Effective June 8, 2015, Alnylam Pharmaceuticals, Inc. (the Company) appointed David-Alexandre Gros, M.D. to the position of Senior Vice President, Chief Business Officer of the Company.

Prior to joining the Company, Dr. Gros, 42, served as Executive Vice President and Chief Strategy Officer at Sanofi from September 2011 to May 2015, where he was a member of the Executive Committee and the Global Leadership Team. His responsibilities included leading corporate strategy, business development and licensing, mergers and acquisitions, alliance management, and structured investments including the corporate venture fund. Prior to Sanofi, Dr. Gros held management positions with a focus on the pharmaceutical industry in investment banking at Centerview Partners, from 2009 to 2011 and Merrill Lynch & Co., from 2006 to 2009, and in consulting at McKinsey & Co., from 2002 to 2006. Dr. Gros holds an M.D. from The Johns Hopkins University School of Medicine, an M.B.A. from Harvard Business School and a B.A. from Dartmouth College.

In connection with his employment with the Company, pursuant to the terms of his offer letter, Dr. Gros will receive an annual base salary of \$425,000. Dr. Gros will also receive an initial sign-on bonus of \$200,000 upon commencement of employment (the Initial Bonus) and an additional bonus of \$100,000 following the first anniversary of his employment start date (the Subsequent Bonus). In the event Dr. Gros voluntarily terminates his employment with the Company, other than for good reason, or is terminated by the Company for cause, within twelve months of (i) the Initial Bonus or (ii) the Subsequent Bonus, Dr. Gros will be required to repay the full amount of either the Initial Bonus, if he leaves within the first twelve months, or the Subsequent Bonus, if he leaves within months twelve through twenty-four.

Dr. Gros will also be eligible for an annual cash bonus (commencing with a pro-rated bonus for 2015) under the Company's 2015 Annual Incentive Program that targets 40% of his annual base salary and is subject to the achievement of certain performance goals established by the Company. Achievement of Company goals will be determined by the Compensation Committee of the Company's Board of Directors and any cash bonus paid will be calculated in accordance with the terms of the 2015 Annual Incentive Program. The Compensation Committee also approved the grant of a stock option award to purchase 140,000 shares of common stock of the Company, at an exercise price equal to the fair market value of the common stock on the date of grant, \$129.97 per share, under the Company's Amended and Restated 2009 Stock Incentive Plan. The stock option has a ten-year term and vests as to 25% of the shares on the first anniversary of the grant date and as to the remaining shares ratably at the end of each three-month period thereafter over the following three years.
