PROXY STATEMENT

FOR 2015 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 1:00 p.m. Pacific Time on Tuesday, June 23, 2015

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our Board of Directors for use at the 2015 annual meeting of stockholders of Box, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the Annual Meeting). The Annual Meeting will be held on Tuesday, June 23, 2015 at 1:00 p.m. Pacific Time, in person at 650 Page Mill Road, Palo Alto, CA 94304 and via live webcast at www.virtualshareholdermeeting.com/BOX. The Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about May 11, 2015 to all stockholders entitled to vote at the Annual Meeting.

The information provided in the question and answer format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

What matters am I voting on?

You will be voting on:

the election of three Class I directors to serve until our 2018 annual meeting of stockholders and until their successors are duly elected and qualified;

a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2016; and

any other business as may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

Our Board of Directors recommends a vote:

FOR the election of Dana Evan, Steven Krausz and Aaron Levie as Class I directors; and

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2016.

Who is entitled to vote?

Holders of either class of our common stock as of the close of business on May 1, 2015, the record date for the Annual Meeting, may vote at the Annual Meeting. As of the record date, there were 18,199,672 shares of our Class A common stock outstanding and 102,167,056 shares of our Class B common stock outstanding. Our Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement for which your vote is being solicited. Stockholders are not permitted to cumulate votes with respect to the election of directors. Each share of Class A common stock is entitled to one vote on each proposal and each share of Class B Common Stock is entitled to 10 votes on each proposal. Our Class A common stock and Class B common stock are collectively referred to in this proxy statement as our common stock.

Registered Stockholders. If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or vote in person at the Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as stockholders of record.

Table of Contents

Street Name Stockholders. If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in street name, and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as street name stockholders.

How many votes are needed for approval of each proposal?

Proposal No. 1: The election of directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon. Plurality means that the nominees who receive the largest number of votes cast for are elected as directors. As a result, any shares not voted for a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. You may vote for or withhold on each of the nominees for election as a director.

Proposal No. 2: The ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions are considered votes present and entitled to vote on this proposal, and thus will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of this proposal.

What is the quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and Delaware law. The presence, in person or by proxy, of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withhold votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

How do I vote?

If you are a stockholder of record, there are four ways to vote:

by Internet at www.proxyvote.com, 24 hours a day, seven days a week, until 11:59 p.m. on June 22, 2015 (have your Notice or proxy card in hand when you visit the website);

by toll-free telephone at 1-800-690-6903 (have your Notice or proxy card in hand when you call);

Edgar Filing: BOX INC - Form DEF 14A

by completing and mailing your proxy card (if you received printed proxy materials); or

by written ballot at the Annual Meeting, or, if you attend the Annual Meeting via the Internet, by following the instructions at www.virtualshareholdermeeting.com/BOX (have your Notice or proxy card in hand when you visit the website).

Even if you plan to participate in the Annual Meeting in person or online, we recommend that you also vote by proxy so that your vote will be counted if you later decide not to participate in the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should

Table of Contents

generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

entering a new vote by Internet or by telephone;

completing and mailing a later-dated proxy card;

notifying the Secretary of Box, Inc., in writing, at Box, Inc., 4440 El Camino Real, Los Altos, California 94022; or

completing a written ballot at the Annual Meeting, or, if you attend the Annual Meeting via the Internet, by following the instructions at www.virtualshareholdermeeting.com/BOX.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What do I need to do to attend the Annual Meeting in person?

Space for the Annual Meeting is limited. Therefore, admission will be on a first-come, first-served basis. Registration will open at 12:30 p.m. Pacific Time and the Annual Meeting will begin at 1:00 p.m. Pacific Time. Each stockholder should be prepared to present:

valid government photo identification, such as a driver's license or passport; and

if you are a street name stockholder, proof of beneficial ownership as of May 1, 2015, the record date, such as your most recent account statement reflecting your stock ownership prior to May 1, 2015, along with a copy of the voting instruction card provided by your broker, bank, trustee or other nominee or similar evidence of ownership.

Use of cameras, recording devices, computers and other electronic devices, such as smart phones and tablets, will not be permitted at the Annual Meeting. Please allow ample time for check-in. Parking is limited.

What do I need to do to attend the Annual Meeting via the Internet?

You will be able to attend the Annual Meeting online, submit your questions during the meeting and vote your shares electronically at the meeting by visiting www.virtualshareholdermeeting.com/BOX. To participate in the Annual Meeting online, you will need the control number included on your Notice or proxy card. The Annual Meeting webcast will begin promptly at 1:00 p.m. Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 12:45 p.m. Pacific Time, and you should allow ample time for the check-in procedures.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. Aaron Levie, Dan Levin and Dylan Smith have been designated as proxy holders by our Board of Directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Table of Contents

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (SEC), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about May 11, 2015 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact and cost of our annual meetings of stockholders.

How are proxies solicited for the Annual Meeting?

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker, bank or other nominee holds shares of our common stock on your behalf. In addition, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter: the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm. Your broker will not have discretion to vote on the election of directors, which is a non-routine matter, absent direction from you.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called householding, which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact us at the following address:

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2016 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than January 12, 2016. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Box, Inc.

Attention: Secretary

4440 El Camino Real

Los Altos, California 94022

Our amended and restated bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our amended and restated bylaws provide that the only business that may be conducted at an annual meeting of stockholders is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before such meeting by or at the direction of our Board of Directors, or (iii) properly brought before such meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our amended and restated bylaws. To be timely for our 2016 annual meeting of stockholders, our Secretary must receive the written notice at our principal executive offices:

not earlier than February 26, 2016; and

not later than the close of business on March 27, 2016.

In the event that we hold our 2016 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary of the Annual Meeting, notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before our 2016 annual meeting of stockholders and no later than the close of business on the later of the following two dates:

the 90th day prior to our 2016 annual meeting of stockholders; or

the 10th day following the day on which public announcement of the date of our 2016 annual meeting of stockholders is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board of Directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see Board of Directors and Corporate Governance Stockholder Recommendations for Nominations to the Board of Directors.

Table of Contents

In addition, our amended and restated bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our amended and restated bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our amended and restated bylaws, which, in general, require that the notice be received by our Secretary within the time periods described above under **Stockholder Proposals** for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

A copy of our amended and restated bylaws is available on our website at <http://www.boxinvestorrelations.com>. You may also contact our Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Director Independence

Our Class A common stock is listed on the New York Stock Exchange. Under the listing standards of the New York Stock Exchange, independent directors must comprise a majority of a listed company's Board of Directors. In addition, the listing standards of the New York Stock Exchange require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. Under the listing standards of the New York Stock Exchange, a director will only qualify as an independent director if, in the opinion of that listed company's Board of Directors, that director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the additional independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act), and the listing standards of the

New York Stock Exchange. Compensation committee members must also satisfy the additional independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing standards of the New York Stock Exchange.

Our Board of Directors has undertaken a review of the independence of each of our directors. Based on information provided by each director concerning his or her background, employment and affiliations, our Board of Directors has determined that Mes. Evan and Warrior and Messrs. Krausz, O Driscoll, Reiner, Stein and Taylor do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the listing standards of the New York Stock Exchange. In making these determinations, our Board of Directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled Related Person Transactions.

Board Leadership Structure

Aaron Levie currently serves as both Chairman of our Board of Directors and as our Chief Executive Officer. Our independent directors bring experience, oversight and expertise from outside of our company, while Mr. Levie brings company-specific experience and expertise. As one of our founders, Mr. Levie is best positioned to identify strategic priorities, lead critical discussion and execute our business plans. We believe that the structure of our Board of Directors and its committees provides effective independent oversight of management while Mr. Levie's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Lead Independent Director

Our Corporate Governance Guidelines provide that if our Chief Executive Officer serves as Chairman of our Board of Directors or if the Chairman is not otherwise independent, our Board of Directors will appoint a Lead Independent Director. Because Mr. Levie is our Chairman and Chief Executive Officer, our Board of Directors has appointed Mr. O Driscoll to serve as our Lead Independent Director. As Lead Independent Director, Mr. O Driscoll presides over periodic meetings of our independent directors, serves as a liaison between our Chairman and our independent directors and performs such additional duties as our Board of Directors otherwise determines and delegates.

Board Meetings and Committees

During our fiscal year ended January 31, 2015, our Board of Directors held 13 meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of our Board of Directors on which he or she served during the periods that he or she served.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders, we strongly encourage our directors to attend.

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board of Directors is described below. Members will serve on these committees until their resignation or until as otherwise determined by our Board of Directors.

Given that we were still a private company prior to our initial public offering on January 23, 2015, during our fiscal year ended January 31, 2015, our Nominating and Corporate Governance Committee did not meet as a separate body.

None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or compensation committee (or other board committee performing equivalent functions) of any entity that has one or more of its executive officers serving on our Board of Directors or Compensation Committee.

Mr. Taylor, a member of our Compensation Committee, is a Partner at TPG Capital. In July 2014, TPG Bogota Holdings, L.P. (TPG Bogota) purchased an aggregate of 3,750,000 shares of our Series F redeemable convertible preferred stock from us at a purchase price of \$20.00 per share, for an aggregate purchase price of \$75,000,000. Considerations in Evaluating Director Nominees

Our Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our Nominating and Corporate Governance Committee will consider the current size and composition of our Board of Directors and the needs of our Board of Directors and the respective committees of our Board of Directors. Some of the qualifications that our Nominating and Corporate Governance Committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other commitments. Nominees must also have the ability to offer advice and guidance to our Chief Executive Officer based on past experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. Director candidates must have sufficient time available in the judgment of our Nominating and Corporate Governance Committee to perform all board of director and committee responsibilities. Members of our Board of Directors are expected to prepare for, attend, and participate in all board of director and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests.

Although our Board of Directors does not maintain a specific policy with respect to board diversity, our Board of Directors believes that our Board of Directors should be a diverse body, and our Nominating and Corporate Governance Committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, our Nominating and Corporate Governance Committee may take into account the benefits of diverse viewpoints. Our Nominating and Corporate Governance Committee also considers these and other factors as it oversees the annual board of director and committee evaluations. After completing its review and evaluation of director candidates, our Nominating and Corporate Governance Committee recommends to our full Board of Directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

Our Nominating and Corporate Governance Committee will consider candidates for director recommended by stockholders holding at least one percent (1%) of the fully diluted capitalization of our company continuously for at least twelve (12) months prior to the date of the submission of the recommendation, so long as such recommendations comply with our amended and restated certificate of incorporation and amended and restated bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. Our Nominating and Corporate Governance Committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above. This process is designed to ensure that our Board of Directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our General Counsel or our Legal Department in writing. Such recommendations must include information about the candidate, a statement of support by the recommending stockholder, evidence of the recommending stockholder's ownership of our common stock and a signed letter from the candidate confirming willingness to serve on our Board of Directors. Our Nominating and Corporate Governance Committee has discretion to decide which individuals to recommend for nomination as directors.

Under our bylaws, stockholders may also nominate persons for our Board of Directors. Any nomination must comply with the requirements set forth in our bylaws and should be sent in writing to our General Counsel or our Legal Department at Box, Inc., 4440 El Camino Real, Los Altos, California 94022. To be timely for our 2016 annual meeting of stockholders, our General Counsel or Legal Department must receive the nomination no earlier than February 26, 2016 and no later than March 27, 2016.

Our Board of Directors has adopted Corporate Governance Guidelines that address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior financial officers. The full text of our Corporate Governance Guidelines and our Code of Business Conduct and Ethics is posted on the Corporate Governance portion of our website at <http://www.boxinvestorrelations.com/>. We will post amendments to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers on the same website.

Risk Management

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our Board of Directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our Board of Directors believes that open communication between management and our Board of Directors is essential for effective risk management and oversight. Our Board of Directors meets with our Chief Executive Officer and other members of the senior management team at quarterly meetings of our Board of Directors, where, among other topics, they discuss strategy and risks facing the company, as well at such other times as they deemed appropriate.

While our Board of Directors is ultimately responsible for risk oversight, our board committees assist our Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, legal and regulatory compliance, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk management. Our Audit Committee also reviews our major financial risk exposures and the steps management has taken to monitor and control these exposures. Our Audit Committee also monitors certain key risks on a regular basis throughout the fiscal year, such as risk associated with internal control over financial reporting and liquidity risk. Our Nominating and Corporate Governance Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. Our Compensation Committee assesses risks created by the incentives inherent in our compensation policies. Finally, our full Board of Directors reviews strategic and operational risk in the context of

reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

Table of Contents**Director Compensation**

Our Board of Directors approved our Outside Director Compensation Policy in January 2015 and most recently amended it in March 2015. Under our Outside Director Compensation Policy, members of our Board of Directors who are not employees of Box (outside directors) will receive compensation in the form of equity and cash, as described below:

Cash Compensation

Each year, each outside director will be eligible to receive a cash retainer of \$30,000 for serving on our Board of Directors. In addition, each year, outside directors will also be eligible to receive the following cash fees for service on the committees of our Board of Directors:

Committee	Committee Member Annual Retainer	Committee Chair Annual Retainer
Audit Committee	\$ 8,000	\$ 20,000
Compensation Committee	\$ 8,000	\$ 12,000
Nominating and Corporate Governance Committee	\$ 4,000	\$ 8,000

In addition, each year our Lead Independent Director will be eligible to receive a cash retainer of \$12,000 for service as our Lead Independent Director.

Equity Compensation

Upon joining our Board of Directors, each newly-elected outside director will receive an equity award with a value of \$450,000 (Initial Award). The Initial Award will be comprised of stock options and restricted stock units, each having a value of 50% of the aggregate Initial Award. The Initial Award will vest generally over a three-year period, subject to continued service through each vesting date.

On the date of each annual meeting of our stockholders beginning with our 2015 annual meeting, each outside director will receive an equity award with a value of \$200,000 (Annual Award). The Annual Award will be comprised of stock options and restricted stock units, each having a value of 50% of the aggregate Annual Award. The Annual Award will fully vest upon the earlier of the 12-month anniversary of the grant date or the next annual meeting, in each case, subject to continued service through the vesting date. An outside director will not be eligible for an Annual Award unless the outside director has been a director for at least one full calendar year or since the previous year's annual meeting.

Notwithstanding the vesting schedules described above, the vesting of each equity award will accelerate in full upon a change in control.

The number of restricted stock units subject to an Initial Award or Annual Award will be determined by dividing the specified value of the restricted stock units by the average closing price of a share of our Class A common stock for the 30-trading day period ending the trading day before the grant date. The number of stock options subject to an Initial Award or Annual Award will be determined by multiplying the number of shares of our Class A common stock determined in the preceding sentence by two.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of 10 members. In accordance with our amended and restated certificate of incorporation, our Board of Directors is divided into three staggered classes of directors. At the Annual Meeting, three Class I directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our Nominating and Corporate Governance Committee has recommended, and our Board of Directors has approved, Dana Evan, Steven Krausz and Aaron Levie as nominees for election as Class I directors at the Annual Meeting. If elected, each of Ms. Evan and Messrs. Krausz and Levie will serve as Class I directors until our 2018 annual meeting of stockholders and until their successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled Board of Directors and Corporate Governance.

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the Internet but do not give instructions with respect to the voting of directors, your shares will be voted FOR the election of Ms. Evan and Messrs. Krausz and Levie. We expect that each of Ms. Evan and Messrs. Krausz and Levie will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by our Board of Directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter.

Vote Required

The election of directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes will have no effect on this proposal.

Table of Contents**EXECUTIVE COMPENSATION****Processes and Procedures for Compensation Decisions**

Our Compensation Committee is responsible for the executive compensation programs for our executive officers and reports to our Board of Directors on its discussions, decisions and other actions. Typically, our President and Chief Operating Officer makes recommendations to our Compensation Committee, often attends committee meetings and is involved in the determination of compensation for the respective executive officers that report to him, except that our President and Chief Operating Officer does not make recommendations as to his own compensation. Our President and Chief Operating Officer, in consultation with our Chief Executive Officer and Chief Financial Officer, makes recommendations to our Compensation Committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our Compensation Committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer other than the Chief Executive Officer, as well as each individual compensation component. Our Compensation Committee makes recommendations to our Board of Directors regarding compensation for our Chief Executive Officer. The independent members of our Board of Directors make the final decisions regarding executive compensation for our Chief Executive Officer.

The Compensation Committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. In 2012, the Compensation Committee retained Compensia, a national compensation consultant, to provide it with information, recommendations and other advice relating to executive compensation on an ongoing basis. Accordingly, Compensia now serves at the discretion of the Compensation Committee. The Compensation Committee engaged Compensia to assist in developing an appropriate group of peer companies to help us determine the appropriate level of overall compensation for our executive officers, as well as assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive and fair.

Potential Payments upon Termination or Change of Control

In June 2014, our Compensation Committee approved change in control and severance agreements, or change in control agreements, for our named executive officers, which require us to make specific payments and benefits in connection with the termination of such named executive officers' employment under certain circumstances. These change in control agreements superseded any other agreement or arrangement relating to severance benefits with these named executive officers or any terms of their option agreements related to vesting acceleration or other similar severance-related terms. The descriptions that follow describe such payments and benefits that may be owed by us to each of our named executive officers upon the named executive officer's termination under certain circumstances.

The change in control agreements will remain in effect for an initial term of three years. At the end of the initial term, each agreement will automatically renew for an additional one-year period unless either party provides notice of nonrenewal within 90 days prior to the date of the automatic renewal. The change in control agreements also acknowledge that each named executive officer is an at-will employee, whose employment can be terminated at any time.

In order to receive the severance benefits described below, each named executive officer is obligated to execute a release of claims against us, provided such release of claims becomes effective and irrevocable no later than 60 days following such named executive officer's termination date, and to continue to comply with the terms of the named executive officer's proprietary agreement with us.

In the event of a termination of employment without cause (as generally defined below) outside of the change in control period (as generally defined below), a named executive officer will receive the following:

continued payments of base salary for six months; and

paid COBRA benefits for six months.

Table of Contents

In the event of a termination of employment without cause or a resignation for good reason (as generally defined below) during the change of control period, Messrs. Levie and Levin will receive the following:

a lump-sum payment of 12 months of base salary;

a lump-sum payment equal to 100% of the target bonus;

paid COBRA benefits for 12 months; and

100% acceleration of equity awards.

In the event of a termination of employment without cause or a resignation for good reason (as generally defined below) during the change of control period, Mr. Younger will receive the following:

a lump-sum payment of 12 months of base salary;

a lump-sum payment equal to 100% of the target bonus;

paid COBRA benefits for 12 months; and

24 months acceleration of equity awards.

In the event any payment to one of our named executive officers is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code (as a result of a payment being classified as a parachute payment under Section 280G of the Internal Revenue Code), the executive officer will be entitled to receive such payment as would entitle him to receive the greatest after-tax benefit of either the full payment or a lesser payment which would result in no portion of such severance benefits being subject to excise tax.

For the purpose of the change of control agreements, cause means generally the occurrence of any of the following:

an act of dishonesty by the executive in connection with the executive's responsibilities as an employee;

the executive's conviction of, or entry of a plea of guilty or *nolo contendere* to, a felony or any crime involving fraud or embezzlement;

the executive's gross misconduct;

the unauthorized use or disclosure by the executive of our proprietary information or trade secrets or those of any other party to whom the executive owes an obligation of nondisclosure as a result of the executive's relationship with us;

the executive's willful breach of any obligations under any written agreement or covenant with us;

the executive's failure to cooperate with an investigation by a governmental authority; or

the executive's continued failure to perform his duties after notice and a cure period.

For the purpose of the change in control agreements with Messrs. Levie and Levin, "good reason" means generally an executive's voluntary termination following the expiration of any cure period following the occurrence of one or more of the following without the executive's consent:

a material reduction of the executive's duties, authorities or responsibilities other than a reduction following a change in control where the executive assumes similar functional duties for a stand-alone business unit due to the company becoming part of a larger entity; provided that a reduction resulting from the company not being a stand-alone business unit following a change in control will affirmatively be grounds for good reason;

a material reduction of the executive's base salary; or

a material change in the geographic location of the executive's primary work facility or location.

Table of Contents

For the purpose of the change in control agreement with Mr. Younger, "good reason" means generally an executive's voluntary termination following the expiration of any cure period following the occurrence of one or more of the following without the executive's consent:

a material reduction of the executive's duties, authorities or responsibilities other than a reduction following a change in control due to the company being part of a larger entity where the executive assumes similar functional duties;

a material reduction of the executive's base salary; or

a material change in the geographic location of the executive's primary work facility or location.

For the purpose of the change in control agreements, "change in control period" means generally the period beginning three months prior to, and ending 12 months following, a change in control.
