, the Depository, each DTC Participant who is an owner of ~~street~~TRACKS® Gold Shares on the records of the Depository, and each Beneficial Owner and all third parties in accordance with the terms of this Agreement.

(h) Advice of Counsel. The Trustee may consult with legal counsel of its own choosing, at the expense of the **Sponsor or the Trust as provided by Sections 3.05(a) and (b)**, as to any matter relating to this Agreement, and the Trustee shall not incur any liability in acting in good faith in accordance with any advice from such counsel.

(i) Force Majeure. The Trustee shall not incur any liability for any delay in performance, or for the non-performance, of any of its obligations under this Agreement by reason of any cause beyond its reasonable control. This includes any act of God or war or terrorism, any breakdown, malfunction or failure of transmission in connection with or other unavailability of any wire, communication or computer facilities, any transport, port, or airport disruption, industrial action, acts and regulations and rules of any governmental or supra national bodies or authorities or regulatory or self-regulatory organization or failure of any such body, authority or organization for any reason, to perform its obligations.

(j) Reliance on Writings. The Trustee shall be entitled to conclusively rely upon any order, judgment, certification, demand, notice, instrument or other writing delivered to it under this Agreement without being required to determine the authenticity or the correctness of any fact stated therein or the propriety or validity or the service thereof. The Trustee may act in conclusive reliance upon any instrument or signature believed by it to be genuine and may assume that any person purporting to give receipt or advice or to make any statement or execute any document in connection with the provisions of this Agreement has been duly authorized to do so, provided, however that, where a list of authorized officials of a person and their signatures are on file with the Trustee, the Trustee shall compare such manual signatures to the signature on any such documents. Such requirement shall not apply to personal identification numbers or PINS or other forms of electronic security devices which function as a proxy for a manual signature.

(k) Documents or Securities. The Trustee shall not be responsible in any respect for the form, execution, validity, value, collectibility or genuineness of documents, instruments or securities deposited with or delivered to or held by it under this Agreement, or for any description therein, or for the identity, authority or rights of persons executing or delivering or purporting to execute or deliver any such document, instrument or security. The Trustee shall not be called upon to advise any party as to the wisdom in selling or retaining or taking or refraining from any action with respect to any asset (including Gold), securities (including ~~street~~TRACKS® Gold Shares), or other property deposited, issued or held under this Agreement.

(l) General Duty of Care of Trustee. The Trustee shall not be under any duty to give the property held by it hereunder any greater degree of care than it gives its own similar property.

(m) Requests for Instructions. At any time the Trustee may request an instruction in writing in English from the Sponsor or a Participant with respect to any action which the Sponsor or a Participant is authorized to direct the Trustee hereunder, and may, at its own option, include in such request the course of action it proposes to take and the date on which it proposes to act, regarding any matter arising in connection with its duties and obligations under this Agreement. The Trustee shall not be liable for acting in accordance with such a proposal on or after the date specified therein, provided that the specified date shall be at least three (3) Business Days after the Sponsor or Participant receives the Trustee's request for instructions and its proposed course of action, and provided further that, prior to so acting, the Trustee has not received the written instructions requested.

(n) Reliance on Communications. When the Trustee acts on any information, instructions, communications (including communications with respect to the delivery of securities or the wire transfer of funds) sent by telex, facsimile, email or other form of electronic or data transmission, the Trustee, absent gross negligence, shall not be responsible or liable in the event such communication is not an authorized or authentic communication of the party sending it or is not in the form the party sent or intended to send (whether due to fraud, distortion or otherwise), provided that this paragraph shall not limit the Trustee's obligation to obtain such confirmations as may be specified in this Agreement or any Participant Agreement. The Trustee shall be indemnified as provided in Section 8.05 against any loss, liability, claim or expense (including legal fees and expenses) it may incur in acting in accordance with any such communication.

(o) Ambiguity. The Trustee may construe any provision of this Agreement that it believes to be ambiguous or inconsistent with any other provisions hereof, and any reasonable construction of any such provision hereof by the Trustee in good faith shall be binding upon the parties hereto, each Participant and all Beneficial Owners. In the event of any ambiguity or inconsistency or any other uncertainty in any notice, instruction or other communication received by the Trustee under this Agreement, the Trustee shall notify the Sponsor and the giver thereof, and may, in its sole discretion, refrain from taking any action other than to retain possession of the property of the Trust, unless the Trustee receives such further written instructions, from the Sponsor or otherwise, that eliminate such ambiguity, inconsistency or uncertainty.

(p) Reliance on Arbitral Decisions. The Trustee shall have no responsibility for the contents of any writing of the arbitrators or any third party that may be used as a means to resolve disputes among third parties with respect to their interest in the Trust, Trust assets or any ~~streetTRACKS® Gold~~ Shares and may conclusively rely without any liability upon the contents thereof.

(q) Taxes. In no event shall the Trustee be personally liable for any taxes or other governmental charges imposed upon or in respect of the Gold or its custody, moneys or other assets from time to time held hereunder, or on the income therefrom or the sale or proceeds of sale thereof, or upon it as Trustee hereunder or upon or in respect of the Trust or the ~~streetTRACKS® Gold~~ Shares, which it may be required to pay under any present or future law of the United States of America or of any other taxing authority having jurisdiction in the premises. For all such taxes and charges and for any expenses, including counsel's fees, which the Trustee may sustain or incur with respect to such taxes or charges, the Trustee shall be reimbursed and indemnified out of the assets of the Trust and the payment of such amounts shall be secured by a lien on the Trust. Any payments by the Trustee shall be subject to withholding regulations then in force with respect to United States taxes. This paragraph shall survive notwithstanding any termination of this Agreement and the Trust or the resignation or removal of the Trustee.

(r) Trustee's Liability for Custodial Services and Agents. Subject to Section 3.02 hereof, the Trustee shall not be answerable for the default of the Initial Custodian or any Custodian employed at the direction of the Sponsor or selected by the Trustee with reasonable care. The Trustee may also employ custodians for Trust assets other than Gold, agents, attorneys, accountants, auditors and other professionals and shall not be answerable for the default or misconduct of any such custodians, agents, attorneys, accountants, auditors and other professionals if such custodians, agents, attorneys, accountants, auditors or other professionals shall have been selected with reasonable care. The fees and expenses charged ~~by Custodians~~ for custody, **deposit or delivery** of Gold and services related to the custody and safekeeping of Gold **by any Custodian** (including, for avoidance of doubt, any fees paid to the Initial Custodian under the Allocated Bullion Account Agreement and Unallocated Bullion Account Agreement); **or by any** agents, attorneys, accountants, auditors or other professionals, and expenses reimbursable to ~~any~~ Custodian pursuant to a Custody Agreement, ~~exclusive of fees for services to be performed by the Trustee, shall constitute an expense of~~ **are payable by the Sponsor or** the Trust **as provided by Sections 3.05(a) and (b)**. Fees paid for custody of assets other than Gold shall be an expense of the Trustee.

(s) If the Sponsor shall fail to undertake or perform or shall become incapable of undertaking or performing any of the duties which by the terms of this Agreement are required to be undertaken or performed by

it, and such failure shall not be cured within fifteen (15) Business Days following receipt of notice from the Trustee of such failure, or the Sponsor shall be adjudged bankrupt or insolvent, or a receiver of the Sponsor or of its property shall be appointed, or a trustee or liquidator or any public officer shall take charge or control of the Sponsor or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then in any such case the Sponsor shall be deemed conclusively to have resigned with such resignation being effective immediately upon the occurrence of any of the specified events, and the Trustee may do any one or more of the following: (1) appoint a successor Sponsor to assume, with such compensation from the Trust as the Trustee may deem reasonable under the circumstances, the duties and obligations of the Sponsor hereunder by an instrument of appointment and assumption executed by the Trustee and the successor Sponsor; or (2) agree to act as Sponsor hereunder without appointing a successor Sponsor and without terminating this Agreement; or (3) terminate and liquidate the Trust and distribute its remaining assets pursuant to Section 9.01. The Trustee shall have no obligation to appoint a successor Sponsor or to assume the duties of the Sponsor and shall have no liability to any person because the Trust is or is not terminated pursuant to this paragraph.

(t) If the Net Asset Value of the Trust as shown by any evaluation made pursuant to Section 5.01 shall be less than the Discretionary Termination Amount (defined in Section 9.01(a)), the Trustee shall, only when so directed in writing by the Sponsor, terminate and liquidate the Trust and distribute its remaining assets, all in the manner provided in Section 9.01.

(u) The Trustee in its individual or any other capacity may own or hold gold and ~~streetTRACKS® Gold~~ Shares, or be an underwriter or dealer in respect of ~~streetTRACKS® Gold~~ Shares, and may deal in any manner with the same with the same rights and powers as if it were not the Trustee hereunder.

(v) The Trustee shall discharge all of its obligations and perform all of its duties under the Participant Agreement.

(w) The Trustee shall not be under any liability for information provided by it to the Sponsor and subsequently distributed, on an intraday basis, to Beneficial Owners or potential Beneficial Owners of ~~streetTRACKS® Gold~~ Shares except by reason of its own gross negligence, bad faith, willful misconduct or willful malfeasance, or reckless disregard of its duties and obligations hereunder. Subject to the foregoing, the Trustee shall undertake to provide to the Sponsor information necessary for the Sponsor to compute an estimate of the Net Asset Value, on an intraday basis, and provide such estimate to Beneficial Owners of ~~streetTRACKS® Gold~~ Shares.

(x) The Trustee is authorized to, and shall when so directed by the Sponsor, (i) enter into an overdraft facility with the Custodian from time to time under which the Custodian will make available to the Trust Unallocated Account up to 430 Fine Ounces of Gold in order to allow the Custodian to transfer all Gold standing to the credit of the Trust Unallocated Account (prior to the use of the overdraft facility) to the Trust Allocated Account by the close of business on any Business Day; and (ii), on any Business Day, permit the Custodian to repay itself the amount of any overdraft from any positive balance of the Trust Unallocated Account prior to the execution by the Custodian of any standing instruction to allocate Gold to the Trust Allocated Account and to immediately repay itself the full amount of any overdraft existing at the time of the termination of the Unallocated Bullion Account Agreement, unless the Sponsor, the Trustee and the Custodian shall agree upon repayment by other means. The provision of any such overdraft facility shall be without fee, cost or interest to the Trust, and the Custodian shall have no right, charge, security interest, lien or claim or right of set-off against the Gold held in the Trust Allocated Account or standing to the credit of the Trust in the Trust Unallocated Account as a result of the provision of any such overdraft facility, unless, notwithstanding anything else to the contrary in this Agreement, the Sponsor, the Trustee and the Custodian otherwise agree.

Section 8.02. Books, Records and Reports; Audit.

(a) The Trustee shall keep proper books of record and account of all the transactions under this Agreement at its office located in New York or such office as it may subsequently designate upon notice to the other parties hereto.
