**Item 1.01. Entry into a Material Definitive Agreement.**

On August 31, 2014 Crown Holdings, Inc. (the Company) and Crown Packaging Lux III S.à r.l., a wholly-owned subsidiary of the Company, entered into a Stock Purchase Agreement (the Purchase Agreement) with Heineken International B.V., Heineken Mexico Holding, S.A. de C.V. and Cuauhtémoc Moctezuma Holding, S.A. de C.V. (collectively, the Sellers), affiliates of Heineken N.V., with respect to the acquisition of FAMOSA B.V., SIVESA B.V. and SISA Mexico B.V. (collectively, EMPAQUE). EMPAQUE, based in Monterrey, Mexico, is a manufacturer of aluminum cans and ends, bottle caps and glass bottles for the beverage industry and a producer of sand for glass making and other applications. At closing, affiliates of Heineken N.V. will enter into long-term supply agreements with EMPAQUE for aluminum cans, bottle caps and glass bottles.

The Company will pay an enterprise value of \$1.225 billion in cash, subject to adjustment. The Company has obtained debt financing commitments for the transaction from Citigroup Global Markets Inc. The financing commitments provide for an amendment to the Company's existing senior secured credit agreement to permit the incurrence of up to \$750 million of additional term B loans under the Company's existing credit agreement. The proposed new facilities would mature on the seventh anniversary of the closing date. The Company expects to fund the balance of the purchase price through available cash on hand, additional borrowings under the Company's senior secured credit agreement or through other means and may seek alternative forms of financing in addition to or in lieu of the financing commitments.

The Purchase Agreement contains, among other things, representations and warranties of the Company and the Sellers, covenants, indemnities and termination rights.

The closing is subject to the fulfillment of various closing conditions, including, among others, (i) receipt of approval under the Ley Federal de Competencia Económica from the Mexican Antitrust Authority; (ii) receipt of approvals from antitrust regulators in certain other jurisdictions; (iii) approval by the Mexican Foreign Investment Commission; (iv) the absence of any restraint by any governmental authority and (v) accuracy of representations and warranties and compliance with covenants, subject to agreed levels of materiality. The closing is not subject to a financing or funding condition and the Company has agreed to take all steps necessary to avoid or eliminate any impediment under competition law.

The Purchase Agreement permits the Company and the Sellers to terminate the Purchase Agreement under certain circumstances, including, among others, (i) by mutual agreement of the Company and the Sellers; (ii) by either party if the other breaches any of its material obligations; (iii) by either party if any governmental authority restrains the transaction; and (iv) by either party upon notice to the other after August 31, 2015.

The foregoing description of the Purchase Agreement and financing commitment does not purport to be complete.

**Item 7.01. Regulation FD Disclosure.**

The Company issued a press release on September 1, 2014 announcing the execution of the Purchase Agreement, a copy of which is furnished as Exhibit 99.1.
