PROXY STATEMENT
IN CONNECTION WITH A SPECIAL MEETING
OF SHAREHOLDERS OF ALLERGAN, INC.

PROXY STATEMENT
OF
PS FUND 1, LLC

To the Shareholders of Allergan, Inc.:

This proxy statement (this Proxy Statement) and the accompanying WHITE proxy card (WHITE Proxy Card) are being furnished to you as a shareholder of Allergan, Inc., a Delaware corporation, with its principal executive offices at 2525 Dupont Drive, Irvine, CA 92612 (the Company and/or Allergan), by and on behalf of PS Fund 1, LLC, a Delaware limited liability company (PS Fund 1, we, our or us), which is managed by Pershing Square Capital Management, L.P. (Pershing Square), in connection with the solicitation of revocable proxies by PS Fund 1 for use at the special meeting, scheduled for December 18, 2014 (including any adjournments or postponements thereof and any meeting held in lieu thereof), of shareholders of Allergan for the purposes described below (the Special Meeting). Only holders of record at the close of business on October 30, 2014 (the Record Date) will be entitled to vote in person or by proxy at the Special Meeting. We will inform you of the time and location of the Special Meeting promptly following the date on which they are set in accordance with the Company s Amended and Restated Certificate of Incorporation, effective May 9, 2014 (the Charter), and the Company s Amended and Restated Bylaws, effective May 9, 2014 (the Bylaws), and the Delaware General Corporation Law (DGCL).

The Company is calling the Special Meeting as required by a settlement of a case we brought in the Delaware Court of Chancery after we delivered requests for a Special Meeting from holders of more than the percentage of shares required (the Requisite Percentage) to call a Special Meeting.

The date of this Proxy Statement is September 24, 2014. This Proxy Statement and the accompanying WHITE Proxy Card are first being sent or given to shareholders on or about September 26, 2014.

We are soliciting your proxy for the Special Meeting regarding the proposals (the Proposals) set forth in the section of this Proxy Statement titled Proposals for the Special Meeting.

On April 22, 2014, Valeant Pharmaceuticals International, Inc. (Valeant) first made an offer to the Board of Directors of Allergan (the Board) proposing a business combination of Allergan and Valeant. On May 30, 2014, Valeant publicly announced a revised proposal to merge with Allergan pursuant to which each share of common stock of the Company, par value \$0.01 per share (Company Common Stock), would be exchanged for \$72.00 in cash and 0.83 shares of Valeant common stock (and has indicated it remains willing to add a contingent value right (CVR) relating

to sales of Allergan's DARPin[®] product if Allergan were to engage in negotiations with Valeant to work out the exact terms of the CVR). Please refer to the section of this Proxy Statement titled "Background and Past Contacts" for more detailed information.

From April 10, 2014 (the day before Pershing Square began its rapid accumulation program) to September 23, 2014 (the last business day prior to the filing of this Proxy Statement), the Company's stock price has increased by approximately 45%. We believe the market has spoken, and that shareholders see substantial value in Valeant's revised proposal. To date, the Board has refused to engage with Valeant in any way regarding a merger with Valeant.

Therefore, PS Fund 1 is asking the Company's shareholders to vote **FOR** each of the Proposals by using one of the voting methods set forth below.

BACKGROUND AND PAST CONTACTS

On September 10, 2012, J. Michael Pearson, Valeant's Chairman of the Board and Chief Executive Officer, spoke to David Pyott, Allergan's Chairman of the Board, President and Chief Executive Officer, about possibly combining the two companies. Mr. Pyott informed Mr. Pearson that he would discuss the possibility with the Board.

On September 25, 2012, Mr. Pyott called Mr. Pearson and indicated that he had spoken with the Board about a possible business combination with Valeant, and Allergan was not interested in a transaction at that time. As part of its general review of strategic opportunities, Valeant's management continued to review numerous transaction alternatives with various pharmaceutical businesses and assets, including, from time to time, Allergan.

In September of 2013, Pershing Square hired William F. Doyle as a Senior Advisor.

On January 14, 2014, Mr. Doyle, a senior advisor at Pershing Square, spoke with Mr. Pearson, at a health care conference. They discussed Mr. Doyle's work with Pershing Square and it was suggested that they have a subsequent discussion regarding the potential of Valeant and Pershing Square jointly engaging in merger and acquisition transactions. On January 31, 2014, Messrs. Pearson and Doyle had a follow-up meeting in which they exchanged public information about Valeant and Pershing Square. Messrs. Doyle and Pearson did not specifically discuss Allergan at either meeting.

On February 4, 2014, Mr. Pearson and G. Mason Morfit, then a director of Valeant, met with Mr. Doyle and William A. Ackman, the Chief Executive Officer of Pershing Square. They primarily discussed Valeant and Valeant's business model. They also discussed what Pershing Square could do to encourage large public pharmaceutical companies to create more value for their stockholders, including by entering into different types of transactions with Valeant, though the structure that Valeant eventually used in connection with its offer for Allergan was not specifically discussed. Allergan was one of several companies mentioned, but was not discussed in detail.

On or around February 6, 2014, Mr. Ackman and Mr. Pearson had a telephone call in which they discussed, conceptually, a potential transaction structure in which Valeant would identify a target and disclose it confidentially to Pershing Square, after which Pershing Square could decide whether it was interested in working with Valeant with respect to such target and, if it was not, Pershing Square would agree not to make purchases of securities in such target. No specific targets were discussed on the telephone call. If Pershing Square decided that it was interested in working with Valeant with respect to a particular target identified by Valeant at a later date, then Pershing Square would conduct independent due diligence on the target, confirm its interest in working with Valeant to pursue a potential combination of Valeant and the target, and proceed to develop a strategy to purchase equity in the target. Around the same time, Mr. Pearson and Mr. Pyott agreed to meet the following weekend to follow up on their September 2012 discussions regarding the possibility of combining the two companies.

On February 7, 2014, Sullivan & Cromwell LLP (Sullivan & Cromwell), Valeant s counsel, sent Pershing Square and Kirkland & Ellis LLP (Kirkland & Ellis), Pershing Square s counsel, a draft confidentiality agreement that did not disclose the identity of Allergan. Between February 7, 2014 and February 9, 2014, representatives of Sullivan & Cromwell and Kirkland & Ellis exchanged drafts of and negotiated the confidentiality agreement.

On February 9, 2014, Valeant and Pershing Square entered into the confidentiality agreement, after which, Mr. Pearson called Mr. Ackman by telephone and informed him of Valeant s interest in a potential transaction with Allergan. Later that day, the board of directors of Valeant (the Valeant Board), met telephonically and discussed, among other things, pursuing the acquisition of Allergan and doing so with Pershing Square.

On February 10, 2014, in connection with Allergan senior management s meetings with analysts, Sanford B. Bernstein & Co. published a report of its discussions with Mr. Pyott, reporting that an acquisition of Allergan by Valeant was not a good fit and shareholders would hesitate to take Valeant paper. That same day, Bank of America Merrill Lynch analyst Gregg Gilbert issued a note stating that Allergan would not be interested in a transaction with Valeant.

On February 11, 2014, Pershing Square formed a new Delaware limited liability company, PS Fund 1, and Pershing Square, L.P., Pershing Square II, L.P., Pershing Square International, Ltd. and Pershing Square Holdings, Ltd (collectively, the Pershing Square Funds), which are investment funds managed by Pershing Square, entered into the original limited liability company agreement for PS Fund 1.

On February 13, 2014, representatives of Valeant and Pershing Square met to discuss a potential transaction involving Allergan. Representatives of Sullivan & Cromwell and Kirkland & Ellis also attended. Later that day, Sullivan & Cromwell sent Kirkland & Ellis a draft of an amended confidentiality agreement. Between February 13, 2014 and February 20, 2014, representatives of Sullivan & Cromwell and Kirkland & Ellis exchanged drafts of and negotiated the amended confidentiality agreement. Over that time, the parties negotiated to expand the categories of information covered by the confidentiality agreement from including the identity of Allergan, the terms of the confidentiality agreement and information about the potential transaction only to also include confidential information about Valeant in connection with Pershing Square s due diligence investigation on Valeant.

As a result of Mr. Pyott s published statements to analysts, on February 14, 2014, the planned meeting between Messrs. Pearson and Pyott was cancelled.

On February 20, 2014, Valeant and Pershing Square entered into the amended confidentiality agreement, dated as of February 9, 2014. That same day, Kirkland & Ellis sent Sullivan & Cromwell a draft letter agreement related to the purchase of equity in Allergan. Between February 20, 2014 and February 25, 2014, representatives of Valeant, Pershing Square and their respective counsel exchanged drafts of and negotiated the letter agreement. Over that time, the parties negotiated the terms and conditions upon which PS Fund 1 would purchase Allergan equity securities, including the \$75.9 million limit on the number of shares of Allergan common stock that could be purchased for Valeant s account and the manner in which such shares and profit and loss would be allocated to Valeant; the timing of Valeant s contribution to PS Fund 1 upon notice from Pershing Square that PS Fund 1 had crossed the 4% ownership level; the flexibility that Valeant would retain through the addition of Valeant s right to approve purchases in excess of 5%; the extent to which Valeant would consult with Pershing Square regarding a potential acquisition of Allergan; the terms and conditions upon which Valeant could elect to cause Pershing Square to purchase \$400 million of Valeant common shares immediately prior to the consummation of an acquisition of Allergan; the value of the Valeant common shares that Pershing Square would hold following consummation and the related holding period; and the events upon which PS Fund 1 would be dissolved.

During this same time, Valeant provided Pershing Square with operational information, including detailed product and segment sales, profit and loss, as well as budget and other financial information relating to Valeant s

historical 2013 business performance, 2014 year-to-date business performance and 2014 outlook. Because the historical information provided to Pershing Square has subsequently been reflected in Valeant's quarterly results, and the forecast information provided to Pershing Square was consistent with Valeant's published guidance at the time, but has since been superseded by Valeant's current guidance, Valeant believes that such information would not be material to Allergan shareholders and has not made public disclosure of the details of such information.

On February 21, 2014, the Valeant Board met in Toronto and discussed a potential transaction involving Allergan. Messrs. Ackman and Doyle attended a portion of the meeting, during which, among other things, Pershing Square's role in a potential transaction was discussed.

On February 25, 2014, Pershing Square and Valeant entered into an agreement (the "Letter Agreement") pursuant to which they agreed that a joint venture entity, PS Fund 1, would acquire shares of Company Common Stock and derivative instruments referencing Company Common Stock. Pursuant to the Letter Agreement, the parties thereto agreed, among other things, that:

Valeant would not, while Valeant, Pershing Square and/or PS Fund 1 may be deemed a group, acquire beneficial ownership of Allergan equity, except in a business combination transaction with Allergan or as a result of transactions by Pershing Square, PS Fund 1 or any of their respective affiliates;

PS Fund 1 would dissolve following the earliest to occur of several events, including the consummation of a business combination transaction with Allergan or at such time that Valeant informs Pershing Square or Allergan that it is no longer interested in pursuing a business combination transaction with Allergan;

Income, gain and loss on \$75.9 million in value of shares of Company Common Stock purchased by PS Fund 1 would be allocated to Valeant and the remaining net profit realized by PS Fund 1 would be allocated to funds advised by Pershing Square, except that Valeant would have a right to 15% of the net profits otherwise allocable to funds advised by Pershing Square if, before dissolution and at a time when a Valeant business combination proposal for Allergan is outstanding, a proposal for a third party business combination with Allergan is outstanding or made;

Valeant would consult with Pershing Square before making any material decisions relating to a business combination with Allergan;

Pershing Square would direct the management of PS Fund 1 (including the manner and timing of purchases and sales of Allergan equity) and would generally decide how PS Fund 1 votes any securities it owns, except that until the Termination Time (as defined in the Letter Agreement) PS Fund 1 would vote all of its shares of Company Common Stock in favor of a proposal by Valeant to acquire Allergan and other proposals supported by Valeant and against proposals reasonably likely to impair the ability of Valeant to consummate a business combination with Allergan, and, subject to limited exceptions, would not sell or otherwise reduce its economic ownership in Allergan equity;

At the election of Valeant, immediately prior to consummation of a Valeant business combination with Allergan, Pershing Square would purchase, for \$400 million, Valeant common shares at a per share price

reflecting a 15% discount to the then current market price;

If Valeant and Allergan consummate a business combination transaction that permits shareholders of Allergan to elect to receive Valeant common shares, Pershing Square would cause PS Fund 1 to elect to receive Valeant common shares for all shares of Company Common Stock over which it controls that election; and

If Valeant and Allergan consummate a business combination transaction, Pershing Square would, on the date of consummation, hold Valeant common shares with a then current value of at least \$1.5 billion and, for a period of at least one year after that consummation, it will not sell Valeant common shares unless after giving effect to the sale it continues to own at least \$1.5 billion in value of Valeant common shares (and during that one year period it would not hedge its investment in that minimum number of shares).

Also on February 25, 2014, PS Fund 1 began acquiring securities of Allergan. Following the acquisition by PS Fund 1 of 597,431 shares of Company Common Stock, Valeant contributed \$75.9 million to PS Fund 1 in respect of such shares. The Pershing Square Funds thereafter contributed to PS Fund 1 the remainder of the funds needed to fund the acquisition of securities of, and derivatives referencing, the Company. Between February 25 and April 21, 2014, representatives of Valeant and Pershing Square and their counsel participated in at least weekly phone calls to update Valeant on PS Fund 1's trading.

On February 26, 2014, Sullivan & Cromwell sent Pershing Square and Kirkland & Ellis a draft of an amended and restated limited liability company agreement for PS Fund 1, including a Valeant entity as a member, and generally reflecting the terms of the Letter Agreement. Between February 25, 2014 and April 3, 2014, representatives of Sullivan & Cromwell and Kirkland & Ellis exchanged drafts of and negotiated the amended and restated limited liability company agreement of PS Fund 1.

On March 11, 2014 and March 12, 2014, the Valeant Board met and discussed various matters, including a potential transaction involving Allergan.

On March 17, 2014, representatives of Valeant and Pershing Square met to discuss the terms of a potential transaction with Allergan and to continue Pershing Square's due diligence of Valeant's business which also involved visits to certain Valeant operations and other oral and documentary due diligence.

On April 1, 2014, representatives of Valeant and Pershing Square met again to discuss Valeant's and Allergan's operations and the process for accomplishing the proposed transaction.

On April 3, 2014, Valeant Pharmaceuticals International (Valeant USA), Pershing Square and each of the Pershing Square Funds entered into the amended and restated limited liability company agreement of PS Fund 1, dated as of April 3, 2014, which generally reflected the terms of the Letter Agreement.

On April 7, 2014, the Valeant Board held a meeting in Toronto and discussed, among other things, pursuing an acquisition of Allergan and doing so with Pershing Square.

On April 8, 2014, PS Fund 1 reached beneficial ownership of 4.99% of Allergan's outstanding stock and, as required by the Letter Agreement, stopped purchasing equity in Allergan pending Valeant approval to cross the 5% threshold. On April 10, 2014, Valeant provided approval for PS Fund 1 to purchase equity derivatives referencing Allergan that would result in PS Fund 1 beneficially owning more than 5% of Allergan's outstanding stock.

On April 11, 2014, PS Fund 1 crossed the 5% Schedule 13D beneficial ownership threshold and began a rapid accumulation program. By April 21, 2014, PS Fund 1 had acquired beneficial ownership of approximately 9.7% of the outstanding shares of Company Common Stock.

Between April 13, 2014 and April 21, 2014, representatives of Valeant, Pershing Square and their advisors met and discussed the terms of Valeant's initial proposal and their investor presentations in support of the proposal.

On April 21, 2014, Pershing Square and Valeant each filed a Schedule 13D disclosing their beneficial ownership of shares in Company Common Stock. Pershing Square's Schedule 13D disclosed that Pershing Square had beneficially acquired for the account of PS Fund 1 an aggregate of 28,878,538 shares of Company Common Stock for total consideration of \$3.217 billion, which had been contributed by the Pershing Square Funds and by Valeant USA pursuant to the Letter Agreement. That same evening, the Valeant Board met telephonically to determine whether to proceed with a proposal to acquire Allergan, and after deciding to do so, the appropriate terms of Valeant's proposal. The Valeant Board approved the terms of the proposal and authorized Valeant to deliver a merger proposal letter to Allergan the next morning.

On April 22, 2014, Valeant made a public proposal to Mr. Pyott and the Board to acquire Allergan for a price comprised of \$48.30 in cash and 0.83 Valeant common shares for each share of Company Common Stock based on the fully diluted number of shares of Company Common Stock outstanding. Pursuant to the terms of the proposal, Allergan shareholders would receive a substantial premium over Allergan's unaffected stock price of \$116.63 on April 10, 2014 (the day before Pershing Square began its rapid accumulation program) and would own approximately 43% of the combined company.

Later that day, Valeant and Pershing Square held an investor conference in which representatives of Valeant and Pershing Square delivered presentations describing the benefits of Valeant's proposal. Beginning on April 22, 2014, representatives of Valeant met with Allergan stockholders and Valeant shareholders to discuss Valeant's proposal.

On April 22, 2014, Allergan issued a press release in which it confirmed receipt of the proposal from Valeant and stated that the Board, in consultation with its financial and legal advisors, would carefully review and consider the proposal and pursue the course of action that it believes is in the best interests of the Company's shareholders. The Company also adopted a shareholder rights plan (commonly referred to as a "Poison Pill"), effective April 22, 2014.

On April 23, 2014, Mr. Ackman emailed Matthew Maletta, Allergan's Associate General Counsel and Secretary, to request an opportunity to speak with Michael R. Gallagher, the lead independent director of the Board, and Mr. Pearson spoke briefly with Mr. Pyott by telephone.

Mr. Maletta arranged a telephone call between Mr. Ackman and Mr. Gallagher, but later noted that Mr. Pyott and Jim Hindman, SVP of Investor Relations for Allergan, would be joining Mr. Gallagher on the call. While Mr. Ackman welcomed the opportunity to have a discussion with Mr. Pyott on April 24, 2014, Mr. Ackman's purpose for the call was to speak with Mr. Gallagher, without management present, as the lead director who Mr. Ackman expected, based on Allergan's proxy disclosures, to be the Board's independent representative for shareholders in considering the Valeant proposal.

During the April 24, 2014 call, Mr. Ackman requested the opportunity to speak with Mr. Gallagher in executive session, which Mr. Gallagher rejected. Mr. Ackman then asked for Mr. Gallagher's contact information so Mr. Ackman could contact Mr. Gallagher directly in the future. Mr. Gallagher was unwilling to provide Mr. Ackman with his contact information because Mr. Gallagher explained that he did not believe it was appropriate to speak to Mr. Ackman alone. Mr. Ackman then offered to speak with Mr. Gallagher with the Board's counsel present on the call, and Mr. Gallagher also refused this request.

On May 1, 2014, early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, was granted with respect to the acquisition by PS Fund 1 of certain shares of Company Common Stock. Later that day, PS Fund 1 exercised its American-style call options to purchase Company Common Stock and also paid the applicable forward purchase price under the forward purchase contracts to purchase Company Common Stock. As a result, PS Fund 1 became Allergan's largest shareholder. In total, Pershing Square contributed approximately \$3.624 billion to PS Fund 1 to fund the acquisition of Company Common Stock through the purchase and ultimate settlement of derivative instruments.

On May 5, 2014, in response to news reports stating that the Company had begun to approach alternative business combination partners, Mr. Ackman sent a letter to Mr. Gallagher, encouraging the Board to begin discussions with Valeant regarding its proposal. Among other things, Mr. Ackman's letter highlighted Pershing Square's belief that (i) the strength of Allergan's negotiating position with Valeant comes, in part, from the potential that Allergan may negotiate a more valuable transaction with a large global pharmaceutical company, (ii) the list of global pharmaceutical companies with the financial capacity to buy Allergan is limited, and even more limited when factors such as strategic fit and antitrust risk are considered, and (iii) unless Allergan were to identify and engage with a large global pharmaceutical company for a transaction in the very near future, the

odds of a transaction with such a counterparty are likely to decrease over time, the market and Valeant will likely learn of the lack of interest from alternative companies, and Allergan's negotiating leverage with Valeant will decline. Indeed, in the days that followed such letter, news outlets reported that several global pharmaceutical companies, including Sanofi, Johnson & Johnson and Shire, had been contacted by Allergan and had declined to engage in a business combination transaction.

On May 8, 2014, Valeant reported its First Quarter 2014 Financial Results. On its earnings call with analysts, Howard B. Schiller, Valeant's Executive Vice President and Chief Financial Officer, discussed Valeant's meetings with Allergan stockholders and Valeant shareholders. Mr. Schiller announced that, while Valeant was waiting for a response to its proposal from the Board, Valeant and Pershing Square would commence a referendum to determine whether Allergan stockholders are supportive of a transaction with Valeant, although the referendum proposal was ultimately commenced only by Pershing Square.

On May 12, 2014, Mr. Pyott sent a letter to Mr. Pearson stating that the Board had rejected Valeant's proposal.

Later on May 12, 2014, Mr. Ackman sent a letter (the "220 Request") to Mr. Maletta, pursuant to Section 220 of the DGCL requesting a complete record or list of the holders of Company Common Stock.

On May 13, 2014, Valeant issued a public letter to Allergan stockholders in response to Allergan's rejection of the proposal. Valeant announced that it would hold a webcast on May 28, 2014 to discuss why it believed that its proposal offered substantially superior value to Allergan's standalone strategy. Valeant also announced that, based on feedback from Allergan's stockholders, Valeant planned to improve its proposal during the May 28 webcast in order to demonstrate its commitment to complete the transaction.

Also on May 13, 2014, Pershing Square filed a preliminary proxy statement with the U.S. Securities and Exchange Commission (the "SEC") announcing a meeting of Allergan stockholders in order to conduct a stockholder referendum in which stockholders would be given the opportunity to vote on a non-binding resolution (with the same terms as Proposal 7 described in this Proxy Statement) to request that the Board promptly engage in good faith discussions with Valeant regarding Valeant's proposal.

Also on May 13, 2014, Mr. Ackman spoke briefly by telephone with Mr. Pyott. Mr. Pyott only afforded 15 minutes for the call despite Mr. Ackman's understanding that Mr. Pyott had spent considerably more time with other Allergan shareholders and despite the fact that Pershing Square is Allergan's largest shareholder. During the call, Mr. Ackman asked several questions concerning Allergan's rejection of the Valeant proposal, and why the Board did not meet with Valeant before doing so. Mr. Pyott would not answer these questions, but simply told Mr. Ackman that the Valeant proposal substantially undervalued Allergan. At the end of the call, Mr. Ackman again requested the opportunity to meet with Allergan's independent directors. Mr. Pyott said that he was the only member of the Board that was authorized to speak with shareholders and rejected Mr. Ackman's request to meet with the full Board.

On May 19, 2014, Mr. Ackman sent a letter to Mr. Gallagher, the designated point of contact for corporate governance issues relating to Allergan. Mr. Ackman stated that, because Mr. Pyott stood to lose his leadership position if Valeant's proposal were consummated, Mr. Pyott would be unable to engage in unconflicted discussions with Valeant and Pershing Square regarding that proposal. Mr. Ackman also expressed his displeasure that Allergan had rejected Valeant's proposal without conducting any private due diligence.

Later on May 19, 2014, Mr. Gallagher sent a letter to Mr. Ackman in which he confirmed receipt of Mr. Ackman's prior letter and stated his disagreement with Mr. Ackman's assertion regarding Mr. Pyott's disabling conflict of interest in respect of Valeant's proposal.

Also on May 19, 2014, representatives of Latham & Watkins LLP (Latham), on behalf of Allergan, sent a letter to representatives of Kirkland & Ellis, in response to the 220 Request, in which Latham stated that Allergan would make available to Pershing Square and certain of its affiliates such information set forth in the 220 Request that was currently available to Allergan.

On May 20, 2014, Valeant held its annual stockholder meeting. After the official business of the meeting concluded, Mr. Pearson made a presentation to Valeant shareholders during which he addressed, among other things, Valeant's proposal and Valeant's plans for its May 28 webcast. On May 20, 2014 and May 21, 2014, the Valeant Board met and discussed various matters, including the Allergan transaction.

On May 21, 2014, Mr. Ackman sent a letter to Mr. Gallagher confirming receipt of Mr. Gallagher's May 19 letter and stating that Pershing Square was encouraged to hear that the Board had an open mind and would show a high degree of professionalism in its review of Valeant's proposal, but that no effort had been made by the Board to reach out to Pershing Square or sit down with Valeant to discuss its proposal. Furthermore, Mr. Ackman noted Allergan's negative characterization of Valeant's proposal despite the immediate and long-term value that Valeant's proposal represented for Allergan's shareholders.

Later on May 21, 2014, Mr. Gallagher sent a letter to Mr. Ackman confirming receipt of Mr. Ackman's prior letter and stating that the Board would carefully review any revised offer announced by Valeant.

On May 27, 2014, Allergan filed a presentation with the SEC in which it criticized Valeant's business model and management team despite the fact that Allergan had failed to conduct any private due diligence on Valeant.

Later on May 27, 2014, representatives of Kirkland & Ellis sent a letter to representatives of Latham requesting that Latham produce those documents set forth in the 220 Request which were currently available to Allergan and to provide a list of those documents which Allergan would not be able to produce.

On May 28, 2014, executives of Valeant held an investor presentation in New York City during which Valeant publicly announced an improved proposal and Valeant's willingness to sit down with the Board and Allergan management to engage in meaningful discussions regarding that proposal. Representatives of Valeant also presented on Valeant's business model and refuted Allergan's claims from its May 27 press release and presentation.

Also on May 28, 2014, Mr. Pearson sent a letter to Mr. Pyott outlining the improved proposal, which increased the cash component of Valeant's proposal by \$10.00 per share of Company Common Stock to \$58.30, and included a CVR tied to sales of Allergan's DARPin[®] representing an additional \$25.00 of value per share of Company Common Stock. In addition, Valeant committed to invest up to \$400 million to develop DARPin[®] and pay to Allergan shareholders 40% of the net sales of DARPin[®] after recovery of Valeant shareholders' investment in DARPin[®] development expenses.

On May 28, 2014, Allergan confirmed receipt of Valeant's revised proposal. Allergan stated that the Board would carefully review and consider the revised proposal and pursue the course of action that the Board believes is in the best interests of Allergan and all of its stockholders. However, Allergan's May 27 press release and presentation suggested that Allergan would not be willing to negotiate with Valeant.

On May 29, 2014, at the Sanford C. Bernstein Strategic Decisions Conference in New York City, numerous large Allergan shareholders expressed to Mr. Ackman their support of a merger between Allergan and Valeant. These investors suggested that, if Valeant raised its offer to \$180 in value per share of Company Common Stock based on Valeant's current trading price, they would be supportive of a transaction.

On the morning of May 30, 2014, Mr. Ackman spoke by telephone with Mr. Pearson and conveyed to Mr. Pearson the substance of his conversations with other Allergan shareholders from the day before.

Mr. Ackman indicated that, if Valeant would raise its bid for Allergan so that its value (based on then current prices) approximated \$180 per share of Company Common Stock, Pershing Square would accept a fixed exchange ratio of 1.22659 based on Allergan and Valeant closing prices on May 29, 2014. After considering Pershing Square's proposal, Mr. Pearson contacted Mr. Ackman and said that he would recommend to the Valeant Board that Valeant raise its offer for Allergan on the terms discussed with Mr. Ackman, which the Valeant Board approved at a telephone meeting later that day.

Later in the afternoon on May 30, 2014, Valeant announced that it was making a revised proposal for Allergan under which each Allergan share would be exchanged for \$72.00 in cash and 0.83 Valeant common shares, based on the fully diluted number of Allergan shares outstanding. The revised proposal also referenced Valeant's continued willingness to include the CVR if Allergan were to engage in negotiations with Valeant to work out the exact terms. Under the revised proposal, Allergan stockholders would continue to be able to elect cash and/or Valeant stock, subject to proration. Pershing Square also separately agreed to exchange its Allergan shares for Valeant shares at a 1.22659 exchange ratio, based on closing stock prices of Allergan and Valeant on May 29, 2014, and receive no cash consideration.

Also on May 30, 2014, Mr. Pearson sent a letter to Mr. Pyott outlining the revised proposal to raise its offer for Allergan.

Allergan confirmed the receipt of Valeant's revised offer on May 30, 2014. Allergan stated that the Board would carefully review and consider the revised proposal and pursue the course of action that the Board believes is in the best interests of Allergan and all of its stockholders and referenced its position set forth in its May 27 presentation. Allergan's May 27 press release and presentation indicated that Allergan would likely not be willing to negotiate with Valeant.

On June 2, 2014, Valeant held an investor meeting and webcast to discuss its revised offer and announce its intention to commence an exchange offer on the terms of its revised offer. On the same day, Pershing Square filed a preliminary solicitation statement in respect of the Proposals. Pershing Square also indicated that it would no longer pursue its previously announced stockholder referendum in light of its plans to call a special meeting and in response to feedback Pershing Square received from other Allergan shareholders who urged Pershing Square to focus on calling a special meeting due to the more formal nature of the Special Meeting and the fact that certain proposals to be voted on at the Special Meeting would be binding on the Company.

On June 6, 2014, Pershing Square sent a letter (the "June 6 Letter") to Arnold A. Pinkston, Executive Vice President, General Counsel and Assistant Secretary of Allergan, in which it asked Allergan to confirm, among other things, that actions taken in support of the PS Fund 1 solicitation and any subsequent application to the Delaware Court of Chancery that might be filed seeking an order requiring Allergan to hold a meeting for the election of directors would not result in Pershing Square being deemed an Acquiring Person under Allergan's Poison Pill.

On June 10, 2014, Allergan announced that Mr. Pyott had sent a letter to Mr. Pearson, stating that the Board had rejected Valeant's proposal.

On June 11, 2014, Pershing Square received a letter from Allergan's counsel in which it declined to provide the confirmation requested in the June 6 Letter, other than to note that the mere solicitation and receipt of one or more revocable proxies by Pershing Square from other Allergan stockholders for the purpose of requesting a special meeting would not in and of itself result in Pershing Square being deemed an Acquiring Person under Allergan's Poison Pill.

On June 12, 2014, PS Fund 1 commenced an action in the Delaware Court of Chancery seeking declaratory and other equitable relief, including a declaration that (i) the actions by PS Fund 1 and other Allergan stockholders solely for the

purpose of exercising the right to call a special meeting in compliance with the requirements of the Bylaws will not trigger Allergan's Poison Pill, or alternatively (ii) the relevant provisions of

Allergan's Poison Pill are invalid as a matter of law because they are inconsistent with the right to call a special meeting that is granted to stockholders in the Charter (the Poison Pill Lawsuit). On the same day, PS Fund 1 filed a motion seeking to expedite the resolution of the litigation. On June 19, 2014, the Delaware Court of Chancery granted the motion to expedite and set a hearing date for July 7, 2014.

On June 18, 2014, Valeant commenced an exchange offer (the Exchange Offer) pursuant to which Valeant is offering to exchange, for each share of Company Common Stock, at the election of the applicable Allergan shareholder:

\$72.00 in cash and 0.83 common shares of Valeant (the Standard Election Consideration);

an amount in cash equal to the implied value of the Standard Election Consideration (based on the average of the closing prices of common shares of Valeant as quoted on the New York Stock Exchange (the NYSE) on each of the five NYSE trading days ending on the 10th business day preceding the date of expiration of the exchange offer); or

a number of Valeant common shares having a value equal to the implied value of the Standard Election Consideration (based on the average of the closing prices of Valeant common shares as quoted on the NYSE on each of the five NYSE trading days ending on the 10th business day preceding the date of expiration of the exchange offer),

subject in each case to the election and proration procedures described in the offer to exchange and in the related letter of election and transmittal.

On June 23, 2014, Allergan filed a Schedule 14D-9 with the SEC in which it recommended that Allergan shareholders not tender their shares of Company Common Stock in the Exchange Offer.

On June 24, 2014, Allergan issued a press release stating that its board of directors rejected Valeant's offer.

On June 24, 2014, Valeant filed a proxy statement on Schedule 14A for the calling of a special meeting of Valeant shareholders to approve the issuance of Valeant common shares in connection with an acquisition of Allergan.

On June 27, 2014, Pershing Square issued a press release announcing that it had entered into a settlement with Allergan resolving the Poison Pill Lawsuit and confirming that Pershing Square's actions in connection with the solicitation and receipt of revocable proxies to call a Special Meeting does not trigger Allergan's Poison Pill. The court order effecting the settlement was signed on June 28, 2014 and filed with the SEC by Pershing Square on June 30, 2014.

On July 7, 2014, Pershing Square first announced its slate of qualified, independent nominees for the Board and identified the sitting Allergan directors that it proposes to remove at the Special Meeting. The biographies of the nominees are set forth in the section of this Proxy Statement titled Information Regarding the Nominees.

On July 11, 2014, PS Fund 1 filed definitive solicitation materials with the SEC to solicit support for the calling of the Special Meeting.

On July 16, 2014, Pershing Square sent an open letter to the Board, criticizing the incumbent directors for their unwillingness to engage in a dialogue with Valeant. The July 16 letter also set forth Pershing Square's belief that the Company's attacks on the value of Valeant's currency were unsubstantiated and that there existed a disconnect between

Mr. Pyott criticizing Valeant's offer as inadequate while having recently sold shares of Company Common Stock at prices well below that of Valeant's offer.

On July 17, 2014, Pershing Square hosted a webcast in which it highlighted some of its beliefs regarding governance failings of Allergan, explained their doubts that Allergan could create superior shareholder value as a stand-alone entity and shared their views on the benefits of an Allergan-Valeant combination.

On July 21, 2014, Valeant and Pershing Square submitted a complaint letter with the SEC regarding what we believe to be attempts to mislead investors by Allergan and to negatively influence the market price of Valeant's common shares by continuing to make what we believe to be false and misleading statements regarding Valeant's business despite Valeant's public statements correcting this misinformation. A similar complaint was filed with the Autorité des marchés financiers in Québec on July 23, 2014.

On August 1, 2014, Allergan filed a lawsuit in the United States District Court for the Central District of California alleging that Valeant, Pershing Square and Mr. Ackman violated various federal securities laws (the Securities Lawsuit).

On the same day, Valeant and Pershing Square issued a joint press release in which they responded to the lawsuit, giving their firmly held view that the claims are baseless and Allergan's true purpose in bringing the litigation is to attempt to interfere with shareholders' efforts to call a special meeting, and expressing confidence that this attempt to delay or avoid the special meeting will not succeed.

On August 8, 2014, Pershing Square filed its answer in response to Allergan's complaint in the Securities Lawsuit.

On August 21, 2014, the United States District Court for the Central District of California denied Allergan's motion to expedite proceedings in connection with its request for declaratory relief in the Securities Lawsuit.

On August 22, 2014, Pershing Square delivered to Allergan Special Meeting requests in excess of the Requisite Percentage necessary to cause Allergan to call the Special Meeting pursuant to the Charter and Bylaws.

On the same day, Pershing Square, PS Fund 1 and Valeant filed a lawsuit against Allergan in the Delaware Court of Chancery, challenging the bylaw requirements related to the calling of a special meeting of shareholders and seeking declaratory relief to require Allergan to schedule the Special Meeting within a reasonable period of time and before Allergan executes, consummates or reaches any binding agreement or understanding as to an alternative transaction (the Bylaws Litigation).

On August 26, 2014, Allergan announced that it had established a record date for shareholders entitled to vote at the Special Meeting of October 27, 2014.

On the same day, Allergan asked the United States District Court for the Central District of California to set an expedited schedule for discovery and filed a motion for a preliminary injunction against Valeant, Pershing Square and Mr. Ackman in the federal securities litigation.

Between September 3, 2014 and September 12, 2014, Pershing Square submitted written requests from additional Allergan shareholders which, in combination with the written requests submitted on August 22, 2014, represent approximately 35.68% of the outstanding common stock of Allergan. On September 4, 2014, Allergan and its independent inspector confirmed that Pershing Square had delivered requests that comply as to form with Allergan's bylaws from stockholders owning more than 25% of Allergan common stock.

On September 9, 2014, Mr. Ackman sent an open letter to the Board, highlighting that six of Allergan's top ten shareholders had submitted requests for a special meeting. Additionally, Mr. Ackman criticized the Board's incumbent directors for what he believed to be false and misleading attacks on Valeant's business and for what he believed to be baseless claims against Mr. Ackman, Pershing Square and Valeant in California.

On September 15, 2014, Pershing Square, PS Fund 1 and Valeant entered into an agreement with Allergan settling the Bylaws Litigation and confirming that the Special Meeting will be held on December 18, 2014, the Record Date will be set for the close of business on October 30, 2014, and that Allergan will take no action to delay, postpone or not

hold the Special Meeting on December 18, 2014 or seek to invalidate any requests thereof. On the same day, Allergan issued a press release communicating the terms of the settlement.

PROPOSALS FOR THE SPECIAL MEETING

PS Fund 1 is soliciting your proxy for the Special Meeting in support of the following Proposals:

Proposal 1: RESOLVED, that the following six members of the current Board, Deborah Dunsire, M.D., Michael R. Gallagher, Trevor M. Jones, Ph.D., Louis J. Lavigne, Jr., Russell T. Ray and Henri A. Termeer, as well as any other person or persons elected or appointed to the Board without shareholder approval after the Company's 2014 annual meeting and up to and including the date of the Special Meeting (other than any Group Nominee set forth herein), be and hereby are removed from office as directors of the Company.

Article 7 of the Charter, along with Section 141(k) of the DGCL, provides that any director or the entire Board may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of the Company's directors.

If Proposal 1 passes, only three directors will remain on the Board. We are seeking to remove Messrs. Deborah Dunsire, M.D., Michael R. Gallagher, Trevor M. Jones, Ph.D., Louis J. Lavigne, Jr., Russell T. Ray and Henri A. Termeer because we believe that they have not acted in the best interests of shareholders with respect to Valeant's proposal to acquire the Company as evidenced by the Board's failure to engage in good faith discussions with Valeant regarding its proposal to merge with Allergan, its adoption of a poison pill in the face of such proposal and its designation of Mr. Pyott as the only member of the Board authorized to speak with shareholders.

We believe that the incumbent Board is disserving you. On April 22, 2014, Valeant first made an offer to the Board proposing a business combination of Allergan and Valeant. On May 30, 2014, Valeant publicly announced a revised proposal to merge with Allergan pursuant to which each share of Company Common Stock would be exchanged for \$72.00 in cash and 0.83 shares of Valeant common stock (and has indicated it remains willing to add a CVR relating to sales of Allergan's DARPin® product if Allergan were to engage in negotiations with Valeant to work out the exact terms of the CVR). From April 10, 2014 (the day before Pershing Square began its rapid accumulation program) to September 23, 2014 (the last business day prior to the filing of this Proxy Statement), the Company's stock price has increased by approximately 45%. Despite this, the Board has stubbornly refused to engage in discussions with Valeant regarding its proposal. In addition, Mr. Gallagher, Allergan's lead independent director (whose re-election at Allergan's 2014 annual meeting was recommended against by Institutional Shareholder Services (ISS)) has rejected Pershing Square's requests to discuss Valeant's proposal without management present. At the present time, Valeant's exchange offer cannot be consummated until the Board removes or renders inapplicable certain obstacles to the consummation of the exchange offer, such as the poison pill, which the Board could unilaterally eliminate. To date, ISS has not issued a recommendation on this Proposal 1 with respect to the removal of Allergan directors.

We have, in accordance with SEC requirements, provided shareholders with a way to vote for removal of less than all of the directors listed in the foregoing resolution by checking the **FOR REMOVAL EXCEPT** box on the **WHITE Proxy Card** and writing below that box the name(s) of the director(s) that the shareholder does not wish to remove.

A proxy marked **WITHHOLD AUTHORITY** for the removal of all of the directors or **FOR REMOVAL EXCEPT** with respect to any specific director will not be considered to have been voted for or against the removal of any such director.

*We strongly urge you to vote **FOR** Proposal 1 by signing, dating and returning the enclosed **WHITE Proxy Card** in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the **WHITE Proxy Card** or over the Internet using the Internet address on the **WHITE Proxy Card**.*

***Proposal 2:* RESOLVED, that the shareholders of Allergan hereby request that the Board elect or appoint the following individuals to serve as directors of the Company, regardless of whether Proposal 1 is passed: Betsy S. Atkins, Cathleen P. Black, Fredric N. Eshelman, Ph.D., Steven J. Shulman, David A. Wilson and John J. Zillmer (individually a Group Nominee and**

collectively, the Group Nominees); provided, however, that if at any time prior to the date of the Special Meeting one or more Group Nominees are no longer willing or, as a result of death or incapacity, able to serve as directors of the Company and a majority of the then-remaining Group Nominees select replacements, those replacements (rather than the individuals they replaced), along with the Group Nominees who have not been replaced, shall then be considered the Group Nominees for all purposes.

Pursuant to Article II, Section 6 of the Bylaws, such a proposal requesting that the Board elect or appoint such individuals as directors requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at such Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

Each Group Nominee named in this Proposal 2 has consented to be named in this Proxy Statement and to serve as a director of the Company, if elected. If the Group Nominees are elected, they intend to discharge their duties as directors of the Company consistent with all applicable legal requirements, including the general fiduciary obligations imposed upon corporate directors. Each of the Group Nominees is a highly experienced, independent member of the business community. We believe that the Group Nominees will act in your and Allergan's best interests. Although the Group Nominees have not made any commitment to us if elected other than that they will serve as a director and exercise their independent judgment in accordance with their fiduciary duties in all matters before the Board, we believe that the Group Nominees, if elected, are more likely than the incumbent Board, due to their independence from Allergan management, Valeant and Pershing Square (determined under the standards set forth in the New York Stock Exchange Listed Company Manual with respect to each of Allergan, Valeant and Pershing Square, as if, in the case of Valeant and Pershing Square, such standards related to Valeant and Pershing Square rather than Allergan). A vote for the Group Nominees is your message as the owners of Allergan that you are in favor of pursuing a possible acquisition of Allergan by Valeant in order to maximize the value of Allergan. The election of the Group Nominees to the Board will not preclude their consideration of any competing bids or proposals for the acquisition of Allergan.

If elected, each Group Nominee named in this Proposal 2 would serve as a director until the Company's annual meeting in 2015. This Proposal 2 is nonbinding in nature and thus the Board will be under no legal obligation to take any action with respect to the shareholders' request to appoint new directors (which action is necessary to effect such request), no matter how many votes are cast in favor of this Proposal 2. Because shareholders have the right to elect directors, we believe that, upon removal of directors, the shareholders and not the remaining directors should be able to select replacements. Voting for Proposal 2 will send a message to the remaining directors as to the appropriate representatives of shareholders on the Board.

We have, in accordance with SEC requirements, provided shareholders with a way to vote for inclusion of less than all of the Group Nominees in the request contemplated by the foregoing resolution by checking the **FOR ALL EXCEPT** box on the **WHITE** Proxy Card and writing below that box the name(s) of the Group Nominee(s) that the shareholder does not wish to request the Board to elect or appoint.

A proxy marked **WITHHOLD AUTHORITY** with respect to all Group Nominees or **FOR ALL EXCEPT** with respect to any specific Group Nominee will not be considered to have been voted for or against the request that the Board elect or appoint such Group Nominee.

In the event that Proposal 1 passes and the above-named directors are removed from the Board creating six vacancies, but Proposal 2 does not pass or Proposal 2 passes but the Board refuses to implement the shareholders' wishes and does not elect or appoint the Group Nominees, then pursuant to Article III, Section 5 of the Bylaws, Article 8 of the Charter and Section 223 of the DGCL, such vacancies may be filled by a majority vote of the then-remaining directors, even though less than a quorum.

In the event that, at the time of filling any board vacancy, the directors then in office constitute less than a majority of the whole Board and those directors do not fill the vacancies with the Group Nominees, we intend to exercise our rights pursuant to Section 223(c) of the DGCL which provides that the Delaware Court of Chancery may summarily order an election to be held to fill any such vacancies or to replace the directors chosen by the directors then in office. For additional information on our rights under Section 223(c) of the DGCL, see the section of this Proxy Statement titled "Information Regarding the Nominees."

*We strongly urge you to vote **FOR** Proposal 2 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 3: RESOLVED, that Article II, Section 3 of the Bylaws be, and hereby is, amended to read as set forth in Section 3(A) of Exhibit E to the Solicitation Statement filed by PS Fund 1, LLC (PS Fund 1) on July 11, 2014 (the Solicitation Statement), in order to provide simplified mechanics for calling and determining the place, date and hour of any special meeting called at the request of the Company s shareholders.

Pursuant to Article II, Section 6 of the Bylaws, the amendment of the Bylaws requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at the Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

In order to simplify the mechanics for calling a special meeting, we are proposing amendments to the Bylaws that would eliminate certain procedural and informational requirements for calling a special meeting which are set forth in the language marked as struck out in Article II, Section 3 of Exhibit E to the Solicitation Statement (and reproduced here as Exhibit A to this Proxy Statement) that were originally adopted at the time of the Company s 2013 annual meeting of shareholders. These requirements were summarized at the time of their adoption, in the Company s Proxy Statement on Schedule 14A, filed with the SEC on March 8, 2013, as follows:

no business may be conducted at the special meeting except as set forth in the Company s notice of meeting; no stockholder special meeting request may be made during the period commencing 90 days prior to the first anniversary of the date of the immediately preceding annual meeting and ending on the date of the final adjournment of the next annual meeting; a special meeting request cannot cover business substantially similar to what was covered at an annual or special meeting held within one year, subject to certain exceptions; a special meeting will not be held if similar business is to be covered at an annual or special meeting called by the Board but not yet held; and the requesting stockholder s notice must provide certain information regarding the business proposed to be conducted, and as to the stockholder giving notice and any person or entity acting in concert with the stockholder giving notice.

In the event that Proposal 3 passes, the Bylaw provisions quoted immediately above would be eliminated. We believe the elimination of these Bylaw provisions is an important step in improving the corporate governance of Allergan by streamlining the procedures by which shareholders may exercise their right to call a special meeting. We believe that the procedure requiring that written requests for a special meeting be made by the actual holders of record of 25% of the outstanding shares of Company Common Stock (as opposed to beneficial owners) is highly unusual. In addition, the time and cost burdens associated with collecting the level of information required to be provided (which is largely irrelevant to any legitimate concern Allergan may have) serves to deter participation by all but the largest stockholders as they will be the stockholders which may most easily comply given their existing legal departments and other resources. Those burdensome procedural and informational requirements include the obligation to provide extensive disclosure of each Proposing Person (as defined in the Bylaws) and can be difficult to interpret. Furthermore, requesting shareholders are required to make

representations, including that they intend to hold their shares through the date of the special meeting (failing which their requests are automatically revoked to the extent of any sale), and to update and supplement their information following submission of the written request. We believe that the cumulative effect of these Bylaw provisions is to make it substantially more difficult for shareholders to exercise the right to call a special meeting purportedly granted in the Company's Charter and Bylaws.

*We strongly urge you to vote **FOR** Proposal 3 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 4: RESOLVED, that Article II, Section 3 of the Bylaws be, and hereby is, amended to add a new clause at the end (which shall be designated clause (B) if Proposal 3 above is passed and shall be designated clause (E) if Proposal 3 above is not passed) to read as set forth in Section 3(B) of Exhibit E to the Solicitation Statement, in order to provide mechanics for calling a special meeting if no directors or less than a majority of directors are then in office.

Pursuant to Article II, Section 6 of the Bylaws, the amendment of the Bylaws requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at the Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

In the event that Proposal 1 passes and the above-named directors are removed from the Board creating six vacancies, but Proposal 2 does not pass or Proposal 2 passes but the Board refuses to implement the shareholders' wishes and does not elect or appoint the Group Nominees, then, as discussed above, pursuant to Article III, Section 5 of the Bylaws, Article 8 of the Charter and Section 233(a) of the DGCL, such vacancies may be filled by a majority vote of the then-remaining directors, even though less than a quorum.

We are proposing amendments to the Bylaws that would facilitate the shareholders' right to call a special meeting to elect the replacements of the removed directors in the event that, at the time of filling any board vacancy, the directors then in office constitute less than a majority of the whole Board, as contemplated by Section 223 of the DGCL. The text of the proposed amendment is reproduced as Exhibit A to this Proxy Statement. We believe that best practices would allow shareholders to replace directors removed by them and that shareholders should not be required to call another special meeting or wait until the following annual meeting to do so. We believe it is important for Allergan shareholders to send a strong message to the incumbent Board in this regard by insisting on shareholders' concurrent right to fill vacancies.

*We strongly urge you to vote **FOR** Proposal 4 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 5: RESOLVED, that Article II, Section 9 of the Bylaws be, and hereby is, amended to read as set forth in Section 9 of Exhibit E to the Solicitation Statement, in order to provide simplified mechanics for nominating directors or proposing business at any annual meeting.

Pursuant to Article II, Section 6 of the Bylaws, the amendment of the Bylaws requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at the Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

In order to simplify the mechanics for nominating directors or proposing business at any annual meeting, we are proposing amendments to the Bylaws that would remove informational and procedural requirements for proposing business and nominating directors, which are set forth in the language marked as struck out in Article II, Section 9 of Exhibit E to the Solicitation Statement (and reproduced here as Exhibit A to this Proxy Statement), such as:

the shareholder must provide detailed information regarding the business proposed to be conducted, as to the shareholder and any person or entity acting in concert with the shareholder, and as to each nominee, including the disclosure by the shareholder and each nominee of any Disclosable Interests (as defined in the Bylaws), which requirements require greater disclosure than that required by the federal proxy rules and Delaware law;

the shareholder must make representations regarding its intention to hold its shares through the date of the meeting, and must appear in person or by qualified representative to present the matters at the meeting; and

the requesting shareholder must update and supplement all such information as of the record date for the meeting and as of the date that is 10 business days prior to the meeting or any adjournment or postponement.

For reasons similar to those discussed under Proposal 3, we believe that simplifying these procedures is necessary to provide shareholders with meaningful rights to participate in the governance of the Company, consistent with the rights provided to shareholders in the Company's Charter.

*We strongly urge you to vote **FOR** Proposal 5 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 6: RESOLVED, that, if Proposal 1 is passed, Article III, Section 2 of the Bylaws be, and hereby is, amended to read as set forth in Article III, Section 2 of Exhibit E to the Solicitation Statement, in order to fix the authorized number of directors of the Company at nine directors.

Pursuant to Article II, Section 6 of the Bylaws, the amendment of the Bylaws requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at the Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present. According to Article 6 of the Charter, directors can only be elected at the annual meeting of shareholders.

If Proposal 1 is passed, and Proposal 2 passes and the Board implements the shareholders' wishes and elects or appoints the Group Nominees, this Proposal 6 is designed to prevent the Board from taking other actions to nullify those actions, including by appointing to the Board several new directors affiliated with Company management. The text of the proposed amendment is reproduced as Exhibit A to this Proxy Statement. The approval of Proposal 6 is conditioned on the approval of Proposal 1.

We believe that, if Proposal 1 is passed and Proposal 2 passes, Allergan shareholders will be sending a message that they desire the Group Nominees to control the Board. However, if the incumbent Board expands the size of the Board, the desire of Allergan shareholders will be thwarted. For example, if the incumbent Board expands the size of the Board to 13, and the Board implements the shareholders' wishes and elects or appoints the Group Nominees, the

Group Nominees elected will constitute six of the 13 directors on the Board and therefore will be unlikely to be able to effect a change in the direction of the Board. Regardless of the incumbent Board's motivation in so doing, we believe that any expansion of the Board would merely serve to disenfranchise you and delay your right to have a Board that advances your best interests.

*We strongly urge you to vote **FOR** Proposal 6 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 7: RESOLVED, that any amendment to the Bylaws adopted without shareholder approval after the Company's 2014 annual meeting and up to and including the date of the Special Meeting that changes the Bylaws in any way from the version that was publicly filed with the SEC on March 26, 2014 and became effective as of May 9, 2014 (other than any amendment to the Bylaws set forth herein) be, and hereby are, repealed.

Pursuant to Article VII, Section 3 of the Bylaws, the repeal of amendments to the Bylaws requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at the Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

This Proposal 7 is designed to prevent the Board from taking actions to amend the Bylaws to attempt to nullify or delay the actions taken by, or proposed to be taken by, the shareholders pursuant to the Proposals or to create new obstacles to the consummation of the transactions contemplated by Valeant's proposal. The text of the proposed amendment is reproduced as Exhibit A to this Proxy Statement.

*We strongly urge you to vote **FOR** Proposal 7 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

Proposal 8: RESOLVED, that the shareholders of Allergan hereby request that the Board promptly engage in good faith discussions with Valeant regarding Valeant's offer to merge with the Company, without in any way precluding discussions the Board may choose to engage in with other parties potentially offering higher value.

Pursuant to Article II, Section 6 of the Bylaws, such a proposal requesting that the Board promptly engage in good faith discussions with Valeant regarding Valeant's proposal requires the vote of a majority in voting interest of the shareholders present in person or by proxy and entitled to vote at such Special Meeting on such matter, a quorum (which is a majority in voting interest of the shares of the Company) being present.

This Proposal 8 is designed to provide shareholders with the ability to demonstrate, in a coordinated and powerful manner, their support for the Company to engage in a meaningful dialogue with Valeant. While there are numerous ways the Board could implement this Proposal 8, examples of such meaningful engagement could include, without limitation, and in each case conducted in good faith:

the participation in one or more substantive, face-to-face meetings between the chief executive and other senior-level officers of the Company and representatives of Valeant to address the terms of Valeant's offer to merge with the Company;

members of the Board making themselves available for face-to-face meetings with representatives of Valeant to discuss the terms of Valeant's offer;

discussions between the financial advisors of the Company and the financial advisors of Valeant;

discussions between the legal advisors of the Company and the legal advisors of Valeant, including in respect of the proposed merger agreement between the companies; and

the Company undertaking preliminary due diligence activities with respect to Valeant, including entering into a confidentiality agreement that would allow it to receive non-public information from Valeant.

This Proposal 8 is non-binding in nature and thus the Board will be under no legal obligation to take any action with respect to the shareholders' request to engage with Valeant, no matter how many votes are cast in favor of this Proposal 8.

*We strongly urge you to vote **FOR** Proposal 8 by signing, dating and returning the enclosed WHITE Proxy Card in the enclosed postage paid envelope. You may also vote by telephone using the toll-free number on the WHITE Proxy Card or over the Internet using the Internet address on the WHITE Proxy Card.*

VOTING PROCEDURES

Record Date; Vote Per Share

Allergan has one class of voting shares outstanding and, as of July 31, 2014, there were 297,183,809 shares of Company Common Stock outstanding as reported in the Quarterly Report filed on Form 10-Q filed by the Company with the SEC on August 5, 2014 (the Company 10-Q). Only holders of record on the Record Date are entitled to receive notice of the Special Meeting and to vote the shares of Company Common Stock that they held on the Record Date at the Special Meeting. Each share of Company Common Stock will have one vote on each matter to be voted on at the Special Meeting. The Record Date has been set for the close of business on October 30, 2014. To the extent you sell your shares on or prior to the Record Date for the Special Meeting, you will not have the right to vote on the Proposals at the Special Meeting.

Quorum; Abstentions

In order to constitute a quorum for the conduct of business at the Special Meeting, a majority of the outstanding shares of Company Common Stock entitled to vote must be present or represented by proxy at the Special Meeting. Shares that abstain from voting or withhold authority on any Proposal or that are represented by broker non-votes (as discussed below), will be treated as shares that are present and entitled to vote at the Special Meeting for purposes of determining whether a quorum is present.

A vote to ABSTAIN or WITHHOLD AUTHORITY with respect to a Proposal will have the same effect as a vote against the Proposal. In the case of Proposal 1, the voting standard is a majority of the shares outstanding, and votes from shareholders to ABSTAIN or WITHHOLD AUTHORITY for the Proposal will have the same effect as a vote against the Proposal. In the case of Proposals 2-8, the voting standard is a majority in voting interest of shareholders present, in person or by proxy, and entitled to vote at the Special Meeting. Votes from shareholders to ABSTAIN or WITHHOLD AUTHORITY , which will be treated as votes from shareholders present but not in favor of a Proposal, will have the same effect as a vote against the Proposal.

Broker Non-Votes

If you hold your shares through a bank, broker or other nominee (that is, in street name) and do not provide voting instructions to your bank, broker or other nominee, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. In this case, a broker non-vote occurs. Shares constituting broker non-votes are not counted or deemed to be present or represented for the purpose of determining whether shareholders have approved a matter, but they are counted as present for the purpose of determining a quorum at the Special Meeting.

Broker non-votes with respect to a Proposal will have the same effect as a vote against the Proposal. In the case of Proposal 1, the voting standard is a majority of the shares outstanding, and broker non-votes will have the same effect as a vote against the Proposal. In the case of Proposals 2-8, the voting standard is a majority in voting interest of shareholders present, in person or by proxy, and entitled to vote at the Special Meeting. Broker non-votes , which will be treated as votes from shareholders present but not in favor of a Proposal, will have the same effect as a vote against the Proposal.

The solicitation of proxies with respect to the Proposals described in this Proxy Statement are non-routine matters and brokers and other nominees do not have discretionary authority to vote your shares on non-routine matters. Therefore, unless you provide specific voting instructions to your broker or other nominee, they will not have discretionary authority to vote your shares at the Special Meeting and your shares will not be voted for or against any of the Proposals.

If your shares are held in street name, your broker or other nominee will have enclosed a voting instruction card with this Proxy Statement. We strongly encourage you to vote your shares by following the instructions provided on the voting instruction card.

Revocation of Proxies

Shareholders who have executed and delivered a WHITE Proxy Card may revoke it at any time before the proxy is exercised by:

delivering an instrument revoking the earlier proxy, or a duly executed later dated proxy for the same shares, to D.F. King at 48 Wall Street, New York, NY 10005; or

filing with the Company's Corporate Secretary prior to the Special Meeting either a notice of revocation or a duly executed later dated proxy for the same shares; or

if you have voted by telephone or through the Internet, calling the same toll-free number or by accessing the same web site and following the instructions provided on the WHITE Proxy Card; or

voting in person at the Special Meeting.

Written ballots will be distributed to shareholders who wish to vote in person at the Special Meeting. If you hold your shares through a bank, broker or other nominee, you must obtain a legal proxy from such custodian in order to vote in person at the Special Meeting (the power of the proxy holders will be suspended if you attend the Special Meeting in person, although attendance at the meeting will not by itself revoke a previously granted proxy).

We strongly urge you not to sign any proxy card sent to you by Allergan. If you have already voted any proxy card that the Company may have sent you, you can change your vote by signing, dating and returning the WHITE Proxy Card to D.F. King at its address set forth below or by making use of the Internet and telephone voting facilities described above. If you hold your shares through a bank, broker or other nominee, you will need to contact your bank, broker or nominee and follow their instructions if you want to revoke a proxy or change your vote. Only your latest signed and dated proxy will count at the Special Meeting.

SOLICITATION OF PROXIES; EXPENSES

PS Fund 1 will bear the entire expense of preparing and mailing this Proxy Statement and the total expenditures relating to the solicitation of WHITE Proxy Cards to vote at the Special Meeting, including, without limitation, costs, if any, related to advertising, printing, fees of attorneys, financial advisors, solicitors and accountants, public relations, transportation and litigation. We may solicit your proxy by telephone, email, facsimile, and personal solicitation, in addition to mail. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward PS Fund 1's proxy materials to customers for whom such persons hold shares of Company Common Stock, and PS Fund 1 will reimburse them for their reasonable out-of-pocket expenses for doing so.

D.F. King, our proxy solicitation firm, has been retained to assist in this solicitation and will receive customary fees for its services, plus reimbursement of reasonable out-of-pocket expenses. D.F. King will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. The firm will utilize approximately 75 persons in its solicitation efforts.

PS Fund 1 currently estimates that its solicitation expenses will amount to not less than \$1 million. PS Fund 1 does not intend to seek reimbursement from Allergan for the costs and expenses incurred in connection with this Proxy Statement.

The indemnification agreement provides, among other things, that (i) PS Fund 1 will reimburse each Group Nominee for reasonable out-of-pocket expenses arising from or in connection with such person's participation in this solicitation; and (ii) PS Fund 1 will, subject to limited exceptions and to the extent permitted by applicable law, indemnify and hold each Group Nominee harmless from and against all losses, claims, damages, liabilities and expenses (including, without limitation, attorneys' fees) incurred by such Group Nominee and also advance expenses in the event such person becomes a party to litigation arising out of or relating to this solicitation (but not in such Group Nominee's capacity as a director of the Company if elected).

Other than as disclosed herein, there are no agreements, arrangements or understandings between any Group Nominee and PS Fund 1 or any other person or persons with respect to the nomination of such Group Nominee.

Other than as disclosed herein, (i) no Group Nominee or any associate of a Group Nominee is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material proceeding, (ii) there is no event that occurred during the past 10 years with respect to any of the Group Nominees that is required to be described under Item 401(d) or 401(f) of Regulation S-K, and (iii) no Group Nominee has any Disclosable Interest as such term is defined in Article II, Section 3 of the Bylaws (except that the term "Proposing Person" where it appears in sections (A)(1) and (2) of Section 3 of the Bylaws shall be deemed to refer to such Group Nominee).

The Company has published non-binding Guidelines on Significant Corporate Governance Issues (the "Guidelines"), which in part state that when a Board member reaches the age of 73, he shall not be eligible for re-nomination to the Board and shall retire from the Board effective immediately prior to the Company's first annual meeting of shareholders following such Board member's 73rd birthday. One of the Group Nominees, Mr. David Wilson, is currently 73 years old. In accordance with the Guidelines and without any waiver thereof, he is eligible for election at a special meeting because he turned 73 years old in June of 2014, and accordingly would have been eligible for re-nomination at the 2014 annual meeting of Allergan shareholders held in May 2014 had he been a director and would have been eligible to serve as a director of the Company if elected until the 2015 annual meeting of Allergan shareholders. Also, the age limitation in the Guidelines only applies to re-nomination and not to an initial election. Finally, the Guidelines can be amended or waived. Indeed the Guidelines state that "[t]hese guidelines are not rigid rules. Nor is it intended that publication of these guidelines be interpreted as a representation that they will be strictly followed in each instance. The Board will continue to assess the appropriateness and efficacy of these guidelines and it is likely that changes or exceptions to these Guidelines will be considered from time to time. If the Group Nominees are elected prior to the 2015 annual meeting of Allergan shareholders, the Board may choose to waive or amend the Guidelines as they relate to Mr. Wilson. If the Board chooses to maintain the Guidelines and apply the age limit with respect to Mr. Wilson, his service on the Board would terminate at the 2015 annual meeting of Allergan shareholders.

Filling of Vacancies. The Charter and the Bylaws currently permit the Company's shareholders to remove its directors with or without cause, but further provide that any vacancies on the Board will be filled solely by the affirmative vote of a majority of the remaining directors then in office, and do not permit the Company's shareholders to fill any vacancies on the Board. Therefore, the Board's action is necessary to effect the shareholders' request to appoint or elect the Group Nominees, but the Board has no obligation to take any action with respect to such request. However, in the event that, at the time of filling any board vacancy, the directors then in office constitute less than a majority of the whole board, Section 223(c) of the DGCL provides that the Delaware Court of Chancery may, upon the application of any shareholder or shareholders holding at least 10 percent of the voting stock at the time outstanding having the right to vote for such directors, summarily order an election to be held to fill any such vacancies or to replace the directors chosen by the directors then in office. If the Board ignores the request to fill vacancies as contemplated in Proposal 2, Pershing Square reserves its right to petition the Delaware Court of Chancery under Section 223(c) of the DGCL to order a new election. In addition, we are proposing the amendments to the Bylaws described in Proposal 4 that would

facilitate the shareholders

right to call a special meeting to elect the replacements of the removed directors in the event that, at the time of filling any board vacancy, the directors then in office constitute less than a majority of the whole Board, as contemplated by Section 223(c) of the DGCL. In the event we choose to pursue our rights under Section 223(c) of the DGCL, we will join with other Allergan shareholders to meet the 10 percent requirement of Section 223(c) of the DGCL in a manner consistent with the court order effecting the settlement of litigation relating to Allergan's shareholder rights plan, between Pershing Square and Allergan dated as of June 28, 2014.

CERTAIN EFFECTS RELATED TO THIS SOLICITATION

According to the Company 10-Q, Allergan had approximately \$3.190 billion of cash and cash equivalents on its balance sheet for the fiscal period ended June 30, 2014 and long-term debt of approximately \$2.092 billion.

Based upon a review of the Company's public filings with the SEC, pursuant to the Company's Amended and Restated Credit Agreement, dated as of October 28, 2011 (the "Credit Agreement"), the Proposals could potentially result in an Event of Default (as defined in the Credit Agreement), which includes a change in the majority of the Board, unless approved by the original Board members in office on the effective date of the Credit Agreement and/or their successors. An Event of Default would permit Lenders (as defined in the Credit Agreement) holding more than 50% of the commitments under the Credit Agreement to terminate the

commitments under the Credit Agreement and to declare the outstanding principal and accrued interest due and payable. The Company could also seek a waiver of such Event of Default which would require the approval of the Lenders. As reported in the Company 10-Q, the Company had no borrowings under the Credit Agreement.

Based upon a review of the Company's public filings with the SEC, the Proposals could potentially result in a Change in Control (as defined in the respective agreements) under a number of agreements with the Company's named executive officers (NEOs) and other management level employees. Under the 2014 Management Bonus Plan and the Executive Bonus Plan (applicable only to David Pyott), upon a Change in Control, participants will be paid a bonus prorated to the effective date of such Change in Control, with the Company's performance being deemed to be the greater of (i) 100% of the underlying target goals and (ii) the prorated actual year-to-date performance. The NEOs target bonus amounts are: for Mr. Pyott, 135% of his base salary (\$1,365,000); for Jeffrey Edwards, 75% of his base salary (\$645,000); for Scott Whitcup, 75% of his base salary (\$645,000); for Julian Gangolli, 60% of his base salary (\$556,000), and for Douglas Ingram, 77.5% of his base salary (\$700,000). We note, however, that the target bonus amount for Mr. Pyott and Mr. Ingram and each of the base salary amounts provided herein are based on information filed with the SEC with respect to the 2013 fiscal year.

With respect to awards granted in 2010 and thereafter under the 2008 Incentive Award Plan and with respect to unvested option, restricted stock unit (RSU), and restricted stock awards granted under the Company's 2011 Incentive Award Plan, awards will be subject to double trigger change in control vesting in the event of a termination without cause or a resignation for good reason within two years after the Change in Control, provided, however, the Company may decide to cancel and cash-out the outstanding equity awards, in which case, such awards will single-trigger vest upon the Change in Control (with performance-based RSUs vesting to the extent that the Company achieves the underlying performance objectives on an abbreviated basis). Based on information filed with the SEC, the NEOs respective unvested holdings are: 734,756 options and 165,000 performance-based RSUs for Mr. Pyott; 169,431 options for Mr. Ingram; 165,565 options for Mr. Edwards; 192,315 options for Mr. Whitcup; and 137,729 options and 3,000 shares of restricted stock for Mr. Gangolli. More generally, as reported in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, as of December 31, 2013, there were 12,051,000 unvested options and 875,000 unvested restricted share awards (which amount includes restricted stock and RSUs).

The Company's Change in Control Policy provides employees at the vice president level or above with certain severance entitlements in the event of a termination without cause or a resignation for good reason within two years after a Change in Control of the Company (a Qualifying Termination). Under the Change in Control Policy, upon such a Qualifying Termination, participants at the CEO, President and Executive Vice President level (including the NEOs) are eligible to receive (A) a lump sum cash payment equal to three times the sum of (i) the participant's highest annual salary rate within the five-year period preceding the termination and (ii) the participant's target annual bonus for the year in which the Qualifying Termination occurs (the Cash Severance Payment) and (B) continued participation (at no cost to the participant) in medical, dental and vision benefit programs for the three-year period following the termination and outplacement benefits of a type and duration generally provided to employees at the participant's level (the Continued Employee Benefits). Based on information filed with the SEC, upon a Qualifying Termination as of June 20, 2014, each NEO would be entitled to receive a Cash Severance Payment under the Company's Change in Control Policy in an amount as follows: \$9,912,300 for Mr. Pyott; \$3,893,400 for Mr. Ingram; \$3,486,000 for Mr. Edwards; \$3,486,000 for Mr. Whitcup; and \$2,750,400 for Mr. Gangolli and each NEO would be entitled to receive Continued Employee Benefits with a value as follows: \$67,191 for Mr. Pyott; \$103,102 for Mr. Ingram; \$67,213 for Mr. Edwards; \$34,789 for Mr. Whitcup; and \$64,462 for Mr. Gangolli.

In the event of a Change in Control, each participant in the Company's Supplemental Executive Benefit Plan and the Supplemental Retirement Income Plan will be entitled to receive a lump sum payment in lieu of accrued benefits under each respective plan, with such lump sum payment calculated using a more favorable discount rate of 3.6%. Under the Company's Executive Deferred Compensation Plan, in the event of a Change in Control, each participant will become vested in the unvested portion of his or her plan account. Based on the

Company's public filings, we understand that all five NEOs are participants in the Supplemental Executive Benefit Plan and that Messrs. Whitcup and Gangolli were the only NEOs who participated in the Executive Deferred Compensation Plan in 2013. We are unable to confirm from the Company's public filings with the SEC to what extent any individuals are currently receiving benefits under these plans (though no NEOs are currently receiving any such benefits).

We have not independently verified if the copies of the agreements discussed above (collectively, the Filed Agreements) and publicly filed by the Company with the SEC are the same as the executed copies of the Filed Agreements, and the analyses above are based on our review of the Company's public SEC filings. While we are not aware of any, there may be other compensation or vesting provisions with other Company employees or directors may be triggered by a change in control. The discussion of the potential impact of the Proposals is based entirely upon our review of the Filed Agreements and the Company's Annual Report on Form 10-K for the year ended December 31, 2013. If the Company's shareholders approve the Proposals, prior to the acceleration of vesting of any Company equity awards (which will occur if the Company decides to cancel and cash-out the outstanding equity awards) or the payment of any compensation described above, we expect to review with counsel the original copies of all relevant agreements, award documentation and Company records associated with the creation of the potential obligations upon a change in control.

SECTION 2. Principal Office. The principal office for the transaction of the business of the Corporation shall be at such place as the Board of Directors of the Corporation (the Board) may determine. The Board is hereby granted full power and authority to change said principal office from one location to another.

SECTION 3. Other Offices. The Corporation may also have an office or offices at such other place or places, either within or without the State of Delaware, as the Board may from time to time determine or as the business of the Corporation may require.

ARTICLE II: Meetings of Stockholders

SECTION 1. Place of Meetings. All annual meetings of stockholders and all other meetings of stockholders shall be held either at the principal office of the Corporation or at any other place within or without the State of Delaware that may be designated by the Board pursuant to authority hereinafter granted to the Board.

SECTION 2. Annual Meetings. Annual meetings of stockholders of the Corporation for the purpose of electing directors and for the transaction of such other proper business as may come before such meetings may be held at such time and place and on such date as the Board shall determine by resolution.

SECTION 3. Special Meetings.

~~Section 3.~~ (A) Special meetings of the stockholders of the Corporation (i) may be called by the Chairman of the Board, the Chief Executive Officer or the Board, at any time and for any purpose or purposes, and (ii) shall be called by the Secretary upon the written request of the holders of record of at least twenty-five percent (25%) of the outstanding shares of common stock of the Corporation (the Requisite Percentage), subject to and in compliance with Article 10 of the Amended and Restated Certificate of Incorporation of the Corporation (as the same may be amended and/or restated from time to time, the Restated Certificate of Incorporation), or any successor provision thereto, and this Section 3. Any special meeting of stockholders of the Corporation shall be held at such place, date and hour as may be fixed by the Board in compliance with applicable law; provided, however, that in the case of a meeting called pursuant to clause (ii) of the preceding sentence, the place, date and hour shall be as specified in the written request described in that clause (and in accordance with applicable law) and the Secretary shall mail the notice of such meeting to stockholders (specifying such place, date, and hour) as provided in Section 4 of this Article II (and the date of such meeting shall be publicly announced) no later than five business days after the date of receipt of such written request.

~~(A) In order for a special meeting to be called upon stockholder request (Stockholder Requested Special Meeting), one or more requests for a special meeting (each, a Special Meeting Request and, collectively, the Special Meeting Requests), in the form required by this section (A) of this Section 3, must be signed by~~

¹ In this Exhibit A, language struck through illustrates deletions from and underlined language illustrates additions to the current Bylaws.

~~Proposing Persons (as defined below) that have a combined Net Long Beneficial Ownership (as defined below) of at least the Requisite Percentage. Only Proposing Persons who are stockholders of record at the time the Special Meeting Requests representing the Requisite Percentage are validly delivered pursuant to this Section 3 shall be entitled to sign a Special Meeting Request. In determining whether a Stockholder Requested Special Meeting has been properly requested by Proposing Persons that have a combined Net Long Beneficial Ownership of at least the Requisite Percentage, multiple Special Meeting Requests delivered to the Secretary will be considered together only if (i) each Special Meeting Request identifies the same purpose or purposes of the Stockholder Requested Special Meeting and the same matters proposed to be acted on at such meeting (in each case as determined in good faith by the Board), and (ii) such Special Meeting Requests have been dated and delivered to the Secretary within sixty (60) days of the earliest dated Special Meeting Request. To be in proper form, such Special Meeting Request(s) shall comply with, and shall include and set forth, the following:~~

~~(1) As to each Proposing Person, (a) the name and address of each Proposing Person (including, if applicable, the name and address as they appear on the Corporation's books), (b) the class and number of shares of the Corporation which are owned beneficially and of record by such Proposing Person (with evidence of such ownership attached), except that such Proposing Person shall be deemed for such purpose to beneficially own any shares of any class or series of capital stock of the Corporation as to which such Proposing Person has the right to acquire (whether such right is exercisable immediately or only after the passage of time or the fulfillment of a condition or both), (c) a representation that such Proposing Person intends to hold the shares of the Corporation described in the immediately preceding clause (b) through the date of the Stockholder Requested Special Meeting and (d) an acknowledgement by the Proposing Person that any reduction in such Proposing Person's Net Long Beneficial Ownership with respect to which a Special Meeting Request relates following the delivery of such Special Meeting Request to the Secretary shall constitute a revocation of such Special Meeting Request to the extent of such reduction;~~

~~(2) As to each Proposing Person, any Disclosable Interests (as defined below) of such Proposing Person;~~

~~(3) As to the purpose or purposes of the Stockholder Requested Special Meeting, a reasonably brief statement of the specific purpose or purposes of the Stockholder Requested Special Meeting, the matter(s) proposed to be acted on at the Stockholder Requested Special Meeting and the reasons for conducting such business at the Stockholder Requested Special Meeting, and the text of any proposal or business to be considered at the Stockholder Requested Special Meeting (including the text of any resolutions proposed to be considered and, in the event that such business includes a proposal to amend the Bylaws, the language of the proposed amendment); and~~

~~(4) Such other information and representations as would be required by Article 12 of the Restated Certificate of Incorporation and Section 9 of Article II of these Bylaws if incorporated in this Section 3, including, without limitation, all such information regarding any material interest of the Proposing Person in the matter(s) proposed to be acted on at the Stockholder Requested Special Meeting, all agreements, arrangements or understandings between or among any Proposing Person and any other record holder or beneficial owner of shares of any class or series of capital stock of the Corporation in connection with the Special Meeting Record Date Request, the Special Meeting Request, or the matter(s) proposed to be brought before the Stockholder Requested Special Meeting.~~

~~(5) Definitions:~~

~~(a) Proposing Person shall mean (i) each stockholder of record that signs a Special Meeting Request pursuant section (A) of this Section 3, (ii) the beneficial owner or beneficial owners, if different, on whose behalf such Special Meeting Request is made, (iii) any participant (as defined in paragraphs (a)(ii) (vi) of Instruction 3 to Item 4 of Schedule 14A) with such stockholder in such solicitation or associate (within the meaning of Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the Exchange Act)) for~~

purposes of these Bylaws) of such stockholder or beneficial owner, and (iv) any other person with whom such stockholder or such beneficial owner (or any of their respective associates or other participants in such solicitation) is Acting in Concert.

~~(b) A person shall be deemed to be Acting in Concert with another person for purposes of these Bylaws if such person knowingly acts (whether or not pursuant to an express agreement, arrangement or understanding) in concert or in parallel with, or towards a common goal with such other person, relating to changing or influencing the control of the Corporation or in connection with or as a participant in any transaction having that purpose or effect, where (i) each person is conscious of the other person's conduct and this awareness is an element in their decision-making processes and (ii) at least one additional factor suggests that such persons intend to act in concert or in parallel, which such additional factors may include, without limitation, exchanging information (whether publicly or privately), attending meetings, conducting discussions, or making or soliciting invitations to act in concert or in parallel; provided, that a person shall not be deemed to be Acting in Concert with any other person solely as a result of the solicitation or receipt of (x) revocable proxies or consents from such other person in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by way of a proxy or consent solicitation statement filed on Schedule 14A or (y) tenders of securities from such other person in a public tender or exchange offer made pursuant to, and in accordance with, Section 14(d) of the Exchange Act by means of a tender offer statement filed on Schedule TO. A person Acting in Concert with another person shall be deemed to be Acting in Concert with any third party who is also Acting in Concert with such other person.~~

~~(c) Net Long Beneficial Ownership shall mean those shares of common stock of the Corporation as to which the stockholder or Proposing Person, as applicable, possesses (i) the sole power to vote or direct the voting, (ii) the sole economic incidents of ownership (including the sole right to profits and the sole risk of loss), and (iii) the sole power to dispose of or direct the disposition; provided that the number of shares calculated in accordance with clauses (i), (ii) and (iii) shall not include any Synthetic Equity Position.~~

~~(d) Disclosable Interests shall mean (i) the full notional amount of any securities that, directly or indirectly, underlie any derivative security (as such term is defined in Rule 16a-1(e) under the Exchange Act) that constitutes a call equivalent position (as such term is defined in Rule 16a-1(b) under the Exchange Act) (Synthetic Equity Position) and that is, directly or indirectly, held or maintained by such Proposing Person with respect to any shares of any class or series of shares of the Corporation; provided that, for the purposes of the definition of Synthetic Equity Position, the term derivative security shall also include any security or instrument that would not otherwise constitute a derivative security as a result of any feature that would make any conversion, exercise or similar right or privilege of such security or instrument becoming determinable only at some future date or upon the happening of a future occurrence, in which case the determination of the amount of securities into which such security or instrument would be convertible or exercisable shall be made assuming that such security or instrument is immediately convertible or exercisable at the time of such determination; and, provided, further, that any Proposing Person satisfying the requirements of Rule 13d-1(b)(1) under the Exchange Act (other than a Proposing Person that so satisfies Rule 13d-1(b)(1) under the Exchange Act solely by reason of Rule 13d-1(b)(1)(ii)(E)) shall not be deemed to hold or maintain the notional amount of any securities that underlie a Synthetic Equity Position held by such Proposing Person as a hedge with respect to a bona fide derivatives trade or position of such Proposing Person arising in the ordinary course of such Proposing Person's business as a derivatives dealer, (ii) any rights to dividends on the shares of any class or series of capital stock of the Corporation owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation, (iii) any material pending or threatened action, suit or proceeding (whether civil, criminal, investigative, administrative or otherwise) in which such Proposing Person is, or is reasonably expected to be made, a party or material participant involving the Corporation or any of its officers, directors or employees, or any affiliate of the Corporation, or any officer, director or employee of such affiliate, (iv) any other material relationship between such Proposing Person, on the one hand, and the Corporation, any affiliate of the Corporation, any officer, director or employee of the Corporation or any affiliate thereof, or any principal competitor of the Corporation, on the other hand, (v) any direct or indirect material interest in any material~~

~~contract or agreement of such Proposing Person with the Corporation, any affiliate of the Corporation or any~~

principal competitor of the Corporation (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement) and (vi) any other information relating to such Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies or consents by such Proposing Person in support of the business proposed to be brought before the meeting; provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the stockholder directed to prepare and submit the Special Meeting Record Date Request or Special Meeting Request required by Article 10 of the Restated Certificate of Incorporation or these Bylaws on behalf of a beneficial owner.

(B) Notwithstanding anything to the contrary in this Section 3:

(1) ~~The Secretary shall not accept, and shall consider ineffective, a Special Meeting Request if (a) such Special Meeting Request does not comply with Article 10 of the Restated Certificate of Incorporation, these Bylaws, or relates to an item of business that is not a proper subject for stockholder action under applicable law, (b) the Special Meeting Request is received by the Corporation during the period commencing ninety (90) days prior to the first anniversary of the date of the immediately preceding annual meeting of stockholders and ending on the date of the final adjournment of the next annual meeting of stockholders, (c) an identical or substantially similar item (a Similar Item) to that included in the Special Meeting Request was presented at any meeting of stockholders held within one year prior to receipt by the Corporation of such Special Meeting Request, (d) the Board calls an annual or special meeting of stockholders (in lieu of calling the Stockholder Requested Special Meeting) in accordance with section (B)(3) of this Section 3, (e) a Similar Item is already included in the Corporation's notice as an item of business to be brought before a meeting of the stockholders that has been called but not yet held, or (f) such Special Meeting Request was made in a manner that involved a violation of Regulation 14A under the Exchange Act, or other applicable law.~~

(2) ~~Business transacted at any Stockholder Requested Special Meeting shall be limited to the purpose stated in the valid Special Meeting Request; provided, however, that nothing herein shall prohibit the Board from submitting matters to the stockholders at any Stockholder Requested Special Meeting. If none of the Proposing Persons who submitted the Special Meeting Request appears at or sends a qualified representative to the Stockholder Requested Special Meeting to present the matters to be presented for consideration that were specified in the Stockholder Meeting Request, the Corporation need not present such matters for a vote at such meeting. A qualified representative of a Proposing Person shall be, if such Proposing Person is (a) a general or limited partnership, any general partner or person who functions as a general partner of the general or limited partnership or who controls the general or limited partnership, (b) a corporation, a duly appointed officer of the corporation, (c) a limited liability company, any manager or officer (or person who functions as an officer) of the limited liability company or any officer, director, manager or person who functions as an officer, director or manager of any entity ultimately in control of the limited liability company or (d) a trust, any trustee of such trust.~~

(3) ~~If a Special Meeting Request is made that complies with this Section 3 and Article 10 of the Restated Certificate of Incorporation, the Board may (in lieu of calling the Stockholder Requested Special Meeting) present a Similar Item for stockholder approval at any other meeting of stockholders that is held within one hundred twenty (120) days after the Corporation receives such Special Meeting Request.~~

(4) ~~Any Proposing Person may revoke a Special Meeting Request by written revocation delivered to, or mailed and received by, the Secretary at any time prior to the date of the Stockholder Requested Special Meeting. In the event any revocation(s) are received by the Secretary after the Secretary's receipt of a valid Special Meeting Request(s) from the holders of the Requisite Percentage of stockholders or any Special Meeting Request is deemed to be revoked as a result of section (A)(1)(d) of this Section 3, and as a result of such revocation(s), there no longer are valid unrevoked Special Meeting Request(s) from the Requisite Percentage of stockholders to call a special meeting, the Board shall have the discretion to determine whether or not to proceed with the Stockholder Requested Special Meeting.~~

~~(5) Notwithstanding anything in these Bylaws to the contrary, the Secretary shall not be required to call a special meeting except in accordance with Article 10 of the Restated Certificate of Incorporation and this Section 3. If the Board shall determine that any Special Meeting Request was not properly made in accordance with Article 10 of the Restated Certificate of Incorporation or these Bylaws, or shall determine that the stockholder or stockholders submitting such Special Meeting Request have not otherwise complied with Article 10 of the Restated Certificate of Incorporation or these Bylaws, then the Board shall not be required to take any action in connection with the Stockholder Requested Special Meeting, and the Secretary shall not be required to call such meeting. In addition to the requirements of this Section 3, each Proposing Person shall comply with all requirements of applicable law, including all requirements of the Exchange Act, with respect to any request to fix a Special Meeting Request.~~

~~(C) In connection with a Stockholder Requested Special Meeting called in accordance with this Section 3, each Proposing Person that signed and delivered a Special Meeting Request shall further update and supplement the information previously provided to the Corporation in connection with such request, if necessary, so that the information provided or required to be provided in such request pursuant to this Section 3 shall be true and correct as of the record date for notice of the Stockholder Requested Special Meeting and as of the date that is ten (10) business days prior to the Stockholder Requested Special Meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for notice of the special meeting (in the case of the update and supplement required to be made as of such record date), and not later than eight (8) business days prior to the date for the special meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the special meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten (10) business days prior to the Stockholder Requested Special Meeting or any adjournment or postponement thereof). As used herein, the term ~~business day~~ shall mean any day that is not a Saturday or Sunday or a day on which banks in the city of the Corporation's principal place of business are required or permitted to close.~~

~~(D)(B) Any special meeting of stockholders, including any Stockholder Requested Special Meeting, shall be held at such date and time as may be fixed by the Board in accordance with these Bylaws and in compliance with applicable law. The Chief Executive Officer or Secretary shall, within five business days after the earlier of (i) the first date on which the Corporation shall have no directors in office and (ii) the date on which the Court of Chancery issues an order requiring the Corporation to hold an election pursuant to Section 223 of the General Corporation Law of the State of Delaware, call a special meeting of stockholders of the Corporation for the election of directors and mail notice of such meeting as provided in Section 4 of this Article II. Any special meeting of stockholders of the Corporation so called shall be held at the place, date and hour specified in the notice of such meeting and in accordance with applicable law (or, in the case of an election ordered by the Court of Chancery, at such other place, date and hour as may be specified by the Court of Chancery).~~

SECTION 4. Notice of Meetings. Except as otherwise required by law, notice of each meeting of stockholders, whether annual or special, shall be given not less than ten (10) days nor more than sixty (60) days before the date of the meeting to each stockholder of record entitled to vote at such meeting by delivering a typewritten or printed notice thereof to such stockholder personally, or by depositing such notice in the United States mail, in a postage prepaid envelope, directed to such stockholder at such stockholder's post office address furnished by such stockholder to the Secretary of the Corporation for such purpose, or, if such stockholder shall not have furnished an address to the Secretary for such purpose, then at such stockholder's post office address last known to the Secretary, or by transmitting a notice thereof to such stockholder at such address by electronic transmission in accordance with Section 232 of the General Corporation Law of the State of Delaware (the Delaware General Corporation Law). Except as otherwise expressly required by law, no publication of any notice of a meeting of stockholders shall be required. Every notice of a meeting of stockholders shall state the place, date and hour of the meeting and, in the case of a special meeting, shall also state the purpose for which the meeting is called. Notice of any meeting of stockholders shall not be required to be given to any stockholder to whom notice may be omitted pursuant to

applicable law or who shall have waived such notice, and such notice

shall be deemed waived by any stockholder who shall attend such meeting in person or by proxy, except a stockholder who shall attend such meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Except as otherwise expressly required by law, notice of any adjourned meeting of stockholders need not be given if the time and place thereof are announced at the meeting at which the adjournment is taken.

SECTION 5. Quorum. Except as otherwise required by law, the holders of record of a majority in voting interest of the shares of stock of the Corporation entitled to be voted thereat, present in person or by proxy, shall constitute a quorum for the transaction of business at any meeting of stockholders of the Corporation or any adjournment thereof. Subject to the requirement of a larger percentage vote contained in the Restated Certificate of Incorporation, these Amended and Restated Bylaws (these Bylaws) or by statute, the stockholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding any withdrawal of stockholders that may leave less than a quorum remaining, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum. In the absence of a quorum at any meeting or any adjournment thereof, a majority in voting interest of the stockholders present in person or by proxy and entitled to vote thereat or, in the absence therefrom of all the stockholders, any officer entitled to preside at, or to act as secretary of, such meeting may adjourn such meeting from time to time. At any such adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the meeting as originally called.

SECTION 6. Voting.

Each stockholder shall, at each meeting of stockholders, be entitled to vote in person or by proxy each share of stock of the Corporation that has voting rights on the matter in question and that shall have been held by such stockholder and registered in such stockholder's name on the books of the Corporation:

(A) on the date fixed pursuant to Article VI, Section 5 of these Bylaws as the record date for the determination of stockholders entitled to notice of and to vote at such meeting; or

(B) if no such record date shall have been so fixed, then (i) at the close of business on the day immediately preceding the day upon which notice of the meeting shall be given or (ii) if notice of the meeting shall be waived, at the close of business on the day immediately preceding the day upon which the meeting shall be held. Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors in such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes. Persons holding stock of the Corporation in a fiduciary capacity shall be entitled to vote such stock. Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation the pledgor shall have expressly empowered the pledgee to vote thereon, in which case only the pledgee, or the pledgee's proxy, may represent such stock and vote thereon. Stock having voting power standing of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety or otherwise, or with respect to which two (2) or more persons have the same fiduciary relationship, shall be voted in accordance with the provisions of the Delaware General Corporation Law.

Any such voting rights may be exercised by the stockholder entitled thereto in person or by such stockholder's proxy appointed by an instrument in writing (or in such manner prescribed by the Delaware General Corporation Law) by such stockholder or by such stockholder's attorney thereunto authorized and delivered to the secretary of the meeting; provided, however, that no proxy shall be voted or acted upon after three (3) years from its date unless said proxy shall provide for a longer period. The attendance at any meeting of a stockholder who may theretofore have given a proxy shall not have the effect of revoking the same unless such stockholder shall in writing so notify the secretary of the meeting prior to the voting of the proxy. At any meeting of stockholders, all matters, except as otherwise provided in the Restated Certificate of Incorporation, in these Bylaws or by law, shall be decided by the vote of a majority in voting interest of the stockholders present in person or by proxy and entitled to vote thereat and thereon, a quorum

being present. The vote at any meeting of

Reports of judges shall be in writing and subscribed and delivered by them to the Secretary of the Corporation. ARTICLE III: Board of Directors

SECTION 1. General Powers. Subject to any requirements in the Restated Certificate of Incorporation, these Bylaws, and of the Delaware General Corporation Law as to action which must be authorized or approved by the stockholders, any and all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be under the direction of, the Board to the fullest extent permitted by law. Without limiting the generality of the foregoing, it is hereby expressly declared that the Board shall have the following powers, to wit:

(A) to select and remove all of the officers, agents and employees of the Corporation, prescribe such powers and duties for them as may not be inconsistent with law, the Restated Certificate of Incorporation or these Bylaws, fix their compensation, and require from them security for faithful service;

(B) to conduct, manage and control the affairs and business of the Corporation, and to make such rules and regulations therefor not inconsistent with law, the Restated Certificate of Incorporation or these Bylaws, as it may deem best;

(C) to change the location of the registered office of the Corporation in Article I, Section 1 hereof; to change the principal office for the transaction of the business of the Corporation from one location to another as provided in Article I, Section 2 hereof; to fix and locate from time to time one or more subsidiary offices of the Corporation within or without the State of Delaware as provided in Article I, Section 3 hereof; to designate any place within or without the State of Delaware for the holding of any meeting or meetings of stockholders; and to adopt, make and use a corporate seal, and to prescribe the forms of certificates of stock, and to alter the form of such seal and of such certificates from time to time, and in its judgment as it may deem best, provided such seal and such certificate shall at all times comply with the provisions of law;

(D) to authorize the issuance of shares of stock of the Corporation from time to time, upon such terms and for such considerations as may be lawful;

(E) to borrow money and incur indebtedness for the purposes of the Corporation, and to cause to be executed and delivered therefor, in the corporate name, promissory notes, bonds, debentures, deeds of trust and securities therefor; and

(F) by resolution adopted by a majority of the authorized number of directors, to designate an executive and other committees, each consisting of one or more directors, to serve at the pleasure of the Board, and to prescribe the manner in which proceedings of such committee or committees shall be conducted.

SECTION 2. Number and Term of Office. The authorized number of directors of the Corporation shall be ~~not less than five (5) nor more than fifteen (15) until this Section 2 is amended by a resolution duly adopted by the Board or by the stockholders of the Corporation. The exact number of directors shall be fixed from time to time within the limits specified by resolution of the Board or the stockholders~~ nine (9). Directors need not be stockholders. Each of the directors of the Corporation shall hold office until such director's successor shall have been duly elected and shall qualify or until such director shall resign or shall have been removed in the manner provided for in the Restated Certificate of Incorporation. At all times a majority of the directors shall be Independent Directors (as defined below). If a director ceases to be an Independent Director, and such change causes the majority of directors not to be Independent Directors, the Board shall take such action as it deems prudent and necessary to cause the Board to consist of directors, a majority of whom are Independent Directors.

SECTION 3. Election of Directors. Each director to be elected by the stockholders of the Corporation shall be elected by the affirmative vote of a majority of the votes cast with respect to such director by the shares represented and entitled to vote therefor at a meeting of the stockholders for the election of directors at which a quorum is present (an Election Meeting); provided, however, that if the Board determines that the number of nominees exceeds the number of directors to be elected at such meeting (a Contested Election), and the Board has not rescinded such determination by the record date of the Election Meeting as initially announced, each of the directors to be elected at the Election Meeting shall be elected by the affirmative vote of a plurality of the votes cast by the shares represented and entitled to vote at such meeting with respect to the election of such director.

For purposes of this Section 3, a majority of the votes cast means that the number of votes cast for a candidate for director exceeds the number of votes cast against that director (with abstentions and broker non-votes not counted as votes cast as either for or against such director's election). In an election other than a Contested Election, stockholders will be given the choice to cast votes for or against the election of directors. In a Contested Election, stockholders will be given the choice to cast for or withhold votes for the election of directors and shall not have the ability to cast any other vote with respect to such election of directors. In the event an Election Meeting involves the election of directors by separate votes by class or classes or series, the determination as to whether an election constitutes a Contested Election shall be made on a class by class or series by series basis, as applicable.

SECTION 4. Resignations. Any director of the Corporation may resign at any time upon notice given in writing or by electronic transmission to the Board or to the Secretary of the Corporation. Any such resignation shall take effect at the time specified therein, or, if the time be not specified, it shall take effect immediately upon receipt; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

SECTION 5. Vacancies. Except as otherwise provided in the Restated Certificate of Incorporation, and subject to the rights, if any, of the holders of shares of Preferred Stock then outstanding, newly created directorships resulting from any increase in the number of directors or any vacancy on the Board resulting from death, resignation, disqualification, removal or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum, or by a sole remaining director. Each director so chosen to fill a vacancy shall hold office until such director's successor shall have been elected and shall qualify or until such director shall resign or shall have been removed.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

SECTION 6. Place of Meeting. The Board or any committee thereof may hold any of its meetings at such place or places within or without the State of Delaware as the Board or such committee may from time to time by resolution designate or as shall be designated by the person or persons calling the meeting or in the notice or a waiver of notice of any such meeting. Directors may participate in any regular or special meeting of the Board or any committee thereof by means of conference telephone or similar communications equipment pursuant to which all persons participating in the meeting of the Board or such committee can hear each other, and such participation shall constitute presence in person at such meeting.

SECTION 7. First Meeting. The Board shall meet as soon as practicable after each annual election of directors, and notice of such first meeting shall not be required.

SECTION 8. Regular Meetings. Regular meetings of the Board may be held at such times as the Board shall from time to time by resolution determine. If any day fixed for a regular meeting shall be a legal holiday at the place where the meeting is to be held, then the meeting shall be held at the same hour and place on the next succeeding business day that is not a legal holiday. Except as provided by law, notice of regular meetings need not be given.

SECTION 9. Special Meetings. Special meetings of the Board for any purpose or purposes shall be called at any time by the Chairman of the Board or, if the Chairman of the Board is absent or unable or refuses to act, by the Chief Executive Officer or the President. Except as otherwise provided by law or by these Bylaws, special meetings of the Board shall be held upon at least four (4) days written notice or two (2) hours notice given personally, by telephone or by electronic transmission. Any such notice shall be addressed or delivered to each director at such director's address as is shown upon the records of the Corporation or as may have been given to the Corporation by the director for purposes of notice or, if such address is not shown on such records or is not readily ascertainable, at the place in which the meetings of the directors are regularly held. Notice by mail shall be deemed to have been given at the time such notice is deposited in the United States mails, postage prepaid. Any other written notice shall be deemed to have been given at the time it is personally delivered to the recipient or is delivered to a common carrier for delivery or transmission. Notice by electronic transmission shall be deemed to have been given at the time it is actually transmitted by the person giving the notice by electronic means to the recipient. Oral notice shall be deemed to have been given at the time it is communicated, in person or by telephone or similar means of communication, to the recipient or to a person at the office of the recipient whom the person giving the notice has reason to believe will promptly communicate it to the recipient. Except where otherwise required by law or these Bylaws, notice of the purpose of a special meeting need not be given. Notice of any meeting of the Board shall not be required to be given to any director who is present at such meeting, except a director who shall attend such meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

SECTION 10. Quorum and Manner of Acting. Except as otherwise provided in these Bylaws, the Restated Certificate of Incorporation or by applicable law, the presence of a majority of the authorized number of directors shall be required to constitute a quorum for the transaction of business at any meeting of the Board, and all matters shall be decided at any such meeting, a quorum being present, by the affirmative vote of a majority of the directors present. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, provided any action taken is approved by at least a majority of the required quorum for such meeting. In the absence of a quorum, a majority of directors present at any meeting may adjourn the same from time to time until a quorum shall be present. Notice of any adjourned meeting need not be given. The directors shall act only as a Board, and the individual directors shall have no power as such.

SECTION 11. Action by Consent. Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting if consent in writing or by electronic transmission is given thereto by all members of the Board or of such committee, as the case may be, and such consent, electronic transmission or transmissions are filed with the minutes of proceedings of the Board or of such committee. Such filing shall be in

paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

SECTION 12. Compensation. Directors who are not employees of the Corporation or any of its subsidiaries may receive an annual fee for their services as directors in an amount fixed by resolution of the Board, and, in addition, a fixed fee, with or without expenses of attendance, may be allowed by resolution of the Board for attendance at each meeting, including each meeting of a committee of the Board. Nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation therefor.

SECTION 13. Committees. The Board may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the directors of the Corporation. Any such committee, to the extent provided in the resolution of the Board and subject to any restrictions or limitation on the delegation of power and authority imposed by applicable law, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Any such committee shall keep written minutes of its meetings and report the same to the Board at the next regular meeting of the Board. Unless the Board or these Bylaws shall otherwise prescribe the manner of proceedings of any such committee, meetings of such committee may be regularly scheduled in advance and may be called at any time by the chairman of the committee or by any two (2) members thereof; otherwise, the provisions of these Bylaws with respect to notice and conduct of meetings of the Board shall govern.

SECTION 14. Definition of Independent Director. For purposes of this Article III, the term Independent Director shall mean:

(A) for purposes of determining whether a director is qualified to serve as a member of the audit committee of the Board, a director who meets the qualification requirements for being an independent director under applicable securities laws, including the Securities Exchange Act of 1934, as amended, applicable rules and regulations of the U.S. Securities and Exchange Commission and applicable rules and regulations of any stock exchange or securities market applicable to the Corporation; and

(B) for all other purposes, a director who meets the qualification requirements for being an independent director under applicable rules and regulations of any stock exchange or securities market applicable to the Corporation.

SECTION 15. Interpretation and Application of this Article. The Board shall have the exclusive right and power to interpret and apply the provisions of this Article, including, without limitation, the adoption of written definitions of terms used in and guidelines for the application of this Article (any such definitions and guidelines shall be filed with the Secretary, and such definitions and guidelines as may prevail shall be made available to any stockholder upon written request). Any such definitions or guidelines and any other interpretation or application of the provisions of this Article made in good faith shall be binding and conclusive upon the stockholders, provided that, in the case of any interpretation or application of this Article by the Board to a specific person which results in such person being classified as an Independent Director, the Board shall have determined that such person is independent of management and free from any relationship that, in the opinion of the Board, would interfere with such person's exercise of independent judgment as a Board member.

ARTICLE IV: Officers

SECTION 1. Officers. The officers of the Corporation shall be a Chairman of the Board, a Chief Executive Officer, a President, one or more Vice Presidents (the number thereof and their respective titles to be determined by the Board), a Secretary, a Treasurer and such other officers as may be appointed at the discretion of the Board in accordance with the provisions of Section 3 of this Article IV. SECTION 10. Secretary. The Secretary shall keep, or cause to be kept, at the principal office of the Corporation, or such other place as the Board may order, a book of minutes of all meetings of directors and stockholders, with the time and place of holding, whether regular or special, and if special, how authorized and the notice thereof given, the names of those present at meetings of directors, the number of shares present or represented at meetings of stockholders, and the proceedings thereof.

The Secretary shall keep, or cause to be kept, at the principal office of the Corporation's transfer agent, a share register, or a duplicate share register, showing the name and address of each stockholder, the number of shares of each class held by such stockholder, the number and date of certificates issued for certificated shares, the number and date of issuance of uncertificated shares, and the number and date of cancellation of certificated shares surrendered for cancellation or for uncertificated shares.

The Board, except as otherwise provided in these Bylaws, may authorize any officer or officers, or agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances; and unless so authorized by the Board or by these Bylaws, no officer, agent or employee shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or in any amount.

SECTION 2. Checks, Drafts, Etc. All checks, drafts, or other orders for payment of money, notes or other evidence of indebtedness, issued in the name of or payable to the Corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the Board. The Board may make such special rules and regulations with respect to such bank accounts, not inconsistent with the provisions of these Bylaws, as it may deem expedient.

Every holder of stock represented by certificates shall be entitled to have a certificate or certificates, to be in such form as the Board shall prescribe, certifying the number and class of shares of the stock of the Corporation owned by such holder. The certificates representing certificated shares of such stock shall be numbered in the order in which they shall be issued and shall be signed in the name of the Corporation by the Chairman of the Board, the Chief Executive Officer, the President or any Vice President, and by the Secretary or the Treasurer. Any or all of the signatures on the certificates may be a facsimile. In case any officer, transfer agent or registrar who has signed, or whose facsimile signature has been placed upon, any such certificate, shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may nevertheless be issued

by the Corporation with the same effect as

though the person who signed such certificate, or whose facsimile signature shall have been placed thereupon, were such officer, transfer agent or registrar at the date of issue. Every certificate surrendered to the Corporation for exchange or transfer shall be canceled, and no new certificate or certificates or uncertificated shares shall be issued in exchange for any existing certificate until such existing certificate shall have been so canceled, except in cases provided for in Section 4 of this Article VI.

SECTION 2. Transfers of Stock. Transfers of shares of stock of the Corporation shall be made only on the books of the Corporation by the registered holder thereof, or by such holder's attorney thereunto authorized by power of attorney duly executed and filed with the Secretary, or with a transfer clerk or a transfer agent appointed as provided in Section 3 of this Article VI, and, if such shares are represented by a certificate, upon surrender of the certificate or certificates for such shares properly endorsed and the payment of all taxes thereon. The person in whose name shares of stock stand on the books of the Corporation shall be deemed the owner thereof for all purposes with regard to the Corporation. Whenever any transfer of shares shall be made for collateral security, and not absolutely, such fact shall be so expressed in the entry of transfer if, when the certificate or certificates shall be presented to the Corporation for transfer or uncertificated shares are requested to be transferred, both the transferor and the transferee request the Corporation to do so.

SECTION 3. Regulations. The Board may make such rules and regulations as it may deem expedient, not inconsistent with these Bylaws, concerning the issue, transfer and registration of certificates for shares of the stock of the Corporation. It may appoint, or authorize any officer or officers to appoint, one or more transfer clerks or one or more transfer agents and one or more registrars, and may require all certificates for stock to bear the signature or signatures of any of them.

SECTION 4. Lost, Stolen, Destroyed, and Mutilated Certificates.
