Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On May 5, 2015, Crestwood Equity Partners LP, a Delaware limited partnership (the Partnership), entered into an Agreement and Plan of Merger (the Merger Agreement), by and among the Partnership, Crestwood Equity GP LLC, a Delaware limited liability company and the general partner of the Partnership (the General Partner), CEQP ST SUB LLC, a Delaware limited liability company and a wholly owned subsidiary of the Partnership (the MergerCo), MGP GP, LLC, a Delaware limited liability company and wholly-owned subsidiary of the Partnership (the MGP GP), Crestwood Midstream Holdings LP, a Delaware limited partnership (the Midstream Holdings), Crestwood Midstream Partners LP, a Delaware limited partnership (the Midstream), Crestwood Midstream GP LLC, a Delaware limited liability company and the general partner of Midstream (the Midstream GP), and Crestwood Gas Services GP, LLC, a Delaware limited liability company and wholly-owned subsidiary of Midstream GP (the CGS GP).

Subject to the satisfaction or waiver of certain conditions in the Merger Agreement, MergerCo, MGP GP and Midstream Holdings will merge with and into Midstream, with Midstream surviving the merger (the Merger). At the effective time of the Merger (the Effective Time), each issued and outstanding common unit representing a common limited partner interest of Midstream (collectively, the Midstream Common Units), except for any Midstream Common Units owned by the Partnership, CGS GP or their respective subsidiaries, will be converted into the right to receive 2.7500 common units representing limited partner interests in the Partnership (the Partnership Common Units) and each issued and outstanding unit representing preferred limited partner interests in Midstream (the Midstream Preferred Units), and together with the Midstream Common Units, the Midstream Units), except for any Midstream Preferred Units owned by the Partnership or its subsidiaries, will be converted into the right to receive 2.7500 preferred units representing limited partner interests in the Partnership (the Partnership Preferred Units). No fractional Partnership Common Units or fractional Partnership Preferred Units will be issued in the Merger, and holders of Midstream Common Units and Midstream Preferred Units will, instead, receive cash in lieu of fractional units, if any.

Immediately following the Effective Time, the Partnership will contribute 100% of the equity interests of Crestwood Operations LLC, a Delaware limited liability company (the Crestwood Operations), to Midstream in exchange for additional limited partner interests in Midstream, such that following the Merger and the related transactions provided for in the Merger Agreement, Midstream GP will be a direct, wholly-owned subsidiary of the Partnership and continue to be the sole general partner of Midstream, and the Partnership and CGS GP will own a 99.9% limited partner interest and a 0.1% limited partner interest, respectively, in Midstream.

The Merger Agreement contains customary representations and warranties and covenants by each of the parties. Completion of the Merger is conditioned upon, among other things: (1) approval of the Merger by holders of a majority of the outstanding Midstream Common Units and Midstream Preferred Units (voting on an as if converted basis) voting together as a single class; (2) the absence of certain legal injunctions or impediments prohibiting the transactions; (3) the validity of the representations and warranties made by the parties to the Merger Agreement; (4) the performance of the covenants made by the parties to the Merger Agreement; (5) the effectiveness of a registration statement on Form S-4 with respect to the issuance by the Partnership of the Partnership Common Units in connection with the Merger; (6) the receipt of certain tax opinions; (7) approval for the listing of the Partnership Common Units to be issued in connection with the Merger on the New York Stock Exchange; and (8) the nonoccurrence of certain events that would have a material adverse effect on the business of Midstream or the Partnership.

As a condition to closing of transactions contemplated under the Merger Agreement, the parties have agreed to execute and deliver (i) an amendment (the First Amendment to the Partnership Agreement) to that certain Fifth Amended and Restated Agreement of Limited Partnership of the Partnership (the Partnership Agreement), effecting the conversion of Midstream Preferred Units to Partnership Preferred Units, (ii) an amendment to the Partnership Agreement (the Second Amendment to the Partnership Agreement) effecting a change in the definition of Operating

Surplus to provide that such term shall include an amount equal to the operating surplus of Midstream immediately prior to the Effective Time; (iii) a Registration Rights Agreement intended to give the holders of Midstream Preferred Units substantially the same rights as they currently have under a corresponding agreement with Midstream; and (iv) a Board Representation and Standstill Agreement intended to give the holders of Midstream Preferred Units substantially the same rights as they currently have under a corresponding agreement with Midstream.

The Merger Agreement provides that Midstream will convene a meeting of Midstream unitholders to consider and vote on the approval of the Merger Agreement and the Merger, subject to the terms and conditions of the Merger Agreement. The Merger

Agreement permits, subject to certain conditions, the conflicts committee (the Midstream Conflicts Committee) of the board of directors of Midstream GP (the Midstream GP Board) or the Midstream GP Board to withdraw, modify or qualify its recommendations and to publicly approve or recommend an Acquisition Proposal (as defined in the Merger Agreement) (a Midstream Change in Recommendation) if it has concluded in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that failure to make a Midstream Change in Recommendation would be inconsistent with its duties under Midstream's partnership agreement and applicable law.

The Merger Agreement contains provisions granting each of the Partnership and Midstream the right to terminate the Merger Agreement for certain reasons, including, among others, (1) by either party, if the Merger has not been consummated on or before December 31, 2015 or upon the failure of Midstream to obtain approval of the Merger by the affirmative vote or consent of holders of at least a majority of the outstanding Midstream Common Units and Midstream Preferred Units (voting on an as if converted basis) voting together as a single class, (2) by the Partnership, in the event that the board of directors of the General Partner determines to abandon the transaction or in the event the Midstream Conflicts Committee changes its recommendation and (3) by Midstream, in the event the Midstream Conflicts Committee changes its recommendation and Midstream has paid the Partnership's expenses pursuant to the Merger Agreement.
