On February 23, 2015, Navigant Consulting, Inc., a Delaware corporation (Navigant), acquired RevenueMed, Inc., an Atlanta-based provider of coding, revenue cycle management, and business process management services for the healthcare sector (RevenueMed). RevenueMed has developed several proprietary software and process tools to support financial and back-office operations of healthcare providers and leverages a wholly-owned delivery network in India to operate as an extension of the client s business office. RevenueMed has a global outsourcing delivery network of over 1,500 professional resources. Day-to-day operations will continue to be managed by RevenueMed s Chief Executive Officer Michael von Grey and his current leadership team, and will be part of the Navigant Cymetrix business.

Navigant acquired substantially all of the assets of RevenueMed, including the stock of its Indian subsidiary, for an aggregate purchase price of approximately \$22 million in cash paid at closing, subject to a post-closing working capital adjustment, and a contingent payment of up to \$4 million in cash based on the business achieving certain performance targets.
